(c) The Obligors will, and will cause each Restricted Subsidiary to, provide such environmental audits, studies and tests as may be reasonably requested by the Administrative Agent and the Lenders and no more than once per year in the absence of any Event of Default (or as otherwise reasonably required to be obtained by the Administrative Agent or the Lenders by any Governmental Authority), in connection with any future acquisitions of material Oil and Gas Properties or other material Properties.

Section 8.10 Further Assurances.

(a) The Borrower and each other Obligor at its sole expense will, and will cause each of its Restricted Subsidiaries to, promptly execute and deliver to the Administrative Agent all such other documents, agreements and instruments reasonably requested by the Administrative Agent to comply with, cure any defects (in regards to errors and mistakes), or accomplish the conditions precedent, covenants and agreements of the Obligors or the Restricted Subsidiaries, as the case may be, in the Loan Documents, including the Notes, or to further evidence and more fully describe the collateral intended as security for the Obligations, or to correct any mistakes in this Agreement or the Security Instruments or to perfect, protect or preserve any Liens created pursuant to this Agreement or any of the Security Instruments or the priority thereof, or to make any recordings, file any notices or obtain any consents, all as may be reasonably necessary or appropriate, in the reasonable discretion of the Administrative Agent, in connection therewith.

Each Obligor acknowledges and agrees that any financing statement may describe the Collateral as "all assets" of the Borrower or the applicable Guarantor or words of similar effect as may be required by the Administrative Agent. The Administrative Agent will promptly send the Borrower any financing or continuation statements it files without the signature of the Borrower or any other Obligor and the Administrative Agent will promptly send the Borrower the filing or recordation information with respect thereto.

Section 8.11 Reserve Reports.

(a) In connection with the March 2018 Redetermination, the Borrower shall furnish to the Administrative Agent and the Lenders a Reserve Report on or before February 15, 2018 evaluating the Oil and Gas Properties of the Borrower and the Restricted Subsidiaries as of December 31, 2017, which Reserve Report shall be prepared by one or more Approved Petroleum Engineers. On or before March 1st and September 1st of each year, commencing September 1, 2018, the Borrower shall furnish to the Administrative Agent and the Lenders a Reserve Report as of the immediately preceding December 31 or June 30, as applicable. The Reserve Report as of December 31 of each year shall be prepared by one or more Approved Petroleum Engineers and the June 30 Reserve Report of each year shall be prepared by or under the supervision of the chief engineer of the Borrower who shall certify such Reserve Report to be true and accurate in all material respects and to have been prepared, except as otherwise specified therein, in accordance with the procedures used in the immediately preceding December 31 Reserve Report.

(b) In the event of an Interim Redetermination, the Borrower shall furnish to the Administrative Agent and the Lenders a Reserve Report prepared by or under the supervision of the chief engineer of the Borrower who shall certify such Reserve Report to be true and accurate in all material respects and to have been prepared, except as otherwise specified therein, in accordance with the procedures used in the immediately preceding December 31 Reserve Report. For any Interim Redetermination requested by the Administrative Agent or the Borrower pursuant to Section 2.07(b), the Borrower shall provide such Reserve Report with an "as of" date as required by the Administrative Agent as soon as possible, but in any event no later than thirty (30) days following the receipt of such request.

(c) With the delivery of each Reserve Report, the Borrower shall provide to the Administrative Agent and the Lenders a certificate from a Responsible Officer, in substantially the form of Exhibit G hereto (the "Reserve Report Certificate"), certifying that in all material respects: (i) the information provided by the Borrower in connection with the preparation of such Reserve Report and any other information delivered in connection therewith by the Borrower is true and correct, and any projections based upon such information have been prepared in good faith based upon assumptions believed by the Borrower to be reasonable, subject to uncertainties inherent in all projections, (ii) the Borrower and the Restricted Subsidiaries own good and defensible title to the Oil and Gas Properties evaluated in such Reserve Report and such Properties are free of all Liens except for Liens permitted by Section 9.03, (iii) except as set forth on an exhibit to the certificate, on a net basis there are no gas imbalances, take or pay or other prepayments in excess of the volume specified in Section 7.18 with respect to the Oil and Gas Properties evaluated in such Reserve Report that would require the Borrower or the Restricted Subsidiaries to deliver Hydrocarbons either generally or produced from such Oil and Gas Properties at some future time without then or thereafter receiving full payment therefor, (iv) none of the Oil and Gas Properties evaluated in the immediately preceding Reserve Report have been sold since the date of the last Borrowing Base redetermination except as set forth on an exhibit to the certificate, which certificate shall list all of the Oil and Gas Properties sold and in such detail as reasonably required by the Administrative Agent, (v) attached to the certificate is a list of all marketing agreements entered into subsequent to the later of the date hereof or the most recently delivered Reserve Report that the Borrower could reasonably be expected to have been obligated to list on Schedule 7.19 had such agreement been in effect on the date hereof and (vi) attached thereto is a schedule of the Oil and Gas Properties evaluated by such Reserve Report that are Mortgaged Properties and demonstrating that the percentage of the total value of the Oil and Gas Properties evaluated by such Reserve Report that such Mortgaged Properties represent is in compliance with Section 8.13(a).

Section 8.12 Title Information.

(a) On or before the delivery to the Administrative Agent and the Lenders of each Reserve Report required by Section 8.11, to the extent requested by the Administrative Agent, the Borrower will deliver title information in form and substance reasonably acceptable to the Administrative Agent covering enough of the Oil and Gas Properties evaluated by such Reserve Report that were not included in the immediately preceding Reserve Report, so that the Administrative Agent shall have received together with title information previously delivered to the Administrative Agent, reasonably satisfactory title information on at least 80% of the total value of the proved Oil and Gas Properties evaluated by such Reserve Report.

(b) If the Borrower has provided title information for additional Properties under Section 8.12(a), the Borrower shall, within 60 days of notice from the Administrative Agent that title defects or exceptions exist with respect to such additional Properties, either (i) cure any such title defects or exceptions (including defects or exceptions as to priority) which are not permitted by Section 9.03, (ii) substitute acceptable Mortgaged Properties with no title defects or exceptions (other than Liens which are permitted by Section 9.03) having an equivalent value or (iii) deliver title information in form and substance reasonably acceptable to the Administrative Agent so that the Administrative Agent shall have received, together with title information previously delivered to the Administrative Agent, reasonably satisfactory title information on at least 80% of the total value of the proved Oil and Gas Properties evaluated by such Reserve Report.

(c) If the Borrower is unable to cure any title defect requested by the Administrative Agent or the Lenders to be cured within the 60-day period or the Borrower does not comply with the requirements to provide acceptable title information as required by Section 8.12(a) and Section 8.12(b), such default shall not be a Default, but instead the Administrative Agent and/or the Majority Lenders shall have the right to exercise the following remedy in their sole discretion from time to time, and any failure to so exercise this remedy at any time shall not be a waiver as to future exercise of the remedy by the Administrative Agent or the Lenders. To the extent that the Administrative Agent or the Majority Lenders are not reasonably satisfied with title to any Mortgaged Property after the 60-day period has elapsed, such unacceptable Mortgaged Property shall not count towards the requirements of Section 8.12(a) and Section 8.12(b), and the Administrative Agent may send a notice to the Borrower and the Lenders that the then outstanding Borrowing Base shall be reduced by an amount as determined by the Required Lenders to cause the Borrower to be in compliance with the requirement to provide acceptable title information pursuant to Section 8.12(a) and Section 8.12(b). Such new Borrowing Base shall become effective immediately after receipt of such notice.

Section 8.13 Additional Collateral; Additional Guarantors.

(a) In connection with each redetermination of the Borrowing Base, the Borrower shall review the Reserve Report and the list of current Mortgaged Properties (as described in Section 8.11(c)(vi)) to ascertain whether the Mortgaged Properties represent at least 85% of the total value of the proved Oil and Gas Properties of the Borrower and the Restricted Subsidiaries evaluated in the most recently completed Reserve Report, after giving effect to exploration and production activities, acquisitions, dispositions and production. In the event that the Mortgaged Properties represent less than 85% of the total value of the proved Oil and Gas Properties of the Borrower and the Restricted Subsidiaries evaluated in the most recently completed Reserve Report delivered to the Administrative Agent, then the Borrower shall, and shall cause each of its Restricted Subsidiaries to, grant, within sixty (60) days (or such later date as the Administrative Agent may agree to in its sole discretion) of the delivery of the Reserve Report Certificate, to the Administrative Agent or its designee as security for the Obligations a first-priority Lien interest (subject to Liens permitted by Section 9.03 which may attach to Mortgaged Property) on additional Oil and Gas Properties of the Borrower and the Restricted

Subsidiaries not already subject to a Lien of the Security Instruments such that after giving effect thereto, the value of the Mortgaged Properties is equal to or greater than 85% of the total value of the proved Oil and Gas Properties of the Borrower and the Restricted Subsidiaries evaluated in such Reserve Report. All such Liens will be created and perfected by and in accordance with the provisions of the Guarantee and Collateral Agreement, deeds of trust, mortgages, security agreements and financing statements or other Security Instruments, all in form and substance reasonably satisfactory to the Administrative Agent or its designee and in sufficient executed (and acknowledged where necessary or appropriate) counterparts for recording purposes. In order to comply with the foregoing, if any Restricted Subsidiary places a Lien on its Oil and Gas Properties and such Restricted Subsidiary is not a Guarantor, then it shall become a Guarantor and comply with Section 8.13(b).

(b) The Borrower shall promptly cause each Material Subsidiary to become a Guarantor and guarantee the Obligations pursuant to the Guarantee and Collateral Agreement. In connection with any such guaranty, the Borrower shall, or shall cause the Restricted Subsidiaries to, promptly, but in any event no later than 15 days (or such later date as the Administrative Agent may agree to in its sole discretion) after the formation or acquisition (or other similar event, including an Immaterial Subsidiary becoming a Material Subsidiary or upon the designation of an Unrestricted Subsidiary as a Restricted Subsidiary) of any Material Subsidiary to, (i) cause such Material Subsidiary to execute and deliver a joinder and supplement to the Guarantee and Collateral Agreement, (ii) (A) pledge all of the Equity Interests issued by such Material Subsidiary and (B) cause such Material Subsidiary to pledge all of the Equity Interests directly owned by such Material Subsidiary in its respective Subsidiaries and Permitted Joint Ventures (including, without limitation, delivery of original stock certificates evidencing such Equity Interests, together with an appropriate undated stock power for each certificate duly executed in blank by the registered owner thereof); provided, that such pledge shall be limited to 65% of the voting Equity Interests in any Foreign Subsidiary, and (iii) execute and deliver such other additional closing documents, certificates and legal opinions as shall reasonably be requested by the Administrative Agent or its designee.

Section 8.14 ERISA Event. The Obligors will promptly furnish, and will cause their respective Subsidiaries and any ERISA Affiliate to promptly furnish, to the Administrative Agent (a) immediately upon becoming aware of the occurrence of any ERISA Event, a written notice signed by the President or the principal Financial Officer of such Obligor, Subsidiary or ERISA Affiliate, as the case may be, specifying the nature thereof, what action such Obligor, Subsidiary or ERISA Affiliate is taking or proposes to take with respect thereto, and, if then known, any action taken or proposed by the Internal Revenue Service, the Department of Labor or the PBGC with respect thereto, and (b) immediately upon receipt thereof, copies of any notice of the PBGC's intention to terminate or to have a trustee appointed to administer any Plan.

Properties of the Borrower and its Restricted Subsidiaries that the Borrower or one of its Restricted Subsidiaries has the right to market pursuant to joint operating agreements, unitization agreements or other similar contracts that are usual and customary in the oil and gas business and (c) other contracts for the purchase and/or sale of Hydrocarbons of third parties (i) which have generally offsetting provisions (i.e., corresponding pricing mechanics, delivery dates and points and volumes) such that no "position" is taken and (ii) for which appropriate credit support has been taken to alleviate the material credit risks of the counterparty thereto.

Section 8.16 Accounts. The Obligors shall, and shall cause each Restricted Subsidiary to: (i) deposit or cause to be deposited directly, all Cash Receipts into one or more Deposit Accounts in which the Administrative Agent has been granted a first-priority Lien (subject to Excepted Liens of the type described in clause (e) of the definition thereof) and that, in each case, is listed on Schedule 7.25 (as the same may be supplemented by the Borrower from time to time upon delivery of a written supplement to the Administrative Agent) and is subject to an Account Control Agreement (in each case, other than amounts referred to in the definition of "Excluded Accounts", which may be deposited in Excluded Accounts) and (ii) deposit or credit or cause to be deposited or credited directly, all securities and financial assets held or owned by (whether directly or indirectly), credited to the account of, or otherwise reflected as an asset on the balance sheet of, Holdings and the Consolidated Restricted Subsidiaries (including, without limitation, all marketable securities, treasury bonds and bills, certificates of deposit, investments in money market funds and commercial paper) into one or more Securities Accounts in which the Administrative Agent has been granted a first-priority Lien (subject to Excepted Liens of the type described in clause (e) of the definition thereof) and that is listed on Schedule 7.25 (as the same may be supplemented by the Borrower from time to time upon delivery of a written supplement to the Administrative Agent) and that is subject to an Account Control Agreement. When all of the General Unsecured Claims have been paid or settled, the General Unsecured Claims Account shall be either closed and any remaining proceeds deposited in a Deposit Account subject to an Account Control Agreement, or the General Unsecured Claims Account shall cease to be an Excluded Account and become subject to an Account Control Agreement. When all of the claims secured by the Wells Fargo Escrow Account have been settled pursuant to a binding and enforceable settlement agreement or otherwise adjudicated in a final and non-appealable judgment, the Wells Fargo Escrow Account shall be either closed and any remaining proceeds deposited in a Deposit Account subject to an Account Control Agreement, or the Wells Fargo Escrow Account shall cease to be an Excluded Account and become subject to an Account Control Agreement.

(g) any event or condition occurs (after the expiration of any applicable period of grace and/or notice and cure period) that (i) results in any Material Debts becoming due prior to its scheduled maturity or (ii) that enables or permits the holder or holders of any Material Debt or any trustee or agent on its or their behalf to cause any Material Debt to become due, or to require the Redemption thereof or any offer to Redeem to be made in respect thereof, prior to its scheduled maturity or require the Obligors to make an offer in respect thereof.

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of any Obligor or its or their respective debts, or of a substantial part of its or their respective assets, under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for any Obligor or for a substantial part of its or their respective assets, and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered.

(i) any Obligor shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in Section 10.01(h), (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for any Obligor or for a substantial part of its or their respective assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing; or the holders of any Equity Interests of Holdings, the Parent or the Borrower shall make any request or take any action for the purpose of calling a meeting of the shareholders or members of Holdings, the Parent or the Borrower, as applicable, to consider a resolution to dissolve and wind-up Holdings', the Parent's or the Borrower's affairs.

(j) any Obligor shall become unable, admit in writing its inability or fail generally to pay its debts as they become due.

(k) (i) one or more judgments for the payment of money in an aggregate amount in excess of $25,000,000 (to the extent not covered by independent third-party insurance provided by reputable and financially sound insurers as to which the insurer has not issued a notice denying coverage and is not subject to an insolvency proceeding) or (ii) any one or more non-monetary judgments that have, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, shall be rendered by a court of competent jurisdiction against any Obligor or any Restricted Subsidiary or any combination thereof and the same shall remain undischarged or unsatisfied for a period of thirty (30) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any material assets of any Obligor or any Restricted Subsidiary to enforce any such judgment.

(l) the Loan Documents after delivery thereof shall for any reason, except to the extent permitted by the terms thereof, cease to be in full force and effect and valid, binding and enforceable in accordance with their terms against any Obligor party thereto or shall be repudiated by any of them, or any Obligor shall so state in writing; or the Loan Documents after delivery thereof cease to create a valid and perfected Lien of the priority required thereby on any material portion of Collateral purported to be covered thereby, except to the extent permitted by the terms of this Agreement, or any Obligor shall so state in writing.

(m) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, could reasonably be expected to have a Material Adverse Effect or result in a Lien arising under ERISA or Section 430 of the Code.

(n) a Change in Control shall occur.

Section 10.02 Remedies.

(a) In the case of an Event of Default other than one described in Section 10.01(h) or Section 10.01(i) at any time thereafter during the continuance of such Event of Default, the Administrative Agent may, and at the request of the Majority Lenders, shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Notes and the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents (including, without limitation, the payment of cash collateral to secure the LC Exposure as provided in Section 2.08(j)), shall become due and payable immediately, without presentment, demand, protest, notice of intent to accelerate, notice of acceleration or other notice of any kind, all of which are hereby waived by the Borrower and each Guarantor; and in case of an Event of Default described in Section 10.01(h) or Section 10.01(i), the Commitments shall automatically terminate and the Notes and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and the other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents (including, without limitation, the payment of cash collateral to secure the LC Exposure as provided in Section 2.08(j)), shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and each Guarantor.

(b) In the case of the occurrence of an Event of Default, the Administrative Agent and the Lenders will have all other rights and remedies available at law and equity.

(c) Except as provided in Section 4.04, all proceeds realized from the liquidation or other disposition of Collateral or otherwise received after maturity of the Loans, whether by acceleration or otherwise, shall be applied: *first*, to payment or reimbursement of that portion of the Obligations constituting fees, expenses and indemnities payable to the Administrative Agent in its capacity as such; *second*, pro rata to payment or reimbursement of that portion of the Obligations constituting fees, expenses and indemnities payable to the Lenders; *third*, pro rata to payment of accrued interest on the Loans; *fourth*, pro rata to payment

of (i) principal outstanding on the Loans, (ii) reimbursement obligations in respect of Letters of Credit pursuant to Section 2.08(e) (and cash collateralization of LC Exposure hereunder), (iii) Secured Swap Obligations owing to Secured Swap Parties and (iv) Secured Cash Management Obligations owing to Secured Cash Management Providers; *fifth*, pro rata to any other Obligations; and *sixth*, any excess, after all of the Obligations shall have been paid in full in cash, shall be paid to the Borrower or as otherwise required by any Governmental Requirement; provided that, for the avoidance of doubt, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from the Borrower and any other Guarantors to preserve the allocation to Obligations otherwise set forth above in this Section 10.02(c).

(d) Without limiting any other provision of this Article X, after the occurrence of, and during the continuation of, an Event of Default, the Administrative Agent may give instructions directing the disposition of funds, securities or other Property credited or deposited into any Deposit Account or Securities Account subject to an Account Control Agreement (including without limitation sweeping such proceeds for payment of the Obligations) and/or withhold any withdrawal rights of any Obligor with respect to any or all funds, securities or other Property credited or deposited into any Deposit Account or Securities Account subject to an Account Control Agreement.

Section 10.03 Disposition of Proceeds. The Security Instruments contain an assignment by the Borrower and the Obligors unto and in favor of the Administrative Agent for the benefit of the Lenders of all of the Borrower's and each Obligor's interest in and to production and all proceeds attributable thereto which may be produced from or allocated to the Mortgaged Property. The Security Instruments further provide in general for the application of such proceeds to the satisfaction of the Obligations and other obligations described therein and secured thereby. Notwithstanding the assignment contained in such Security Instruments, except after the occurrence and during the continuance of an Event of Default, (a) the Administrative Agent and the Lenders agree that they will neither notify the purchaser or purchasers of such production nor take any other action to cause such proceeds to be remitted to the Administrative Agent or the Lenders, but the Lenders will instead permit such proceeds to be paid to the Borrower or its Subsidiaries, as applicable and (b) the Lenders hereby authorize the Administrative Agent to take such actions as may be necessary to cause such proceeds to be paid to the Borrower or its Subsidiaries, as applicable.

Section 10.04 Credit Bidding. Each of the Borrower and the other Obligors, and the Lenders hereby irrevocably authorize (and by entering into a Swap Agreement, each Approved Counterparty shall be deemed to authorize) the Administrative Agent, based upon the instruction of the Majority Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (and the Borrower and each other Obligor and their respective Subsidiaries shall approve the Administrative Agent as a qualified bidder and such Credit Bid as a qualified bid) at any sale thereof conducted by the Administrative Agent, based upon the instruction of the Majority Lenders, under any provisions of the Uniform Commercial Code, as part of any sale or investor solicitation process conducted by the Borrower or any other Obligor or their respective Subsidiaries, any interim receiver,

manager, receiver and manager, administrative receiver, trustee, agent or other Person pursuant or under any insolvency laws; provided, however, that (a) the Majority Lenders may not direct the Administrative Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of the Credit Bid, (b) the acquisition documents shall be commercially reasonable and contain customary protections for minority holders, such as, among other things, anti-dilution and tag-along rights, (c) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws) and (d) reasonable efforts shall be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations).

ARTICLE XI
The Administrative Agent

Section 11.01 Appointment; Powers. Each of the Lenders and each Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank, and neither the Obligors nor any Subsidiary shall have rights as a third party beneficiary of any of such provisions.

Section 11.02 Duties and Obligations of Administrative Agent. The Administrative Agent shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) the Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 11.03, and (c) except as expressly set forth herein, the Administrative Agent shall have no duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Obligors or their respective Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other

agreement, instrument or document, (v) the satisfaction of any condition set forth in ARTICLE VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, (vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Obligors or their respective Subsidiaries or any other obligor or guarantor, or (vii) any failure by the Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein. For purposes of determining compliance with the conditions specified in ARTICLE VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the proposed closing date specifying its objection thereto.

Section 11.03 Action by Administrative Agent. The Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Majority Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and in all cases the Administrative Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Majority Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), as applicable, specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by the Administrative Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then the Administrative Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities) described in this Section 11.03, provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders. In no event, however, shall the Administrative Agent be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, the Loan Documents or applicable law. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Majority Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise the Administrative Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith INCLUDING ITS OWN ORDINARY NEGLIGENCE, except for its own gross negligence or willful misconduct.

Section 11.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon and each of the Borrower, the Lenders and each Issuing Bank hereby waives the right to dispute the Administrative Agent's record of such statement, except in the case of gross negligence or willful misconduct by the Administrative Agent. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with the Administrative Agent.

Section 11.05 Subagents. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this ARTICLE XI shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

Section 11.06 Resignation or Removal of Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this Section 11.06, the Administrative Agent may resign at any time by notifying the Lenders, each Issuing Bank and the Borrower and the Administrative Agent may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right, in consultation with the Borrower (unless an Event of Default has occurred and is continuing), to appoint a successor. If no successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders and each Issuing Bank, appoint a successor Administrative Agent; provided that in no event shall any such successor Administrative Agent be a Defaulting Lender. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to the successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this ARTICLE XI and Section 12.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Section 11.07 Administrative Agent and Lenders. The Administrative Agent shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the Administrative Agent and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

Section 11.08 No Reliance.

(a) Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. The Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Obligors or their respective Subsidiaries of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Properties or books of the Borrower or its Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Arrangers shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrower (or any of its Affiliates) which may come into the possession of the Administrative Agent, the Arrangers or any of their respective Affiliates. In this regard, each Lender acknowledges that Paul Hastings LLP is acting in this transaction as special counsel to the Administrative Agent only, except to the extent otherwise expressly stated in any legal opinion or any Loan Document. Each other party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

(b) The Lenders acknowledge that the Administrative Agent and the Arrangers are acting solely in administrative capacities with respect to the structuring and syndication of this facility and have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than their administrative duties, responsibilities and liabilities specifically as set forth in the Loan Documents and in their capacity as Lenders hereunder. In structuring, arranging or syndicating this facility, each Lender acknowledges that the Administrative Agent and/or the Arrangers may be agents or lenders under this Agreement, other loans or other securities and waives any existing or future conflicts of interest associated with their role in such other debt instruments.

Section 11.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Obligors or their respective Subsidiaries, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 12.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 12.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.10 Authority of Administrative Agent to Release Collateral and Liens. Each Lender, each Issuing Bank, each Secured Swap Party and Secured Cash Management Provider hereby authorizes the Administrative Agent to release any Collateral and the guarantees of any Guarantor under the Guarantee and Collateral Agreement, and to execute and deliver to the Borrower, at the Borrower's sole cost and expense, any and all releases of Liens, releases of guaranty from the Guarantee and Collateral Agreement, termination statements, assignments or other documents reasonably requested by the Borrower, in accordance with Section 12.20.

Section 11.11 The Arrangers. The Arrangers, the Syndication Agent and the Documentation Agents shall have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than its duties, responsibilities and liabilities in its individual capacity as a Lender hereunder to the extent it is a party to this Agreement as a Lender.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent, any other agent, any Issuing Bank or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent, any other agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Obligor therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any other agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Subject to Section 4.04(c)(ii), neither this Agreement nor any provision hereof nor any Loan Document nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Majority Lenders or by the Borrower and the Administrative Agent with the written consent of the Majority Lenders. Notwithstanding the foregoing, no such agreement of the Majority Lenders shall (i) increase the Commitment or Maximum Credit Amount of any Lender without the written consent of such Lender, (ii) increase the Borrowing Base without the written consent or deemed consent of each Lender, maintain or decrease the Borrowing Base without the written consent or deemed consent of the Required Lenders, or modify in any manner Section 2.07 without the written consent of each Lender; provided that a Scheduled Redetermination may be postponed by the Required Lenders, (iii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than the waiver of interest at the default rate pursuant to Section 3.02(c), or reduce any fees payable hereunder, or reduce any other Obligations hereunder or under any other Loan Document, without the written consent of

each Lender affected thereby, (iv) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or any other Obligations hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Termination Date or the Maturity Date without the written consent of each Lender affected thereby, (v) change Section 2.06(b)(ii), Section 4.01(b), Section 4.01(c) or Section 10.02(c) in a manner that would alter the pro rata reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender adversely affected thereby, (vi) waive or amend Section 3.04(c) or Section 6.01, in each case without the written consent of each Lender, (vii) release any Guarantor or release all or substantially all of the Collateral (in each case, other than as provided in Section 11.10 and Section 12.20) without written consent of each Lender and each Secured Swap Party, or reduce the percentage set forth in Section 8.13(a) to less than eighty-five percent (85%), without the written consent of each Lender, (viii) modify the definitions of "Secured Swap Agreement", "Secured Swap Obligations" or "Secured Swap Party", or the terms of Section 10.02(c), Section 12.14, or any of the provisions of this Section 12.02(b), in each case without the written consent of each Secured Swap Party adversely affected thereby, (ix) change any of the provisions of this Section 12.02(b) or the definition of "Majority Lenders", "Super Majority Lenders" "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender adversely affected thereby, or (x) amend or otherwise modify any Security Instrument in a manner that results in the Secured Swap Obligations no longer being secured on an equal and ratable basis with the principal of the Loans pursuant to such Security Instrument, without the written consent of each Secured Swap Party adversely affected thereby; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or such Issuing Bank, as the case may be. Notwithstanding the foregoing, (i) any supplement to any Schedule permitted or required to be delivered under this Agreement or any other Loan Document shall be effective simply by delivering to the Administrative Agent a supplemental Schedule clearly marked as such and, upon receipt, the Administrative Agent will promptly deliver a copy thereof to the Lenders, and (ii) any Security Instrument may be supplemented to add additional collateral with the consent of the Administrative Agent.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrower and each other Obligor shall jointly and severally pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers and their respective Affiliates, including, without limitation, the reasonable and documented out-of-pocket fees, charges and disbursements of consultants and of one primary counsel to the Administrative Agent and one local counsel to the Administrative Agent in each jurisdiction deemed reasonably necessary by the Administrative Agent, and the reasonable travel, photocopy, mailing, courier, telephone and other similar expenses, in each case in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Administrative Agent as to the rights and duties of the

Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket costs, expenses, Taxes, assessments and other charges incurred by the Administrative Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, (iii) all reasonable out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit issued by such Issuing Bank or any demand for payment thereunder, (iv) all out-of-pocket expenses incurred by the Administrative Agent (and its Affiliates) and the Lenders (including (A) the fees, charges and disbursements of counsel to the Administrative Agent and (B) the fees, charges and disbursements of one primary counsel to the Lenders as a group (plus no more than one additional counsel in each jurisdiction that is relevant to such enforcement or protection of rights)) in connection with this Agreement or any other Loan Document or in connection with the Loans made or Letters of Credit issued hereunder, including, without limitation, all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) **THE BORROWER AND EACH OTHER OBLIGOR SHALL JOINTLY AND SEVERALLY INDEMNIFY THE ADMINISTRATIVE AGENT, THE ARRANGERS, THE SYNDICATION AGENT, THE DOCUMENTATION AGENTS, EACH ISSUING BANK AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "INDEMNITEE") AGAINST, AND DEFEND AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES, INCLUDING THE REASONABLE AND CUSTOMARY FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN EXPENSES IN CONNECTION WITH THE EXECUTION AND DELIVERY OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS DATED OF EVEN DATE HEREWITH, WHICH EXPENSES SHALL ONLY BE PAID BY THE OBLIGORS TO THE EXTENT PROVIDED IN SECTION 12.03(A)) OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE FAILURE OF THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF THE BORROWER OR ANY GUARANTOR SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH,**

(iv) ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREFROM, INCLUDING, WITHOUT LIMITATION, (A) ANY REFUSAL BY ANY ISSUING BANK TO HONOR A DEMAND FOR PAYMENT UNDER A LETTER OF CREDIT ISSUED BY SUCH ISSUING BANK IF THE DOCUMENTS PRESENTED IN CONNECTION WITH SUCH DEMAND DO NOT STRICTLY COMPLY WITH THE TERMS OF SUCH LETTER OF CREDIT, OR (B) THE PAYMENT OF A DRAWING UNDER ANY LETTER OF CREDIT NOTWITHSTANDING THE NON-COMPLIANCE, NON-DELIVERY OR OTHER IMPROPER PRESENTATION OF THE DOCUMENTS PRESENTED IN CONNECTION THEREWITH, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (vii) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) THE OBLIGORS', OR THEIR RESPECTIVE SUBSIDIARIES', BREACH OF, OR NON-COMPLIANCE WITH, ANY ENVIRONMENTAL LAW APPLICABLE TO THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (ix) THE USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF HAZARDOUS MATERIALS BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (x) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (xi) THE USE BY UNINTENDED RECIPIENTS OF ANY INFORMATION OR OTHER MATERIALS DISTRIBUTED BY IT THROUGH TELECOMMUNICATIONS, ELECTRONIC OR OTHER INFORMATION TRANSMISSION SYSTEM IN CONNECTION WITH THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, OR (xii) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BROUGHT BY A THIRD PARTY, THE BORROWER OR ANY GUARANTOR, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; PROVIDED THAT SUCH INDEMNITY SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE, AND PROVIDED FURTHER THAT THE INDEMNITY SET FORTH HEREIN SHALL NOT APPLY TO DISPUTES SOLELY BETWEEN LENDERS

UNLESS SUCH DISPUTE RESULTS FROM ANY CLAIM ARISING OUT OF ANY REQUEST, ACT OR OMISSION ON THE PART OF ANY OBLIGOR OR AGAINST THE ARRANGERS, THE ADMINISTRATIVE AGENT OR ANY ISSUING BANK IN ITS CAPACITY AS SUCH, IN EACH CASE, IN CONNECTION WITH THE LOAN DOCUMENTS. WITH RESPECT TO THE OBLIGATION TO REIMBURSE AN INDEMNITEE FOR FEES, CHARGES AND DISBURSEMENTS OF COUNSEL, EACH INDEMNITEE AGREES THAT ALL INDEMNITEES WILL AS A GROUP UTILIZE ONE PRIMARY COUNSEL (PLUS NO MORE THAN ONE ADDITIONAL COUNSEL IN EACH JURISDICTION WHERE A PROCEEDING THAT IS THE SUBJECT MATTER OF THE INDEMNITY IS LOCATED) UNLESS (1) THERE IS A CONFLICT OF INTEREST AMONG INDEMNITEES, (2) DEFENSES OR CLAIMS EXIST WITH RESPECT TO ONE OR MORE INDEMNITEES THAT ARE NOT AVAILABLE TO ONE OR MORE OTHER INDEMNITEES OR (3) SPECIAL COUNSEL IS REQUIRED TO BE RETAINED AND THE BORROWER CONSENTS TO SUCH RETENTION (SUCH CONSENT NOT TO BE UNREASONABLY WITHHELD, CONDITIONED OR DELAYED). THIS SECTION 12.03(B) SHALL NOT APPLY WITH RESPECT TO TAXES OTHER THAN ANY TAXES THAT REPRESENT LOSSES, CLAIMS, DAMAGES, ETCETERA, ARISING FROM ANY NON-TAX CLAIM.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, the Arrangers or any Issuing Bank under Section 12.03(a) or (b), each Lender severally agrees to pay to the Administrative Agent, the Arrangers or such Issuing Bank, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Arrangers or such Issuing Bank in its capacity as such.

(d) TO THE EXTENT PERMITTED BY APPLICABLE LAW, NO PARTY HERETO NOR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS SHALL ASSERT, AND EACH HEREBY WAIVES, ANY CLAIM AGAINST ANY OTHER SUCH PERSON, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF, THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE TRANSACTIONS, ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREOF. NOTWITHSTANDING THE FOREGOING, NOTHING HEREIN SHALL LIMIT OR BE DEEMED TO LIMIT THE OBLIGORS' OBLIGATION TO INDEMNIFY THE INDEMNITEE'S FOR ANY SUCH CLAIMS BROUGHT BY THIRD PARTIES.

(e) All amounts due under this Section 12.03 shall be payable within ten (10) Business Days of written demand therefor attaching the relevant invoices and/or a certificate, in each case setting forth the basis for such demand in reasonable detail.

Section 12.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 12.04 or as required under Section 5.04(b), and (iii) no Lender may assign to the Borrower or any other Obligor or their respective Subsidiaries, or an Affiliate of the Borrower or any other Obligor or their respective Subsidiaries, or a Defaulting Lender or an Affiliate of a Defaulting Lender all or any portion of such Lender's rights and obligations under the Agreement or all or any portion of its Commitments or the Loans owing to it hereunder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in Section 12.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, each Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 12.04(b)(ii), any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower, provided that no consent of the Borrower shall be required if such assignment is to a Lender or an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, is to any other assignee, provided further that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof; and

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment to an assignee that is a Lender or any Affiliate of a Lender or an Approved Fund, immediately prior to giving effect to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) no assignment shall be made to a natural Person, or to any holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person.

(iii) Subject to Section 12.04(b)(ii) and the acceptance and recording thereof, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Maximum Credit Amount of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive (absent manifest error), and the Borrower, the Administrative Agent, each Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice. In connection with any changes to the Register, if necessary, the Administrative Agent will reflect the revisions on Annex I and forward a copy of such revised Annex I to the Borrower, each Issuing Bank and each Lender.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 12.04(b) and any written consent to such assignment required by this Section 12.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 12.04(b).

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations to one or more banks or other entities other than an Affiliate of the Borrower or any other Obligor (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, each Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that any such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 12.02(b) that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.11. Subject to Section 12.04(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of Section 5.01, Section 5.02 and Section 5.03 (subject to the requirements and limitations therein, including the requirements under Section 5.03(e) (it being understood that the documentation required under Section 5.03(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender, provided such Participant agrees to be subject to Section 4.01(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 5.01 or Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent and such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.03 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 5.03(e) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any other agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 5.01, Section 5.02, Section 5.03, Section 12.03 and ARTICLE XI shall survive and remain in full force and effect regardless of the consummation of the Transactions, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Obligations or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, security interests, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrower shall take such action as may be reasonably requested by the Administrative Agent and the Lenders to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. **THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES HERETO AND THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

(c) Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by fax, facsimile, as an attachment to an email or other similar electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (of whatsoever kind, including, without limitation, obligations under Swap Agreements) at any time owing by such Lender or Affiliate to or for the credit or the account of the Obligors or the Restricted Subsidiaries against any of and all the obligations of the Obligors or the Restricted Subsidiaries owed to such Lender now or hereafter existing under this Agreement or any other Loan Document, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmatured. Each Lender or its Affiliate agrees to promptly notify the Borrower and the Administrative Agent after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section 12.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender or its Affiliates may have.

Section 12.09 GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK EXCEPT TO THE EXTENT THAT UNITED STATES FEDERAL LAW PERMITS ANY LENDER TO CONTRACT FOR, CHARGE, RECEIVE, RESERVE OR TAKE INTEREST AT THE RATE ALLOWED BY THE LAWS OF THE STATE WHERE SUCH LENDER IS LOCATED.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THE LOAN DOCUMENTS SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS. THIS SUBMISSION TO JURISDICTION IS NON-EXCLUSIVE AND DOES NOT PRECLUDE A PARTY FROM OBTAINING JURISDICTION OVER ANOTHER PARTY IN ANY COURT OTHERWISE HAVING JURISDICTION.

(c) EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO IT AT THE ADDRESS SPECIFIED IN SECTION 12.01 OR SUCH OTHER ADDRESS AS IS SPECIFIED PURSUANT TO SECTION 12.01 (OR ITS ASSIGNMENT AND ASSUMPTION), SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF A PARTY OR ANY HOLDER OF A NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANOTHER PARTY IN ANY OTHER JURISDICTION.

(d) **EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN; (ii) IRREVOCABLY WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY SUCH LITIGATION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES; (iii) CERTIFIES THAT NO PARTY HERETO NOR ANY REPRESENTATIVE OR AGENT OF COUNSEL FOR ANY PARTY HERETO HAS**

REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED THAT SUCH PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS, AND (iv) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each Credit Party agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Related Parties' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or self-regulatory body, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to the Borrower and their obligations, (g) with the consent of the Borrower, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower, (i) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender or (j) on a confidential basis to (i) any rating agency in connection with rating the Obligors or this Agreement or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers for this Agreement. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar services providers to the lending industry and service providers to the Administrative Agent and the Lenders in connection with the administration of this Agreement and the other Loan Documents. For the purposes of this Section 12.11, "Information" means all information received from the Obligors or their respective Subsidiaries relating to the Obligors or their respective Subsidiaries and their businesses, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Obligors or their respective Subsidiaries; provided that, in the case of information received from the Borrower, or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required

to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that information furnished to it pursuant to this Agreement or the other Loan Documents may include material non-public information concerning the Obligors and their respective Affiliates and Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and agrees that it will handle such material non-public information in accordance with those procedures and applicable law, including federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Obligors or the Administrative Agent pursuant to, or in the course of administering, this Agreement or the other Loan Documents will be syndicate-level information, which may contain material non-public information about the Obligors and their respective Affiliates and Related Parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including federal and state securities laws.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the Transactions would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (a) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower); and (b) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower). All sums paid or agreed to be paid to any Lender for the use, forbearance or

detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12.

Section 12.13 EXCULPATION PROVISIONS. EACH OF THE PARTIES HERETO SPECIFICALLY AGREES THAT IT HAS A DUTY TO READ THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND AGREES THAT IT IS CHARGED WITH NOTICE AND KNOWLEDGE OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; THAT IT HAS IN FACT READ THIS AGREEMENT AND IS FULLY INFORMED AND HAS FULL NOTICE AND KNOWLEDGE OF THE TERMS, CONDITIONS AND EFFECTS OF THIS AGREEMENT; THAT IT HAS BEEN REPRESENTED BY INDEPENDENT LEGAL COUNSEL OF ITS CHOICE THROUGHOUT THE NEGOTIATIONS PRECEDING ITS EXECUTION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND HAS RECEIVED THE ADVICE OF ITS ATTORNEY IN ENTERING INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND THAT IT RECOGNIZES THAT CERTAIN OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS RESULT IN ONE PARTY ASSUMING THE LIABILITY INHERENT IN SOME ASPECTS OF THE TRANSACTION AND RELIEVING THE OTHER PARTY OF ITS RESPONSIBILITY FOR SUCH LIABILITY. EACH PARTY HERETO AGREES AND COVENANTS THAT IT WILL NOT CONTEST THE VALIDITY OR ENFORCEABILITY OF ANY EXCULPATORY PROVISION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS ON THE BASIS THAT THE PARTY HAD NO NOTICE OR KNOWLEDGE OF SUCH PROVISION OR THAT THE PROVISION IS NOT “CONSPICUOUS.”

Section 12.14 Collateral Matters; Swap Agreements. The benefit of the Security Instruments and of the provisions of this Agreement relating to any collateral securing the Obligations shall also extend to and be available to each Secured Swap Party and each Secured Cash Management Provider on a pro rata basis in respect of any Secured Swap Obligations owed to such Secured Swap Party and any Secured Cash Management Obligations owed to such Secured Cash Management Provider. Except as set forth in Section 12.02(b), no Secured Swap Party or Secured Cash Management Provider shall have any voting rights under any Loan Document as a result of the existence of any Secured Swap Obligations or Secured Cash Management Obligations owed to it.

Section 12.15 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans and each Issuing Bank to issue, amend, renew or extend Letters of Credit hereunder are solely for the benefit of the Borrower, and no other Person (including, without limitation, any Subsidiary of the Borrower, any obligor, contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent, any other agent, any Issuing Bank or any Lender for any reason whatsoever. There are no third party beneficiaries other than to the extent contemplated by the last sentence of Section 12.04(a).

Section 12.16 USA Patriot Act Notice. Each Lender hereby notifies the Borrower and other Obligors that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Obligors, which information includes the name, address and tax identification number of the Obligors and other information that will allow such Lender to identify the Obligors in accordance with the Patriot Act.

Section 12.17 No Fiduciary Duty. The Administrative Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Borrower and the Guarantors, their respective stockholders and/or their affiliates. The Borrower agrees that nothing in the Loan Documents and nothing in connection with the transactions related thereto will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower and any Guarantor, its stockholders or its affiliates, on the other. The Borrower acknowledges and agrees that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrower on the other, and (b) in connection therewith and with the process leading thereto, (i) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower or any Guarantor, its stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower or any Guarantor, its stockholders or its Affiliates on other matters) or any other obligation to the Borrower or any Guarantor except the obligations expressly set forth in the Loan Documents and (ii) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower or any Guarantor, its management, stockholders, creditors or any other Person. The Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or any Guarantor, in connection with such transaction or the process leading thereto.

Section 12.18 Flood Insurance Provisions.

(a) Notwithstanding any provision in this Agreement or any other Loan Document to the contrary, in no event is any Building (as defined in the applicable Flood Insurance Regulation) or Manufactured (Mobile) Home (as defined in the applicable Flood Insurance Regulation) included in the definition of "Mortgaged Property" and no Building or Manufactured (Mobile) Home is hereby encumbered by this Agreement or any other Loan Document. As used herein, "Flood Insurance Regulations" means (i) the National Flood Insurance Act of 1968 as now or hereafter in effect or any successor statute thereto, (ii) the Flood Disaster Protection Act of 1973 as now or hereafter in effect or any successor statute thereto, (iii) the National Flood Insurance Reform Act of 1994 (amending 42 USC 4001, et seq.), as the same may be amended or recodified from time to time and (iv) the Flood Insurance Reform Act of 2004 and any regulations promulgated thereunder and (v) the Biggert-Waters Flood Reform Act of 2012 and any regulations promulgated thereunder.

(b) The Administrative Agent has adopted internal policies and procedures that address requirements placed on federally regulated Lenders under the Flood Insurance Regulations. The Administrative Agent will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Insurance Regulations. However, the Administrative Agent reminds each Lender and participant in the facility that, pursuant to the Flood Insurance Regulations, each federally regulated Lender (whether acting as a Lender or participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

Section 12.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 12.20 Releases.

(a) Full Release. Upon the request of the Borrower, if (i) all Obligations under this Agreement and the other Loan Documents shall have been paid in full in cash (other than (A) indemnities and other contingent obligations not then due and payable and as to which no claim has been made as of the time of determination and (B) Secured Cash Management Obligations), (ii) all Letters of Credit shall have expired, terminated or other arrangements satisfactory to the Administrative Agent and the relevant Issuing Bank shall have been made, (iii) all Secured Swap Obligations shall have been paid in full or other arrangements satisfactory to the Administrative Agent and the Secured Swap Parties shall have been made, (iv)

commitments of the Lenders under the Loan Documents shall have been terminated and (v) this Agreement and the other Loan Documents shall have been terminated (other than those provisions that by their terms survive termination), the Administrative Agent at the request and sole expense of the Obligors shall execute and deliver or cause to be executed and delivered such instruments as may be necessary to evidence the release of the Liens and any guarantees granted pursuant to the Security Instruments.

(b) Partial Release. If (i) any of the Collateral shall be sold, transferred, conveyed or otherwise disposed of by the Borrower or any Subsidiary Guarantor in a transaction permitted by this Agreement (other than any sale, transfer, conveyance, transfer of other disposition to the Borrower or another Subsidiary Guarantor) or (ii) the release of such Lien is approved, authorized or ratified in writing by the Majority Lenders (or such other percentage of the Lenders and Secured Swap Parties whose consent may be required in accordance with Section 12.02(b)), then upon written request delivered to the Administrative Agent, the Administrative Agent, at the sole expense of the Borrower and the applicable Subsidiary Guarantor, shall promptly execute and deliver to the Borrower or such Subsidiary Guarantor all releases, termination statements and/or other documents reasonably necessary or desirable to evidence the release of Liens on such Collateral created under the applicable Loan Documents; provided that the Borrower shall have delivered to the Administrative Agent a written request for release, termination statements and other documents identifying the Borrower or such Subsidiary Guarantor together with a certification by the Borrower stating (x) that such transaction is in compliance with this Agreement and the other Loan Documents, and (y) no Collateral other than the Collateral required to be released is being released. The Administrative Agent is authorized to release a Guarantor from its obligations under the Loan Documents (including, without limitation, any guarantee under the Guarantee and Collateral Agreement) and any Liens on the Property of such Guarantor granted pursuant to the Security Instruments in the event that (i) all the capital stock or other Equity Interests of such Guarantor are sold, transferred, conveyed, associated or otherwise disposed of in a transaction permitted by the Loan Documents, (ii) upon written request by the Borrower to the Administrative Agent, such Guarantor ceases to be a Material Subsidiary or (iii) such Guarantor is designated as an Unrestricted Subsidiary. In such event, the Administrative Agent, at the sole expense of the Borrower and the applicable Guarantor, shall promptly execute and deliver to the Borrower or such Guarantor all releases, termination statements and/or other documents reasonably necessary or desirable to evidence such release; provided that the Borrower shall have delivered to the Administrative Agent a written request for release identifying the relevant Guarantor together with a certification by the Borrower stating (x) that such transaction is in compliance with this Agreement and the other Loan Documents, and (y) no Guarantor or Collateral other than the Guarantor or Collateral required to be released is being released.

(d) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(e) the amount of the then effective Borrowing Base, the current total Revolving Credit Exposures (without regard to the requested Borrowing) and the pro forma total Revolving Credit Exposures (giving effect to the requested Borrowing);

(f) the Consolidated Cash Balance (without regard to the requested Borrowing) and the pro forma Consolidated Cash Balance (giving effect to the requested Borrowing and the anticipated use of proceeds thereof within three Business Days);

(g) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.05; and

(h) each of the conditions set forth in Section 6.02 has been satisfied.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Each Borrowing Request shall constitute a representation that (i) the amount of the requested Borrowing shall not cause the total Revolving Credit Exposures to exceed the total Commitments (i.e., the lesser of the Aggregate Maximum Credit Amounts and the then effective Borrowing Base) and (ii) after giving pro forma effect to the requested Borrowing, the Consolidated Cash Balance shall not exceed $70,000,000.

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Interest Elections.

(a) Conversion and Continuance. Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.04. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) Interest Election Requests. To make an election pursuant to this Section 2.04, the Borrower shall deliver to the Administrative Agent by hand delivery, fax or electronic communication an Interest Election Request signed by the Borrower by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable.

(c) Information in Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to Section 2.04(c)(iii) and (iv) shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Notice to Lenders by the Administrative Agent. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Effect of Failure to Deliver Timely Interest Election Request and Events of Default and Borrowing Base Deficiencies on Interest Election. If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be continued as a Eurodollar Loan having an Interest Period of one month. Notwithstanding any contrary provision hereof, (i) if an Event of Default has occurred and is continuing: (A) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing (and any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective) and (B) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto; and (ii) if a Borrowing Base Deficiency exists: (A) outstanding Borrowings in excess of the Borrowing Base then in effect may not be converted or continued as Eurodollar Borrowings and (B) unless sooner repaid, any Eurodollar Borrowing in excess of the Borrowing Base then in effect shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.05 Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., Houston time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an Account of the Borrower subject to an Account Control Agreement and designated by the Borrower in the applicable Borrowing Request; provided that ABR Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e) shall be remitted by the Administrative Agent to the Issuing Bank that made such LC Disbursement. Nothing herein shall be deemed to obligate any Lender to obtain the funds for its Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for its Loan in any particular place or manner.

(b) Presumption of Funding by the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.05(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period.

Section 2.06 Termination and Reduction of Aggregate Maximum Credit Amounts.

(a) Scheduled Termination of Commitments. Unless previously terminated, the Commitments shall terminate on the Maturity Date. If at any time the Aggregate Maximum Credit Amounts are terminated or reduced to zero, then the Commitments shall terminate on the effective date of such termination or reduction.

(b) Optional Termination and Reduction of Aggregate Maximum Credit Amounts.

(i) The Borrower may at any time terminate, or from time to time reduce, the Aggregate Maximum Credit Amounts; provided that (A) each reduction of the Aggregate Maximum Credit Amounts shall be in an amount that is an integral multiple of $500,000 and not less than $1,000,000 and (B) the Borrower shall not terminate or reduce the Aggregate Maximum Credit Amounts if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 3.04(c), the total Revolving Credit Exposures would exceed the total Commitments.

(ii) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Maximum Credit Amounts under Section 2.06(b)(i) at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.06(b)(ii) shall be irrevocable; provided that a notice of reduction or termination of the Aggregate Maximum Credit Amounts delivered by the Borrower may state that such notice is conditioned upon (i) the effectiveness of other credit facilities or other securities offerings or (ii) the consummation of a Change of Control, in which case such notice

may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Aggregate Maximum Credit Amounts shall be permanent and may not be reinstated. Each reduction of the Aggregate Maximum Credit Amounts shall be made ratably among the Lenders in accordance with each Lender's Applicable Percentage.

Section 2.07 Borrowing Base.

(a) Initial Borrowing Base. For the period from and including the Second Amendment Effective Date to but excluding the first Redetermination Date to occur thereafter, the amount of the Borrowing Base shall be $425,000,000. Notwithstanding the foregoing, the Borrowing Base may be subject to further adjustments from time to time pursuant to Section 2.07(e), Section 2.07(f) or Section 8.12(c).

(b) Scheduled and Interim Redeterminations. The Borrowing Base shall be redetermined in accordance with this Section 2.07 and subject to Section 2.07(d), such redetermined Borrowing Base shall become effective and applicable to the Borrower, the Administrative Agent, each Issuing Bank and the Lenders on March 15, 2018 (the "March 2018 Redetermination"), and thereafter semi-annually on April 1st and October 1st of each year, commencing October 1, 2018 (together with the March 2018 Redetermination, each a "Scheduled Redetermination"). In addition, the Borrower may, by notifying the Administrative Agent thereof, and the Administrative Agent may, at the direction of the Required Lenders, by notifying the Borrower thereof, one time each calendar year, each elect to cause the Borrowing Base to be redetermined (each, an "Interim Redetermination") in accordance with this Section 2.07. In addition, the Borrower may, by notice to the Administrative Agent thereof, request an additional Interim Redetermination upon any acquisition of proved Oil and Gas Properties whose purchase price is greater than five percent (5%) of the Borrowing Base then in effect.

(c) Scheduled and Interim Redetermination Procedure. Each Scheduled Redetermination and each Interim Redetermination shall be effectuated as follows:

(i) Upon receipt by the Administrative Agent of (A) the Reserve Report and the certificate required to be delivered by the Borrower to the Administrative Agent, in the case of a Scheduled Redetermination, pursuant to Section 8.11(a) and (c), and, in the case of an Interim Redetermination, pursuant to Section 8.11(b) and (c), and (B) such other reports, data and supplemental information, including, without limitation, the information provided pursuant to Section 8.11(c), as may, from time to time, be reasonably requested by the Required Lenders (the Reserve Report, such certificate and such other reports, data and supplemental information being the "Engineering Reports"), the Administrative Agent shall evaluate the information contained in the Engineering Reports and shall, in good faith, propose a new Borrowing Base (the "Proposed Borrowing Base") based upon such information and such other information (including, without limitation, the status of title information with respect to the Oil and Gas Properties as described in the Engineering Reports and the existence of any other Debt) as the Administrative Agent, in good faith, deems appropriate and consistent with its normal oil and gas lending criteria as it exists at the particular time. In no event shall the Proposed Borrowing Base exceed the Aggregate Maximum Credit Amounts. For the avoidance of doubt, in the case of an Interim Redetermination, the Administrative Agent may utilize the Engineering Reports delivered in connection with the last Scheduled Determination, provided, however, the Administrative Agent may in its sole discretion request Borrower-generated supplemental Engineering Reports in connection with such Interim Redetermination.

(ii) The Administrative Agent shall notify the Borrower and the Lenders of the Proposed Borrowing Base (the "Proposed Borrowing Base Notice"):

(A) in the case of a Scheduled Redetermination (1) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on or before March 15th and September 15th of such year (or, in the case of the March 2018 Redetermination, on or before February 28, 2018) following the date of delivery of such Engineering Reports or (2) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then promptly after the Administrative Agent has received complete Engineering Reports from the Borrower and has had a reasonable opportunity to determine the Proposed Borrowing Base in accordance with Section 2.07(c)(i) and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Reports; and

(B) in the case of an Interim Redetermination, promptly, and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Reports.

(iii) Any Proposed Borrowing Base must be approved or deemed to have been approved by the Lenders (in each Lender's sole discretion) as provided in this Section 2.07(c)(iii). Upon receipt of the Proposed Borrowing Base Notice, each Lender shall have fifteen (15) days to agree with the Proposed Borrowing Base or disagree with the Proposed Borrowing Base by proposing an alternate Borrowing Base. If at the end of such fifteen (15) days, any Lender has not communicated its approval or disapproval in writing to the Administrative Agent, such silence shall be deemed to be an approval of the Proposed Borrowing Base. If, at the end of such 15-day period, all of the Lenders, in the case of a Proposed Borrowing Base that would increase the Borrowing Base then in effect, or the Required Lenders, in the case of a Proposed Borrowing Base that would decrease or maintain the Borrowing Base then in effect, have approved or deemed to have approved, as aforesaid, then the Proposed Borrowing Base shall become the new Borrowing Base effective on the date specified in Section 2.07(d). If, however, at the end of such fifteen (15) day period, all of the Lenders or the Required Lenders, as applicable, have not approved or been deemed to have approved the Proposed Borrowing Base, as aforesaid, then the Administrative Agent shall poll the Lenders to ascertain the highest Borrowing Base then acceptable to (x) in the case of a decrease or reaffirmation, a number of Lenders sufficient to constitute the Required Lenders and (y) in the case of an increase, all of the Lenders, and such amount shall become the new Borrowing Base, effective on the date specified in Section 2.07(d).

(d) Effectiveness of a Redetermined Borrowing Base. After a redetermined Borrowing Base is approved or is deemed to have been approved by all of the Lenders or the Required Lenders, as applicable, pursuant to Section 2.07(c)(iii), the Administrative Agent shall notify the Borrower and the Lenders (the "New Borrowing Base Notice") of the amount of the redetermined Borrowing Base, and such amount shall become the new Borrowing Base, effective and applicable to the Borrower, the Administrative Agent, each Issuing Bank and the Lenders:

(i) in the case of a Scheduled Redetermination, (A) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the April 1st or October 1st, as applicable (or, in the case of the March 2018 Redetermination, on March 1, 2018), following delivery of the New Borrowing Base Notice, or (B) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the Business Day next succeeding delivery of the New Borrowing Base Notice; and

(ii) in the case of an Interim Redetermination, on the Business Day next succeeding delivery of the New Borrowing Base Notice.

Such amount shall then become the Borrowing Base until the next Scheduled Redetermination Date, the next Interim Redetermination Date or the next reduction or adjustment to the Borrowing Base, as applicable, under Section 2.07(e), Section 2.07(f) or Section 8.12(c), whichever occurs first.

(e) Reduction of Borrowing Base Upon Issuance of Permitted Senior Notes. Notwithstanding anything to the contrary contained herein, if any Obligor incurs any Debt constituting Permitted Senior Notes in reliance on Section 9.02(f), then the Borrowing Base then in effect shall be reduced immediately upon the date of such incurrence by an amount equal to the product of 0.25 multiplied by an amount equal to the stated principal amount of such Permitted Senior Notes. The Borrowing Base as so reduced shall become the new Borrowing Base immediately upon the date of such incurrence, effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Lenders on such date until the next redetermination or modification thereof hereunder. For purposes of this Section 2.07(e), if any such Debt is issued at a discount or otherwise sold for less than "par", the reduction shall be calculated based upon the stated principal amount without reference to such discount.

(f) Reduction of Borrowing Base Related to Dispositions of Borrowing Base Properties and/or Liquidation of Swap Agreements. If (i) any Swap Agreement to which the Borrower or any Restricted Subsidiary is a party is Liquidated or (ii) the Borrower or any Restricted Subsidiary Disposes of any Borrowing Base Properties or Equity Interests in any Restricted Subsidiary owning Borrowing Base Properties, and (A) the Swap PV of the Liquidated portion of such Swap Agreement or (B) the value attributable to such Disposed Borrowing Base Properties in the most recently delivered Reserve Report hereunder (or in the case of any Disposition of Equity Interests in any Restricted Subsidiary owning Borrowing Base Properties, the value attributable to such Borrowing Base Properties in the most recently delivered Reserve Report hereunder), as applicable, when combined with the sum of (I) the aggregate Swap PV of the Liquidated portion of all other Swap Agreements Liquidated since the most recent Scheduled Redetermination Date and (II) the aggregate value in the most recently delivered Reserve Report of all other Borrowing Base Properties Disposed of since the most recent Scheduled Redetermination Date (including in the case of any Disposition of Equity Interests in Restricted Subsidiaries owning Borrowing Base Properties, the aggregate value attributable to such

Borrowing Base Properties in the most recently delivered Reserve Report hereunder), exceeds five percent (5%) of the Borrowing Base as then in effect (as determined by the Administrative Agent), individually or in the aggregate, then the Borrowing Base then in effect shall be reduced by the Swap PV of the Liquidated portion of such Swap Agreement in the then effective Borrowing Base and/or the value assigned to such Disposed Borrowing Base Properties in the then effective Borrowing Base (as determined in good faith by the Administrative Agent), as the case may be. The Borrowing Base as so reduced shall become the new Borrowing Base immediately upon the date of such Disposition or Liquidation, as the case may be, effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Lenders on such date until the next redetermination or adjustment of the Borrowing Base hereunder. Notwithstanding the foregoing, from the period commencing on the First Amendment Effective Date through December 31, 2017, the Liquidation of any Swap Agreements covering up to 30 MMcf per day of calendar year 2017 gas production shall not constitute a Liquidation of a Swap Agreement solely for the purposes of this Section 2.07(f).

Section 2.08 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request any Issuing Bank to, and such Issuing Bank shall, issue dollar-denominated Letters of Credit for the account of the Borrower or the Restricted Subsidiaries, in a form reasonably acceptable to the Administrative Agent and such Issuing Bank, at any time and from time to time during the Availability Period; provided further that the Borrower may not request the issuance, amendment, renewal or extension of Letters of Credit hereunder if a Borrowing Base Deficiency exists at such time or would exist as a result thereof. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. Each issuance, amendment, renewal or extension of a Letter of Credit shall be subject to the conditions set forth in Section 6.02. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by the relevant Issuing Bank) to any Issuing Bank and the Administrative Agent (not less than three (3) Business Days in advance of the requested date of issuance, amendment, renewal or extension) a notice:

(i) requesting the issuance of a Letter of Credit or identifying the Letter of Credit issued by such Issuing Bank to be amended, renewed or extended;

(ii) specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day);

(iii) specifying the date on which such Letter of Credit is to expire (which shall comply with Section 2.08(c));

(iv) specifying the amount of such Letter of Credit;

(v) specifying the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit;

(vi) specifying the amount of the then effective Borrowing Base and whether a Borrowing Base Deficiency exists at such time, the current total Revolving Credit Exposures (without regard to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit) and the pro forma total Revolving Credit Exposures (giving effect to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit); and

(vii) confirming the conditions set for in Section 6.02 have been satisfied.

A Letter of Credit shall be issued, amended, renewed or extended only if (and each notice shall constitute a representation and warranty by the Borrower that) after giving effect to the requested issuance, amendment, renewal or extension, as applicable, (i) the LC Exposure shall not exceed the LC Commitment and (ii) the total Revolving Credit Exposures shall not exceed the total Commitments.

If requested by any Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit; provided that, in the event of any conflict between such application and the terms of this Agreement, the terms of this Agreement shall control.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) unless satisfactorily collateralized or backstopped in the applicable Issuing Bank's sole discretion, the date selected by the Borrower that is no more than eighteen (18) months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, no more than eighteen (18) months after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that issues such Letter of Credit or the Lenders, each Issuing Bank that issues a Letter of Credit hereunder hereby grants to each Lender, and each Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of any Issuing Bank that issues a Letter of Credit hereunder, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in Section 2.08(e), or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.08(d) in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, the existence of a Borrowing Base Deficiency or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit issued by such Issuing Bank, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 1:00 p.m., Houston time, on the date such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m., Houston time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 1:00 p.m., Houston time, on (i) the Business Day the Borrower receives such notice, if such notice is received prior to 10:00 a.m., Houston time, or (ii) the Business Day immediately following the day the Borrower receives such notice, if such notice is not received prior to such time; provided that, unless the Borrower has notified the Administrative Agent that it intends to reimburse all or part of such LC Disbursement without using Loan proceeds or has submitted a Borrowing Request with respect thereto, if such LC Disbursement is not less than $1,000,000, the Borrower shall be deemed to have requested, and the Borrower does hereby request under such circumstances, that such payment be financed with an ABR Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.05 with respect to Loans made by such Lender (and Section 2.05 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank that issued such Letter of Credit the amounts so received by it from the Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.08(e), the Administrative Agent shall distribute such payment to the Issuing Bank that issued such Letter of Credit or, to the extent that Lenders have made payments pursuant to this Section 2.08(e) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this Section 2.08(e) to reimburse any Issuing Bank for any LC Disbursement (other than the funding of ABR Borrowings as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. Any LC Disbursement not reimbursed by the Borrower or funded as a Loan prior to 1:00 p.m., Houston time, shall bear interest for such day at the Alternate Base Rate plus the Applicable Margin.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.08(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit issued by such Issuing Bank against presentation of a draft or other document that does not comply with the terms of such Letter of

Credit or any Letter of Credit Agreement, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.08(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised all requisite care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank that issued such Letter of Credit may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by fax or electronic communication) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, until the Borrower shall have reimbursed such Issuing Bank for such LC Disbursement (either with its own funds or a Borrowing under Section 2.08(e)), the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Loans. Interest accrued pursuant to this Section 2.08(h) shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to Section 2.08(e) to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. Any Issuing Bank may be replaced or resign at any time by written agreement among the Borrower, the Administrative Agent, such resigning or replaced Issuing Bank and, in the case of a replacement, the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such resignation or replacement of an Issuing Bank. At the time any such resignation or replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or replaced Issuing Bank pursuant to Section 3.05(b). In the case of the replacement of an Issuing Bank, from and after the effective date of such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the resigning or replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If (i) any Event of Default shall occur and be continuing and the Borrower receives notice from the Administrative Agent or the Majority Lenders demanding the deposit of cash collateral pursuant to this Section 2.08(j), or (ii) the Borrower is required to cash collateralize the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c) or (iii) the Borrower is required to cash collateralize a Defaulting Lender's LC Exposure pursuant to Section 4.04(c)(iii)(B), then the Borrower shall deposit with or deliver to the Administrative Agent (as a first priority, perfected security interest (subject to Excepted Liens of the type described in clause (e) of the definition thereof)), in the name of the Administrative Agent and for the benefit of the Issuing Banks and the Lenders, at a location and pursuant to documentation in form and substance satisfactory to the Administrative Agent, an amount in cash equal to, in the case of an Event of Default, the LC Exposure, in the case of a payment required by Section 3.04(c), the amount of such excess as provided in Section 3.04(c) or in the case of a Defaulting Lender's LC Exposure, pursuant to Section 4.04(c)(iii)(B), such Defaulting Lender's LC Exposure, as applicable, as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default described in Section 10.01(h) or Section 10.01(i). The Borrower hereby grants to the Administrative Agent, for the benefit of each Issuing Bank and the Lenders, an exclusive first priority and continuing perfected security interest in and Lien on such account and all cash, checks, drafts, certificates and instruments, if any, from time to time deposited or held in such account, all deposits or wire transfers made thereto, any and all investments purchased with funds deposited in such account, all interest, dividends, cash, instruments, financial assets and other Property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing, and all proceeds, products, accessions, rents, profits, income and benefits therefrom, and any substitutions and replacements therefor. The Borrower's obligation to deposit amounts pursuant to this Section 2.08(j) shall be absolute and unconditional, without regard to whether any beneficiary of any such Letter of Credit has attempted to draw down all or a portion of such amount under the terms of a Letter of Credit, and, to the fullest extent permitted by applicable law, shall

not be subject to any defense or be affected by a right of set-off, counterclaim or recoupment which the Obligors or their respective Subsidiaries may now or hereafter have against any such beneficiary, any Issuing Bank, the Administrative Agent, the Lenders or any other Person for any reason whatsoever. Such deposit shall be held as collateral securing the payment and performance of the Obligors' obligations under this Agreement and the other Loan Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account; provided that investments of funds in such account in investments of the type described in clause (a) and (b) of the definition of Cash Equivalents as permitted by Section 9.05(c) may be made at the option of the Borrower at its direction, risk and expense; otherwise, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse, on a pro rata basis, each Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other obligations of the Borrower and the Guarantors, if any, under this Agreement or the other Loan Documents. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default or pursuant to Section 4.04(c)(iii)(B) as a result of a Defaulting Lender's LC Exposure, and the Borrower is not otherwise required to cash collateralize the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c), then such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after (i) all Events of Default have been waived or the events giving rise to such cash collateralization pursuant to Section 4.04(c)(iii)(B) have been satisfied or resolved or (ii) or arrangements satisfactory to the relevant Issuing Bank have been made for the substitution of new payment assurances.

ARTICLE III
Payments of Principal and Interest; Prepayments; Fees

Section 3.01 Repayment of Loans. The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan on the Termination Date.

Section 3.02 Interest.

(a) ABR Loans. The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(b) Eurodollar Loans. The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(c) Post-Default and Borrowing Base Deficiency Rate. Notwithstanding the foregoing, (i) if either (A) an Event of Default pursuant to Section 10.01(a), (b), (h), (i) or (j) or Section 10.01(d) as a result of the failure to deliver a notice pursuant to Section 8.02(a) has occurred and is continuing, or (B) any other Event of Default has occurred and the Administrative

Agent has delivered a notice to the Borrower notifying the Borrower of an election to charge default interest hereunder, then all Loans outstanding shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate and (ii) during any Borrowing Base Deficiency, the amount of such Borrowing Base Deficiency shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date, and in any case, on the Termination Date; provided that (i) interest accrued pursuant to Section 3.02(c)(i) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than an optional prepayment of an ABR Loan prior to the Termination Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (C) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error, and be binding upon the parties hereto.

Section 3.03 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Majority Lenders that the Adjusted LIBO Rate or LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or fax as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 3.04 Prepayments.

(a) Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with Section 3.04(b) and payment of applicable breakage costs, if any, under Section 5.02.

(b) Notice and Terms of Optional Prepayment. The Borrower shall notify the Administrative Agent by telephone (confirmed by fax or electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 noon, Houston time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 noon, Houston time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that a notice of prepayment delivered by the Borrower may state that such notice is conditioned upon (i) the effectiveness of other credit facilities or other securities offerings or (ii) the consummation of a Change of Control, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02 and payment of applicable breakage costs, if any, under Section 5.02.

(c) Mandatory Prepayments.

(i) If, after giving effect to any termination or reduction of the Aggregate Maximum Credit Amounts pursuant to Section 2.06(b), the total Revolving Credit Exposure exceeds the total Commitments, then the Borrower shall, on the same Business Day, (A) prepay the Borrowings on the date of such termination or reduction in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Borrowings as a result of an LC Exposure, cash collateralize such excess as provided in Section 2.08(j).

(ii) Upon any Scheduled Redetermination or Interim Redetermination or adjustment to the amount of the Borrowing Base in accordance with Section 8.12(c), if the total Revolving Credit Exposures exceeds the redetermined or adjusted Borrowing Base, then, after receiving a New Borrowing Base Notice in accordance with Section 2.07(d) or a notice of adjustment pursuant to Section 8.12(c), as the case may be (the date of receipt of any such notice, the "Deficiency Notification Date"), the Borrower shall at its option take one of the following actions:

(A) prepay the Borrowings in an aggregate principal amount equal to such Borrowing Base Deficiency (and to the extent that any excess remains after prepaying all of the Borrowings as a result of an LC Exposure, cash collateralize such excess as provided in Section 2.08(j)) within thirty (30) days following the Deficiency Notification Date;

(B) prepay the Borrowings in six consecutive equal monthly installments, the first installment being due and payable on the 30th day after the Deficiency Notification Date and each subsequent installment being due and payable on the same day in each of the subsequent calendar months, with each payment being equal to one-sixth (1/6th) of such Borrowing Base Deficiency, so that the Borrowing Base Deficiency is reduced to zero within six months of the Deficiency Notification Date; provided that, if any excess remains after prepaying all of the Borrowings as a result of any LC Exposure, the Borrower shall pay to the Administrative Agent on behalf of the Lenders an amount equal to such excess to be held as Cash Collateral as provided in Section 2.08(j);

(C) grant, within thirty (30) days following the Deficiency Notification Date, to the Administrative Agent as security for the Obligations a first-priority Lien on additional Oil and Gas Properties acceptable to the Required Lenders in their sole discretion not evaluated in the most recently delivered Reserve Report (and not already subject to a Lien of the Security Instruments) pursuant to Security Instruments acceptable to the Administrative Agent with sufficient Borrowing Base value (as determined by the Required Lenders) to cure the Borrowing Base Deficiency; provided that in no event may the Borrower elect the option specified in this clause (C) if fewer than ninety (90) days remain until the Maturity Date; or

(D) (i) deliver, within twenty (20) days after the Deficiency Notification Date, written notice to the Administrative Agent indicating the Borrower's election to combine the options provided in clauses (B), (C) and/or (D) above, and indicating the amount to be prepaid and the amount to be provided as additional Collateral, and (ii) make such payment and deliver such additional Collateral within the time periods required under clauses (B), (C) and/or (D) above;

provided that, notwithstanding the options set forth above, in all cases, the Borrowing Base Deficiency must be eliminated on or prior to the Termination Date.

The Borrower shall provide to the Administrative Agent, within twenty (20) days following its receipt of the applicable New Borrowing Base Notice in accordance with Section 2.07(d) or the date the adjustment occurs pursuant to Section 8.12(c), as applicable, written notice indicating which of the options specified in clauses (A), (B), (C) or (D) the Borrower elects to take in order to eliminate the Borrowing Base Deficiency. In the event the Borrower fails to provide such written notice to the Administrative Agent within the twenty (20) day period referred to above, the Borrower shall be deemed to have irrevocably elected the option set forth in clause (B) above. The failure of the Borrower to comply with any of the options elected (including any deemed election) pursuant to the provisions of this Section 3.04(c)(ii) and specified in such notice (or relating to such deemed election) shall constitute an Event of Default.

(iii) Upon any adjustments to the Borrowing Base pursuant to Section 2.07(e) or Section 2.07(f) if the total Revolving Credit Exposures exceeds the Borrowing Base as adjusted, then the Borrower shall (A) prepay the Borrowings in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Borrowings as a result of an LC Exposure, cash collateralize such excess as provided in Section 2.08(j). The Borrower shall be obligated to make such prepayment and/or cash collateralize such excess on the Business Day immediately following the date that any Obligor or any Restricted Subsidiary receives any

cash proceeds as a result of (1) the applicable issuance of Permitted Senior Notes, in the case of any adjustment to the Borrowing Base pursuant to Section 2.07(e), or (2) the consummation of a Disposition of Oil and Gas Properties or Liquidation of Swap Agreement, as applicable, in the case of any adjustment to the Borrowing Base pursuant to Section 2.07(f); provided that all payments required to be made pursuant to this Section 3.04(c)(iii) must be made on or prior to the Termination Date.

(iv) Each prepayment of Borrowings pursuant to this Section 3.04(c) shall be applied, first, ratably to any ABR Borrowings then outstanding, and, second, to any Eurodollar Borrowings then outstanding, and if more than one Eurodollar Borrowing is then outstanding, to each such Eurodollar Borrowing in order of priority beginning with the Eurodollar Borrowing with the least number of days remaining in the Interest Period applicable thereto and ending with the Eurodollar Borrowing with the most number of days remaining in the Interest Period applicable thereto.

(v) Each prepayment of Borrowings pursuant to this Section 3.04(c) shall be applied ratably to the Loans included in the prepaid Borrowings. Prepayments pursuant to this Section 3.04(c) shall be accompanied by accrued and unpaid interest to the extent required by Section 3.02.

(d) No Premium or Penalty. Prepayments permitted or required under this Section 3.04 shall be without premium or penalty, except as required under Section 5.02.

Section 3.05 Fees.

(a) Commitment Fees. The Borrower agrees to pay to the Administrative Agent for the account of each Lender (subject to Section 4.04(c)(i)) a commitment fee, which shall accrue at the applicable Commitment Fee Rate on the average daily amount of the unused amount of the Commitment of such Lender during the period from and including the date of this Agreement to but excluding the Termination Date. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the Termination Date, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days, unless such computation would cause interest on the Obligations to exceed the Highest Lawful Rate, in which case such commitment fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender (subject to Section 4.04(c)(iii)) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Margin used to determine the interest rate applicable to Eurodollar Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the date of this Agreement to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure, (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.25% per annum on the average daily amount of such Issuing Bank's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period

from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure; provided that in no event shall such fee be less than $500 during any quarter and (iii) to each Issuing Bank, for its own account, its standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit issued by such Issuing Bank or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the date of this Agreement; provided that all such fees shall be payable on the Termination Date and any such fees accruing after the Termination Date shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this Section 3.05(b) shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case such fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times set forth in the Fee Letter.

(d) Borrowing Base Increase Fees. The Borrower agrees to pay to the Administrative Agent, for the account of each Lender (other than a Defaulting Lender) then party to this Agreement, ratably in accordance with its Applicable Percentage, a Borrowing Base increase fee in an amount to be agreed by the Lenders and the Borrower on the amount of any increase of the Borrowing Base, payable on the effective date of any such increase to the Borrowing Base.

ARTICLE IV
Payments; Pro Rata Treatment; Sharing of Set-offs.

Section 4.01 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 1:00 p.m., Houston time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim (except for Taxes, if any, pursuant to Section 5.03(a), provided that the Borrower has complied with all of the requirements of such Section to the extent applicable). Fees, once paid, shall be fully earned and shall not be refundable under any circumstances, absent manifest error. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except payments to be made directly to an Issuing Bank as expressly provided herein and except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof.

If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall take an assignment of, or purchase participations in the Loans and participations in LC Disbursements of other Lenders, in each case, for cash at face value, to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued but unpaid interest on their respective Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this Section 4.01(c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 4.01(c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrower. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or any Issuing Bank that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or such Issuing Bank, as the case may be, the amount due.

In such event, if the Borrower has not in fact made such payment, then each of the Lenders or such Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(b), Section 2.08(d), Section 2.08(e), Section 4.01(c), Section 4.02, Section 5.03(g) or Section 12.03(c), then the Administrative Agent may, in its sole discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender (for the benefit of the Administrative Agent or the applicable Issuing Bank) to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 4.04 Payments and Deductions to a Defaulting Lender.

(a) [Reserved].

(b) If a Defaulting Lender (or a Lender who would be a Defaulting Lender but for the expiration of the relevant grace period) as a result of the exercise of a set-off shall have received a payment in respect of its Revolving Credit Exposure which results in its Revolving Credit Exposure being less than its Applicable Percentage of the aggregate Revolving Credit Exposures, then no payments will be made to such Defaulting Lender until such time as such Defaulting Lender shall have complied with Section 4.04(c) and all amounts due and owing to the Lenders have been equalized in accordance with each Lender's respective pro rata share of the Obligations. Further, if at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of an LC Disbursement while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, subject to the first sentence of this Section 4.04(b), all principal will be paid ratably as provided in Section 10.02(c).

(c) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 3.05.

(ii) The Commitments, the Maximum Credit Amount and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Lenders, Super Majority Lenders, the Majority Lenders or the Required Lenders, as applicable, have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 12.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender and which affects such Defaulting Lender, shall require the consent of such Defaulting Lender; and provided further that no Defaulting Lender shall participate in any redetermination or affirmation of the Borrowing Base, but the Commitment of a Defaulting Lender may not be increased without the consent of such Defaulting Lender.

(iii) If any LC Exposure exists at the time a Lender becomes a Defaulting Lender then:

(A) all or any part of the LC Exposure of such Defaulting Lender shall be automatically reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (for the purposes of such reallocation, the Defaulting Lender's Commitment shall be disregarded in determining the Non-Defaulting Lender's Applicable Percentage) but only to the extent (1) the sum of all Non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's LC Exposure does not exceed the total of all Non-Defaulting Lenders' Commitments and (2) the sum of each Non-Defaulting Lender's Revolving Credit Exposure plus its reallocated share of such Defaulting Lender's LC Exposure does not exceed such Non-Defaulting Lender's Commitment; provided that, subject to Section 12.19, no such reallocation will constitute a waiver or release of any claim the Borrower, any other Obligor, the Administrative Agent, any Issuing Bank or any Lender may have against such Defaulting Lender or cause such Defaulting Lender to be a Non-Defaulting Lender;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, then the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of each Issuing Bank such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with the procedures set forth in Section 2.08(e) for so long as such LC Exposure is outstanding;

(C) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to this Section 4.04 then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.05(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(D) if the LC Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 4.04(c), then the fees payable to the Lenders pursuant to Section 3.05(a) and Section 3.05(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Applicable Percentages after giving effect to such reallocation; and

(E) if any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to this Section 4.04(c)(iii), then, without prejudice to any rights or remedies of any Issuing Bank or any Lender hereunder, all commitment fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and all letter of credit fees payable under Section 3.05(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (ratably) until such LC Exposure is cash collateralized and/or reallocated.

(d) So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 4.04(c), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 4.04(c)(iii)(A) (and Defaulting Lenders shall not participate therein).

(e) In the event that the Administrative Agent, the Borrower and the Issuing Banks each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender and such Lender is no longer a Defaulting Lender, then the LC Exposures of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date, if necessary, such Lender shall purchase at par such of the Loans and/or participations in Letters of Credit of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans and/or participations in Letters of Credit in accordance with its Applicable Percentage.

ARTICLE V
Increased Costs; Break Funding Payments; Taxes; Illegality

Section 5.01 Increased Costs.

(a) Eurodollar Changes in Law. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including marginal, special, emergency or supplemental reserves), special deposit, compulsory loan, insurance charge, or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, Loan principal, Letters of Credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or otherwise), then, pursuant to Section 5.01(c), upon the written request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or liquidity or on the capital or liquidity of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender or any Issuing Bank setting forth in reasonable detail the basis of its request and the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in Section 5.01(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or any Issuing Bank pursuant to this Section 5.01 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof. No Lender or Issuing Bank may make any demand pursuant to this Section 5.01 more than 270 days after the Termination Date.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as the result of the request by the Borrower pursuant to Section 5.04, (c) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (d) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if

any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 and reasonably detailed calculations therefor, upon request of the Borrower, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 5.03 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction for any Taxes; except as required by applicable law. If Withholding Agent shall be required by applicable law to deduct any Taxes from such payments, as determined in good faith by the applicable Withholding Agent, then (i) in the case of Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions of Indemnified Taxes (including deductions applicable to additional sums payable under this Section 5.03(a)), the applicable Recipient receives an amount equal to the sum it would have received had no such deductions for Indemnified Taxes been made, (ii) the applicable Withholding Agent shall make all deductions required by applicable law and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of such Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes paid by such Recipient on or with respect to any payment by or on account of any obligation of the Borrower hereunder (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate of the Administrative Agent, a Lender or an Issuing Bank as to the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrower and shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes by the Borrower or a Guarantor to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments under this Agreement or any other Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed IRS Form W-8BEN (or any successor form) or IRS Form W-8BEN-E (or any successor form), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (or any successor form) or IRS Form W-8BEN-E (or any successor form), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed IRS Form W-8ECI (or any successor form);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN(or any successor form) or IRS Form W-8BEN-E(or any successor form), as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed IRS Form W-8IMY (or any successor form), accompanied by IRS Form W-8ECI(or any successor form), IRS Form W-8BEN(or any successor form) or IRS Form W-8BEN-E(or any successor form), as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation

prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation and information reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(iv) On or before the date that Royal Bank of Canada (and any successor or replacement Administrative Agent) becomes the Administrative Agent hereunder, it shall deliver to the Borrower two duly executed originals of either (i) IRS Form W-9 (or any successor form) or (ii) a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement with the Borrower to be treated as a U.S. Person, with the effect that, in any case, the Borrower will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding Tax.

(f) Treatment of Certain Refunds. If any party determines in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 5.03 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the

Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register, and (ii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 5.03(g).

(h) Defined Terms. For Purposes of this Section 5.03, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

Section 5.04 Designation of Different Lending Office; Replacement of Lenders.

(a) Designation of Different Lending Office. If (i) any Lender requests compensation under Section 5.01, or (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (A) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (B) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If (i) any Lender requests compensation under Section 5.01, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, (iii) any Lender asserts an illegality under Section 5.05, (iv) any Lender becomes a Defaulting Lender, (v) any Lender is a Non-Consenting Lender, or (vi) any Lender does not approve a Proposed Borrowing Base that would increase or reaffirm the Borrowing Base then in effect pursuant to Section 2.07(c)(iii) when the Super Majority Lenders have approved such Proposed Borrowing Base pursuant to Section 2.07(c)(iii), then in any such case, the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.04), all its interests, rights and obligations under this Agreement to an assignee or assignees that shall assume such obligations (which assignee may be another Lender, if such Lender accepts such assignment); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) in

the case of any such assignment resulting from a claim for compensation under Section 5.01, for payments required to be made pursuant to Section 5.03 or an illegality under Section 5.05, such assignment will result in a reduction in such compensation or payments or avoid the illegality, (D) such assignment does not conflict with applicable law, (E) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent, and (F) in the case of any assignment resulting from a Lender not approving an increase to or reaffirmation of the Borrowing Base as contemplated by clause (vi) above, the applicable assignee shall have consented to the increase or reaffirmation of the Borrowing Base. Notwithstanding the foregoing, a Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender hereby agrees to make such assignment and delegations required under this Section 5.04(b). Notwithstanding the foregoing, a Lender shall not be required to make any such assignment and delegation if such Lender (or its Affiliate) is a Secured Swap Party or a Secured Cash Management Provider with any outstanding Secured Swap Obligations or Secured Cash Management Obligations, respectively, unless on or prior thereto, all such Secured Swap Agreements or Secured Cash Management Agreements have been terminated or novated to another Person and such Lender (or its Affiliate) shall have received payment of all amounts, if any, payable to it in connection with such termination or novation (or, in each case, other arrangements satisfactory to such Secured Swap Party or Secured Cash Management Provider, as applicable, shall have been made with respect to such outstanding Secured Swap Obligations or Secured Cash Management Obligations).

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrower and the Administrative Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the "Affected Loans") until such time as such Lender may again make and maintain such Eurodollar Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrower and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

ARTICLE VI
Conditions Precedent

Section 6.01 Effective Date. The obligations of the Lenders to make Loans and of any Issuing Bank to issue Letters of Credit hereunder shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 12.02):

(c) The Borrower shall have deposited an amount to be agreed with Paul Hastings LLP, counsel to the Administrative Agent, to be held and applied toward payment of costs and expenses for recordation of the Security Instruments, as provided pursuant to Section 12.03(a). If such deposit is less than such costs and expenses, the deficit shall be paid by Borrower pursuant to Section 12.03(a).

(d) The Administrative Agent shall have received a certificate of the Secretary or a Responsible Officer of the Borrower and of each Guarantor setting forth (i) resolutions of the managers, board of directors or other managing body with respect to the authorization of the Borrower or such Guarantor to execute and deliver the Loan Documents to which it is a party and to enter into the Transactions, (ii) the individuals (A) who are authorized to sign the Loan Documents to which the Borrower or such Guarantor is a party and (B) who will, until replaced by another individual duly authorized for that purpose, act as its representative for the purposes of signing documents and giving notices and other communications in connection with this Agreement and the other Loan Documents to which it is a party, (iii) specimen signatures of such authorized individuals, and (iv) for the Borrower and each Guarantor, the articles or certificate of incorporation or formation (certified by the Secretary of State of the jurisdiction of organization) and the bylaws, operating agreement, partnership agreement or other Organizational Document, as applicable, in each case, certified as being true and complete. (e) The Administrative Agent shall have received a certificate of the chief executive officer or chief financial officer of the Borrower and each of the other Obligors certifying that on the Effective Date (i) all representations and warranties of the Borrower and each such other Obligor in the Loan Documents are true and correct in all material respects, except those representations and warranties which include a materiality qualifier, which shall be true and correct as so qualified, (ii) no Default or Event of Default has occurred or is continuing or will result from the making of the Loans or the Transactions contemplated by the Loan Documents and (iii) the Obligors and the Restricted Subsidiaries have received all consents and approvals required by Section 7.03.

(i) To the extent requested by a Lender, the Administrative Agent shall have received duly executed Notes payable to such Lender in a principal amount equal to its Maximum Credit Amount, dated as of the date hereof.

(j) The Administrative Agent shall have received from each party thereto duly executed counterparts (in such number as may be requested by the Administrative Agent) of the Guarantee and Collateral Agreement and the other Security Instruments (other than those listed on Schedule 6.03, if any) deemed necessary or advisable by the Administrative Agent. In connection with the execution and delivery of the Security Instruments, the Administrative Agent shall:

(i) be reasonably satisfied that the Security Instruments will create first priority, perfected Liens (subject only to Excepted Liens) on at least 85% of the total value of the Borrowing Base Properties evaluated in the Initial Reserve Report;

(ii) have received certificates, together with undated, blank stock powers for any such certificate, representing all of the issued and outstanding Equity Interests of the Obligors and their respective direct Subsidiaries, in each case, owned by the Obligors and to the extent such Equity Interests are certificated; and

(iii) have received from each party thereto duly executed counterparts of an Account Control Agreement for each Deposit Account and Securities Account listed on Schedule 7.25 other than any Excluded Account.

(k) The Administrative Agent shall have received UCC financing statements for the Borrower and each Guarantor to be filed in each such Person's state of incorporation or formation, or principal place of business, as applicable.

(m) The Administrative Agent shall have received an opinion of (x) Baker Botts L.L.P., counsel to the Borrower, in form and substance reasonably satisfactory to the Administrative Agent, as to such customary matters regarding this Agreement, the Security Instruments and the other Loan Documents and the Transactions as the Administrative Agent or its counsel may reasonably request and (y) local counsel reasonably acceptable to the Administrative Agent and its counsel with respect to mortgages and other recorded instruments to perfect interests in real property.

(n) The Administrative Agent shall have received an ACORD evidence of insurance certificate evidencing coverage of the Obligors and their respective Subsidiaries evidencing that the Borrower is carrying insurance in accordance with Section 8.06 and naming the Administrative Agent in such capacity for the Lenders as loss payee on all property insurance policies and naming the Administrative Agent and the Lenders as additional insureds on all liability policies.

(o) The Administrative Agent shall be satisfied that there has been no material change (as reasonably determined by the Administrative Agent) to the notional volumes, tenors, pricing and other terms of the Obligors' and the Restricted Subsidiaries' commodity and interest rate hedging transactions, as specified in the disclosure prepared by the Borrower and posted to the Lenders via IntraLinks on July 26, 2017.

(p) The Administrative Agent shall have received (i) the Financial Statements referred to in Section 7.04(a) and (ii) the Initial Reserve Report accompanied by a certificate covering the matters described in Section 8.11(c).

(q) The Administrative Agent shall have received appropriate UCC and other Lien and judgment search certificates from the jurisdiction of organization reflecting no prior Liens encumbering the Properties of such Obligor other than those being assigned or released on or prior to the Effective Date or Liens permitted by Section 9.03.

(r) The Administrative Agent shall have received evidence satisfactory to it that (i) all loans and other amounts owing under the Existing Credit Agreement have been (or contemporaneously herewith are being) repaid in full and all commitments thereunder have been terminated or cancelled and (ii) all Liens on (A) the personal Property of the Obligors and the Subsidiaries and (B) all Oil and Gas Properties of the Obligors in each county for which a Security Instrument is executed on the Effective Date, associated with the Existing Credit Agreement, except for any Liens associated with the Wells Fargo Escrow Account, have been released or terminated, subject only to the filing of applicable terminations, releases or assignments.

(s) The Administrative Agent and the Lenders shall have received, and be reasonably satisfied in form and substance with, all documentation and other information required by bank regulatory authorities under applicable "know-your-customer" and anti-money laundering rules and regulations, including but not restricted to the Patriot Act.

(t) The Administrative Agent shall have received such other documents as the Administrative Agent or counsel to the Administrative Agent may reasonably request.

The Administrative Agent shall notify the Borrower and the Lenders of the Effective Date, and such notice shall be conclusive and binding. Notwithstanding the foregoing, the obligations of the Lenders to make Loans and of each Issuing Bank to issue Letters of Credit hereunder shall not become effective unless each of the foregoing conditions is satisfied (or waived pursuant to Section 12.02) at or prior to 2:00 p.m., Houston time, on August 7, 2017 (and, in the event such conditions are not so satisfied or waived, the Commitments shall terminate at such time). For purposes of determining compliance with the conditions specified in this Section 6.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the proposed Effective Date specifying its objection thereto.

Section 6.02 Each Credit Event. The obligation of each Lender to make a Loan on the occasion of any Borrowing (including the initial funding), and of each Issuing Bank to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Event of Default shall have occurred and be continuing.

(b) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Material Adverse Effect shall have occurred since Effective Date.

(c) Each of the representations and warranties of the Borrower and the Guarantors, set forth in this Agreement and in the other Loan Documents shall be true and correct in all material respects (except for those which have a materiality qualifier, which shall be true and correct in all respects as so qualified) on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable, except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable, such representations and warranties shall continue to be true and correct in all material respects (except for those which have a materiality qualifier, which shall be true and correct in all respects as so qualified) as of such specified earlier date.

(d) After giving pro forma effect to such Borrowing and the anticipated use of proceeds thereof within three Business Days, the Consolidated Cash Balance as of such time shall not exceed $70,000,000.

(e) The receipt by the Administrative Agent of a Borrowing Request in accordance with Section 2.03 or a request for a Letter of Credit in accordance with Section 2.08(b), as applicable.

Each request for a Borrowing and each request for the issuance, amendment, renewal or extension of any Letter of Credit shall be deemed to constitute a representation and warranty by the Borrower on the date thereof as to the matters specified in Section 6.02(a) through (d).

Section 6.03 Post-Closing Obligations.

(a) Within the time periods specified on Schedule 6.03 (as each may be extended in writing by the Administrative Agent in its sole discretion), each Obligor shall, and shall cause each Restricted Subsidiary to, provide the documentation, and complete the undertakings, as are set forth on Schedule 6.03. All conditions precedent, covenants and representations and warranties contained in this Agreement and the other Loan Documents shall be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above and on Schedule 6.03 within the time periods required by this Section 6.03, rather than as elsewhere provided in the Loan Documents); provided that (x) to the extent any representation and warranty would not be true, or any provision of any covenant breached, because the foregoing actions were not taken on the Effective Date, the respective representation and warranty shall be required to be true and correct in all material respects, and the covenant complied with, at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 6.03 and (y) all representations and warranties and covenants relating to the Loan Documents shall be required to be true or, in the case of any covenant, complied with, immediately after the actions required to be taken by this Section 6.03 have been taken (or were required to be taken).

(b) Notwithstanding anything to the contrary in this Agreement, to the extent that the Initial Post-Closing Title Requirement is not satisfied on or before the date that is 30 days after the Effective Date (the "Availability Limit Date"), then until the date on which the Initial Post-Closing Title Requirement is satisfied, the Obligors shall maintain unused total Commitments in an amount equal to or greater than $250,000,000. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, from and after the Availability Limit Date until the date on which the Initial Post-Closing Title Requirement is satisfied, the Obligors hereby agree that the Administrative Agent, the Issuing Bank and the Lenders shall have no obligation to make Loans or to issue, amend, renew or extend any Letter of Credit if after giving effect thereto, the total Revolving Credit Exposures would exceed $250,000,000 (and the Borrower hereby agrees it shall not request any Loan or the issuance, amendment, renewal or extension of any Letter of Credit if giving effect thereto, the total Revolving Credit Exposures would exceed $250,000,000). The Obligors hereby agree that this Section 6.03(b) shall be disregarded for the purposes of calculating any fees pursuant to Section 3.05.

ARTICLE VII
Representations and Warranties

The Obligors jointly and severally represent and warrant to the Lenders that:

Section 7.01 Organization; Powers . Each of the Obligors and the Restricted Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary, to own its assets and to

carry on its business as now conducted, and is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except where failure to have such power, authority, licenses, authorizations, consents, approvals and qualifications could not reasonably be expected to have a Material Adverse Effect.

Section 7.02 Authority; Enforceability. The Transactions are within the Borrower's and each Guarantor's corporate, partnership limited liability company powers and have been duly authorized by all necessary corporate, limited liability company or partnership and, if required, shareholder action (including, without limitation, any action required to be taken by any class of directors of the Borrower or any other Person, whether interested or disinterested, in order to ensure the due authorization of the Transactions). Each Loan Document to which the Borrower or any Guarantor is a party has been duly executed and delivered by the Borrower or such Guarantor, as applicable, and constitutes a legal, valid and binding obligation of the Borrower or such Guarantor, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 7.03 Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other third Person (including the shareholders or any class of directors of the Borrower or any other Person, whether interested or disinterested), nor is any such consent, approval, registration, filing or other action necessary for the validity or enforceability of any Loan Document or the consummation of the Transactions, except (i) such as have been obtained or made and are in full force and effect, (ii) the filings and recordings necessary to perfect the Liens created hereby and by the Security Instruments, (iii) those third party approvals or consents which, if not made or obtained, would not cause a Default hereunder or could not reasonably be expected to have a Material Adverse Effect and (iv) the filing of any required documents with the SEC, (b) will not violate any applicable law or regulation or the charter, by-laws or other Organizational Documents of the Obligors or any Restricted Subsidiary or any order of any Governmental Authority (except, with respect to applicable law or regulations, for such violations that would not reasonably be expected to have a Material Adverse Effect), (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing or governing Material Debt binding upon the Obligors, the Restricted Subsidiaries or their respective Properties, or give rise to a right thereunder to require any payment to be made by the Obligors or any Restricted Subsidiary and (d) will not result in the creation or imposition of any Lien on any Property of the Obligors or any Restricted Subsidiary (other than the Liens created by the Loan Documents).

Section 7.04 Financial Position; No Material Adverse Effect.

(a) Old Holdings has heretofore furnished to the Lenders the consolidated balance sheet and statements of income, shareholders' equity and cash flows for Old Holdings and its Consolidated Subsidiaries (i) as of and for the fiscal year ended December 31, 2016, reported on by KPMG LLP, independent public accounts (it being understood that such financial statements are in respect of LINN Energy, LLC and its consolidated subsidiaries as of such date) and (ii) as of and for the fiscal quarter and the portion of the fiscal year ended March 31, 2017, certified by its chief financial officer. Such financial statements present fairly, in all material respects, the

financial position and results of operations and cash flows of Old Holdings and its Consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

Since the date of this Agreement, there has been no change in the status of the matters disclosed in Schedule 7.05 that, individually or in the aggregate, has resulted in, or would reasonably be expected to result in, a Material Adverse Effect.

Section 7.06 Environmental Matters. Except for such matters that, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect:

(a) the Obligors and their respective Subsidiaries and each of their respective Properties and operations thereon are, and within all applicable statute of limitation periods have been, in compliance with all applicable Environmental Laws;

(b) the Obligors and their respective Subsidiaries have obtained all Environmental Permits required for their respective operations and each of their Properties, with all such Environmental Permits being currently in full force and effect, and none of the Obligors and their respective Subsidiaries has received any written notice or otherwise has knowledge that any such existing Environmental Permit will be revoked or that any application for any new Environmental Permit or renewal of any existing Environmental Permit will be protested or denied;

(c) there are no claims, demands, suits, orders, inquiries, or proceedings concerning any violation of, or any liability (including as a potentially responsible party) under, any applicable Environmental Laws that are pending or, to the knowledge of any Obligor, threatened against the Obligors and their respective Subsidiaries or any of their respective Properties or as a result of any operations at the Properties;

(d) none of the Properties contain or have contained any: (i) underground storage tanks; (ii) asbestos containing materials in a friable condition or otherwise requiring abatement under Environmental Laws; (iii) landfills or dumps; (iv) hazardous waste management units as defined pursuant to RCRA or any comparable state law; or (v) sites on or nominated for the National Priority List promulgated pursuant to CERCLA or any similar state remedial priority list promulgated or published pursuant to any comparable state law;

(e) there has been no unauthorized Release or threatened unauthorized Release of Hazardous Materials at, on, under or from any of the Obligors' or their respective Subsidiaries' Properties; there is no investigation, remediation, abatement, removal, or monitoring of Hazardous Materials required under applicable Environmental Laws at such Properties; and, to the knowledge of the Obligors, none of such Properties are adversely affected by any Release or threatened Release of a Hazardous Material originating or emanating from any other real property;

(f) neither the Obligors nor their respective Subsidiaries has received any written notice asserting an alleged liability or obligation under any applicable Environmental Laws with respect to the investigation, remediation, abatement, removal, or monitoring of any Hazardous Materials at, under, or Released or threatened to be Released from any real properties offsite the Obligors or their respective Subsidiaries' Properties.

Section 7.07 Compliance with the Laws and Agreements; No Defaults.

(a) Each of the Obligors and the Restricted Subsidiaries is in compliance with all Governmental Requirements applicable to it or its Property and all agreements and other instruments binding upon it or its Property except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) No Default has occurred and is continuing.

Section 7.08 Investment Company Act. None of the Obligors or any of the Restricted Subsidiaries is an "investment company" or a company "controlled" by an "investment company," within the meaning of, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 7.09 Taxes. Each of the Obligors and their respective Subsidiaries has timely filed or caused to be filed all Tax returns (including extensions) and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Obligors and their respective Subsidiaries, as applicable, have set aside on their books adequate reserves in accordance with GAAP or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The charges, accruals and reserves on the books of the Obligors and their respective Subsidiaries in respect of Taxes and other governmental charges are, in the reasonable opinion of the Obligors, adequate. No Tax Lien (other than an

Excepted Lien with respect to Taxes) has been filed and, to the knowledge of the Obligors, no claim is being asserted in writing with respect to any material unpaid Tax. Each of the Borrower, the Parent and MidCo is treated as a disregarded entity for U.S. federal income tax purposes, and Holdings is treated as a corporation for U.S. federal income tax purposes.

Section 7.10 ERISA. Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect or result in any Lien arising under ERISA or Section 430 of the Code:

(a) The Obligors and their respective Subsidiaries and each ERISA Affiliate have complied in all material respects with ERISA and, where applicable, the Code regarding each Plan, if any.

(b) Each Plan, if any, is, and has been, maintained in substantial compliance with ERISA and, where applicable, the Code.

(c) No ERISA Event with respect to any Plan has occurred or is expected by the Obligors or any of their respective Subsidiaries or any ERISA Affiliate to be incurred with respect to any Plan.

(d) No failure to meet the minimum funding standard of Section 412 of the Code or Section 302 of ERISA, whether or not waived, exists with respect to any Plan.

(e) None of the Obligors and their respective Subsidiaries or any ERISA Affiliate sponsors, maintains or contributes to, or has at any time in the six-year period preceding the date hereof sponsored, maintained or contributed to, any Multiemployer Plan.

(f) None of the Obligors and their respective Subsidiaries or any ERISA Affiliate is required to provide security under Section 401(a)(29) of the Code due to a Plan amendment that results in an increase in current liability for the Plan.

(g) None of the Obligors and their respective Subsidiaries nor any ERISA Affiliate sponsors, maintains or contributes to an employee welfare benefit plan, as defined in Section 3(1) of ERISA, including any such plan maintained to provide benefits to former employees of such entities, that may not be terminated by the Obligors and their respective Subsidiaries or any ERISA Affiliate in its sole discretion without any material liability.

Section 7.11 Disclosure; No Material Misstatements. None of the reports, financial statements, certificates or other written information (other than Reserve Reports and information delivered in connection therewith) furnished by or on behalf of the Obligors and their respective Subsidiaries to the Administrative Agent or any Lender pursuant to this Agreement or any other Loan Document or delivered by the Borrower, any other Obligor or any of their respective Subsidiaries to the Administrative Agent or any Lender hereunder or under any other Loan Document (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading on the date when furnished; provided that with respect to financial estimates, projected or

forecasted financial information and other forward-looking information, the Obligors each represents and warrants only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time of preparation; it being understood that (a) such projections and forecasts, as to future events, are not to be viewed as facts, that actual results during the period(s) covered by any such projections or forecasts may differ significantly from the projected or forecasted results and that such differences may be material and that such projections and forecasts are not a guarantee of financial performance, and (b) no representation is made with respect to information of a general economic or general industry nature. There are no statements or conclusions in any Reserve Report or in any information delivered in connection therewith which are based upon or include materially misleading information of a material fact or fail to take into account material information regarding the material matters reported therein, it being understood that projections concerning volumes attributable to the Oil and Gas Properties of the Borrower and the Restricted Subsidiaries and production and cost estimates contained in each Reserve Report and in other information delivered in connection therewith are necessarily based upon professional opinions, estimates and projections and that no warranty is made with respect to such opinions, estimates and projections.

Section 7.12 Insurance. The Obligors have, and have caused all of the Restricted Subsidiaries to have, (a) all insurance policies sufficient for the compliance by each of them with all material Governmental Requirements and all material agreements and (b) insurance coverage in at least amounts and against such risk (including, without limitation, public liability) that are usually insured against by companies similarly situated and engaged in the same or a similar business for the assets and operations of the Obligors and the Restricted Subsidiaries. The Administrative Agent has been named as additional insured in respect of such liability insurance policies and the Administrative Agent has been named as loss payee with respect to property loss insurance.

Section 7.13 Restriction on Liens. Except as permitted by Section 9.14, neither the Obligors nor the Restricted Subsidiaries is a party to any agreement or arrangement or is subject to any order, judgment, writ or decree, which either prohibits or purports to prohibit any of the Obligors or the Restricted Subsidiaries from granting Liens to the Administrative Agent and the Lenders on or in respect of their Properties to secure the Obligations, or restricts any Restricted Subsidiary from paying dividends or making any other distributions in respect of its Equity Interests to the Obligors or any Restricted Subsidiary, or restricts any Restricted Subsidiary from making loans or advances or transferring any Property to the Obligors or any Restricted Subsidiary, or which requires the consent of or notice to other Persons in connection therewith.

Section 7.14 Subsidiaries. As of the Spinoff Part I Effective Date or as of the date of the most recent certificate delivered pursuant to Section 8.01(c), except as set forth on Schedule 7.14 or as disclosed in writing to the Administrative Agent (which shall promptly furnish a copy to the Lenders), and which disclosure (including updates included in certificates delivered pursuant to Section 8.01(c)) shall be a supplement to Schedule 7.14, none of the Obligors has any direct or indirect Subsidiaries, Unrestricted Subsidiaries or Permitted Joint Ventures. Holdings does not have any direct or indirect Foreign Subsidiaries. Each Subsidiary Guarantor is a Wholly-Owned Subsidiary of the Borrower. Each Subsidiary listed on Schedule 7.14 (as supplemented) is (a) a Restricted Subsidiary unless specifically designated as an Unrestricted Subsidiary therein and (b) a Material Subsidiary unless specifically designated as an Immaterial Subsidiary therein.

Section 7.15 Location of Business and Offices. As of the Spinoff Part I Effective Date or as of the date of the most recent certificate delivered pursuant to Section 8.01(k), the jurisdiction of organization, correct legal name as listed in the public records of its jurisdiction of organization, organizational identification number in its respective jurisdiction of organization, federal tax identification number, if applicable, and the principal place of business and chief executive office, in each case of each Obligor and its respective Subsidiaries is set forth on Schedule 7.14 (or as set forth in a notice delivered pursuant to Section 8.01(k) and delivered in accordance with Section 12.01).

Section 7.16 Properties; Titles, Etc.

(a) Each of the Borrower and the Restricted Subsidiaries has good and defensible title to its Oil and Gas Properties evaluated in the most recently delivered Reserve Report (other than those disposed of in compliance with Section 9.11 since delivery of such Reserve Report and those title defects disclosed in writing to the Administrative Agent) and good title to all its personal Properties, in each case, free and clear of all Liens except Liens permitted by Section 9.03. After giving full effect to the Excepted Liens, the Borrower or the Restricted Subsidiary specified as the owner owns the net interests in production attributable to the Hydrocarbon Interests as reflected in the most recently delivered Reserve Report, and the ownership of such Properties shall not in any material respect obligate it to bear the costs and expenses relating to the maintenance, development and operations of each such Property in an amount in excess of the working interest of each Property set forth in the most recently delivered Reserve Report that is not offset by a corresponding proportionate increase in its net revenue interest in such Property.

(b) All material leases and agreements necessary for the conduct of the business of the Obligors and the Restricted Subsidiaries are valid and subsisting, in full force and effect, except to the extent any failure to be valid and subsisting and in full force and effect could not reasonably be expected to have a Material Adverse Effect, and there exists no default or event or circumstance which with the giving of notice or the passage of time or both would give rise to a default under any such lease or agreement, which could reasonably be expected to have a Material Adverse Effect.

(c) The rights and Properties presently owned, leased or licensed by the Obligors and the Restricted Subsidiaries including, without limitation, all easements and rights of way, include all rights and Properties reasonably necessary to permit the Obligors and the Restricted Subsidiaries to conduct their business, except to the extent any failure to satisfy the foregoing could not reasonably be expected to have a Material Adverse Effect.

(d) All of the Properties of the Obligors and the Restricted Subsidiaries (other than the Oil and Gas Properties, which are addressed in Section 7.17) which are reasonably necessary for the operation of their businesses are in good working condition and are maintained in accordance with prudent business standards, except to the extent any failure to satisfy the foregoing could not reasonably be expected to have a Material Adverse Effect.

(e) Each of the Obligors and the Restricted Subsidiaries owns, or is licensed to use, all trademarks, trade names, copyrights, patents and other intellectual Property material to its business, and the use thereof by the Obligors and the Restricted Subsidiaries does not infringe upon the rights of any other Person, except for any such infringements that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect. The Obligors and the Restricted Subsidiaries either own or have valid licenses or other rights to use all databases, geological data, geophysical data, engineering data, seismic data, maps, interpretations and other technical information used in their businesses as presently conducted, subject to the limitations contained in the agreements governing the use of the same, which limitations are customary for companies engaged in the business of the exploration and production of Hydrocarbons, with such exceptions as could not reasonably be expected to have a Material Adverse Effect.

(f) None of the Borrower or the Restricted Subsidiaries own, and have not acquired or made any other expenditure (whether such expenditure is capital, operating or otherwise) in or related to, any Oil and Gas Properties located outside of the geographical boundaries of the United States or in the offshore federal waters of the United States of America.

Section 7.17 Maintenance of Properties. Except for such acts or failures to act as could not be reasonably expected to have a Material Adverse Effect, the Oil and Gas Properties (and Properties unitized therewith) of the Borrower and the Restricted Subsidiaries have been maintained, operated and developed in a good and workmanlike manner and in conformity with all Governmental Requirements and in conformity with the provisions of all leases, subleases or other contracts comprising a part of the Hydrocarbon Interests and other contracts and agreements forming a part of the Oil and Gas Properties of the Borrower and the Restricted Subsidiaries. Specifically in connection with the foregoing, except as could not reasonably be expected to have a Material Adverse Effect, (a) no Oil and Gas Property of the Borrower and the Restricted Subsidiaries is subject to having allowable production reduced below the full and regular allowable production (including the maximum permissible tolerance) because of any overproduction (whether or not the same was permissible at the time) and (b) none of the wells comprising a part of the Oil and Gas Properties (or Properties unitized therewith) of the Borrower and the Restricted Subsidiaries is deviated from the vertical more than the maximum permitted by Governmental Requirements, and such wells are, in fact, bottomed under and are producing from, and the well bores are wholly within, such Oil and Gas Properties (or in the case of wells located on Properties unitized therewith, such unitized Properties). All pipelines, wells, gas processing plants, platforms and other material improvements, fixtures and equipment owned in whole or in part by the Borrower and the Restricted Subsidiaries that are necessary to conduct normal operations are being maintained in a state adequate to conduct normal operations, and with respect to such of the foregoing which are operated by the Borrower and the Restricted Subsidiaries, in a manner consistent with the Borrower's and the Restricted Subsidiaries' past practices (other than those the failure of which to maintain in accordance with this Section 7.17 could not reasonably be expected to have a Material Adverse Effect).

Section 7.18 Gas Imbalances, Prepayments. Except as set forth on Schedule 7.18 or on the most recent Reserve Report Certificate, on a net basis there are no gas imbalances, take or pay or other prepayments which would require the Borrower and the Restricted Subsidiaries to deliver, in the aggregate, two percent (2%) or more of the monthly production from Hydrocarbons produced from the Oil and Gas Properties of the Borrower and the Restricted Subsidiaries at some future time without then or thereafter receiving full payment therefor.

Section 7.19 Marketing of Production. Except for contracts listed and in effect on the Effective Date on Schedule 7.19, and thereafter either disclosed in writing to the Administrative Agent or included in the most recently delivered Reserve Report Certificate (with respect to all of which contracts the Borrower represents that it or its Restricted Subsidiaries are receiving a price for all production sold thereunder which is computed substantially in accordance with the terms of the relevant contract and are not having deliveries curtailed substantially below the subject Property's delivery capacity), no material agreements exist which are not cancelable on sixty (60) days' notice or less without penalty or detriment for the sale of production from the Borrower's and the Restricted Subsidiaries' Hydrocarbons (including, without limitation, calls on or other rights to purchase, production, whether or not the same are currently being exercised) that (a) pertain to the sale of production at a fixed price and (b) have a maturity or expiry date of more than six (6) months from the date of delivery of such Reserve Report Certificate.

Section 7.20 Swap Agreements. Schedule 7.20, as of the date hereof, and after the date hereof, each report required to be delivered by the Borrower pursuant to Section 8.01(d) (as of the relevant period end), sets forth, a true and complete list of all Swap Agreements of the Borrower and each of the Restricted Subsidiaries, the material terms thereof (including the type, term, effective date, termination date and notional amounts or volumes), the net mark-to-market value thereof, all credit support agreements relating thereto (including any margin required or supplied) and the counterparty to each such agreement.

Section 7.21 Use of Loans and Letters of Credit. The proceeds of the Loans and the Letters of Credit shall be used (a) to provide working capital for lease acquisitions, for exploration and production operations and for development (including the drilling and completion of producing wells), (b) for the acquisition, exploration and development of Oil and Gas Properties permitted hereunder, (c) for the issuance of Letters of Credit, (d) to refinance obligations outstanding under the Existing Credit Agreement and (e) for other lawful general corporate purposes, including Restricted Payments permitted hereunder. The Obligors and the Restricted Subsidiaries are not engaged principally, or as one of its or their important activities, in the business of extending credit for the purpose, whether immediate, incidental or ultimate, of buying or carrying margin stock (within the meaning of Regulation T, U or X of the Board). No part of the proceeds of any Loan or Letter of Credit will be used for any purpose which violates Regulation T, U or X of the Board.

Section 7.22 Solvency. Immediately after giving effect to the Transactions and immediately prior to and after giving effect to each Borrowing and each issuance, amendment, renewal, or extension of a Letter of Credit, (i) the Borrower is Solvent and (ii) the Borrower and the other Obligors taken as a whole, are Solvent.

Section 7.23 Anti-Corruption. Neither the Obligors nor their respective Subsidiaries, nor any director, officer, agent, employee, or Affiliate of the Obligors or their respective Subsidiaries is in violation of or is aware of or has taken any action, directly or indirectly, that would result in a violation by such Persons of any applicable Anti-Corruption Laws, including without limitation, making use of the mails or any means or instrumentality of interstate

commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any "foreign official" (as such term is defined in the FCPA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA.

Section 7.24 AML and Sanctions. Neither any of the Obligors nor any of their respective Subsidiaries, nor any director, officer, agent, employee, or Affiliate of the Obligors or their respective Subsidiaries is (i) a Sanctioned Person or (ii) in violation of any AML Laws or Sanctions. The Borrower will not directly or indirectly use the proceeds from the Loans or lend, contribute or otherwise make available such proceeds to any Subsidiary, joint venture partner or other Person, in a manner that will cause a violation of AML Laws, Anti-Corruption Laws or applicable Sanctions by any Person participating in the transactions contemplated by this Agreement, whether as lender, issuing bank, borrower, guarantor, agent, or otherwise. The Borrower represents that neither it nor any of the other Obligors nor any of their respective Subsidiaries or Affiliates has engaged in or intends to engage in any dealings or transactions with, or for the benefit of, any Sanctioned Person or with or in any Sanctioned Country. No Borrowing or Letter of Credit relates, directly or indirectly, to any activities or business of or with a Sanctioned Person or with or in a Sanctioned Country; and, the Obligors and their respective Subsidiaries and each of their Affiliates have conducted their business in material compliance with all applicable Anti-Corruption Laws. The Obligors have implemented and maintain in effect policies and procedures which are reasonably expected to ensure compliance by the Obligors and their respective Subsidiaries and their respective directors, officers, employees and agents with AML Laws, Anti-Corruption Laws or applicable Sanctions.

Section 7.25 Accounts. Set forth on Schedule 7.25 (as the same may be supplemented by the Borrower from time to time upon delivery of a written supplement to the Administrative Agent) lists all Deposit Accounts, including any Excluded Accounts, and Securities Accounts maintained by or for the benefit of the Obligors or any Restricted Subsidiary.

(c) With the delivery of each Reserve Report, the Borrower shall provide to the Administrative Agent and the Lenders a certificate from a Responsible Officer, in substantially the form of Exhibit G hereto (the "Reserve Report Certificate"), certifying that in all material respects: (i) the information provided by the Borrower in connection with the preparation of such Reserve Report and any other information delivered in connection therewith by the Borrower is true and correct, and any projections based upon such information have been prepared in good faith based upon assumptions believed by the Borrower to be reasonable, subject to uncertainties inherent in all projections, (ii) the Borrower and the Restricted Subsidiaries own good and defensible title to the Oil and Gas Properties evaluated in such Reserve Report and such Properties are free of all Liens except for Liens permitted by Section 9.03, (iii) except as set forth on an exhibit to the certificate, on a net basis there are no gas imbalances, take or pay or other prepayments in excess of the volume specified in Section 7.18 with respect to the Oil and Gas Properties evaluated in such Reserve Report that would require the Borrower or the Restricted Subsidiaries to deliver Hydrocarbons either generally or produced from such Oil and Gas Properties at some future time without then or thereafter receiving full payment therefor, (iv) none of the Oil and Gas Properties evaluated in the immediately preceding Reserve Report have been sold since the date of the last Borrowing Base redetermination except as set forth on an exhibit to the certificate, which certificate shall list all of the Oil and Gas Properties sold and in such detail as reasonably required by the Administrative Agent, (v) attached to the certificate is a list of all marketing agreements entered into subsequent to the later of the date hereof or the most recently delivered Reserve Report that the Borrower could reasonably be expected to have been obligated to list on Schedule 7.19 had such agreement been in effect on the date hereof and (vi) attached thereto is a schedule of the Oil and Gas Properties evaluated by such Reserve Report that are Mortgaged Properties and demonstrating that the percentage of the total value of the Oil and Gas Properties evaluated by such Reserve Report that such Mortgaged Properties represent is in compliance with Section 8.13(a).

Section 8.12 Title Information.

(a) On or before the delivery to the Administrative Agent and the Lenders of each Reserve Report required by Section 8.11, to the extent requested by the Administrative Agent, the Borrower will deliver title information in form and substance reasonably acceptable to the Administrative Agent covering enough of the Oil and Gas Properties evaluated by such Reserve Report that were not included in the immediately preceding Reserve Report, so that the Administrative Agent shall have received together with title information previously delivered to the Administrative Agent, reasonably satisfactory title information on at least 75% of the total value of the proved Oil and Gas Properties evaluated by such Reserve Report.

(b) If the Borrower has provided title information for additional Properties under Section 8.12(a), the Borrower shall, within 60 days of notice from the Administrative Agent that title defects or exceptions exist with respect to such additional Properties, either (i) cure any such title defects or exceptions (including defects or exceptions as to priority) which are not permitted by Section 9.03, (ii) substitute acceptable Mortgaged Properties with no title defects or exceptions (other than Liens which are permitted by Section 9.03) having an equivalent value or (iii) deliver title information in form and substance reasonably acceptable to the Administrative Agent so that the Administrative Agent shall have received, together with title information previously delivered to the Administrative Agent, reasonably satisfactory title information on at least 75% of the total value of the proved Oil and Gas Properties evaluated by such Reserve Report.

To the extent that the Administrative Agent or the Majority Lenders are not reasonably satisfied with title to any Mortgaged Property after the 60-day period has elapsed, such unacceptable Mortgaged Property shall not count towards the requirements of Section 8.12(a) and Section 8.12(b), and the Administrative Agent may send a notice to the Borrower and the Lenders that the then outstanding Borrowing Base shall be reduced by an amount as determined by the Required Lenders to cause the Borrower to be in compliance with the requirement to provide acceptable title information pursuant to Section 8.12(a) and Section 8.12(b). Such new Borrowing Base shall become effective immediately after receipt of such notice.

Section 8.13 Additional Collateral; Additional Guarantors.

In the event that the Mortgaged Properties represent less than 85% of the total value of the proved Oil and Gas Properties of the Borrower and the Restricted Subsidiaries evaluated in the most recently completed Reserve Report delivered to the Administrative Agent, then the Borrower shall, and shall cause each of its Restricted Subsidiaries to, grant, within sixty (60) days (or such later date as the Administrative Agent may agree to in its sole discretion) of the delivery of the Reserve Report Certificate, to the Administrative Agent or its designee as security for the Obligations a first-priority Lien interest (subject to Liens permitted by Section 9.03 which may attach to Mortgaged Property) on additional Oil and Gas Properties of the Borrower and the Restricted Subsidiaries not already subject to a Lien of the Security Instruments such that after giving effect thereto, the value of the Mortgaged Properties is equal to or greater than 85% of the total value of the proved Oil and Gas Properties of the Borrower and the Restricted Subsidiaries evaluated in such Reserve Report. All such Liens will be created and perfected by and in accordance with the provisions of the Guarantee and Collateral Agreement, deeds of trust, mortgages, security agreements and financing statements or other Security Instruments, all in form and substance reasonably satisfactory to the Administrative Agent or its designee and in sufficient executed (and acknowledged where necessary or appropriate) counterparts for recording purposes. In order to comply with the foregoing, if any Restricted Subsidiary places a Lien on its Oil and Gas Properties and such Restricted Subsidiary is not a Guarantor, then it shall become a Guarantor and comply with Section 8.13(b).

(b) The Borrower shall promptly cause each Material Subsidiary to become a Guarantor and guarantee the Obligations pursuant to the Guarantee and Collateral Agreement. In connection with any such guaranty, the Borrower shall, or shall cause the Restricted Subsidiaries to, promptly, but in any event no later than 15 days (or such later date as the Administrative Agent may agree to in its sole discretion) after the formation or acquisition (or other similar event, including an Immaterial Subsidiary becoming a Material Subsidiary or upon the designation of an Unrestricted Subsidiary as a Restricted Subsidiary) of any Material Subsidiary to, (i) cause such Material Subsidiary to execute and deliver a joinder and supplement to the Guarantee and Collateral Agreement, (ii) (A) pledge all of the Equity Interests issued by such Material Subsidiary and (B) cause such Material Subsidiary to pledge all of the Equity Interests directly owned by such Material Subsidiary in its respective Subsidiaries and Permitted Joint Ventures (including, without limitation, delivery of original stock certificates evidencing such Equity Interests, together with an appropriate undated stock power for each certificate duly executed in blank by the registered owner thereof); provided, that such pledge shall be limited to 65% of the voting Equity Interests in any Foreign Subsidiary, and (iii) execute and deliver such other additional closing documents, certificates and legal opinions as shall reasonably be requested by the Administrative Agent or its designee.

Section 8.14 ERISA Event. The Obligors will promptly furnish, and will cause their respective Subsidiaries and any ERISA Affiliate to promptly furnish, to the Administrative Agent (a) immediately upon becoming aware of the occurrence of any ERISA Event, a written notice signed by the President or the principal Financial Officer of such Obligor, Subsidiary or ERISA Affiliate, as the case may be, specifying the nature thereof, what action such Obligor, Subsidiary or ERISA Affiliate is taking or proposes to take with respect thereto, and, if then known, any action taken or proposed by the Internal Revenue Service, the Department of Labor or the PBGC with respect thereto, and (b) immediately upon receipt thereof, copies of any notice of the PBGC's intention to terminate or to have a trustee appointed to administer any Plan.

Section 8.16 Accounts.

The Security Instruments further provide in general for the application of such proceeds to the satisfaction of the Obligations and other obligations described therein and secured thereby. Notwithstanding the assignment contained in such Security Instruments, except after the occurrence and during the continuance of an Event of Default, (a) the Administrative Agent and the Lenders agree that they will neither notify the purchaser or purchasers of such production nor take any other action to cause such proceeds to be remitted to the Administrative Agent or the Lenders, but the Lenders will instead permit such proceeds to be paid to the Borrower or its Subsidiaries, as applicable and (b) the Lenders hereby authorize the Administrative Agent to take such actions as may be necessary to cause such proceeds to be paid to the Borrower or its Subsidiaries, as applicable.

Section 10.04 Credit Bidding. Each of the Borrower and the other Obligors, and the Lenders hereby irrevocably authorize (and by entering into a Swap Agreement, each Approved Counterparty shall be deemed to authorize) the Administrative Agent, based upon the instruction of the Majority Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (and the Borrower and each other Obligor and their respective Subsidiaries shall approve the Administrative Agent as a qualified bidder and such Credit Bid as a qualified bid) at any sale thereof conducted by the Administrative Agent, based upon the instruction of the Majority Lenders, under any provisions of the Uniform Commercial Code, as part of any sale or investor solicitation process conducted by the Borrower or any other Obligor or their respective Subsidiaries, any interim receiver, manager, receiver and manager, administrative receiver, trustee, agent or other Person pursuant or under any insolvency laws; provided, however, that (a) the Majority Lenders may not direct the Administrative Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of the Credit Bid, (b) the acquisition documents shall be commercially reasonable and contain customary protections for minority holders, such as, among other things, anti-dilution and tag-along rights, (c) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws) and (d) reasonable efforts shall be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations).

ARTICLE XI
The Administrative Agent

Section 11.01 Appointment; Powers. Each of the Lenders and each Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Lenders and each Issuing Bank, and neither the Obligors nor any Subsidiary shall have rights as a third party beneficiary of any of such provisions.

Section 11.02 Duties and Obligations of Administrative Agent. The Administrative Agent shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term “agent” herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) the Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 11.03, and (c) except as expressly set forth herein, the Administrative Agent

shall have no duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Obligors or their respective Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in ARTICLE VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, (vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Obligors or their respective Subsidiaries or any other obligor or guarantor, or (vii) any failure by the Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein. For purposes of determining compliance with the conditions specified in ARTICLE VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the proposed closing date specifying its objection thereto.

Section 11.03 Action by Administrative Agent. The Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Majority Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and in all cases the Administrative Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Majority Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), as applicable, specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by the Administrative Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then the Administrative Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities) described in this Section 11.03, provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders. In no event, however, shall the Administrative Agent be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, the Loan Documents or applicable law. The Administrative Agent shall not be liable for any action taken or not taken by it with the

consent or at the request of the Majority Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise the Administrative Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith INCLUDING ITS OWN ORDINARY NEGLIGENCE, except for its own gross negligence or willful misconduct.

Section 11.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon and each of the Borrower, the Lenders and each Issuing Bank hereby waives the right to dispute the Administrative Agent's record of such statement, except in the case of gross negligence or willful misconduct by the Administrative Agent. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with the Administrative Agent.

Section 11.05 Subagents. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this ARTICLE XI shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

Section 11.06 Resignation or Removal of Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this Section 11.06, the Administrative Agent may resign at any time by notifying the Lenders, each Issuing Bank and the Borrower and the Administrative Agent may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right, in consultation with the Borrower (unless an Event of Default has occurred and is continuing), to appoint a successor. If no successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation or removal of the retiring Administrative Agent, then the retiring Administrative Agent may, on behalf of the Lenders and each Issuing Bank, appoint a successor Administrative Agent; provided that in no event shall any such successor Administrative Agent be a Defaulting Lender. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative

Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to the successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this ARTICLE XI and Section 12.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Section 11.07 Administrative Agent and Lenders. The Administrative Agent shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the Administrative Agent and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

Section 11.08 No Reliance.

(a) Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. The Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Obligors or their respective Subsidiaries of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Properties or books of the Borrower or its Subsidiaries. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Arrangers shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrower (or any of its Affiliates) which may come into the possession of the Administrative Agent, the Arrangers or any of their respective Affiliates. In this regard, each Lender acknowledges that Paul Hastings LLP is acting in this transaction as special counsel to the Administrative Agent only, except to the extent otherwise expressly stated in any legal opinion or any Loan Document. Each other party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

(b) The Lenders acknowledge that the Administrative Agent and the Arrangers are acting solely in administrative capacities with respect to the structuring and syndication of this facility and have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than their administrative duties, responsibilities and liabilities specifically as set forth in the Loan Documents and in their capacity as Lenders hereunder. In structuring, arranging or syndicating this facility, each Lender acknowledges that the Administrative Agent and/or the Arrangers may be agents or lenders under this Agreement, other loans or other securities and waives any existing or future conflicts of interest associated with their role in such other debt instruments.

Section 11.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Obligors or their respective Subsidiaries, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 12.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 12.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.10 Authority of Administrative Agent to Release Collateral and Liens. Each Lender, each Issuing Bank, each Secured Swap Party and Secured Cash Management Provider hereby authorizes the Administrative Agent to release any Collateral and the guarantees of any Guarantor under the Guarantee and Collateral Agreement, and to execute and deliver to the Borrower, at the Borrower's sole cost and expense, any and all releases of Liens, releases of guaranty from the Guarantee and Collateral Agreement, termination statements, assignments or other documents reasonably requested by the Borrower, in accordance with Section 12.20.

Section 11.11 The Arrangers. The Arrangers, the Syndication Agent and the Documentation Agents shall have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than its duties, responsibilities and liabilities in its individual capacity as a Lender hereunder to the extent it is a party to this Agreement as a Lender.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent, any other agent, any Issuing Bank or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent, any other agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Obligor therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any other agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) Subject to Section 4.04(c)(ii), neither this Agreement nor any provision hereof nor any Loan Document nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Majority Lenders or by the Borrower and the Administrative Agent with the written consent of the Majority Lenders. Notwithstanding the foregoing, no such agreement of the Majority Lenders shall (i) increase the Commitment or Maximum Credit Amount of any Lender without the written

consent of such Lender, (ii) increase the Borrowing Base without the written consent or deemed consent of each Lender, maintain or decrease the Borrowing Base without the written consent or deemed consent of the Required Lenders, or modify in any manner Section 2.07 without the written consent of each Lender; provided that a Scheduled Redetermination may be postponed by the Required Lenders, (iii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than the waiver of interest at the default rate pursuant to Section 3.02(c), or reduce any fees payable hereunder, or reduce any other Obligations hereunder or under any other Loan Document, without the written consent of each Lender affected thereby, (iv) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or any other Obligations hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Termination Date or the Maturity Date without the written consent of each Lender affected thereby, (v) change Section 2.06(b)(ii), Section 4.01(b), Section 4.01(c) or Section 10.02(c) in a manner that would alter the pro rata reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender adversely affected thereby, (vi) waive or amend Section 3.04(c) or Section 6.01, in each case without the written consent of each Lender, (vii) release any Guarantor or release all or substantially all of the Collateral (in each case, other than as provided in Section 11.10 and Section 12.20) without written consent of each Lender and each Secured Swap Party, or reduce the percentage set forth in Section 8.13(a) to less than eighty-five percent (85%), without the written consent of each Lender, (viii) modify the definitions of "Secured Swap Agreement", "Secured Swap Obligations" or "Secured Swap Party", or the terms of Section 10.02(c), Section 12.14, or any of the provisions of this Section 12.02(b), in each case without the written consent of each Secured Swap Party adversely affected thereby, (ix) change any of the provisions of this Section 12.02(b) or the definition of "Majority Lenders", "Super Majority Lenders" "Required Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender adversely affected thereby, or (x) amend or otherwise modify any Security Instrument in a manner that results in the Secured Swap Obligations no longer being secured on an equal and ratable basis with the principal of the Loans pursuant to such Security Instrument, without the written consent of each Secured Swap Party adversely affected thereby; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or such Issuing Bank, as the case may be. Notwithstanding the foregoing, (i) any supplement to any Schedule permitted or required to be delivered under this Agreement or any other Loan Document shall be effective simply by delivering to the Administrative Agent a supplemental Schedule clearly marked as such and, upon receipt, the Administrative Agent will promptly deliver a copy thereof to the Lenders, and (ii) any Security Instrument may be supplemented to add additional collateral with the consent of the Administrative Agent.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrower and each other Obligor shall jointly and severally pay (i) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers and their respective Affiliates, including, without limitation, the reasonable and

documented out-of-pocket fees, charges and disbursements of consultants and of one primary counsel to the Administrative Agent and one local counsel to the Administrative Agent in each jurisdiction deemed reasonably necessary by the Administrative Agent, and the reasonable travel, photocopy, mailing, courier, telephone and other similar expenses, in each case in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Administrative Agent as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket costs, expenses, Taxes, assessments and other charges incurred by the Administrative Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, (iii) all reasonable out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit issued by such Issuing Bank or any demand for payment thereunder, (iv) all out-of-pocket expenses incurred by the Administrative Agent (and its Affiliates) and the Lenders (including (A) the fees, charges and disbursements of counsel to the Administrative Agent and (B) the fees, charges and disbursements of one primary counsel to the Lenders as a group (plus no more than one additional counsel in each jurisdiction that is relevant to such enforcement or protection of rights)) in connection with this Agreement or any other Loan Document or in connection with the Loans made or Letters of Credit issued hereunder, including, without limitation, all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) **THE BORROWER AND EACH OTHER OBLIGOR SHALL JOINTLY AND SEVERALLY INDEMNIFY THE ADMINISTRATIVE AGENT, THE ARRANGERS, THE SYNDICATION AGENT, THE DOCUMENTATION AGENTS, EACH ISSUING BANK AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "INDEMNITEE") AGAINST, AND DEFEND AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, PENALTIES, LIABILITIES AND RELATED EXPENSES, INCLUDING THE REASONABLE AND CUSTOMARY FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN EXPENSES IN CONNECTION WITH THE EXECUTION AND DELIVERY OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS DATED OF EVEN DATE HEREWITH, WHICH EXPENSES SHALL ONLY BE PAID BY THE OBLIGORS TO THE EXTENT PROVIDED IN SECTION 12.03(A)) OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE**

FAILURE OF THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF THE BORROWER OR ANY GUARANTOR SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREFROM, INCLUDING, WITHOUT LIMITATION, (A) ANY REFUSAL BY ANY ISSUING BANK TO HONOR A DEMAND FOR PAYMENT UNDER A LETTER OF CREDIT ISSUED BY SUCH ISSUING BANK IF THE DOCUMENTS PRESENTED IN CONNECTION WITH SUCH DEMAND DO NOT STRICTLY COMPLY WITH THE TERMS OF SUCH LETTER OF CREDIT, OR (B) THE PAYMENT OF A DRAWING UNDER ANY LETTER OF CREDIT NOTWITHSTANDING THE NON-COMPLIANCE, NON-DELIVERY OR OTHER IMPROPER PRESENTATION OF THE DOCUMENTS PRESENTED IN CONNECTION THEREWITH, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (vii) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) THE OBLIGORS', OR THEIR RESPECTIVE SUBSIDIARIES', BREACH OF, OR NON-COMPLIANCE WITH, ANY ENVIRONMENTAL LAW APPLICABLE TO THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (ix) THE USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF HAZARDOUS MATERIALS BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (x) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (xi) THE USE BY UNINTENDED RECIPIENTS OF ANY INFORMATION OR OTHER MATERIALS DISTRIBUTED BY IT THROUGH TELECOMMUNICATIONS, ELECTRONIC OR OTHER INFORMATION TRANSMISSION SYSTEM IN CONNECTION WITH THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, OR (xii) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BROUGHT BY A THIRD PARTY, THE BORROWER OR ANY GUARANTOR, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; PROVIDED THAT SUCH INDEMNITY SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE

TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES, LIABILITIES OR RELATED EXPENSES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE, AND PROVIDED FURTHER THAT THE INDEMNITY SET FORTH HEREIN SHALL NOT APPLY TO DISPUTES SOLELY BETWEEN LENDERS UNLESS SUCH DISPUTE RESULTS FROM ANY CLAIM ARISING OUT OF ANY REQUEST, ACT OR OMISSION ON THE PART OF ANY OBLIGOR OR AGAINST THE ARRANGERS, THE ADMINISTRATIVE AGENT OR ANY ISSUING BANK IN ITS CAPACITY AS SUCH, IN EACH CASE, IN CONNECTION WITH THE LOAN DOCUMENTS. WITH RESPECT TO THE OBLIGATION TO REIMBURSE AN INDEMNITEE FOR FEES, CHARGES AND DISBURSEMENTS OF COUNSEL, EACH INDEMNITEE AGREES THAT ALL INDEMNITEES WILL AS A GROUP UTILIZE ONE PRIMARY COUNSEL (PLUS NO MORE THAN ONE ADDITIONAL COUNSEL IN EACH JURISDICTION WHERE A PROCEEDING THAT IS THE SUBJECT MATTER OF THE INDEMNITY IS LOCATED) UNLESS (1) THERE IS A CONFLICT OF INTEREST AMONG INDEMNITEES, (2) DEFENSES OR CLAIMS EXIST WITH RESPECT TO ONE OR MORE INDEMNITEES THAT ARE NOT AVAILABLE TO ONE OR MORE OTHER INDEMNITEES OR (3) SPECIAL COUNSEL IS REQUIRED TO BE RETAINED AND THE BORROWER CONSENTS TO SUCH RETENTION (SUCH CONSENT NOT TO BE UNREASONABLY WITHHELD, CONDITIONED OR DELAYED). THIS SECTION 12.03(B) SHALL NOT APPLY WITH RESPECT TO TAXES OTHER THAN ANY TAXES THAT REPRESENT LOSSES, CLAIMS, DAMAGES, ETCETERA, ARISING FROM ANY NON-TAX CLAIM.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, the Arrangers or any Issuing Bank under Section 12.03(a) or (b), each Lender severally agrees to pay to the Administrative Agent, the Arrangers or such Issuing Bank, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Arrangers or such Issuing Bank in its capacity as such.

(d) TO THE EXTENT PERMITTED BY APPLICABLE LAW, NO PARTY HERETO NOR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS SHALL ASSERT, AND EACH HEREBY WAIVES, ANY CLAIM AGAINST ANY OTHER SUCH PERSON, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF, THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE TRANSACTIONS, ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREOF. NOTWITHSTANDING THE FOREGOING, NOTHING HEREIN SHALL LIMIT OR BE DEEMED TO LIMIT THE OBLIGORS' OBLIGATION TO INDEMNIFY THE INDEMNITEE'S FOR ANY SUCH CLAIMS BROUGHT BY THIRD PARTIES.

(e) All amounts due under this Section 12.03 shall be payable within ten (10) Business Days of written demand therefor attaching the relevant invoices and/or a certificate, in each case setting forth the basis for such demand in reasonable detail.

Section 12.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 12.04 or as required under Section 5.04(b), and (iii) no Lender may assign to the Borrower or any other Obligor or their respective Subsidiaries, or an Affiliate of the Borrower or any other Obligor or their respective Subsidiaries, or a Defaulting Lender or an Affiliate of a Defaulting Lender all or any portion of such Lender's rights and obligations under the Agreement or all or any portion of its Commitments or the Loans owing to it hereunder. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in Section 12.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, each Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 12.04(b)(ii), any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower, provided that no consent of the Borrower shall be required if such assignment is to a Lender or an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, is to any other assignee, provided further that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof; and

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment to an assignee that is a Lender or any Affiliate of a Lender or an Approved Fund, immediately prior to giving effect to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect

to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) no assignment shall be made to a natural Person, or to any holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person.

(iii) Subject to Section 12.04(b)(ii) and the acceptance and recording thereof, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Maximum Credit Amount of, and principal amount (and stated interest) of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive (absent manifest error), and the Borrower, the Administrative Agent, each Issuing Bank and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice. In connection with any changes to the Register, if necessary, the Administrative Agent will reflect the revisions on Annex I and forward a copy of such revised Annex I to the Borrower, each Issuing Bank and each Lender.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 12.04(b) and any written consent to such assignment required by this Section 12.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 12.04(b).

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent or any Issuing Bank, sell participations to one or more banks or other entities other than an Affiliate of the Borrower or any other Obligor (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, each Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that any such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 12.02(b) that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.11. Subject to Section 12.04(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of Section 5.01, Section 5.02 and Section 5.03 (subject to the requirements and limitations therein, including the requirements under Section 5.03(e) (it being understood that the documentation required under Section 5.03(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender, provided such Participant agrees to be subject to Section 4.01(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 5.01 or Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent and such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.03 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 5.03(e) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any other agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 5.01, Section 5.02, Section 5.03, Section 12.03 and ARTICLE XI shall survive and remain in full force and effect regardless of the consummation of the Transactions, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Obligations or proceeds of any Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, security interests, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrower shall take such action as may be reasonably requested by the Administrative Agent and the Lenders to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. **THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES HERETO AND THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

(c) Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by fax, facsimile, as an attachment to an email or other similar electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (of whatsoever kind, including, without limitation, obligations under Swap Agreements) at any time owing by such Lender or Affiliate to or for the credit or the account of the Obligors or the Restricted Subsidiaries against any of and all the obligations of the Obligors or the Restricted Subsidiaries owed to such Lender now or hereafter existing under this Agreement or any other Loan Document, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmatured. Each Lender or its Affiliate agrees to promptly notify the Borrower and the Administrative Agent after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section 12.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender or its Affiliates may have.

Section 12.09 GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK EXCEPT TO THE EXTENT THAT UNITED STATES FEDERAL LAW PERMITS ANY LENDER TO CONTRACT FOR, CHARGE, RECEIVE, RESERVE OR TAKE INTEREST AT THE RATE ALLOWED BY THE LAWS OF THE STATE WHERE SUCH LENDER IS LOCATED.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THE LOAN DOCUMENTS SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF NEW YORK, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS. THIS SUBMISSION TO JURISDICTION IS NON-EXCLUSIVE AND DOES NOT PRECLUDE A PARTY FROM OBTAINING JURISDICTION OVER ANOTHER PARTY IN ANY COURT OTHERWISE HAVING JURISDICTION.

(c) EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO IT AT THE ADDRESS SPECIFIED IN SECTION 12.01 OR SUCH OTHER ADDRESS AS IS SPECIFIED PURSUANT TO SECTION 12.01 (OR ITS ASSIGNMENT AND ASSUMPTION), SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF A PARTY OR ANY HOLDER OF A NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANOTHER PARTY IN ANY OTHER JURISDICTION.

(d) **EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN; (ii) IRREVOCABLY WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY SUCH LITIGATION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES; (iii) CERTIFIES THAT NO PARTY HERETO NOR ANY REPRESENTATIVE OR AGENT OF COUNSEL FOR ANY PARTY HERETO HAS**

REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED THAT SUCH PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS, AND (iv) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each Credit Party agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Related Parties' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or self-regulatory body, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to the Borrower and their obligations, (g) with the consent of the Borrower, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower, (i) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender or (j) on a confidential basis to (i) any rating agency in connection with rating the Obligors or this Agreement or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers for this Agreement. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar services providers to the lending industry and service providers to the Administrative Agent and the Lenders in connection with the administration of this Agreement and the other Loan Documents. For the purposes of this Section 12.11, "Information" means all information received from the Obligors or their respective Subsidiaries relating to the Obligors or their respective Subsidiaries and their businesses, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Obligors or their respective Subsidiaries; provided that, in the case of information received from the Borrower, or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that information furnished to it pursuant to this Agreement or the other Loan Documents may include material non-public information concerning the Obligors and their respective Affiliates and Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and agrees that it will handle such material non-public information in accordance with those procedures and applicable law, including federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Obligors or the Administrative Agent pursuant to, or in the course of administering, this Agreement or the other Loan Documents will be syndicate-level information, which may contain material non-public information about the Obligors and their respective Affiliates and Related Parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including federal and state securities laws.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the Transactions would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of New York or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (a) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower); and (b) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does

not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12.

Section 12.13 EXCULPATION PROVISIONS. EACH OF THE PARTIES HERETO SPECIFICALLY AGREES THAT IT HAS A DUTY TO READ THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND AGREES THAT IT IS CHARGED WITH NOTICE AND KNOWLEDGE OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; THAT IT HAS IN FACT READ THIS AGREEMENT AND IS FULLY INFORMED AND HAS FULL NOTICE AND KNOWLEDGE OF THE TERMS, CONDITIONS AND EFFECTS OF THIS AGREEMENT; THAT IT HAS BEEN REPRESENTED BY INDEPENDENT LEGAL COUNSEL OF ITS CHOICE THROUGHOUT THE NEGOTIATIONS PRECEDING ITS EXECUTION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND HAS RECEIVED THE ADVICE OF ITS ATTORNEY IN ENTERING INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND THAT IT RECOGNIZES THAT CERTAIN OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS RESULT IN ONE PARTY ASSUMING THE LIABILITY INHERENT IN SOME ASPECTS OF THE TRANSACTION AND RELIEVING THE OTHER PARTY OF ITS RESPONSIBILITY FOR SUCH LIABILITY. EACH PARTY HERETO AGREES AND COVENANTS THAT IT WILL NOT CONTEST THE VALIDITY OR ENFORCEABILITY OF ANY EXCULPATORY PROVISION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS ON THE BASIS THAT THE PARTY HAD NO NOTICE OR KNOWLEDGE OF SUCH PROVISION OR THAT THE PROVISION IS NOT “CONSPICUOUS.”

Section 12.14 Collateral Matters; Swap Agreements. The benefit of the Security Instruments and of the provisions of this Agreement relating to any collateral securing the Obligations shall also extend to and be available to each Secured Swap Party and each Secured Cash Management Provider on a pro rata basis in respect of any Secured Swap Obligations owed to such Secured Swap Party and any Secured Cash Management Obligations owed to such Secured Cash Management Provider. Except as set forth in Section 12.02(b), no Secured Swap Party or Secured Cash Management Provider shall have any voting rights under any Loan Document as a result of the existence of any Secured Swap Obligations or Secured Cash Management Obligations owed to it.

Section 12.15 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans and each Issuing Bank to issue, amend, renew or extend Letters of Credit hereunder are solely for the benefit of the Borrower, and no other Person (including, without limitation, any Subsidiary of the Borrower, any obligor,

contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent, any other agent, any Issuing Bank or any Lender for any reason whatsoever. There are no third party beneficiaries other than to the extent contemplated by the last sentence of Section 12.04(a).

Section 12.16 USA Patriot Act Notice. Each Lender hereby notifies the Borrower and other Obligors that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Obligors, which information includes the name, address and tax identification number of the Obligors and other information that will allow such Lender to identify the Obligors in accordance with the Patriot Act.

Section 12.17 No Fiduciary Duty. The Administrative Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Borrower and the Guarantors, their respective stockholders and/or their affiliates. The Borrower agrees that nothing in the Loan Documents and nothing in connection with the transactions related thereto will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower and any Guarantor, its stockholders or its affiliates, on the other. The Borrower acknowledges and agrees that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrower on the other, and (b) in connection therewith and with the process leading thereto, (i) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower or any Guarantor, its stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower or any Guarantor, its stockholders or its Affiliates on other matters) or any other obligation to the Borrower or any Guarantor except the obligations expressly set forth in the Loan Documents and (ii) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower or any Guarantor, its management, stockholders, creditors or any other Person. The Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or any Guarantor, in connection with such transaction or the process leading thereto.

Section 12.18 Flood Insurance Provisions.

(a) Notwithstanding any provision in this Agreement or any other Loan Document to the contrary, in no event is any Building (as defined in the applicable Flood Insurance Regulation) or Manufactured (Mobile) Home (as defined in the applicable Flood Insurance Regulation) included in the definition of "Mortgaged Property" and no Building or Manufactured (Mobile) Home is hereby encumbered by this Agreement or any other Loan Document. As used herein, "Flood Insurance Regulations" means (i) the National Flood Insurance Act of 1968 as now or hereafter in effect or any successor statute thereto, (ii) the Flood Disaster Protection Act of 1973 as now or hereafter in effect or any successor statute thereto, (iii) the National Flood Insurance

Reform Act of 1994 (amending 42 USC 4001, et seq.), as the same may be amended or recodified from time to time and (iv) the Flood Insurance Reform Act of 2004 and any regulations promulgated thereunder and (v) the Biggert-Waters Flood Reform Act of 2012 and any regulations promulgated thereunder.

(b) The Administrative Agent has adopted internal policies and procedures that address requirements placed on federally regulated Lenders under the Flood Insurance Regulations. The Administrative Agent will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Insurance Regulations. However, the Administrative Agent reminds each Lender and participant in the facility that, pursuant to the Flood Insurance Regulations, each federally regulated Lender (whether acting as a Lender or participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

Section 12.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-In Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Section 12.20 Releases.

(a) Full Release. Upon the request of the Borrower, if (i) all Obligations under this Agreement and the other Loan Documents shall have been paid in full in cash (other than (A) indemnities and other contingent obligations not then due and payable and as to which no claim has been made as of the time of determination and (B) Secured Cash Management Obligations), (ii) all Letters of Credit shall have expired, terminated or other arrangements satisfactory to the Administrative Agent and the relevant Issuing Bank shall have been made, (iii) all Secured Swap Obligations shall have been paid in full or other arrangements satisfactory to the Administrative Agent and the Secured Swap Parties shall have been made, (iv) commitments of the Lenders under the Loan Documents shall have been terminated and (v) this Agreement and the other Loan Documents shall have been terminated (other than those provisions that by their terms survive termination), the Administrative Agent at the request and sole expense of the Obligors shall execute and deliver or cause to be executed and delivered such instruments as may be necessary to evidence the release of the Liens and any guarantees granted pursuant to the Security Instruments.

(b) Partial Release. If (i) any of the Collateral shall be sold, transferred, conveyed or otherwise disposed of by the Borrower or any Subsidiary Guarantor in a transaction permitted by this Agreement (other than any sale, transfer, conveyance, transfer of other disposition to the Borrower or another Subsidiary Guarantor) or (ii) the release of such Lien is approved, authorized or ratified in writing by the Majority Lenders (or such other percentage of the Lenders and Secured Swap Parties whose consent may be required in accordance with Section 12.02(b)), then upon written request delivered to the Administrative Agent, the Administrative Agent, at the sole expense of the Borrower and the applicable Subsidiary Guarantor, shall promptly execute and deliver to the Borrower or such Subsidiary Guarantor all releases, termination statements and/or other documents reasonably necessary or desirable to evidence the release of Liens on such Collateral created under the applicable Loan Documents; provided that the Borrower shall have delivered to the Administrative Agent a written request for release, termination statements and other documents identifying the Borrower or such Subsidiary Guarantor together with a certification by the Borrower stating (x) that such transaction is in compliance with this Agreement and the other Loan Documents, and (y) no Collateral other than the Collateral required to be released is being released. The Administrative Agent is authorized to release a Guarantor from its obligations under the Loan Documents (including, without limitation, any guarantee under the Guarantee and Collateral Agreement) and any Liens on the Property of such Guarantor granted pursuant to the Security Instruments in the event that (i) all the capital stock or other Equity Interests of such Guarantor are sold, transferred, conveyed, associated or otherwise disposed of in a transaction permitted by the Loan Documents, (ii) upon written request by the Borrower to the Administrative Agent, such Guarantor ceases to be a Material Subsidiary or (iii) such Guarantor is designated as an Unrestricted Subsidiary. In such event, the Administrative Agent, at the sole expense of the Borrower and the applicable Guarantor, shall promptly execute and deliver to the Borrower or such Guarantor all releases, termination statements and/or other documents reasonably necessary or desirable to evidence such release; provided that the Borrower shall have delivered to the Administrative Agent a written request for release identifying the relevant Guarantor together with a certification by the Borrower stating (x) that such transaction is in compliance with this Agreement and the other Loan Documents, and (y) no Guarantor or Collateral other than the Guarantor or Collateral required to be released is being released.

(c) Effective as of the Spinoff Part II Effective Date, (i) each of New LINN and Blue Mountain shall be automatically released from its obligations under the Loan Documents (including, without limitation, any guarantee under the Guarantee and Collateral Agreement) and (ii) each Lender hereby (A) consents to the release of each of New LINN and Blue Mountain from all of their respective obligations under the Loan Documents (including any guarantee under the Guarantee and Collateral Agreement, any Lien on any Collateral owned by New LINN or Blue Mountain securing the Obligations and any Lien on the Equity Interests in Blue Mountain securing the Obligations) and (B) authorizes the Administrative Agent to execute and deliver to New LINN and Blue Mountain all releases, termination statements and/or other documents reasonably necessary or desirable to evidence such release. Notwithstanding anything to the contrary herein or in any Loan Document, effective as of the Spinoff Part II Effective Date, the Equity Interests in Blue Mountain shall not be subject to any Lien securing the Obligations or any requirement under this Agreement or the Guarantee and Collateral Agreement to pledge such Equity Interests to secure the Obligations (and each Lender hereby authorizes the Administrative Agent to execute and deliver an amendment to the Guarantee and Collateral Agreement to evidence the foregoing).

Section 12.21 Joinder of New LINN, MidCo, Ultimate Holdings and/or Replacement Holdings to this Agreement as Holdings.

(a) By executing and delivering a Credit Agreement Joinder, effective as of the Spinoff Part I Effective Date, New LINN shall become a party to this Agreement as "Holdings" and an "Obligor", and MidCo shall become a party to this Agreement as "MidCo" and an "Obligor", in each case with the same force and effect as if originally named herein and shall be bound by the terms of this Agreement. On the Spinoff Part I Effective Date, each of New LINN and MidCo hereby represents and warrants that each of the representations and warranties applicable to it in this Agreement are true and correct in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects), except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, such representations and warranties shall continue to be true and correct in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects) as of such specified earlier date. On and after the Spinoff Part I Effective Date, the Obligors and the Lenders hereby authorize the Administrative Agent and the Borrower (without the consent of any other Person) to amend the definition of "Holdings" in any Loan Document to identify New LINN, to amend the Loan Documents to add references to MidCo where appropriate in the discretion of the Administrative Agent and/or to make such other conforming changes as are reasonably related thereto as determined by the Administrative Agent.

(b) By executing and delivering a Credit Agreement Joinder, effective as of the Spinoff Part II Effective Date, Ultimate Holdings shall become a party to this Agreement as "Holdings" and an "Obligor" with the same force and effect as if originally named herein and shall be bound by the terms of this Agreement. On the Spinoff Part II Effective Date, Ultimate Holdings hereby represents and warrants that each of the representations and warranties applicable to it in this Agreement are true and correct in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects), except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, such representations and warranties shall continue to be true and correct in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects) as of such specified earlier date. On and after the Spinoff Part II Effective Date, the Obligors and the Lenders hereby authorize the Administrative Agent and the Borrower to amend the definition of "Holdings" in any Loan Document to identify Ultimate Holdings and/or to make such other conforming changes as are reasonably related thereto as determined by the Administrative Agent.

(c) By executing and delivering a Credit Agreement Joinder, effective as of the Replacement Holdings Effective Date, Replacement Holdings shall become a party to this Agreement as "Holdings" and an "Obligor" with the same force and effect as if originally named herein and shall be bound by the terms of this Agreement. On the Replacement Holdings Effective Date, Replacement Holdings hereby represents and warrants that each of the representations and warranties applicable to it in this Agreement are true and correct in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects), except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, such representations and warranties shall continue to be true and correct

in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects) as of such specified earlier date. On and after the Replacement Holdings Effective Date, the Obligors and the Lenders hereby authorize the Administrative Agent and the Borrower to amend the definition of "Holdings" as set forth in Section 1.02 of this Agreement, and where applicable, in any other Loan Document, in each case to identify the legal name of Replacement Holdings as set forth in such Credit Agreement Joinder and/or to make such other conforming changes as are reasonably related thereto as determined by the Administrative Agent.

Section 12.22 Spinoff Part II Transactions. Each of Sections 9.04(a)(vii), 9.05(q), 9.10(g), 9.11(l) and 9.13(g) shall become effective and the "Spinoff Part II Effective Date" shall be deemed to have occurred for all purposes of this Agreement on the date (such date, the "Spinoff Part II Effective Date") when each of the following conditions is satisfied (or waived in accordance with Section 12.02):

(a) No Default. No Default or Event of Default shall have occurred and be continuing as of the Spinoff Part II Effective Date.

(b) Payment of Outstanding Invoices. The Administrative Agent shall have received payment by the Borrower of all fees and other amounts due and payable on or prior to the Spinoff Part II Effective Date, including, to the extent invoiced prior to the anticipated Spinoff Part II Effective Date, reimbursement or payment of all reasonable out-of-pocket expenses required to be reimbursed or paid by the Borrower (including, but not limited to the reasonable fees of Paul Hastings LLP), in each case pursuant to this Agreement.

(c) Joinder. The Administrative Agent shall have received from Ultimate Holdings counterparts (in such number as may be requested by the Administrative Agent), signed on behalf of such Person, of the following, which shall be in form and substance reasonably satisfactory to the Administrative Agent: (i) a Credit Agreement Joinder and (ii) an amendment or joinder to the Guarantee and Collateral Agreement with respect to transactions occurring on the Spinoff Part II Effective Date.

(d) Liens. The Administrative Agent shall be reasonably satisfied that the Security Instruments create first priority, perfected Liens on all of the Property of Ultimate Holdings, and the Administrative Agent shall have received (i) certificates, if any, together with undated, blank stock powers for such certificates, representing all of the issued and outstanding certificated Equity Interests in MidCo pursuant to the Guarantee and Collateral Agreement and (ii) UCC financing statements for Ultimate Holdings to be filed in its state of formation.

(e) Supplement to Schedules. The Administrative Agent shall have received a supplement to Schedule 7.14 pertaining to Ultimate Holdings.

(f) Secretary Certificate. The Administrative Agent shall have received a certificate of a Secretary or Responsible Officer of Ultimate Holdings setting forth (i) resolutions of the board of directors or other managing body with respect to the authorization of Ultimate Holdings to execute and deliver the Loan Documents to which it is a party and to enter into the transactions contemplated in those documents, (ii) the individuals (A) who are authorized to sign

the Loan Documents to which Ultimate Holdings is a party and (B) who will, until replaced by another individual duly authorized for that purpose, act as its representative for the purposes of signing documents and giving notices and other communications in connection with this Agreement and the other Loan Documents to which it is a party, (iii) specimen signatures of such authorized individuals, and (iv) the articles or certificate of incorporation or formation and bylaws, operating agreement or partnership agreement, as applicable, of Ultimate Holdings, in each case, certified as being true and complete.

(g) Legal Opinion. The Administrative Agent shall have received an opinion of Kirkland & Ellis, LLP, special counsel to the Borrower, in form and substance reasonably satisfactory to the Administrative Agent, as to such matters as the Administrative Agent may reasonably request.

(h) Spinoff Part II Effective Date Certificate. The Administrative Agent shall have received a certificate of a Responsible Officer certifying (i) that attached thereto is a true and complete copy of each material transaction agreement relating to the Spinoff Part II Transactions (collectively, the "Spinoff Part II Documents"), (ii) that the Spinoff Part II Transactions have been consummated (or will be consummated substantially simultaneously with the Spinoff Part II Effective Date) pursuant to the terms of the Spinoff Part II Documents, (iii) that (A) no cash payments or other Dispositions have been made as part of the Spinoff Part II Transactions, other than the Equity Interests (or the Property of Roan Resources) to be distributed in connection with such Spinoff Part II Transactions and (B) on the Spinoff Part II Effective Date (immediately prior to the consummation of the Spinoff Part II Transactions), New LINN does not directly own any Property other than Equity Interests in MidCo, Roan Resources and other immaterial administrative Property; and (d) that each of the representations and warranties of the Borrower and the Guarantors (including Ultimate Holdings) set forth in this Agreement and in the other Loan Documents are true and correct in all material respects (except for those which have a materiality qualifier, which shall be true and correct in all respects as so qualified) on and as of the Spinoff Part II Effective Date, except to the extent any such representations and warranties are expressly limited to an earlier date, in which case such representations and warranties shall continue to be true and correct in all material respects (except for those which have a materiality qualifier, which shall be true and correct in all respects as so qualified) as of such specified earlier date.

(i) KYC. The Administrative Agent and the Lenders shall have received, and be reasonably satisfied in form and substance with, all documentation and other information required by bank regulatory authorities under applicable "know-your-customer" and anti-money laundering rules and regulations, including but not restricted to the Patriot Act, that has been requested by the Administrative Agent in writing at least five (5) business days prior to the anticipated Spinoff Part II Effective Date.

The Administrative Agent is hereby authorized and directed to declare the occurrence of the Spinoff Part II Effective Date when it has received documents confirming compliance with the conditions set forth in this Section 12.22 or the waiver of such conditions in accordance with Section 12.02. Such declaration shall be final, conclusive and binding upon all parties to this Agreement for all purposes.

Section 12.23 Blue Mountain Transactions; Joinder of Replacement Holdings. Notwithstanding anything to the contrary in this Agreement, on and after the Spinoff Part II Effective Date, in order to consummate the corporate separation of Blue Mountain from the Obligors (the "Blue Mountain Transaction"), (a) a newly formed Delaware corporation wholly-owned by Holdings may replace Holdings as the owner of 100% of the voting and economic Equity Interests of MidCo (and which, for the avoidance of doubt, on the Replacement Holdings Effective Date (as defined below), shall not have incurred any Debt or Liens, except for the Obligations, the Liens securing the payment of the Obligations and Excepted Liens) (such Person, "Replacement Holdings"); and (b) substantially simultaneously with such replacement as described in the preceding clause (a), Holdings may distribute, or make other Restricted Payments of, the Equity Interests of Replacement Holdings; provided that (x) the terms and structure of such transactions in the preceding clauses (a) and (b) shall be acceptable to the Administrative Agent (and which terms shall include, for the avoidance of doubt, Replacement Holdings becoming a Guarantor); and (y) the conditions precedent set forth in Section 12.22 shall be satisfied or waived in accordance with Section 12.02 as if (1) each reference therein to Ultimate Holdings were replaced with a reference to Replacement Holdings, (2) each reference therein to the Spinoff Part II Effective Date were replaced with a reference to the Replacement Holdings Effective Date and (3) the certificate described in Section 12.22(h) referred to the transactions and transaction agreements entered into in connection with the Blue Mountain Transaction on the Replacement Holdings Effective Date. As used herein, "Replacement Holdings Effective Date" shall mean the date on which each of the conditions in the foregoing proviso is satisfied (or waived in accordance with Section 12.02 of this Agreement).

It is further agreed and acknowledged that such replacement of Holdings with Replacement Holdings in accordance with this Section 12.23 shall not constitute a "Change of Control" or otherwise violate Sections 9.04, 9.10, 9.11, 9.13 or 9.20 of this Agreement; provided that in connection therewith, that (i) no cash payments or other asset transfers or dispositions have been made, other than the Equity Interests (or the Property of Blue Mountain) to be distributed in connection with the Blue Mountain Transaction and (ii) on the Replacement Holdings Effective Date (immediately prior to the consummation of the Blue Mountain Transaction), Holdings does not directly own any Property other than Equity Interests in Blue Mountain and other immaterial administrative Property. Upon consummation of the transactions described in this Section 12.23, effective as of the Replacement Holdings Effective Date, each Lender hereby (a) consents to the release of Ultimate Holdings from all of its respective obligations under the Loan Documents (including, without limitation, any guarantee under the Guarantee and Collateral Agreement) and (b) authorizes the Administrative Agent to execute and deliver to Ultimate Holdings all releases, termination statements and/or other documents reasonably necessary or desirable to evidence such release (including the release of Liens on Collateral owned by Ultimate Holdings created under the applicable Loan Documents).

Furthermore, by executing and delivering a Credit Agreement Joinder, effective as of the Replacement Holdings Effective Date, Replacement Holdings shall become a party to this Agreement as "Holdings", and an "Obligor" with the same force and effect as if originally named herein and shall be bound by the terms of this Agreement. On the Replacement Holdings Effective Date, Replacement Holdings hereby represents and warrants that each of the representations and warranties applicable to it in this Agreement are true and correct in all material respects (except

that any representation and warranty that is qualified by materiality shall be true and correct in all respects), except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, such representations and warranties shall continue to be true and correct in all material respects (except that any representation and warranty that is qualified by materiality shall be true and correct in all respects) as of such specified earlier date. On and after the Replacement Holdings Effective Date, the Obligors and the Lenders hereby authorize the Administrative Agent and the Borrower to amend the definition of "Holdings" in any Loan Document to identify the legal name of Replacement Holdings as set forth in the Credit Agreement Joinder and/or to make such other conforming changes as are reasonably related thereto as determined by the Administrative Agent.

THIRD AMENDED AND RESTATED
EMPLOYMENT AGREEMENT

February 28, 2017

This Third Amended and Restated Employment Agreement ("Agreement") replaces and supersedes in its entirety that Second Amended and Restated Employment Agreement dated December 17, 2008 (the "Prior Agreement") and is entered into by and between **LINN OPERATING, LLC**, a Delaware limited liability company (the "Company"), and **DAVID B. ROTTINO** (the "Employee"), as of the date first set forth above (the "Effective Date"), on the terms set forth herein. **LINN ENERGY, INC.**, a Delaware corporation, and the 100% parent of the Company ("Linn Energy"), is joining in this Agreement for the limited purposes of reflecting its agreement to the matters set forth herein as to it, but such joinder is not intended to make Linn Energy the employer of the Employee for any purpose.

Accordingly, the parties, intending to be legally bound, agree as follows:

1. Position and Duties.

1.1 Employment; Titles; Reporting. The Company agrees to continue to employ the Employee and the Employee agrees to continue employment with the Company, upon the terms and subject to the conditions provided under this Agreement. During the Employment Term (as defined in Section 2), the Employee will serve each of the Company and Linn Energy as the Executive Vice President and Chief Financial Officer. In such capacities, the Employee will report to the Board of Directors of Linn Energy (including any committee thereof, the "Board") and otherwise will be subject to the direction and control of the Board, and the Employee will have such duties, responsibilities and authorities as may be assigned to the Employee by the Board from time to time and otherwise consistent with such position in a publicly traded company comparable to Linn Energy which is engaged in natural gas and oil acquisition, development and production.

1.2 Duties. During the Employment Term, the Employee will devote substantially all of the Employee's full working time to the business and affairs of the Company and Linn Energy, will use the Employee's best efforts to promote the Company's and Linn Energy's interests and will perform the Employee's duties and responsibilities faithfully, diligently and to the best of the Employee's ability, consistent with sound business practices. The Employee may be required by the Board to provide services to, or otherwise serve as an officer or director of, any direct or indirect subsidiary of the Company or to Linn Energy, as applicable. The Employee will comply with the Company's and Linn Energy's policies, codes and procedures, as they may be in effect from time to time, applicable to executive officers of the Company and Linn Energy. Subject to the preceding sentence, the Employee may, with the prior approval of the Board in each instance, engage in other business and charitable activities, provided that such charitable and/or other business activities do not violate Section 7, create a conflict of interest or the appearance of a conflict of interest with the Company or Linn Energy or materially interfere with the performance of the Employee's obligations to the Company or Linn Energy under this Agreement.

1.3 Place of Employment. The Employee will perform the Employee's duties under this Agreement at the Company's offices in Houston, Texas, with the likelihood of substantial business travel.

2. Term of Employment.

The term of the Employee's employment by the Company under this Agreement (the "Employment Term") commenced on the Effective Date and will continue until employment is terminated by either party under Section 5. The date on which the Employee's employment ends is referred to in this Agreement as the "Termination Date." For the purpose of Sections 5 and 6 of this Agreement, the Termination Date shall be the date upon which the Employee incurs a "separation from service" as defined in Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), and regulations issued thereunder.

3. Compensation.

3.1 Base Salary. During the Employment Term, the Employee will be entitled to receive a base salary ("Base Salary") at an annual rate of not less than $500,000 for services rendered to the Company, Linn Energy, and any of its direct or indirect subsidiaries, payable in accordance with the Company's regular payroll practices. The Employee's Base Salary shall be reviewed annually by the Board and may be adjusted upward in the Board's sole discretion, but not downward.

3.2 Bonus Compensation. During the Employment Term, the Employee will be entitled to receive incentive compensation in such amounts and at such times as the Board may award to the Employee in its sole discretion under any incentive compensation or other bonus plan or arrangement as may be established by the Board from time to time (collectively, the "Employee Bonus Plan"). Under the Employee Bonus Plan, the Board may, in its discretion, set, in advance, an annual target bonus for the Employee, which is currently set as a percentage of Base Salary. For example, for 2016, the Employee's target bonus was set at 100% of the Employee's Base Salary. The percentage of the Employee's Base Salary that the Board designates for the Employee to receive as the Employee's annual target bonus under any Employee Bonus Plan, as such percentage may be adjusted upward or downward from time to time in the sole discretion of the Board, or replaced by another methodology of determining the Employee's target bonus, is referred to herein as the Employee's "Bonus Level Percentage." The amount paid to the Employee through application of the Bonus Level Percentage is the Employee's "Bonus Level Amount." The "Annual Bonus" is the Bonus Level Amount paid to the Employee in any given year.

3.3 Long-Term Incentive Compensation. Long-term incentive compensation awards may be made to the Employee from time to time during the Employment Term by the Board in its sole discretion, whose decision will be based upon performance and award guidelines for executive officers of the Company and Linn Energy established periodically by the Board in its sole discretion.

4. Expenses and Other Benefits.

4.1 Reimbursement of Expenses. The Employee will be entitled to receive prompt reimbursement for all reasonable expenses incurred by the Employee during the Employment Term (in accordance with the policies and practices presently followed by the Company or as may be established by the Board from time to time for the Company's and Linn Energy's senior executive officers) in performing services under this Agreement, provided that the Employee properly accounts for such expenses in accordance with the Company's and Linn Energy's policies as in effect from time to time. Such reimbursement shall be paid on or before the end of the calendar year following the calendar year in which any such reimbursable expense was incurred, and the Company shall not be obligated to pay any such reimbursement amount for which the Employee fails to submit an invoice or other documented reimbursement request at least ten business days before the end of the calendar year next following the calendar year in which the expense was incurred. Business related expenses shall be reimbursable only to the extent they were incurred during the term of the Agreement, but in no event shall the time period extend beyond the later of the lifetime of the Employee or, if longer, 20 years. The amount of such reimbursements that the Company is obligated to pay in any given calendar year shall not affect the amount the Company is obligated to pay in any other calendar year. In addition, the Employee may not liquidate or exchange the right to reimbursement of such expenses for any other benefits.

4.2 Vacation. The Employee will be entitled to paid vacation time each year during the Employment Term that will accrue in accordance with the Company's policies and procedures now in force or as such policies and procedures may be modified with respect to all senior executive officers of the Company.

4.3 Other Employee Benefits. In addition to the foregoing, during the Employment Term, the Employee will be entitled to participate in and to receive benefits as a senior executive under all of the Company's employee benefit plans, programs and arrangements available to senior executives, subject to the eligibility criteria and other terms and conditions thereof, as such plans, programs and arrangements may be duly amended, terminated, approved or adopted by the Board from time to time.

5. Termination of Employment.

5.1 Death. The Employee's employment under this Agreement will terminate upon the Employee's death.

5.2 Termination by the Company.

(a) T*erminable at Will.* The Company may terminate the Employee's employment under this Agreement at any time with or without Cause (as defined below).

(b) *Definition of Cause.* For purposes of this Agreement, the Company will have "Cause" to terminate the Employee's employment under this Agreement by reason of any of the following:

(i) the Employee's conviction of, or plea of nolo contendere to, any felony or to any crime or offense causing substantial harm to any of Linn Energy or its direct or indirect subsidiaries (whether or not for personal gain) or involving acts of theft, fraud, embezzlement, moral turpitude or similar conduct;

(ii) the Employee's repeated intoxication by alcohol or drugs during the performance of the Employee's duties;

(iii) the Employee's willful and intentional misuse of any of the funds of Linn Energy or its direct or indirect subsidiaries,

(iv) embezzlement by the Employee;

(v) the Employee's willful and material misrepresentations or concealments on any written reports submitted to any of Linn Energy or its direct or indirect subsidiaries;

(vi) the Employee's willful and intentional material breach of this Agreement;

(vii) the Employee's material failure to follow or comply with the reasonable and lawful written directives of the Board; or

(viii) conduct constituting a material breach by the Employee of the Company's then current (A) Code of Business Conduct and Ethics, and any other written policy referenced therein, or (B) the Code of Ethics for Chief Executive Officer and senior financial officers, if applicable, provided that, in each case, the Employee knew or should have known such conduct to be a breach.

(c) *Notice and Cure Opportunity in Certain Circumstances.* The Employee may be afforded a reasonable opportunity to cure any act or omission that would otherwise constitute Cause hereunder according to the following terms: The Board shall give the Employee written notice stating with reasonable specificity the nature of the circumstances determined by the Board in its reasonable and good faith judgment to constitute Cause. If, in the reasonable and good faith judgment of the Board, the alleged breach is reasonably susceptible to cure, the Employee will have 30 days from the Employee's receipt of such notice to effect the cure of such circumstances or such breach to the reasonable and good faith satisfaction of the Board. The Board will state whether the Employee will have such an opportunity to cure in the initial notice of Cause referred to above. Prior to termination for Cause, in those instances where the initial notice of Cause states that the Employee will have an opportunity to cure, the Company shall provide an opportunity for the Employee to be heard by the Board or a Board committee designated by the Board to hear the Employee. The decision as to whether the Employee has satisfactorily cured the alleged breach shall be made at such meeting. If, in the reasonable and good faith judgment of the Board the alleged breach is not reasonably susceptible to cure, or such circumstances or breach have not been satisfactorily cured within such 30 day cure period, such breach will thereupon constitute Cause hereunder.

5.3 Termination by the Employee.

(a) *Terminable at Will.* The Employee may terminate the Employee's employment under this Agreement at any time with or without Good Reason (as defined below).

(b) *Notice and Cure Opportunity.* If such termination is with Good Reason, the Employee will give the Company written notice, which will identify with reasonable specificity the grounds for the Employee's resignation and provide the Company with 15 days from the day such notice is given to cure the alleged grounds for resignation contained in the notice. A termination will not be for Good Reason if such notice is given by the Employee to the Company more than 30 days after the occurrence of the event that the Employee alleges is Good Reason for the Employee's termination hereunder.

(c) *Definition of Good Reason Other Than Upon a Change of Control.* For purposes of this Agreement, other than in the event of a Change of Control, "Good Reason" will mean any of the following to which the Employee will not consent in writing: (i) a reduction in the Employee's then current Base Salary or Bonus Level Percentage, or both; (ii) failure by Company to pay in full on a current basis (A) any of the compensation or benefits described in this Agreement that are due and owing, or (B) any amounts due and owing to the Employee under any long-term or short-term or other incentive compensation plans, agreements or awards; (iii) material breach of any provision of this Agreement by Company; or (iv) any material reduction in the Employee's title, authority, duties, responsibilities or reporting relationship from those in effect as of the Effective Date.

(d) *Definition of Good Reason for Purposes of Change of Control.* For purposes of a Change of Control, "Good Reason" will mean any of the following to which the Employee will not consent in writing, but only if the Termination Date is within six months before or two years after a Change of Control: (i) reduction in either the Employee's then current Base Salary or Bonus Level Percentage, or both; (ii) failure by the Company to pay in full on a current basis (A) any of the compensation or benefits described in this Agreement that are due and owing, or (B) any amounts due and owing to the Employee under any long-term or short-term or other incentive compensation plans, agreements or awards; (iii) material breach of any provision of this Agreement by the Company; (iv) any material reduction in the Employee's title, authority, duties, responsibilities or reporting relationship from those in effect as of the Effective Date; or (v) a relocation of the Employee's primary place of employment to a location more than 50 miles from the Company's location on the day immediately preceding the Change of Control.

5.4 Notice of Termination. Any termination of the Employee's employment by the Company or by the Employee during the Employment Term (other than termination pursuant to Section 5.1) will be communicated by written Notice of Termination to the other party hereto in accordance with Section 8.7. For purposes of this Agreement, a "Notice of Termination" means a written notice that (a) indicates the specific termination provision in this Agreement relied upon, (b) to the extent applicable, sets forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Employee's employment under the provision so indicated, and (c) if the Termination Date (as defined herein) is other than the date of receipt of such notice, specifies the Termination Date (which Termination Date will be not more than 30 days after the giving of such notice).

5.5 Disability. If the Company determines in good faith that the Disability (as defined herein) of the Employee has occurred during the Employment Term, it may, without breaching this Agreement, give to the Employee written notice in accordance with Section 5.4 of its intention to terminate the Employee's employment. In such event, the Employee's employment with the Company will terminate effective on the 15th day after receipt of such notice by the Employee, provided that, within the 15 days after such receipt, the Employee will not have returned to full-time performance of the Employee's duties.

"Disability" means the earlier of (a) written determination by a physician selected by the Company and reasonably agreed to by the Employee that the Employee has been unable to perform substantially the Employee's usual and customary duties under this Agreement for a period of at least 120 consecutive days or a non-consecutive period of 180 days during any 12-month period as a result of incapacity due to mental or physical illness or disease; and (b) "disability" as such term is defined in the Company's applicable long-term disability insurance plan.

At any time and from time to time, upon reasonable request therefor by the Company, the Employee will submit to reasonable medical examination for the purpose of determining the existence, nature and extent of any such disability. Any physician selected by Company shall be Board Certified in the appropriate field, shall have no actual or potential conflict of interest, and may not be a physician who has been retained by the Company for any purpose within the prior three years.

6. Compensation of the Employee Upon Termination. Subject to the provisions of Section 6.8, the Employee shall be entitled to receive the amount specified upon the termination events designated below:

6.1 Death. If the Employee's employment under this Agreement is terminated by reason of the Employee's death, the Company shall pay to the person or persons designated by the Employee for that purpose in a notice filed with the Company, or, if no such person will have been so designated, to the Employee's estate, in a lump sum within 30 days following the Termination Date, the amount of:

(a) the Employee's accrued but unpaid then current Base Salary through the Termination Date, payable,

plus

(b) the unpaid Bonus Level Amount, if any, with respect to the last full year during which the Employee was employed by the Company determined as follows:

(i) If the Employee was employed for the entire previous year but the Termination Date occurred prior to the Board finally determining the Bonus Level Amount for the preceding year, then the Company's performance will be deemed to have been such that the Employee would have been awarded 100% of the Employee's Bonus Level Percentage for that year (the "Deemed Full Year Bonus Amount");

or

(ii) If the Employee was employed for the entire previous year and the Board had already finally determined the Bonus Level Amount for the preceding year by the Termination Date but the Company had not yet paid the Employee such Bonus Level Amount, then the Bonus Level Amount will be that Bonus Level Amount determined by the Board (the "Actual Full Year Bonus Amount");

plus

(iii) an amount representing a deemed bonus for the fiscal year in which the Termination Date occurs, which is equal to the Bonus Level Amount that would be received by the Employee if the Company's performance for the year is deemed to be at the level entitling the Employee to 100% of the Employee's Bonus Level Percentage and then multiplying the Bonus Level Amount resulting from applying 100% of the Employee's Bonus Level Percentage by a fraction, the numerator of which is the number of days from the first day of the fiscal year of the Company in which such termination occurs through and including the Termination Date and the denominator of which is 365 ("Deemed Pro Rata Bonus Amount");

plus

(c) any other amounts that may be reimbursable by the Company to the Employee as expressly provided under this Agreement.

Thereafter, the Company will have no further obligation to the Employee under this Agreement, other than for payment of any amounts accrued and vested under any employee benefit plans or programs of the Company and any payments or benefits required to be made or provided under applicable law.

Notwithstanding any other provision of this Agreement, on the Employee's death, all granted but unvested long-term incentive awards shall immediately vest and any related restrictions shall be waived; provided, however, that any unvested Appreciation Profits Interests (as defined in that certain Employee Incentive Plan Term Sheet, dated October 7, 2016) will only vest to the extent the applicable performance condition is satisfied (i) on the Termination Date, or (ii) within (x) six months following the Termination Date, if the Termination Date occurs prior to the first anniversary of the date the Reorganization (as defined below) became effective (the "Emergence Date"), or (y) 120 days following the Termination Date, if the Termination Date occurs after the first anniversary of the Emergence Date.

6.2 Disability. In the event of the Employee's termination by reason of Disability pursuant to Section 5.5, the Employee will continue to receive the Employee's Base Salary in effect immediately prior to the Termination Date and participate in applicable employee benefit plans or programs of the Company (on an equivalent basis to those employee benefit plans or programs provided under Section 6.4(a)(iv) below) through the Termination Date, subject to

offset dollar-for-dollar by the amount of any disability income payments provided to the Employee under any Company disability policy or program funded by the Company, and the Company shall pay the Employee the following amounts in a lump sum within 30 days following the Termination Date: the sum of (a) the Employee's accrued but unpaid then current Base Salary through the Termination Date, *plus* (b) either the (i) unpaid Actual Full Year Bonus Amount, if any, or (ii) the Deemed Full Year Bonus Amount, if applicable, *plus* (c) the Employee's Deemed Pro Rata Bonus Amount, *plus* (d) any other amounts that may be reimbursable by the Company to the Employee as expressly provided under this Agreement, and the Company thereafter will have no further obligation to the Employee under this Agreement, other than for payment of any amounts accrued and vested under any employee benefit plans or programs of the Company and any payments or benefits required to be made or provided under applicable law.

Notwithstanding any other provision of this Agreement, on the Employee's Termination on account of Disability, all granted but unvested long-term incentive awards shall immediately vest and any related restrictions shall be waived; provided, however, that any unvested Appreciation Profits Interests will only vest to the extent the applicable performance condition is satisfied (i) on the Termination Date, or (ii) within (x) six months following the Termination Date, if the Termination Date occurs prior to the first anniversary of the Emergence Date, or (y) 120 days following the Termination Date, if the Termination Date occurs after the first anniversary of the Emergence Date.

6.3 By the Company for Cause or the Employee Without Good Reason. If the Employee's employment is terminated by the Company for Cause, or if the Employee terminates the Employee's employment other than for Good Reason, the Employee will receive (a) the Employee's accrued but unpaid then current Base Salary through the Termination Date, payable in a lump sum within 30 days following the Termination Date, and (b) any other amounts that may be reimbursable by the Company to the Employee as expressly provided under this Agreement, payable in a lump sum within 30 days following the Termination Date, and the Company thereafter will have no further obligation to the Employee under this Agreement, other than for payment of any amounts accrued and vested under any employee benefit plans or programs of the Company, and any payments or benefits required to be made or provided under applicable law. Notwithstanding anything in this Agreement to the contrary, no bonus will be paid to the Employee for a termination of the Employee's employment under this Section 6.3.

6.4 By the Employee for Good Reason or the Company Without Cause.

(a) *Severance Benefits on Non-Change of Control Termination*. Subject to the provisions of Section 6.4(b) and Section 6.4(d), if prior to the date that precedes a Change of Control by at least six months, or more than two years after the occurrence of a Change of Control (as defined below), the Company terminates the Employee's employment without Cause, or the Employee terminates the Employee's employment for Good Reason, then the Employee will be entitled to the following benefits (the "Severance Benefits") payable in a lump sum within 30 days following the Termination Date:

(i) an amount equal to (A) the Employee's accrued but unpaid then current Base Salary through the Termination Date, plus (B) either (x) the unpaid Actual

Full Year Bonus Amount, if any, or (y) the Deemed Full Year Bonus Amount, if applicable, *plus* (C) the Employee's Deemed Pro Rata Bonus Amount, if any, *plus* (D) any other amounts that may be reimbursable by the Company to the Employee as expressly provided under this Agreement;

plus

(ii) with respect to any termination event described in this paragraph (a) of Section 6.4, a single lump sum equal to two times the sum of (A) the Employee's annual Base Salary at the highest rate in effect at any time during the 36-month period immediately preceding the Termination Date, *plus* (B) the Deemed Full Year Bonus Amount, payable within 30 days of the Termination Date.

(iii) In addition, the Company will pay the "Company's portion" (as set defined below) of the Employee's COBRA continuation coverage (the "COBRA Coverage") for the duration of the "maximum required period" as such period is set forth under COBRA and the applicable regulations. Following such period, the Company shall permit the Employee (including the Employee's spouse and dependents) to (A) continue to participate in the Company's group health plan if permitted under such plan, (B) convert the Company's group health plan to an individual policy, or (C) obtain other similar coverage, in each case, for up to an additional six months after the expiration of the "maximum required period" by the Employee paying one-hundred percent of the premiums for medical, dental and/or vision coverage on an after-tax basis ("Medical Benefits"). Notwithstanding the foregoing, the benefits described in this Section 6.4(a)(iii) may be discontinued by the Company prior to the end of the period provided in this subsection (iii) to the extent, but only to the extent, that the Employee receives substantially similar benefits from a subsequent employer.

(iv) Following the end of the COBRA "maximum required period" provided under the Company's group health plan (the "Benefit Measurement Date"), the Company shall, as a separate obligation, reimburse the Employee for any medical premium expenses incurred to purchase the Medical Benefits under the preceding Section 6.4(a)(iii), but only to the extent such expenses constitute the "Company's portion" of the premiums for continued Medical Benefits (which amount shall be referred to herein as the "Medical Reimbursement").

The "Company's portion" of COBRA Coverage and of premiums for any continuing Medical Benefits shall be the difference between one hundred percent of the COBRA Coverage or Medical Benefits premium, as the case may be, and the dollar amount of medical premium expenses paid for the same type or types of Company medical benefits by a similarly situated employee on the Termination Date.

The premiums available for Medical Reimbursement under Section 6.4(a)(iv) in any calendar year will not be increased or decreased to reflect the amount actually reimbursed in a prior or subsequent calendar year, and all Medical Reimbursements under this paragraph will be paid to the Employee within 30 days following the Company's receipt of a premium payment for Medical Benefits.

(v) All of the Employee's granted but unvested long-term incentive awards shall immediately vest and any related restrictions shall be waived; provided, however, that any unvested Appreciation Profits Interests will only vest to the extent the applicable performance condition is satisfied (i) on the Termination Date, or (ii) within (x) six months following the Termination Date, if the Termination Date occurs prior to the first anniversary of the Emergence Date, or (y) 120 days following the Termination Date, if the Termination Date occurs after the first anniversary of the Emergence Date.

(b) *Change of Control Benefits*. Subject to the provisions of Section 6.4(d), if a Change of Control has occurred and the Employee's employment was terminated by the Company without Cause, or by the Employee for Good Reason as defined in Section 5.3(d), during the period beginning six months prior to the Change of Control and ending two years following the Change of Control (an "Eligible Termination"), then in lieu of the Severance Benefits under Section 6.4(a), the Employee will be entitled to benefits (the "Change of Control Benefits") with respect to an Eligible Termination, as follows:

(i) Amounts identical to those set forth in Sections 6.4(a)(i) and 6.4(a)(ii), except that the amount described in Section 6.4(a)(ii) will be equal to two and a half times the sum of (A) the Employee's annual Base Salary at the highest rate in effect at any time during the 36-month period immediately preceding the Termination Date, *plus* (B) the highest Annual Bonus that the Employee was paid in the 36 months immediately preceding the Change of Control, payable in a single lump sum within 30 days following the Termination Date; provided, however, that if the Termination Date preceded the Change of Control, then the Change of Control Benefits will be payable within the later of 30 days following the Termination Date and 30 days following the Change of Control;

(ii) The Company will pay the COBRA Coverage described in Section 6.4(a)(iii) for a period of 18 months, and the term of the Medical Benefits following the Benefit Measurement Date, with respect to both the Employee's right to participate in a health insurance policy as set forth in Section 6.4(a)(iii) and the Company's Medical Reimbursement obligation as set forth in Section 6.4(a)(iv), shall be the same. Notwithstanding the foregoing, the benefits described in this Section 6.4(b)(ii) may be discontinued by the Company prior to the end of the period provided in this subsection (ii) to the extent, but only to the extent, that the Employee receives substantially similar benefits from a subsequent employer.

(iii) All of the Employee's granted but unvested long-term incentive awards shall immediately vest and any related restrictions shall be waived; provided, however, that any unvested Appreciation Profits Interests will only vest to the extent the applicable performance condition is satisfied (A) on the Termination Date, or (B) within (x) six months following the Termination Date, if the Termination Date occurs prior to the first anniversary of the Emergence Date, or (y) 120 days following the Termination Date, if the Termination Date occurs after the first anniversary of the Emergence Date.

The foregoing notwithstanding, if the Termination Date preceded the Change of Control, the amount of Severance Benefits to which the Employee will be entitled will be the difference between the Severance Benefits already paid to the Employee, if any, under Section 6.4(a) and the Severance Benefits to be paid under this Section 6.4(b).

(c) *Definition of Change of Control*. For purposes of this Agreement, a "Change of Control" will mean the first to occur of:

(i) any "person," as such term is used in Sections 13(d) and 14(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") (other than Linn Energy, any trustee or other fiduciary holding securities under any employee benefit plan of Linn Energy, or any company owned, directly or indirectly, by the stockholders of Linn Energy in substantially the same proportions as their ownership of common stock of Linn Energy), becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of Linn Energy representing more than 50% of the combined voting power of Linn Energy's then outstanding securities;

(ii) during any period of 24 consecutive calendar months, individuals who were directors of Linn Energy on the first day of such period (the "Incumbent Directors") cease for any reason to constitute a majority of the Board; provided, however, that any individual becoming a director subsequent to the first day of such period whose election, or nomination for election, by Linn Energy's stockholders was approved by a vote of at least two-thirds of the Incumbent Directors will be considered as though such individual were an Incumbent Director, but excluding, for purposes of this proviso, any such individual whose initial assumption of office occurs as a result of an actual or threatened proxy contest with respect to election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a "person" (as used in Section 13(d) of the Exchange Act), in each case, other than the Board, which individual, for the avoidance of doubt, shall not be deemed to be an Incumbent Director for purposes of this Section 6.4(c)(ii)), regardless of whether such individual was approved by a vote of at least two-thirds of the Incumbent Directors;

(iii) consummation of a reorganization, merger, consolidation or other business combination (any of the foregoing, a "Business Combination") of Linn Energy or any direct or indirect subsidiary with any other corporation, in any case with respect to which Linn Energy voting securities outstanding immediately prior to such Business Combination do not, immediately following such Business Combination, continue to represent (either by remaining outstanding or being converted into voting securities of Linn Energy or any ultimate parent thereof) more than 50% of the then outstanding voting securities entitled to vote generally in the election of directors of Linn Energy (or its successor) or any ultimate parent thereof after the Business Combination; or

(iv) (A) a complete liquidation or dissolution of Linn Energy or (B) the consummation of a sale or disposition of all or substantially all of the assets of Linn Energy and its subsidiaries (on a consolidated basis) in one or a series of related transactions.

(v) For the avoidance of doubt, the restructuring of Linn Energy, LLC and certain of its affiliates under chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (Case No. 16-60040) (the "Reorganization") will not constitute a "Change of Control."

(d) *Conditions to Receipt of Severance Benefits*.

(i) Release. As a condition to receiving any Severance Benefits or Change of Control Benefits to which the Employee may otherwise be entitled under Section 6.4(a) or Section 6.4(b), the Employee will execute a release (the "Release"), which will include an affirmation of the restrictive covenants set forth in Section 7 and a non-disparagement provision, in a form and substance satisfactory to the Company, of any claims, whether arising under federal, state or local statute, common law or otherwise, against the Company and its direct or indirect subsidiaries which arise or may have arisen on or before the date of the Release, other than any claims under this Agreement, any claim to vested benefits under an employee benefit plan, any claim arising after the execution of the Release or any rights to indemnification from the Company and its direct or indirect subsidiaries pursuant to any provisions of the Company's (or any of its subsidiaries') organizational documents or any directors and officers liability insurance policies maintained by the Company. The Company will provide the Release to the Employee for signature within ten days after the Termination Date. If the Company has provided the Release to the Employee for signature within ten days after the Termination Date and if the Employee fails or otherwise refuses to execute the Release within a reasonable time after the Company has provided the Release to the Employee, and, in all events no later than 60 days after the Termination Date and prior to the date on which such benefits are to be first paid to the Employee, the Employee will not be entitled to any Severance Benefits or Change of Control Benefits, as the case may be, or any other benefits provided under this Agreement and the Company will have no further obligations with respect to the provision of those benefits except as may be required by law. Such Release shall be void ab initio, if Company thereafter fails to fully and timely pay all compensation and benefits due to the Employee under this Agreement and fails to cure such failure within 60 days of receiving written notice from the Employee.

(ii) *Limitation on Benefits*. If, following a termination of employment that gives the Employee a right to the payment of Severance Benefits under Section 6.4(a) or Section 6.4(b), the Employee violates in any material respect any of the covenants in Section 7 or as otherwise set forth in the Release, the Employee will have no further right or claim to any payments or other benefits to which the Employee may otherwise be entitled under Section 6.4(a) or Section 6.4(b) from and after the date on which the Employee engages in such activities and the Company will have no further obligations with respect to such payments or benefits, and the covenants in Section 7 will nevertheless continue in full force and effect.

6.5 Severance Benefits Not Includable for Employee Benefits Purposes. Except to the extent the terms of any applicable benefit plan, policy or program provide otherwise, any benefit programs of the Company that take into account the Employee's income will exclude any and all Severance Benefits and Change of Control Benefits provided under this Agreement.

6.6 Exclusive Severance Benefits. The Severance Benefits payable under Section 6.4(a) or the Change of Control Benefits payable under Section 6.4(b), if they become applicable under the terms of this Agreement, will be in lieu of any other severance or similar benefits that would otherwise be payable under any other agreement, plan, program or policy of the Company.

6.7 Code Section 280G; Code Section 409A. Notwithstanding anything in this Agreement to the contrary:

(a) If any of the payments or benefits received or to be received by the Employee (including, without limitation, any payment or benefits received in connection with a Change of Control or the Employee's termination of employment, whether pursuant to the terms of this Agreement or any other plan, arrangement or agreement, or otherwise) (all such payments collectively referred to herein as the ("280G Payments") constitute "parachute payments" within the meaning of Section 280G of the Code and would, but for this Section 6.7(a), be subject to the excise tax imposed under Section 4999 of the Code (the "Excise Tax"), then prior to making the 280G Payments, a calculation shall be made comparing (i) the Net Benefit (as defined below) to the Employee of the 280G Payments after payment of the Excise Tax to (ii) the Net Benefit to the Employee if the 280G Payments are limited to the extent necessary to avoid being subject to the Excise Tax. Only if the amount calculated under (i) above is less than the amount under (ii) above will the 280G Payments be reduced to the minimum extent necessary to ensure that no portion of the 280G Payments is subject to the Excise Tax. **"**Net Benefit**" s**hall mean the present value of the 280G Payments net of all federal, state, local, foreign income, employment, and excise taxes. Any reduction made pursuant to this Section 6.7(a) shall be made in a manner determined by the Company that is consistent with the requirements of Section 409A of the Code and that maximizes the Employee's economic position and after-tax income; for the avoidance of doubt, the Employee shall not have any discretion in determining the manner in which the payments and benefits are reduced.

(b) In the event that any benefits payable or otherwise provided under this Agreement would be deemed to constitute non-qualified deferred compensation subject to Section 409A of the Code, Linn Energy or the Company, as the case may be, will have the discretion to adjust the terms of such payment or benefit (but not the amount or value thereof) as reasonably necessary to comply with the requirements of Section 409A of the Code to avoid the imposition of any excise tax or other penalty with respect to such payment or benefit under Section 409A of the Code.

6.8 Timing of Payments by the Company. Notwithstanding anything in this Agreement to the contrary, in the event that the Employee is a "specified employee" (as determined under Section 409A of the Code) at the time of the separation from service triggering the payment or provision of benefits, any payment or benefit under this Agreement which is determined to provide for a deferral of compensation pursuant to Section 409A of the Code shall not commence being paid or made available to the Employee until after six months from the Termination Date that constitutes a separation from service within the meaning of Section 409A of the Code.

7. Restrictive Covenants.

7.1 Confidential Information. The Employee hereby acknowledges that in connection with the Employee's employment by the Company the Employee will be exposed to and may obtain certain Confidential Information (as defined below) (including, without limitation, procedures, memoranda, notes, records and customer and supplier lists whether such information has been or is made, developed or compiled by the Employee or otherwise has been or is made available to the Employee) regarding the business and operations of the Company and its subsidiaries or affiliates. The Employee further acknowledges that such Confidential Information is unique, valuable, considered trade secrets and deemed proprietary by the Company. For purposes of this Agreement, "Confidential Information" includes, without limitation, any information heretofore or hereafter acquired, developed or used by any of the Company, Linn Energy or their direct or indirect subsidiaries relating to Business Opportunities or Intellectual Property or other geological, geophysical, economic, financial or management aspects of the business, operations, properties or prospects of the Company, Linn Energy or their direct or indirect subsidiaries, whether oral or in written form. The Employee agrees that all Confidential Information is and will remain the property of the Company, Linn Energy or their direct or indirect subsidiaries, as the case may be. The Employee further agrees, except for disclosures occurring in the good faith performance of the Employee's duties for the Company, Linn Energy or their direct or indirect subsidiaries, during the Employment Term, the Employee will hold in the strictest confidence all Confidential Information, and will not, both during the Employment Term and for a period of five years after the Termination Date, directly or indirectly, duplicate, sell, use, lease, commercialize, disclose or otherwise divulge to any person or entity any portion of the Confidential Information or use any Confidential Information, directly or indirectly, for the Employee's own benefit or profit or allow any person, entity or third party, other than the Company, Linn Energy or their direct or indirect subsidiaries and authorized executives of the same, to use or otherwise gain access to any Confidential Information. The Employee will have no obligation under this Agreement with respect to any information that becomes generally available to the public other than as a result of a disclosure by the Employee or the Employee's agent or other representative or becomes available to the Employee on a non-confidential basis from a source other than the Company, Linn Energy or their direct or indirect subsidiaries. Further, the Employee will have no obligation under this Agreement to keep confidential any of the Confidential Information to the extent that a disclosure of it is required by law or is consented to by the Company or Linn Energy; provided, however, that if and when such a disclosure is required by law, the Employee promptly will provide the Company with notice of such requirement, so that the Company may seek an appropriate protective order.

(a) SEC Provisions. The Employee understands that nothing contained in this Agreement limits the Employee's ability to file a charge or complaint with the Securities and Exchange Commission ("SEC"). The Employee further understands that this Agreement does not limit the Employee's ability to communicate with the SEC or otherwise participate in any investigation or proceeding that may be conducted by the SEC, including providing documents or other information, without notice to the Company. This Agreement does not limit the Employee's right to receive an award for information provided to the SEC. This Section 7.1(a) applies only for the period of time that the Company is subject to the Dodd-Frank Act.

(b) Trade Secrets. The parties specifically acknowledge that 18 U.S.C. § 1833(b) provides: "An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal." Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, notwithstanding anything to the contrary in the foregoing, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law

7.2 Return of Property. The Employee agrees to deliver promptly to the Company, upon termination of the Employee's employment hereunder, or at any other time when the Company so requests, all documents relating to the business of the Company, Linn Energy or their direct or indirect subsidiaries, including without limitation: all geological and geophysical reports and related data such as maps, charts, logs, seismographs, seismic records and other reports and related data, calculations, summaries, memoranda and opinions relating to the foregoing, production records, electric logs, core data, pressure data, lease files, well files and records, land files, abstracts, title opinions, title or curative matters, contract files, notes, records, drawings, manuals, correspondence, financial and accounting information, customer lists, statistical data and compilations, patents, copyrights, trademarks, trade names, inventions, formulae, methods, processes, agreements, contracts, manuals or any documents relating to the business of the Company, Linn Energy or their direct or indirect subsidiaries and all copies thereof and therefrom; provided, however, that the Employee will be permitted to retain copies of any documents or materials of a personal nature or otherwise related to the Employee's rights under this Agreement, copies of this Agreement and any attendant or ancillary documents specifically including any documents referenced in this Agreement and copies of any documents related to the Employee's long-term incentive awards and other compensation.

7.3 Non-Compete Obligations During Employment Term. The Employee agrees that during the Employment Term:

(a) the Employee will not, other than through the Company, engage or participate in any manner, whether directly or indirectly through any family member or as an employee, employer, consultant, agent, principal, partner, more than 1% shareholder, officer, director, licensor, lender, lessor or in any other individual or representative capacity, in any business or activity which is engaged in leasing, acquiring, exploring, producing, gathering or marketing hydrocarbons and related products; provided that the foregoing shall not be deemed to restrain the participation by the Employee's spouse in any capacity set forth above in any business or activity engaged in any such activity and provided further that Linn Energy or the Company may, in good faith, take such reasonable action with respect to the Employee's performance of the Employee's duties, responsibilities and authorities as set forth in Sections 1.1 and 1.2 of this Agreement as it deems necessary and appropriate to protect its legitimate business interests with respect to any actual or apparent conflict of interest reasonably arising from or out of the participation by the Employee's spouse in any such competitive business or activity; and

(b) all investments made by the Employee (whether in the Employee's own name or in the name of any family members or other nominees or made by the Employee's controlled affiliates), which relate to the leasing, acquisition, exploration, production, gathering or marketing of hydrocarbons and related products will be made solely through the Company; and the Employee will not (directly or indirectly through any family members or other persons), and will not permit any of the Employee's controlled affiliates to: (i) invest or otherwise participate alongside the Company or its direct or indirect subsidiaries in any Business Opportunities, or (ii) invest or otherwise participate in any business or activity relating to a Business Opportunity, regardless of whether any of the Company or its direct or indirect subsidiaries ultimately participates in such business or activity, in either case, except through the Company. Notwithstanding the foregoing, nothing in this Section 7.3 shall be deemed to prohibit the Employee or any family member from owning, or otherwise having an interest in, less than 1% of any publicly owned entity or 3% or less of any private equity fund or similar investment fund that invests in any business or activity engaged in any of the activities set forth above, provided that the Employee has no active role with respect to any investment by such fund in any entity.

7.4 Non-Solicitation.

(a) *Non-Solicitation Other than Following a Change of Control Termination*. During the Employment Term and for a period of one year after the Termination Date, the Employee will not, whether for the Employee's own account or for the account of any other Person (other than the Company or its direct or indirect subsidiaries), (i) intentionally solicit, endeavor to entice away from the Company or its direct or indirect subsidiaries, or otherwise interfere with the relationship of the Company or its direct or indirect subsidiaries with, any person who is employed by the Company or its direct or indirect subsidiaries (including any independent sales representatives or organizations), or (ii) using Confidential Information, solicit, endeavor to entice away from the Company or its direct or indirect subsidiaries, or otherwise interfere with the relationship of the Company or its direct or indirect subsidiaries with, any client or customer of the Company or its direct or indirect subsidiaries.

(b) *Not Applicable Following Change of Control Termination*. The Employee will not be subject to the covenants contained in Section 7.4(a) and such covenants will not be enforceable against the Employee from and after the date of an Eligible Termination if such Eligible Termination occurs within six months before or two years following a Change of Control.

7.5 Assignment of Developments. The Employee assigns and agrees to assign without further compensation to the Company and its successors, assigns or designees, all of the Employee's right, title and interest in and to all Business Opportunities and Intellectual Property (as those terms are defined below), and further acknowledges and agrees that all Business Opportunities and Intellectual Property constitute the exclusive property of the Company.

For purposes of this Agreement, "Business Opportunities" means all business ideas, prospects, proposals or other opportunities pertaining to the lease, acquisition, exploration, production, gathering or marketing of hydrocarbons and related products and the exploration potential of geographical areas on which hydrocarbon exploration prospects are located, which

are developed by the Employee during the Employment Term, or originated by any third party and brought to the attention of the Employee during the Employment Term, together with information relating thereto (including, without limitation, geological and seismic data and interpretations thereof, whether in the form of maps, charts, logs, seismographs, calculations, summaries, memoranda, opinions or other written or charted means).

For purposes of this Agreement, "Intellectual Property" shall mean all ideas, inventions, discoveries, processes, designs, methods, substances, articles, computer programs and improvements (including, without limitation, enhancements to, or further interpretation or processing of, information that was in the possession of the Employee prior to the date of this Agreement), whether or not patentable or copyrightable, which do not fall within the definition of Business Opportunities, which the Employee discovers, conceives, invents, creates or develops, alone or with others, during the Employment Term, if such discovery, conception, invention, creation or development (a) occurs in the course of the Employee's employment with the Company, or (b) occurs with the use of any of the time, materials or facilities of the Company or its direct or indirect subsidiaries, or (c) in the good faith judgment of the Board, relates or pertains in any material way to the purposes, activities or affairs of the Company or its direct or indirect subsidiaries.

7.6 Injunctive Relief. The Employee acknowledges that a breach of any of the covenants contained in this Section 7 may result in material, irreparable injury to the Company for which there is no adequate remedy at law, that it will not be possible to measure damages for such injuries precisely and that, in the event of such a breach or threat of breach, the Company will be entitled to obtain a temporary restraining order and/or a preliminary or permanent injunction restraining the Employee from engaging in activities prohibited by this Section 7 or such other relief as may be required to specifically enforce any of the covenants in this Section 7.

7.7 Adjustment of Covenants. The parties consider the covenants and restrictions contained in this Section 7 to be reasonable. However, if and when any such covenant or restriction is found to be void or unenforceable and would have been valid had some part of it been deleted or had its scope of application been modified, such covenant or restriction will be deemed to have been applied with such modification as would be necessary and consistent with the intent of the parties to have made it valid, enforceable and effective.

7.8 Forfeiture Provision.

(a) *Detrimental Activities*. If the Employee engages in any activity that violates any covenant or restriction contained in this Section 7, in addition to any other remedy the Company may have at law or in equity, (i) the Employee will be entitled to no further payments or benefits from the Company under this Agreement or otherwise, except for any payments or benefits required to be made or provided under applicable law, (ii) all unexercised Unit options, restricted Units and other forms of equity compensation held by or credited to the Employee will terminate effective as of the date on which the Employee engages in that activity, unless terminated sooner by operation of another term or condition of this Agreement or other applicable plans and agreements, and (iii) any exercise, payment or delivery pursuant to any equity compensation award that occurred within one year prior to the date on which the Employee engages in that activity may be rescinded within one year after the first date that a

In the discretion of the Board, reasonable interest may be assessed on the amounts owed, calculated from the later of (i) the date the Employee engages in the prohibited activity and (ii) the applicable date of exercise, payment or delivery.

(c) In the event that Company fails to timely and fully pay to the Employee all Severance Benefits or Change of Control Benefits due under this Agreement, and fails to cure such failure within 60 days of receiving written notice from the Employee, then the Company shall forfeit all right to enforce this Section 7.

RIVIERA ENERGY LLC
MANAGEMENT INCENTIVE PLAN AND
PERFORMANCE SHARE UNIT AWARDS
SUMMARY OF MATERIAL TERMS

Riviera MIP – General	• Effective Date. Effective date of spin-off (the "Transaction") creating Riviera. • Equity Reserve. $32.5 million worth of equity, representing an estimated __% of the equity of Riviera outstanding immediately after the Transaction. Forfeited awards and awards that are otherwise not actually issued (e.g., units withheld to pay taxes and/or exercise price) would be returned to the equity reserve and be available for future awards. • Form of MIP. Omnibus plan that permits the Compensation Committee of the Riviera Board of Directors (the "Board") to grant a variety of different forms of equity awards. • Defined Terms. For the executive management team (anticipated to be composed of 5 individuals), definition of "cause," "change in control," and "good reason" (non-CIC version) to be consistent with DR's employment agreement and other customary terms and conditions that have been negotiated. • Appraisal Right. If any participant on the executive management team disagrees in good faith with any valuation determination by the Board under the MIP of illiquid assets (including the valuation of Blue Mountain Midstream if it is not sold or disposed of and is not public or any illiquid consideration received in connection with a "change in control" or a sale of Blue Mountain Midstream), such participant may request within 60 days following the Company providing such participant with the Board's valuation determination that such valuation be done by an independent-third party mutually agreed to by the Company and the participant (the "Appraisal"). If the value determined by the Appraisal is more than 10% greater than the Board's determination, the Company shall pay the cost of the Appraisal; otherwise the participant will pay such cost up to $400,000. • Other. The MIP would contain standard provisions regarding adjustments to outstanding awards and the equity reserve in the event specified corporate transactions in order to prevent dilution of rights, which will include transactions with then existing stockholders that disproportionately and significantly dilute the existing intrinsic value of awards.

Transaction Awards	• General. In connection with consummation of the Transaction, Riviera will make awards to key executives of Riviera and its subsidiaries (the "Initial Awards"). • Form. Each Initial Award will be in the form of restricted stock units ("RSUs"), with 33.33% of the Initial Award consisting of time-vested RSUs (the "TSUs") and 66.67% of the Initial Award consisting of performance- vested RSUs (the "PSUs"). • Dividend Equivalent Rights. All RSUs subject to an Initial Award shall include dividend equivalent rights, with dividends being accumulated and paid when the applicable RSU vests.

TSUs	• Normal Vesting. TSUs will vest in equal ratable installments on each of three "Vesting Dates" if the participant is then employed by Riviera or its subsidiaries. Vesting Dates to be (i) July 1, 2019, 2020 and 2021 if consummation of the Transaction occurs before September 1, 2018 or (ii) the first three anniversaries of consummation of the Transaction if such consummation occurs after August 31, 2018.
	
	• Accelerated Vesting.
	  • **Change in Control**: TSUs will fully vest upon a "change in control" if the participant is then employed by Riviera or its subsidiaries (including if the participant experiences a Good Leaver Termination (defined below) within the three months prior to a "change in control").
	  • **Sale of Subsidiary**: TSUs will fully vest upon a participant's termination of employment with Riviera and its subsidiaries in connection with a sale of a subsidiary, significant asset or line of business, which means for this purpose an employee whose employment transfers to the buyer and an employee terminated by Riviera if the Board determines in good faith that such termination was as a result of such sale.
	  • **Good Leaver Termination**: In the event of a participant's termination due to death, disability, termination without "cause" or termination for "good reason" (a "Good Leaver Termination"), subject to executing and not revoking a customary release of claims, (i) except as provided in clause (ii), a pro rata portion of the participant's then current tranche of TSUs will vest or (ii) for the executive management team, the participant's TSUs will (x) vest as if the participant's employment or service had continued through the next vesting date and (y) fully vest in the event of termination due to death or disability.
	
	• Distributions. Vested TSUs will be distributed on the first to occur of: (i) a "change in control," (ii) the participant's termination for any reason or (iii) the third Vesting Date.

PSUs	• Normal Vesting. PSUs will cliff vest as follows as of the earlier to occur of (x) third Vesting Date or (y) a "change in control" (as applicable the "Wind Up Date"):
	  • **Threshold**: If the Total Proceeds are less than 1x the Initial Value, 0% of the PSUs will vest.
	  • **50% Vesting**: If the Total Proceeds are equal to at least 1.17x the Initial Value, 50% of the PSUs will vest.
	  • **100% Vesting**: If the Total Proceeds are equal to at least 1.37x the Initial Value, 100% of the PSUs will vest.
	  • **150% Vesting**: If the Total Proceeds are equal to at least 1.67x the Initial Value, 150% of the PSUs will vest.
	  • **200% Vesting**: If the Total Proceeds are equal to or greater than 2x the Initial Value, 200% of the PSUs will vest.
	  • Vesting will be determined using linear interpolation for performance between two thresholds.
	  • Any PSUs that do not performance vest on the Wind Up Date will be forfeited.
	• Accelerated Vesting.
	  • **Sale of Subsidiary**: A participant whose employment with Riviera and its subsidiaries terminates in connection with a sale of a subsidiary, significant asset or line of business (as determined above) that occurs after consummation of the Transaction, which means for this purpose an employee whose employment transfers to the buyer and an employee terminated by Riviera if the Board determines in good faith that such termination was as a result of such sale, will vest in the number of the PSUs that otherwise would have vested on the Wind Up Date.
	  • **Good Leaver Termination**: Subject to treatment pursuant to the preceding bullet, in the event of a participant's Good Leaver Termination, subject to executing and not revoking a customary release of claims, (i) except as provided in clause (ii), a pro rata portion of the participant's PSUs (determined based on the portion of the three year performance period that has elapsed as of such termination) will vest based on actual performance through the Wind Up Date and (ii) for the executive management team, (x) a portion of the participant's PSUs equal to the percentage of the PSUs that would have been vested as of the next Vesting Date had such PSUs been TSUs multiplied by the participant's number of PSUs will vest based on actual performance through the Wind Up Date and (y) in the event of a participant's termination due to death or disability, the participant's PSUs will vest based on actual performance through the Wind Up Date. For the sake of clarity, such portion will be considered the participant's target number of PSUs for purposes of determining the percentage of PSUs the participant earns.

	• Certain Definitions. • **Total Proceeds**: "Total Proceeds" means, without duplication, (i) the Equity Value of Riviera on the Wind Up Date, (ii) the aggregate amount distributed (but excluding distributions of Riviera equity) to Riviera equity holders before the Wind Up Date, and (iii) if Blue Mountain Midstream is included in the Initial Value, the Equity Value of Blue Mountain. • **Equity Value of Riviera**: The "Equity Value of Riviera" means, as applicable, the equity value of Riviera (i) if the Wind Up Date is the third Vesting Date, as determined using a 30-day VWAP for Riviera's (or its successor's) common stock, and (ii) if the Wind Up Date is a "change in control," as determined by the Board in good faith based upon the price paid in connection with a "change in control" (including, for purposes of clarity, the fair market value of any non-cash consideration received in connection therewith, as determined by the Board in good faith). • **Equity Value of Blue Mountain**: The "Equity Value of Blue Mountain" means, as applicable, (i) if Blue Mountain Midstream is publicly traded on the Wind Up Date, the equity value of Blue Mountain Midstream as determined using a 30-day VWAP for Blue Mountain Midstream's (or its successor's) common stock, (ii) if Blue Mountain Midstream is sold or disposed of (other than a spin-off or joint venture involving Blue Mountain Midstream) prior to January 1, 2019, $0, (iii) if Blue Mountain Midstream is sold or disposed of (other than a spin-off or joint venture involving Blue Mountain Midstream) after December 31, 2018 solely for cash, the amount of cash received, (iv) if Blue Mountain Midstream is sold or disposed of (other than a spin-off or joint venture involving Blue Mountain Midstream) after December 31, 2018 for consideration other than solely cash, the sum of the cash component, if any, and the value of non-cash proceeds as of the Wind Up Date (or the earlier disposition of such proceeds for cash) as determined by the Board in good faith, and (v) if Blue Mountain Midstream is not sold or disposed of and is not public, the equity value of Blue Mountain Midstream as determined by the Board in good faith. In the event of a merger or consolidation of Blue Mountain Midstream (or its successor), the foregoing principles will be applied solely to the portion of the combined company owned by the Blue Mountain Midstream stockholders immediately after consummation of the first such transaction.

	• **Initial Value**: The "Initial Value" will be equal to (i) 50% of an agreed value of $1.1 billion before any adjustment described below, plus (ii) 50% of the equity value of Riviera based upon the first 30-day VWAP post separation; provided that the VWAP portion of the calculation cannot be lower than 90% or higher than 110% of the value described in clause (i). The calculation of the Initial Value will be (A) equitably adjusted to reflect any material change in the expected composition of Riviera (e.g., assets sales), (B) equitably reduced to reflect the value of any liabilities retained or assumed by Riviera in connection with the Transaction to the extent such liabilities are unrelated to the assets of Riviera following the spin-off (e.g., liabilities retained pursuant to previous transactions and liabilities related to assets held by Roan), (C) increased by the amount of any capital raised, and (D) increased by $700 million if Blue Mountain Midstream is included as part of Riviera, provided that, (i) in the event of a sale or disposition of Blue Mountain Midstream (other than a spin-off or joint venture involving Blue Mountain Midstream) prior to January 1, 2019, any portion of the Initial Value represented by this clause (D) will be disregarded and (ii) the portion of the Initial Value attributable to Blue Mountain Midstream will be increased by any subsequent capital raises. • Distributions. PSUs will be settled in equity of Riviera (or cash, as elected by the Board), as adjusted in the event of an IPO, sale of all or substantially all of Riviera's assets or other restructuring event as soon as practicable following the applicable vesting date (but in no event later than 30 days following the applicable vesting date); provided that in the event of a "change in control," up to 25% of the proceeds may be deferred for up to six months for purposes of facilitating the participant's retention for purposes of providing transition services and will be paid to the participant at the end of such deferral period or the participant's earlier Good Leaver Termination.

Treatment of Awards under Existing MIP	• With respect to any employees with unvested awards under the existing MIP, any shares of Roan received upon the equitable adjustment of such awards in connection with the spin-off will be fully vested as of the date of the spin-off and any shares of Riviera or Blue Mountain Midstream received upon such adjustment will remain subject to the same vesting conditions as applied to the original award. The Board may elect to offer a one-time liquidity program, consistent with the existing Linn liquidity program, to settle the Roan shares through a cash payment.
Attorneys' Fees	• Riviera will reimburse management for the fees and expenses of one counsel in connection with the negotiation and drafting of the Riviera Management Incentive Plan (and any ancillary agreements) and the assumption or negotiation of any employment agreements and the negotiation of any "back-stop" arrangements for non-legacy personnel up to a cap of $75,000; provided the parties may mutually agree to increase such cap.

The Board of Directors of Linn Energy, Inc. (together with its subsidiaries, the "*Company*") hereby ratifies and adopts the Linn Energy, Inc. Severance Plan (the "*Plan*"), as of the Effective Date, for eligible employees of the Company. The Company, as successor to Linn Energy, LLC, assumed the Linn Energy, LLC Severance Plan (the "*Prior Plan*") pursuant to Article VII thereof, and pursuant to Article VIII of the Prior Plan, the Company hereby replaces the Prior Plan in its entirety with the Plan. The Plan is intended to offer specified severance benefits to eligible employees in the event of certain involuntary terminations of employment from the Company. The Plan, as a "severance pay arrangement" within the meaning of Section 3(2)(B)(i) of the Employee Retirement Income Security Act of 1974, as amended ("*ERISA*") is intended to be and shall be administered and maintained as an unfunded welfare benefit plan under Section 3(1) of ERISA.

The Company expressly reserves the right at any time, and from time to time, for any reason in the Company's sole discretion, to change, modify, alter or amend the Plan in any respect and to terminate the Plan in full. All provisions of the Plan relating to other employee benefit plans of the Company, or any of the Company's Affiliates or Subsidiaries, are expressly limited by the provisions of such other employee benefit plans. The provisions of the Plan may not grant or create any rights other than as expressly provided for under such other employee benefit plans.

The Severance Benefits payable pursuant to Section 4.2(c) and Section 4.2(d) shall be paid directly to the service provider or shall be reimbursed to the Participant promptly, but in any event by no later than December 31st of the calendar year following the calendar year in which such expenses were incurred, shall not affect any payments or reimbursements in any other calendar year, and shall not be subject to liquidation or exchange for any other benefit. The taxable year in which any Severance Benefit under Section 4.2(c) or Section 4.2(d) is paid shall be determined in the sole discretion of the Employer, and the Participant shall not be permitted, directly or indirectly, to designate the taxable year of payment. ARTICLE VII
SUCCESSOR TO COMPANY

The Plan shall bind any successor of the Company, its assets or its businesses (whether direct or indirect, by purchase, merger, consolidation or otherwise), in the same manner and to the same extent that the Company would be obligated under the Plan if no succession had taken place.

In the case of any transaction in which a successor would not by the foregoing provision or by operation of law be bound by the Plan, the Company shall require such successor expressly and unconditionally to assume and agree to perform the Company's obligations under the Plan, in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place. The term "Company," as used in the Plan, shall mean the Company as hereinbefore defined and any successor or assignee to the business or assets which by reason hereof becomes bound by the Plan.

(a) If an Employee or former Employee or his or her authorized representative (referred to in this Article IX as a "claimant") makes a written request alleging a right to receive benefits under the Plan or alleging a right to receive an adjustment in benefits being paid under the Plan, the Company shall treat it as a claim for benefits.

(b) All claims and inquiries concerning benefits under the Plan must be submitted to the Plan Administrator in writing and be addressed as follows:

Plan Administrator

Linn Energy, Inc. Severance Plan
Linn Energy, Inc.
JP Morgan Chase Tower
600 Travis

The Plan Administrator shall have full and complete discretionary authority to administer, to construe, and to interpret the Plan, to decide all questions of eligibility, to determine the amount, manner and time of payment, and to make all other determinations deemed necessary or advisable for the Plan. The Plan Administrator shall initially deny or approve all claims for benefits under the Plan. The claimant may submit written comments, documents, records or any other information relating to the claim. Furthermore, the claimant shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim for benefits.

(c) Claims Denial. If any claim for benefits is denied in whole or in part, the Plan Administrator shall notify the claimant in writing of such denial and shall advise the claimant of his or her right to a review thereof. Such written notice shall set forth, in a manner calculated to be understood by the claimant, specific reasons for such denial, specific references to the Plan provisions on which such denial is based, a description of any information or material necessary for the claimant to perfect his or her claim, an explanation of why such material is necessary and

an explanation of the Plan's review procedure, and the time limits applicable to such procedures. Furthermore, the notification shall include a statement of the claimant's right to bring a civil action under Section 502(a) of ERISA following an adverse benefit determination on review. Such written notice shall be given to the claimant within a reasonable period of time, which normally shall not exceed 90 days after the claim is received by the Plan Administrator.

(d) Appeals. Any claimant whose claim for benefits is denied in whole or in part may appeal, or his or her duly authorized representative may appeal on the claimant's behalf, such denial by submitting to the Appeals Committee a request for a review of the claim within 60 days after receiving written notice of such denial from the Plan Administrator. The Appeals Committee shall comprise at least three individuals who serve as officers or managers of the Company. The Appeals Committee shall give the claimant upon request, and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim of the claimant, in preparing his or her request for review. The request for review must be in writing and be addressed as follows:

Appeals Committee

Linn Energy, Inc. Severance Plan
Linn Energy, Inc.
JP Morgan Chase Tower

Houston, Texas 77002

The request for review shall set forth all of the grounds upon which it is based, all facts in support thereof, and any other matters which the claimant deems pertinent. The Appeals Committee may require the claimant to submit such additional facts, documents, or other materials as the Appeals Committee may deem necessary or appropriate in making its review.

(e) Review of Appeals. The Appeals Committee shall act upon each request for review within 60 days after receipt thereof. The review on appeal shall consider all comments, documents, records and other information submitted by the claimant relating to the claim without regard to whether this information was submitted or considered in the initial benefit determination. The Appeals Committee shall have full and complete discretionary authority, in its review of any claims denied by the Plan Administrator, to administer, to construe, and to interpret the Plan, to decide all questions of eligibility, to determine the amount, manner and time of payment, and to make all other determinations deemed necessary or advisable for the Plan.

(f) Decision on Appeals. The Appeals Committee shall give written notice of its decision to the claimant. If the Appeals Committee confirms the denial of the application for benefits in whole or in part, such notice shall set forth, in a manner calculated to be understood by the claimant, the specific reasons for such denial, and specific references to the Plan provisions on which the decision is based. The notice shall also contain a statement that the claimant is entitled to receive upon request, and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claimant's claim for benefits. Information is relevant to a claim if it was relied upon in making the benefit determination or was submitted, considered or generated in the course of making the benefit determination, whether it was relied upon or not. The notice

shall also contain a statement of the claimant's right to bring an action under ERISA Section 502 (a). If the Appeals Committee has not rendered a decision on a request for review within 60 days after receipt of the request for review, the claimant's claim shall be deemed to have been approved. The Appeals Committee's decision shall be final and not subject to further review within the Company. There are no voluntary appeals procedures after review by the Appeals Committee.

(g) Time of Approved Payment. In the event that either the Plan Administrator or the Appeals Committee determines that the claimant is entitled to the payment of all or any portion of the benefits claimed, such payment shall be made to the claimant within 30 days of the date of such determination or such later time as may be required to comply with Section 409A of the Code.

(h) Determination of Time Periods. If the day on which any of the foregoing time periods is to end is a Saturday, Sunday or holiday recognized by the Company, the period shall extend until the next following business day.

9.3 Arbitration. In the event that a Participant wishes to pursue any further claim for benefits under the Plan following the completion of the appeal process described in Section 9.2, the Participant must participate in arbitration in Houston, Texas, before a single arbitrator in accordance with the arbitration rules and procedures of the Center for Public Resources Rules for Non-Administered Arbitration of Business Disputes (the "*Arbitration Process*"); provided, however, that the arbitration will not be binding on the claimant and the claimant may seek legal or equitable remedies in court after the arbitrator has made a determination as to the claimant's claim, if the claimant does not accept the arbitrator's determination. The Arbitration Process shall be commenced by filing a demand for arbitration in accordance with the Arbitration Process within 18 months after the final notice of denial of the Participant's appeal in accordance with Section 9.2. The arbitrator shall decide all issues relating to arbitrability and the arbitrator shall also decide all issues with respect to the payment of the costs of such arbitration, including attorneys' fees and the arbitrator's fees. Completion of the claims procedures described in this document will be a condition precedent to the commencement of any arbitration in connection with a claim for benefits under the Plan by a claimant; provided, however, that the Appeals Committee may, in its sole discretion, waive compliance with such claims procedures as a condition precedent to any such action.

9.4 Exhaustion of Administrative Remedies. Completion of the claims and appeals procedures described in Sections 9.2 and 9.3 of the Plan, including arbitration, will be a condition precedent to the commencement of any legal or equitable action in connection with a claim for benefits under the Plan by a claimant; provided, however, that the Appeals Committee may, in its sole discretion, waive compliance with such claims procedures as a condition precedent to any such action.

ARTICLE X

10.2 Unfunded Plan Status. All payments pursuant to the Plan shall be made from the general funds of the Company and no special or separate fund shall be established or other segregation of assets made to assure payment. EMPLOYMENT AGREEMENT

This Employment Agreement ("**Agreement**") is made and entered into by and between Blue Mountain Midstream LLC, a Delaware limited liability company (the "**Company**"), and Greg Harper ("**Employee**"), dated March 29, 2018 and effective as of April 2, 2018 (the "**Effective Date**").

WHEREAS, the Company desires to retain the services and employment of Employee on behalf of the Company, and Employee desires to be employed by the Company, upon the terms and conditions hereinafter set forth.

NOW, THEREFORE, for and in consideration of the mutual promises, covenants and obligations set forth in this Agreement, the Company and Employee agree as follows:

1. **Employment**. During the Employment Period (as defined in Section 4), the Company shall employ Employee, and Employee shall serve, as Chief Executive Officer of the Company, and in such other position or positions as may be assigned from time to time by the board of directors (the "**Board**") of the Company. Promptly following the Effective Date, the Board shall nominate Employee to serve on the Board and Employee shall serve as a member of the Board for so long as he continues to serve as Chief Executive Officer of the Company pursuant to this Agreement.

2. **Duties and Responsibilities of Employee**.

(a) During the Employment Period, Employee shall devote substantially all of Employee's business time and Employee's full attention and best efforts to the businesses of the Company and its direct and indirect subsidiaries (collectively, the Company and its direct and indirect subsidiaries are referred to as the "**Company Group**") as may be requested by the Board from time to time. Employee acknowledges that Employee has been appointed to the Board and, for so long as Employee serves on the Board and remains employed hereunder, Employee shall not receive any additional compensation for such Board service. Employee's duties shall include those normally incidental to the position(s) identified in Section 1, as well as such additional duties as may be assigned to Employee by the Board from time to time, which duties may include providing services to other members of the Company Group in addition to the Company. Employee may, without violating this Section 2(a), (i) as a passive investment, own publicly traded securities in such form or manner as will not require the performance of any services by Employee in the operation of the entities in which such securities are owned; (ii) engage in charitable and civic activities; (iii) with the prior written consent of the Board, which shall not be unreasonably withheld, serve on external boards (with the exception that Employee may continue to serve on the board of directors on which he serves immediately prior to the Effective Date as set forth on **Exhibit A**); or (iv) engage in other personal and passive investment activities, in each case, so long as such interests or activities in the foregoing clauses (i) through (iv) do not interfere, individually or in the aggregate, with Employee's ability to fulfill Employee's duties and responsibilities under this Agreement and are not inconsistent with Employee's obligations to the Company Group or involve a Competing Business.

(b) Employee hereby represents and warrants that Employee is not the subject of, or a party to, any employment agreement, non-competition, non-solicitation, restrictive covenant, non-disclosure agreement, or any other agreement, obligation, restriction or understanding that would prohibit Employee from executing this Agreement or fully performing each of Employee's duties and responsibilities hereunder, or would in any manner, directly or indirectly, limit or affect any of the duties and responsibilities that may now or in the future be assigned to Employee hereunder. Employee expressly acknowledges and agrees that Employee is strictly prohibited from using or disclosing any confidential information belonging to any prior employer in the course of performing services for any member of the Company Group, and Employee promises that Employee shall not do so. Employee shall not introduce documents or other materials containing confidential information of any such prior employer to the premises or property (including computers and computer systems) of any member of the Company Group.

(c) Employee owes each member of the Company Group such fiduciary duties as an officer of the Company would have if the Company were a corporation organized under the laws of the State of Delaware, and the obligations described in this Agreement are in addition to, and not in lieu of, the obligations Employee owes each member of the Company Group under statutory and common law.

3. **Compensation**.

(a) Base Salary. During the Employment Period, the Company shall pay to Employee an annualized base salary of $480,000 (the "**Base Salary**") in consideration for Employee's services under this Agreement, payable in substantially equal installments in conformity with the Company's customary payroll practices for similarly situated employees as may exist from time to time, but no less frequently than monthly.

(b) Annual Bonus. Employee shall be eligible for discretionary bonus compensation with a target of 100% of Employee's Base Salary (the "**Target Bonus**") and a maximum bonus of 200% of Employee's Base Salary for each complete calendar year that Employee is employed by the Company hereunder (any bonus compensation payable, the "**Annual Bonus**"). The performance targets that must be achieved in order to be eligible for certain bonus levels shall be established by the Board (or a committee thereof) annually, after consultation with Employee, in its sole discretion, and communicated to Employee within the first ninety (90) days of the applicable calendar year (the "**Bonus Year**"). Notwithstanding the foregoing, Employee shall be eligible to receive a discretionary *pro rata* bonus for the portion of the 2018 calendar year that Employee is employed by the Company hereunder (the "**2018 Bonus**"), based on performance targets set by the Board after consultation with Employee and communicated to Employee by May 15, 2018. Each Annual Bonus (including the 2018 Bonus), if any, shall be paid as soon as administratively feasible after the Board (or a committee thereof) certifies whether the applicable performance targets for the applicable Bonus Year have been achieved, but in no event later than March 15 following the end of such Bonus Year. Notwithstanding anything in this Section 3(b) to the contrary, and subject to Section 7(f) below, no Annual Bonus (including the 2018 Bonus), if any, nor any portion thereof, shall be payable for any Bonus Year unless Employee remains continuously employed by the Company from the Effective Date through the date on which such Annual Bonus or 2018 Bonus is paid.

(c) Initial Equity Awards. Subject to the approval of the Board or a committee thereof, the Company will create a plan (the "**Management Incentive Plan**"), pursuant to which the Company will grant sign on, equity-based awards to new officers, including Employee, consistent with the term sheet dated March 23, 2018, by and between Employee and Linn Energy, Inc. (the "**Term Sheet**"), in the form of (i) restricted security units subject to time-vesting and (ii) restricted security units subject to performance-vesting (collectively, the "**Initial Equity Awards**"), granted pursuant to the forms of award agreement attached hereto as **Exhibit B** and **Exhibit C**, respectively (collectively, the "**Award Agreements**"). The awards described in this Section 3(c) will be subject in all respects to the terms of the Management Incentive Plan and the corresponding Award Agreements, in each case, in the form approved by the Board or a committee thereof. Drafts of the Management Incentive Plan and the Award Agreements were provided to Employee's counsel on March 26, 2018, and drafts of the Second Amended and Restated Limited Liability Company Agreement of the Company and any other documentation relating to the Initial Equity Awards will be provided to Employee by April 5, 2018 (all such documents, collectively, the "**Equity Documents**"). The parties will negotiate in good faith to finalize the Equity Documents, with the intent that the Initial Equity Awards be granted by May 15, 2018.

(d) Annual Review. The Board will review Employee's Base Salary and Target Bonus on an annual basis for any increases it deems appropriate in its sole discretion.

4. **Term of Employment**. The initial term of Employee's employment under this Agreement shall be for the period beginning on the Effective Date and ending on the third (3rd) anniversary of the Effective Date (the "**Initial Term**"). On the third (3rd) anniversary of the Effective Date and on each subsequent anniversary thereafter, the term of Employee's employment under this Agreement shall automatically renew and extend for a period of twelve (12) months (each such twelve (12)-month period being a "**Renewal Term**") unless written notice of non-renewal is delivered by either party to the other not less than sixty (60) days prior to the expiration of the then-existing Initial Term or Renewal Term, as applicable. Notwithstanding any other provision of this Agreement, Employee's employment pursuant to this Agreement may be terminated at any time in accordance with Section 7. The period from the Effective Date through the expiration of this Agreement or, if sooner, the termination of Employee's employment pursuant to this Agreement, regardless of the time or reason for such termination, shall be referred to herein as the "**Employment Period**."

5. **Business Expenses**. Subject to Section 23, the Company shall reimburse Employee for Employee's reasonable out-of-pocket business-related expenses actually incurred in the performance of Employee's duties under this Agreement so long as Employee timely submits all documentation for such reimbursement, as required by Company policy in effect from time to time. Any such reimbursement of expenses shall be made by the Company upon or as soon as practicable following receipt of such documentation. In no event shall any reimbursement be made to Employee for any expenses incurred after the date of Employee's termination of employment with the Company.

6. **Benefits**. During the Employment Period, Employee shall be eligible to participate in the same benefit plans and programs in which other similarly situated Company Group executive employees are eligible to participate, subject to the terms and conditions of the applicable plans and programs in effect from time to time. The Company shall not, however, by

reason of this Section 6, be obligated to institute, maintain, or refrain from changing, amending, or discontinuing, any such plan or policy, so long as such changes are similarly applicable to similarly situated Company Group executive employees generally.

7. **Termination of Employment**.

(a) Company's Right to Terminate Employee's Employment for Cause. The Company shall have the right to terminate Employee's employment hereunder at any time for "Cause." For purposes of this Agreement, "**Cause**" shall mean:

(i) Employee's material breach of this Agreement or any other written agreement between Employee and one or more members of the Company Group, including Employee's material breach of any representation, warranty or covenant made under any such agreement, or Employee's material violation of any workplace-related law or material breach of any policy or code of conduct established by a member of the Company Group and applicable to Employee;

(ii) the commission of gross negligence, willful misconduct, breach of fiduciary duty, fraud, theft or embezzlement on the part of Employee with respect to the Company Group;

(iii) the commission by Employee of, or conviction or indictment of Employee for, or plea of *nolo contendere* by Employee to, any felony (or state law equivalent) or any crime involving moral turpitude; or

(iv) Employee's willful failure or refusal, other than due to Disability, to perform Employee's obligations pursuant to this Agreement or to follow any lawful directive from the Board, as determined by the Board (sitting without Employee, if applicable);

provided, however, that if Employee's actions or omissions as set forth in Section 7(a)(i) or (iv) are of such a nature that they are curable by Employee, as determined by the Board in good faith, a termination of Employee's employment shall not be deemed to be for Cause unless and until (A) the Company provides Employee with written notice setting forth the specific facts or circumstances constituting Cause within thirty (30) days after the Board has actual knowledge of such facts or circumstances, and (B) Employee has failed to cure such facts or circumstances within thirty (30) days after receipt of such written notice. The parties agree, however, that such notice and opportunity to cure are not required with respect to actions or omissions set forth in Section 7(a)(ii) and (iii).

(b) Company's Right to Terminate for Convenience. The Company shall have the right to terminate Employee's employment for convenience at any time and for any reason, or no reason at all, upon written notice to Employee.

(c) Employee's Right to Terminate for Good Reason. Employee shall have the right to terminate Employee's employment with the Company at any time for "Good Reason." For purposes of this Agreement, "**Good Reason**" shall mean:

(i) a material diminution in Employee's Base Salary, title or duties;

(ii) a material breach by the Company of any of its covenants or obligations under this Agreement or any other written agreement between the parties; or

(iii) a change by the Company in Employee's principal place of employment to a location more than fifty (50) miles from the location of Employee's principal place of employment on the Effective Date.

Notwithstanding the foregoing provisions of this Section 7(c) or any other provision of this Agreement to the contrary, any assertion by Employee of a termination for Good Reason shall not be effective unless all of the following conditions are satisfied: (A) the condition described in Section 7(c)(i), (ii) or (iii) giving rise to Employee's termination of employment must have arisen without Employee's consent; (B) Employee must provide written notice to the Board of the existence of such condition(s) within thirty (30) days after the date on which Employee has actual knowledge of the existence the initial occurrence of such condition(s); (C) the condition(s) specified in such notice must remain uncorrected for thirty (30) days following the Board's receipt of such written notice; and (D) the date of Employee's termination of employment must occur within ninety (90) days after the date on which Employee has actual knowledge of the existence of the initial occurrence of the condition(s) specified in such notice.

(d) Death or Disability. Upon the death or Disability of Employee, Employee's employment with Company shall terminate with no further obligation under this Agreement of either party hereunder. For purposes of this Agreement, a "**Disability**" shall exist if Employee is unable to perform the essential functions of Employee's position (after engaging in an interactive process with Employee and accounting for reasonable accommodation, if either is applicable and required by applicable law), due to physical or mental impairment or other incapacity that continues, or can reasonably be expected to continue, for a period in excess of one hundred-twenty (120) consecutive days or one hundred-eighty (180) days, whether or not consecutive (or for any longer period as may be required by applicable law), in any twelve (12)-month period. The determination of whether Employee has incurred a Disability shall be made in good faith by the Board after reviewing and considering relevant information from an appropriate physician or other healthcare provider (and Employee shall cooperate with the Company in providing all reasonably requested information or evaluations in order to facilitate such a determination).

(e) Employee's Right to Terminate for Convenience. In addition to Employee's right to terminate Employee's employment for Good Reason, Employee shall have the right to terminate Employee's employment with the Company for convenience at any time and for any other reason, or no reason at all, upon thirty (30) days' advance written notice to the Company; *provided*, *however*, that if Employee has provided notice to the Company of Employee's termination of employment, the Company may determine, in its sole discretion, that such termination shall be effective on any date prior to the effective date of termination provided in such notice (and, if such earlier date is so required, then it shall not change the basis for Employee's termination of employment nor be construed or interpreted as a termination of employment pursuant to Section 7(b)).

(f) Effect of Termination.

(i) If Employee's employment hereunder is terminated prior to the expiration of the then-existing Initial Term or Renewal Term, as applicable, by the Company without Cause pursuant to Section 7(b), or is terminated by Employee for Good Reason pursuant to Section 7(c), then so long as (and only if) Employee: (A) executes on or before the Release Expiration Date (as defined below), and does not revoke within the time provided by the Company to do so, a release of all claims substantially in the form attached hereto as **Exhibit D** (the "**Release**"); and (B) abides by the terms of each of Sections 9, 10 and 11, then the Company shall make severance payments, less deductions for applicable taxes and withholdings, to Employee in a total amount equal to (x) twelve (12) months' worth of Employee's Base Salary for the year in which such termination occurs plus (y) Employee's Target Bonus (such total severance payments being referred to as the "**Severance Payment**"). In addition, subject to his satisfaction of, and compliance with, the requirements set forth in clauses (A) and (B) of this Section 7(f)(i), Employee will (1) receive any earned but unpaid Annual Bonus for the year prior to the year in which the termination date occurs (the "**Earned Bonus**") and (2) be eligible to receive a *pro rata* Annual Bonus for the year in which the termination date occurs, with the amount of the Annual Bonus based on actual performance results for such year and with the pro-ration determined by multiplying the amount of the Annual Bonus which would be due for the full year by a fraction, the numerator of which is the number of days during the year of termination that Employee was employed by the Company and the denominator of which is three hundred sixty-five (365) (the "**Pro Rata Bonus**"). The Earned Bonus and the Pro Rata Bonus (if any) will be paid at the same time bonuses for the relevant year are paid to other senior executives of the Company in accordance with Section 3(b). The Severance Payment, the Earned Bonus and the Pro-Rata Bonus will be reported on IRS Form W-2. The Severance Payment will be divided into twelve (12) substantially equal installments. On the Company's first regularly scheduled pay date that is on or after the date that is sixty (60) days after the date on which Employee's employment terminates (the "**Termination Date**"), the Company shall pay to Employee, without interest, a number of such installments equal to the number of such installments that would have been paid during the period beginning on the Termination Date and ending on the Company's first regularly scheduled pay date that is on or after the date that is sixty (60) days after the Termination Date had the installments been paid on a monthly basis commencing on the Company's first regularly scheduled pay date coincident with or next following the Termination Date, and each of the remaining installments shall be paid on a monthly basis thereafter; *provided, however*, that (I) to the extent, if any, that the aggregate amount of the installments of the Severance Payment that would otherwise be paid pursuant to the preceding provisions of this Section 7(f)(i) after March 15 of the calendar year following the calendar year in which the Termination Date occurs (the "**Applicable March 15**") exceeds the maximum exemption amount under Treasury Regulation Section 1.409A-1(b)(9)(iii)(A), then such excess shall be paid to Employee in a lump sum on the Applicable March 15 (or the first Business Day preceding the Applicable March 15 if the Applicable March 15 is not a Business Day) and the installments of the Severance Payment payable after the Applicable March 15 shall be reduced by such excess (beginning with the installment first payable after the Applicable March 15 and continuing with the next succeeding installment until the aggregate reduction equals such excess), and (II) all

remaining installments of the Severance Payment, if any, that would otherwise be paid pursuant to the preceding provisions of this Section 7(f)(i) after December 31 of the calendar year following the calendar year in which the Termination Date occurs shall be paid with the installment of the Severance Payment, if any, due in December of the calendar year following the calendar year in which the Termination Date occurs. "**Business Day**" shall mean any day except a Saturday, Sunday or other day on which commercial banks in Houston, Texas are authorized or required by law to be closed.

(ii) If Employee's employment hereunder terminates upon the expiration of the then-existing Initial Term or Renewal Term, as applicable, as a result of a non-renewal of the term of Employee's employment under this Agreement by the Company pursuant to Section 4, then so long as (and only if) Employee: (A) executes on or before the Release Expiration Date, and does not revoke within the time provided by the Company to do so, the Release; and (B) abides by the terms of each of Sections 9, 10 and 11, then Employee will (x) receive the Earned Bonus and (y) be eligible to receive the Pro Rata Bonus. The Earned Bonus and the Pro Rata Bonus (if any) will be paid at the same time bonuses for the relevant year are paid to other senior executives of the Company in accordance with Section 3(b). The Earned Bonus and the Pro-Rata Bonus will be reported on IRS Form W-2.

(iii) Notwithstanding anything herein to the contrary, the Severance Payment (and any portion thereof), the Earned Bonus and the Pro Rata Bonus shall not be payable if Employee's employment hereunder terminates upon the expiration of the then-existing Initial Term or Renewal Term, as applicable, as a result of a non-renewal of the term of Employee's employment under this Agreement by Employee pursuant to Section 4.

(iv) If the Release is not executed and returned to the Company on or before the Release Expiration Date, and the required revocation period has not fully expired without revocation of the Release by Employee, then Employee shall not be entitled to the Earned Bonus, the Pro Rata Bonus (if any) or any portion of the Severance Payment. As used herein, the "**Release Expiration Date**" is that date that is twenty-one (21) days following the date upon which the Company delivers the Release to Employee (which shall occur no later than seven (7) days after the Termination Date) or, in the event that such termination of employment is "in connection with an exit incentive or other employment termination program" (as such phrase is defined in the Age Discrimination in Employment Act of 1967, as amended), the date that is forty-five (45) days following such delivery date. The parties agree, however, that the Release Expiration Date may be extended from time to time by written agreement of the parties.

(g) After-Acquired Evidence. Notwithstanding any provision of this Agreement to the contrary, in the event that Employee is eligible to receive the Severance Payment, the Earned Bonus and the Pro Rata Bonus pursuant to Section 7(f), but the Company subsequently acquires evidence establishing that Employee has materially failed to abide by the terms of Sections 9, 10 or 11, then the Company shall have to seek appropriate relief from a court of competent jurisdiction to cease the payment of the Earned Bonus, the Pro Rata Bonus (if any) and any future installments of the Severance Payment and seek the return to the Company of the

Earned Bonus, the Pro Rata Bonus (if any) and all installments of the Severance Payment received by Employee prior to the date that such court lawfully determines that the conditions of this Section 7(g) have been satisfied.

8. **Disclosures**. Promptly (and in any event, within ten (10) Business Days) upon becoming aware of (a) any actual or potential Conflict of Interest or (b) any lawsuit, claim or arbitration filed against or involving Employee or any trust or vehicle owned or controlled by Employee, in each case, Employee shall disclose such actual or potential Conflict of Interest or such lawsuit, claim or arbitration to the Board. A "**Conflict of Interest**" shall exist when Employee engages in, or plans to engage in, any activities, associations, or interests that conflict with, or create an appearance of a conflict with, Employee's duties, responsibilities, authorities, or obligations for and to the Company Group.

9. **Confidentiality**. In the course of Employee's employment with the Company and the performance of Employee's duties on behalf of the Company Group hereunder, Employee will be provided with, and will have access to, Confidential Information (as defined below). In consideration of Employee's receipt and access to such Confidential Information and in exchange for other valuable consideration provided hereunder, and as a condition of Employee's employment, Employee shall comply with this Section 9.

(a) Both during the Employment Period and thereafter, except as expressly permitted by this Agreement or by directive of the Board, Employee shall not disclose any Confidential Information to any person or entity and shall not use any Confidential Information except for the benefit of the Company Group. Employee acknowledges and agrees that Employee would inevitably use and disclose Confidential Information in violation of this Section 9 if Employee were to violate any of the covenants set forth in Section 10. Employee shall follow all Company policies and protocols regarding the physical security of all documents and other materials containing Confidential Information (regardless of the medium on which Confidential Information is stored). The covenants of this Section 9(a) shall apply to all Confidential Information, whether now known or later to become known to Employee during the period that Employee is employed by or affiliated with the Company or any other member of the Company Group.

(b) Notwithstanding any provision of Section 9(a) to the contrary, Employee may make the following disclosures and uses of Confidential Information:

(i) disclosures to other employees of the Company Group who have a need to know the information in connection with the businesses of the Company Group;

(ii) disclosures to customers and suppliers when, in the reasonable and good faith belief of Employee, such disclosure is in connection with Employee's performance of Employee's duties under this Agreement and is in the best interests of the Company Group;

(iii) disclosures and uses that are approved in writing by the Board; or

(iv) disclosures to a person or entity that has (x) been retained by a member of the Company Group to provide services to one or more members of the Company Group and (y) agreed in writing to abide by the terms of a confidentiality agreement.

(c) Upon the expiration of the Employment Period, and at any other time upon request of the Company, Employee shall promptly surrender and deliver to the Company all documents (including electronically stored information) and all copies thereof and all other materials of any nature containing or pertaining to all Confidential Information and any other Company Group property (including any Company Group-issued computer, mobile device or other equipment) in Employee's possession, custody or control and Employee shall not retain any such documents or other materials or property of the Company Group. Within ten (10) days of any such request, Employee shall certify to the Company in writing that all such documents, materials and property have been returned to the Company.

(d) All trade secrets, non-public information, designs, ideas, concepts, improvements, product developments, discoveries and inventions, whether patentable or not, that are conceived, made, developed or acquired by or disclosed to Employee, individually or in conjunction with others, during the period that Employee is employed by the Company or any other member of the Company Group (whether during business hours or otherwise and whether on the Company's premises or otherwise) that relate to any member of the Company Group's businesses or properties, products or services (including all such information relating to corporate opportunities, operations, future plans, methods of doing business, business plans, strategies for developing business and market share, research, financial and sales data, pricing terms, evaluations, opinions, interpretations, acquisition prospects, the identity of customers or acquisition targets or their requirements, the identity of key contacts within customers' organizations or within the organization of acquisition prospects, or marketing and merchandising techniques, prospective names and marks) is defined as "**Confidential Information**." Moreover, all documents, videotapes, written presentations, brochures, drawings, memoranda, notes, records, files, correspondence, manuals, models, specifications, computer programs, e-mail, voice mail, electronic databases, maps, drawings, architectural renditions, models and all other writings or materials of any type including or embodying any of such information, ideas, concepts, improvements, discoveries, inventions and other similar forms of expression are and shall be the sole and exclusive property of the Company Group and be subject to the same restrictions on disclosure applicable to all Confidential Information pursuant to this Agreement. For purposes of this Agreement, Confidential Information shall not include any information that (i) is or becomes generally available to the public other than as a result of a disclosure or wrongful act of Employee or any of Employee's agents; (ii) was available to Employee on a non-confidential basis before its disclosure by a member of the Company Group; or (iii) becomes available to Employee on a non-confidential basis from a source other than a member of the Company Group; *provided*, *however*, that such source is not bound by a confidentiality agreement with, or other obligation with respect to confidentiality to, a member of the Company Group.

(e) Nothing in this Agreement shall prohibit or restrict Employee from lawfully (i) initiating communications directly with, cooperating with, providing information to, causing information to be provided to, or otherwise assisting in an investigation by any governmental or regulatory agency, entity, or official(s) (collectively, "**Governmental Authorities**") regarding a possible violation of any law; (ii) responding to any inquiry or legal process directed to Employee individually from any such Governmental Authorities; (iii) testifying, participating or otherwise

assisting in an action or proceeding by any such Governmental Authorities relating to a possible violation of law; (iv) making any other disclosures that are protected under the whistleblower provisions of any applicable law; or (v) making disclosures to Employee's retained attorneys for the purposes of seeking legal advice as to Employee's rights and obligations under this Agreement and/or relating to legal recourse for possible violations of this Agreement or any law by the Company. Additionally, pursuant to the federal Defend Trade Secrets Act of 2016, Employee shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (i) is made (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or (ii) is made to Employee's attorney in relation to a lawsuit for retaliation against Employee for reporting a suspected violation of law; or (iii) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Nor does this Agreement require Employee to obtain prior authorization from any member of the Company Group before engaging in any conduct described in this Section 9(e), or to notify any member of the Company Group that Employee has engaged in any such conduct.

10. **Non-Competition; Non-Solicitation**.

(a) The Company shall provide Employee access to Confidential Information for use only during the Employment Period, and Employee acknowledges and agrees that the Company Group will be entrusting Employee, in Employee's unique and special capacity, with developing the goodwill of the Company Group, and in consideration of the Company providing Employee with access to Confidential Information and as an express incentive for the Company to enter into this Agreement and employ Employee, Employee has voluntarily agreed to the covenants set forth in this Section 10. Employee agrees and acknowledges that the limitations and restrictions set forth herein, including geographical and temporal restrictions on certain competitive activities, are reasonable in all respects, will not cause Employee undue hardship, and are material and substantial parts of this Agreement intended and necessary to prevent unfair competition and to protect the Company Group's Confidential Information, goodwill and legitimate business interests.

(b) During the Prohibited Period, Employee shall not, without the prior written approval of the Board, directly or indirectly, for Employee or on behalf of or in conjunction with any other person or entity of any nature:

(i) own, manage, operate, finance, join, control or participate in any Competing Business, as a proprietor, partner, shareholder, director, officer, executive, employee, agent, creditor, consultant, independent contractor, joint venturer, investor, representative, trustee or otherwise.

(ii) directly or indirectly solicit the sale of goods, services, or a combination of goods and services from the established customers of any member of the Company Group with respect to a Competing Business; or

(iii) solicit, canvass, approach, encourage, entice or induce any employee or contractor of the Company Group to terminate his, her or its employment or engagement with any member of the Company Group.

The foregoing restrictions shall not prevent Employee owning, as a passive investment, not more than one percent (1%) of the equity securities of a publicly-traded entity, with such ownership to be in such form or manner as will not require the performance of any services or active participation by Employee in the operation of the entity in which such equity securities are owned. For the avoidance of doubt, Employee cannot own passive investments in non-publicly-traded entities if such passive investments (A) interfere, individually or in the aggregate, with Employee's ability to fulfill Employee's duties and responsibilities under this Agreement, (B) are inconsistent with Employee's obligations to the Company Group, or (C) are in a Competing Business.

(c) Because of the difficulty of measuring economic losses to the Company Group as a result of a breach or threatened breach of the covenants set forth in Section 9 and in this Section 10, and because of the immediate and irreparable damage that would be caused to the members of the Company Group for which they would have no other adequate remedy, the Company and each other member of the Company Group shall be entitled to enforce the foregoing covenants, in the event of a breach or threatened breach, by injunctions and restraining orders from any court of competent jurisdiction, without the necessity of showing any actual damages or that money damages would not afford an adequate remedy, and without the necessity of posting any bond or other security. The aforementioned equitable relief shall not be the Company's or any other member of the Company Group's exclusive remedy for a breach but instead shall be in addition to all other rights and remedies available to the Company and each other member of the Company Group at law and equity.

(d) The covenants in this Section 10, and each provision and portion hereof, are severable and separate, and the unenforceability of any specific covenant (or portion thereof) shall not affect the provisions of any other covenant (or portion thereof). Moreover, in the event any arbitrator or court of competent jurisdiction shall determine that the scope, time or territorial restrictions set forth are unreasonable, then it is the intention of the parties that such restrictions be enforced to the fullest extent which such arbitrator or court deems reasonable, and this Agreement shall thereby be reformed.

(e) The following terms shall have the following meanings:

(i) "**Competing Business**" shall mean any person, business or other enterprise or entity that engages in: (A) with respect to the Employment Period, any midstream business (natural gas and oil gathering and processing) in which the Company Group is currently engaged and any other line of business in which the Company Group engages during the Employment Period, and (B) with respect to the period after expiration of the Employment Period, any line of business in which the Company Group was engaged as of the expiration of the Employment Period and any line of business under active consideration by the Board as of the expiration of the Employment Period, in each case, within the Geographic Scope.

(ii) "**Geographic Scope**" shall mean a two hundred fifty (250)-mile radius of the location of the Company Group field operations.

(iii) "**Prohibited Period**" shall mean the period during which Employee is employed by any member of the Company Group and continuing for a period of twelve (12) months following the date that Employee is no longer employed by any member of the Company Group.

11. **Ownership of Intellectual Property.** Employee agrees that the Company shall own, and Employee shall (and hereby does) assign, all right, title and interest (including patent rights, copyrights, trade secret rights, mask work rights, trademark rights, and all other intellectual and industrial property rights of any sort throughout the world) relating to any and all inventions (whether or not patentable), works of authorship, mask works, designs, know-how, ideas and information authored, created, contributed to, made or conceived or reduced to practice, in whole or in part, by Employee during the period in which Employee is or has been employed by or affiliated with the Company or any other member of the Company Group that either (a) relate, at the time of conception, reduction to practice, creation, derivation or development, to any member of the Company Group's businesses or actual or anticipated research or development, or (b) were developed on any amount of the Company's or any other member of the Company Group's time or with the use of any member of the Company Group's equipment, supplies, facilities or trade secret information (all of the foregoing collectively referred to herein as "**Company Intellectual Property**"), and Employee shall promptly disclose all Company Intellectual Property to the Company. All of Employee's works of authorship and associated copyrights created during the period in which Employee is employed by or affiliated with the Company or any member of the Company Group and in the scope of Employee's employment shall be deemed to be "works made for hire" within the meaning of the Copyright Act. Employee shall perform, during and after the period in which Employee is or has been employed by or affiliated with the Company or any other member of the Company Group, all reasonable acts deemed necessary by the Company to assist the Company Group, at the Company's expense, in obtaining and enforcing its rights throughout the world in the Company Intellectual Property. Such acts may include execution of documents and assistance or cooperation (i) in the filing, prosecution, registration, and memorialization of assignment of any applicable patents, copyrights, mask work, or other applications, (ii) in the enforcement of any applicable patents, copyrights, mask work, moral rights, trade secrets, or other proprietary rights, and (iii) in other legal proceedings related to the Company Intellectual Property.

12. **Arbitration**.

(a) Subject to Section 12(b), any dispute, controversy or claim between Employee and the Company arising out of or relating to this Agreement or Employee's employment with the Company will be finally settled by arbitration in Houston, Texas in accordance with the then-existing American Arbitration Association ("**AAA**") Employment Arbitration Rules. The arbitration award shall be final and binding on both parties. Any arbitration conducted under this Section 12 shall be heard by a single arbitrator (the "**Arbitrator**") selected in accordance with the then-applicable rules of the AAA. With the exception of the initial AAA filing fee, all other fees of the AAA and the Arbitrator shall be paid exclusively by the Company. The Arbitrator shall expeditiously hear and decide all matters concerning the dispute. Except as expressly provided to the contrary in this Agreement, the Arbitrator shall have the power to (i) gather such materials, information, testimony and evidence as the Arbitrator deems relevant to the dispute before him or her (and each party will provide such materials, information, testimony and evidence requested by the Arbitrator), and (ii) grant injunctive relief and enforce

specific performance. The decision of the Arbitrator shall be reasoned, rendered in writing, be final and binding upon the disputing parties and the parties agree that judgment upon the award may be entered by any court of competent jurisdiction.

(b) Notwithstanding Section 12(a), either party may make a timely application for, and obtain, judicial emergency or temporary injunctive relief to enforce any of the provisions of Sections 9 through 11; *provided*, *however*, that the remainder of any such dispute (beyond the application for emergency or temporary injunctive relief) shall be subject to arbitration under this Section 12.

(c) By entering into this Agreement and entering into the arbitration provisions of this Section 12, THE PARTIES EXPRESSLY ACKNOWLEDGE AND AGREE THAT THEY ARE KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVING THEIR RIGHTS TO A JURY TRIAL.

(d) Nothing in this Section 12 shall prohibit a party to this Agreement from (i) instituting litigation to enforce any arbitration award, or (ii) joining the other party to this Agreement in a litigation initiated by a person or entity that is not a party to this Agreement.

13. **Defense of Claims**. During the Employment Period and thereafter, upon request from the Company, Employee shall make reasonable efforts to cooperate with the Company Group in the defense of any claims or actions that may be made by or against any member of the Company Group that relate to Employee's actual or prior areas of responsibility.

14. **Withholdings; Deductions**. The Company may withhold and deduct from any benefits and payments made or to be made pursuant to this Agreement (a) all federal, state, local and other taxes as may be required pursuant to any law or governmental regulation or ruling and (b) any deductions consented to in advance in writing by Employee.

15. **Title and Headings; Construction**. Titles and headings to Sections hereof are for the purpose of reference only and shall in no way limit, define or otherwise affect the provisions hereof. Any and all Exhibits or Attachments referred to in this Agreement are, by such reference, incorporated herein and made a part hereof for all purposes. Unless the context requires otherwise, all references herein to an agreement, instrument or other document shall be deemed to refer to such agreement, instrument or other document as amended, supplemented, modified and restated from time to time to the extent permitted by the provisions thereof. All references to "dollars" or "$" in this Agreement refer to United States dollars. The words "herein", "hereof", "hereunder" and other compounds of the word "here" shall refer to the entire Agreement, including all Exhibits attached hereto, and not to any particular provision hereof. Wherever the context so requires, the masculine gender includes the feminine or neuter, and the singular number includes the plural and conversely. All references to "including" shall be construed as meaning "including without limitation." Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against any party hereto, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by each of the parties hereto and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of the parties hereto.

16. **Applicable Law; Submission to Jurisdiction**. This Agreement shall in all respects be construed according to the laws of the State of Delaware without regard to its conflict of laws principles that would result in the application of the laws of another jurisdiction. With respect to any claim or dispute related to or arising under this Agreement, the parties hereby consent to the arbitration provisions of Section 12 and recognize and agree that should any resort to a court be necessary and permitted under this Agreement, then they consent to the jurisdiction, forum and venue of the state and federal courts (as applicable) located in Houston, Texas.

17. **Entire Agreement and Amendment**. This Agreement, the Term Sheet, and the Equity Documents (which will supersede the Term Sheet once finalized) contain the entire agreement of the parties with respect to the matters covered herein and supersede all prior and contemporaneous agreements and understandings, oral or written, between the parties hereto concerning the subject matter hereof; provided that, notwithstanding anything to the contrary in the foregoing, the ***Attorneys' Fees*** section of the Term Sheet shall remain in full force and effect following execution of this Agreement. This Agreement may be amended only by a written instrument executed by both parties hereto.

18. **Waiver of Breach**. Any waiver of this Agreement must be executed by the party to be bound by such waiver. No waiver by either party hereto of a breach of any provision of this Agreement by the other party, or of compliance with any condition or provision of this Agreement to be performed by such other party, will operate or be construed as a waiver of any subsequent breach by such other party or any similar or dissimilar provision or condition at the same or any subsequent time. The failure of either party hereto to take any action by reason of any breach will not deprive such party of the right to take action at any time.

19. **Assignment**. This Agreement is personal to Employee, and neither this Agreement nor any rights or obligations hereunder shall be assignable or otherwise transferred by Employee. The Company may assign this Agreement without Employee's consent to any member of the Company Group and to any successor (whether by merger, purchase or otherwise) to all or substantially all of the equity, assets or businesses of the Company.

20. **Notices**. Notices provided for in this Agreement shall be in writing and shall be deemed to have been duly received (a) when delivered in person, (b) when sent by facsimile transmission (with confirmation of transmission) on a Business Day to the number set forth below, if applicable; *provided*, *however*, that if a notice is sent by facsimile transmission after normal business hours of the recipient or on a non-Business Day, then it shall be deemed to have been received on the next Business Day after it is sent, (c) on the first Business Day after such notice is sent by express overnight courier service, or (d) on the second Business Day following deposit with an internationally-recognized second-day courier service with proof of receipt maintained, in each case, to the following address, as applicable:

If to the Company, addressed to:

Blue Mountain Midstream LLC
At the Company's headquarters.

If to Employee, addressed to:

Greg Harper
At the address set forth in the Company's records.

21. **Counterparts**. This Agreement may be executed in any number of counterparts, including by electronic mail or facsimile, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute one and the same instrument. Each counterpart may consist of a copy hereof containing multiple signature pages, each signed by one party, but together signed by both parties hereto.

22. **Deemed Resignations**. Except as otherwise determined by the Board or as otherwise agreed to in writing by Employee and any member of the Company Group prior to the termination of Employee's employment with the Company or any member of the Company Group, any termination of Employee's employment shall constitute, as applicable, an automatic resignation of Employee: (a) as an officer of the Company and each member of the Company Group; (b) from the Board; and (c) from the board of directors or board of managers (or similar governing body) of any member of the Company Group and from the board of directors or board of managers (or similar governing body) of any corporation, limited liability entity, unlimited liability entity or other entity in which any member of the Company Group holds an equity interest and with respect to which board of directors or board of managers (or similar governing body) Employee serves as such Company Group member's designee or other representative.

23. **Section 409A.**

(a) Notwithstanding any provision of this Agreement to the contrary, all provisions of this Agreement are intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "**Code**"), and the applicable Treasury regulations and administrative guidance issued thereunder (collectively, "**Section 409A**") or an exemption therefrom and shall be construed and administered in accordance with such intent. Any payments under this Agreement that may be excluded from Section 409A either as separation pay due to an involuntary separation from service or as a short-term deferral shall be excluded from Section 409A to the maximum extent possible. For purposes of Section 409A, each installment payment provided under this Agreement shall be treated as a separate payment. Any payments to be made under this Agreement upon a termination of Employee's employment shall only be made if such termination of employment constitutes a "separation from service" under Section 409A.

(b) To the extent that any right to reimbursement of expenses or payment of any benefit in-kind under this Agreement constitutes nonqualified deferred compensation (within the meaning of Section 409A), (i) any such expense reimbursement shall be made by the Company no later than the last day of the taxable year following the taxable year in which such expense was incurred by Employee, (ii) the right to reimbursement or in-kind benefits shall not be subject to liquidation or exchange for another benefit, and (iii) the amount of expenses eligible for reimbursement or in-kind benefits provided during any taxable year shall not affect the expenses eligible for reimbursement or in-kind benefits to be provided in any other taxable year; *provided*, that the foregoing clause shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period in which the arrangement is in effect.

(c) Notwithstanding any provision in this Agreement to the contrary, if any payment or benefit provided for herein would be subject to additional taxes and interest under Section 409A if Employee's receipt of such payment or benefit is not delayed until the earlier of (i) the date of Employee's death or (ii) the date that is six (6) months after the Termination Date (such date, the "**Section 409A Payment Date**"), then such payment or benefit shall not be provided to Employee (or Employee's estate, if applicable) until the Section 409A Payment Date. Notwithstanding the foregoing, the Company makes no representations that the payments and benefits provided under this Agreement are exempt from, or compliant with, Section 409A and in no event shall any member of the Company Group be liable for all or any portion of any taxes, penalties, interest or other expenses that may be incurred by Employee on account of non-compliance with Section 409A.

24. **Certain Excise Taxes**. Notwithstanding anything to the contrary in this Agreement, if Employee is a "disqualified individual" (as defined in Section 280G(c) of the Code), and the payments and benefits provided for in this Agreement, together with any other payments and benefits which Employee has the right to receive from the Company or any of its affiliates, would constitute a "parachute payment" (as defined in Section 280G(b)(2) of the Code), then the payments and benefits provided for in this Agreement shall be either (a) reduced (but not below zero) so that the present value of such total amounts and benefits received by Employee from the Company or any of its affiliates shall be one dollar ($1.00) less than three times Employee's "base amount" (as defined in Section 280G(b)(3) of the Code) and so that no portion of such amounts and benefits received by Employee shall be subject to the excise tax imposed by Section 4999 of the Code or (b) paid in full, whichever produces the better net after-tax position to Employee (taking into account any applicable excise tax under Section 4999 of the Code and any other applicable taxes). The reduction of payments and benefits hereunder, if applicable, shall be made by reducing, first, payments or benefits to be paid in cash hereunder in the order in which such payment or benefit would be paid or provided (beginning with such payment or benefit that would be made last in time and continuing, to the extent necessary, through to such payment or benefit that would be made first in time) and, then, reducing any benefit to be provided in-kind hereunder in a similar order. The determination as to whether any such reduction in the amount of the payments and benefits provided hereunder is necessary shall be made by the Company in good faith. If a reduced payment or benefit is made or provided and through error or otherwise that payment or benefit, when aggregated with other payments and benefits from the Company or any of its affiliates used in determining if a "parachute payment" exists, exceeds one dollar ($1.00) less than three times Employee's base amount, then Employee shall immediately repay such excess to the Company upon notification that an overpayment has been made. Nothing in this Section 24 shall require the Company to be responsible for, or have any liability or obligation with respect to, Employee's excise tax liabilities under Section 4999 of the Code.

25. **Clawback**. To the extent required by applicable law or any applicable securities exchange listing standards, or as otherwise determined by the Board (or a committee thereof), amounts paid or payable under this Agreement shall be subject to the provisions of any applicable clawback policies or procedures adopted by the Company, which clawback policies or procedures may provide for forfeiture and/or recoupment of incentive amounts paid or payable under this Agreement, but only to the extent that such clawback policies or procedures are consistent with those applicable to all other executive officers and directors of the Company Group. Notwithstanding any provision of this Agreement to the contrary, the Company reserves

the right, without the consent of Employee, to adopt any such clawback policies and procedures, including such policies and procedures applicable to this Agreement with retroactive effect; provided, however, that the Company shall provide written notice to Employee of any such change in clawback policies or procedures before, or promptly after, they become effective.

26. **Indemnification**. During the Employment Period, the Employee shall be afforded the full protection of the indemnification and coverage as an insured under directors and officers liability insurance generally available to officers under the Company's bylaws (as in effect from time to time) which protection shall survive any expiration or other termination of this Agreement and any termination of Employee's employment in accordance with the terms of the applicable documents.

27. **Effect of Termination**. The provisions of Sections 7, 9-14, 22 and 25-26 and those provisions necessary to interpret and enforce them, shall survive any termination of this Agreement and any termination of the employment relationship between Employee and the Company.

28. **Third-Party Beneficiaries**. Each member of the Company Group that is not a signatory to this Agreement shall be a third-party beneficiary of Employee's obligations under Sections 8, 9, 10, 11 and 12 and shall be entitled to enforce such obligations as if a party hereto.

29. **Severability**. If an arbitrator or court of competent jurisdiction determines that any provision of this Agreement (or portion thereof) is invalid or unenforceable, then the invalidity or unenforceability of that provision (or portion thereof) shall not affect the validity or enforceability of any other provision of this Agreement, and all other provisions shall remain in full force and effect.

RELEASE AGREEMENT[1]

This RELEASE AGREEMENT (this "Agreement") is made this , 20[ ], by and between Blue Mountain Midstream LLC, a Delaware limited liability company (including its successors and assigns, the "Company"), and Greg Harper ("Employee").

1. Release.

(a) In consideration of the payments and benefits (collectively, the "Severance") to be provided by the Company pursuant to the Employment Agreement dated March 29, 2018, by and between the Company and Employee (the "Employment Agreement"), Employee waives any claims he may have for employment by the Company and agrees not to seek such employment or reemployment by the Company in the future. Further, in consideration of the payments and benefits to be provided by the Company pursuant to the Employment Agreement, Employee, on behalf of himself and his heirs, executors, administrators, devisees, successors and assigns, knowingly and voluntarily releases, remises and forever discharges the Company and its parents, subsidiaries or affiliates, together with each of their current and former principals, officers, owners, directors, shareholders, direct and indirect owners, agents, representatives and employees, members, attorneys, insurers and benefit plans, and each of their heirs, executors, successors and assigns (collectively, the "Releasees"), from any and all debts, demands, actions, causes of action, accounts, covenants, contracts, agreements, claims, damages, losses, omissions, promises and any and all claims and liabilities whatsoever, of every name and nature, known or unknown, suspected or unsuspected, both in law and equity ("Claims"), which Employee ever had, now has or may hereafter claim to have against the Releasees by reason of any matter or cause whatsoever arising from the beginning of time to the time he signs this Agreement (the "General Release"). This General Release of Claims shall apply to any Claim of any type, including, without limitation, any and all Claims of any type that Employee may have arising under the common law, under Title VII of the Civil Rights Act of 1964, the Civil Rights Act of 1991, the Older Workers Benefit Protection Act, the Americans With Disabilities Act of 1967, the Family and Medical Leave Act of 1993, the Employee Retirement Income Security Act of 1974, and the Sarbanes-Oxley Act of 2002, each as amended, and any other federal, state or local statutes, regulations, ordinances or common law, or under any policy, agreement, contract, understanding or promise, written or oral, formal or informal, between any of the Releasees and Employee, and shall further apply, without limitation, to any and all Claims (i) in connection with, related to or arising out of Employee's employment relationship, or the termination of his employment, with the Company; (ii) arising from or in any way related to any agreement with any of the Releasees; and/or (iii) arising from or in any way related to awards, policies, plans, programs or practices of any of the Releasees that may apply to Employee or in which Employee participates.

(b) Employee understands that the Severance represents, in part, consideration for signing this Release Agreement and is not salary, wages or benefits to which he is already entitled. Employee acknowledges and represents that he has received all payments and benefits that he is entitled to receive (as of the date hereof) by virtue of any employment by the Company. Employee acknowledge that his entitlement to the Severance is subject to his compliance with Sections 9, 10 and 11 of the Employment Agreement, which expressly survive the date of termination of his employment with the Company.

[1] Note to Draft: Subject to such updates as are necessary to account for changes in applicable law.

(c) For the purpose of implementing a full and complete release, Employee understands and agrees that this Agreement is intended to include all Claims, if any, which Employee or his heirs, executors, devisees, successors and assigns may have and which Employee does not now know or suspect to exist in his favor against the Releasees, from the beginning of time until the time he signs this Agreement, and this Agreement extinguishes those claims.

(d) In consideration of the promises of the Company set forth in the Employment Agreement, Employee hereby releases and discharges the Releasees from any and all Claims that Employee may have against the Releasees arising under the Age Discrimination Employment Act of 1967, as amended, and the applicable rules and regulations promulgated thereunder ("ADEA"). Employee acknowledges that he understands that the ADEA is a federal statute that prohibits discrimination on the basis of age in employment, benefits and benefit plans. Employee also understands that, by signing and not revoking this Agreement, he is waiving all Claims against any and all of the Releasees.

(e) Employee understands that he may later discover Claims or facts that may be different than, or in addition to, those which Employee now knows or believes to exist with regard to the subject matter of the General Release, and which, if known at the time of executing this Agreement, may have materially affected the General Release or Employee's decision to enter into it. Employee hereby waives any right or Claim that might arise as a result of such different or additional Claims or facts.

(f) This General Release shall not apply to (i) any claim or cause of action that cannot legally be waived by private agreement between Employee and the Company, including any Claims for workers' compensation or unemployment insurance, (ii) any claim or cause of action to enforce any of Employee's rights under the Employment Agreement, (iii) any rights Employee may have under equity award agreements between Employee and the Company, (iv) any rights to indemnification from the Company that Employee may have, (v) any rights Employee may have under directors and officers insurance policies and rights or claims of contribution or advancement of expenses; (vi) any benefit to which Employee is entitled under any tax qualified pension plan of the Company or its affiliates, (vii) COBRA continuation coverage benefits, and (viii) vested benefits under welfare or other benefit plans of the Company or its affiliates. Nothing in this Agreement is intended to prohibit or restrict Employee's right to file a charge with or participate in a charge by the Equal Employment Opportunity Commission or any other local, state, or federal administrative body or government agency; provided, however, that Employee hereby waives the right to recover any monetary damages or other relief against any Releasees to the fullest extent permitted by law, excepting any benefit or remedy to which Employee is or becomes entitled to pursuant to Section 922 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

(g) Employee represents that Employee has made no assignment or transfer of any right or Claim covered by this Agreement, and Employee agrees that he is not aware of any such right or Claim.

2. Consultation with Attorney; Voluntary Agreement. The Company advises Employee to consult with an attorney of his choosing prior to signing this Agreement. Employee understands and agrees that he has the right, and has been given the opportunity, to review this Agreement and, specifically, the General Release in Section 1 above, with an attorney. Employee also understands and agrees that he is under no obligation to consent to the General Release set forth in Section 1 above. Employee acknowledges and agrees that the payments to be made to Employee pursuant to the Employment Agreement are sufficient consideration to require him to abide with his obligations under this Agreement, including, but not limited to, the General Release set forth in Section 1. Employee represents that he has read this Agreement, including the General Release set forth in Section 1, and understands its terms and that he enters into this Agreement freely, voluntarily, and without coercion and for good and valuable consideration to which he would not otherwise be entitled.

3. Effective Date; Revocation. Employee acknowledges and represents that he has been given at least [twenty-one (21)][forty-five (45)] days during which to review and consider the provisions of this Agreement and, specifically, the General Release set forth in Section 1 above. Employee further acknowledges and represents that he has been advised by the Company that he has the right to revoke this Agreement for a period of seven (7) days after signing it. Employee acknowledges and agrees that, if he wishes to revoke this Agreement, he must do so in a writing, signed by him and received by the Company no later than 5:00 p.m. Eastern Time on the seventh (7^{th}) day of the revocation period. If no such revocation occurs, the General Release and this Agreement shall become effective on the eighth (8^{th}) day following his execution of this Agreement.

4. Survival. Sections 7, 9-14, 22 and 25-26 of the Employment Agreement shall survive Employee's execution of this Agreement, and where relevant, references in such paragraphs to the Employment Agreement shall be deemed references to this Agreement.

5. Severability. In the event that any one or more of the provisions of this Agreement are held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remainder of this Agreement shall not in any way be affected or impaired thereby. Upon such determination that any term or other provision of this Agreement is invalid, illegal or unenforceable, this Agreement shall be enforceable as closely as possible to its original intent, which is to provide the Releasees with a full release of all legally releasable Claims through the date upon which Employee signs this Agreement.

6. Waiver. No waiver by either party of any breach by the other party of any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of any other provision or condition at the time or at any prior or subsequent time.

7. Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without reference to its choice of law rules.

8. Waiver of Jury Trial. EMPLOYEE ACKNOWLEDGES THAT, BY SIGNING THIS AGREEMENT, EMPLOYEE IS WAIVING ANY RIGHT THAT EMPLOYEE MAY HAVE TO A JURY TRIAL OR A COURT TRIAL RELATED TO THIS AGREEMENT.

9. No Strict Construction. The language used in this Agreement will be deemed to be the language mutually chosen by the parties to reflect their mutual intent, and no doctrine of strict construction will be applied against any party.

10. No Admission of Liability. Nothing herein will be deemed or construed to represent an admission by the Company or the Releasees of any violation of law or other wrongdoing of any kind whatsoever.

11. Third-Party Beneficiaries. The Releasees are intended third-party beneficiaries of this Agreement, and this Agreement may be enforced by each of them in accordance with the terms hereof in respect of the rights granted to such Releasees hereunder.

Maximum Number of Units Issuable Hereunder:_____

*** * * * ***

THIS PERFORMANCE-VESTING SECURITY UNIT AWARD AGREEMENT (this "Agreement"), dated as of the Grant Date specified above, is entered into by and between Blue Mountain Midstream LLC, a Delaware limited liability company (the "Company"), and the Participant specified above, pursuant to the Blue Mountain Midstream LLC 2018 Omnibus Incentive Plan, as in effect and as amended from time to time (the "Plan"), which is administered by the Committee; and

WHEREAS, it has been determined that it would be in the best interests of the Company to grant the PSUs provided herein to the Participant, as permitted under Article VIII of the Plan, subject to the terms and conditions contained herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference; Plan Document Receipt**. This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Except as provided otherwise herein, any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of this Agreement shall control.

2. **Grant of Performance-Vesting Security Unit Award**. The Company hereby grants to the Participant, as of the Grant Date specified above, the number of Target PSUs specified above. Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of the Units underlying the PSUs, except as otherwise specifically provided for in the Plan or this Agreement.

3. **Vesting; Forfeiture**.

(a) General. Subject to the provisions of Sections 3(b) and 3(c) hereof, up to 200% of the Target PSUs subject to this Award shall vest upon the earlier of (x) the third anniversary of the Participant's commencement of employment with the Company on April 2, 2018 (the "Start Date") and (y) the consummation of a Change in Control (as applicable, the "Wind Up Date"), provided that the Participant has not incurred a Termination prior to the Wind Up Date. The percentage of the Target PSUs that vests as of the Wind Up Date (if any) shall be determined in accordance with Section 3(a)(i) below.

(i) Vesting Generally. The percentage of the Target PSUs that vests upon the occurrence of the Wind Up Date shall, subject to Section 3(a)(iii) below, be determined as follows:

(A) 0% of the Target PSUs shall vest if the Total Proceeds are less than $1,000,000 as of the Wind Up Date, and the entire Award shall automatically be forfeited for no consideration on the Wind Up Date;

(B) 50% of the Target PSUs shall vest if the Total Proceeds equal at least $1,000,000,000 as of the Wind Up Date;

(C) 100% of the Target PSUs shall vest if the Total Proceeds equal at least $1,250,000,000 as of the Wind Up Date;

(D) 150% of the Target PSUs shall vest if the Total Proceeds equal at least $1,500,000,000 as of the Wind Up Date; and

(E) 200% of the Target PSUs shall vest if the Total Proceeds equal or exceed $1,750,000,000 as of the Wind Up Date.

Notwithstanding anything to the contrary in the foregoing, in the event of any contribution (whether in cash, property or a combination thereof) to the capital of the Company following the Grant Date, the Board shall equitably adjust the vesting thresholds set forth above. For purposes of this Agreement, the PSUs that vest in accordance with the schedule set forth above (if any) shall be the "Vested PSUs".

(ii) Determination of Vesting. For the avoidance of doubt, in no event shall more than 200% of the Target PSUs vest, even if the Total Proceeds exceed $1,750,000,000 as of the Wind Up Date. If the amount of Total Proceeds is in between any two thresholds set forth in Section 3(a)(i) above, the percentage of the Target PSUs that vests shall be determined using straight-line interpolation (*e.g.*, if the Total Proceeds equal $1,625,000,000, 175% of the Target PSUs shall vest). Any PSUs that are not Vested PSUs as of the Wind Up Date shall automatically be forfeited for no consideration on the Wind Up Date.

(iii) Additional Change in Control Conditions. Notwithstanding anything to the contrary in the foregoing, in the event that the Wind Up Date occurs due to the consummation of a Change in Control, and the Participant has not incurred a Termination as of such Wind Up Date, the Board, in its sole discretion, may, in a manner that complies with Code Section 409A (to the extent applicable), subject up to twenty-five (25%) percent of the Vested PSUs (determined in accordance with Section 3(a)(i) above) to additional time-based vesting conditions until the earlier of (A) the six (6)-month anniversary of the Wind Up Date and (B) the date of the Participant's Good Leaver Termination (as defined below) (the "CIC Vesting Treatment"). The terms and conditions of the CIC Vesting Treatment shall be determined by the Board at or prior to the time of the Change in Control.

(b) Good Leaver Termination. In the event of the Participant's Termination (i) due to the Participant's death or Disability, (ii) by the Company or other employing Affiliate without Cause or (iii) by the Participant for Good Reason (each, a "Good Leaver Termination"), in each case, prior to the Wind Up Date, subject to the Participant's (or the Participant's estate's) execution and non-revocation of a general release of claims in favor of the Company (in the same form as the release attached to the Participant's employment agreement, if any) within fifty-two (52) days of such Good Leaver Termination, a pro-rata portion of the Target PSUs shall remain outstanding following such Good Leaver Termination and shall be eligible to vest upon the Wind Up Date based on satisfaction of the conditions set forth in Section 3(a)(i) above, with such pro-rata portion calculated by multiplying the number of Target PSUs by a fraction, (A) the numerator of which is the number of days that the Participant was employed with the Company or any of its Subsidiaries from the Start Date until the date of such Good Leaver Termination and (B) the denominator of which is one thousand and ninety-six (1,096) (the "Contingent PSUs"). Any Target PSUs that do not become Contingent PSUs (the "Tail Period PSUs") shall remain outstanding for the three (3) month period immediately following the Participant's Good Leaver Termination (the "Tail Period"), and in the event a Change in Control occurs during the Tail Period, all of the Target PSUs (including the Tail Period PSUs) shall be eligible to vest as of the date of such Change in Control based on satisfaction of the conditions set forth in Section 3(a)(i) above. Any Contingent PSUs or Tail Period PSUs that do not vest upon consummation of a Change in Control as a result of failing to satisfy the conditions set forth in Section 3(a)(i) above shall be forfeited immediately as of the Change in Control. If a Change in Control does not occur during the Tail Period, all of the Tail Period PSUs shall be forfeited immediately as of the end of the Tail Period. For the avoidance of doubt, if the third anniversary of the Start Date occurs during the Tail Period, thereby triggering the Wind Up Date, the Tail Period PSUs shall not be eligible to vest and shall be forfeited immediately as of such Wind Up Date.

(c) Committee Discretion to Accelerate Vesting. In addition to the foregoing, the Committee may, in its sole discretion, accelerate vesting of the PSUs at any time and for any reason.

(d) Forfeiture. Subject to the terms of this Section 3, all unvested PSUs shall be forfeited immediately upon the Participant's Termination for any reason or no reason.

4. **Delivery of Units**.

(a) General. Subject to Section 4(b) below, within sixty (60) days following the date on which the applicable PSUs become Vested PSUs (whether on the Wind Up Date or, if applicable, a later date in connection with the CIC Vesting Treatment), the Participant shall receive (i) the number of Units that corresponds to the number of such Vested PSUs, (ii) cash in an amount equal to the aggregate Fair Market Value of the Units underlying such Vested PSUs, with such Fair Market Value determined as of the Wind Up Date, or (iii) some combination of the foregoing, as determined by the Committee in its sole discretion.

(b) Blackout Periods. If the Participant is subject to any Company "blackout" policy or other trading restriction imposed by the Company on the date a distribution of Units would otherwise be made pursuant to Section 4(a) hereof, such distribution shall be instead made on the earlier of (i) the date that the Participant is not subject to any such policy or restriction and (ii) the later of (A) the end of the calendar year in which such distribution would otherwise have been made and (B) a date that is immediately prior to the expiration of two and one-half months following the date such distribution would otherwise have been made hereunder.

5. **Appraisal Right**. If the Participant, in good faith, disagrees with the Board's determination of (a) the Total Proceeds (or any component thereof) or (b) the Fair Market Value of the Units (exclusively limited to the Board's determination pursuant to clause (b) of the definition of Fair Market Value in the Plan) (the "Unit FMV") (as applicable, the "Disputed Value"), the Participant may request that the Board's determination be reviewed by a mutually acceptable nationally recognized valuation firm (the "Appraiser"), taking into account relevant factors in accordance with applicable law (including applicable tax rules) (the "Appraisal"). The Participant shall have sixty (60) calendar days from the date on which the Company provides the Participant with the Board's determination to provide the Company with written notice of such dispute (the "Dispute Notice"), which Dispute Notice shall include an acknowledgement of the Participant's potential responsibility for fees and expenses payable pursuant to this dispute provision. If the Participant provides the Company with a Dispute Notice, the Company and the Participant shall work together in good faith to resolve the issues in dispute. If the Company and the Participant are unable to resolve all such disputed issues within ten (10) business days following the Company's receipt of the Dispute Notice, the Participant may request the Appraisal. Any determination of the Appraiser pursuant to the foregoing provisions shall be a final and binding determination of the Disputed Value on the Participant and the Company. If such Appraiser's determination of the Disputed Value is less than or equal to 110% of the Total Proceeds or the Unit FMV determined by the Board, all costs and expenses associated with the Appraisal shall be borne by the Participant up to a maximum of $250,000 in the aggregate, with the remaining costs and expenses borne by the Company. If the Appraiser's determination of the Disputed Value is more than 110% of the Total Proceeds or the Unit FMV determined by the Board, all costs and expenses associated with the Appraisal shall be borne by the Company. If the Appraisal with respect to the Total Proceeds results in a greater number of Vested PSUs pursuant to Section 3(a)(i) above, the additional Vested PSUs shall be settled in accordance with Section 4(a) within thirty (30) days of the Appraisal completion date, subject to the terms and

conditions of the CIC Vesting Treatment, if imposed. If the Appraisal with respect to the Unit FMV results in a greater cash amount payable in respect of the Vested PSUs pursuant to Section 4(a)(ii) or Section 4(a)(iii) above, the additional cash amount shall be paid to the Participant within forty-five (45) days of the Appraisal completion date.

6. **Dividend Equivalent Rights; Rights as a Unitholder**. Cash dividends on the number of Units issuable hereunder shall be credited to a dividend book entry account on behalf of the Participant with respect to each PSU granted to the Participant, provided that such cash dividends shall not be deemed to be reinvested in Units and shall be held uninvested and without interest and paid in cash at the same time that the Units underlying the PSUs are delivered to the Participant in accordance with Section 4 hereof. Equity or property dividends on Units shall be credited to a dividend book entry account on behalf of the Participant with respect to each PSU granted to the Participant, provided that such equity or property dividends shall be paid in (i) Units, (ii) in the case of a spin-off, equity of the entity that is spun-off from the Company, or (iii) other property in the same form as is applicable to Unit holders, as applicable and in each case, at the same time that the Units underlying the PSUs are delivered to the Participant in accordance with Section 4 hereof. Except as otherwise provided herein, the Participant shall have no rights as a unitholder with respect to any Units covered by any PSU unless and until the Participant has become the holder of record of such Units.

7. **Certain Definitions**.

(a) "Equity Value" means the equity value of the Company determined as follows:

(i) if the Wind Up Date is the third anniversary of the Start Date, (A) the aggregate value of 100% of the Company's (or it's successor's) equity securities, as determined using the trailing 30-day volume-weighted average price for the Company's (or its successor's) equity securities, if the Company (or its successor) is publicly traded as of the Wind Up Date, or (B) the aggregate value of 100% of the Company's (or it's successor's) equity securities, as determined by the Board in good faith, if the Company (or its successor) is not publicly traded as of the Wind Up Date; and

(ii) if the Wind Up Date is a Change in Control, the sum of (A) the aggregate cash proceeds, and (B) the aggregate Fair Market Value of any non-cash consideration (as determined by the Board in good faith), in each case, received by the Company's equity holders in connection with the Change in Control. Equity Value shall exclude any holdbacks, escrows and/or contingent payments (the "Contingent Payments") unless and until actually paid to the Company's equity holders. If payment of the Contingent Payments results in a greater number of Vested PSUs pursuant to Section 3(a)(i) above, the additional Vested PSUs shall be settled in accordance with Section 4(a) within thirty (30) days of the relevant Contingent Payment date, subject to the terms and conditions of the CIC Vesting Treatment, if imposed. If less than 100% of the equity securities or assets of the Company are sold in such Change in Control, then the Board shall determine the Equity Value in good faith, using extrapolation where applicable.

(b) "Total Proceeds" means, without duplication, the sum of (i) the Equity Value on the Wind Up Date, and (ii) the aggregate amount distributed (but excluding distributions of Company equity securities) to the Company's equity holders from the Start Date until the Wind Up Date.

8. **Non-Transferability**. No portion of the PSUs may be sold, assigned, transferred, encumbered, hypothecated or pledged by the Participant, other than to the Company as a result of forfeiture of the PSUs as provided herein.

9. **Governing Law**. All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Texas, without regard to the choice of law principles thereof.

10. **Withholding of Tax; Section 409A**.

(a) The Participant agrees and acknowledges that the Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its good faith discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the PSUs, and if the withholding requirement cannot be satisfied, the Company may otherwise refuse to issue or transfer any Units otherwise required to be issued pursuant to this Agreement. Without limiting the foregoing, the Company, in its sole discretion, may withhold Units otherwise deliverable to the Participant hereunder with an aggregate Fair Market Value equal up to the Participant's total income and employment taxes imposed as a result of the vesting and/or settlement of the PSUs, but only to the extent permitted by applicable accounting rules so as not to affect accounting treatment.

(b) The intent of the parties is that the PSUs granted hereunder comply with Code Section 409A, and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. However, in no event whatsoever shall the Company be liable for any additional tax, interest or penalty that may be imposed on the Participant by Code Section 409A or damages for failing to comply with Code Section 409A.

(c) As noted above, a termination of service shall not be deemed to have occurred for purposes of this Agreement unless such termination is also a "separation from service" within the meaning of Code Section 409A, and for purposes of any such provision of this Agreement, references to a "termination," "termination of service" or like terms shall mean "separation from service." Notwithstanding anything to the contrary in this Agreement, if the Participant is deemed on the date of termination to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B), then payment of cash and/or delivery of Units in respect of the Vested PSUs pursuant to Section 4 shall not be made until the date which is the earlier of (i) the expiration of the six (6)-month period measured from the date of such "separation from service" of the Participant, and (ii) the date of the Participant's death, to the extent required under Code Section 409A. Upon the expiration of the foregoing delay period, the payment of cash and/or delivery of Units in respect of the Vested PSUs delayed pursuant to this Section 10(c) shall be made in one installment.

(d) Whenever a payment of cash and/or delivery of Units under this Agreement is to occur within a period of a number of days, the actual date of payment of cash and/or delivery of Units within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment of cash and/or delivery of Units under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Code Section 409A be subject to offset by any other amount unless otherwise permitted by Code Section 409A.

11. **Legend**. The Company may at any time place legends referencing any applicable federal, state or foreign securities law restrictions on all certificates, if any, representing Units issued pursuant to this Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates, if any, representing Units acquired pursuant to this Agreement in the possession of the Participant in order to carry out the provisions of this Section 11.

12. **Securities Representations**. This Agreement is being entered into by the Company in reliance upon the following express representations and warranties of the Participant. The Participant hereby acknowledges, represents and warrants that:

(a) The Participant has been advised that the Participant may be an "affiliate" within the meaning of Rule 144 under the Securities Act and in this connection the Company is relying in part on the Participant's representations set forth in this Section 12.

(b) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Units issuable hereunder must be held indefinitely unless an exemption from any applicable resale restrictions is available or the Company files an additional registration statement (or a "re-offer prospectus") with regard to such Units and the Company is under no obligation to register such Units (or to file a "re-offer prospectus").

(c) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Participant understands that (i) the exemption from registration under Rule 144 shall not be available unless (A) a public trading market then exists for the Units, (B) adequate information concerning the Company is then available to the public, and (C) other terms and conditions of Rule 144 or any exemption therefrom are complied with, and (ii) any sale of the Units issuable hereunder may be made only in limited amounts in accordance with the terms and conditions of Rule 144 or any exemption therefrom.

13. **No Waiver**. No waiver or non-action by either party hereto with respect to any breach by the other party of any provision of this Agreement shall be deemed or construed to be a waiver of any succeeding breach of such provision, or as a waiver of the provision itself.

14. **Entire Agreement; Amendment**. This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

15. **Notices**. Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

16. **No Right to Employment or Service**. Any questions as to whether and when there has been a Termination and the cause of such Termination shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or its Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

17. **Transfer of Personal Data**. The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the PSUs awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

18. **Compliance with Laws**. The grant of PSUs and the issuance of Units hereunder shall be subject to, and shall comply with, any applicable requirements of any foreign and U.S. federal and state securities laws, rules and regulations (including, without limitation, the provisions of the Securities Act, the Exchange Act and in each case any respective rules and regulations promulgated thereunder) and any other law, rule regulation or exchange requirement applicable thereto. The Company shall not be obligated to issue the PSUs or any Units pursuant to this Agreement if any such issuance would violate any such requirements. As a condition to the settlement of the PSUs, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate to evidence compliance with any applicable law or regulation.

19. **Binding Agreement; Assignment**. This Agreement shall inure to the benefit of, be binding upon, and be enforceable by the Company and its successors and assigns. The Participant shall not assign any part of this Agreement without the prior express written consent of the Company.

20. **Headings**. The titles and headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be a part of this Agreement.

21. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument.

22. **Further Assurances**. Each party hereto shall do and perform (or shall cause to be done and performed) all such further acts and shall execute and deliver all such other agreements, certificates, instruments and documents as either party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the Plan and the consummation of the transactions contemplated thereunder; provided that no such additional documents shall contain terms or conditions inconsistent with the terms and conditions of this Agreement.

23. **Severability**. The invalidity or unenforceability of any provisions of this Agreement in any jurisdiction shall not affect the validity, legality or enforceability of the remainder of this Agreement in such jurisdiction or the validity, legality or enforceability of any provision of this Agreement in any other jurisdiction, it being intended that all rights and obligations of the parties hereunder shall be enforceable to the fullest extent permitted by law.

24. **Acquired Rights**. The Participant acknowledges and agrees that: (a) the Company may terminate or amend the Plan at any time; provided that no such amendment or termination may impair the Participant's rights under this Agreement without the Participant's written consent; (b) the award of PSUs made under this Agreement is completely independent of any other award or grant and is made at the sole discretion of the Company; (c) no past grants or awards (including, without limitation, the PSUs awarded hereunder) give the Participant any right to any grants or awards in the future whatsoever; and (d) any benefits granted under this Agreement are not part of the Participant's ordinary salary, and shall not be considered as part of such salary in the event of severance, redundancy or resignation.

Number of Restricted Security Units ("RSUs") Granted:_____

*** * * * ***

THIS RESTRICTED SECURITY UNIT AWARD AGREEMENT (this "Agreement"), dated as of the Grant Date specified above, is entered into by and between Blue Mountain Midstream LLC, a Delaware limited liability company (the "Company"), and the Participant specified above, pursuant to the Blue Mountain Midstream LLC 2018 Omnibus Incentive Plan, as in effect and as amended from time to time (the "Plan"), which is administered by the Committee; and

WHEREAS, it has been determined that it would be in the best interests of the Company to grant the RSUs provided herein to the Participant, as permitted under Article IX of the Plan, subject to the terms and conditions contained herein and in the Plan.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth and for other good and valuable consideration, the parties hereto hereby mutually covenant and agree as follows:

1. **Incorporation By Reference; Plan Document Receipt**. This Agreement is subject in all respects to the terms and provisions of the Plan (including, without limitation, any amendments thereto adopted at any time and from time to time unless such amendments are expressly intended not to apply to the Award provided hereunder), all of which terms and provisions are made a part of and incorporated in this Agreement as if they were each expressly set forth herein. Except as provided otherwise herein, any capitalized term not defined in this Agreement shall have the same meaning as is ascribed thereto in the Plan. The Participant hereby acknowledges receipt of a true copy of the Plan and that the Participant has read the Plan carefully and fully understands its content. In the event of any conflict between the terms of this Agreement and the terms of the Plan, the terms of this Agreement shall control.

2. **Grant of Restricted Security Unit Award**. The Company hereby grants to the Participant, as of the Grant Date specified above, the number of RSUs specified above. Except as otherwise provided by the Plan, the Participant agrees and understands that nothing contained in this Agreement provides, or is intended to provide, the Participant with any protection against potential future dilution of the Participant's interest in the Company for any reason, and no adjustments shall be made for dividends in cash or other property, distributions or other rights in respect of the Units underlying the RSUs, except as otherwise specifically provided for in the Plan or this Agreement.

3. **Vesting; Forfeiture**.

(a) Vesting Generally. Subject to the provisions of Sections 3(b) to 3(d) hereof, the RSUs subject to this Award shall vest in three substantially equal installments (33.3%, 33.3% and 33.4%, respectively) (each installment, a "Tranche") on each of the first three anniversaries of the Participant's commencement of employment with the Company on April 2, 2018 (the "Start Date") (each such anniversary, a "Vesting Date"), such that 100% of the RSUs subject to this Award shall be vested as of the third anniversary of the Start Date, provided that the Participant has not incurred a Termination prior to each Vesting Date. There shall be no proportionate or partial vesting in the periods prior to each Vesting Date and all vesting shall occur only on the appropriate Vesting Date, subject to the Participant not incurring a Termination prior to the applicable Vesting Date. The continuous employment or service of the Participant shall not be deemed interrupted, and the Participant shall not be deemed to have incurred a Termination, by reason of the transfer of the Participant's employment or service among the Company and/or its Subsidiaries and/or Affiliates.

(b) Good Leaver Termination. In the event of the Participant's Termination (i) due to the Participant's death or Disability, (ii) by the Company or other employing Affiliate without Cause or (iii) by the Participant for Good Reason (each, a "Good Leaver Termination"), in each case, prior to the earlier of the third Vesting Date or the consummation of a Change in Control, subject to the Participant's (or the Participant's estate's) execution and non-revocation of a general release of claims in favor of the Company (in the same form as the release attached to the Participant's employment agreement, if any) within fifty-two (52) days of such Good Leaver Termination, the Participant shall vest, on the date of such Good Leaver Termination, in a pro-rata portion of the then-current Tranche, with such pro-rata portion calculated by multiplying the number of RSUs subject to such Tranche by a fraction, (A) the numerator of which is the number of days that the Participant was employed with the Company or any of its Subsidiaries from the Start Date or the most recent Vesting Date, as applicable, until the date of such Good Leaver Termination and (B) the denominator of which is three hundred and sixty-five (365). Any RSUs that remain unvested after the foregoing acceleration (the "Contingent RSUs") shall remain outstanding for the three (3) month period immediately following the Participant's Good Leaver Termination (the "Tail Period"), and in the event a Change in Control occurs during the Tail Period, all of the Contingent RSUs shall vest as of the date of such Change in Control. If a Change in Control does not occur during the Tail Period, all of the Contingent RSUs shall be forfeited immediately as of the end of the Tail Period.

(c) Change in Control. All unvested RSUs shall fully vest upon the consummation of a Change in Control, provided that the Participant has not incurred a Termination prior to such date.

(d) Committee Discretion to Accelerate Vesting. In addition to the foregoing, the Committee may, in its sole discretion, accelerate vesting of the RSUs at any time and for any reason.

(e) Forfeiture. Subject to the terms of this Section 3, all unvested RSUs shall be forfeited immediately upon the Participant's Termination for any reason or no reason.

4. **Delivery of Units**.

(a) General. Subject to Section 4(b) below, within sixty (60) days following the first to occur of (i) the consummation of a Change in Control (provided that an event shall not be considered to be a Change in Control for purposes of this Section 4(a) unless such event is also a "change in ownership," a "change in effective control" or a "change in the ownership of a substantial portion of the assets" of the Company within the meaning of Section 409A of the Code), (ii) the Participant's Termination for any or no reason (provided that an event shall be considered a Termination for purposes of this Section 4(a) only to the extent the Termination also constitutes a "separation from service" under Code Section 409A), and (iii) the third Vesting Date (each, a "Liquidity Event"), the Participant shall receive (A) the number of Units that corresponds to the number of RSUs that are vested as of the applicable Liquidity Event (the "Vested RSUs"), (B) cash in an amount equal to the aggregate Fair Market Value of the Units underlying the Vested RSUs, or (C) some combination of the foregoing, as determined by the Committee in its sole discretion.

(b) Blackout Periods. If the Participant is subject to any Company "blackout" policy or other trading restriction imposed by the Company on the date a distribution of Units would otherwise be made pursuant to Section 4(a) hereof, such distribution shall be instead made on the earlier of (i) the date that the Participant is not subject to any such policy or restriction and (ii) the later of (A) the end of the calendar year in which such distribution would otherwise have been made and (B) a date that is immediately prior to the expiration of two and one-half months following the date such distribution would otherwise have been made hereunder.

5. **Appraisal Right**. If the Participant, in good faith, disagrees with the Board's determination of the Fair Market Value of the Units (exclusively limited to the Board's determination pursuant to clause (b) of the definition of Fair Market Value in the Plan) (the "Unit FMV"), the Participant may request that the Board's determination be reviewed by a mutually acceptable nationally recognized valuation firm (the "Appraiser"), taking into account relevant factors in accordance with applicable law (including applicable tax rules) (the "Appraisal"). The Participant shall have sixty (60) calendar days from the date on which the Company provides the Participant with the Board's determination to provide the Company with written notice of such dispute (the "Dispute Notice"), which Dispute Notice shall include an acknowledgement of the Participant's potential responsibility for fees and expenses payable pursuant to this dispute provision. If the Participant provides the Company with a Dispute Notice, the Company and the Participant shall work together in good faith to resolve the issues in dispute. If the Company and the Participant are unable to resolve all such disputed issues within ten (10) business days following the Company's receipt of the Dispute Notice, the Participant may request the Appraisal. Any determination of the Appraiser pursuant to the foregoing provisions shall be a final and binding determination of the Unit FMV on the Participant and the Company. If such Appraiser's determination of the Unit FMV is less than or equal to 110% of the Unit FMV determined by the Board, all costs and expenses associated with the Appraisal shall be borne by the Participant up to a maximum of $250,000 in the aggregate, with the remaining costs and expenses borne by the Company. If the Appraiser's determination of the Disputed Value is more than 110% of the Unit

FMV determined by the Board, all costs and expenses associated with the Appraisal shall be borne by the Company. If the Appraisal with respect to the Unit FMV results in a greater cash amount payable in respect of the Vested RSUs pursuant to Section 4(a)(B) or Section 4(a)(C) above, the additional cash amount shall be paid to the Participant within forty-five (45) days of the Appraisal completion date.

6. **Dividend Equivalent Rights; Rights as a Unitholder**. Cash dividends on the number of Units issuable hereunder shall be credited to a dividend book entry account on behalf of the Participant with respect to each RSU granted to the Participant, provided that such cash dividends shall not be deemed to be reinvested in Units and shall be held uninvested and without interest and paid in cash at the same time that the Units underlying the RSUs are delivered to the Participant in accordance with Section 4 hereof. Equity or property dividends on Units shall be credited to a dividend book entry account on behalf of the Participant with respect to each RSU granted to the Participant, provided that such equity or property dividends shall be paid in (i) Units, (ii) in the case of a spin-off, securities of the entity that is spun-off from the Company, or (iii) other property in the same form as is applicable to Unit holders, as applicable and in each case, at the same time that the Units underlying the RSUs are delivered to the Participant in accordance with Section 4 hereof. Except as otherwise provided herein, the Participant shall have no rights as a unitholder with respect to any Units covered by any RSU unless and until the Participant has become the holder of record of such Units.

7. **Non-Transferability**. No portion of the RSUs may be sold, assigned, transferred, encumbered, hypothecated or pledged by the Participant, other than to the Company as a result of forfeiture of the RSUs as provided herein.

8. **Governing Law**. All questions concerning the construction, validity and interpretation of this Agreement shall be governed by, and construed in accordance with, the laws of the State of Texas, without regard to the choice of law principles thereof.

9. **Withholding of Tax; Section 409A**.

(a) The Participant agrees and acknowledges that the Company shall have the power and the right to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy any federal, state, local and foreign taxes of any kind (including, but not limited to, the Participant's FICA and SDI obligations) which the Company, in its good faith discretion, deems necessary to be withheld or remitted to comply with the Code and/or any other applicable law, rule or regulation with respect to the RSUs, and if the withholding requirement cannot be satisfied, the Company may otherwise refuse to issue or transfer any Units otherwise required to be issued pursuant to this Agreement. Without limiting the foregoing, the Company, in its sole discretion, may withhold Units otherwise deliverable to the Participant hereunder with an aggregate Fair Market Value equal up to the Participant's total income and employment taxes imposed as a result of the vesting and/or settlement of the RSUs, but only to the extent permitted by applicable accounting rules so as not to affect accounting treatment.

(b) The intent of the parties is that the RSUs granted hereunder comply with Code Section 409A, and accordingly, to the maximum extent permitted, this Agreement shall be interpreted to be in compliance therewith. However, in no event whatsoever shall the Company be liable for any additional tax, interest or penalty that may be imposed on the Participant by Code Section 409A or damages for failing to comply with Code Section 409A.

(c) As noted above, a termination of service shall not be deemed to have occurred for purposes of this Agreement unless such termination is also a "separation from service" within the meaning of Code Section 409A, and for purposes of any such provision of this Agreement, references to a "termination," "termination of service" or like terms shall mean "separation from service." Notwithstanding anything to the contrary in this Agreement, if the Participant is deemed on the date of termination to be a "specified employee" within the meaning of that term under Code Section 409A(a)(2)(B), then payment of cash and/or delivery of Units in respect of the Vested RSUs pursuant to Section 4 shall not be made until the date which is the earlier of (i) the expiration of the six (6)-month period measured from the date of such "separation from service" of the Participant, and (ii) the date of the Participant's death, to the extent required under Code Section 409A. Upon the expiration of the foregoing delay period, the payment of cash and/or delivery of Units in respect of the Vested RSUs delayed pursuant to this Section 9(c) shall be made in one installment.

(d) Whenever a payment of cash and/or delivery of Units under this Agreement is to occur within a period of a number of days, the actual date of payment of cash and/or delivery of Units within the specified period shall be within the sole discretion of the Company.

(e) Notwithstanding any other provision of this Agreement to the contrary, in no event shall any payment of cash and/or delivery of Units under this Agreement that constitutes "nonqualified deferred compensation" for purposes of Code Section 409A be subject to offset by any other amount unless otherwise permitted by Code Section 409A.

10. **Legend**. The Company may at any time place legends referencing any applicable federal, state or foreign securities law restrictions on all certificates, if any, representing Units issued pursuant to this Agreement. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates, if any, representing Units acquired pursuant to this Agreement in the possession of the Participant in order to carry out the provisions of this Section 10.

11. **Securities Representations**. This Agreement is being entered into by the Company in reliance upon the following express representations and warranties of the Participant. The Participant hereby acknowledges, represents and warrants that:

(a) The Participant has been advised that the Participant may be an "affiliate" within the meaning of Rule 144 under the Securities Act and in this connection the Company is relying in part on the Participant's representations set forth in this Section 11.

(b) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Units issuable hereunder must be held indefinitely unless an exemption from any applicable resale restrictions is available or the Company files an additional registration statement (or a "re-offer prospectus") with regard to such Units and the Company is under no obligation to register such Units (or to file a "re-offer prospectus").

(c) If the Participant is deemed an affiliate within the meaning of Rule 144 of the Securities Act, the Participant understands that (i) the exemption from registration under Rule 144 shall not be available unless (A) a public trading market then exists for the Units, (B) adequate information concerning the Company is then available to the public, and (C) other terms and conditions of Rule 144 or any exemption therefrom are complied with, and (ii) any sale of the Units issuable hereunder may be made only in limited amounts in accordance with the terms and conditions of Rule 144 or any exemption therefrom.

12. **No Waiver**. No waiver or non-action by either party hereto with respect to any breach by the other party of any provision of this Agreement shall be deemed or construed to be a waiver of any succeeding breach of such provision, or as a waiver of the provision itself.

13. **Entire Agreement; Amendment**. This Agreement, together with the Plan, contains the entire agreement between the parties hereto with respect to the subject matter contained herein, and supersedes all prior agreements or prior understandings, whether written or oral, between the parties relating to such subject matter. The Committee shall have the right, in its sole discretion, to modify or amend this Agreement from time to time in accordance with and as provided in the Plan. This Agreement may also be modified or amended by a writing signed by both the Company and the Participant. The Company shall give written notice to the Participant of any such modification or amendment of this Agreement as soon as practicable after the adoption thereof.

14. **Notices**. Any notice hereunder by the Participant shall be given to the Company in writing and such notice shall be deemed duly given only upon receipt thereof by the General Counsel of the Company. Any notice hereunder by the Company shall be given to the Participant in writing and such notice shall be deemed duly given only upon receipt thereof at such address as the Participant may have on file with the Company.

15. **No Right to Employment or Service**. Any questions as to whether and when there has been a Termination and the cause of such Termination shall be determined in the sole discretion of the Committee. Nothing in this Agreement shall interfere with or limit in any way the right of the Company, its Subsidiaries or its Affiliates to terminate the Participant's employment or service at any time, for any reason and with or without Cause.

16. **Transfer of Personal Data**. The Participant authorizes, agrees and unambiguously consents to the transmission by the Company (or any Subsidiary) of any personal data information related to the RSUs awarded under this Agreement for legitimate business purposes (including, without limitation, the administration of the Plan). This authorization and consent is freely given by the Participant.

17. **Compliance with Laws**. Ladies and Gentlemen:

Pursuant to your request, we have prepared estimates of the extent and value of the net proved oil, condensate, natural gas liquids (NGL), and gas reserves, as of December 31, 2017, of certain properties in which Linn Operating, Inc. (Linn) has represented that it owns an interest. This evaluation was completed on February 6, 2018. Linn has represented that these properties account for 100 percent of Linn's net proved reserves as of December 31, 2017. The properties are located in Arkansas, Illinois, Indiana, Kansas, Louisiana, Michigan, New Mexico, North Dakota, Oklahoma, Texas, and Utah. The net proved reserves estimates have been prepared in accordance with the reserves definitions of Rules 4-10(a) (1)-(32) of Regulation S-X of the Securities and Exchange Commission (SEC) of the United States. This report was prepared in accordance with guidelines specified in Item 1202 (a)(8) of Regulation S-K and is to be used for inclusion in certain SEC filings by Linn.

Reserves estimates included herein are expressed as net reserves. Gross reserves are defined as the total estimated petroleum remaining to be produced from these properties after December 31, 2017. Net reserves are defined as that portion of the gross reserves attributable to the interests owned by Linn after deducting all interests owned by others.

Estimates of oil, condensate, NGL, and gas reserves and future net revenue should be regarded only as estimates that may change as further production history and additional information become available. Not only are such reserves and revenue estimates based on that information which is currently available, but such estimates are also subject to the uncertainties inherent in the application of judgmental factors in interpreting such information.

Data used in this evaluation were obtained from reviews with Linn personnel, from Linn files, from records on file with the appropriate regulatory agencies, and from public sources. In the preparation of this report we have relied, without independent verification, upon such information furnished by Linn with respect to property interests, production from such properties, current costs of operation and development, current prices for production, agreements relating to current and future operations and sale of production, and various other information and data that were accepted as represented. A field examination of the properties was not considered necessary for the purposes of this report.

Methodology and Procedures

Estimates of reserves were prepared by the use of appropriate geologic, petroleum engineering, and evaluation principles and techniques that are in accordance with practices generally recognized by the petroleum industry as presented in the publication of the Society of Petroleum Engineers entitled "Standards Pertaining to the Estimating and Auditing of Oil and Gas Reserves Information (Revision as of February 19, 2007)." The method or combination of methods used in the analysis of each reservoir was tempered by experience with similar reservoirs, stage of development, quality and completeness of basic data, and production history.

Based on the current stage of field development, production performance, the development plans provided by Linn, and the analyses of areas offsetting existing wells with test or production data, reserves were classified as proved.

Linn has represented that its senior management is committed to the development plan provided by Linn and that Linn has the financial capability to drill the locations as scheduled in its development plan.

For depletion-type reservoirs or those whose performance disclosed a reliable decline in producing-rate trends or other diagnostic characteristics, reserves were estimated by the application of appropriate decline curves or other performance relationships. In the analyses of production-decline curves, reserves were estimated only to the limits of economic production based on existing economic conditions.

In certain cases, when the previously named methods could not be used, reserves were estimated by analogy with similar wells or reservoirs for which more complete data were available.

Gas quantities estimated herein are expressed as sales gas. Sales gas is defined as the total gas to be produced from the reservoirs, measured at the point of delivery, after reduction for fuel use, flare, and shrinkage resulting from field separation and processing. Gas reserves are expressed at a temperature base of 60 degrees Fahrenheit and at the pressure base of the state in which the interest is located. Gas reserves included herein are expressed in thousands of cubic feet (Mcf). Oil and condensate reserves estimated herein are those to be recovered by conventional lease separation. NGL reserves are those attributed to the leasehold interests according to yields provided by Linn. Oil, condensate, and NGL reserves included in this report are expressed in barrels (bbl) representing 42 United States gallons per barrel. For reporting purposes, oil and condensate reserves have been estimated separately and are presented herein as a summed quantity.

Definition of Reserves

Petroleum reserves included in this report are classified as proved. Only proved reserves have been evaluated for this report. Reserves classifications used in this report are in accordance with the reserves definitions of Rules 4-10(a) (1)-(32) of Regulation S-X of the SEC. Reserves are judged to be economically producible in future years from known reservoirs under existing economic and operating conditions and assuming continuation of current regulatory practices using conventional production methods and equipment. In the analyses of production-decline curves, reserves were estimated only to the limit of economic rates of production under existing economic and operating conditions using prices and costs consistent with the effective date of this report, including consideration of changes in existing prices provided only by contractual arrangements but not including escalations based upon future conditions. The petroleum reserves are classified as follows:

Proved oil and gas reserves - Proved oil and gas reserves are those quantities of oil and gas, which, by analysis of geoscience and engineering data, can be estimated with reasonable certainty to be economically producible-from a given date forward, from known reservoirs, and under existing economic conditions, operating methods, and government regulations-prior to the time at which contracts providing the right to operate expire, unless evidence indicates that

renewal is reasonably certain, regardless of whether deterministic or probabilistic methods are used for the estimation. The project to extract the hydrocarbons must have commenced or the operator must be reasonably certain that it will commence the project within a reasonable time.

(i) The area of the reservoir considered as proved includes:
(A) The area identified by drilling and limited by fluid contacts, if any, and (B) Adjacent undrilled portions of the reservoir that can, with reasonable certainty, be judged to be continuous with it and to contain economically producible oil or gas on the basis of available geoscience and engineering data.

(ii) In the absence of data on fluid contacts, proved quantities in a reservoir are limited by the lowest known hydrocarbons (LKH) as seen in a well penetration unless geoscience, engineering, or performance data and reliable technology establishes a lower contact with reasonable certainty.

(iii) Where direct observation from well penetrations has defined a highest known oil (HKO) elevation and the potential exists for an associated gas cap, proved oil reserves may be assigned in the structurally higher portions of the reservoir only if geoscience, engineering, or performance data and reliable technology establish the higher contact with reasonable certainty.

(iv) Reserves which can be produced economically through application of improved recovery techniques (including, but not limited to, fluid injection) are included in the proved classification when:

(A) Successful testing by a pilot project in an area of the reservoir with properties no more favorable than in the reservoir as a whole, the operation of an installed program in the reservoir or an analogous reservoir, or other evidence using reliable technology establishes the reasonable certainty of the engineering analysis on which the project or program was based; and (B) The project has been approved for development by all necessary parties and entities, including governmental entities.

(v) Existing economic conditions include prices and costs at which economic producibility from a reservoir is to be determined. The price shall be the average price during the 12-month period prior to the ending date of the period covered by the report, determined as an unweighted arithmetic average of the first-day-of-the-month price for each month within such period, unless prices are defined by contractual arrangements, excluding escalations based upon future conditions.

Developed oil and gas reserves - Developed oil and gas reserves are reserves of any category that can be expected to be recovered:

(i) Through existing wells with existing equipment and operating methods or in which the cost of the required equipment is relatively minor compared to the cost of a new well; and

(ii) Through installed extraction equipment and infrastructure operational at the time of the reserves estimate if the extraction is by means not involving a well.

Undeveloped oil and gas reserves - Undeveloped oil and gas reserves are reserves of any category that are expected to be recovered from new wells on undrilled acreage, or from existing wells where a relatively major expenditure is required for recompletion.

(i) Reserves on undrilled acreage shall be limited to those directly offsetting development spacing areas that are reasonably certain of production when drilled, unless evidence using reliable technology exists that establishes reasonable certainty of economic producibility at greater distances.

(ii) Undrilled locations can be classified as having undeveloped reserves only if a development plan has been adopted indicating that they are scheduled to be drilled within five years, unless the specific circumstances justify a longer time.

(iii) Under no circumstances shall estimates for undeveloped reserves be attributable to any acreage for which an application of fluid injection or other improved recovery technique is contemplated, unless such techniques have been proved effective by actual projects in the same reservoir or an analogous reservoir, as defined in [section 210.4-10 (a) Definitions], or by other evidence using reliable technology establishing reasonable certainty.

The development status shown herein represents the status applicable on December 31, 2017. In the preparation of this study, data available from wells drilled on the evaluated properties through December 31, 2017, were used in estimating gross ultimate recovery. When applicable, gross production estimated through December 31, 2017, was deducted from gross ultimate recovery to arrive at the estimates of gross reserves. In some fields this required that the production rates be estimated for up to 2 months, since production data from certain properties were available only through October 2017.

Primary Economic Assumptions

Values of proved reserves in this report are expressed in terms of estimated future gross revenue, future net revenue, and present worth. Future gross revenue is that revenue which will accrue to the evaluated interests from the production and sale of the estimated net reserves. Future net revenue is calculated by deducting estimated production taxes, ad valorem taxes, operating expenses, a net profits interest owned by others, capital costs, and abandonment costs from the future gross revenue. Operating expenses include field operating expenses, transportation expenses, compression charges, and an allocation of overhead that directly relates to production activities. Future income tax expenses were not taken into account in the preparation of these estimates. Present worth of future net revenue is calculated by discounting the future net revenue at the arbitrary rate of 10 percent per year compounded monthly over the expected period of realization. Present worth should not be construed as fair market value because no consideration was given to additional factors that influence the prices at which properties are bought and sold.

DeGolyer and MacNaughton

Future prices were estimated using guidelines established by the SEC and the Financial Accounting Standards Board (FASB). The assumptions used for estimating future prices and expenses are as follows:

Oil, Condensate, and NGL Prices

Linn has represented that the oil, condensate, and NGL prices were based on West Texas Intermediate (WTI) pricing, calculated as the unweighted arithmetic average of the first-day-of-the-month price for each month within the 12-month period prior to the end of the reporting period, unless prices are defined by contractual arrangements. The oil, condensate, and NGL prices were calculated using differentials furnished by Linn to the reference price of $51.34 per barrel. The resulting volume-weighted average prices over the lives of the properties were $48.64 per barrel of oil and condensate and $23.09 per barrel of NGL.

Gas Prices

Linn has represented that the gas prices were based on Henry Hub pricing, calculated as the unweighted arithmetic average of the first-day-of-the-month price for each month within the 12-month period prior to the end of the reporting period, unless prices are defined by contractual arrangements. The gas prices were calculated for each property using differentials furnished by Linn to the reference price of $2.98 per million British thermal units ($/MMBtu) and held constant thereafter. British thermal unit factors provided by Linn were used to convert prices from $/MMBtu to dollars per thousand cubic feet. The resulting volume-weighted average price over the lives of the properties was $2.734 per thousand cubic feet of gas.

Production and Ad Valorem Taxes

Production taxes were calculated using the tax rates for each state in which the reserves are located, including, where appropriate, abatements for enhanced recovery programs. Ad valorem taxes were calculated using rates provided by Linn based on historical payments.

DeGolyer and MacNaughton

Operating Expenses, Capital Costs, and Abandonment Costs

Estimates of operating expenses, provided by Linn and based on current expenses, were held constant for the lives of the properties. Future capital expenditures were estimated using 2017 values, provided by Linn, and were not adjusted for inflation. Abandonment costs, which are those costs associated with the removal of equipment, plugging of the wells, and reclamation and restoration associated with the abandonment, were provided by Linn for all properties. Net profits interest expenses were calculated for certain properties.

Our estimates of Linn's net proved reserves attributable to the reviewed properties were based on the definition of proved reserves of the SEC and are summarized as follows, expressed in thousands of barrels (Mbbl), millions of cubic feet (MMcf), and millions of cubic feet equivalent (MMcfe):

	Estimated by DeGolyer and MacNaughton Net Proved Reserves as of December 31, 2017

DeGolyer and MacNaughton

The estimated future revenue and costs attributable to the production and sale of Linn's net proved reserves, as of December 31, 2017, of the properties reviewed under the aforementioned assumptions concerning future prices and costs are summarized in thousands of dollars (M$) as follows:

	Proved Developed Producing (M$)	Proved Developed Non-Producing (M$)	Total Proved Developed (M$)	Proved Undeveloped (M$)	Total Proved (M$)

Note: Future income taxes have not been taken into account in the preparation of these estimates.

While the oil and gas industry may be subject to regulatory changes from time to time that could affect an industry participant's ability to recover its reserves, we are not aware of any such governmental actions which would restrict the recovery of the December 31, 2017, estimated reserves.

In our opinion, the information relating to estimated proved reserves, estimated future net revenue from proved reserves, and present worth of estimated future net revenue from proved reserves of oil, condensate, natural gas liquids, and gas contained in this report has been prepared in accordance with Paragraphs 932-235-50-4, 932-235-50-6, 932-235-50-7, 932-235-50-9, 932-235-50-30, and 932-235-50-31(a), (b), and (e) of the Accounting Standards Update 932-235-50, Extractive Industries - Oil and Gas (Topic 932): Oil and Gas Reserve Estimation and Disclosures (January 2010) of the Financial Accounting Standards Board and Rules 4-10(a) (1)-(32) of Regulation S-X and Rules 302(b), 1201, 1202(a) (1), (2), (3), (4), (8), and 1203(a) of Regulation S-K of the Securities and Exchange Commission; provided, however, that (i) future income tax expenses have not been taken into account in estimating the future net revenue and present worth values set forth herein and (ii) estimates of the proved developed and proved undeveloped reserves are not presented at the beginning of the year.

To the extent the above-enumerated rules, regulations, and statements require determinations of an accounting or legal nature, we, as engineers, are necessarily unable to express an opinion as to whether the above-described information is in accordance therewith or sufficient therefor.

Ladies and Gentlemen:

Pursuant to your request, we have prepared estimates of the extent and value of the net proved oil, condensate, natural gas liquids (NGL), and gas reserves, as of December 31, 2017, of certain properties in which Roan Resources, LLC (Roan) has represented that it owns an interest. This evaluation was completed on February 14, 2018. Roan has represented that these properties account for 100 percent of Roan's net proved reserves as of December 31, 2017. The properties are located in Oklahoma. The net proved reserves estimates have been prepared in accordance with the reserves definitions of Rules 4–10(a)(1)–(32) of Regulation S–X of the Securities and Exchange Commission (SEC) of the United States. This report was prepared in accordance with guidelines specified in Item 1202 (a)(8) of Regulation S-K and is to be used for inclusion in certain SEC filings by Roan.

Reserves estimates included herein are expressed as net reserves. Gross reserves are defined as the total estimated petroleum remaining to be produced from these properties after December 31, 2017. Net reserves are defined as that portion of the gross reserves attributable to the interests owned by Roan after deducting all interests owned by others.

Estimates of oil, condensate, NGL, and gas reserves and future net revenue should be regarded only as estimates that may change as further production history and additional information become available. Not only are such reserves and revenue estimates based on that information which is currently available, but such estimates are also subject to the uncertainties inherent in the application of judgmental factors in interpreting such information.

Data used in this evaluation were obtained from reviews with Roan personnel, from Roan files, from records on file with the appropriate regulatory agencies, and from public sources. In the preparation of this report we have relied, without independent verification, upon such information furnished by Roan with respect to property interests, production from such properties, current costs of operation and development, current prices for production, agreements relating to current and future operations and sale of production, and various other information and data that were accepted as represented. A field examination of the properties was not considered necessary for the purposes of this report.

Methodology and Procedures

Estimates of reserves were prepared by the use of appropriate geologic, petroleum engineering, and evaluation principles and techniques that are in accordance with practices generally recognized by the petroleum industry, which are presented in the publication of the Society of Petroleum Engineers PRMS and publications of the Society of Petroleum Evaluation Engineers Monograph III and IV.

A performance-based methodology integrating the appropriate geology and petroleum engineering data was utilized for the evaluation of all reserves categories. Performance-based methodology primarily includes (1) production diagnostics, (2) decline-curve analysis, and (3) model-based analysis (if necessary, based on availability of data). Production diagnostics include data quality control, identification of flow regimes, and characteristic well performance behavior. Analysis was performed for all well groupings (or type-curve areas).

Characteristic rate-decline profiles from diagnostic interpretation were translated to modified hyperbolic rate profiles, including one or multiple b-exponent values followed by an exponential decline. Based on the availability of data, model-based analysis may be integrated to evaluate long-term decline behavior, the impact of dynamic reservoir and fracture parameters on well performance, and complex situations sourced by the nature of unconventional reservoirs. The methodology used for the analysis was tempered by experience with similar reservoirs, stage of development, quality and completeness of basic data, production history, and the appropriate reserves definitions.

In certain cases, when the previously named methods could not be used, reserves were estimated by analogy with similar wells or reservoirs for which more complete data were available.

Based on the current stage of field development, production performance, the development plans provided by Roan, and the analyses of areas offsetting existing wells with test or production data, reserves were classified as proved.

Proved developed non-producing reserves were estimated for wells that have been drilled and completed but were not producing as of December 31, 2017. Roan has represented that all of the capital costs for the proved developed non-producing wells have been spent as of December 31, 2017.

Roan has represented that its senior management is committed to the development plan provided by Roan and that Roan has the financial capability to drill the locations as scheduled in its development plan.

Gas quantities estimated herein are expressed as sales gas. Sales gas is defined as the total gas to be produced from the reservoirs, measured at the point of delivery, after reduction for fuel use, flare, and shrinkage resulting from field separation and processing. Gas reserves are expressed at a temperature base of 60 degrees Fahrenheit and at a pressure base of 14.65 pounds per square inch absolute. Gas reserves included herein are expressed in thousands of cubic feet (Mcf). Oil and condensate reserves estimated herein are those to be recovered by conventional lease separation. NGL reserves are those attributed to the leasehold interests according to yields provided by Roan. Oil, condensate, and NGL reserves included in this report are expressed in barrels (bbl) representing 42 United States gallons per barrel. For reporting purposes, oil and condensate reserves have been estimated separately and are presented herein as a summed quantity.

Definition of Reserves

Petroleum reserves included in this report are classified as proved. Only proved reserves have been evaluated for this report. Reserves classifications used in this report are in accordance with the reserves definitions of Rules 4–10(a) (1)–(32) of Regulation S–X of the SEC. Reserves are judged to be economically producible in future years from known reservoirs under existing economic and operating conditions and assuming continuation of current regulatory practices using conventional production methods and equipment. In the analyses of production-

decline curves, reserves were estimated only to the limit of economic rates of production under existing economic and operating conditions using prices and costs consistent with the effective date of this report, including consideration of changes in existing prices provided only by contractual arrangements but not including escalations based upon future conditions. The petroleum reserves are classified as follows:

Proved oil and gas reserves – Proved oil and gas reserves are those quantities of oil and gas, which, by analysis of geoscience and engineering data, can be estimated with reasonable certainty to be economically producible—from a given date forward, from known reservoirs, and under existing economic conditions, operating methods, and government regulations—prior to the time at which contracts providing the right to operate expire, unless evidence indicates that renewal is reasonably certain, regardless of whether deterministic or probabilistic methods are used for the estimation. The project to extract the hydrocarbons must have commenced or the operator must be reasonably certain that it will commence the project within a reasonable time.

(i) The area of the reservoir considered as proved includes:

(A) The area identified by drilling and limited by fluid contacts, if any, and (B) Adjacent undrilled portions of the reservoir that can, with reasonable certainty, be judged to be continuous with it and to contain economically producible oil or gas on the basis of available geoscience and engineering data.

(ii) In the absence of data on fluid contacts, proved quantities in a reservoir are limited by the lowest known hydrocarbons (LKH) as seen in a well penetration unless geoscience, engineering, or performance data and reliable technology establishes a lower contact with reasonable certainty.

(iii) Where direct observation from well penetrations has defined a highest known oil (HKO) elevation and the potential exists for an associated gas cap, proved oil reserves may be assigned in the structurally higher portions of the reservoir only if geoscience, engineering, or performance data and reliable technology establish the higher contact with reasonable certainty.

(iv) Reserves which can be produced economically through application of improved recovery techniques (including, but not limited to, fluid injection) are included in the proved classification when:

(A) Successful testing by a pilot project in an area of the reservoir with properties no more favorable than in the reservoir as a whole, the operation of an installed program in the reservoir or an analogous reservoir, or other evidence using reliable technology establishes the reasonable certainty of the engineering analysis on which the project or program was based; and (B) The project has been approved for development by all necessary parties and entities, including governmental entities.

(v) Existing economic conditions include prices and costs at which economic producibility from a reservoir is to be determined. The price shall be the average price during the 12-month period prior to the ending date of the period covered by the report, determined as an unweighted arithmetic average of the first-day-of-the-month price for each month within such period, unless prices are defined by contractual arrangements, excluding escalations based upon future conditions.

Developed oil and gas reserves – Developed oil and gas reserves are reserves of any category that can be expected to be recovered:

(i) Through existing wells with existing equipment and operating methods or in which the cost of the required equipment is relatively minor compared to the cost of a new well; and

(ii) Through installed extraction equipment and infrastructure operational at the time of the reserves estimate if the extraction is by means not involving a well.

Undeveloped oil and gas reserves – Undeveloped oil and gas reserves are reserves of any category that are expected to be recovered from new wells on undrilled acreage, or from existing wells where a relatively major expenditure is required for recompletion.

(i) Reserves on undrilled acreage shall be limited to those directly offsetting development spacing areas that are reasonably certain of production when drilled, unless evidence using reliable technology exists that establishes reasonable certainty of economic producibility at greater distances.

(ii) Undrilled locations can be classified as having undeveloped reserves only if a development plan has been adopted indicating that they are scheduled to be drilled within five years, unless the specific circumstances justify a longer time.

(iii) Under no circumstances shall estimates for undeveloped reserves be attributable to any acreage for which an application of fluid injection or other improved recovery technique is contemplated, unless such techniques have been proved effective by actual projects in the same reservoir or an analogous reservoir, as defined in [section 210.4–10 (a) Definitions], or by other evidence using reliable technology establishing reasonable certainty.

The development status shown herein represents the status applicable on December 31, 2017. In the preparation of this study, data available from wells drilled on the evaluated properties through December 31, 2017, were used in estimating gross ultimate recovery. When applicable, gross production estimated through December 31, 2017, was deducted from gross ultimate recovery to arrive at the estimates of gross reserves. In some fields this required that the production rates be estimated for up to 2 months, since production data from certain properties were available only through October 2017.

Primary Economic Assumptions

Values of proved reserves in this report are expressed in terms of estimated future gross revenue, future net revenue, and present worth. Future gross revenue is that revenue which will accrue to the evaluated interests from the production and

sale of the estimated net reserves. Future net revenue is calculated by deducting estimated production taxes, operating expenses, capital costs, and abandonment costs from the future gross revenue. Operating expenses include field operating expenses, transportation expenses, compression charges, and an allocation of overhead that directly relates to production activities. Future income tax expenses were not taken into account in the preparation of these estimates. Present worth of future net revenue is calculated by discounting the future net revenue at the arbitrary rate of 10 percent per year compounded monthly over the expected period of realization. Present worth should not be construed as fair market value because no consideration was given to additional factors that influence the prices at which properties are bought and sold.

Future prices were estimated using guidelines established by the SEC and the Financial Accounting Standards Board (FASB). The assumptions used for estimating future prices and expenses are as follows:

Oil, Condensate, and NGL Prices

Roan has represented that the oil, condensate, and NGL prices were based on West Texas Intermediate (WTI) pricing, calculated as the unweighted arithmetic average of the first-day-of-the-month price for each month within the 12-month period prior to the end of the reporting period, unless prices are defined by contractual arrangements. The oil, condensate, and NGL prices were calculated using differentials furnished by Roan to the reference price of $51.34 per barrel. The resulting volume-weighted average prices over the lives of the properties were $49.43 per barrel of oil and condensate and $19.00 per barrel of NGL.

Gas Prices

Roan has represented that the gas prices were based on Henry Hub pricing, calculated as the unweighted arithmetic average of the first-day-of-the-month price for each month within the 12-month period prior to the end of the reporting period, unless prices are defined by contractual arrangements. The gas prices were calculated for each property using differentials furnished by Roan to the reference price of $2.98 per million British

thermal units ($/MMBtu) and held constant thereafter. British thermal unit factors provided by Roan were used to convert prices from $/MMBtu to dollars per thousand cubic feet. The resulting volume-weighted average price over the lives of the properties was $2.783 per thousand cubic feet of gas.

Production Taxes

Production taxes were calculated using the tax rates for Oklahoma.

Operating Expenses, Capital Costs, and Abandonment Costs

Estimates of operating expenses, provided by Roan and based on current expenses, were held constant for the lives of the properties. Future capital expenditures were estimated using 2017 values, provided by Roan, and were not adjusted for inflation. Abandonment costs, which are those costs associated with the removal of equipment, plugging of the wells, and reclamation and restoration associated with the abandonment, were provided by Roan for all properties.

Our estimates of Roan's net proved reserves attributable to the reviewed properties were based on the definition of proved reserves of the SEC and are summarized as follows, expressed in thousands of barrels (Mbbl), millions of cubic feet (MMcf), and millions of cubic feet equivalent (MMcfe):

	Estimated by DeGolyer and MacNaughton Net Proved Reserves as of December 31, 2017

While the oil and gas industry may be subject to regulatory changes from time to time that could affect an industry participant's ability to recover its reserves, we are not aware of any such governmental actions which would restrict the recovery of the December 31, 2017, estimated reserves.

In our opinion, the information relating to estimated proved reserves, estimated future net revenue from proved reserves, and present worth of estimated future net revenue from proved reserves of oil, condensate, natural gas liquids, and gas contained in this report has been prepared in accordance with Paragraphs 932-235-50-4, 932-235-50-6, 932-235-50-7, 932-235-50-9, 932-235-50-30, and 932-235-50-31(a), (b), and (e) of the Accounting Standards Update 932-235-50, *Extractive Industries – Oil and Gas (Topic 932): Oil and Gas Reserve Estimation and Disclosures* (January 2010) of the Financial Accounting Standards Board and Rules 4–10(a) (1)–(32) of Regulation S–X and Rules 302(b), 1201, 1202(a) (1), (2), (3), (4), (8), and 1203(a) of Regulation S–K of the Securities and Exchange Commission; provided, however, that (i) future income tax expenses have not been taken into account in estimating the future net revenue and present worth values set forth herein and (ii) estimates of the proved developed and proved undeveloped reserves are not presented at the beginning of the year.

To the extent the above-enumerated rules, regulations, and statements require determinations of an accounting or legal nature, we, as engineers, are necessarily unable to express an opinion as to whether the above-described information is in accordance therewith or sufficient therefor.
