BCCK shall, and shall cause its subsidiaries and affiliates (including BCCK's Affiliates) to, use their respective re-seller's certificate (or similar certificate) when purchasing any and all Equipment, supplies, and other taxable items for the Linn Chisholm Trail Cryogenic Gas Plant, so that BCCK and its subsidiaries and affiliates (including BCCK's Affiliates) shall not pay any sales, use, or other similar tax for which Linn would be responsible to reimburse BCCK under this Agreement to the extent such re-seller's certificate permits such equipment, supplies or other items to be exempt for sales or other taxes under applicable Legal Requirements. Linn has applied for and will provide to BCCK upon receipt a manufacturer's certificate for Oklahoma, and BCCK shall not charge or invoice Linn for any taxes with respect to any Equipment, supplies, or other items that are exempt from taxation under the manufacturer's certificate. Subject to the previous provisions of this **Article 6**, Linn will reimburse BCCK, with each invoice, for any sales, use, and property taxes now or hereafter imposed by any governmental body or agency upon the Linn Chisholm Trail Cryogenic Gas Plant related to the possession, operation, use or purchases of Equipment, supplies or materials hereunder that are paid by BCCK that are not subject to Linn's manufacturer's certificate or exempt from sales, use or other taxes by virtue of BCCK's reseller's certificate. BCCK will remit tax payments to the applicable governmental bodies or agencies having jurisdiction over such taxes on Linn's behalf and reconcile the tax account at the end of the Project. Balancing of this account will be based on actual tax liability and any shortfalls in tax liability shall be paid by Linn. Any amounts Linn submits in excess of the tax liability BCCK pays to the applicable governmental bodies or agencies will be remitted to Linn by BCCK.

7. Maintenance and Repair

Except for warranty repair work, BCCK shall not have any obligation to test, adjust, maintain, repair, or service the Equipment or the Linn Chisholm Trail Cryogenic Gas Plant under this Agreement, it being understood than BCCK's limited responsibilities in such respect are exclusively set forth in the Engineering and Construction Agreement.

8. Bonds

Within fourteen (14) days after the Effective Date, BCCK shall provide to Linn a payment and performance bond in an amount determined by Linn (and communicated to BCCK within seven (7) days after the Effective Date) guaranteeing to Linn the timely payment of all Subcontractors and the timely performance by BCCK of all of its obligations under this Agreement. The cost of this payment and performance bond is not included in the Contract Price and BCCK's cost therefor will be added to the Contract Price by Change Order once the cost is determined. Notwithstanding anything to the contrary contained in this Agreement Linn's obligation to pay BCCK is subject to the requirements, if any, of the bond and the bonding company with respect to payments.

BCCK's limited warranty obligations with respect to the Equipment are set forth in Article 18 of the Engineering and Construction Agreement.

THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH THE EQUIPMENT OR THE LINN CHISHOLM TRAIL CRYOGENIC GAS PLANT, WHICH EXTEND BEYOND THE EXPRESSED WARRANTIES AS STATED IN ARTICLE 18 "LIMITED WARRANTY" OF THE ENGINEERING AND CONSTRUCTION AGREEMENT.

16. Enforceability

If any part hereof is contrary to, prohibited by or deemed invalid under applicable Legal Requirements of any jurisdiction, such provision shall be inapplicable and deemed omitted but shall not invalidate the remaining provisions hereof. THIS AGREEMENT IS IRREVOCABLE FOR THE FULL TERM HEREOF, except as otherwise specifically provided herein.

17. Changes in Scope

The parties anticipate that, from time to time, Linn may desire changes in the scope of Equipment to be supplied by BCCK pursuant to this Agreement. These changes may affect the cost of or the time required for the supply of the Equipment. Such changes may include without limitation:

i. Linn Chisholm Trail Cryogenic Gas Plant design changes above Industry Standards.

ii. Increase in scope of supplied Equipment to include equipment not originally included in this Agreement.

iii. Decrease in scope of supplied Equipment.

If Linn desires a change in the scope of the Equipment, it shall identify the change and ask BCCK to determine the cost of the change. BCCK shall promptly upon receipt of the request determine the estimated cost of the change and the effect the change would have on the scheduled time to supply the Equipment and submit a proposal to Linn which identifies the estimated cost and change in the schedule, if any, and may, if desired by BCCK, include a lump sum price proposal for such change. After discussion by BCCK and Linn, if both parties agree to the proposal, including BCCK's lump sum proposal, if applicable, then BCCK shall prepare and sign a Change Order for Linn's approval and signature.

If Linn and BCCK cannot agree on the estimated time and materials cost and change in schedule, or BCCK's lump sum proposal, if applicable, then Linn may issue a directive (a "***Change Directive***") to BCCK to proceed with the change on a time and materials basis (including the designation of the supplier of the applicable Equipment), irrespective of their difference on the estimated cost and effect on the schedule. Once the change is complete, BCCK shall advise Linn of the actual cost and actual effect on the schedule, if any. BCCK shall then prepare and sign a Change Order for Linn's approval and signature, subject to Linn's audit rights.

No adjustment to the Contract Price shall be made, except by approval by both parties of a Change Order document. Each Change Order shall set forth the change in the scope of the Equipment, schedule and to the Contract Price. Each Change Order shall also set forth the basis on which BCCK will be compensated for the change to the amount due. Change Orders are not valid until signed by both Linn and BCCK. This Agreement shall be deemed to be amended by validly issued Change Orders once signed by both parties. BCCK's and BCCK's Affiliates standard rates for work associated with a change are set forth in Schedule "B" of the Engineering and Construction Agreement.

Within three (3) Business Days after receipt of the Linn Closing Settlement Statement, Citizen has the right to deliver to Linn a written report containing all changes with the explanation therefor that Citizen proposes to be made to the Linn Closing Settlement Statement, and Linn shall consider such proposed changes in good faith. The Linn Closing Settlement Statement, as agreed upon by the Transacting Parties, will be used to adjust the Initial Linn Agreed Value at Closing; provided that if the Transacting Parties do not agree upon an adjustment set forth in the Linn Closing Settlement Statement, then the amount of such adjustment used to adjust the Initial Linn Agreed Value at Closing shall be that amount set forth in the draft Linn Closing Settlement Statement delivered by Linn to Citizen pursuant to this Section 3.2(a)(iii). The aggregate dollar amount of the adjustments to the Initial Linn Agreed Value as set forth in the Linn Closing Settlement Statement is hereinafter referred to as the "***Preliminary Linn Adjustment Amount***".

(b) Adjustments to Linn Consideration Units.

(i) If the Preliminary Linn Adjustment Amount is a positive amount (the "***Positive Linn Adjustment Amount***"), the number of Linn Consideration Units to be issued to Linn at Closing shall be increased by one Linn Consideration Unit for every $1.00 of Positive Linn Adjustment Amount. If the Preliminary Linn Adjustment Amount is a negative amount (the "***Negative Linn Adjustment Amount***"), the number of Linn Consideration Units to be issued to Linn at Closing shall be decreased by one Linn Consideration Unit for every $1.00 of Negative Linn Adjustment Amount. If the Preliminary Linn Adjustment Amount is zero dollars, the Linn Consideration Units shall not be adjusted pursuant to this Section 3.2(b)(i). The number of Linn Consideration Units to be issued to Linn at Closing, as may be adjusted pursuant to this Section 3.2(b), is hereinafter referred to as the "***Closing Linn Consideration Units***."

(ii) As soon as reasonably practicable after the Closing but not later than the first (1st) Business Day following the expiration of one hundred fifty (150) days following the Closing, Citizen shall prepare and deliver to Linn a draft statement (the "***Post-Closing Citizen Statement***") setting forth the final calculation of the proposed adjustment to the Preliminary Linn Adjustment Amount. As soon as reasonably practicable, but not later than the first (1st) Business Day following the expiration of thirty (30) days following receipt of the Post-Closing Citizen Statement, Linn shall deliver to Citizen a written report (a "***Linn Adjustment***

Notice") containing any changes that Linn proposes be made in such statement. Citizen shall be deemed to have accepted and agreed to all items and amounts in the Preliminary Linn Adjustment Amount (and the Linn Closing Settlement Statement) except to the extent Citizen timely delivers to Linn the Post-Closing Citizen Statement. Linn shall be deemed to have accepted and agreed to all items and amounts included in the Post-Closing Citizen Statement other than such matters and amounts that are proposed to be changed in the Linn Adjustment Notice timely delivered to Citizen.

(iii) If Citizen fails to deliver timely to Linn the Post-Closing Citizen Statement, the Closing Linn Consideration Units shall not be subject to further adjustment under this Section 3.2 and the Preliminary Linn Adjustment Amount shall constitute the "***Final Linn Adjustment Amount***" and such Final Linn Adjustment Amount shall be conclusive and binding on the Parties. If Linn fails to deliver timely to Citizen the Linn Adjustment Notice, the final calculation of the proposed adjustment to the Preliminary Linn Adjustment Amount as set forth in the Post-Closing Citizen Statement shall constitute the "***Final Linn Adjustment Amount***" and such Final Linn Adjustment Amount shall be conclusive and binding on the Parties. Notwithstanding the foregoing provisions of this Section 3.2(b)(iii), nothing in this Section 3.2 is a limitation on any other adjustment to the Closing Linn Consideration Units provided under the other provisions of this Agreement or the LLC Agreement.

(iv) The Transacting Parties shall undertake to agree on the adjustments, if any, to the Preliminary Linn Adjustment Amount no later than ten (10) Business Days after Linn's timely delivery of the Linn Adjustment Notice to Citizen. If the Transacting Parties mutually agree in writing within such ten (10) Business Days that (x) no adjustments shall be made to the Preliminary Linn Adjustment Amount or (y) they agree in writing to all adjustments to such amount within such ten (10) Business Days, the Preliminary Linn Adjustment Amount (as it may be so adjusted as provided in clause (y)) shall constitute the "***Final Linn Adjustment Amount***" and such Final Linn Adjustment Amount shall be conclusive and binding on the Parties. If the Final Linn Adjustment Amount is not determined during such ten (10) Business Day period, then Deloitte (the "***Dispute Auditor***") shall resolve any disagreements with respect thereto. Should Deloitte fail or refuse to agree to serve as Dispute Auditor within ten (10) Business Days after written request from either Transacting Party to serve, and the Transacting Parties fail to agree in writing on a replacement Dispute Auditor within five (5) Business Days after the end of that ten (10) Business Day period, or should no replacement Dispute Auditor agree to serve within fifteen (15) days after the original written request pursuant to this sentence, the Dispute Auditor shall be appointed by the Dallas, Texas office of the American Arbitration Association. In connection with the engagement of the Dispute Auditor, each of the Transacting Parties shall execute such engagement, indemnity and other agreements as the Dispute Auditor shall reasonably require as a condition to such engagement. The Dispute Auditor shall determine as promptly as practicable, but in any event within thirty (30) days after the selection of the Dispute Auditor, based solely on written submissions provided by the Transacting Parties to the Dispute Auditor (and without independent investigation on the part of the Dispute Auditor) within ten (10) Business Days following the Dispute Auditor's selection, whether and to what extent (if any) the Linn Adjustment Notice requires adjustment. In resolving any disputed item, the Dispute Auditor shall act as an expert and not an arbitrator, and shall resolve only the items set forth in the Linn Adjustment Notice that are still in dispute and may not assign a value to any item greater than the highest value for such item claimed by either Transacting Party or less than the lowest value for

such item claimed by either Transacting Party. The fees and expenses of the Dispute Auditor shall be paid by 50% by Linn and 50% by Citizen. The determination by the Dispute Auditor of adjustments (if any) to the Preliminary Linn Adjustment Amount shall be final, conclusive and binding on the Parties. The Preliminary Linn Adjustment Amount, as it may be adjusted by the Dispute Auditor and as otherwise agreed in writing by the Transacting Parties, shall constitute the "***Final Linn Adjustment Amount***" and such Final Linn Adjustment Amount shall be conclusive and binding on the Parties.

(v) The date on which the Final Linn Adjustment Amount is finally determined in accordance with this Section 3.2(b) is hereinafter referred to as the "***Final Linn Adjustment Determination Date***."

(vi)

(A) If the Final Linn Adjustment Amount is greater than the Preliminary Linn Adjustment Amount (the positive difference, the "***Increased Linn Amount***"), then the Company shall issue to Linn one additional Linn Consideration Unit (without the payment of any consideration therefor) for every $1.00 of Increased Linn Amount.

(B) If the Preliminary Linn Adjustment Amount is greater than the Final Linn Adjustment Amount (the positive difference, the "***Decreased Linn Amount***"), then the number of Closing Linn Consideration Units shall be reduced one Linn Consideration Unit for every $1.00 of Decreased Linn Amount.

(C) If the sum of the Initial Citizen Agreed Value and the Final Citizen Adjustment Amount (the "***Relevant Citizen Value***") is greater than the sum of the Initial Linn Agreed Value and the Final Linn Adjustment Amount (the "***Relevant Linn Value***") (such positive difference between the Relevant Citizen Value *minus* the Relevant Linn Value, the "***Linn Delta Value***"), then on or before ten (10) Business Days after the later to occur of the Final Linn Adjustment Determination Date or the Final Citizen Adjustment Determination Date, Linn shall have a one-time optional right (but not an obligation) to contribute to the Company an amount of cash and/or agreed value (through the contribution of Linn Additional Leases, which value shall be computed as described in Section 4.2(e)(vii), and otherwise in accordance with the provisions of Section 4.2(e) below (to the extent Linn Additional Leases are used for this purpose, they are herein referred to as "***Linn True-Up Leases***")) up to an amount equal to the Linn Delta Value, and the Company shall issue one additional Closing Linn Consideration Unit for every $1.00 so contributed to the Company by Linn pursuant to this Section 3.2(b)(vi)(C). If the Relevant Citizen Value is less than the Relevant Linn Value, this Section shall not apply.

(vii) Citizen shall assist Linn in the preparation of the Linn Adjustment Notice and reviewing and verifying the Post-Closing Citizen Statement by furnishing invoices, receipts, reasonable access to personnel and such other assistance as may be reasonably requested by Linn in connection therewith.

Section 3.3 Citizen Adjustments.

(a) Adjustments to Initial Citizen Agreed Value.

(i) The Citizen Consideration Units shall be adjusted pursuant to Section 3.3(b) based on the following adjustments to the Initial Citizen Agreed Value:

(A) upward by an amount equal to the value (using the per MMBtu or per barrel value, as applicable, set forth in subparagraph (E) below) of all (I) Hydrocarbons attributable to the Citizen Leases and/or Citizen Wells in pipelines or in tanks above the pipeline sales connection, in each case, as of the Effective Time, plus (II) the unsold inventory of gas products attributable to the Citizen Leases and/or Citizen Wells as of the Effective Time, in each case such value to be based upon the arms-length contract price in effect as of the Effective Time (or if no such arms-length contract is in effect, the market value in the area as of the Effective Time), less (1) amounts payable as royalties, overriding royalties and other burdens upon, measured by or payable out of such production and (2) severance Taxes deducted by the purchaser of such production;

(B) upward by an amount equal to all Property Expenses paid by Citizen to Third Parties (excluding, however, those Liabilities set forth in items (a) through (j) in the definition of "Property Expenses", and excluding any costs or expenses for which Citizen is obligated to indemnify Linn or the Company, and also excluding any of Citizen's costs and expenses related to the transactions contemplated in this Agreement, or to any legal fees, investment banker fees and consultant and advisor fees relating thereto, and also excluding any costs or expenses associated with any Citizen Casualty Losses) that are attributable to the ownership or operation of the Citizen Assets from and after the Effective Time (whether paid before or after the Effective Time);

(C) upward by the amount of all Asset Taxes prorated to the Company in accordance with Article 16 but paid or payable by Citizen;

(D) upward in accordance with Section 4.3(e)(iv);

(E) to the extent that Citizen maintains an under produced Well Imbalance with respect to any Citizen Well as of the Effective Time *and* the over produced parties are not Affiliates of Citizen, upward by the sum of the product of the following for each such Citizen Well: (A) the under produced volumes for such Citizen Well as of the Effective Time times (B) $2.71/MMBtu for gaseous Hydrocarbons, and an amount equal to the product of (x) the under produced volumes times (y) $45.00/Bbl for oil, or $22.50/Bbl for natural gas liquids, as applicable;

(F) to the extent that Citizen maintains an under delivered Pipeline Imbalance with respect to any Citizen Contract as of the Effective Time *and* none of the other parties to such Citizen Contract are Affiliates

of Citizen, upward by the sum of the product of the following for each such Citizen Contract: (A) the under delivered volumes for such Citizen Contract as of the Effective Time times (B) $2.71/MMBtu for gaseous Hydrocarbons, and an amount equal to the product of (x) the under delivered volumes times (y) $45.00/Bbl for oil, or $22.50/Bbl for natural gas liquids, as applicable;

(G) to the extent that Citizen maintains an over produced Well Imbalance with respect to any Citizen Well as of the Effective Time *and* the under produced parties are not Affiliates of Citizen, downward by the sum of the product of the following for each such Citizen Well: (A) the over produced volumes for such Citizen Well as of the Effective Time times (B) $2.71/MMBtu for gaseous Hydrocarbons, and an amount equal to the product of (x) the over produced volumes times (y) $45.00/Bbl for oil, or $22.50/Bbl for natural gas liquids, as applicable;

(H) to the extent that Citizen maintains an over delivered Pipeline Imbalance with respect to any Citizen Contract as of the Effective Time *and* none of the other parties to such Citizen Contract are Affiliates of Citizen, downward by the sum of the product of the following for each such Citizen Contract: (A) the over delivered volumes for such Citizen Contract as of the Effective Time times (B) $2.71/MMBtu for gaseous Hydrocarbons, and an amount equal to the product of (x) the over delivered volumes times (y) $45.00/Bbl for oil, or $22.50/Bbl for natural gas liquids, as applicable;

(I) downward by an amount equal to the Citizen Suspense Funds;

(J) downward by an amount equal to all proceeds received by Citizen attributable to the ownership or operation of the Citizen Assets from and after the Effective Time, including the sale of Hydrocarbons produced from the Citizen Assets or allocable thereto, net of any sales, excise or similar Taxes in connection therewith not reimbursed to Citizen or its Affiliates, as applicable, by a Third Party purchaser;

(K) downward by the amount of all Asset Taxes prorated to Citizen in accordance with Article 16 but paid or payable by the Company;

(L) downward in accordance with Section 4.3(d) (but subject always to Section 4.3(e));

(M) downward in accordance with Section 4.6(b);

(N) downward in accordance with Section 4.6(e);

(O) downward in accordance with Section 4.7(c);

(P) downward in accordance with Section 6.1(b); and

(Q) as otherwise adjusted in accordance with any other provisions of this Agreement.

(ii) No adjustment may be accounted for in more than one of Section 3.3(a)(i)(A) through Section 3.3(a)(i)(Q).

(iii) Not less than five (5) Business Days prior to Closing, Citizen shall prepare and submit to Linn for review a draft settlement statement (the "***Citizen Closing Settlement Statement***") calculating the adjustments (if any) to the Initial Citizen Agreed Value determined by Citizen in good faith in accordance with Section 3.3(a)(i). Within three (3) Business Days after receipt of the Citizen Closing Settlement Statement, Linn has the right to deliver to Citizen a written report containing all changes with the explanation therefor that Linn proposes to be made to the Citizen Closing Settlement Statement, and Citizen shall consider such proposed changes in good faith. The Citizen Closing Settlement Statement, as agreed upon by the Transacting Parties, will be used to adjust the Initial Citizen Agreed Value at Closing; provided that if the Transacting Parties do not agree upon an adjustment set forth in the Citizen Closing Settlement Statement, then the amount of such adjustment used to adjust the Initial Citizen Agreed Value at Closing shall be that amount set forth in the draft Citizen Closing Settlement Statement delivered by Citizen to Linn pursuant to this Section 3.3(a)(iii). The aggregate dollar amount of the adjustments to the Initial Citizen Agreed Value as set forth in the Citizen Closing Settlement Statement is hereinafter referred to as the "***Preliminary Citizen Adjustment Amount***".

(b) Adjustments to Citizen Consideration Units.

(i) If the Preliminary Citizen Adjustment Amount is a positive amount (the "***Positive Citizen Adjustment Amount***"), the number of Citizen Consideration Units to be issued to Citizen at Closing shall be increased by one Citizen Consideration Unit for every $1.00 of Positive Citizen Adjustment Amount. If the Preliminary Citizen Adjustment Amount is a negative amount (the "***Negative Citizen Adjustment Amount***"), the number of Citizen Consideration Units to be issued to Citizen at Closing shall be decreased by one Citizen Consideration Unit for every $1.00 of Negative Citizen Adjustment Amount. If the Preliminary Citizen Adjustment Amount is zero dollars, the Citizen Consideration Units shall not be adjusted pursuant to this Section 3.3(b)(i). The number of Citizen Consideration Units to be issued to Citizen at Closing, as may be adjusted pursuant to this Section 3.3(b), is hereinafter referred to as the "***Closing Citizen Consideration Units***."

(ii) As soon as reasonably practicable after the Closing but not later than the first (1st) Business Day following the expiration of one hundred fifty (150) days following the Closing, Linn shall prepare and deliver to Citizen a draft statement (the "***Post-Closing Linn Statement***") setting forth the final calculation of the proposed adjustment to the Preliminary Citizen Adjustment Amount. As soon as reasonably practicable, but not later than the first (1st) Business Day following the expiration of thirty (30) days following receipt of the Post-Closing Linn Statement, Citizen shall deliver to Linn a written report (a "***Citizen Adjustment Notice***") containing any changes that Citizen proposes be made in such statement.

Linn shall be deemed to have accepted and agreed to all items and amounts in the Preliminary Citizen Adjustment Amount (and the Citizen Closing Settlement Statement) except to the extent Linn timely delivers to Citizen the Post-Closing Linn Statement. Citizen shall be deemed to have accepted and agreed to all items and amounts included in the Post-Closing Linn Statement other than such matters and amounts that are proposed to be changed in the Citizen Adjustment Notice timely delivered to Linn.

(iii) If Linn fails to deliver timely to Citizen the Post-Closing Linn Statement, the Closing Citizen Consideration Units shall not be subject to further adjustment under this Section 3.3 and the Preliminary Citizen Adjustment Amount shall constitute the "***Final Citizen Adjustment Amount***" and such Final Citizen Adjustment Amount shall be conclusive and binding on the Parties. If Citizen fails to deliver timely to Linn the Citizen Adjustment Notice, the final calculation of the proposed adjustment to the Preliminary Citizen Adjustment Amount as set forth in the Post-Closing Linn Statement shall constitute the "***Final Citizen Adjustment Amount***" and such Final Citizen Adjustment Amount shall be conclusive and binding on the Parties. Notwithstanding the foregoing provisions of this Section 3.3(b)(iii), nothing in this Section 3.3 is a limitation on any other adjustment to the Closing Citizen Consideration Units provided under the other provisions of this Agreement or the LLC Agreement.

(iv) The Transacting Parties shall undertake to agree on the adjustments, if any, to the Preliminary Citizen Adjustment Amount no later than ten (10) Business Days after Citizen's timely delivery of the Citizen Adjustment Notice to Linn. If the Transacting Parties mutually agree in writing within such ten (10) Business Days that (x) no adjustments shall be made to the Preliminary Citizen Adjustment Amount or (y) they agree in writing to all adjustments to such amount within such ten (10) Business Days, the Preliminary Citizen Adjustment Amount (as it may be so adjusted as provided in clause (y)) shall constitute the "***Final Citizen Adjustment Amount***" and such Final Citizen Adjustment Amount shall be conclusive and binding on the Parties. If the Final Citizen Adjustment Amount is not determined during such ten (10) Business Day period, then Deloitte, as the Dispute Auditor, shall resolve any disagreements with respect thereto. Should Deloitte fail or refuse to agree to serve as Dispute Auditor within ten (10) Business Days after written request from either Transacting Party to serve, and the Transacting Parties fail to agree in writing on a replacement Dispute Auditor within five (5) Business Days after the end of that ten (10) Business Day period, or should no replacement Dispute Auditor agree to serve within fifteen (15) days after the original written request pursuant to this sentence, the Dispute Auditor shall be appointed by the Dallas, Texas office of the American Arbitration Association. In connection with the engagement of the Dispute Auditor, each of the Transacting Parties shall execute such engagement, indemnity and other agreements as the Dispute Auditor shall reasonably require as a condition to such engagement. The Dispute Auditor shall determine as promptly as practicable, but in any event within thirty (30) days after the selection of the Dispute Auditor, based solely on written submissions provided by the Transacting Parties to the Dispute Auditor (and without independent investigation on the part of the Dispute Auditor) within ten (10) Business Days following the Dispute Auditor's selection, whether and to what extent (if any) the Citizen Adjustment Notice requires adjustment. In resolving any disputed item, the Dispute Auditor shall act as an expert and not an arbitrator, and shall resolve only the items set forth in the Citizen Adjustment Notice that are still in dispute and may not assign a value to any item greater than the highest value for such item claimed by either Transacting Party or less than

the lowest value for such item claimed by either Transacting Party. The fees and expenses of the Dispute Auditor shall be paid by 50% by Citizen and 50% by Linn. The determination by the Dispute Auditor of adjustments (if any) to the Preliminary Citizen Adjustment Amount shall be final, conclusive and binding on the Parties. The Preliminary Citizen Adjustment Amount, as it may be adjusted by the Dispute Auditor and as otherwise agreed in writing by the Transacting Parties, shall constitute the "***Final Citizen Adjustment Amount***" and such Final Citizen Adjustment Amount shall be conclusive and binding on the Parties.

(v) The date on which the Final Citizen Adjustment Amount is finally determined in accordance with this Section 3.3(b) is hereinafter referred to as the "***Final Citizen Adjustment Determination Date***."

(vi)

(A) If the Final Citizen Adjustment Amount is greater than the Preliminary Citizen Adjustment Amount (the positive difference, the "***Increased Citizen Amount***"), then the Company shall issue to Citizen one additional Citizen Consideration Unit (without the payment of any consideration therefor) for every $1.00 of Increased Citizen Amount.

(B) If the Preliminary Citizen Adjustment Amount is greater than the Final Citizen Adjustment Amount (the positive difference, the "***Decreased Citizen Amount***"), then the number of Closing Citizen Consideration Units shall be reduced one Citizen Consideration Unit for every $1.00 of Decreased Citizen Amount.

(C) If the Relevant Linn Value is greater than the Relevant Citizen Value (such positive difference between the Relevant Linn Value *minus* the Relevant Citizen Value, the "***Citizen Delta Value***"), then on or before ten (10) Business Days after the later to occur of the Final Citizen Adjustment Determination Date or the Final Linn Adjustment Determination Date, Citizen shall have a one-time optional right (but not an obligation) to contribute to the Company an amount of cash and/or agreed value (through the contribution of Citizen Additional Leases, which value shall be computed as described in Section 4.3(e)(vii), and otherwise in accordance with the provisions of Section 4.3(e) below (to the extent Citizen Additional Leases are used for this purpose, they are herein referred to as "***Citizen True-Up Leases***")) up to an amount equal to the Citizen Delta Value, and the Company shall issue one additional Closing Citizen Consideration Unit for every $1.00 so contributed to the Company by Citizen pursuant to this Section 3.3(b)(vi)(C). If the Relevant Linn Value is less than the Relevant Citizen Value, this Section shall not apply.

(vii) Linn shall assist Citizen in the preparation of the Citizen Adjustment Notice and reviewing and verifying the Post-Closing Linn Statement by furnishing invoices, receipts, reasonable access to personnel and such other assistance as may be reasonably requested by Citizen in connection therewith.

Section 3.4 Allocated Values.

(a) The Total Consideration has been allocated by the Parties among the Linn Assets and the Citizen Assets as set forth on Schedule 3.4A, Schedule 3.4B (Part I) and Schedule 3.4B (Part II) (the "***Allocated Values***"). For the avoidance of doubt, in the event that any Linn Well or Citizen Well identified on Exhibit A-2 (Part I) or Exhibit A-2 (Part II), as applicable, is not allocated value in Schedule 3.4B (Part I) or Schedule 3.4B (Part II), such Linn Well or Citizen Well shall be deemed to have an Allocated Value of $0.

(b) On or before the first (1st) Business Day following the expiration of thirty (30) days after the date on which all adjustments have been determined under Section 3.2 and Section 3.3, the Company shall prepare and deliver to the Transacting Parties a schedule allocating the dollar value of the Total Consideration and any other amounts treated as consideration for U.S. federal income tax purposes, as adjusted, among the Linn Assets and the Citizen Assets consistent with the Allocated Values and in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provision of Law, as appropriate) (the "***Allocation Schedule***"). If the Transacting Parties agree to an Allocation Schedule, such Allocation Schedule shall be the "***Final Allocation Schedule***." If, within thirty (30) days after delivery of such Allocation Schedule in accordance with the first sentence of this Section 3.4(b), the Transacting Parties fail to agree in writing upon a Final Allocation Schedule, the Transacting Parties shall submit the disputed matters to binding arbitration to be conducted in accordance with Section 3.2(b)(iv), but subject to the further provisions of Article 4 as for title matters, to finally determine the proper allocation of value, and shall request that the Dispute Auditor issue a final allocation schedule (which shall then be the Final Allocation Schedule) within thirty (30) days of the submission of the dispute.

(c) Each Party agrees that it will take no position inconsistent with, and will support the validity of, the allocations set forth on the Final Allocation Schedule on any applicable Tax Return, in any audit or proceeding before any Governmental Body related to Taxes, in any report made for Tax, financial accounting or any other purpose, except as otherwise required by Law or with the consent of the other Parties (not to be unreasonably withheld, conditioned or delayed); provided, however, that nothing contained herein shall prevent any Party from settling any proposed deficiency or adjustment by any Governmental Body based upon or arising out of the Final Allocation Schedule, and no Party shall be required to litigate before any court any proposed deficiency or adjustment by any Governmental Body challenging such Final Allocation Schedule. In the event that the Final Allocation Schedule described herein is disputed by any Governmental Body, the Party receiving notice of the dispute shall promptly notify the other Parties of the existence and nature of the dispute.

Section 3.5 Resolution of Final Linn Adjustment Amount and Final Citizen Adjustment Amount. The Transacting Parties will endeavor in good faith to contemporaneously finalize or otherwise resolve the Final Linn Adjustment Amount and the Final Citizen Adjustment Amount, to the extent reasonably practicable, but neither Transacting Party shall have any liability under this Section 3.5 to the extent the Final Linn Adjustment Amount and the Final Citizen Adjustment Amount are not so contemporaneously finalized or otherwise resolved.

Section 3.6 Allocation of Costs and Revenues. The term "incurred," as used in this Agreement shall be interpreted in accordance with GAAP and COPAS standards, except as otherwise specified in this Agreement. For purposes of allocating production and proceeds received with respect thereto under Sections 3.2 and 3.3, (a) liquid Hydrocarbons shall be deemed to be "from or attributable to" the Linn Assets or the Citizen Assets, as applicable, when they pass through the pipeline connecting into the storage facilities into which they are run and (b) gaseous Hydrocarbons shall be deemed to be "from or attributable to" the Linn Assets or the Citizen Assets, as applicable, when they pass through the royalty measurement meters, delivery point sales meters, or custody transfer meters on the gathering lines or pipelines through which they are transported (whichever meter is closest to the well). Linn and Citizen shall utilize reasonable interpolative procedures, consistent with industry practice, to arrive at an allocation of production from or attributable to the Linn Assets or the Citizen Assets, as applicable, when exact meter readings or gauging and strapping data are not available.

ARTICLE 4
TITLE MATTERS

Section 4.1 General Disclaimer of Title Warranties and Representations. Without limiting the remedies for (I) Linn Title Defects or Citizen Title Defects set forth in this Article 4 and (II) each Party's rights to indemnity under Article 15, and except for the special warranties of title set forth in the Assignments:

(a) Linn makes no representation or warranty, express or implied, statutory or otherwise, with respect to title to any of the Linn Assets or the Linn Additional Assets, and the sole remedy for any Linn Title Defect with respect to any of the Linn Assets or the Linn Additional Assets shall be as set forth in this Article 4; and

(b) Citizen makes no representation or warranty, express or implied, statutory or otherwise, with respect to title to any of the Citizen Assets or the Citizen Additional Assets, and the sole remedy for any Citizen Title Defect with respect to any of the Citizen Assets or the Citizen Additional Assets shall be as set forth in this Article 4.

Section 4.2 Linn Title Defects and Linn Title Benefits.

(a) Linn Title Defect Notices. On or prior to the last day of the Review Period, Citizen shall have the right to assert claims for Linn Title Defects against Linn in accordance with this Section 4.2(a). To assert a Linn Title Defect, Citizen shall give written notice prior to the end of the Review Period to Linn via email or writing meeting the requirements of this Section 4.2(a) (each, a "***Linn Title Defect Notice***" and collectively, the "***Linn Title Defect Notices***"). Except for the special warranty of title in the Linn Assignment and without limiting any rights to indemnity pursuant to Article 15, any matters that may otherwise constitute Linn Title Defects but that are not alleged in any Linn Title Defect Notice prior to the expiration of the Review Period shall be deemed to have been waived by Citizen. To be effective, each Linn Title Defect Notice shall be in writing or email, and shall include (i) a reasonable description of each alleged Linn Title Defect, (ii) the Linn Assets or portion thereof affected thereby (each, a "***Linn Title Defect Property***"), (iii) supporting documents reasonably necessary to verify the existence of the alleged Linn Title Defect(s), and (iv) Citizen's good faith estimate of the Linn Title Defect Amount for such Linn Title Defect and the computations upon which Citizen's estimate is based. Citizen will also use reasonable efforts (without any liability for failure to do so) to promptly furnish to Linn written notice during the Review Period of any Linn Title Benefit with respect to which Citizen acquired Knowledge during the Review Period, or discovered during the Review Period, to Citizen's Knowledge, by any of its Affiliates, employees, title attorneys, landmen or other title examiners prior to the end of the Review Period.

(b) Title Benefit Notices. On or prior to the last day of the Review Period, Linn shall have the right to assert Linn Title Benefits in accordance with this Section 4.2(b). To assert a Linn Title Benefit, Linn shall give written notice prior to the end of the Review Period to Citizen via email (with hardcopy sent for delivery the day after the end of the Review Period) meeting the requirements of this Section 4.2(b) (each, a "***Linn Title Benefit Notice***" and collectively, the "***Linn Title Benefit Notices***"). To be effective, each Linn Title Benefit Notice shall include (i) a reasonable description of each alleged Linn Title Benefit, (ii) the Linn Assets or portion thereof affected thereby, (iii) supporting documents in Linn's possession reasonably necessary for Citizen to verify the existence of the alleged Linn Title Benefit(s), and (iv) Linn's good faith estimate of the Linn Title Benefit Amount for such Linn Title Benefit and the computations upon which Linn's estimate is based. Any matters that may otherwise constitute Linn Title Benefits but that are not alleged in any Linn Title Benefit Notice prior to the expiration of the Review Period shall be deemed to have been waived by Linn.

(c) Right to Cure; Right to Dispute.

(i) Linn shall have the option, but not the obligation, to attempt to cure, or cause to be cured, at its sole cost and expense, any Linn Title Defects within ninety (90) days following the Closing (the "***Title Cure Period***").

(ii) Prior to the Scheduled Closing Date, Linn and Citizen shall attempt to agree on all disputes related to the existence of any Linn Title Defect or Linn Title Benefit or the applicable Linn Title Defect Amount or Linn Title Benefit Amount with respect thereto or the effect of any curative actions with respect to any Linn Title Defect. With regard to any Linn Asset that is subject to such an unresolved dispute as to a Linn Title Defect as of the Closing, and the alleged Title Defect Amount is less than or equal to 90% of the Allocated Value of the affected Linn Asset, then such Linn Asset shall nevertheless be conveyed at Closing without adjustment to the Initial Linn Agreed Value for such disputed Linn Title Defect. Upon resolution of such dispute under Section 4.4, appropriate adjustments shall be made to the Initial Linn Agreed Value in accordance with Section 3.2. With regard to any Linn Asset that is subject to such an unresolved dispute as to Linn Title Defects as of the Closing, and the alleged Title Defect Amount is greater than 90% of the Allocated Value of the affected Linn Asset, then such Linn Asset shall be retained at Closing, and treated as a Linn Excluded Asset hereunder. If it is ultimately determined pursuant to Section 4.4 that the actual Title Defect Amount burdening such Linn Asset is less than or equal to 90% of the Allocated Value of such Linn Asset, within five (5) Business Days of such determination, Linn shall convey such Linn Asset to the Company pursuant to a Linn Assignment and the Initial Linn Agreed Value shall be adjusted in accordance with Section 3.2 to reflect the contribution of such Linn Asset to the Company.

(d) Remedies for Linn Title Defects and Linn Title Benefits.

(i) Subject to Sections 4.2(d)(ii), 4.2(d)(iii) and 4.2(d)(iv), upon the final determination of the existence of any uncured Linn Title Defect and Linn Title Defect Amount relating thereto (whether by written agreement between the Transacting Parties or under Section 4.4), the Initial Linn Agreed Value shall be reduced by such Linn Title Defect Amount (or if the Closing has already occurred as of such time, the number of Closing Linn Consideration Units shall be reduced by one Closing Linn Consideration Unit for every $1.00 of such Linn Title Defect Amount) in full satisfaction of such Linn Title Defect.

(ii) Notwithstanding anything to the contrary herein, with respect to Linn Title Defects for which the Linn Title Defect Amount exceeds 90% of the Allocated Value of the affected Linn Title Defect Property, Linn or Citizen shall have the right but not the obligation to exclude the entirety of the Linn Title Defect Property, together with all Linn Assets associated with such Linn Title Defect Property, in which event the Initial Linn Agreed Value shall be reduced by the Allocated Value of such Linn Title Defect Property and associated Linn Assets in full satisfaction of such Linn Title Defect (except to the extent such Linn Title Defect pertains to other Linn Assets that are not so excluded), and such Linn Title Defect Property, together with all Linn Assets associated with such Linn Title Defect Property, shall be deemed Linn Excluded Assets hereunder for all purposes. Any such election must be made by a Transacting Party by notice to the other Transacting Party on or before the Closing, and failure of a Transacting Party to so make such an election shall be deemed a waiver by such Transacting Party of its rights under this Section 4.2(d)(ii).

(iii) Notwithstanding anything to the contrary in Section 4.2(d)(i), in no event shall there be any adjustments to the Initial Linn Agreed Value or Closing Linn Consideration Units under Section 4.2(d)(i) in respect of Linn Title Defects, and Linn shall not be responsible for any Linn Title Defect Amounts unless the sum of (X) the aggregate Linn Title Defect Amounts of all such Linn Title Defects, after setting off all Linn Title Benefit Amounts and excluding any Linn Title Defect Amounts attributable to Linn Title Defects cured by Linn pursuant to Section 4.2(c)(ii) or Section 4.2(e) or Linn Title Defect Properties retained by Linn pursuant to Section 4.2(d)(ii) (it being acknowledged and agreed that the Initial Linn Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Linn Title Defect Properties) and (Y) the aggregate Remediation Amounts of all Linn Environmental Defects that exceed the Individual Environmental Threshold (excluding any Remediation Amounts attributable to Linn Environmental Defects cured by Linn pursuant to Section 5.1(b)(i) or (2) Linn Environmental Defect Properties retained by Linn pursuant to Section 5.1(c)(ii)) (it being acknowledged and agreed that the Initial Linn Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Linn Environmental Defect Properties), exceeds 2.0% of the Initial Linn Agreed Value prior to any adjustments to the Initial Linn Agreed Value under this Agreement (the "***Linn Aggregate Deductible***"), in which case, the adjustments to the Initial Linn Agreed Value or Closing Linn Consideration Units under Section 4.2(d)(i) shall only be for the amount by which such total exceeds the Linn Aggregate Deductible.

(iv) Notwithstanding the foregoing Sections 4.2(d)(i) and (iii), the Linn Title Benefit Amount of any Linn Title Benefit shall serve only to reduce the aggregate Linn Title Defect Amount, and in no event shall any Linn Title Benefit Amount otherwise result in any adjustment to the Initial Linn Agreed Value or Closing Linn Consideration Units.

(e) Linn Additional Assets; Cures with Linn Additional Leases; Adjustments to Initial Linn Agreed Value or Closing Linn Consideration Units for Linn Additional Assets.

(i) Until the Closing, Linn may acquire Linn Additional Assets, and Linn may also acquire certain Linn Additional Leases after Closing until the expiration of the Title Cure Period (provided, however, that the post-Closing acquisitions shall only be allowed through permitted acreage trades, as further described in the definition of "Linn Additional Leases"). Linn shall use its best efforts to, within ten (10) Business Days after the acquisition of any Linn Additional Asset, notify Citizen of such acquisition, and shall provide Citizen with copies of the underlying instrument creating such Linn Additional Asset, the agreement(s) pursuant to which Linn acquired such Linn Additional Asset, the contract(s) burdening or affecting such Linn Additional Asset of which Linn has copies, the total Raw Net Acres for each acquired Linn Additional Lease, the Net Acres subject to each such Linn Additional Lease on a Governmental Section and Target Formation basis, the Linn Section Weighted Average NRI for each acquired Linn Additional Lease on a Governmental Section and Target Formation basis, the lease expiration date for each acquired Linn Additional Lease, the estimated Linn Cost Credited Asset Acquisition Costs for each acquisition, and any other information or materials in Linn's possession related to such Linn Additional Asset. Linn Additional Assets will be subject to title review and environmental review by Citizen in accordance with the other applicable provisions of Article 4 (including Section 4.2(d)(iii)) and Article 5 (including Section 5.1(c)(iii)), except that the Review Period with respect thereto shall commence on the first (1st) Business Day after Citizen has received written notice from Linn identifying such Linn Additional Assets, together with all information to be delivered pursuant to the immediately preceding sentence (and no Review Period shall be deemed to have commenced to run unless and until Citizen has received all of such information), and shall end upon the later of the expiration of the Review Period and 11:59 p.m. Central Prevailing Time on the first (1st) Business Day that is 30 Business Days after Citizen has received such written notice from Linn. On or before five (5) Business Days after the latest to occur of (A) the expiration of the review period provided hereunder for each Linn Additional Asset, (B) the resolution of all Title Disputes and Environmental Disputes with regard to the Linn Additional Assets and (C) 30 days after Citizen has received a Linn Lease Designation Notice for such Linn Additional Assets, Linn shall contribute all such Linn Additional Assets to the Company (subject always to the other terms of Articles 4 and 5) pursuant to a conveyance in substantially the form of the Linn Assignment, and simultaneous therewith shall provide Citizen and the Company an officer's certificate, dated as of the date of the execution of such conveyance, certifying that the representations and warranties of Linn in Article 7 are true and correct as to each such Linn Additional Asset on and as of such date (other than representations and warranties that refer to a specified date, which need only be true and correct on and as of such specified date) in all material respects, provided that in no event shall Linn be entitled to contribute any Linn Additional Asset to the Company for which Linn is unable to make such certification.

(ii) To the extent Linn has acquired Linn Additional Assets and has not otherwise cured an asserted Linn Title Defect or completed the Remediation of an asserted Linn Environmental Defect, Linn may designate any Linn Additional Lease as either a Linn True-Up Lease or a Linn Substitute Lease, provided that Linn shall first (and prior to Linn's ability to use such Linn Additional Assets under Section 3.2(b)(vi)(C) as Linn True-Up Leases or to designate them as Linn Cost Credited Leases) designate and use any such Additional Linn Lease as a Linn Substitute Lease. "***Linn Substitute Leases***" means any Linn Additional Leases utilized to cure (in whole or in part) any such Linn Title Defect or such Linn Environmental Defect properly asserted by Citizen with respect to any Linn Asset for which the Initial Linn Agreed Value is to be adjusted downward by designating one or more Linn Additional Leases (in whole or in part) to cure such Linn Title Defect or Linn Environmental Defect, in each case at no cost to the Company or such designee and without Linn receiving any additional Units or any other consideration therefor from the Company or such designee. Linn shall designate or otherwise identify any Linn Substitute Lease or Linn True-Up Lease by one or more written notices (each, a "***Linn Lease Designation Notice***") to Citizen prior to the expiration of the Title Cure Period. Any Linn Lease Designation Notice in respect of Linn Substitute Leases shall also identify the Linn Title Defect Amounts associated with the relevant Linn Title Defects and the Remediation Amounts associated with the relevant Linn Environmental Defects that Linn believes have been reduced as a result of Linn's cure of such Linn Title Defects and Linn Environmental Defects pursuant to this Section 4.2(e)(ii). Each Linn Lease Designation Notice must provide the asserted Net Acres and Linn Section Weighted NRI for the designated Linn Additional Leases by Governmental Section and Target Formation. If Linn fails to timely provide the aforesaid notice with respect to any Linn Title Defect or Linn Environmental Defect, Linn shall not have the right to cure such Linn Title Defect or Linn Environmental Defect under this Section 4.2(e). For all purposes of this Section 4.2, the Allocated Value of Linn Substitute Leases shall be computed as described in Section 4.2(e)(vii). If Linn designates Linn Additional Leases as Linn True-Up Leases, but the Allocated Values for such Linn Additional Leases exceed the Linn Delta Value, such Linn Additional Leases (to the extent the Allocated Value thereof) will not be considered Linn True-Up Leases and will instead be Linn Cost Credited Leases hereunder, subject to all of the provisions herein with respect to Linn Cost Credit Credited Leases.

(iii) The reduction in the Linn Title Defect Amount associated with any Linn Title Defect that Linn cures under this Section 4.2(e) by designating one or more Linn Additional Leases (or portions thereof) as Linn Substitute Leases and is deemed to have successfully cured such Linn Title Defect under Section 4.2(e)(ii) shall be equal to the result of such Linn Title Defect Amount (and if the Linn Asset in question is being retained, then the Linn Title Defect Amount is the Allocated Value therefor) *minus* the Allocated Value of the applicable Linn Substitute Leases as computed as described in Section 4.2(e)(vii).

(iv) In the event less than the entirety of all of Linn Additional Leases are designated either as Linn Substitute Leases or Linn True-Up Leases (all such Linn Additional Leases to the extent not designated as Linn Substitute Leases or Linn True-Up Leases collectively, "***Linn Cost Credited Leases***"), all such Linn Cost Credited Leases (or remainder thereof not designated either as Linn Substitute Leases or Linn True-Up Leases) shall be sold and assigned to the Company by Linn on the second (2nd) Business Day after both the Final Linn Adjustment Determination Date and the Final Citizen Adjustment Determination Date have occurred for a cash purchase price equal to all Linn Cost Credited Asset Acquisition Costs for all of such Linn Cost Credited Leases and the associated Linn Additional Assets, in each case, adjusted in accordance with Section 3.2(a) as such adjustments may apply to such Linn Cost Credited Leases and associated Linn Additional Assets. Each member of the Company shall bear its respective Percentage Interest share (as of the time of such sale and purchase) of the purchase price for such Linn Additional Assets.

(v) Interim Sales. Notwithstanding anything to the contrary in this Section 4.2, and without limitation of Citizen's right to indemnification under Article 15 for breach of Linn's covenants in Section 10.1, the Linn Aggregate Deductible shall not apply to any Linn Title Defect resulting from the sale, trade or other disposition prior to the Closing of Linn's interest in any Linn Lease and/or Linn Well (or portion thereof).

(vi) Linn Additional Leases.

(A) Linn has identified on Exhibit A-5-1 those Linn Additional Leases that have been acquired by Linn from and after April 1, 2017 until the date that is five (5) Business Days prior to the Execution Date. Linn shall use its best efforts to supplement such Exhibit within ten (10) Business Days after the Execution Date to provide the total Raw Net Acres for each such acquired Linn Additional Lease, the Net Acres subject to each such Linn Additional Lease on a Governmental Section and Target Formation basis, the Linn Section Weighted Average NRI for each such acquired Linn Additional Lease on a Governmental Section and Target Formation basis, and the lease expiration date for each acquired Linn Additional Lease. In addition, within this same time period, Linn shall also use its best efforts to provide Citizen with the other information related to such Additional Linn Assets as is contemplated under Section 4.2(e)(i) above. With regard to Linn Additional Leases and Linn Additional Asset acquired, the date that is five (5) Business Days prior to the Execution Date, Linn shall use its best efforts to supplement such Exhibit within ten (10) Business Days (but for those acquired after Closing, no later than the expiration the Title Cure Period) after any such Linn Additional Asset acquisition, and provide to Citizen such other information as is contemplated under Section 4.2(e)(i) above within this same period.

(B) To the extent less than 100% of the Linn Additional Leases acquired in a single acquisition are Linn Cost Credited Leases, Linn will further provide, with respect to any such acquisition, the Raw Net Acres included in the entire relevant acquisition as compared to the Raw Net Acres for the relevant Linn Cost Credited Leases, together with full consideration payable for the acquisition and full costs of Third Party expenses that constitute Linn Cost Credited Acquisition Costs (the ***"Linn Gross Acquisition Cost***"). In such event, the Linn Cost Credited Acquisition Costs for such Linn Cost Credited Leases will be the (A) the Raw Net Acres included in the entire relevant acquisition *divided by* the Raw Net Acres for the relevant Linn Cost Credited Leases, *multiplied by* (B) the Linn Gross Acquisition Cost.

(vii) The Allocated Value of any Linn Additional Leases (or portions thereof) utilized as Linn True-Up Leases or Linn Substitute Leases shall be calculated with respect to each applicable Governmental Section and each Target Formation within each such Governmental Section as follows, and the relevant Allocated Value for a Target Formation in a Governmental Section will be the product of (a) the actual aggregate Linn Section Net Acres subject to the Linn Additional Leases in such Target Formation in such Governmental Section, and (b) the sum of (i) the Zone Price for such Target Formation in such Governmental Section and (ii) the product of (A) the Zone NRI Value for such Target Formation in such Governmental Section, (B) the amount (whether positive, negative or zero) obtained by subtracting the Zone Average NRI for such Target Formation in such Governmental Section from the actual Linn Section Weighted Average NRI associated with the Linn Additional Leases in such Target Formation in such Governmental Section; and (C) 100.

Section 4.3 Citizen Title Defects and Citizen Title Benefits.

(a) Citizen Title Defect Notices. On or prior to the last day of the Review Period, Linn shall have the right to assert claims for Citizen Title Defects against Citizen in accordance with this Section 4.3(a). To assert a Citizen Title Defect, Linn shall give written notice prior to the end of the Review Period to Citizen via email or writing meeting the requirements of this Section 4.3(a) (each, a "***Citizen Title Defect Notice***" and collectively, the "***Citizen Title Defect Notices***"). Except for the special warranty of title in the Citizen Assignment and without limiting any rights to indemnity pursuant to Article 15, any matters that may otherwise constitute Citizen Title Defects but that are not alleged in any Citizen Title Defect Notice prior to the expiration of the Review Period shall be deemed to have been waived by Linn. To be effective, each Citizen Title Defect Notice shall be in writing or email, and shall include (i) a reasonable description of each alleged Citizen Title Defect, (ii) the Citizen Assets or portion thereof affected thereby (each, a "***Citizen Title Defect Property***"), (iii) supporting documents reasonably necessary to verify the existence of the alleged Citizen Title Defect(s), and (iv) Linn's good faith estimate of the Citizen Title Defect Amount for such Citizen Title Defect and the computations upon which Linn's estimate is based. Linn will also use reasonable efforts (without any liability for failure to do so) to promptly furnish to Citizen written notice during the Review Period of any Citizen Title Benefit with respect to which Linn acquired Knowledge during the Review Period, or discovered during the Review Period, to Linn's Knowledge, by any of its Affiliates, employees, title attorneys, landmen or other title examiners prior to the end of the Review Period.

(b) Title Benefit Notices. On or prior to the last day of the Review Period, Citizen shall have the right to assert Citizen Title Benefits in accordance with this Section 4.3(b). To assert a Citizen Title Benefit, Citizen shall give written notice prior to the end of the Review Period to Linn via email (with hardcopy sent for delivery the day after the end of the Review Period) meeting the requirements of this Section 4.3(b) (each, a "***Citizen Title Benefit Notice***" and collectively, the "***Citizen Title Benefit Notices***"). To be effective, each Citizen Title Benefit Notice shall include (i) a reasonable description of each alleged Citizen Title Benefit, (ii) the Citizen Assets or portion thereof affected thereby, (iii) supporting documents in Citizen's possession reasonably necessary for Linn to verify the existence of the alleged Citizen Title Benefit(s), and (iv) Citizen's good faith estimate of the Citizen Title Benefit Amount for such Citizen Title Benefit and the computations upon which Citizen's estimate is based. Any matters that may otherwise constitute Citizen Title Benefits but that are not alleged in any Citizen Title Benefit Notice prior to the expiration of the Review Period shall be deemed to have been waived by Citizen.

(c) Right to Cure; Right to Dispute.

(i) Citizen shall have the option, but not the obligation, to attempt to cure, or cause to be cured, at its sole cost and expense, any Citizen Title Defects within the Title Cure Period.

(ii) Prior to the Scheduled Closing Date, Citizen and Linn shall attempt to agree on all disputes related to the existence of any Citizen Title Defect or Citizen Title Benefit or the applicable Citizen Title Defect Amount or Citizen Title Benefit Amount with respect thereto or the effect of any curative actions with respect to any Citizen Title Defect. With regard to any Citizen Asset that is subject to such an unresolved dispute as to a Citizen Title Defect as of the Closing, and the alleged Title Defect Amount is less than or equal to 90% of the Allocated Value of the affected Citizen Asset, then such Citizen Asset shall nevertheless be conveyed at Closing without adjustment to the Initial Citizen Agreed Value for such disputed Citizen Title Defect. Upon resolution of such dispute under Section 4.4, appropriate adjustments shall be made to the Initial Citizen Agreed Value in accordance with Section 3.3. With regard to any Citizen Asset that is subject to such an unresolved dispute as to Citizen Title Defects as of the Closing, and the alleged Title Defect Amount is greater than 90% of the Allocated Value of the affected Citizen Asset, then such Citizen Asset shall be retained at Closing, and treated as a Citizen Excluded Asset hereunder. If it is ultimately determined pursuant to Section 4.4 that the actual Title Defect Amount burdening such Citizen Asset is less than or equal to 90% of the Allocated Value of such Citizen Asset, within five (5) Business Days of such determination, Citizen shall convey such Citizen Asset to the Company pursuant to a Citizen Assignment and the Initial Citizen Agreed Value shall be adjusted in accordance with Section 3.3 to reflect the contribution of such Citizen Asset to the Company.

(d) Remedies for Citizen Title Defects and Citizen Title Benefits.

(i) Subject to Sections 4.3(d)(ii), 4.3(d)(iii) and 4.3(d)(iv), upon the final determination of the existence of any uncured Citizen Title Defect and Citizen Title Defect Amount relating thereto (whether by written agreement between the Transacting Parties or under Section 4.4), the Initial Citizen Agreed Value shall be reduced by such Citizen Title Defect Amount (or if the Closing has already occurred as of such time, the number of Closing Citizen Consideration Units shall be reduced by one Closing Citizen Consideration Unit for every $1.00 of such Citizen Title Defect Amount) in full satisfaction of such Citizen Title Defect.

(ii) Notwithstanding anything to the contrary herein, with respect to Citizen Title Defects for which the Citizen Title Defect Amount exceeds 90% of the Allocated Value of the affected Citizen Title Defect Property, Citizen or Linn shall have the right but not the obligation to exclude the entirety of the Citizen Title Defect Property, together with all Citizen Assets associated with such Citizen Title Defect Property, in which event the Initial Citizen Agreed Value shall be reduced by the Allocated Value of such Citizen Title Defect Property and associated Citizen Assets in full satisfaction of such Citizen Title Defect (except to the extent such Citizen Title Defect pertains to other Citizen Assets that are not so excluded), and such Citizen Title Defect Property, together with all Citizen Assets associated with such Citizen Title Defect Property, shall be deemed Citizen Excluded Assets hereunder for all purposes. Any such election must be made by a Transacting Party by notice to the other Transacting Party on or before the Closing, and failure of a Transacting Party to so make such an election shall be deemed a waiver by such Transacting Party of its rights under this Section 4.3(d)(ii).

(iii) Notwithstanding anything to the contrary in Section 4.3(d)(i), in no event shall there be any adjustments to the Initial Citizen Agreed Value or Closing Citizen Consideration Units under Section 4.3(d)(i) in respect of Citizen Title Defects, and Citizen shall not be responsible for any Citizen Title Defect Amounts unless the sum of (X) the aggregate Citizen Title Defect Amounts of all such Citizen Title Defects, after setting off all Citizen Title Benefit Amounts and excluding any Citizen Title Defect Amounts attributable to Citizen Title Defects cured by Citizen pursuant to Section 4.3(c)(ii) or Section 4.3(e) or Citizen Title Defect Properties retained by Citizen pursuant to Section 4.3(d)(ii) (it being acknowledged and agreed that the Initial Citizen Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Citizen Title Defect Properties) and (Y) the aggregate Remediation Amounts of all Citizen Environmental Defects that exceed the Individual Environmental Threshold (excluding any Remediation Amounts attributable to Citizen Environmental Defects cured by Citizen pursuant to Section 5.2(b)(i) or (2) Citizen Environmental Defect Properties retained by Citizen pursuant to Section 5.2(c)(ii)) (it being acknowledged and agreed that the Initial Citizen Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Citizen Environmental Defect Properties), exceeds 2.0% of the Initial Citizen Agreed Value prior to any adjustments to the Initial Citizen Agreed Value under this Agreement (the "***Citizen Aggregate Deductible***"), in which case, the adjustments to the Initial Citizen Agreed Value or Closing Citizen Consideration Units under Section 4.2(d)(i) shall only be for the amount by which such total exceeds the Citizen Aggregate Deductible.

(iv) Notwithstanding the foregoing Sections 4.3(d)(i) and (iii), the Citizen Title Benefit Amount of any Citizen Title Benefit shall serve only to reduce the aggregate Citizen Title Defect Amount, and in no event shall any Citizen Title Benefit Amount otherwise result in any adjustment to the Initial Citizen Agreed Value or Closing Citizen Consideration Units.

(e) Citizen Additional Assets; Cures with Citizen Additional Leases; Adjustments to Initial Citizen Agreed Value or Closing Citizen Consideration Units for Citizen Additional Assets.

(i) Until the Closing, Citizen may acquire Citizen Additional Assets, and Citizen may also acquire certain Citizen Additional Leases after Closing until the expiration of the Title Cure Period (provided, however, that the post-Closing acquisitions shall only be allowed through permitted acreage trades, as further described in the definition of "Citizen Additional Leases"). Citizen shall use its best efforts to, within ten (10) Business Days after the acquisition of any Citizen Additional Asset, notify Linn of such acquisition, and shall provide Linn with copies of the underlying instrument creating such Citizen Additional Asset, the agreement(s) pursuant to which Citizen acquired such Citizen Additional Asset, the contract(s) burdening or affecting such Citizen Additional Asset of which Citizen has copies, the total Raw Net Acres for each acquired Linn Additional Lease, the Net Acres subject to each such Linn Additional Lease on a Governmental Section and Target Formation basis, the Linn Section Weighted Average NRI for each acquired Linn Additional Lease on a Governmental Section and Target Formation basis, the lease expiration date for each acquired Linn Additional Lease, the estimated Citizen Cost Credited Asset Acquisition Costs for each acquisition, and any other information or materials in Citizen's possession related to such Citizen Additional Asset. Citizen Additional Assets will be subject to title review and environmental review by Linn in accordance with the other applicable provisions of Article 4 (including Section 4.3(d)(iii)) and Article 5 (including Section 5.2(c)(iii)), except that the Review Period with respect thereto shall commence on the first (1st) Business Day after Linn has received written notice from Citizen

identifying such Citizen Additional Assets, together with all information to be delivered pursuant to the immediately preceding sentence (and no Review Period shall be deemed to have commenced to run unless and until Linn has received all of such information), and shall end upon the later of the expiration of the Review Period and 11:59 p.m. Central Prevailing Time on the first (1st) Business Day that is 30 Business Days after Linn has received such written notice from Citizen. On or before five (5) Business Days after the latest to occur of (A) the expiration of the review period provided hereunder for each Citizen Additional Asset, (B) the resolution of all Title Disputes and Environmental Disputes with regard to the Citizen Additional Assets, and (C) 30 days after Linn has received a Citizen Lease Designation Notice for such Citizen Additional Assets, Citizen shall contribute all such Citizen Additional Assets to the Company (subject always to the other terms of Articles 4 and 5) pursuant to a conveyance in substantially the form of the Citizen Assignment, and simultaneous therewith shall provide Linn and the Company an officer's certificate, dated as of the date of the execution of such conveyance, certifying that the representations and warranties of Citizen in Article 8 are true and correct as to each such Citizen Additional Asset on and as of such date (other than representations and warranties that refer to a specified date, which need only be true and correct on and as of such specified date) in all material respects, provided that in no event shall Citizen be entitled to contribute any Citizen Additional Asset to the Company for which Citizen is unable to make such certification.

(ii) To the extent Citizen has acquired Citizen Additional Assets and has not otherwise cured an asserted Citizen Title Defect or completed the Remediation of an asserted Citizen Environmental Defect, Citizen may designate any Citizen Additional Lease as either a Citizen True-Up Lease or a Citizen Substitute Lease, provided that Citizen shall first (and prior to Citizen's ability to use such Citizen Additional Assets under Section 3.3(b)(vi)(C) as Citizen True-Up Leases or to designate them as Citizen Cost Credited Leases) designate and use any such Additional Citizen Lease as a Citizen Substitute Lease. "***Citizen Substitute Leases***" means any Citizen Additional Leases utilized to cure (in whole or in part) any such Citizen Title Defect or such Citizen Environmental Defect properly asserted by Linn with respect to any Citizen Asset for which the Initial Citizen Agreed Value is to be adjusted downward by designating one or more Citizen Additional Leases (in whole or in part) to cure such Citizen Title Defect or Citizen Environmental Defect, in each case at no cost to the Company or such designee and without Citizen receiving any additional Units or any other consideration therefor from the Company or such designee. Citizen shall designate or otherwise identify any Citizen Substitute Lease or Citizen True-Up Lease by one or more written notices (each, a "***Citizen Lease Designation Notice***") to Linn prior to the expiration of the Title Cure Period. Any Citizen Lease Designation Notice in respect of Citizen Substitute Leases shall also identify the Citizen Title Defect Amounts associated with the relevant Citizen Title Defects and the Remediation Amounts associated with the relevant Citizen Environmental Defects that Citizen believes have been reduced as a result of Citizen's cure of such Citizen Title Defects and Citizen Environmental Defects pursuant to this Section 4.3(e)(ii). Each Citizen Lease Designation Notice must provide the asserted Net Acres and Citizen Section Weighted NRI for the designated Citizen Additional Leases by Governmental Section and Target Formation. If Citizen fails to timely provide the aforesaid notice with respect to any Citizen Title Defect or Citizen Environmental Defect, Citizen shall not have the right to cure such Citizen Title Defect or Citizen Environmental Defect under this Section 4.3(e). For all purposes of this Section 4.3, the Allocated Value of Citizen Substitute Leases shall be computed as described in Section 4.3(e)(vii). If Citizen designates

Citizen Additional Leases as Citizen True-Up Leases, but the Allocated Values for such Citizen Additional Leases exceed the Citizen Delta Value, such Citizen Additional Leases (to the extent the Allocated Value thereof) will not be considered Citizen True-Up Leases and will instead be Citizen Cost Credited Leases hereunder, subject to all of the provisions herein with respect to Citizen Cost Credit Credited Leases.

(iii) The reduction in the Citizen Title Defect Amount associated with any Citizen Title Defect that Citizen cures under this Section 4.3(e) by designating one or more Citizen Additional Leases as a Citizen Substitute Lease and is deemed to have successfully cured such Citizen Title Defect under Section 4.3(e)(ii) shall be equal to the result of such Citizen Title Defect Amount (and if the Citizen Asset in question is being retained, then the Citizen Title Defect Amount is the Allocated Value therefor) *minus* the Allocated Value of the applicable Linn Substitute Leases as computed as described in Section 4.3(e)(vii).

(iv) In the event less than the entirety of all of Citizen Additional Leases are designated either as Citizen Substitute Leases or Citizen True-Up Leases (all such Citizen Additional Leases to the extent not designated as Citizen Substitute Leases or Citizen True-Up Leases collectively, "***Citizen Cost Credited Leases***"), all such Citizen Cost Credited Leases (or remainder thereof not designated either as Citizen Substitute Leases or Citizen True-Up Leases) shall be sold and assigned to the Company by Citizen on the second (2nd) Business Day after both the Final Citizen Adjustment Determination Date and the Final Linn Adjustment Determination Date have occurred for a cash purchase price equal to all Citizen Cost Credited Asset Acquisition Costs for all of such Citizen Cost Credited Leases and the associated Citizen Additional Assets, in each case, adjusted in accordance with Section 3.3(a) as such adjustments may apply to such Citizen Cost Credited Leases and associated Citizen Additional Assets. Each member of the Company shall bear its respective Percentage Interest share (as of the time of such sale and purchase) of the purchase price for such Citizen Additional Assets.

(v) Interim Sales. Notwithstanding anything to the contrary in this Section 4.3, and without limitation of Linn's right to indemnification under Article 15 for breach of Citizen's covenants in Section 10.2, the Citizen Aggregate Deductible shall not apply to any Citizen Title Defect resulting from the sale, trade or other disposition prior to the Closing of Citizen's interest in any Citizen Lease and/or Citizen Well (or portion thereof).

(vi) Citizen Additional Leases.

(A) Citizen has identified on Exhibit A-5-2 (Part I) those Citizen Additional Leases that have been acquired by Citizen from and after April 1, 2017 until the date that is five (5) Business Days prior to the Execution Date. Citizen shall use its best efforts to supplement such Exhibit and Exhibit A-5-2 (Part II) within ten (10) Business Days after the Execution Date to provide the total Raw Net Acres for each such acquired Citizen Additional Lease, the Net Acres subject to each such Citizen Additional Lease on a Governmental Section and Target Formation basis, the Citizen Section Weighted Average NRI for each such acquired Citizen Additional Lease on a Governmental Section and Target Formation basis, the lease expiration date for each acquired Citizen Additional Lease. In addition, within this same time period, Citizen shall also use its best efforts to provide Linn with the other information related to such Additional Citizen Assets as is contemplated under Section 4.3(e)(i) above. With regard to Citizen Additional Leases and Citizen Additional Asset acquired,

the date that is five (5) Business Days prior to the Execution Date, Citizen shall use its best efforts to supplement such Exhibit within ten (10) Business Days (but for those acquired after Closing, no later than the expiration the Title Cure Period) after any such Citizen Additional Asset acquisition, and provide to Linn such other information as is contemplated under Section 4.3(e)(i) above within this same period.

(B) To the extent less than 100% of the Citizen Additional Leases acquired in a single acquisition are Citizen Cost Credited Leases, Citizen will further provide, with respect to any such acquisition, the Raw Net Acres included in the entire relevant acquisition as compared to the Raw Net Acres for the relevant Citizen Cost Credited Leases, together with full consideration payable for the acquisition and full costs of Third Party expenses that constitute Citizen Cost Credited Acquisition Costs (the ***"Citizen Gross Acquisition Cost***"). In such event, the Citizen Cost Credited Acquisition Costs for such Citizen Cost Credited Leases will be the (A) the Raw Net Acres included in the entire relevant acquisition *divided by* the Raw Net Acres for the relevant Citizen Cost Credited Leases, *multiplied by* (B) the Citizen Gross Acquisition Cost.

(vii) The Allocated Value of any Citizen Additional Leases (or portions thereof) utilized as Citizen True-Up Leases or Citizen Substitute Leases shall be calculated with respect to each applicable Governmental Section and each Target Formation within each such Governmental Section as follows, and the relevant Allocated Value for a Target Formation in a Governmental Section will be the product of (a) the actual aggregate Citizen Section Net Acres subject to the Citizen Additional Leases in such Target Formation in such Governmental Section, and (b) the sum of (i) the Zone Price for such Target Formation in such Governmental Section and (ii) the product of (A) the Zone NRI Value for such Target Formation in such Governmental Section, (B) the amount (whether positive, negative or zero) obtained by subtracting the Zone Average NRI for such Target Formation in such Governmental Section from the actual Citizen Section Weighted Average NRI associated with the Citizen Additional Leases in such Target Formation in such Governmental Section; and (C) 100.

Section 4.4 Title Disputes. If Linn and Citizen fail to agree in writing on any dispute involving or relating to the existence of a Linn Title Defect (or whether such Linn Title Defect has been cured), Linn Title Benefit, Citizen Title Defect (or whether such Citizen Title Defect has been cured) or Citizen Title Benefit or the amount of a Linn Title Defect Amount, Linn Title Benefit Amount, Citizen Title Defect Amount or Citizen Title Benefit Amount (a "***Title Dispute***"), then such Title Dispute shall be exclusively and finally resolved pursuant to arbitration in accordance with this Section 4.4. Linn and Citizen agree to pursue any such arbitration in good faith and with reasonable diligence, with the goal of concluding the arbitration as soon as practicable. There shall be a single arbitrator, who shall be a title attorney with at least ten (10) years' experience in the oil and gas industry involving properties in the State of Oklahoma, as selected by mutual agreement of Linn and Citizen within ten (10) days after either Linn or Citizen have provided the other with a notice of dispute invoking this Section 4.4, and absent such agreement, by the Dallas, Texas office of the American Arbitration Association (the "***Title Arbitrator***"). The arbitration proceeding shall be held in Oklahoma City, Oklahoma and shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association, to the extent such rules do not conflict with the terms of this Section 4.4, except that each Transacting Party shall make a proposal to the Title Arbitrator as to

how to resolve each such Title Dispute, and the Title Arbitrator shall select the proposal of the Transacting Party that is more consistent with the terms of this Agreement than the proposal of the other Transacting Party. The Title Arbitrator's determination shall be made within thirty (30) days after submission of a Title Dispute and shall be final and binding, without right of appeal. The Title Arbitrator shall act as an expert for the limited purpose of determining the specific Title Disputes presented to him or her pursuant to this Section 4.4, and shall not consider, hear or decide any matters except the specific Title Disputes presented. In making his or her determination, the Title Arbitrator shall be bound by the rules set forth in this Section 4.4 and, subject to the foregoing, may consider such other matters as in the opinion of the Title Arbitrator are necessary to make a proper determination. The Title Arbitrator may not award damages, interest or penalties to any Transacting Party or other Person with respect to any matter. The Transacting Parties shall each bear their own legal fees and other costs of presenting its case. The Transacting Party whose Title Dispute proposal is not selected by the Title Arbitrator shall bear all of the costs and expenses of the Title Arbitrator that relate to such Title Dispute.

Section 4.5 Linn Preferential Purchase Rights; Linn Consents to Assign.

(a) With respect to each Linn Preferential Purchase Right set forth on Schedule 7.12, within ten (10) Business Days after the Execution Date, Linn shall send to the holder of each such Linn Preferential Purchase Right a notice in compliance with the contractual provisions applicable to such Linn Preferential Purchase Right requesting a waiver of such right. With respect to each Linn Preferential Purchase Right that is not set forth on Schedule 7.12 but is discovered by a Transacting Party prior to Closing, then as soon as reasonably practicable after discovery of any such Linn Preferential Purchase Right, Linn shall send to the holder of each such Linn Preferential Purchase Right a notice in compliance with the contractual provisions applicable to such Linn Preferential Purchase Right requesting a waiver of such right. Any Linn Preferential Purchase Right must be exercised subject to all terms and conditions set forth in this Agreement, and the consideration payable under this Agreement for the purposes of all Linn Preferential Purchase Right notices shall be the Allocated Value of the applicable Linn Asset (as adjusted herein).

(b) If, prior to Closing, any holder of a Linn Preferential Purchase Right notifies Linn that it intends to consummate the acquisition of the Linn Assets to which its Linn Preferential Purchase Right applies or if the time for exercising such Linn Preferential Purchase Right has not expired (and the holder of such right has not waived such right), then the Linn Assets subject to such Linn Preferential Purchase Right shall be excluded from the Linn Assets to be assigned to the Company at Closing, and the Initial Linn Agreed Value shall be reduced for every $1.00 of the Allocated Value of the Linn Asset subject to such exercised Linn Preferential Purchase Right in full satisfaction of such exercised Linn Preferential Purchase Right. Linn shall be entitled to all consideration given by any Person exercising a Linn Preferential Purchase Right prior to Closing. If such holder of such Linn Preferential Purchase Right thereafter fails to consummate the acquisition of the Linn Assets (or portions thereof) covered by such Linn Preferential Purchase Right on or before ninety (90) days following the Closing Date or the time for exercising such Linn Preferential Purchase Right expires without exercise by the holder thereof, (i) Linn shall so notify the Company and (ii) Linn shall assign, on the tenth (10^{th}) Business Day following termination of such right without consummation or exercise, such Linn Assets that were so excluded to the Company pursuant to an instrument in substantially the same form as the Linn Assignment, and Linn shall be entitled to the Closing Linn Consideration Units previously reduced as a result of such exercised Linn Preferential Purchase Right.

(c) All Linn Assets for which any applicable Linn Preferential Purchase Right has been waived, or as to which the period to exercise the applicable Linn Preferential Purchase Right has expired (and such Linn Preferential Purchase Right has not been exercised), in each case, prior to Closing, shall be conveyed to the Company at Closing subject to the provisions of this Agreement.

(d) Linn, within ten (10) Business Days after the Execution Date, shall send to each holder of a right to consent to assignment pertaining to the Linn Assets and the transactions contemplated hereby set forth in Schedule 7.11, a notice seeking such holder's consent to the transactions contemplated hereby.

(e) If Linn fails to obtain a consent to the assignment of any Linn Asset(s) set forth in Schedule 7.11 prior to Closing and the failure to obtain any such consent would cause (i) the assignment of the Linn Asset(s) affected thereby to the Company to be void or voidable, (ii) the termination of (or the right of a lessor or counterparty to terminate) the underlying interest or contract under the express terms thereof, (iii) the triggering of a liquidated damages provision (each, a "***Linn Hard Consent***"), then, in each such case, the affected Linn Asset(s) shall be excluded from the Linn Assets to be conveyed to the Company at Closing hereunder, and the Initial Linn Agreed Value shall be reduced for every $1.00 of the Allocated Value of the Linn Asset affected by such Linn Hard Consent in full satisfaction of such unobtained Linn Hard Consent. In the event that a Linn Hard Consent (with respect to any applicable Linn Asset(s) excluded pursuant to this Section 4.5(e)) that was not obtained prior to Closing is obtained within ninety (90) days following Closing, then (A) Linn shall so notify the Company and (B) Linn shall assign, on the tenth (10^{th}) Business Day following the receipt of such Linn Hard Consent, such Linn Assets that were so excluded to the Company pursuant to an instrument in substantially the same form as the Linn Assignment, and Linn shall be entitled to the Closing Linn Consideration Units previously reduced as a result of such Linn Hard Consent.

Section 4.6 Citizen Preferential Purchase Rights; Citizen Consents to Assign.

(a) With respect to each Citizen Preferential Purchase Right set forth on Schedule 8.12, within ten (10) Business Days after the Execution Date, Citizen shall send to the holder of each such Citizen Preferential Purchase Right a notice in compliance with the contractual provisions applicable to such Citizen Preferential Purchase Right requesting a waiver of such right. With respect to each Citizen Preferential Purchase Right that is not set forth on Schedule 8.12 but is discovered by a Transacting Party prior to Closing, then as soon as reasonably practicable after discovery of any such Citizen Preferential Purchase Right, Citizen shall send to the holder of each such Citizen Preferential Purchase Right a notice in compliance with the contractual provisions applicable to such Citizen Preferential Purchase Right requesting a waiver of such right. Any Citizen Preferential Purchase Right must be exercised subject to all terms and conditions set forth in this Agreement, and the consideration payable under this Agreement for the purposes of all Citizen Preferential Purchase Right notices shall be the Allocated Value of the applicable Citizen Asset (as adjusted herein).

(b) If, prior to Closing, any holder of a Citizen Preferential Purchase Right notifies Citizen that it intends to consummate the acquisition of the Citizen Assets to which its Citizen Preferential Purchase Right applies or if the time for exercising such Citizen Preferential Purchase Right has not expired (and the holder of such right has not waived such right), then the Citizen Assets subject to such Citizen Preferential Purchase Right shall be excluded from the Citizen Assets to be assigned to the Company at Closing, and the Initial Citizen Agreed Value shall be reduced for every $1.00 of the Allocated Value of the Citizen Asset subject to such exercised Citizen Preferential Purchase Right in full satisfaction of such exercised Citizen Preferential Purchase Right. Citizen shall be entitled to all consideration given by any Person exercising a Citizen Preferential Purchase Right prior to Closing. If such holder of such Citizen Preferential Purchase Right thereafter fails to consummate the acquisition of the Citizen Assets (or portions thereof) covered by such Citizen Preferential Purchase Right on or before ninety (90) days following the Closing Date or the time for exercising such Citizen Preferential Purchase Right expires without exercise by the holder thereof, (i) Citizen shall so notify the Company and (ii) Citizen shall assign, on the tenth (10^{th}) Business Day following termination of such right without consummation or exercise, such Citizen Assets that were so excluded to the Company pursuant to an instrument in substantially the same form as the Citizen Assignment, and Citizen shall be entitled to the Closing Citizen Consideration Units previously reduced as a result of such exercised Citizen Preferential Purchase Right.

(c) All Citizen Assets for which any applicable Citizen Preferential Purchase Right has been waived, or as to which the period to exercise the applicable Citizen Preferential Purchase Right has expired (and such Citizen Preferential Purchase Right has not been exercised), in each case, prior to Closing, shall be conveyed to the Company at Closing subject to the provisions of this Agreement.

(d) Citizen, within ten (10) Business Days after the Execution Date, shall send to each holder of a right to consent to assignment pertaining to the Citizen Assets and the transactions contemplated hereby set forth in Schedule 8.11, a notice seeking such holder's consent to the transactions contemplated hereby.

(e) If Citizen fails to obtain a consent to the assignment of any Citizen Asset(s) set forth in Schedule 8.11 prior to Closing and the failure to obtain any such consent would cause (i) the assignment of the Citizen Asset(s) affected thereby to the Company to be void or voidable, (ii) the termination of (or the right of a lessor or counterparty to terminate) the underlying interest or contract under the express terms thereof, (iii) the triggering of a liquidated damages provision (each, a "***Citizen Hard Consent***"), then, in each such case, the affected Citizen Asset(s) shall be excluded from the Citizen Assets to be conveyed to the Company at Closing hereunder, and the Initial Citizen Agreed Value shall be reduced for every $1.00 of the Allocated Value of the Citizen Asset affected by such Citizen Hard Consent in full satisfaction of such unobtained Citizen Hard Consent. In the event that a Citizen Hard Consent (with respect to any applicable Citizen Asset(s) excluded pursuant to this Section 4.6(e)) that was not obtained prior to Closing is obtained within ninety (90) days following Closing, then (A) Citizen shall so notify the Company and (B) Citizen shall assign, on the tenth (10^{th}) Business Day following the receipt of such Citizen Hard Consent, such Citizen Assets that were so excluded to the Company pursuant to an instrument in substantially the same form as the Citizen Assignment, and Citizen shall be entitled to the Closing Citizen Consideration Units previously reduced as a result of such Citizen Hard Consent.

Section 4.7 Casualty Loss.

(a) Notwithstanding anything herein to the contrary, from and after the Effective Time, if Closing occurs, the Company shall assume all risk of loss with respect to production of Hydrocarbons through normal depletion (including watering out of any Linn Well or Citizen Well, collapsed casing or sand infiltration of any Linn Well or Citizen Well) and the depreciation of the Linn Wells and Citizen Wells and all personal property due to ordinary wear and tear, in each case, with respect to the Assets.

(b) If, after the Execution Date but prior to the Closing Date, any portion of the Linn Assets is destroyed by fire or other act of God or is taken in condemnation or under right of eminent domain (each, a "***Linn Casualty Loss***") for which the loss resulting from such Casualty Loss exceeds $150,000, the Initial Linn Agreed Value shall be adjusted downward by the amount of such loss, unless, at Citizen's sole election, Linn pays to the Company all sums paid to Linn by Third Parties by reason of such Linn Casualty Loss, and (y) assigns, transfers and sets over unto the Company all of the right, title and interest of Linn in and to any unpaid awards or other payments, including insurance payments, from Third Parties arising out of such Linn Casualty Loss.

(c) If, after the Execution Date but prior to the Closing Date, any portion of the Citizen Assets is destroyed by fire or other act of God or is taken in condemnation or under right of eminent domain (each, a "***Citizen Casualty Loss***") for which the loss resulting from such Casualty Loss exceeds $150,000, the Initial Citizen Agreed Value shall be adjusted downward by the amount of such loss, unless, at Linn's sole election, Citizen pays to the Company all sums paid to Citizen by Third Parties by reason of such Citizen Casualty Loss, and (y) assigns, transfers and sets over unto the Company all of the right, title and interest of Citizen in and to any unpaid awards or other payments, including insurance payments, from Third Parties arising out of such Citizen Casualty Loss.

ARTICLE 5
ENVIRONMENTAL MATTERS

Section 5.1 Notice of Linn Environmental Defects.

(a) Linn Environmental Defect Notices. On or prior to the last day of the Review Period, Citizen shall have the right to assert claims for Linn Environmental Defects against Linn in accordance with this Section 5.1(a). To assert a Linn Environmental Defect, Citizen shall give written notice prior to the end of the Review Period to Linn via email (with hardcopy sent for delivery the day after the end of the Review Period) meeting the requirements of this Section 5.1(a) (each, a "***Linn Environmental Defect Notice***" and collectively, the "***Linn Environmental Defect Notices***"). Without limiting any rights to indemnity pursuant to Article 15, any matters that may otherwise constitute Linn Environmental Defects but that are not alleged in any Linn Environmental Defect Notice prior to the expiration of the Review Period shall be deemed to have been waived by Citizen. To be effective, each Linn Environmental

Defect Notice shall be in writing, and shall include (i) a reasonable description of each alleged Linn Environmental Defect, (ii) the Linn Assets or portion thereof affected thereby (each, a "***Linn Environmental Defect Property***"), (iii) documentation, including any physical measurements or photographs, sufficient for Linn to verify the existence of the asserted Linn Environmental Defect(s), (iv) the Allocated Value of each Linn Environmental Defect Property, (v) the Remediation Amount (itemized in reasonable detail) that Citizen asserts is attributable to such Linn Environmental Defect and the computations and information upon which Citizen's belief is based, and (vi) the specific Environmental Law that is applicable to the Environmental Defect. Citizen's calculation of the Remediation Amount included in the Linn Environmental Defect Notice must describe in reasonable detail the Remediation proposed for the Environmental Condition that gives rise to the asserted Linn Environmental Defect and identify all assumptions used by Citizen in calculating the Remediation Amount, including the standards that Citizen asserts must be met to comply with Environmental Laws.

(b) Right to Cure; Right to Dispute.

(i) Linn shall have the option, but not the obligation, to attempt to cure, or cause to be cured, at its sole cost and expense, any Linn Environmental Defects prior to the Closing (the "***Environmental Cure Period***").

(ii) Prior to the Scheduled Closing Date, Linn and Citizen shall attempt to agree on all disputes related to the existence of any Linn Environmental Defect the applicable Remediation Amount with respect thereto or the effect of any curative actions with respect to any Linn Environmental Defect. With regard to any Linn Asset that is subject to such an unresolved dispute as to Linn Environmental Defects as of the Closing, and the alleged Linn Remediation Amount is less than or equal to 90% of the Allocated Value of the affected Linn Asset or less than $100,000, then such Linn Asset shall nevertheless be conveyed at Closing without adjustment to the Initial Linn Agreed Value for such disputed Linn Environmental Defect. Upon resolution of such dispute under Section 5.3, appropriate adjustments shall be made to the Initial Linn Agreed Value in accordance with Section 3.2. With regard to any Linn Asset that is subject to such an unresolved dispute as to Linn Environmental Defects as of the Closing, and the alleged Remediation Amount is (A) greater than 90% of the Allocated Value of the affected Linn Asset and (B) greater than $100,000, then such Linn Asset shall be retained at Closing, and treated as a Linn Excluded Asset hereunder. If it is ultimately determined pursuant to Section 5.3 that the actual Remediation Amount burdening such Linn Asset is less than or equal to 90% of the Allocated Value of such Linn Asset or less than or equal to $100,000, within five (5) Business Days of such determination, Linn shall convey such Linn Asset to the Company pursuant to a Linn Assignment and the Initial Linn Agreed Value shall be adjusted in accordance with Section 3.2 to reflect the contribution of such Linn Asset to the Company.

(c) Remedies for Linn Environmental Defects.

(i) Subject to Section 5.1(c)(ii), upon the final determination of the existence of any uncured Linn Environmental Defect and Remediation Amount relating thereto (whether by written agreement between the Transacting Parties or under Section 5.3), the Initial Linn Agreed Value shall be reduced by such Remediation Amount in full satisfaction of such Linn Environmental Defect.

(ii) Notwithstanding anything to the contrary herein, with respect to Linn Environmental Defects for which the Linn Environmental Defect Amount exceeds (A) 90% of the Allocated Value of the affected Linn Environmental Defect Property and (B) $100,000, Linn shall have the right but not the obligation to exclude, and Citizen shall have the right to require Linn to retain, the entirety of any Linn Environmental Defect Property, together with all Linn Assets associated with such Linn Environmental Defect Property, in which event the Initial Linn Agreed Value shall be reduced by the Allocated Value of such Linn Environmental Defect Property in full satisfaction of such Linn Environmental Defect, and such Linn Environmental Defect Property, together with all Linn Assets associated with such Linn Environmental Defect Property, shall be deemed Linn Excluded Assets hereunder for all purposes. Any such election must be made by a Transacting Party by notice to the other Transacting Party on or before the Closing, and failure to so make such an election shall be deemed a waiver by such Transacting Party of its rights under this Section 5.1(c)(ii).

(iii) Notwithstanding anything to the contrary in Section 5.1(c)(i), (A) in no event shall there be any adjustments to the Initial Linn Agreed Value or Closing Linn Consideration Units under Section 5.1(c)(i) in respect of Linn Environmental Defects, Citizen shall not have the right to require Linn to retain any Linn Environmental Defect Property pursuant to Section 5.1(c)(i) and Linn shall not be responsible for any individual Linn Environmental Defect, for which the Remediation Amount does not exceed $100,000 (the "***Individual Environmental Threshold***"), provided, however, that the Remediation Amount shall be deemed to meet the Individual Environmental Threshold in any of the following cases: (1) if any Asset is affected by more than one Linn Environmental Defect, and the aggregate sum of the Remediation Amounts for all Linn Environmental Defects affecting such Asset exceeds the Individual Environmental Threshold, or (2) in the case of multiple violations of the same requirement of an Environmental Law, whether or not affecting the same Asset, the aggregate sum of the Remediation Amounts for all such common Linn Environmental Defects exceeds the Individual Environmental Threshold, and (B) in no event shall there be any adjustments to the Initial Linn Agreed Value or Closing Linn Consideration Units under Section 5.1(c)(i) in respect of Linn Environmental Defects, and Linn shall not be responsible for any Remediation Amount that exceeds the Individual Environmental Threshold unless the sum of (X) the aggregate Linn Title Defect Amounts of all Linn Title Defects after setting off all Linn Title Benefit Amounts, and excluding any Linn Title Defect Amounts attributable to Linn Title Defects cured by Linn pursuant to Section 4.2(c)(ii) or Section 4.2(e) or Linn Title Defect Properties retained by Linn pursuant to Section 4.2(d)(ii) (it being acknowledged and agreed that the Initial Linn Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Linn Title Defect Properties) and (Y) the aggregate Remediation Amounts of all Linn Environmental Defects that exceed the Individual Environmental Threshold (excluding (1) any Remediation Amounts attributable to Linn Environmental Defects cured by Linn pursuant to Section 5.1(b)(i) or (2) Linn Environmental Defect Properties retained by Linn pursuant to Section 5.1(c)(ii)) (it being acknowledged and agreed that the Initial Linn Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Linn Environmental Defect Properties), exceeds the Linn Aggregate Deductible, in which case, the adjustments to the Initial Linn Agreed Value or Closing Linn Consideration Units under Section 5.1(c)(i) shall only be for the amount by which such total exceeds the Linn Aggregate Deductible.

(d) Exclusive Remedy. Except as provided in Section 15.1 for a breach of Linn's representations and warranties set forth in Section 7.14 (and the corresponding representations in the certificate to be delivered by Linn at the Closing pursuant to (i) Section 12.6 and (ii) Section 4.2(e)(i) with respect to Linn Additional Assets), and except with respect to Citizen's and the Company's right to indemnity under Section 15.1, and without prejudice to certain rights of Citizen to exclude certain Linn Assets under Section 6.1, the provisions set forth in Section 5.1(c) shall be the exclusive right and remedy of Citizen with respect to any Linn Environmental Defect with respect to any Linn Asset.

Section 5.2 Notice of Citizen Environmental Defects.

(a) Citizen Environmental Defect Notices. On or prior to the last day of the Review Period, Linn shall have the right to assert claims for Citizen Environmental Defects against Citizen in accordance with this Section 5.2(a). To assert a Citizen Environmental Defect, Linn shall give written notice prior to the end of the Review Period to Citizen via email (with hardcopy sent for delivery the day after the end of the Review Period) meeting the requirements of this Section 5.2(a) (each, a "***Citizen Environmental Defect Notice***" and collectively, the "***Citizen Environmental Defect Notices***"). Without limiting any rights to indemnity pursuant to Article 15, any matters that may otherwise constitute Citizen Environmental Defects but that are not alleged in any Citizen Environmental Defect Notice prior to the expiration of the Review Period shall be deemed to have been waived by Linn. To be effective, each Citizen Environmental Defect Notice shall be in writing, and shall include (i) a reasonable description of each alleged Citizen Environmental Defect, (ii) the Citizen Assets or portion thereof affected thereby (each, a "***Citizen Environmental Defect Property***"), (iii) documentation, including any physical measurements or photographs, sufficient for Citizen to verify the existence of the asserted Citizen Environmental Defect(s), (iv) the Allocated Value of each Citizen Environmental Defect Property, (v) the Remediation Amount (itemized in reasonable detail) that Linn asserts is attributable to such Citizen Environmental Defect and the computations and information upon which Linn's belief is based, and (vi) the specific Environmental Law that is applicable to the Environmental Defect. Linn's calculation of the Remediation Amount included in the Citizen Environmental Defect Notice must describe in reasonable detail the Remediation proposed for the Environmental Condition that gives rise to the asserted Citizen Environmental Defect and identify all assumptions used by Linn in calculating the Remediation Amount, including the standards that Linn asserts must be met to comply with Environmental Laws.

(b) Right to Cure; Right to Dispute.

(i) Citizen shall have the option, but not the obligation, to attempt to cure, or cause to be cured, at its sole cost and expense, any Citizen Environmental Defects prior to the expiration of the Environmental Cure Period.

(ii) Prior to the Scheduled Closing Date, Citizen and Linn shall attempt to agree on all disputes related to the existence of any Citizen Environmental Defect the applicable Remediation Amount with respect thereto or the effect of any curative actions with respect to any Citizen Environmental Defect. With regard to any Citizen Asset that is subject to such an unresolved dispute as to Citizen Environmental Defects as of the Closing, and the alleged Citizen Remediation Amount is less than or equal to 90% of the Allocated Value of the

affected Citizen Asset or less than $100,000, then such Citizen Asset shall nevertheless be conveyed at Closing without adjustment to the Initial Citizen Agreed Value for such disputed Citizen Environmental Defect. Upon resolution of such dispute under Section 5.3, appropriate adjustments shall be made to the Initial Citizen Agreed Value in accordance with Section 3.3. With regard to any Citizen Asset that is subject to such an unresolved dispute as to Citizen Environmental Defects as of the Closing, and the alleged Remediation Amount is (A) greater than 90% of the Allocated Value of the affected Citizen Asset and (B) greater than $100,000, then such Citizen Asset shall be retained at Closing, and treated as a Citizen Excluded Asset hereunder. If it is ultimately determined pursuant to Section 5.3 that the actual Remediation Amount burdening such Citizen Asset is less than or equal to 90% of the Allocated Value of such Citizen Asset or less than or equal to $100,000, within five (5) Business Days of such determination, Citizen shall convey such Citizen Asset to the Company pursuant to a Citizen Assignment and the Initial Citizen Agreed Value shall be adjusted in accordance with Section 3.3 to reflect the contribution of such Citizen Asset to the Company.

(c) Remedies for Citizen Environmental Defects.

(i) Subject to Section 5.2(c)(ii), upon the final determination of the existence of any uncured Citizen Environmental Defect and Remediation Amount relating thereto (whether by written agreement between the Transacting Parties or under Section 5.3), the Initial Citizen Agreed Value shall be reduced by such Remediation Amount in full satisfaction of such Citizen Environmental Defect.

(ii) Notwithstanding anything to the contrary herein, with respect to Citizen Environmental Defects for which the Citizen Environmental Defect Amount exceeds (A) 90% of the Allocated Value of the affected Citizen Environmental Defect Property and (B) $100,000, Citizen shall have the right but not the obligation to exclude, and Linn shall have the right to require Citizen to retain, the entirety of any Citizen Environmental Defect Property, together with all Citizen Assets associated with such Citizen Environmental Defect Property, in which event the Initial Citizen Agreed Value shall be reduced by the Allocated Value of such Citizen Environmental Defect Property in full satisfaction of such Citizen Environmental Defect, and such Citizen Environmental Defect Property, together with all Citizen Assets associated with such Citizen Environmental Defect Property, shall be deemed Citizen Excluded Assets hereunder for all purposes. Any such election must be made by a Transacting Party by notice to the other Transacting Party on or before the Closing, and failure to so make such an election shall be deemed a waiver by such Transacting Party of its rights under this Section 5.2(c)(ii).

(iii) Notwithstanding anything to the contrary in Section 5.2(c)(i), (A) in no event shall there be any adjustments to the Initial Citizen Agreed Value or Closing Citizen Consideration Units under Section 5.2(c)(i) in respect of Citizen Environmental Defects, Linn shall not have the right to require Citizen to retain any Citizen Environmental Defect Property pursuant to Section 5.2(c)(i) and Citizen shall not be responsible for any individual Citizen Environmental Defect, for which the Remediation Amount does not exceed the Individual Environmental Threshold, provided, however, that the Remediation Amount shall be deemed to meet the Individual Environmental Threshold in any of the following cases: (1) if any Asset is affected by more than one Citizen Environmental Defect, and the aggregate sum of the Remediation Amounts for all Citizen Environmental Defects affecting such Asset exceeds the

Individual Environmental Threshold, or (2) in the case of multiple violations of the same requirement of an Environmental Law, whether or not affecting the same Asset, the aggregate sum of the Remediation Amounts for all such common Citizen Environmental Defects exceeds the Individual Environmental Threshold, and (B) in no event shall there be any adjustments to the Initial Citizen Agreed Value or Closing Citizen Consideration Units under Section 5.2(c)(i) in respect of Citizen Environmental Defects, and Citizen shall not be responsible for any Remediation Amount that exceeds the Individual Environmental Threshold unless the sum of (X) the aggregate Citizen Title Defect Amounts of all Citizen Title Defects after setting off all Citizen Title Benefit Amounts, and excluding any Citizen Title Defect Amounts attributable to Citizen Title Defects cured by Citizen pursuant to Section 4.3(c)(ii) or Section 4.3(e) or Citizen Title Defect Properties retained by Citizen pursuant to Section 4.3(d)(ii) (it being acknowledged and agreed that the Initial Citizen Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Citizen Title Defect Properties) and (Y) the aggregate Remediation Amounts of all Citizen Environmental Defects that exceed the Individual Environmental Threshold (excluding (1) any Remediation Amounts attributable to Citizen Environmental Defects cured by Citizen pursuant to Section 5.2(b)(i) or (2) Citizen Environmental Defect Properties retained by Citizen pursuant to Section 5.2(c)(ii)) (it being acknowledged and agreed that the Initial Citizen Agreed Value shall be reduced at Closing for the Allocated Value of the retained or excluded Citizen Environmental Defect Properties), exceeds the Citizen Aggregate Deductible, in which case, the adjustments to the Initial Citizen Agreed Value or Closing Citizen Consideration Units under Section 5.2(c)(i) shall only be for the amount by which such total exceeds the Citizen Aggregate Deductible.

(d) Exclusive Remedy. Except as provided in Section 15.1 for a breach of Citizen's representations and warranties set forth in Section 8.14 (and the corresponding representations in the certificate to be delivered by Citizen at the Closing pursuant to (i) Section 11.6 and (ii) Section 4.3(e)(i) with respect to Citizen Additional Assets), and except with respect to Linn's and the Company's right to indemnity under Section 15.1, and without prejudice to certain rights of Linn to exclude certain Citizen Assets under Section 6.1, the provisions set forth in Section 5.2(c) shall be the exclusive right and remedy of Linn with respect to any Citizen Environmental Defect with respect to any Citizen Asset.

Section 5.3 Environmental Disputes. If Citizen and Linn fail to agree in writing on any dispute involving or relating to the existence of a Linn Environmental Defect or Citizen Environmental Defect or the Remediation Amount of a Linn Environmental Defect or a Citizen Environmental Defect (an "***Environmental Dispute***"), then such Environmental Dispute shall be exclusively and finally resolved pursuant to arbitration in accordance with this Section 5.3. Citizen and Linn agree to pursue any such arbitration in good faith and with reasonable diligence, with the goal of concluding the arbitration as soon as practicable. There shall be a single arbitrator, who shall be an environmental attorney with at least ten (10) years' experience in the oil and gas industry involving properties in the State of Oklahoma, as selected by mutual agreement of Citizen and Linn within ten (10) days after either Citizen or Linn have provided the other with a notice of dispute invoking this Section 5.3, and absent such agreement, by the Dallas, Texas office of the American Arbitration Association (the "***Environmental Arbitrator***"). The arbitration proceeding shall be held in Oklahoma City, Oklahoma and shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association, to the extent such rules do not conflict with the terms of this Section 5.3, except that each

Transacting Party shall make a proposal to the Environmental Arbitrator as to how to resolve each such Environmental Dispute, and the Environmental Arbitrator shall select the proposal of the Transacting Party that is more consistent with the terms of this Agreement than the proposal of the other Transacting Party. The Environmental Arbitrator's determination shall be made within thirty (30) days after submission of an Environmental Dispute and shall be final and binding, without right of appeal. The Environmental Arbitrator shall act as an expert for the limited purpose of determining the specific Environmental Disputes presented to him or her pursuant to this Section 5.3, and shall not consider, hear or decide any matters except the specific Environmental Disputes presented. In making his or her determination, the Environmental Arbitrator shall be bound by the rules set forth in this Section 5.3 and, subject to the foregoing, may consider such other matters as in the opinion of the Environmental Arbitrator are necessary to make a proper determination. The Environmental Arbitrator may not award damages, interest or penalties to any Transacting Party or other Person with respect to any matter. The Transacting Parties shall each bear their own legal fees and other costs of presenting its case. The Transacting Party whose Environmental Dispute proposal is not selected by the Environmental Arbitrator shall bear all of the costs and expenses of the Environmental Arbitrator that relate to such Environmental Dispute.

Section 5.4 NORM; Wastes and other Substances. Each Party acknowledges that each Transacting Party's Assets have been used for exploration, development, production, gathering and transportation of oil and gas and there may be petroleum, produced water, wastes or other substances or materials located in, on or under such Assets or associated with such Assets. Equipment and sites included in the Assets may contain asbestos, NORM or other Hazardous Substances. NORM may affix or attach itself to the inside of wells, pipelines, materials and equipment as scale, or in other forms. The wells, materials and equipment located on the Assets or included in the Assets may contain NORM and other wastes or Hazardous Substances. NORM containing material and/or other wastes or Hazardous Substances may have come in contact with various environmental media, including, water, soils or sediment. Special procedures may be required for the assessment, remediation, removal, transportation or disposal of environmental media, wastes, asbestos, NORM and other Hazardous Substances from the Assets. For the avoidance of doubt (a) NORM shall not constitute the basis of a breach of Linn's representations and warranties set forth in Section 7.14 or Citizen's representations and warranties set forth in Section 8.14, and (b) no Environmental Condition involving NORM shall constitute the basis of a Linn Environmental Defect or a Citizen Environmental Defect other than with respect to NORM on out-of-service equipment.

ARTICLE 6
ACCESS; CERTAIN DISCLAIMERS

Section 6.1 Access to Assets.

(a) From and after the Execution Date and up to and including the Closing Date (or earlier termination of this Agreement), but subject to the other provisions of this Section 6.1 and obtaining any required consents of Third Parties, including Third Party operators of the Assets, each Contributing Party shall afford to the Other Party and its Representatives reasonable access, during normal business hours, to (i) such Contributing Party's and its Affiliates' employees, (ii) such Contributing Party's Assets and (iii) all Records in such Contributing

Party's or any of its Affiliates' possession. All investigations and due diligence conducted by the Other Party or its Representatives shall be conducted at such Other Party's sole cost, risk and expense and any conclusions made from any examination done by such Other Party or such Other Party's Representative shall result from such Other Party's own independent review and judgment. To the extent that there are any consents of Third Parties, including Third Party operators of the Assets, which are required to be obtained in connection with the access described in this Section 6.1(a), each Contributing Party shall use commercially reasonable efforts to obtain such consents, provided that the Contributing Party shall not be obligated to pay any fee or provide any other consideration to obtain any such consent.

(b) Each Other Party shall be entitled to conduct a Phase I environmental property assessment and regulatory compliance review with respect to the Contributing Party's Assets. Each Contributing Party or its designee shall have the right to accompany the Other Party and its Representatives whenever such Other Party and its Representatives are on site on such Contributing Party's Assets. Notwithstanding anything herein to the contrary, neither an Other Party nor its Representatives shall have access to, and shall not be permitted to conduct, any environmental due diligence requiring physical inspection (including any Phase I environmental property assessments) with respect to any Assets owned by a Contributing Party where such Contributing Party does not have the authority to grant access for such due diligence. An Other Party shall not be entitled to conduct Phase II Environmental Site Assessments in accordance with the American Society for Testing and Materials (A.S.T.M.) Standard Practice Environmental Site Assessments: Phase II Environmental Site Assessment Process (Publication Designation: E1903-11) ("***Phase II***"), any sampling, boring, drilling or other invasive investigation activities on or with respect to any of the Assets of the Contributing Party without the prior written consent of such Contributing Party, which Contributing Party may withhold such consent in its sole discretion. In the event such Contributing Party withholds its consent for: (A) Phase II, if Other Party's Phase I inspection revealed a Recognized Environmental Concern (as determined under A.S.T.M. Publication Designation: E1527-13), or (B) such other invasive activities described in the foregoing sentence, such Other Party shall be entitled to: (i) with respect to Assets operated by such Contributing Party only, exclude the affected Assets and reduce the applicable Initial Agreed Value by the Allocated Value of such Assets, or (ii) reserve its right to assert an Environmental Defect.

(c) Each Other Party shall coordinate its environmental property assessments and physical inspections of the Assets of the Contributing Party with such Contributing Party and all Third Party operators to minimize any inconvenience to or interruption of the conduct of business by such Contributing Party or such Third Party operators. Each Other Party shall abide by the Contributing Party's, and any Third Party operator's, safety rules, regulations and operating policies while conducting its due diligence evaluation of the Contributing Party's Assets, including any environmental or other inspection or assessment of such Assets. Each Other Party hereby defends, indemnifies and holds harmless each of the operators of the Assets and the Group of the Contributing Party from and against any and all Liabilities arising out of, resulting from or relating to any field visit, environmental property assessment, or other due diligence activity conducted by such Other Party or any of its Representatives with respect to the Contributing Party's Assets, even if such Liabilities arise out of or result from, SOLELY OR IN PART, THE SOLE, ACTIVE, PASSIVE, CONCURRENT OR COMPARATIVE NEGLIGENCE, STRICT LIABILITY OR OTHER FAULT OR

VIOLATION OF LAW OF OR BY A MEMBER OF THE CONTRIBUTING PARTY'S GROUP, EXCEPTING ONLY IN THE CASE OF THIS SECTION 6.1(C) (I) LIABILITIES TO THE EXTENT CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF A MEMBER OF THE CONTRIBUTING PARTY'S GROUP AND (II) LIABILITIES THAT WERE EXISTING PRIOR TO SUCH INSPECTIONS.

(d) Upon completion of an Other Party's due diligence, such Other Party shall at its sole cost and expense and without any cost or expense to the Contributing Party or its Affiliates, (i) repair all damage done to the Contributing Party's Assets in connection with such Other Party's due diligence, (ii) restore the Contributing Party's Assets to at least the approximate same or better condition than they were prior to commencement of such Other Party's due diligence and (iii) remove all equipment, tools or other property brought onto the Contributing Party's Assets in connection with such Other Party's due diligence. Any disturbance to the Contributing Party's Assets (including the leasehold associated therewith) resulting from the Other Party's due diligence will be promptly corrected by such Other Party.

(e) During all periods that an Other Party and/or any of its Representatives are on a Contributing Party's Assets, such Other Party shall maintain, at its sole expense and with insurers reasonably satisfactory to the Contributing Party, policies of insurance of the types and in the amounts specified on Schedule 6.1(e).

Section 6.2 Confidentiality. Each Party acknowledges that, pursuant to its right of access to the employees of the other Party or its Affiliates, the other Party's Records and the other Party's Assets, such Party will become privy to confidential and other information of the other Party, including the results of the due diligence conducted under this Agreement, and that such confidential information shall be held confidential by such Party and its Representatives in accordance with the terms of the Confidentiality Agreement. If Closing should occur, the foregoing confidentiality restriction on a Party, including the Confidentiality Agreement, shall terminate (except as to (a) such portion of the other Party's Assets that are not conveyed to the Company pursuant to the provisions of this Agreement, (b) the other Party's Excluded Assets and (c) information related to assets other than the other Party's Assets).

Except (w) as set forth in Schedule 10.1(a), (x) for the operations covered by the AFEs described in Schedule 7.18 or such operations required pursuant to any applicable Law, (y) as required in the event of an emergency to protect life, property or the environment, and (z) as expressly contemplated by this Agreement or as expressly consented to in writing by Citizen (which consent shall not be unreasonably delayed, withheld or conditioned), Linn shall not, during the Interim Period:

Citizen agrees that it will (i) respond as soon as is reasonably practicable to any written request for consent pursuant to this Section 10.1(d) and Section 10.1(a)(iii), and (ii) consent to any written request for approval of any AFE or similar request unless Citizen reasonably considers such request not to be economically prudent. In the event the Transacting Parties are unable to agree within ten (10) Business Days (unless a shorter time, not to be less than 48 hours, is reasonably required by the circumstances and the applicable joint operating agreement and such shorter time is specified in Linn's request for consent) of Citizen's receipt of any consent request as to whether or not Linn should elect to participate in such operation, Linn's decision shall control and such operation shall be deemed to have been consented to by Citizen.

Section 10.2 Citizen Conduct of Business.

(a) Except (w) as set forth in Schedule 10.2(a), (x) for the operations covered by the AFEs described in Schedule 8.18 or such operations required pursuant to any applicable Law, (y) as required in the event of an emergency to protect life, property or the environment, and (z) as expressly contemplated by this Agreement or as expressly consented to in writing by Linn (which consent shall not be unreasonably delayed, withheld or conditioned), Citizen shall, during the Interim Period:

(i) subject to interruptions resulting from force majeure, mechanical breakdown and planned maintenance, in each case, operate or, in the case of those Citizen Assets not operated by Citizen, use its commercially reasonable efforts to cause to be operated, the Citizen Assets in the usual, regular and ordinary manner consistent with past practice and as a reasonably prudent operator;

(ii) maintain, or cause to be maintained, the books of account and Citizen Records relating to the Citizen Assets in the usual, regular and ordinary manner and in accordance with generally accepted accounting principles; and

(iii) promptly notify Linn in writing of any operations proposed after the Execution Date which would reasonably be estimated to require expenditures in excess of $250,000, as well as any amendments or supplements to any previously proposed operations which could reasonably be estimated to require expenditures in excess of $250,000, to the extent such operations could require the approval the co-interest owners of the Citizen Assets or would result in any elections to participate or be deemed a non-consenting interest owner regarding the Citizen Assets, and Citizen shall consult with Linn prior to (A) providing any such approval or consent, (B) allowing the election period to pass or (C) otherwise being deemed to be a non-consenting co-interest owner with regard to such proposed operation;

Except (w) as set forth in Schedule 10.2(a), (x) for the operations covered by the AFEs described in Schedule 8.18 or such operations required pursuant to any applicable Law, (y) as required in the event of an emergency to protect life, property or the environment, and (z) as expressly contemplated by this Agreement or as expressly consented to in writing by Linn (which consent shall not be unreasonably delayed, withheld or conditioned), Citizen shall not, during the Interim Period:

(iv) (A) enter into a Citizen Contract that, if entered into on or prior to the Execution Date, would have been required to be listed on Schedule 8.13(a), or (B) terminate (unless the term thereof expires pursuant to the provisions existing therein) or materially amend the terms of any Material Citizen Contract;

(v) enter into any Citizen Contract that contains an area of mutual interest, a non-competition obligation, right of first refusal, a right of first offer, or any similar options or restrictions;

(vi) terminate (unless the term thereof expires pursuant to the provisions existing therein), materially amend, extend or surrender any rights under any Citizen Lease or Citizen Right-of-Way;

(vii) without limitation of Section 10.2(a)(iii) and subject to Section 10.2(e), propose or approve any individual AFE or similar request under any Citizen Contract which would reasonably be estimated to require expenditures in excess of $250,000.

(viii) transfer, sell, mortgage, pledge or dispose of any material portion of the Citizen Assets other than the (A) sale and/or disposal of Hydrocarbons in the ordinary course of business, and (B) sales of equipment that is no longer necessary in the operation of the Citizen Assets or for which replacement equipment has been obtained;

(ix) (A) make, change or revoke any Tax election; (B) adopt or change any accounting method with respect to Asset Taxes; (C) file any amended Tax Return with respect to Asset Taxes that the Company is responsible for hereunder after Closing; (D) enter into any closing agreement with respect to Asset Taxes; (E) settle or compromise any Asset Tax claim or assessment that Company is responsible for hereunder after Closing; or (F) consent to any extension or waiver of the limitation period applicable to any claim or assessment with respect to Taxes related to or attributable to the Citizen Assets that the Company will be responsible for after Closing; or

(x) commit to do any of the foregoing.

(b) Without expanding any obligations which Citizen may have to Linn or the Company, it is expressly agreed that Citizen shall never have any liability to Linn or the Company with respect to any breach or failure of Section 10.2(a)(i) greater than that which it might have as the operator to a non-operator under the applicable operating agreement (or, in the absence of such an agreement, under the AAPL 610 (1989 Revision) form Operating Agreement), IT BEING RECOGNIZED THAT, UNDER SUCH AGREEMENTS AND SUCH FORM, THE OPERATOR IS NOT RESPONSIBLE FOR ITS OWN NEGLIGENCE, AND HAS NO RESPONSIBILITY OTHER THAN FOR GROSS NEGLIGENCE OR WILLFUL MISCONDUCT. Notwithstanding anything to the contrary herein, nothing in this Section 10.2(b) shall be construed to limit Citizen's liability for breaches of Section 10.2(a)(i) to the extent such breaches are not related to the physical operation of the Citizen Assets, nor shall anything in this Section 10.2(b) be construed to limit Citizen's liability for breaches of any of the other provisions of Section 10.2(a) (other than as described above with regard to Section 10.2(a)(i)).

(c) Linn acknowledges that Citizen owns undivided interests in certain of the properties comprising the Citizen Assets that it is not the operator thereof, and Linn agrees that the acts or omissions of the other Working Interest owners (including the operators) who are not Citizen or any of its Affiliates shall not constitute a breach of the provisions of this Section 10.2, nor shall any action required by a vote of Working Interest owners constitute such a breach so long as Citizen (or its Affiliate, as applicable) has voted its interest in a manner that complies with the provisions of this Section 10.2 and has provided Linn notice of any actions or omissions of a Third Party operator which do not conform to any elections of Linn under this Section 10.2.

(d) With respect to any AFE received by Citizen that is estimated to cost in excess of $250,000 and for which the relevant activity is not described in Schedule 10.2(a), Citizen shall forward such AFE to Linn as soon as is reasonably practicable and thereafter the Transacting Parties shall consult with each other regarding whether or not Citizen should elect to participate in such operation. Linn agrees that it will (i) respond as soon as is reasonably practicable to any written request for consent pursuant to this Section 10.2(d) and Section 10.2(a)(iii), and (ii) consent to any written request for approval of any AFE or similar request unless Linn reasonably considers such request not to be economically prudent. In the event the Transacting Parties are unable to agree within ten (10) Business Days (unless a shorter time, not to be less than 48 hours, is reasonably required by the circumstances and the applicable joint operating agreement and such shorter time is specified in Citizen's request for consent) of Linn's receipt of any consent request as to whether or not Citizen should elect to participate in such operation, Citizen's decision shall control and such operation shall be deemed to have been consented to by Linn.

Section 10.3 Public Announcements; Confidentiality. During the Interim Period, no Party shall make any press release or other public announcement regarding the existence of this Agreement, the contents hereof or the transactions contemplated hereby without the prior written consent of the other Parties (collectively, the "***Public Announcement Restrictions***"). rights of consent, Linn Preferential Purchase Rights, Citizen Preferential Purchase Rights or other rights that may be applicable to the transaction contemplated by this Agreement, as reasonably necessary to provide notices, seek waivers, amendments or termination of such rights, or seek such consents) or (b) required (upon advice of counsel) by applicable securities or other Laws or regulations or the applicable rules of any stock exchange having jurisdiction over the Parties or their respective Affiliates. In the case of the disclosures described under clause (b) of this Section 10.3, each Party shall provide the other Parties not less than one (1) Business Day to review and comment on the contents of any such release or announcement prior to making such release or announcement. Following the Interim Period, any restrictions on press releases or other public announcements shall be governed by the LLC Agreement.

The Parties acknowledge and agree that each of Linn and Citizen has the right to terminate any bonds, letters of credit and guarantees provided by it or its Affiliates for the benefit of Linn or Citizen, and the Company shall be responsible, at the Company's sole cost and expense, to cause the same to be released and, if applicable, replaced, promptly after the Closing.

Section 10.6 Amendment to Schedules.

(a) Linn shall have the continuing right until the Closing Date to add, supplement or amend the schedules to its representations and warranties attached hereto with respect to any matter hereafter arising or discovered which, if existing or known on the Execution Date or thereafter, would have been required to be set forth or described in such schedules. Notwithstanding the foregoing, for all purposes of this Agreement, including for purposes of determining whether the conditions set forth in Article 12 have been fulfilled and whether Linn owes Citizen any indemnity under Section 15.1, the schedules to Linn's representations and warranties contained in this Agreement shall be deemed to include only that information contained therein on the Execution Date and shall be deemed to exclude all information contained in any addition, supplement or amendment thereto; provided, however, that if Closing shall occur, then all matters disclosed pursuant to any such addition, supplement or amendment at or prior to the Closing Date that: (i) arose in the ordinary course of business and (ii) do not exceed $2,000,000 in aggregate value or liability shall be waived and Citizen shall not be entitled to make a claim with respect thereto pursuant to the terms of this Agreement or otherwise.

Citizen shall have the continuing right until the Closing Date to add, supplement or amend the schedules to its representations and warranties attached hereto with respect to any matter hereafter arising or discovered which, if existing or known on the Execution Date or thereafter, would have been required to be set forth or described in such schedules. Notwithstanding the foregoing, for all purposes of this Agreement, including for purposes of determining whether the conditions set forth in Article 11 have been fulfilled and whether Citizen owes Linn any indemnity under Section 15.2, the schedules to Citizen's representations

and warranties contained in this Agreement shall be deemed to include only that information contained therein on the Execution Date and shall be deemed to exclude all information contained in any addition, supplement or amendment thereto; provided, however, that if Closing shall occur, then all matters disclosed pursuant to any such addition, supplement or amendment at or prior to the Closing Date that: (i) arose in the ordinary course of business and (ii) do not exceed $2,000,000 in aggregate value or liability shall be waived and Linn shall not be entitled to make a claim with respect thereto pursuant to the terms of this Agreement or otherwise.

Section 10.7 Letters-in-Lieu; Change of Operator; Qualification of Company. Upon the earlier of the termination or expiration of the Master Services Agreement or earlier if so provided in the Master Services Agreement, Linn and Citizen shall execute and deliver to the Company: (i) such letter-in-lieu of division or transfer orders, directing purchasers of production attributable to the Linn Assets and Citizen Assets to pay the Company for the same, in such form as are reasonably satisfactory to Company; (ii) change of operator forms as required to transfer operatorship of any Linn Assets and Citizen Assets to the Company or to Company's designated operator, and (iii) all books, records, contracts, receipts for deposits and all other papers, documents, electronic data or files created and maintained by Linn or its Affiliate (or by Citizen or its Affiliate) after the Closing and prior to the termination of the Master Services Agreement (other than any such items subject to attorney-client privilege) in connection with performing the Services under the applicable Master Services Agreement. In addition, the Parties shall use their commercially reasonable efforts to cause the Company, as of the Closing (or as soon thereafter as is reasonably practicable), to be qualified as an operator with, and have the bonding and insurance in place that may be required from, the applicable Governmental Bodies sufficient to assume operations of the Linn Assets and the Citizen Assets upon the termination of the Master Service Agreement.

Failure of Citizen to make such an election in accordance with the terms of the preceding sentence shall be deemed a waiver of the right to make such an election. In the event of such an election, the Parties shall amend the definition of "Linn Excluded Assets" and the Linn Assignment to effect such election.

Section 10.9 Reserve-Based Loan. For the avoidance of doubt, securing such a reserve-based loan is not a condition to Closing.

Section 10.10 Certain Citizen Excluded Assets. Notwithstanding anything to the contrary herein, to the extent any oil and gas leases expressly identified on Exhibit E (Part II) are within the AMI, such oil and gas leases (but only to extent within the AMI) shall be deemed to be Citizen Leases, and shall not be Citizen Excluded Assets for any purpose hereunder.

ARTICLE 14
TERMINATION; DEFAULT AND REMEDIES

Section 14.1 Right of Termination. This Agreement and the transactions contemplated herein may be terminated at any time prior to Closing:

(a) by the mutual written agreement of the Transacting Parties;

(b) by delivery of written notice from Linn to Citizen if any of the conditions set forth in Article 11 (other than the conditions set forth in Section 11.3, Section 11.4 or Section 11.5) have not been satisfied by Citizen or the Company, as applicable (or waived by Linn), by the Outside Date;

(c) by delivery of written notice from Linn to Citizen if any of the conditions set forth in Section 11.4 or Section 11.5 have not been satisfied (or waived by Linn) by the Outside Date;

(d) by delivery of written notice from Citizen to Linn if any of the conditions set forth in Article 12 (other than the conditions set forth in Section 12.3, Section 12.4 or Section 12.5) have not been satisfied by Linn (or waived by Citizen) by the Outside Date;

(e) by delivery of written notice from Citizen to Linn if any of the conditions set forth in Section 12.4 or Section 12.5 have not been satisfied (or waived by Citizen) by the Outside Date;

(f) by either Transacting Party delivering written notice to the other Transacting Party if any of the conditions set forth in Section 11.3 or Section 12.3 are not satisfied or waived by the applicable Party on or before the Outside Date; or

(g) by either Transacting Party delivering written notice to the other Transacting Party if Closing has not occurred on or before the Outside Date;

provided, however, that no Transacting Party shall have the right to terminate this Agreement pursuant to clause (b), (d) or (f) above if such Transacting Party or its Affiliates are at such time in material breach of any provision of this Agreement.

Section 14.2 Effect of Termination. If this Agreement is terminated pursuant to any provision of Section 14.1, then, except as provided in this Section 14.2 and except for the provisions of Article 1, Sections 6.1 (other than the access rights granted under Sections 6.1(a) and 6.1(b)), 6.2, 6.3, 7.5, 8.5, 9.5, 10.3, 14.3 and Article 17, this Agreement shall forthwith become void and of no further force or effect and the Parties shall have no liability or obligation hereunder.

(a) If Linn has the right to terminate this Agreement pursuant to Section 14.1(b) because of the failure of Citizen to close the transactions contemplated by this Agreement in the instance where, as of the Outside Date, (i) all of the conditions in Article 12 (excluding conditions that, by their terms, cannot be satisfied until Closing) have been satisfied (or waived by Citizen), (ii) Linn is ready, willing and able to perform its obligations under

Section 13.2, and (iii) Citizen nevertheless elects not to close the transactions contemplated by this Agreement, then Linn, as Linn's sole and exclusive remedy, shall be entitled to either: (A) terminate this Agreement pursuant to Section 14.1(b), and within two (2) Business Days after such termination, Citizen shall deliver by wire transfer of immediately available funds to an account designated in writing by Linn an amount equal to 10% of the Initial Linn Agreed Value, or (B) seek the specific performance of Citizen hereunder. If Linn is entitled to make an election pursuant to the preceding sentence, Linn shall select the remedy in clause (A) or (B) above within five (5) Business Days after the Outside Date by written notice to Citizen and the Company. Failure to make such an election within such period shall be deemed to be an election by Linn to select clause (A). Nothing herein shall be construed to preclude Linn from first seeking specific performance hereunder, and thereafter terminating this Agreement (and being entitled to the remedy described in clause (A) above).

(b) If Citizen has the right to terminate this Agreement pursuant to Section 14.1(d) because of the failure of Linn to close the transactions contemplated by this Agreement in the instance where, as of the Outside Date, (i) all of the conditions in Article 11 (excluding conditions that, by their terms, cannot be satisfied until Closing) have been satisfied (or waived by Linn), (ii) Citizen is ready, willing and able to perform its obligations under Section 13.3, and (iii) Linn nevertheless elects not to close the transactions contemplated by this Agreement, then Citizen, as Citizen's sole and exclusive remedy, shall be entitled to either: (A) terminate this Agreement pursuant to Section 14.1(d), and within two (2) Business Days after such termination, Linn shall deliver by wire transfer of immediately available funds to an account designated in writing by Citizen an amount equal to 10% of the Initial Citizen Agreed Value, or (B) seek the specific performance of Linn hereunder. If Citizen is entitled to make an election pursuant to the preceding sentence, Citizen shall select the remedy in clause (A) or (B) above within five (5) Business Days after the Outside Date by written notice to Linn and the Company. Failure to make such an election within such period shall be deemed to be an election to select clause (A). Nothing herein shall be construed to preclude Citizen from first seeking specific performance hereunder, and thereafter terminating this Agreement (and being entitled to the remedy described in clause (A) above).

Section 14.3 Return of Documentation and Confidentiality. In addition to any obligations under the Confidentiality Agreement, upon termination of this Agreement, each Transacting Party shall promptly return to the other Transacting Party or destroy (and provide written certification of such destruction) all title, engineering, geological and geophysical data, environmental assessments and/or reports, maps, documents and other information furnished by such other Transacting Party to such Transacting Party or prepared by or on behalf of such Transacting Party in connection with its due diligence investigation of the other Transacting Party's Assets and such Transacting Party shall not retain any copies, extracts or other reproductions in whole or in part of such documents and information; provided, however, any of the foregoing (a) found in drafts, notes, studies and other documents prepared by or for such Transacting Party, (b) found in presentation materials that are included in materials presented to the executive committee or board of directors of such Transacting Party (or its Affiliate) in connection with this Agreement, together with any notes or minutes from any such presentations, or (c) found in electronic format as part of such Transacting Party or its Affiliate's off-site or on-site data storage/archival process system, will be held by such Transacting Party and kept confidential subject to the terms of the Confidentiality Agreement or destroyed at the retaining Transacting Party's option.

ARTICLE 15
INDEMNIFICATION; ASSUMPTION OF LIABILITIES

Section 15.1 Indemnification by Linn. From and after Closing, Linn shall indemnify, defend and hold harmless the Citizen Group and the Company Group (and any member of either such Group) from and against all Liabilities suffered or incurred by the Citizen Group and/or the Company Group (and any member of either such Group) that are caused by or arise out of or result from:

(a) the Linn Retained Liabilities;

(b) any breach of any of Linn's covenants or agreements under this Agreement; or

(c) any breach of any representation or warranty made by Linn contained in this Agreement or any certification delivered in connection herewith; or

(d) the Linn Indemnity Liabilities,

EVEN IF SUCH LIABILITIES ARE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE (WHETHER SOLE, JOINT OR CONCURRENT), STRICT LIABILITY OR OTHER LEGAL FAULT OF A MEMBER OF THE LINN GROUP, OR THE CITIZEN GROUP, BUT NOT TO THE EXTENT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY OF THE CITIZEN GROUP.

Section 15.2 Indemnification by Citizen. From and after Closing, Citizen shall indemnify, defend and hold harmless the Linn Group and the Company Group (and any member of either such Group) from and against all Liabilities suffered or incurred by the Linn Group and/or the Company Group (and any member of either such Group) that are caused by or arise out of or result from:

(a) the Citizen Retained Liabilities;

(b) any breach of any of Citizen's covenants or agreements under this Agreement;

(c) any breach of any representation or warranty made by Citizen contained in this Agreement or any certification delivered in connection herewith; or

(d) the Citizen Indemnity Liabilities,

EVEN IF SUCH LIABILITIES ARE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE (WHETHER SOLE, JOINT OR CONCURRENT), STRICT LIABILITY OR OTHER LEGAL FAULT OF A MEMBER OF THE CITIZEN GROUP, OR THE LINN GROUP, BUT NOT TO THE EXTENT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY OF THE LINN GROUP.

Section 15.3 Indemnification by the Company. From and after Closing, the Company shall indemnify, defend and hold harmless the Linn Group and the Citizen Group (and any member of either such Group) from and against all Liabilities suffered or incurred by the Linn Group and/or the Citizen Group (and any member of either such Group) that are caused by or arise out of or result from:

(a) the Company Assumed Obligations;

(b) any breach of the Company's covenants or agreements under this Agreement; or

(c) any breach of any representation or warranty made by the Company contained in this Agreement or any certification delivered in connection herewith,

EVEN IF SUCH LIABILITIES ARE CAUSED IN WHOLE OR IN PART BY THE NEGLIGENCE (WHETHER SOLE, JOINT OR CONCURRENT), STRICT LIABILITY OR OTHER LEGAL FAULT OF A PERSON ENTITLED TO INDEMNITY HEREUNDER, BUT NOT TO THE EXTENT OF THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF ANY SUCH INDEMNIFIED PERSON.

Section 15.4 Exclusive Remedy. Notwithstanding anything to the contrary contained in this Agreement, except as provided in Section 3.5, Article 6 and with respect to Fraud (or, for the avoidance of doubt, any special warranty of title in the Linn Assignment or the Citizen Assignment), this Article 15 contains the exclusive remedies of the Group of each Party against the other Parties after the Closing with respect to breaches of the representations, warranties, covenants and agreements of the Parties contained in this Agreement.

Section 15.5 Indemnification Rights. The indemnity of each Party provided in this Article 15 shall be for the benefit of and extend to each Person included in each of the Linn Group, the Citizen Group or the Company Group as applicable; provided, however, that any claim for indemnity under this Article 15 by any such Person must be brought and administered by a Party to this Agreement. No Indemnified Person (including any Person within the Linn Group, the Citizen Group or the Company Group) other than the Parties shall have any rights against another Party under the terms of this Article 15 except as may be exercised on its behalf by a Party pursuant to this Section 15.4. Each Party may elect to exercise or not exercise indemnification rights under this Article 15 on behalf of the other Indemnified Persons affiliated with it in its sole discretion and shall have no liability to any such other Indemnified Person for any action or inaction under this Article 15.

Section 15.6 Assumption of Liabilities. Without limiting the Company Group's rights to indemnity under this Article 15 and except with respect to (1) the Linn Retained Liabilities or Citizen Retained Liabilities (it being acknowledged that no Linn Retained Liabilities or Citizen Retained Liabilities shall ever be deemed to be Company Assumed Obligations), or (2) the Linn Indemnity Liabilities that arise prior to the second anniversary of Closing and Citizen Indemnity Liabilities that arise prior to the second anniversary of Closing (it being acknowledged that no

Linn Indemnity Liabilities that arise prior to the second anniversary of Closing or Citizen Indemnity Liabilities that arise prior to the second anniversary of Closing shall be deemed to be Company Assumed Obligations, provided, however, that if a Company Break-Up occurs prior to the second anniversary of Closing, then the Linn Indemnity Liabilities and Citizen Indemnity Liabilities shall remain with the respective Parties indefinitely, regardless of when they arise and shall never become Company Assumed Obligations), from and after Closing, the Company assumes and hereby agrees to fulfill, perform, pay and discharge (or cause to be fulfilled, performed, paid and discharged) all obligations and Liabilities, known or unknown, with respect to the Assets, regardless of whether such obligations or Liabilities arose prior to, on or after the Effective Time, including obligations and Liabilities relating in any manner to the use, ownership or operation of the Assets, including obligations and Liabilities (a) to furnish makeup gas and/or settle Imbalances according to the terms of applicable gas sales, processing, gathering or transportation Contracts included in the Assets, (b) to pay Working Interests, royalties, overriding royalties and other interests, owners' revenues or proceeds attributable to sales of Hydrocarbons, including those held in suspense (including the Linn Suspense Funds and Citizen Suspense Funds) to the extent attributable to the Assets, (c) to properly plug and abandon any and all wells and pipelines, including future wells, inactive wells or temporarily abandoned wells, drilled on the Assets, (d) to re-plug any well, wellbore or previously plugged well on the Assets to the extent required or necessary under applicable Laws or under Contracts, (e) to dismantle or decommission and remove any personal property and other property of whatever kind located on the Assets related to or associated with operations and activities conducted by whomever on the Assets, (f) to clean up and/or remediate the Assets in accordance with any applicable Contracts and applicable Laws, including all Environmental Laws, (g) relating to assumption and defense of those matters identified on part II of Schedule 7.6, and matters identified on part II of Schedule 8.6, (h) to perform all obligations applicable to or imposed on the lessee, owner, or operator under the Leases and all applicable Contracts, or as required by applicable Laws, and (i) assuming no Company Break-Up has occurred prior to the second anniversary of the Closing, those relating to the Linn Indemnity Liabilities arising at and/or after the second anniversary of the Closing or the Citizen Indemnity Liabilities arising at and/or after the second anniversary of the Closing (all of said obligations and Liabilities herein being referred to as the "***Company Assumed Obligations***"); and for the sake of clarity, when used in this Section 15.6 in connection with the Linn Indemnity Liabilities or Citizen Indemnity Liabilities, the phrases "that arise" or "arising at and/or after" shall mean that such Liabilities have been asserted, alleged, or otherwise made the subject of a written notice, claim, action, judgment or charge directed at a Party, whether liquidated or unliquidated.

Section 15.7 Indemnification Actions. All claims for indemnification under Article 15 shall be asserted and resolved as follows:

(a) For purposes hereof, (i) the term "***Indemnifying Person***" when used in connection with particular Liabilities shall mean the Party having an obligation to indemnify another Person or Persons with respect to such Liabilities pursuant to this Article 15 and (ii) the term "***Indemnified Person***" when used in connection with particular Liabilities shall mean the Person or Persons having the right to be indemnified with respect to such Liabilities by another Person or Persons pursuant to this Article 15.

(b) To make a claim for indemnification under Article 15, an Indemnified Person shall notify in writing the Indemnifying Person of its claim, including the specific details of and specific basis under this Agreement for its claim (the "***Claim Notice***"). In the event that the claim for indemnification is based upon a claim by a Third Party against the Indemnified Person (a "***Third Person Claim***"), the Party that is an Indemnified Person shall provide its Claim Notice promptly after such Indemnified Person has actual knowledge of the Third Person Claim and shall enclose a copy of all papers (if any) served with respect to the Third Person Claim; provided that the failure of any Party to give notice of a Third Person Claim as provided in this Section 15.7 shall not relieve the Indemnifying Person of its obligations under this Article 15 except to the extent such failure results in insufficient time being available to permit the Indemnifying Person to effectively defend against the Third Person Claim or otherwise materially prejudices the Indemnifying Person's ability to defend against the Third Person Claim. In the event that the claim for indemnification is based upon an inaccuracy or breach of a representation, warranty, covenant or agreement, the Claim Notice shall specify the representation, warranty, covenant or agreement which was inaccurate or breached.

(c) In the case of a claim for indemnification based upon a Third Person Claim, the putative Indemnifying Person shall have thirty (30) days from its receipt of the Claim Notice to notify the Party that is an Indemnified Person whether it admits or denies its obligation to defend such Indemnified Person against such Third Person Claim under this Article 15. If the Indemnifying Person does not notify such Indemnified Person within such thirty (30)-day period whether the Indemnifying Person admits or denies its obligation to defend such Indemnified Person, it shall be conclusively deemed to have denied such indemnification obligation hereunder. The Indemnified Person (or its designee) is authorized, prior to and during such thirty (30)-day period, to file any motion, answer or other pleading that it shall deem necessary or appropriate to protect its interests or those of the Indemnifying Person and that is not materially prejudicial to the Indemnifying Person.

(d) If the Indemnifying Person admits its obligation, it shall have the right and obligation to diligently defend, at its sole cost and expense, the Third Person Claim. Subject to the remainder of this Section 15.7(d) the Indemnifying Person shall have full control of such defense and proceedings, including any compromise or settlement thereof. If requested by the Indemnifying Person, the Indemnified Person agrees to cooperate in contesting any Third Person Claim which the Indemnifying Person elects to contest (provided, however, that the Indemnified Person shall not be required to bring any counterclaim or cross-complaint against any Person). The Indemnified Person may at its own expense participate in, but not control, any defense or settlement of any Third Person Claim controlled by the Indemnifying Person pursuant to this Section 15.5. An Indemnifying Person shall not, without the written consent of the Indemnified Person, settle any Third Person Claim or consent to the entry of any judgment with respect thereto unless such settlement or judgment (i) provides for the payment by the Indemnifying Person of money as sole relief for the claimant, (ii) involves no finding or admission of any violation of Law or breach of contract or the rights of any Indemnified Person, (iii) does not encumber any of the assets of any Indemnified Person or agree to any restriction or condition that would apply to or adversely affect any Indemnified Person or the conduct of any Indemnified Person's business and (iv) includes a complete and unconditional release of each Indemnified Person subject thereto from any and all liabilities in respect of such Third Person Claim. Notwithstanding anything to the contrary herein, if the Third Person Claim (I) seeks

injunctive or equitable relief as the primary remedy for such Third Person Claim, (II) arises in connection with a criminal proceeding, or (III) is reasonably anticipated by, in the case of Third Person Claims for which Linn is the Indemnifying Party, to cause aggregate Liabilities subject to the Linn Indemnity Cap (whether pursuant to the current Third Party Claim and/or other previous Third Party Claims) for which Linn has provided indemnity hereunder to be exceeded, or, in the case of Third Person Claims for which Citizen is the Indemnifying Party, to cause aggregate Liabilities subject to the Citizen Indemnity Cap (whether pursuant to the current Third Party Claim and/or other previous Third Party Claims) for which Citizen has provided indemnity hereunder to be exceeded, then, at the Indemnified Person's election, such Indemnified Person shall have full control of such defense and proceedings, including any compromise or settlement thereof.

(e) If the Indemnifying Person does not admit its obligation or admits its obligation but fails to diligently defend or settle the Third Person Claim, then the Indemnified Person shall have the right to defend against the Third Person Claim (at the sole cost and expense of the Indemnifying Person, if the Indemnified Person is entitled to indemnification hereunder), with counsel of the Indemnified Person's choosing, subject to the right of the Indemnifying Person to admit its obligation and assume the defense of the Third Person Claim at any time prior to settlement or final determination thereof. If the Indemnifying Person has not yet admitted its obligation to provide indemnification with respect to a Third Person Claim, the Indemnified Person shall send written notice to the Indemnifying Person of any proposed settlement and the Indemnifying Person shall have the option for ten (10) Business Days following receipt of such notice to (i) admit in writing its obligation to provide indemnification with respect to the Third Person Claim and (ii) if its obligation is so admitted, reject, in its reasonable judgment, the proposed settlement. If the Indemnified Person settles any Third Person Claim over the objection of the Indemnifying Person after the Indemnifying Person has timely admitted its obligation in writing and assumed the defense of a Third Person Claim, the Indemnified Person shall be deemed to have waived any right to indemnity therefor.

(f) In the case of a claim for indemnification not based upon a Third Person Claim, the Indemnifying Person shall have twenty (20) days from its receipt of the Claim Notice to (i) cure the Liabilities complained of, (ii) admit its obligation to provide indemnification with respect to such Liabilities, or (iii) dispute the claim for such indemnification. If the Indemnifying Person does not notify the Indemnified Person within such ten (10) day period that it has cured the Liabilities or that it disputes the claim for such indemnification, the Indemnifying Person shall be conclusively deemed to have denied its indemnification obligation hereunder.

Section 15.8 Limitation on Actions.

(a) Subject to Section 15.8(c) the representations and warranties of the Transacting Parties in this Agreement and the covenants set forth in this Agreement that by their nature are to be performed at or prior to the Closing shall survive the Closing until the first anniversary of the Closing, except that:

(i) the representations and warranties in Section 7.1 through Section 7.5, Section 7.9, Section 7.10, Section 8.1 through Section 8.5, Section 8.9, and Section 8.10 (such representations and warranties collectively, the "***Fundamental Representations***") shall survive indefinitely; and

(ii) the representation and warranties in Section 7.8 and Section 8.8 shall survive Closing until ninety (90) days after the expiration the applicable statute of limitations closes the taxable period to which the subject Taxes relate.

All of the remainder of this Agreement shall survive the Closing indefinitely, except (A) as may otherwise be expressly provided in this Agreement or (B) for the provisions of Article 16, which shall survive Closing until ninety (90) days after the expiration of the applicable statute of limitations to which the subject Taxes relate. Representations, warranties, covenants and other agreements shall be of no further force and effect after the date of their expiration (if any), after which time no claim may be made thereunder, provided that there shall be no termination of any bona fide claim asserted in writing pursuant to this Agreement with respect to such a representation, warranty, covenant or other agreement prior to its expiration date.

(b) The indemnity obligations in Section 15.1(b), Section 15.1(c), Section 15.2(b) and Section 15.2(c) shall terminate as of the termination date of each respective covenant, agreement, representation or warranty that is subject to indemnification thereunder, except in each case as to matters for which a specific written claim for indemnity has been delivered in good faith to the Indemnifying Person on or before such termination date. The indemnity obligations in Section 15.1(a) and Section 15.2(a) shall survive the Closing indefinitely. The indemnity obligations in Section 15.1(d) and Section 15.2(d) shall survive the Closing until the second (2nd) anniversary of the Closing Date. Notwithstanding anything stated in this Agreement to the contrary, any indemnifiable claims or Liabilities asserted prior to the expiration of any stated survival period shall remain (and the indemnity therefor shall continue to survive) until such claims and Liabilities are fully resolved.

(c) Notwithstanding anything to the contrary in this Agreement (including the foregoing provisions of this Section 15.8), all indemnity obligations under Sections 15.1 and 15.2 of this Agreement shall terminate for all purposes (including in respect of indemnity obligations that have been previously asserted but not finally determined or satisfied) upon the occurrence of an IPO (as defined in the LLC Agreement); provided, however that this Section 15.8(c) shall not apply to indemnity obligations under (i) Section 15.1(a) or Section 15.2(a) or (ii) Section 15.1(b) and 15.2(b), or (iii) Section 15.1(c) or 15.2(c) of this Agreement for breach of either Transacting Party's Fundamental Representations or the representations in Section 7.8 and Section 8.8, respectively, or (iv) Section 15.1(d) or 15.2(d).

(d)

(i) Linn shall not be required to indemnify Citizen and/or any other Person under Section 15.1(c) for Liabilities arising from a single event or series of related events unless the amount of such Liabilities exceeds $500,000 (the "***Individual Indemnity Threshold***") and until and unless the aggregate amount of all such Liabilities exceeding the Linn Individual Indemnity Threshold exceeds 2.0% of the Initial Linn Agreed Value prior to any adjustments to the Initial Linn Agreed Value under this Agreement (the "***Linn Indemnity Deductible***"), and then only to the extent such Liabilities exceed the Linn Indemnity Deductible; provided that the

Individual Indemnity Threshold and the Linn Indemnity Deductible shall not apply with respect to any Liabilities relating to or arising from breaches of the Fundamental Representations of Linn, Section 7.8, breaches of Linn's covenants, Linn's indemnification obligations under Section 15.1(a), Section 15.1(b), or Section 15.1(c) (arising from breaches of the Fundamental Representations of Linn or for breaches of Section 7.8), or with respect to any Tax Claims, nor for Linn's indemnification obligations under Section 15.1(d).

(ii) Citizen shall not be required to indemnify Linn or any other Person under Section 15.2(c) for Liabilities arising from a single event or series of related events unless the amount of such Liabilities exceeds the Individual Indemnity Threshold and until and unless the aggregate amount of all such Liabilities exceeding the Citizen Individual Indemnity Threshold exceeds 2.0% of the Initial Citizen Agreed Value prior to any adjustments to the Initial Citizen Agreed Value under this Agreement (the "***Citizen Indemnity Deductible***"), and then only to the extent such Liabilities exceed the Citizen Indemnity Deductible; provided that the Individual Indemnity Threshold and the Citizen Indemnity Deductible shall not apply with respect to any Liabilities relating to or arising from breaches of Fundamental Representations of Citizen, Section 8.8, breaches of Citizen's covenants, Citizen's indemnification obligations under Section 15.2(a), Section 15.2(b), or Section 15.2(c) (arising from breaches of the Fundamental Representations of Citizen or for breaches of Section 8.8) or with respect to any Tax Claims, nor for Citizen's indemnification obligations under Section 15.2(d).

(e)

(i) Linn shall not be required to indemnify Citizen or any other Person under Section 15.1(c) for Liabilities in excess of $250,000,000 (the "***Linn Indemnity Cap***") in the aggregate; provided that the Linn Indemnity Cap shall not apply with respect to any Liabilities relating to or arising from breaches of the Fundamental Representations of Linn or with respect to any Tax Claims. Notwithstanding anything to the contrary, in no event shall Linn's maximum aggregate liability arising out of or relating to this Agreement other than its liability under Section 15.1(a) (and it is agreed that this Section does not limit the indemnity obligations or Liabilities under Section 15.1(a)) exceed the Initial Linn Agreed Value prior to any adjustments to the Initial Linn Agreed Value under this Agreement.

(ii) Citizen shall not be required to indemnify Linn and/or any other Person under Section 15.2(c) for Liabilities in excess of $250,000,000 (the "***Citizen Indemnity Cap***") in the aggregate; provided that the Citizen Indemnity Cap shall not apply with respect to any Liabilities relating to or arising from breaches of the Fundamental Representations of Citizen or with respect to any Tax Claims. Notwithstanding anything to the contrary, in no event shall Citizen's maximum aggregate liability arising out of or relating to this Agreement other than its liability under Section 15.2(a) (and it is agreed that this Section does not limit the indemnity obligations or Liabilities under Section 15.2(a)) exceed the Initial Citizen Agreed Value prior to any adjustments to the Initial Citizen Agreed Value under this Agreement.

(f) In no event shall any Indemnified Person be entitled to duplicate compensation with respect to the same Liabilities under more than one provision of this Agreement (and no Indemnified Person shall have the right to recover under this Article 15 with respect to any matter to the extent such Indemnified Person received appropriate adjustments to the Initial Linn Agreed Value under Section 3.2 or the Initial Citizen Agreed Value under Section 3.3, as applicable, in satisfaction of such indemnifiable matter) and the various documents delivered in connection with the Closing.

ARTICLE 16
TAX MATTERS

Section 16.1 Allocation of Asset Taxes. Each of Linn and Citizen shall retain responsibility for all Asset Taxes assessed with respect to the ownership and operation of the Linn Assets or the Citizen Assets, as applicable, for (i) any period ending prior to the Effective Time, and (ii) the portion of any Straddle Period ending immediately prior to the Effective Time. All Asset Taxes with respect to the ownership or operation of the Assets arising on or after the Effective Time (including all Asset Taxes for any Straddle Period not apportioned to Linn or Citizen) shall be allocated to and borne by the Company. For purposes of determining whether and to what extent a liability for Asset Taxes for a Straddle Period is allocable to a taxable period (or portion thereof) ending before the Effective Time or from and after the Effective Time: (a) Asset Taxes imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible) shall be allocated to the taxable period or portion thereof based on an interim closing of the books, (b) Asset Taxes that are attributable to the severance or production of Hydrocarbons shall be allocated to the period in which the severance or production giving rise to such Taxes occurred, and (c) Asset Taxes imposed on a periodic basis shall be allocated based on the number of days in the relevant taxable period that occur before the Effective Time, on the one hand, and the number of days in such taxable period that occur from and after the Effective Time, on the other hand.

Section 16.2 Tax Returns. Each of Linn or Citizen, as applicable, shall timely file any Tax Return with respect to Asset Taxes due on or before the Closing Date or that otherwise relates solely to periods before the Closing Date and shall pay any Asset Taxes shown due and owing on such Tax Return, subject to the Contributors' right to adjustment of the Linn Consideration Units or the Citizen Consideration Units, as applicable, for any Asset Taxes for which the Company is responsible under Section 16.1. From and after the Closing Date, the Company shall timely file any Tax Returns with respect to Asset Taxes required to be filed after the Closing Date, including such Tax Returns for any Straddle Period that are due after the Closing Date, and shall pay any Asset Taxes shown due and owing on such Tax Return, subject to the Company's right to adjustment of the Linn Consideration Units or the Citizen Consideration Units, as applicable, for any Asset Taxes for which Linn or Citizen, as applicable, is responsible under Section 16.1. To the extent the actual amount of an Asset Tax is not known at the time an adjustment is to be made with respect to such Asset Tax pursuant to Section 3.2 or Section 3.3, as applicable, the Parties shall utilize the most recent information available in estimating the amount of such Asset Tax for purposes of such adjustment. To the extent the actual amount of an Asset Tax (or the amount thereof paid or economically borne by a Transacting Party) is ultimately determined to be different than the amount (if any) that was taken into account in determining the Final Linn Adjustment Amount or the Final Citizen Adjustment Amount, as applicable, the Linn Consideration Units or the Citizen Consideration Units, as applicable, shall be adjusted to the extent necessary to cause each Transacting Party to bear the amount of such Asset Tax that is allocable to such Transacting Party under Section 16.1.

Section 16.3 Tax Cooperation. Each of the Company, Linn and Citizen agrees to furnish to each other, upon request, as promptly as practicable, such information and assistance relating to the Linn Assets and the Linn Additional Assets or the Citizen Assets and the Citizen Additional Assets, as applicable, as is reasonably necessary for the filing of all Tax Returns, and making of any election related to Taxes, the preparation for any audit by any Governmental Body, and the prosecution or defense of any action, suit or proceeding related to Taxes involving the Linn Assets and the Linn Additional Assets or the Citizen Assets and the Citizen Additional Assets, as applicable, and each shall execute and deliver such documents as are reasonably necessary to carry out the intent of this Section 16.3. Linn and Citizen agree to retain all books and records with respect to Tax matters pertinent to the Linn Assets and the Linn Additional Assets or the Citizen Assets and the Citizen Additional Assets, as applicable, relating to any taxable period beginning on or before the Effective Time until the expiration of the statute of limitations of the respective taxable periods and to abide by all record retention agreements entered into with any Governmental Body.

Section 16.4 Transfer Taxes. In the event any Transfer Taxes are due as a result of the transfer by Linn of the Linn Assets and the Linn Additional Assets to the Company or by Citizen of the Citizen Assets and the Citizen Additional Assets to the Company, the Company shall be responsible for timely filing any Tax Return relating to such Transfer Taxes and paying such Transfer Taxes. The Parties shall reasonably cooperate in good faith to minimize, to the extent permissible under applicable Law, the amount of any such Transfer Taxes.

Section 16.5 Tax Refunds. The amount of any refunds of Asset Taxes of Linn or Citizen, as applicable, for any period prior to the Effective Time shall be for the account of Linn or Citizen, respectively. The amount of any refunds of Asset Taxes of Linn or Citizen, as applicable, for any Tax period beginning after the Effective Time shall be for the account of the Company. The amount of any refund of Asset Taxes for any Straddle Period shall be equitably apportioned between the Company and Linn or Citizen, respectively, in accordance with the principles set forth in Section 16.1. Each Party shall forward, and shall cause its Affiliates to forward, to the Party entitled to receive a refund of Tax pursuant to this Section 16.5 the amount of such refund within thirty (30) days after such refund is received, net of any costs or expenses incurred by such Party or its Affiliates in procuring such refund.

ARTICLE 17
MISCELLANEOUS

Section 17.1 Governing Law. THIS AGREEMENT AND THE LEGAL RELATIONS AMONG THE PARTIES SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICTS OF LAW RULE OR PRINCIPLE THAT MIGHT REFER CONSTRUCTION OF SUCH PROVISIONS TO THE LAWS OF ANOTHER JURISDICTION, EXCEPT TO THE EXTENT THAT THE LAW OF A STATE IN WHICH THE ASSETS ARE LOCATED NECESSARILY GOVERNS, IN WHICH EVENT OKLAHOMA LAW SHALL GOVERN. SUBJECT TO SECTION 17.3, IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, EACH OF THE PARTIES HERETO CONSENTS TO THE EXCLUSIVE JURISDICTION AND VENUE OF ANY FEDERAL OR STATE COURT LOCATED WITHIN HARRIS COUNTY, TEXAS, AND WAIVES ANY OBJECTION TO JURISDICTION OR VENUE OF, AND WAIVES ANY MOTION TO TRANSFER VENUE FROM, ANY OF THE AFORESAID COURTS. EACH PARTY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY DISPUTE.

Section 17.2 Conspicuous Language. THE PARTIES AGREE THAT, TO THE EXTENT REQUIRED BY LAW TO BE EFFECTIVE, THE PROVISIONS IN THIS AGREEMENT IN ALL CAPS ARE "CONSPICUOUS" FOR THE PURPOSE OF ANY LAW.

Section 17.3 Dispute Resolution. Except as provided in Articles 3, 4 and 5, all disputes and controversies, in each case, arising out of or relating to this Agreement, shall be determined and resolved in accordance with the following procedures:

(a) Covered Disputes. Any Claim among the Parties or their respective Affiliates arising out of or relating to this Agreement, including the meaning of its provisions, or the proper performance of any of its terms, its breach, termination or invalidity (each, a "***Dispute***") shall be resolved in accordance with the procedures specified in this Section 17.3, which shall be the sole and exclusive procedure for the resolution of any such Dispute, except that any Party, without prejudice to the following procedures, may file a complaint to seek preliminary injunctive or other provisional judicial relief, if in its sole judgment, that action is necessary to avoid irreparable damage or to preserve the status quo. Despite that action the Parties will continue to participate in good faith in the procedures specified in this Section 17.3.

(b) Initial Mediation. In the event of a Dispute, and prior to proceeding to arbitration pursuant to Section 17.3, the Parties must submit the Dispute to any mutually agreed mediation service for mediation by providing to the mediation service a joint, written request for mediation, setting forth the subject of the Dispute and the relief requested. The Dispute shall be mediated in Oklahoma City, Oklahoma within thirty (30) days from the date that a written request for mediation is made by any Party, and the mediation shall be conducted before a single mediator to be agreed upon by the Parties. If the Parties cannot agree on the mediator, each Party shall select a mediator and the mediators so selected shall together unanimously select a neutral mediator who will conduct the mediation. The Parties shall cooperate with the mediation service and with one another in scheduling the mediation proceedings. The Parties covenant that they will use commercially reasonable efforts in participating in the mediation. The Parties agree that the mediator's fees and expenses and the costs incidental to the mediation will be shared equally by the Parties. The Parties further agree that all offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the Parties, their agents, employees, experts, and attorneys, and by the mediator and any employees of the mediation service, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any litigation, arbitration or other proceeding involving the Parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. The decision of the mediator shall be non-binding on the Parties.

(c) Arbitration as a Final Resort. Any Dispute that is not resolved by mediation pursuant to Section 17.3 must be resolved through the use of binding arbitration in accordance with the AAA Rules, as supplemented to the extent necessary to determine any procedural appeal question by the Federal Arbitration Act (Title IX of the United States Code). If there is any inconsistency between this Section 17.3 and the Commercial Arbitration Rules of the Federal Arbitration Act, the terms of this Section 17.3 shall control the rights and obligations of the Parties. Such arbitration shall be conducted as follows:

(i) If there is more than one Dispute that involves the same facts and parties as the facts and parties with respect to which arbitration has been initiated pursuant to this Agreement, such Disputes shall be consolidated into the first arbitration initiated pursuant to this Agreement.

(ii) Arbitration may be initiated by a Party ("***Claimant***") serving written notice on another Party ("***Respondent***") that the Claimant has referred the Dispute to binding arbitration pursuant to this Section 17.3(c). Claimant's notice initiating binding arbitration must describe in reasonable detail the nature of the Dispute and the facts and circumstances relating thereto and identify the arbitrator Claimant has appointed. Respondent shall respond to Claimant within thirty (30) days after receipt of Claimant's notice, identifying the arbitrator Respondent has appointed. All arbitrators must be neutral parties who have never been officers, directors or employees of or performed material work for the Parties or any of their Affiliates within the preceding five (5) year period and must agree in writing to keep strictly confidential the specifics and existence of the dispute as well as all proprietary records of the Parties reviewed by the arbitrators in the process of resolving such dispute. Arbitrators must have a formal education or training in the area of dispute resolution and must have not less than seven (7) years of experience as a lawyer in the energy industry with experience in upstream or transactional issues. The two (2) arbitrators so chosen by the parties to the Dispute shall select a third arbitrator within thirty (30) days after the second arbitrator has been appointed. If either (A) the Respondent fails to name its party-appointed arbitrator within the time permitted, or (B) the two (2) arbitrators are unable to agree on a third arbitrator within thirty (30) days from the date the second arbitrator has been appointed, then, in either case, the missing arbitrator(s) shall be selected by the AAA with due regard given to the selection criteria above and input from the parties to the Dispute and other arbitrators. The AAA shall select the missing arbitrator(s) not later than ninety (90) days from initiation of arbitration. In the event the AAA should fail to select the third arbitrator within ninety (90) days from initiation of arbitration, then either party to the Dispute may petition the Chief United States District Judge for the Northern District of Oklahoma to select the third arbitrator. Due regard shall be given to the selection criteria above and input from the parties to the arbitrable Dispute and other arbitrators.

(iii) Claimant and Respondent shall each pay one-half of the compensation and expenses of the AAA and the arbitrator(s).

(iv) The hearing shall be conducted in Oklahoma City, Oklahoma and commence within sixty (60) days after the selection of the third arbitrator, unless delayed by order of the arbitrators. The hearing shall be based upon written position papers submitted by Claimant and Respondent within thirty (30) days after the selection of the third arbitrator, stating such Person's proposed resolution of the dispute. The parties to the Dispute and the arbitrators shall proceed diligently and in good faith in order that the award may be made as promptly as possible. The arbitrators shall determine the Disputes and render a final award on or before thirty (30) days following the completion of the hearing. The arbitrators' decision shall be in writing

and set forth the reasons for the award. In rendering the award, the arbitrators shall abide by (A) the terms and conditions of this Agreement including, without limitation, any and all restrictions, prohibitions or limitations on damages or remedies set forth in this Agreement and (B) the Law of the State of Delaware. The arbitrators shall not have jurisdiction or authority to add to, detract from or alter in any way the provisions of this Agreement.

(v) Notwithstanding any other provision of this Agreement, any party to the Dispute may, prior to the appointment of the third arbitrator, seek temporary injunctive relief from any court of competent jurisdiction; *provided* that the party seeking such relief shall (if arbitration has not already been commenced) simultaneously commence arbitration. Such court-ordered relief shall not continue more than ten (10) days after the appointment of the arbitrators and in no event for longer than ninety (90) days. In order to prevent irreparable harm, the arbitrators shall have the power to grant temporary or permanent injunctive or other equitable relief. Except as provided in the Federal Arbitration Act, the decision of the arbitrators shall be final, binding on and non-appealable by the parties to the Dispute. Each party to the Dispute agrees that any arbitration award against it may be enforced in any court of competent jurisdiction and that either party to the Dispute may authorize any such court to enter judgment on the arbitrators' decisions. The arbitrators may not grant or award indirect, consequential, punitive or exemplary damages or damages for lost profits.

(vi) In any Dispute under this Agreement, the prevailing party to the Dispute shall be entitled to recover arbitration and court costs and attorneys' fees in addition to any other relief to which such Person is entitled.

(d) Tolling and Performance. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in Section 17.3(c) are pending. The Parties shall take any action required to effectuate that tolling. Each Party is required to continue to perform its obligations under this Agreement pending completion of the procedures set forth in Section 17.3(c), unless to do so would be impossible or impracticable under the circumstances.

Section 17.4 Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all of such counterparts shall constitute for all purposes one agreement. Any signature hereto delivered by a Party by facsimile or other electronic transmission shall be deemed an original signature hereto.

Section 17.5 Notices. All notices and communications required or permitted to be given hereunder, but excluding service of process shall be sufficient in all respects (a) if given in writing and delivered personally, (b) if sent by overnight courier, (c) if mailed by U.S. Express Mail or by certified or registered U.S. Mail with all postage fully prepaid, (d) sent by facsimile transmission (provided any such facsimile transmission is confirmed either orally or by written confirmation), or (e) sent by electronic mail transmission (provided any such electronic mail transmission is supplemented by a written notice delivered pursuant to one of the methods specified in items (a) through (d) above within two (2) Business Days after delivery of such electronic mail transmission; provided that electronic mail transmitted on or before any deadline regardless of whether such supplemental written notice is delivered prior to such deadline shall be deemed adequate notice hereunder) and, in each case, addressed to the appropriate Party at the address for such party shown below:

No course of dealing on the part of any Party, or its respective officers, employees, agents, accountants, attorneys, investment bankers, consultants or other authorized representatives, nor any failure by a Party to exercise any of its rights under this Agreement shall operate as a waiver thereof or affect in any way the right of such Party at a later time to enforce the performance of such provision. No waiver by any Party of any condition, or any breach of any term or covenant contained in this Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach or a waiver of any other condition or of any breach of any other term or covenant. The rights of the Parties under this Agreement shall be cumulative, and the exercise or partial exercise of any such right shall not preclude the exercise of any other right.

(i) (1) Citizen's actual Net Acres for any Target Formation in any Citizen Section, and (2) the Citizen Section Net Acres for such Target Formation in such Citizen Section as set forth in Schedule 3.4A, or

(ii) (1) Citizen's actual Citizen Section Weighted Average NRI in any Target Formation in any Citizen Section and (2) the Citizen Section Weighted Average NRI for such Target Formation in such Citizen Section as set forth in Schedule 3.4A,

then the Citizen Title Benefit Amount for such Target Formation in such Governmental Section shall be the greater of zero and the amount obtained by subtracting the Allocated Value for such Target Formation in such Governmental Section from the Citizen Actual Section Value for such Target Formation in such Governmental Section.

(d) if the Citizen Title Benefit is of a type not described above, then the Citizen Title Benefit Amounts shall be determined by taking into account the Allocated Value of the Citizen Asset affected by such Citizen Title Benefit, the portion of such Citizen Asset affected by such Citizen Title Benefit, the legal effect of the Citizen Title Benefit, the potential economic effect of the Citizen Title Benefit over the life of such Asset, the values placed upon the Title Benefit by the Transacting Parties and such other reasonable factors as are necessary to make a proper evaluation.

(e) defects arising from any prior oil and gas lease relating to the lands covered by the Citizen Leases or Citizen Units not being surrendered of record, unless Linn provides reasonable evidence that such prior oil and gas lease is still in effect and has resulted in another Person's actual and superior claim of title to the relevant Citizen Lease or Citizen Well;

(f) defects that affect only which Person has the right to receive royalty payments (rather than the amount of the proper payment of such royalty payment) and that do not affect the validity of or title to the underlying Citizen Lease;

(g) defects based solely on: (i) lack of information in Citizen's files; (ii) references to an unrecorded document to which neither Citizen nor any Affiliate of Citizen is a party and which document is dated earlier than January 1, 1960; or (iii) any Tax assessment, Tax payment or similar records or the absence of such activities or records;

(j) liens arising from any Encumbrance created by a mineral owner which has not been subordinated to the applicable lessee's interest, solely to the extent that the Citizen Lease in question does not have a Citizen Well on it, and no portion thereof has been included in a Citizen Unit;

(k) all defects or irregularities that have been adjudicated to be cured or remedied by applicable statutes of limitation or statutes of prescription;

(l) all defects or irregularities resulting from the failure to record releases of liens, production payments or mortgages that have expired on their own terms or the enforcement of which are barred by applicable statute of limitations;

(n) all defects arising from any change in Laws following the Execution Date;

(o) any Encumbrance or loss of title affecting ownership interests in formations other than the Target Formation(s) for the relevant Citizen Asset (excluding any circumstances or conditions that have resulted in title or rights relative to ownership interests in the Citizen Assets (but expressly excluding the Citizen Excluded Assets) related to formations other than Target Formations being held by an Citizen Affiliate other than Citizen itself);

(p) defects arising from failure to comply with any maintenance of uniform interest provision in any Citizen Lease or Citizen Contract; and

"***Citizen Title Defect Amount***" means, with respect to a Citizen Title Defect:

(a) if the Transacting Parties agree on the Citizen Title Defect Amount, then that amount shall be the Citizen Title Defect Amount;

(b) if the Citizen Title Defect is an Encumbrance that is undisputed and liquidated in amount, then the Citizen Title Defect Amount shall be the amount necessary to be paid to remove the Citizen Title Defect from the Citizen Title Defect Property;

(c) if the Citizen Title Defect represents a discrepancy between either or both:

(i) (1) Citizen's actual Net Acres for any Target Formation in any Citizen Section, and (2) the Citizen Section Net Acres for such Target Formation in such Citizen Section as set forth in Schedule 3.4A, or

(ii) (1) Citizen's actual Citizen Section Weighted Average NRI in any Target Formation in any Citizen Section and (2) the Citizen Section Weighted Average NRI for such Target Formation in such Citizen Section as set forth in Schedule 3.4A,

(e) if the Citizen Title Defect results from failure of a Citizen Section Lease to possess Qualifying Depths for any Majority Target Formation in any Governmental Section and Citizen possesses less than or equal to 10% of applicable Target Formation for such Qualifying Depths in such Majority Target Formation in such Governmental Section, then the Citizen Title Defect Amount shall be calculated by first reducing the number of Net Acres allocable to such Citizen Section Lease to zero (0), and then calculating the associated Citizen Title Defect Amount as provided in clause (c) above;

(f) if the Citizen Title Defect results from failure of a Citizen Section Lease to possess Qualifying Depths as described in subpart (a) of that definition, then the Citizen Title Defect Amount shall be calculated by first reducing the number of Net Acres allocable to such Citizen Section Lease to zero (0), and then calculating the associated Citizen Title Defect Amount as provided in clause (c) above;

(g) if the Citizen Title Defect results from failure of a Citizen Section Lease to possess Qualifying Depths for any Majority Target Formation in any Governmental Section and Citizen possesses more than 10% of such applicable Target Formation for such Qualifying Depths, then the Citizen Title Defect Amount shall be calculated by first reducing the number of Citizen Section Net Acres allocable to such Citizen Section Lease by the product of (i) the number of Net Acres that would have been allocable to Citizen Section Lease if it possessed the Qualifying Depths and (ii) the amount obtained by subtracting (A) (1.0—(the product of (I) 2.5 and (II) the difference obtained by subtracting the percentage of the applicable Target Formation for such Qualifying Depths actually possessed by Citizen with regard to such Citizen Section Lease in such Majority Target Formation in such Governmental Section from 50.0%) from (B) 1.0, and then calculating the associated Citizen Title Defect Amount as provided in clause (c) above;

(h) if the Citizen Title Defect represents an obligation, Encumbrance upon or other defect in title to the Citizen Title Defect Property of a type not described above, then the Citizen Title Defect Amount shall be determined by taking into account the Allocated Value of the Citizen Title Defect Property, the portion of the Citizen Title Defect Property affected by the Citizen Title Defect, the legal effect of the Citizen Title Defect, the potential economic effect of the Citizen Title Defect, the values placed upon the Citizen Title Defect by each Transacting Party and such other reasonable factors as are necessary to make a proper evaluation;

(i) the Citizen Title Defect Amount with respect to a Citizen Title Defect Property shall be determined without duplication of any costs or losses included in another Citizen Title Defect Amount hereunder;

(j) if a Citizen Title Defect does not affect a Citizen Title Defect Property throughout the entire remaining productive life of such Citizen Title Defect Property or across all Target Formations for such Citizen Title Defect Property, such fact shall be taken into account in determining the Citizen Title Defect Amount; and

(k) notwithstanding anything to the contrary in this Agreement, the aggregate Citizen Title Defect Amounts attributable to the effects of all Citizen Title Defects upon any single Citizen Title Defect Property shall not exceed the Allocated Value of such Citizen Title Defect Property.

"***Linn Section Net Acres***" means with regard to a Governmental Section, the aggregate Net Acres attributable to the Linn Section Leases for such Governmental Section, such calculation being made separately as to each Target Formation. Notwithstanding the above, to the extent the term Linn Section Net Acres is used in connection with a Linn Additional Lease, this term shall mean the Net Acres for the relevant Linn Additional Lease only, instead of the Linn Section Leases.

"Linn Section Weighted Average NRI" means, as to a Governmental Section, and calculated separately as to each Target Formation: (i) first, take Linn's Net Revenue Interest in and to each Linn Section Lease for such Governmental Section, and then *multiply the same by* the Linn Section Net Acres covered by such Linn Section Lease for such Target Formation (again, limited solely to those Net Acres thereof that are both included within the applicable Governmental Section, and which include Qualifying Depths of the Target Formation for such Target Formation), and not counting any Net Acres covered by such Linn Section Lease that are located outside the boundaries of such Governmental Section, nor counting any Net Acres covering depths outside of a Target Formation for which Linn's Leases include Qualifying Depths of the Target Formation; and (ii) then, the calculated product obtained for each Linn Section Lease under subpart (i) above shall then be added together, and the sum thereof shall then be divided by the sum of the Linn Section Net Acres covered by ALL of the Linn Section Leases included within such Governmental Section, solely to the extent such Net Acres are included within the boundaries of such Governmental Section and include Qualifying Depths of the Target Formation for such Target Formation (the result of the calculation in this subpart (ii) shall be referred to as the "***Linn Section Weighted Average NRI***" for such Governmental Section and Target Formation), and such calculation shall be made with regard to each Target Formation for the applicable Governmental Section. Notwithstanding the above, to the extent the term Linn Section Weighted Average NRI is used in connection with a Linn Additional Lease, this term shall mean the Net Revenue Interest for the relevant Linn Additional Lease only, instead of the Linn Section Leases.

"***Linn Substitute Leases***" has the meaning set forth in Section 4.2(e)(ii).

"***Linn Title Benefit***" means with respect to the Target Formation(s) for the Linn Section Leases, Linn Section Net Acres or Linn Wells, any right, circumstance or condition existing as of the Effective Time and also immediately prior to the end of the Review Period that operates to (a) increase the Linn Section Weighted Average NRI of Linn with respect to a Linn Section and Target Formation or the Net Revenue Interest of Linn with respect to a Linn Well above that shown for such Linn Section or Linn Well in Schedule 3.4A or Schedule 3.4B (Part I), as applicable, to the extent the same does not, with respect to Linn's interest in any Linn Well, cause an equal or greater than proportionate increase in Linn's Working Interest with respect to the Target Formation(s) in such Linn Well above that shown in Schedule 3.4B (Part I), as applicable, or (b) increase the Linn Section Net Acres with respect to a Section and the Target Formation(s) in any Linn Section and Target Formation above the Linn Section Net Acres for such Linn Section and Target Formation as shown in Schedule 3.4A.

"***Linn Title Benefit Amount***" means, with respect to a Linn Title Benefit:

(d) if the Transacting Parties agree on the Linn Title Benefit Amount, then that amount shall be the Title Benefit Amount;

(e) if the Linn Title Benefit represents a discrepancy between either or both:

(i) (1) Linn's actual Net Acres for any Target Formation in any Linn Section, and (2) the Linn Section Net Acres for such Target Formation in such Linn Section as set forth in Schedule 3.4A, or

(ii) (1) Linn's actual Linn Section Weighted Average NRI in any Target Formation in any Linn Section and (2) the Linn Section Weighted Average NRI for such Target Formation in such Linn Section as set forth in Schedule 3.4A,

then the Linn Title Benefit Amount for such Target Formation in such Governmental Section shall be the greater of zero and the amount obtained by subtracting the Allocated Value for such Target Formation in such Governmental Section from the Linn Actual Section Value for such Target Formation in such Governmental Section.

(d) if (i) the Linn Title Benefit represents a discrepancy between (1) Linn's actual Net Revenue Interest for any Linn Well, and (2) Linn's Net Revenue Interest for such Linn Well as set forth in Schedule 3.4B (Part I), and (ii) Linn's Working Interest in such Linn Well is increased by less than the same proportion as such Net Revenue Interest increase, then the Linn Title Benefit Amount shall be the product of (1) the Allocated Value of the affected Linn Well multiplied by (2) a fraction, the numerator of which is the Net Revenue Interest increase in such Linn Well, and the denominator of which is the Net Revenue Interest for such Linn Well as set forth in Schedule 3.4B (Part I);

(e) if the Linn Title Benefit is of a type not described above, then the Linn Title Benefit Amounts shall be determined by taking into account the Allocated Value of the Linn Asset affected by such Linn Title Benefit, the portion of such Linn Asset affected by such Linn Title Benefit, the legal effect of the Linn Title Benefit, the potential economic effect of the Linn Title Benefit over the life of such Asset, the values placed upon the Title Benefit by the Transacting Parties and such other reasonable factors as are necessary to make a proper evaluation.

"***Linn Title Benefit Notice***" has the meaning set forth in Section 4.2(b).

"***Linn Title Defect***" shall mean any Encumbrance, defect or other condition or matter that causes Linn not to have Linn Defensible Title; provided that the following shall not be considered Linn Title Defects:

(a) defects arising out of lack of corporate or other entity authorization (other than any such defects relating to Linn or its Affiliates or any prior Affiliates of Linn, whether pre-bankruptcy or post-bankruptcy of Linn Energy, LLC) unless Citizen provides conclusive evidence that such corporate or other entity action was not authorized and has resulted in another Person's superior claim of title to the relevant Linn Asset;

(b) defects arising from any prior oil and gas lease relating to the lands covered by the Linn Leases or Linn Units not being surrendered of record, unless Citizen provides reasonable evidence that such prior oil and gas lease is still in effect and has resulted in another Person's actual and superior claim of title to the relevant Linn Lease or Linn Well;

(c) defects that affect only which Person has the right to receive royalty payments (rather than the amount of the proper payment of such royalty payment) and that do not affect the validity of or title to the underlying Linn Lease;

(d) defects based solely on: (i) lack of information in Linn's files; (ii) references to an unrecorded document to which neither Linn nor any Affiliate of Linn is a party and which document is dated earlier than January 1, 1960; or (iii) any Tax assessment, Tax payment or similar records or the absence of such activities or records;

(e) any Encumbrance or loss of title resulting from Linn's conduct of business in compliance with this Agreement;

(f) defects as a consequence of cessation of production, insufficient production or failure to conduct operations during any period after the completion of a well capable of production in paying quantities on any of the Linn Leases held by production, or lands pooled or unitized therewith, except to the extent the cessation of production is shown to exist for a period that, under the terms of the Lease, would (or would reasonably be believed to) result in the termination or expiration of the underlying Linn Lease, which documentation shall be provided by Citizen to Linn in support thereof;

(g) liens arising from any Encumbrance created by a mineral owner which has not been subordinated to the applicable lessee's interest, solely to the extent that the Linn Lease in question does not have a Linn Well on it, and no portion thereof has been included in a Linn Unit;

(h) all defects or irregularities that have been adjudicated to be cured or remedied by applicable statutes of limitation or statutes of prescription;

(i) all defects or irregularities resulting from the failure to record releases of liens, production payments or mortgages that have expired on their own terms or the enforcement of which are barred by applicable statute of limitations;

(j) all defects in the chain of title consisting of the failure to recite marital status in a document or omissions of successions of heirship or estate proceedings, unless Citizen provides conclusive evidence that such failure results in another Person's superior claim of title to the relevant Linn Asset;

(k) all defects arising from any change in Laws following the Execution Date;

(l) any Encumbrance or loss of title affecting ownership interests in formations other than the Target Formation(s) for the relevant Linn Asset (excluding any circumstances or conditions that have resulted in title or rights relative to ownership interests in the Linn Assets (but expressly excluding the Linn Excluded Assets) related to formations other than Target Formations being held by an Linn Affiliate other than Linn itself);

(m) defects arising from failure to comply with any maintenance of uniform interest provision in any Linn Lease or Linn Contract; and

(n) any Title Defect affecting a Linn Well for which the Title Defect Amount does not exceed $25,000; provided, however, that the Title Defect Amount shall be deemed to meet such $25,000 threshold in any of the following cases: (1) if any Linn Well is affected by more than one Linn Title Defect, and the aggregate sum of the Title Defect Amounts for all Linn Title Defects affecting such Linn Well exceeds such $25,000 threshold, or (2) in the case of a failure to hold Linn Defensible Title to multiple Linn Wells due to the same specific set of facts, and aggregate sum of the Title Defect Amounts for such Linn Title Defects affecting multiple Linn Wells exceeds such $25,000 threshold.

"***Linn Title Defect Amount***" means, with respect to a Linn Title Defect:

(a) if the Transacting Parties agree on the Linn Title Defect Amount, then that amount shall be the Linn Title Defect Amount;

(b) if the Linn Title Defect is an Encumbrance that is undisputed and liquidated in amount, then the Linn Title Defect Amount shall be the amount necessary to be paid to remove the Linn Title Defect from the Linn Title Defect Property;

(c) if the Linn Title Defect represents a discrepancy between either or both:

(i) (1) Linn's actual Net Acres for any Target Formation in any Linn Section, and (2) the Linn Section Net Acres for such Target Formation in such Linn Section as set forth in Schedule 3.4A, or

(ii) (1) Linn's actual Linn Section Weighted Average NRI in any Target Formation in any Linn Section and (2) the Linn Section Weighted Average NRI for such Target Formation in such Linn Section as set forth in Schedule 3.4A,

and in each case, there is no intermediate reversionary interest prior to the end of the productive life of any relevant Linn Section Lease, then the Linn Title Defect Amount for such Target Formation in such Governmental Section shall be the greater of zero and the amount obtained by subtracting the Linn Actual Section Value for such Target Formation in such Governmental Section from the Allocated Value for such Target Formation in such Governmental Section.

(d) if (i) the Linn Title Defect represents a discrepancy between (A) Linn's actual NRI in any Linn Well and (B) Linn's Net Revenue Interest for such Linn Well as set forth in Schedule 3.4B (Part I) and (ii) Linn's Working Interest in such Linn Well is decreased in the same proportion as such Net Revenue Interest decrease, then the Linn Title Defect Amount shall be the product of (A) the Allocated Value of such Linn Well multiplied by (B) a fraction, the numerator of which is the Net Revenue Interest decrease in such Linn Well, and the denominator of which is the Net Revenue Interest for such Linn Well as set forth in Schedule 3.4B (Part I);

(e) if the Linn Title Defect results from failure of a Linn Section Lease to possess Qualifying Depths for any Majority Target Formation in any Governmental Section and Linn possesses less than or equal to 10% of applicable Target Formation for such Qualifying Depths in such Majority Target Formation in such Governmental Section, then the Linn Title Defect Amount shall be calculated by first reducing the number of Net Acres allocable to such Linn Section Lease to zero (0), and then calculating the associated Linn Title Defect Amount as provided in clause (c) above;

(f) if the Linn Title Defect results from failure of a Linn Section Lease to possess Qualifying Depths as described in subpart (a) of that definition, then the Linn Title Defect Amount shall be calculated by first reducing the number of Net Acres allocable to such Linn Section Lease to zero (0), and then calculating the associated Linn Title Defect Amount as provided in clause (c) above;

(g) if the Linn Title Defect results from failure of a Linn Section Lease to possess Qualifying Depths for any Majority Target Formation in any Governmental Section and Linn possesses more than 10% of such applicable Target Formation for such Qualifying Depths, then the Linn Title Defect Amount shall be calculated by reducing the number of Linn Section Net Acres allocable to such Linn Section Lease by the product of (i) the number of Net Acres that would have been allocable to Linn Section Lease if it possessed the Qualifying Depths and (ii) the amount obtained by subtracting (A) (1.0—(the product of (I) 2.5 and (II) the difference obtained by subtracting the percentage of the applicable Target Formation for such Qualifying Depths actually possessed by Linn with regard to such Linn Section Lease in such Majority Target Formation in such Governmental Section from 50.0%) from (B) 1.0, and then calculating the associated Linn Title Defect Amount as provided in clause (c) above;

(h) if the Linn Title Defect represents an obligation, Encumbrance upon or other defect in title to the Linn Title Defect Property of a type not described above, then the Linn Title Defect Amount shall be determined by taking into account the Allocated Value of the Linn Title Defect Property, the portion of the Linn Title Defect Property affected by the Linn Title Defect, the legal effect of the Linn Title Defect, the potential economic effect of the Linn Title Defect, the values placed upon the Linn Title Defect by each Transacting Party and such other reasonable factors as are necessary to make a proper evaluation;

(i) the Linn Title Defect Amount with respect to a Linn Title Defect Property shall be determined without duplication of any costs or losses included in another Linn Title Defect Amount hereunder;

(j) if a Linn Title Defect does not affect a Linn Title Defect Property throughout the entire remaining productive life of such Linn Title Defect Property or across all Target Formations for such Linn Title Defect Property, such fact shall be taken into account in determining the Linn Title Defect Amount; and

(k) notwithstanding anything to the contrary in this Agreement, the aggregate Linn Title Defect Amounts attributable to the effects of all Linn Title Defects upon any single Linn Title Defect Property shall not exceed the Allocated Value of such Linn Title Defect Property.

The business and purpose of the Company is to (a) acquire, explore and develop oil and gas interests in the area set forth on Exhibit B (the "***AMI***"), (b) produce and sell oil and gas therefrom, and (c) engage in and carry on any lawful business, purpose or activity ancillary or related thereto allowed under the Delaware Act. The Company shall possess and may exercise all of the powers and privileges under the Delaware Act or by any other applicable Law and may perform all things necessary or incidental to, or connected with or growing out of, those activities in accordance with this Agreement.

Section 2.7 Qualifications in Other Jurisdictions. The officers of the Company (each an "***Officer***" and collectively, the "***Officers***") shall cause the Company to be qualified, formed or registered under assumed or fictitious name or similar Laws as may be required under applicable Law in any jurisdiction in which the Company transacts business. The Officers shall execute, deliver and file any certificates (and any amendments or restatements thereof) necessary or appropriate for the Company to qualify and continue to do business in a jurisdiction in which the Company may wish to conduct business. At the request of the Board, each Member shall execute, acknowledge, swear to and deliver all certificates and other instruments conforming with this Agreement that are necessary or appropriate to qualify, continue and/or terminate the Company as a foreign entity in all such jurisdictions in which the Company may conduct business; *provided* that no Member shall be required to submit to the personal jurisdiction of any such foreign jurisdiction in connection therewith.

Section 2.8 No State Law Partnership. The Members intend that (a) the Company shall not constitute a partnership (including a limited partnership) or joint venture, (b) that no Member constitutes an agent, partner or joint venturer of any other Member for any purposes other than United States federal, state and local income tax purposes, if applicable, and (c) this Agreement shall not create any agency or other relationship creating fiduciary or quasi-fiduciary duties of any Member to the Company or any of its Subsidiaries or to any other Member and, in each case, this Agreement may not be construed to suggest otherwise. This Agreement shall not subject the Members to joint and several or vicarious liability or impose any duty, obligation or liability that would arise therefrom with respect to any or all of the Members or the Company.

Section 2.9 Other Business Pursuits; Competing Investments.

(a) Each Member acknowledges and agrees that, subject to Sections 2.9(b) and 12.9, but otherwise to the fullest extent permitted by Law, (i) each other Member and such other Member's Affiliates (each, a "***Competing Person***") may engage or invest in, and devote their time to, such other business ventures, opportunities or activities as such Competing Persons may choose, whether or not any such venture, opportunity or activity is considered competitive with any of the Company Entities or their respective businesses and whether or not any Company Entity, each other Member or such other Member's Affiliates participate in any such venture, opportunity or activity without providing the applicable Company Entity, each other Member or such other Member's Affiliates the right to participate in such other venture, opportunity or activity (such rights of the Competing Persons, collectively, the "***Right to Compete***"), (ii) none of the Company Entities, any Member nor any Member's Affiliates shall have any right by virtue of this Agreement or the relationship created hereby in or to any such other venture, opportunity or activity (or to the income or proceeds derived therefrom), notwithstanding any duty (fiduciary or otherwise) existing at Law or in equity, and (iii) the

pursuit of any such other venture, opportunity or activity shall not be deemed wrongful or improper or a violation of this Agreement or of any duty (fiduciary or otherwise) existing at Law or in equity. Subject to Section 2.9(b), the Right to Compete of each Competing Person shall not require notice to, approval from or any other sharing with any other Member or Company Entity. Subject to Sections 2.9(b) and 12.9, but otherwise to the fullest extent permitted by Law, the legal doctrines of "corporate opportunity," "business opportunity" and similar doctrines shall not be applied to any such other venture, opportunity or activity in which any Competing Person may engage or invest or to which any Competing Person may devote its time. Notwithstanding the foregoing, title to the Assets shall be deemed to be owned by the Company (or any of its Subsidiaries) as an entity, and no Member, Manager or Officer or any other Subsidiary of the Company shall have any ownership interest in such Assets, and no Competing Person shall have any authority or otherwise be entitled to use any Asset in exercising the Right to Compete of such Competing Person.

(b) Notwithstanding Section 2.9(a), until an IPO or Breakup, none of the Members, any of their respective Affiliates or Subsidiaries, or any of their respective direct or indirect Transferees, may make any debt, equity or other investment in, or directly or indirectly control, own an economic interest in, or directly or indirectly operate or otherwise participate in the management of, any upstream oil or gas assets (excluding minerals or royalties) within the AMI (for the avoidance of doubt, excluding Midstream Assets) without first presenting in writing such investment opportunity to the Board (a "***Competing Opportunity Notice***") and allowing the Company an opportunity to participate in such investment opportunity for the benefit of the Company on economic and ownership terms materially no less favorable than those available to such Person; *provided*, that this Section 2.9(b) shall not apply to (i) curative acquisitions by a Member or its Affiliates pursuant to and in accordance with the Contribution Agreement, or (ii) the acquisition or ownership, directly or indirectly, of less than 10% of the voting securities of a publicly traded Person. Subject to Section 4.3(c), if a majority of the Managers that were not designated by the Member(s) delivering the Competing Opportunity Notice do not provide their consent to invest in such investment opportunity, which consent may be withheld in their sole discretion, within 30 days of receiving a Competitive Opportunity Notice, or the Company does not close such investment within 90 days upon receipt of such Competitive Opportunity Notice, then such Party shall have an additional 90 days to invest in such project on its own or with others on terms no less favorable than those presented to the Company. After such 90-day period, any proposed investment shall once again be subject to the terms and conditions of this Section 2.9(b) to the extent provided herein.

ARTICLE 3
CAPITALIZATION; UNITS

Section 3.1 Member Interests.

(a) At Closing, LEH will hold a Member Interest evidenced by the number of Units set forth opposite its name on Appendix II, which will result in LEH having the Percentage Interest in the Company as of the Closing set forth opposite its name on Appendix II.

(b) At Closing, Citizen will hold a Member Interest evidenced by the number of Units set forth opposite its name on Appendix II, which will result in Citizen having the Percentage Interest in the Company as of the Closing set forth opposite its name on Appendix II.

Section 3.2 Units. The Member Interests in the Company are divided into units (the "***Units***"). The Company has authorized an aggregate of up to 10,000,000,000 Units that may be held by the Members (the "***Authorized Units***"). The Units that are held by the Members as of the Closing are as set forth on the Member Schedule attached as Appendix II. For the avoidance of doubt, fractional Units shall be permitted to be held by the Members under this Agreement. The Units shall not be certificated.

Section 3.3 Capital Contributions.

(a) Initial Capital Contributions by Linn Parties and Citizen Parties. Pursuant to the Contribution Agreement and in exchange for their respective initial Member Interests, (i) Linn has made an initial Capital Contribution to the Company of the Linn Assets, and (ii) Citizen has made an initial Capital Contribution to the Company of the Citizen Assets.

(b) Additional Member Capital Contributions. Except as may be required by the most recent Annual Plan approved by the Board or pursuant to Section 9.1(d)(iv), no Member shall be obligated to make or commit to make any Capital Contributions to the Company without its prior written consent. From time to time, the Members may, but shall not be obligated to, make other additional Capital Contributions in amounts that the Board may request in writing pursuant to any formal action by the Board to request such contributions in the manner set forth in Section 4.3(a)(v), and in connection with any Capital Contributions so made, the Company shall issue Units to the Members in respect thereof in accordance with Section 3.2. Any such additional Capital Contributions shall be made in proportion to each Member's respective Percentage Interests. To the extent one or more Members do not make additional Capital Contributions pursuant to this Section 3.3(b), or such additional Capital Contributions are not made in proportion to such Member's respective Percentage Interests (in each case, other than in the event of a Default as provided in Section 3.4), then each Member's Percentage Interest shall be adjusted based on the Units issued in exchange for such Capital Contributions and the application of the formula contained in the definition of "Percentage Interest" set forth herein.

(c) Loans by Members. No Member, as such, shall be required to lend any funds to the Company or to make any additional contribution of capital to the Company, except as otherwise required by applicable Law or the express provisions of this Agreement. Any Member may make loans to the Company on terms approved by the Board, and any loan by a Member to the Company shall not be considered to be a Capital Contribution.

Section 3.4 Defaults.

(a) In the event that a Member provides its written consent to make a Capital Contribution in accordance with Section 3.3(b) or is required to make a Capital Contribution pursuant to Section 9.1(d)(iv) (each, a "***Supplemental Capital Contribution***") or has otherwise committed to make a Capital Contribution under an Annual Plan (each, a "***Planned Capital***

Contribution") but fails to make such Capital Contribution to the Company in full when due in accordance with the terms of this Agreement and such failure is not cured within 15 Business Days of such Member's receipt of written notice from the Company in respect thereof (such event a "***Default***" and such Member a "***Defaulting Member***"), then the amount of the Capital Contribution that is in default ("***Defaulted Commitment***") shall accrue interest at the Default Rate from the date due until the earlier of (i) the date such Member pays the full amount of the Defaulted Commitment or (ii) the date Default Loans are made to such Member as provided herein (following which time such Default Loans shall bear interest in the manner described below). A Default by a Member shall be deemed to also be a Default by any other Members that are Affiliates of such Defaulting Member.

(b) If a Member commits a Default, and such Default is not cured within 15 Business Days of the written notice of the Default to such Member, then distributions that would be made to such Defaulting Member in accordance with this Agreement shall be withheld by the Company for the purpose of offsetting the Defaulting Member's Defaulted Commitment until all amounts owed by the Defaulting Member are paid in full.

(c) The Company may, in its sole discretion, upon at least 10 Business Days' notice, request each non-defaulting Member to advance to the Company its respective pro rata portion of a Defaulted Commitment. Any advance made by a non-defaulting Member ("***Advancing Member***") shall constitute a loan ("***Default Loan***") from the Advancing Member to the Defaulting Member, the proceeds of which shall be used to pay the amount of the Defaulted Commitment. Any Default Loan shall be payable on demand by the Defaulting Member and accrue interest at the Default Rate. Any Default Loan made by a Member shall have the effect of reducing any future Capital Contributions required to be made by such Member under this Agreement to the extent that the Default Loan has not been repaid in accordance with Section 3.4(d).

(d) The Company shall pay and distribute all amounts that the Company would otherwise distribute to a Defaulting Member as follows and in the following order of priority: (i) first, to the Company to pay the costs and expenses incurred as a result of the Default; (ii) second, to the Advancing Members to repay any related Default Loans, with interest; (iii) third, to the Company to pay interest accrued on the amount in default pursuant to Section 3.4(a); (iv) fourth, to the Company to pay the amount in default (to the extent it has not been paid out of the proceeds of a Default Loan); and (v) fifth, to the Defaulting Member (to the extent of any remaining amounts). All payments made pursuant to this Section 3.4(d) shall be deemed for all purposes of this Agreement to have been distributed or paid to the Defaulting Member.

(e) In addition to the remedies described above, in the event of a Default with respect to a Planned Capital Contribution, the Company may, in its sole discretion, upon at least 10 Business Days' notice, request each non-defaulting Member to make an additional Capital Contribution in an amount equal to its respective pro rata portion of the Defaulted Commitment. To the extent one or more Members make additional Capital Contributions pursuant to this Section 3.3(e), then each Member's Percentage Interest shall be adjusted based on the Units issued in exchange for such Capital Contributions and the application of the formula contained in the definition of "Percentage Interest" set forth herein. Also, while in Default of a Planned

Capital Contribution, the Defaulting Member shall not be entitled to vote its Member Interest on matters pertaining to the Company, any Manager designated by such Defaulting Member shall not have the right to vote on, and such Manager's vote shall not be required for, any Board action and such Manager's presence shall not be required for purposes of determining the presence of a quorum, until all amounts owed by the Defaulting Member are paid in full.

(f) The remedies provided for in this Section 3.4 are not exclusive, but are cumulative and in addition to any other rights or remedies the Company or the non-defaulting Members may have at law or in equity against a Defaulting Member. In no event shall the exercise of any of the remedies provided for in this Section 3.4 release a Defaulting Member from its continuing obligation to make any Capital Contributions required under this Agreement.

Section 3.5 No Resignation or Expulsion. A Member may not take any action to resign, withdraw or retire as a Member voluntarily, and a Member may not be expelled or otherwise be removed involuntarily as a Member, prior to the dissolution and winding up of the Company, other than as a result of a permitted Transfer of all of such Member's Member Interest and associated Units in accordance with Article 8 and each of the transferees of such Member Interest and associated Units being admitted as a Substitute Member. A Member shall cease to be a Member only in the manner described in Article 8.

Section 3.6 Section 704(b) Capital Accounts.

(a) A separate capital account (a "***Capital Account***") shall be established and maintained for each Member in accordance with the requirements of Treasury Regulation Section 1.704-1(b)(2)(iv). Each Member's Capital Account (i) shall be increased by (A) the amount of money contributed by such Member to the Company, (B) the initial Book Value of property contributed by such Member to the Company (net of liabilities secured by the contributed property that the Company is considered to assume or take subject to under Code Section 752), (C) allocations to such Member of Profits pursuant to Section 9.2(a) and any other items of income or gain allocated to such Member pursuant to Section 9.2(b), and (D) any other increases allowed or required by Treasury Regulation Section 1.704-1(b)(2)(iv), and (ii) shall be decreased by (A) the amount of money distributed to such Member by the Company, (B) the Book Value of property distributed to such Member by the Company (net of liabilities secured by the distributed property that such Member is considered to assume or take subject to under Code Section 752), (C) allocations to such Member of Losses pursuant to Section 9.2(a) and any other items of loss or deduction allocated to such Member pursuant to Section 9.2(b), and (D) any other decreases allowed or required by Treasury Regulation Section 1.704-1(b)(2)(iv). A Member that has more than one class or series of Units shall have a single Capital Account that reflects all such Units; *provided*, *however*, that the Capital Accounts shall be maintained in such manner as will facilitate a determination of the portion of each Capital Account attributable to each class or series of Units.

(b) In the event of a Transfer of Units made in accordance with this Agreement, the Capital Account of the Transferor that is attributable to the transferred Units shall carry over to the Transferee Member in accordance with the provisions of Treasury Regulation Section 1.704-1(b)(2)(iv)(*l*).

ARTICLE 4
MANAGEMENT OF THE COMPANY

Section 4.1 Board of Managers; Board Composition.

(a) Except (i) as otherwise expressly set forth in Section 4.5 or (ii) as required under the Delaware Act, the Members delegate full and complete authority, power and discretion to the board of managers of the Company (the "***Board***") to manage, operate and control the business, affairs and Assets of the Company Entities.

(b) The Board shall consist of eight managers appointed by the Members (collectively, the "***Managers***"). LEH shall be entitled to elect four natural persons to serve as Managers (collectively, the "***Linn Manager Group***") and Citizen shall be entitled to elect four natural persons to serve as Managers (collectively, the "***Citizen Manager Group***"). The Board shall appoint one of the Managers to serve as the Chairman of the Board (the "***Chairman***"). Upon appointment of a Chief Executive Officer, the Board may appoint such Chief Executive Officer as a Manager of the Board such that the Board would be expanded to nine (9) Managers, *provided* that, upon such appointment, all decisions of the Board would continue to require the voting standard applied by Section 4.2(a). For the avoidance of doubt, prior to the IPO Execution Date, each of LEH and Citizen will retain the right to appoint the Linn Manager Group and the Citizen Manager Group, respectively, regardless of any Transfers of less than 100% of their respective Member Interests. The initial Managers designated by each of LEH and Citizen are set forth on Appendix III.

(c) A number of observers and advisors equal to the number of Managers designated by such Member may attend Board meetings in a non-voting capacity; *provided* that each such observer and advisor acknowledges and agrees that any information received by such Person shall be used only for the purpose of evaluating the matters discussed at such meeting or advising a Member with respect to its rights and obligations hereunder, and that:

(i) the Company reserves the right to exclude each observer or advisor from access to any material or meeting or portion thereof if the Company believes upon advice of counsel that such exclusion is reasonably necessary to preserve the attorney-client privilege or to protect highly confidential proprietary information; and

(ii) any such designees, as a condition of each such designee becoming an observer, shall each enter into a confidentiality and non-disclosure agreement in form and substance reasonably acceptable to the Company, which agreement shall provide for, among other things, usual and customary confidentiality and non-disclosure obligations in respect of any information obtained in such person's capacity as an observer.

(d) The Managers need not be residents of the State of Delaware. Each Manager shall hold office until such Manager's successor shall be duly designated or until such Manager's earlier death, removal or resignation. Each Founding Member Group shall have the right to change its Managers at any time by giving notice of such change to the Company and each other Member, and such change shall be effective as of the date specified in such notice.

(e) A Person that serves as a Manager shall not be required to be a Manager as his/her sole and exclusive occupation, and Managers may have other business interests and may engage in other investments, occupations and activities in addition to those relating to the Company.

(f) A Manager may resign from the position of Manager at any time by giving written notice to the Members and the Chief Executive Officer. The resignation of a Manager shall take effect upon receipt of notice thereof or at such later time as shall be specified in such notice; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

(g) A Manager may be removed or replaced at any time from the Board, with or without cause, upon and only upon the written request of such Member entitled to elect such Manager in accordance with Section 4.1(b) (the "***Designating Member***"); *provided* that, if the Chief Executive Officer is appointed as a Manager pursuant to Section 4.1(b), he or she may only be removed upon the written request of the Board. A Manager other than the Chief Executive Officer shall automatically cease to be a Manager immediately after the Person who designated such Manager ceases to be a Member unless such Member's Transferee indicates to the Company its intention to designate the same Manager. This Agreement does not, and is not intended to, confer upon any Manager any rights with respect to continued employment by the Company, and nothing herein should be construed to have created any employment agreement with any Manager.

(h) Any vacancy in the position of a Manager that is created by the death, removal or resignation of a Manager shall be filled by the Designating Member, except with respect to the Chief Executive Officer serving as a Manager, whose Board seat shall be filled by the Board in the event of a vacancy. A Manager designated to fill a vacancy shall hold office until a successor shall be designated, or until such Manager's earlier death, removal or resignation. In the event that the Designating Member shall fail to designate in writing a representative to fill a vacant Manager position on the Board, and such failure shall continue for more than 30 days after written notice from the Company to the Designating Member with respect to such failure, then the vacant position shall be filled by an individual designated by the Managers then in office; *provided* that such individual shall be removed from such position if the Designating Member so directs and simultaneously designates a new Manager.

(i) A Manager shall not be entitled to any direct compensation from the Company for serving as a Manager. The Company shall be responsible for all out-of-pocket costs and expenses incurred by its Managers in their capacities as Managers. Nothing contained in this Section 4.1(i) shall be construed to preclude any Manager from serving the Company in any other capacity and receiving reasonable compensation for such services.

Section 4.2 Voting; Quorum; Meetings; Committees.

(a) Voting. Each Manager shall be entitled to one vote. Subject to Sections 2.9(b), 3.4(b) and 4.3(c), on all matters requiring the vote or action of the Board, any action undertaken by the Board (whether conducted at a meeting or by written consent) must be authorized by the majority vote of all Managers, including at least two Managers of each of the Linn Manager Group and the Citizen Manager Group.

(b) Quorum. Subject to Sections 3.4(b) and 4.3(c), the presence (either in person or by remote communication or proxy pursuant to Section 4.2(c)(v)) of a majority of the Managers (including at least two Managers of each of the Linn Manager Group and Citizen Manager Group) shall be necessary and sufficient to constitute a quorum for the transaction of business at any meeting of the Board.

(c) Meetings of the Board.

(i) *Meetings*. The Board shall meet at least once per Calendar Quarter, beginning with the Calendar Quarter after which the Closing occurs, or more frequently as the Board may determine. All meetings of the Board shall be held at the principal offices of the Company, or elsewhere as the Board may decide, which alternate location may be within or outside the State of Delaware. The Chief Executive Officer or any Manager may call a meeting of the Board by giving notice to the Managers at least 72 hours in advance of such meeting, unless such notice period is waived by the Managers (the "***Required Notice***").

(ii) *Notice of Meetings; Information*. Each Required Notice shall contain (A) the date, time and location of the meeting, (B) an agenda of the matters and proposals to be considered or voted upon and (C) copies of all proposals to be considered at the meeting, including appropriate supporting information not previously distributed to the Managers (all such information, the "***Required Notice Information***"). A Manager may add matters to the agenda for such meeting by notice to each other Manager, which notice shall include any additional proposals being proposed by such Manager to be considered at the meeting (including appropriate supporting information not previously distributed to the Managers). Upon the request of a Manager, and with the consent of all other Managers, the Board may consider at a meeting a proposal not contained in such meeting agenda. Without the consent of all Managers, the Board may not consider at a meeting any proposal that was not sent to all Managers with the Required Notice and accompanied with the Required Notice Information.

(iii) *Written Consent in Lieu of Meetings.* Any action of the Board or a committee of the Board that could be taken at a meeting may be taken without a meeting by means of a written consent action signed by each of the Managers as would be necessary to approve such action at a meeting. Such consent will have the same force and effect as an affirmative vote at a duly constituted meeting that is cast by those Managers who have signed the consent, and the execution of such consent will constitute attendance or presence in person at a meeting of the Board. Any action taken by written consent will promptly be delivered to any of the Managers who did not sign such written consent.

(iv) *Records of Meetings*. The Secretary shall make a record of each proposal voted on and the results of such voting at such Board meeting. The Secretary shall maintain a minute book containing (A) the original Formation Certificate and all amendments thereto, (B) a record of any committee established by the Board, together with a copy of the rules adopted for such committee and a record of the activities of such committee, (C) a copy of the

minutes of Board and committee meetings, including a record of all Board decisions taken at any Board meeting, (D) a record of all Board decisions taken by written consent, and (E) the then-current Member Schedule. The Secretary shall provide each Member with a copy of the minutes of each Board meeting and committee meeting following approval of such minutes at the next regularly scheduled Board or committee meeting.

(v) *Remote Participation; Proxies*. Managers may attend and participate in any meeting by conference telephone or similar remote communications equipment by which all Persons participating in the meeting can hear each other. Any Manager (whether or not expecting to be absent from a meeting) shall be entitled to designate another Manager as a proxy to act on behalf and in lieu of such Manager with respect to such meeting to the same extent and with the same force and effect as the Manager who has designated such proxy. The proxy shall be provided to the Company prior to any such meeting and shall thereafter be part of the records of the Company.

(vi) *Attendance as Waiver of Notice*. Attendance of any Manager at any meeting of the Board (including by conference telephone or similar remote communication equipment or by proxy to another Manager) shall constitute a waiver of notice of such meeting, except where such Manager attends the meeting and objects to the transaction of any business on the ground that the meeting is not properly called or convened and notifies each other Manager at such meeting of such objection.

(d) Board Committees; Meetings. The Board may establish such committees as it may deem appropriate, together with the rules governing the activities of such committees, including rules governing the purpose of such committee and the period of time for which such committee will exist. Meetings of each committee shall take place as often as the Board or such committee shall determine and shall be held in the principal offices of the Company, or elsewhere as such committee may decide, which alternate location may be within or outside the State of Delaware. Except as set forth in Section 4.2(e), the functions of such committees shall be to serve in an advisory capacity only and such committees shall have no authority to, and shall take no action that would, bind the Company. Each Founding Member Group shall have the right to designate an agreed upon number of representatives to serve on each committee; *provided*, *however*, that a representative of each Founding Member Group shall serve on each committee unless otherwise agreed by each Founding Member Group.

(e) Operating Committee.

(i) Pursuant to, and without limiting the generality of, Section 4.2(d), there is hereby established an operating committee (the "***Operating Committee***") composed of representatives appointed by the Board, subject to the following terms and conditions. The Operating Committee shall consist of six natural persons (each, an "***Operating Committee Member***"), with each Founding Member Group being entitled to appoint three of the Operating Committee Members. The initial Operating Committee Members designated by each of LEH and Citizen are set forth on Appendix IV. Each Operating Committee Member shall hold office until such person's successor shall be duly designated as set forth in this Section 4.2(e) or until such person's earlier death, resignation or removal by the Founding Member Group that appointed such Operating Committee Member. Each Founding Member Group shall have the

right to remove any of its designated Operating Committee Members at any time by giving notice of such removal to the Board, and such change shall be effective as of the date specified in such notice. Any vacancy in the position of an Operating Committee Member shall be filled by a natural person designated by the Founding Member Group that designated the predecessor for such position. Upon appointment of a Chief Executive Officer of the Company by the Board, the Operating Committee shall be expanded by one position and the Chief Executive Officer shall fill such additional position as an Operating Committee Member. Notwithstanding the above, the Chief Executive Officer shall have the right to request the Board to, and the Board shall, dissolve the Operating Committee at any time following his appointment. All decisions of the Operating Committee, whether before or after the appointment of the Chief Executive Officer, shall require the approval of a majority of the Operating Committee Members, which majority must include the affirmative vote of at least one Operating Committee Member appointed by each Founding Member Group.

(ii) Unless otherwise agreed to by the Board, the Operating Committee shall meet at least once per calendar month to (A) discuss operational results and the status of operations, (B) take such action on behalf of the Company, including any necessary delegation to officers, employees, representative and agents of the Company, as necessary to implement the Services (as defined in each of (1) that certain Management Services Agreement, of even date herewith, by and between LOI and the Company (the "***Linn MSA***"), and (2) that certain Management Services Agreement, of even date herewith, by and between Citizen and the Company (the "***Citizen MSA***")), as well as development operations described in the Linn Assets Development Plan (as defined in the Linn MSA) and development operations described in the Citizen Assets Development Plan (as defined in the Citizen MSA) and (C) discuss such other matters as may be reasonably proposed by the Operating Committee Members. All meetings shall be called by any Operating Committee Member giving notice to the other Operating Committee Members at least 48 hours in advance of such meeting, along with an agenda for such meeting (which shall include any items that an Operating Committee Member reasonably requests to have included on such agenda). All meetings shall be held at such location or locations as the Operating Committee determines from time to time; provided that the Operating Committee Members shall be allowed to participate telephonically in any such meeting. Each Operating Committee Member may also bring any advisors it deems appropriate to any meeting of the Operating Committee; provided that notice of the attendance of such advisors at a meeting is provided to each Operating Committee Member at least 24 hours in advance of such meeting. The Operating Committee and the Board may, from time to time, establish other policies and procedures for the Operating Committee.

(iii) The Operating Committee Members shall appoint a secretary that shall take the minutes of each meeting of the Operating Committee, and the minutes of each meeting shall be distributed to the Board within five Business Days after such meeting.

(xxvii) enter into any agreement to do any of the foregoing.

(b) The Board may, from time to time, determine additional actions of the Company that would require approval of the Board under this Section 4.3. Notwithstanding anything in this Section 4.3 to the contrary, unless otherwise provided by the Board by resolution, any actions or expenditures specifically authorized in the Initial Strategic Plan or the most recent Annual Plan approved by the Board shall be authorized for purposes of this Section 4.3 and shall not be included for purposes of determining whether the applicable threshold amounts are satisfied in this Section 4.3.

(c) Notwithstanding anything to the contrary herein, (i) any Related Party Activity, including any activities set forth in Section 4.3(a)(ix), shall be subject to the sole approval of the Managers that have been designated by the Non-Related Member(s), (ii) neither any Related Member nor any Manager designated by any Related Member shall have the right to vote on any approval in connection with any action by the Board in respect of such Related Party Activity, and (iii) the presence of any Manager designated by any Related Member shall not be required for purposes of determining the presence of a quorum or the vote required in connection with any such action, *provided* that, for the avoidance of doubt, the notice requirements of Sections 4.2(c)(i) and (ii) shall still apply in full.

(d) All decisions taken by the Board pursuant to this Section 4.3 shall be conclusive and binding on all Members.

Section 4.4 Members. No Member, solely in its capacity as a Member, shall have any power or authority to manage or control the business, affairs or properties of any of the Company Entities or the Business, to bind any of the Company Entities in any way, to pledge any of the Company Entities' Assets, to enter into agreements on behalf of any Company Entity or to otherwise render any Company Entity liable for any purpose. Except as otherwise expressly provided in this Agreement, no Member shall have voting rights or rights of approval, veto or consent or similar rights over any actions of the Company Entities.

Section 4.5 Officers; Delegation of Authority.

(a) The Officers of the Company may consist of a Chief Executive Officer, a Chief Financial Officer, a Chief Operating Officer, one or more Vice Presidents, a General Counsel, a Secretary and such other Officers as the Board may elect or appoint from time to time. Officers are not "managers" of the Company under Section 18-401 of the Delaware Act. Any number of Officer positions of the Company may be held by the same natural person. Each Officer shall serve until his or her successor is duly elected and qualified (or his or her earlier death, resignation or removal from office). Any Officer may resign at any time by delivering his or her written resignation to the Board.

(b) Any Officer may be removed at any time, with or without cause, by the Board. Vacancies and newly created Officer positions shall be filled by the Board. Any Officer appointed to fill any vacancy shall hold office until his or her successor shall be duly elected and qualified (or his or her earlier death, resignation or removal from office).

(c) No Member shall be liable to the Company or any of its Subsidiaries or any other Member for any action taken or not taken by an employee of such Member that is taken in such employee's capacity as an Officer. The Company shall indemnify and hold harmless the Officers and the Managers against liabilities to Third Parties in accordance with Section 5.3 and Section 5.4.

(d) As of the Closing, the Board has delegated to the Officers, once appointed, the authority set forth on Appendix V.

(e) The Officers may exercise only such powers of the Company and do such acts and things as are expressly authorized or delegated by this Agreement or by the Board.

Section 4.6 Duties.

(a) No Member or Manager or Officer that is also an employee, partner or member of a Member or its Affiliates shall have any duties (including fiduciary duties) or obligations relating thereto to the Company, the other Members or the other Managers, except as may be specifically provided herein or required by any provisions of the Delaware Act or other applicable Law that cannot be waived. Accordingly, subject to the preceding sentence, each Manager shall be entitled to act solely on behalf, and in the interests, of the Member that has designated such Manager. For the avoidance of doubt, any Officer that is not an employee, partner or member of a Member or its Affiliates shall owe duties to the Company as set forth in the Delaware Act and any other applicable Law.

(b) The provisions of this Agreement, to the extent that they restrict, eliminate or otherwise modify the duties (including the fiduciary duties) and liabilities of a Member, Manager or Officer otherwise existing under applicable Law or in equity, are agreed by the Company and the Members to replace such duties and liabilities of such Member, Manager or Officer.

(c) Nothing in this Agreement is intended to or shall eliminate any implied contractual covenant of good faith and fair dealing or otherwise relieve or discharge any Member or Manager from liability to the Company or the Members on account of any fraudulent or intentional misconduct of such Member or Manager.

Section 4.7 Initial Strategic Plan and Annual Plans.

(a) Attached as Exhibit C are the proposed operating budgets for the Linn Assets and Citizen Assets for the period commencing as of the Execution Date and ending December 31, 2017 (the "***Initial Strategic Plan***").

(b) At least ninety days prior to the start of each Fiscal Year of the Company commencing with 2018, the Chief Executive Officer (or, in the absence of a Chief Executive Officer, the other Officers) shall submit to the Board a proposed operating budget and development plan for such Fiscal Year (each, an "***Annual Plan***"). The Board shall consider the

Annual Plan for approval pursuant to Section 4.3 prior to the start of the Fiscal Year to which it pertains and shall use all reasonable efforts to resolve any disagreements as to any item contained in the Annual Plan prior to such time. If any Annual Plan submitted to the Board in accordance with this Section 4.7 is not approved by the Board prior to the start of the Fiscal Year to which it pertains, then pending approval of a new Annual Plan pursuant to Section 4.3, the Annual Plan most recently approved by the Board pursuant to Section 4.3, excluding all non-recurring items, shall remain in effect as the Annual Plan for the next Fiscal Year, adjusted upwards by increasing the recurring fees, costs, expenses and maintenance capital expenditures set forth in such Annual Plan by 5.0% (except that if the Annual Plan for the 2018 Fiscal Year of the Company is not approved by the Board prior to the start of such Fiscal Year, then the Initial Strategic Plan will continue in effect).

Section 4.8 Deadlock.

(a) Commencing after the IPO Execution Date, if an IPO has not occurred and the Managers become deadlocked over any matter set forth in Section 4.3(a) (a "***Disputed Matter***"), any Manager may, within thirty days of such deadlock, notify the other Managers in writing that such Disputed Matter shall be voted on again by the Managers at a special meeting that shall be held no later than 10 Business Days from the date of such notification. Such Disputed Matter on which the Managers have been unable to agree shall be discussed by the Managers during such 10 Business Day-period and shall be voted upon during the special meeting at the end of such period. If at the special meeting the Managers are unable to come to agreement on the Disputed Matter, such Disputed Matter shall be deemed to be a "***Deadlock***" and the Parties shall have the rights set forth in Section 4.8(b).

(b)

(i) Upon a Deadlock, either Founding Member Group (such group, the "***Initiating Member***") shall have the right to initiate a breakup of the Company (a "***Breakup***") by delivering written notice thereof to the other Founding Member Group (the "***Breakup Notice***"). For a 30-day period beginning on the date of such notice, the Founding Member Groups shall use reasonable best efforts to negotiate in good faith a separation of the Assets into two separate groups equivalent (in terms of assets, liabilities and operatorship) to the Percentage Interests of each of the Linn Founding Member Group and the Citizen Founding Member Group.

(ii) If after such 30-day period the Founding Member Groups are unable to reach agreement on a separation of the Assets, the following shall apply:

(A) If the Founding Member Groups each own equivalent 50% interests in the Company, the Initiating Member shall have an additional 30 days to divide the Assets into two groups of equivalent assets, liabilities and operatorship; *provided* that, if the Initiating Member fails to divide the Assets within such 30-day period, then the Initiating Member will be deemed to have waived its right to make such division, and, at the election of the non-initiating Founding Member Group, the non-initiating Founding Member Group will have an additional 30 days to divide the Assets as contemplated by the preceding sentence. Following such division, the non-initiating Founding Member Group shall have up to an additional 20

Business Days to conduct a review of the division and select, by written notice to the other Party within such 20 Business Day-period, which of the two groups of Assets it would receive in the Breakup; *provided* that, if the non-initiating Founding Member Group (or if applicable, the Initiating Member) fails to deliver such written notice within such 20 Business Day-period, then such Party will be deemed to have waived its right to make the first selection of the two groups of Assets, and, at the election of the other Party, the other Party shall have 10 Business Days to select which of the two groups of Assets it would receive in the Breakup. The Initiating Member (or if applicable, the non-initiating Founding Member Group) would then receive the other group of Assets.

(B) If the Members do not each own equivalent 50% interests in the Company, the Members shall mutually designate an independent third party expert to allocate the Assets into two pools with assets, liabilities and operatorship divided based on the Members' respective percentage ownership of the Company, without any discount for minority interests or illiquidity. Such expert must be a national petroleum engineering or investment banking firm with expertise in the energy industry, with at least seven years of experience in valuing upstream assets of the nature held by the Company. Each Member shall pay 50% of the expert's costs and expenses. The expert shall have 30 days to divide the Assets into groups as contemplated above and upon division, each Member would receive the Assets assigned by the expert.

(iii) Each Party will be required to assume the midstream contracts containing dedications burdening the respective Assets and use reasonable best efforts to coordinate the bifurcation of any such midstream contract between the Parties with the counterparty thereof.

(iv) The Members shall use reasonable best efforts to effectuate the Breakup in a manner that is tax efficient to all Parties and shall execute and deliver to the other Members such further documents as may be reasonably requested in order to give practical effect to the Breakup.

(v) Upon completion of the Breakup, which shall occur as promptly after the Assets are divided but in any event no later than six months after receipt of the Breakup Notice, the Members shall take action to dissolve and liquidate the Company pursuant to the provisions of Article 10.

(c) For the avoidance of doubt, the provisions in this Section 4.8 shall not apply prior to the IPO Execution Date.

ARTICLE 5
INDEMNIFICATION

Section 5.1 No Liability of Members.

(a) Except as otherwise required by the Delaware Act, no Covered Person shall be obligated personally for any debt, obligation or liability of any Company Entity solely by reason of being a Covered Person.

(b) Except as otherwise expressly required by Law, a Member in its capacity as a Member shall have no liability in excess of: (i) the amount of its Capital Contributions to the Company, if any; (ii) its share of any assets and undistributed profits of the Company; (iii) its obligation to make other payments expressly provided for in this Agreement; and (iv) the amount of any distributions wrongfully distributed to it. No Member shall have any responsibility to restore any negative balance in its Capital Account or to contribute to or in respect of the liabilities or obligations of the Company or to return distributions made by the Company, except as expressly provided herein or required by any non-waivable provision of the Delaware Act. The agreement set forth in the preceding sentence shall be deemed to be a compromise with the consent of all of the Members for purposes of §18-502(b) of the Delaware Act. However, if any court of competent jurisdiction or properly constituted arbitration panel orders, holds or determines that, notwithstanding the provisions of this Agreement, any Member is obligated to restore any such negative balance, make any such contribution or make any such return, such obligation shall be the obligation of such Member and not of any other Person.

Section 5.2 Exculpation.

(a) No Covered Person shall be liable to any Company Entity or any other Covered Person for any loss, damage or Claim incurred by reason of any act or omission performed or omitted by such Covered Person on behalf of the Company Entities and in a manner reasonably believed to be within the scope of authority conferred on such Covered Person by this Agreement or a delegation of authority in accordance with this Agreement, except that (i) a Covered Person shall be liable for any such loss, damage or Claim incurred by reason of such Covered Person's fraud, bad faith or willful misconduct, (ii) a Covered Person that is a Member shall be liable for any such loss, damage or Claim incurred by reason of such Covered Person's willful breach of this Agreement and (iii) a Covered Person shall be liable for any such loss, damage or Claim incurred by reason of such Covered Person's breach of any of his/her duties to the Company as set forth in this Agreement, in each case, as established by a non-appealable court order, judgment, decree or decision or pursuant to a final and binding decision of an arbitration panel pursuant to Section 11.2.

(b) A Covered Person shall be fully protected in relying in good faith upon the records of the Company and upon such information, opinions, reports or statements presented to the Company by any Person as to matters the Covered Person reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company, including information, opinions, reports or statements as to the value and amount of the assets, liabilities, Profits, Losses or any other facts pertinent to the existence and amount of Assets from which distributions to the Members might properly be paid.

(c) Except as expressly set forth in Section 4.6, no Covered Person shall have any duties or liabilities, including fiduciary duties, to the Company or the Members, and the provisions of this Agreement, to the extent that they restrict, eliminate or otherwise modify the duties and liabilities, including fiduciary duties, of a Covered Person otherwise existing at Law or in equity or under the Delaware Act, are agreed by the Members to replace such other duties and liabilities of a Covered Person.

Section 5.3 Indemnification. To the fullest extent permitted by Law, the Company shall indemnify and hold harmless each Covered Person from and against all Liabilities actually incurred arising from or related to any act or omission performed or omitted by such Covered Person on behalf of each Company Entity, except that: (a) no Covered Person shall be entitled to be indemnified in respect of any Liability by reason of such Covered Person's fraud, bad faith or willful misconduct; (b) no Covered Person that is a Member shall be entitled to be indemnified in respect of any Liability by reason of such Covered Person's willful breach of this Agreement; and (c) no Covered Person that is an Officer shall be entitled to be indemnified in respect of any Liability by reason of such Covered Person's breach of any of his/her duties to any Company Entity as set forth in Section 4.6(c), in each case, as established by a non-appealable court order, judgment, decree or decision or pursuant to a final and binding decision of an arbitration panel pursuant to Section 11.2. Any indemnity under this Section 5.3 shall be provided out of and to the extent of the Assets only (including the proceeds of any insurance policy obtained pursuant to Section 5.5), and no Covered Person shall have any personal liability on account thereof. Any amendment, modification or repeal of this Section 5.3 or any provision in this Section 5.3 shall be prospective only and shall not in any way affect the rights of any Covered Person under this Section 5.3 as in effect immediately prior to such amendment, modification or repeal with respect to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when Liabilities relating to such matters may arise or be asserted.

Section 5.4 Expenses. To the fullest extent permitted by Law, expenses (including legal fees) incurred by a Covered Person in defending any Claim shall, from time to time, be advanced by the Company prior to the final and non-appealable disposition of such Claim upon demand of payment by a Covered Person and receipt by the Company of an undertaking by or on behalf of the Covered Person to repay such amounts if it is ultimately determined that the Covered Person is not entitled to be indemnified as authorized in Section 5.3.

Section 5.5 Insurance. The Company shall purchase and maintain (or reimburse its Affiliates for the cost of) certain insurance on behalf of the Covered Persons, the Company, its Affiliates and such other Persons as the Company may determine from time to time, insurance against any liability that may be asserted against or expense that may be incurred by such Person(s) in connection with the Company's activities or such Person's activities on behalf of the Company, regardless of whether the Company would have the power to indemnify such Person(s) against such liability under the provisions of this Agreement.

Section 5.6 Primary Obligation. The Company hereby acknowledges that the Covered Persons may have certain rights to indemnification, advancement of expenses and/or insurance provided by a Member and certain of its Affiliates (collectively, the "***Member Indemnitors***"). The Company hereby agrees (a) that it is the indemnitor of first resort (i.e., its obligations to the Covered Persons under Section 5.3 and Section 5.4 are primary and any obligation of the Member Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by the Covered Persons are secondary), (b) that it shall be required to advance the full amount of expenses incurred by the Covered Persons and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of Section 5.3 and Section 5.4 (or any other agreement between the Company and the Covered Person), without regard to any rights the Covered Person may have against the Member Indemnitors, and (c) that

the Company irrevocably waives, relinquishes and releases the Member Indemnitors from any and all Claims against the Member Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Company further agrees that no advancement or payment by the Member Indemnitors on behalf of a Covered Person with respect to any Claim for which the Covered Person has sought indemnification from the Company pursuant to Section 5.3 and Section 5.4 shall affect the foregoing, and the Member Indemnitors shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Covered Person against the Company. The Company agrees that the Member Indemnitors who are not Members are express Third Party beneficiaries of the terms of this Section 5.6.

Each Member shall timely provide, within 30 days of request, such information as requested by the Tax Preparation Member in order for the Company to properly complete and file such income tax returns and any other required reports and notifications. The Tax Preparation Member shall use commercially reasonable efforts to deliver to each Member as soon as applicable after the end of each Calendar Year, but in any event before March 31 of the subsequent year, an Internal Revenue Service Schedule K-1 together with such additional information as may be required by the Members (or their owners) in order to file their returns reflecting the Company's operations. The Company shall bear the costs of the preparation and filing of its tax returns. Any tax returns legally required to be signed by a Member shall be signed by the Tax Preparation Member.

Section 7.2 Tax Partnership. It is the intention of the Members that the Company be classified as a partnership for United States federal income tax purposes. Unless otherwise requiring the approval of the Board pursuant to Section 4.3, the Company shall not cause any Company Entity to make or cause to be made an election (i) to be excluded from the application of the provisions of subchapter K of chapter 1 of subtitle A of the Code or any similar provisions of applicable State Law or (ii) to be classified as other than a partnership or a disregarded entity pursuant to Treasury Regulations Section 301.7701-3.

Section 7.3 Tax Elections; Accounting Methods. The Tax Preparation Member shall establish, and shall be permitted to change at its discretion, all accounting methods and shall decide all tax issues concerning the Company Entities the determination of which is not otherwise provided for in this Agreement.

Section 7.4 Tax Matters Member and Partnership Representative.

(a) Subject to Section 7.4(b), the Tax Preparation Member shall be the Company's tax matters member (the "***Tax Matters Member***") pursuant to Section 6231(a)(7) of the Code as in effect prior to January 1, 2018 (Subchapter C of Chapter 63 of the Code as in effect prior to January 1, 2018 referred to as the "***Current Partnership Audit Rules***"). As the Tax Matters Member, the Tax Preparation Member shall have the same authority as a tax matters partner as defined in Section 6231(a)(7) of the Code and analogous provisions of State and local law. Each Member hereby approves of such designation, agrees and acknowledges that the Tax Matters Member may engage such professional advisors as it may deem appropriate in carrying out its duties as Tax Matters Member and agrees to execute such documents as may reasonably be necessary or appropriate to evidence such approval. The Tax Matters Member shall keep all Members informed of all administrative and judicial proceedings, as required by Code Section 6223(g), and shall furnish a copy of each notice or other communication from government taxing authorities received by the Tax Matters Member, except such notices or communications as are sent directly to such Member by the Internal Revenue Service. The Company shall pay or reimburse and be responsible for all reasonable third-party costs and expenses incurred by the Tax Matters Member and its Affiliates in performing those duties. The Company shall be responsible for any costs incurred by any Member with respect to any tax audit or tax-related administrative or judicial proceeding against such Member related to the Company. Without limiting the foregoing, the Tax Matters Member shall have the right to defend against any proposed adjustment by all appropriate proceedings, and consistent with Code Sections 6221 through 6233, each Member shall allow any proposed adjustment with respect to any "partnership item" (as defined in Code Section 6231(a)(3)) to be handled by the Tax Matters Member; *provided*, *however*, that any settlement, adjustment or compromise with respect to any Member shall require the written consent of such Member, which consent shall not be unreasonably withheld, conditioned or delayed. The Tax Matters Member and its respective officers, managers, employees and Representatives (collectively, the "***Tax Matters Member Indemnified Parties***" and, each individually, a "***Tax Matters Member Indemnified Party***") shall have no liability to any other Person (other than the Company and its Members) under the Formation Certificate, this Agreement or any applicable Law with respect to any action or omission taken or suffered by the Tax Matters Member in its capacity as such, except as otherwise expressly provided herein or required by applicable Law. Furthermore, no Tax Matters Member Indemnified Party will be liable, responsible or accountable in damages or otherwise to the Company or to any Member or any of their respective Affiliates or direct or indirect

equityholders for any act performed or omission within the scope of the authority conferred on the Tax Matters Member by this Agreement except for the gross negligence, willful misconduct, bad faith or fraud of the Tax Matters Member in carrying out its obligations hereunder. To the fullest extent permitted by applicable Law, in any threatened, pending or completed action, suit or proceeding, each Tax Matters Member Indemnified Party shall be fully protected and indemnified and held harmless by the Company against all damages actually incurred by such Tax Matters Indemnified Party in connection with such action, suit or proceeding by virtue of its status as a Tax Matters Member Indemnified Party or with respect to any action or omission taken or suffered by the Tax Matters Member in its capacity as such in good faith, other than damages resulting from the gross negligence, willful misconduct, bad faith or fraud of such Tax Matters Member Indemnified Party. No amendment to this Section 7.4 will impair the rights of any Person arising at any time with respect to events occurring prior to such amendment.

(b) The Tax Preparation Member shall be the Company's "partnership representative" pursuant to Section 6223(a) of the Code as amended by the Bipartisan Budget Act of 2015 (with the changes to Subchapter C of Chapter 63 of the Code as made by the Bipartisan Budget Act of 2015 referred to as the "***2015 Budget Act Partnership Audit Rules***") at such times as the 2015 Budget Act Partnership Audit Rules apply to the Company. The taking of any action and the incurring of any expense by the partnership representative in its role as partnership representative, except to the extent required by applicable Law, is a matter in the sole and absolute discretion of the partnership representative and the provisions relating to indemnification and reimbursement of the Tax Matters Member set forth in Section 7.4(a) shall be fully applicable to the partnership representative in its capacity as such. For all fiscal years or other applicable periods beginning on or after January 1, 2018, the Members shall continue to have the rights under Section 7.4(a) held during all fiscal years or other applicable periods ending before January 1, 2018. At the request of the partnership representative, the current and former Members shall provide the following information and documentation to the Company and the partnership representative to the extent that the 2015 Budget Act Partnership Audit Rules apply to the Company and its current or former Members:

(i) information and documentation reasonably necessary to determine and prove eligibility of the Company to elect out of the 2015 Budget Act Partnership Audit Rules;

(ii) information and documentation reasonably necessary to reduce the Company level assessment consistent with Section 6225(c) of the Code, as amended by the 2015 Budget Act Partnership Audit Rules; and

(iii) information and documentation reasonably necessary to prove payment of the attributable liability under Section 6226 of the Code, as amended by the 2015 Budget Act Partnership Audit Rules.

The obligations of each Member under this Section 7.4(b) shall survive such Member's withdrawal from the Company, and each Member shall execute such documentation requested by the Company at the time of such Member's withdrawal from the Company to acknowledge and confirm such Member's continuing obligations under this Section 7.4(b).

(c) Notwithstanding anything in this Section 7.4 to the contrary, neither the Tax Matters Member nor the Company's partnership representative shall take any action that would reasonably be expected to have an adverse effect on any Member without, first, disclosing such matter in writing to the affected Member(s) and, second, obtaining the written consent of each Member so affected, which consent shall not be unreasonably withheld, conditioned or delayed.

ARTICLE 8
TRANSFERS OF MEMBER INTEREST AND UNITS

Section 8.1 Transfers Generally.

(a) Each Transfer of a Member Interest and associated Units shall be subject to the terms of this Article 8. Any attempted Transfer of a Member Interest other than in compliance with this Article 8 shall be null and void and of no force or effect. Any Member that Transfers any of its Member Interest in accordance with the provisions of this Article 8 shall promptly provide written notice thereof to the Company and to the other Members. A Transferring Member shall, notwithstanding the Transfer, be liable to the Company and each other Member for its obligations accrued under this Agreement on or prior to the Transfer, but such Transferring Member shall be released from any other obligations thereafter accruing under this Agreement with respect to its Member Interest and associated Units being Transferred, except in the case of Permitted Transfers, in which case the Transferring Member shall remain liable, together with such Permitted Transferee, for all such obligations.

(b) No Member may voluntarily Transfer its Member Interests and associated Units except Transfers (i) made subsequent to the IPO Execution Date; (ii) made to Permitted Transferees of such Member; (iii) made prior to the IPO Execution Date as a Transferring Member in accordance with the provisions of Sections 8.2 and 8.4; or (iv) as are approved in advance in writing by the Board.

(c) Each Transfer must comply with the other provisions set forth in this Article 8 and meet the following conditions:

(i) No Transferee of any Member shall be a Competitor of the Company or the non-Transferring Member(s) without the consent of the Managers designated by such non-Transferring Member(s), such consent to be withheld in the sole discretion of the Managers designated by such non-Transferring Member(s).

(ii) The Transferor and Transferee shall have executed and delivered to the Company such documents and instruments of conveyance as may be reasonably necessary or appropriate to effect such Transfer. In the case of a Transfer that occurs involuntarily by operation of Law, the Transfer shall be confirmed by presentation to the Company of legal evidence of such Transfer, in form and substance reasonably satisfactory to counsel to the Company. In all cases, the Company shall be reimbursed by the Transferor or Transferee for all reasonable costs and expenses that it incurs in connection with such Transfer.

(iii) Such Transfer would not violate any applicable Laws.

(iv) Such Transfer would not cause any Company Entities to be required to register as an "investment company" or a company "controlled by" an "investment company", each within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations of the SEC thereunder.

(v) Such Transfer would not cause the Company to be taxed as an association taxable as a corporation for U.S. federal and applicable state income tax purposes.

(vi) Prior to the first anniversary of the Closing, the Transferee shall be a creditworthy third party (as determined by the Board in good faith) and agree to assume the indemnification obligations set forth in the Contribution Agreement.

Section 8.2 Rights of First Offer.

(a) Except for a Permitted Transfer, and subject to the restrictions contained in Section 8.1, prior to an IPO, in the event that a Member (a "***Transferring Member***") intends to Transfer all or a portion of its Member Interest ("***Offered Member Interest***") to a Third Party, then the Transferring Member shall deliver written notice ("***Sale Notice***") to each other Member (such Members, the "***Non-Transferring Members***").

(b) Within 30 days of the receipt of the Sale Notice by the Non-Transferring Members, each Non-Transferring Member shall have a right to make a first offer ("***Non-Transferring Member Offer***") to purchase (i) all, but not less than all, of its pro rata share (based on the ratio of such Member's Percentage Interest in the Company with respect to all such Non-Transferring Members) of the Offered Member Interest or (ii) such other amount as the Non-Transferring Members may otherwise unanimously agree in writing, *provided* that such offers, when taken together, offer to purchase 100% of the Offered Member Interest. Any such Non-Transferring Member Offer shall be in writing and shall contain the price and material terms on which the Non-Transferring Member proposes to purchase its pro rata share of the Offered Member Interest.

(c) If the Transferring Member does not receive offers to purchase 100% of the Offered Member Interest from the Non-Transferring Members within the 30-day period provided in Section 8.2(b), then the Transferring Member shall be free to direct the Transfer of the Offered Member Interest to a Third Party at a price and on terms and conditions acceptable to such Transferring Member during the 180-day period immediately following the expiration of such 30-day period.

(d) If the Transferring Member receives offers to purchase 100% of the Offered Member Interest within the 30-day period provided in Section 8.2(b), the Transferring Member shall consider all such Non-Transferring Member Offers in the aggregate and shall have 30 days following its receipt of the last transmitted Non-Transferring Member Offer to determine whether to accept or reject such offers in the aggregate.

(e) If the Non-Transferring Member Offers are accepted by the Transferring Member, then the Non-Transferring Members will have 90 days from such acceptance within which to close their respective purchases of the Offered Member Interest, subject to extension to the extent necessary to satisfy applicable regulatory approvals. Under such circumstances, the Transferring Member and the Non-Transferring Members shall negotiate in good faith the additional terms applicable to such purchase beyond those that were included in the Non-Transferring Member Offers.

(f) If the Transferring Member rejects the Non-Transferring Member Offers, then the Transferring Member may only direct the Transfer of the Offered Member Interest to a Third Party at a price, and on terms and conditions which, when taken as a whole, are superior (as determined by the Transferring Member in good faith) to the price and the terms and conditions offered by the Non-Transferring Members, taken as a whole, and then only during the 180-day period following such rejection, subject to extension to the extent necessary to satisfy applicable regulatory approvals. Under such circumstances, the Managers and Officers of the Company shall (i) permit potential purchasers selected by the Transferring Member, after executing a confidentiality agreement in such form as shall be determined by the Board, to conduct a due diligence review of the Company and its business, operations, prospects, assets, liabilities, financial condition, and results of operations, (ii) cooperate in allowing potential purchasers to visit the offices of the Company, and (iii) make available the Officers and technical personnel of the Company for the purpose of making presentations to such potential purchasers and answering questions posed by them, who shall provide reasonable cooperation during normal business hours and upon reasonable advance notice, and at such Transferring Member's sole cost and expense. After such 180-day period (as extended to satisfy regulatory approvals, to the extent applicable), any proposed Transfer shall once again be subject to the terms and conditions of this Section 8.2 to the extent provided herein.

(g) Any transferee acquiring Member Interests pursuant to this Section 8.2 shall be subject to the provisions of this Section 8.2 with respect to any subsequent Transfer of such Member Interests.

Section 8.3 Permitted Transferees. Subject to Section 8.1, any Member may Transfer any of its Member Interest to (a) any Affiliate or Subsidiary of such Member, (b) to any equity owner of such Member or a Subsidiary or Affiliate of such equity owner, and (c) in the case if such Member or its direct or indirect transferee is a natural person, to such Member's immediate family or a trust, family limited partnership or other estate planning vehicle established for the exclusive benefit of one or more members of such Member's immediate family (each of the transferees contemplated by this Section 8.3, a "***Permitted Transferee***" and each such Transfer, a "***Permitted Transfer***").

Section 8.4 Tag Along Rights.

(a) Other than a Permitted Transfer, prior to an IPO, in the event that a Member or any of its Permitted Transferees intends to Transfer its Member Interests (to the extent permitted under the other provisions of this Article 8) and no other Member has exercised its rights of first offer pursuant to Section 8.2, then such Member (the "***Tag-Along Member***") shall promptly give written notice (the "***Tag Sale Notice***") of such proposed Transfer (the "***Tag Sale***") to the non-Transferring Members and the Company. The Tag Sale Notice shall set forth (i) the number of Units to be Transferred and (ii) the terms and conditions of such proposed Transfer (and shall include copies of any written proposal or agreements related to the proposed Transfer), including the identity of the proposed transferee, the purchase price proposed to be paid for the Units subject to the Tag Sale and the payment terms and type of Transfer to be effectuated.

(b) Each Member shall have the right (such participation rights being herein referred to as "***Tag-Along Rights***"), exercisable by written notice (a "***Tag-Along Exercise Notice***") given to the Tag-Along Member and the Company within ten Business Days after receipt of the Tag Sale Notice by the Non-Transferring Members (the "***Tag-Along Exercise Period***"), to participate in the Tag-Along Sale. If a Member does not submit a Tag-Along Exercise Notice within the Tag-Along Exercise Period, such Member shall be deemed to have waived the right to participate in the Tag Sale.

(c) If any Members submit a Tag-Along Exercise Notice within the Tag-Along Exercise Period (a "***Tag-Along Exercising Member***"), then the Tag-Along Member shall use its reasonable best efforts to include in the Tag Sale all of the Units that the Tag-Along Exercising Members have requested to have included pursuant to the applicable Tag-Along Exercise Notices, it being understood that the proposed transferee shall not be required to purchase Units in excess of the number set forth in the Tag Sale Notice. In the event the proposed transferee elects to purchase less than all of the Units sought to be sold by the Tag-Along Exercising Members, the number of Units to be sold to the proposed transferee by the Tag-Along Member and each Tag-Along Exercising Member shall be reduced pro rata so that each such Member is entitled to sell its Tag Along Share of the number of Units the proposed transferee elects to purchase (which in no event may be less than the number of Units set forth in the Tag Sale Notice) on the same terms and conditions set forth in the Tag Sale Notice.

(d) If there is no Tag-Along Exercising Member, then the Tag-Along Member may Transfer its Units to the transferee identified in the Tag Sale Notice on the terms and conditions set forth in the Tag Sale Notice, subject to the other provisions of this Agreement; *provided*, *however*, if such Transfer has not been consummated within 60 days of the date of the Tag Sale Notice, then the Transferring Member will be required to again comply with the procedures set forth in this Section 8.4.

(e) In connection with a Tag Sale, each Tag-Along Member, Tag-Along Exercising Member or Transferee shall execute such documents, and make such representations and warranties (on a several and not joint basis), covenants and indemnities, as are executed and made by such other Members participating in the Tag-Along Sale; *provided*, *however*, that any such indemnification or similar obligations will be apportioned pro rata among the Members based on the proceeds received from them, other than with respect to representations made individually by a Member. At the request of the Transferee, all or a portion of the purchase price payable to a Tag-Along Member may be held back in an escrow account for the purpose of satisfying such Tag-Along Member's obligations under the applicable documents, including indemnity obligations. In connection with a Tag-Along Sale, each participating Member will also (A) consent to and raise no objections against the Tag-Along Sale or the process pursuant to which the Tag-Along Sale was arranged, (B) waive any dissenter's rights and other similar rights, (C) take all actions reasonably required or desirable or requested by the Tag-Along Member to consummate such Tag-Along Sale, (D) comply with the terms of the documentation relating to such Tag-Along Sale and (E) use commercially reasonable efforts to cause any Manager designated to the Board by such Member to facilitate and take, and cause the Company to facilitate and take, the actions described in the foregoing clauses (A) through (D).

(f) Each of the Transferring Member, Tag-Along Exercising Member and Transferee shall bear their own costs and expenses related to the Tag Sale.

Section 8.5 Preemptive Rights.

(a) Subject to and without limiting the other applicable provisions of this Agreement, should the Company determine to issue and sell any New Interests prior to an IPO, then each Member shall have the right to purchase up to such Member's pro rata share of such New Interests (such purchase rights, the "***Preemptive Rights***").

(b) In the event that the Company proposes to issue or sell New Interests, the Company shall notify each Member in writing within 30 days of the proposed issuance and sale of New Interests (the "***New Interests Notice***"). Each New Interests Notice shall set forth: (i) the number of New Interests proposed to be issued or sold by the Company and their purchase price; (ii) such Member's pro rata portion of New Interests and (iii) any other material term, including any applicable regulatory requirements and, if known, the expected date of consummation of the issuance and sale of the New Interests (which date, in any event shall be no earlier than 30 days following the date of delivery of the New Interests Notice).

(c) Each Member shall be entitled to exercise its Preemptive Right to purchase such New Interests by delivering an irrevocable written notice to the Company within 20 days from the date of receipt of any New Interests Notice specifying the number of New Interests to be subscribed, which in any event can be no greater than such Member's pro rata portion of such New Interests, at the price and on the terms and conditions specified in the New Interests Notice.

(d) Each Member exercising its right to purchase its entire pro rata portion of New Interests being issued (each a "***Subscribing Member***") shall have a right of over-allotment such that if any other Member fails to exercise its Preemptive Right to purchase its entire pro rata portion of New Interests (each, a "***Non-Subscribing Member***", including any Member that fails to exercise its right to purchase its entire pro rata share of Remaining New Interests, as described below), such Subscribing Member may purchase its pro rata share, based on the relative percentage ownership of the Units then owned by the Subscribing Members, of those New Interests in respect to which the Non-Subscribing Members have not exercised their Preemptive Right (the "***Remaining New Interests***") by giving written notice to the Company within three Business Days from the date that the Company provides written notice of the amount of New Interests as to which such Non-Subscribing Members have failed to exercise their rights thereunder. The Company shall reoffer any Remaining New Interests to the Members in successive rounds (without regard to the time periods specified in the foregoing provisions) until such time as the Members have collectively agreed to purchase all of the New Interests being issued or all of the Members are Non-Subscribing Members in the last round of offers.

(e) If the Members do not elect within the applicable notice periods described above to exercise their Preemptive Rights with respect to any of the New Interests proposed to be sold by the Company, the Company shall have 60 days after the expiration of all such notice periods to sell or to enter into an agreement to sell such unsubscribed New Interests proposed to be sold by the Company, at a price and on terms no more favorable to the purchaser than those offered to the Members pursuant to this Section 8.5.

(f) For purposes of this Section 8.5, the members of a Founding Member Group shall be free to allocate Preemptive Rights among the members of such Founding Member Group (even if such allocation and apportionment is not strictly pro rata among such members) so long as the aggregate amount of New Interests for which the members of the Founding Member Group exercise Preemptive Rights does not exceed the aggregate pro rata share (based on Percentage Interest of Units) of New Interests for which such Founding Member Group may exercise Preemptive Rights.

Section 8.6 Encumbrances by Members. Prior to an IPO, no Member shall be permitted to directly or indirectly Encumber all or any portion of its Member Interest and/or associated Units unless approved in advance by the Board.

Section 8.7 Admission of Substitute Members. Subject to Section 8.1(a), upon compliance with all of the provisions of this Agreement regarding Transfers and, to the extent such transferee is not already a Member of the Company, the delivery to the Company by such transferee of an executed addendum agreement in the form attached as Exhibit D (an "***Addendum Agreement***"), then (a) such Transferee shall be deemed to be a party hereto as if such Transferee were the Transferor and such Transferee's signature appeared on the signature pages of this Agreement, and shall be deemed to be a Substitute Member and (b) the applicable transferor shall thereafter cease to be a Member to the extent of the Member Interest and associated Units Transferred by such Transferor.

Section 8.8 Admission of Additional Members. Subject to Section 8.5, the Company may admit an Additional Member by issuing a Member Interest and associated Authorized Units to such Additional Member. Subject to compliance with the foregoing sentence, such Additional Member shall be admitted to the Company with all the rights and obligations of a Member if such Additional Member shall have executed and delivered to the Company (i) an Addendum Agreement and (ii) such other documents or instruments as may be required in the Board's reasonable judgment to effect the admission. No issuance of a Member Interest and associated Authorized Units otherwise permitted or required by this Agreement shall be effective, and no purchaser of any such issued Member Interest and associated Authorized Units from the Company shall be deemed to be a Member, if the foregoing conditions are not satisfied.

Section 8.9 Rights and Obligations of Additional Members and Substitute Members.

(a) A transferee of a Member Interest and associated Units that has been admitted as a Substitute Member in accordance with Section 8.7 or a purchaser of any newly issued Member Interest and associated Authorized Units from the Company that has been admitted as an Additional Member in accordance with Section 8.8, in each case, shall have all the rights and powers and be subject to all the restrictions and Liabilities under this Agreement relating to a Member holding a Member Interest and associated Authorized Units.

(b) Admission of an Additional Member or Substitute Member shall become effective on the date such Person's name is recorded in the Member Schedule and on the other books and records of the Company. Upon the admission of an Additional Member or Substitute Member, the Company shall, without the consent of any other Person, revise the Member Schedule to (i) reflect the name and address of, Member Interest of, number of associated Units held by and Percentage Interest in the Company of such Additional Member or Substitute Member, (ii) eliminate or adjust, if necessary, the name, address, the Member Interest, associated Units of and Percentage Interest in the Company of the predecessor of such Substitute Member, and (iii) adjust the Percentage Interests in the Company of each other Member, if applicable.

Section 8.10 No Other Persons Deemed Members. Unless admitted to the Company as a Member as provided in this Agreement, no Person (including an assignee of rights with respect to a Member Interest and associated Units or a transferee of a Member Interest and associated Units, whether voluntary, by operation of Law or otherwise) shall be, or shall be considered, a Member. The Company may elect to deal only with Persons admitted to the Company as Members as provided in this Agreement (including their duly authorized representatives). Any distribution by the Company to the Person shown on the Member Schedule as a Member, or to its legal representatives, shall relieve the Company of all Liability to any other Person who may have an interest in such distribution by reason of any Transfer by the Member or for any other reason.

Section 8.11 Public Offering.

(a) It is hereby acknowledged and agreed that it is the express intent of the Company and the Members to effect an initial public offering (***"IPO"***) of the Company or an entity that directly or indirectly owns, or will be formed to directly or indirectly own, the Assets (as applicable, the ***"IPO Entity"***) as soon as practicable following the Execution Date, and each of the Members and the Company shall use reasonable best efforts to consummate an IPO as soon as practicable following the Execution Date, but in any event no later than December 31, 2018 or, if a Registration Statement on Form S-1 is on file with the SEC and one of the Members desires to progress towards an IPO, June 30, 2019 (the "***IPO Execution Date***").

(b) The Members shall cooperate in good faith to agree upon the form and structure of the IPO Entity, using reasonable best efforts to, among other things, (i) amend the governing documents of the Company Entities as reasonably necessary or appropriate to facilitate the IPO, and (ii) effect the IPO in a tax efficient manner, with no Member being required to recognize taxable gain in connection with such IPO unless such Member elects to do so. The Company and each Member shall use their respective reasonable best efforts to provide such assistance to the IPO Entity that is reasonably and customarily required in order to consummate the IPO.

(c) If, in connection with such IPO, the Board determines that it is advisable to have the Members convert or exchange their Member Interests (the "***IPO Exchange***") into equity securities of the IPO Entity (the "***IPO Securities***") in one or a series of transactions, each Member shall participate in such an exchange. IPO Securities issued in connection with any IPO Exchange may or may not include, in whole or in part, equity securities of the IPO Entity of the same class or series as the securities of the IPO Entity proposed to be offered to the public in the IPO.

(d) Each Member shall sell any fractional IPO Securities owned by such Member (after taking into account all IPO Securities held by such Member) to the IPO Entity, upon the request of the Company in connection with or in anticipation of the consummation of the IPO, for cash consideration equal to the Fair Market Value of such fractional securities.

(e) Prior to the consummation of the IPO, the IPO Entity shall enter into a registration rights agreement with the Members containing customary terms and conditions, in form and substance reasonably satisfactory to the Members, regarding registration, demand and piggyback rights with respect to such Member's IPO Securities. If the managing underwriter or the placement agent advises the Company that the inclusion of securities of the Members requested to be included for sale in a secondary offering in connection with the IPO would materially and adversely affect the price, distribution or timing of the offering, then the Company shall have the right to exclude all or any portion of such securities of the Members from sale in connection with the IPO, with such exclusions applied to the Members' pro rata share (based on the relative Percentage Interests of Units held by such Members immediately prior to the IPO).

(f) The Company shall be responsible for its own costs, fees and expenses in connection with an IPO and shall reimburse the Members for the reasonable out-of-pocket costs, fees and expenses (excluding underwriting discounts, selling commissions and similar fees) incurred by them in connection with an IPO, including the reasonable costs, fees and expenses of one outside counsel for each Founding Member Group.

ARTICLE 9
ALLOCATIONS AND DISTRIBUTIONS

Section 9.1 Distributions to Members.

(a) Operating Distributions. Within 30 days of the end of each Calendar Quarter, the Board, following consultation with other appropriate Officers of the Company, shall determine the Company's Available Cash for such Calendar Quarter. Subject to Section 4.3(a)(xvi), Available Cash as determined in accordance with this Agreement will be distributed to Members within 45 days of the end of each Calendar Quarter, pro rata in accordance with such Members' respective Percentage Interests on the date of distribution.

(b) Limitations on Distributions. Each distribution in respect of a Unit shall be paid by the Company only to the holder of record of such Unit as of the record date set for such distribution. Such payment shall constitute full payment and satisfaction of the Company's liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise. Notwithstanding any provision to the contrary contained in this Agreement, neither the Company nor the Board, on behalf of the Company, shall be required or permitted to make a distribution to any Person in violation of the Delaware Act or other applicable Law. Any distributions pursuant to this Section 9.1 made in error or in violation of Sections 18-607 or 18-804 of the Delaware Act, will, upon demand by the Board, be returned to the Company.

(c) Withholding.

(i) All amounts withheld pursuant to the Code or any provision of any foreign, State or local tax Law or treaty with respect to any payment, distribution or allocation to the Company or the Members shall be treated as amounts distributed to the Members pursuant to this Section 9.1 for all purposes of this Agreement. The Company is authorized to withhold from distributions, or with respect to allocations, to the Members and to pay over to any Federal, foreign, State or local government any amounts required to be so withheld pursuant to the Code or any provision of any other Federal, foreign, State or local Law or treaty and shall allocate such amounts to those Members with respect to which such amounts were withheld.

(ii) To the extent that any tax is paid by the Company and such tax relates (except as set forth in the following sentence, as determined by the Tax Preparation Member) to one or more specific Members, including any tax payable by the Company pursuant to Section 6225 of the Code with respect to items of income, gain, loss deduction or credit allocable or attributable to such Member, the payment provisions of Section 9.1(c)(iii) shall apply. If the Company makes any payments it is required to make under the 2015 Budget Act Partnership Audit Rules, the Tax Preparation Member shall reasonably allocate any such payment among the current or former Members of the Company for the "reviewed year" to which the payment relates in a manner that reflects the current and former Members' respective interests in the Company for that year and any other factors taken into account in determining the amount of the payment.

(iii) To the extent any payment described in Section 9.1(c)(ii) is made by the Company with respect to a current Member, such amount shall, at the election of the Board, (i) be applied to and reduce the next distribution(s) otherwise payable to that Member under this Agreement or (ii) be paid by that Member to the Company within 30 days of written notice from the Tax Preparation Member requesting payment. To the extent any payment described in Section 9.1(c)(ii) is made with respect to a former Member, that Member agrees to pay over to the Company an amount equal to the amount of such payment made with respect to it promptly upon receipt of notice from the Company itemizing the payment and summarizing the manner in which the payment was computed. Any amounts a current or former Member is required to pay to the Company pursuant to the two preceding sentences shall, if not timely paid, be treated as a loan by the Company to such Member, which loan shall be subject to interest at a rate equal to the Default Rate; provided, however, that any such payment shall not be treated as a Capital Contribution and shall not reduce the amount that a Member is otherwise obligated to contribute to the Company.

(iv) The provisions contained in this Section 9.1(c) shall survive the dissolution of the Company and the withdrawal of any Member or the transfer of any Member's interest in the Company and shall apply to any current or former Member.

(d) Tax Distributions.

(i) Notwithstanding Section 9.1(a), within 90 days after the end of each taxable year of the Company, and (A) assuming (1) the Company has taxable income for such taxable year and (2) the Company has sufficient working capital (as reasonably determined by the Board), after taking into account payments contemplated by the then-current Initial Strategic Plan or Annual Plan, to make the distributions contemplated hereby, and (B) subject to limitations on such distributions contained in any credit facility or other agreement to which the Company is a party, cash distributions shall be made to each Member in the positive amount equal to the difference between X and Y, where:

"**X**" is the sum of (I) such Member's tax liability arising solely in respect of its ownership of a Member Interest for such taxable year (which tax liability, for the purposes of this Section 9.1(d), shall be calculated to equal the product of (1) such Member's share of the Company's taxable income for such taxable year, as reflected in such Member's K-1 from the Company for such taxable year (including for such purpose such Member's share of any separately stated items such as depletion and gain or loss from the sale of oil and gas property), multiplied by (2) the combined maximum federal and applicable state and local income tax rates applicable to individual taxpayers in New York, New York, taking into account, if applicable, the deduction of state and local income taxes for federal income tax purposes and whether any portion of such taxable income qualifies for the reduced rates applicable to long term capital gains), plus (II) the sum of all tax liabilities of such Member (calculated as provided in (I)) for all prior taxable years since the formation of the Company; and

"**Y**" is the sum of all distributions made by the Company to such Member pursuant to Section 9.1(a) and this Section 9.1(d) as of the end of the taxable year for which the calculation in "X"(I) is being made since the formation of the Company.

(ii) Notwithstanding Section 9.1(d)(i), if a Member is allocated net losses or net deductions pursuant to Section 9.2 during any taxable year, such net losses or net deductions shall be carried forward and shall reduce the taxable income (as calculated in Section 9.1(d)(i)) of such Member in succeeding taxable years, until such allocated net losses and net deductions have been reduced to zero.

(iii) The Company shall make an additional distribution (the "***Tax True-up Distribution***") to the Members who received distributions pursuant to this Section 9.1(d) to the minimum extent required in order that the aggregate amounts distributed to each such Member (or the successor to all or a portion of such Member's Membership Interest) pursuant to this Section 9.1(d) for the relevant period is pro rata in proportion to such Member's Percentage Interest, as in effect during the relevant period.

(iv) The aggregate amount of distributions made by the Company to a Member pursuant to Section 9.1(d)(i) shall be deemed the "***Advance Amount***". If the Board authorizes a distribution to the Members pursuant to Section 9.1(a) and at such time a Member's Advance Amount is positive, (A) the Company shall be entitled to withhold such Member's distribution up to an amount equal to the Advance Amount (with such Advance Amount being reduced by the amount so withheld) and (B) the Company shall be entitled to distribute such withheld amount to the Members (after also applying clause (A) to those Members having positive Advance Amounts) so that, to the maximum extent possible, each Member shall have received the amount of distributions that such Member would have received since formation of the Company if no distributions had been made under this Section 9.1(d).

(v) If, upon dissolution of the Company, any Member has a positive Advance Amount, such Member shall make a Capital Contribution to the Company in an amount equal to the Advance Amount. Any Capital Contribution made by a Member pursuant to this Section 9.1(d)(v) shall be distributed to the Members in such a manner so that each Member has received the amount of distributions that such Member would have received since the formation of the Company if no distributions had been made under this Section 9.1(d).

Section 9.2 Allocations.

(a) Allocation of Profits and Losses. Profits and Losses (and items thereof) shall be allocated to the Members in proportion to their relative Percentage Interests.

(b) Special Allocations. The following allocations shall be made in the following order:

(i) Nonrecourse Deductions shall be allocated to the Members as determined by the Board, to the extent permitted by the Treasury Regulations.

(ii) Member Nonrecourse Deductions attributable to Member Nonrecourse Debt shall be allocated to the Members bearing the Economic Risk of Loss for such Member Nonrecourse Debt as determined under Treasury Regulation Section 1.704-2(b)(4). If more than one Member bears the Economic Risk of Loss for such Member Nonrecourse Debt, the Member Nonrecourse Deductions attributable to such Member Nonrecourse Debt shall be allocated among the Members according to the ratio in which they bear the Economic Risk of Loss. This Section 9.2(b)(ii) is intended to comply with the provisions of Treasury Regulation Section 1.704-2(i) and shall be interpreted consistently therewith.

(iii) Notwithstanding any other provision hereof to the contrary, if there is a net decrease in Minimum Gain for an Allocation Period (or if there was a net decrease in Minimum Gain for a prior Allocation Period and the Company did not have sufficient amounts of income and gain during prior periods to allocate among the Members under this Section 9.2(b)(iii)), items of income and gain shall be allocated to each Member in an amount equal to such Member's share of the net decrease in such Minimum Gain (as determined pursuant to Treasury Regulation Section 1.704-2(g)(2)). This Section 9.2(b)(iii) is intended to constitute a minimum gain chargeback under Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(iv) Notwithstanding any provision hereof to the contrary except Section 9.2(b)(iii) (dealing with Minimum Gain), if there is a net decrease in Member Nonrecourse Debt Minimum Gain for an Allocation Period (or if there was a net decrease in Member Nonrecourse Debt Minimum Gain for a prior Allocation Period and the Company did not have sufficient amounts of income and gain during prior periods to allocate among the Members under this Section 9.2(b)(iv)), items of income and gain shall be allocated to each Member in an amount equal to such Member's share of the net decrease in Member Nonrecourse Debt Minimum Gain (as determined pursuant to Treasury Regulation Section 1.704-2(i)(4)). This Section 9.2(b)(iv) is intended to constitute a partner nonrecourse debt minimum gain chargeback under Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(v) Notwithstanding any provision hereof to the contrary except Sections 9.2(b)(i) and 9.2(b)(ii), no Losses or other items of loss or expense shall be allocated to any Member to the extent that such allocation would cause such Member to have a deficit balance in its Adjusted Capital Account (or increase any existing deficit balance in its Adjusted Capital Account) at the end of such Allocation Period. All Losses and other items of loss and expense in excess of the limitation set forth in this Section 9.2(b)(v) shall be allocated to the Members who do not have a deficit balance in their Adjusted Capital Accounts in proportion to their relative positive Adjusted Capital Accounts but only to the extent that such Losses and other items of loss and expense do not cause any such Member to have a deficit in its Adjusted Capital Account.

(vi) Notwithstanding any provision hereof to the contrary except Sections 9.2(b)(iii) and 9.2(b)(iv), a Member who unexpectedly receives an adjustment, allocation or distribution described in Treasury Regulation Section 1.704-1(b)(2)(ii)(d)(4), (5) or (6) shall be allocated items of income and gain (consisting of a pro rata portion of each item of income, including gross income, and gain for the Allocation Period) in an amount and manner sufficient to eliminate any deficit balance in such Member's Adjusted Capital Account as quickly as possible; *provided*, *however*, that an allocation pursuant to this Section 9.2(b)(vi) shall be made only if and to the extent that such Member would have a deficit Adjusted Capital Account balance after all other allocations provided for in this Section 9.2 have been tentatively made as if this Section 9.2(b)(vi) were not in this Agreement. This Section 9.2(b)(vi) is intended to constitute a qualified income offset under Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

(vii) In the event that any Member has a deficit balance in its Adjusted Capital Account at the end of any Allocation Period, such Member shall be allocated items of Company gross income, gain and Simulated Gain in the amount of such deficit as quickly as possible; *provided*, *however*, that an allocation pursuant to this Section 9.2(b)(vii) shall be made only if and to the extent that such Member would have a deficit balance in its Capital Account after all other allocations provided for in this Section 9.2 have been tentatively made as if Section 9.2(b)(vi) and this Section 9.2(b)(vii) were not in this Agreement.

(viii) To the extent an adjustment to the adjusted tax basis of any Company properties pursuant to Section 734(b) of the Code (including any such adjustments pursuant to Treasury Regulation Section 1.734-2(b)(1)) is required pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m)(2) or 1.704-1(b)(2)(iv)(m)(4) to be taken into account in determining Capital Accounts as the result of a distribution to any Member in complete liquidation of such Member's Units, the amount of such adjustment to Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be allocated to the Members in accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(m)(2) if such Treasury Regulation Section applies, or to the Member to whom such distribution was made if Treasury Regulation Section 1.704-1(b)(2)(iv)(m)(4) applies.

(ix) Simulated Depletion for each Depletable Property, and Simulated Loss upon the disposition of a Depletable Property, shall be allocated among the Members in proportion to their shares of the Simulated Basis in such property.

(c) Income Tax Allocations.

(i) All items of income, gain, loss and deduction for U.S. federal income tax purposes shall be allocated in the same manner as the corresponding item is allocated pursuant to Section 9.2(a) or 9.2(b), except as otherwise provided in this Section 9.2(c) or Section 9.2(d).

(ii) In accordance with the principles of Code Section 704(c) and the Treasury Regulations thereunder, income, gain, deduction and loss with respect to any property contributed to the capital of the Company shall, except as provided in Section 9.2(d) with respect to Depletable Properties, solely for U.S. federal income tax purposes, be allocated among the Members in order to account for any such difference using the "traditional method" under Treasury Regulation Section 1.704-3(b).

(iii) In accordance with the principles of Code Section 704(c) and the Treasury Regulations thereunder, income, gain, deduction and loss with respect to any property the Book Value of which is adjusted pursuant to Treasury Regulation Sections 1.704-1(b)(2)(iv)(e) or (f) shall, solely for U.S. federal income tax purposes, be allocated among the Members in order to account for any difference between such property's adjusted U.S. federal income tax basis and such property's Book Value using any reasonable method selected by the Board.

(iv) Any (A) recapture of depreciation or any other item of deduction shall be allocated, in accordance with Treasury Regulation Sections 1.1245-1(e) and 1.1254-5, to the Members who received the benefit of such deductions (taking into account the effect of remedial allocations), and (B) recapture of grants or credits shall be allocated to the Members in accordance with applicable Law.

(v) Tax credits of the Company shall be allocated among the Members as provided in Treasury Regulation Sections 1.704-1(b)(4)(ii) and 1.704-1(b)(4)(viii).

(vi) Allocations pursuant to this Section 9.2(c) are solely for purposes of U.S. federal, state, and local taxes and, except as otherwise specifically provided, shall not affect, or in any way be taken into account in computing, any Member's Capital Account or share of Profits, Losses, other items or distributions pursuant to any provision of this Agreement.

(vii) If, as a result of an exercise of a noncompensatory option to acquire an interest in the Company, a Capital Account reallocation is required under Treasury Regulation Section 1.704-1(b)(2)(iv)(s)(3), the Company shall make corrective allocations pursuant to Treasury Regulation Section 1.704-1(b)(4)(x).

(d) Income Tax Allocations with Respect to Depletable Properties.

(i) Cost and percentage depletion deductions with respect to any Depletable Property shall be computed separately by the Members rather than the Company. For purposes of such computations, the U.S. federal income tax basis of each Depletable Property shall be allocated to Members in proportion to each Member's contribution to the adjusted basis of such Depletable Property. For the avoidance of doubt, U.S. federal income tax basis of each Depletable Property that is a Linn Asset shall be allocated to LEH, and the U.S. federal income tax basis of each Depletable Property that is a Citizen Asset shall be allocated to Citizen. The Company shall inform each Member of such Member's allocable share of the U.S. federal income tax basis of each Depletable Property promptly following the acquisition of such Depletable Property by the Company or any adjustment resulting from expenditures required to be capitalized in such basis.

(ii) For purposes of the separate computation of gain or loss by each Member on the taxable disposition of Depletable Property, the amount realized from such disposition shall be allocated (A) first, to the Members in an amount equal to the Simulated Basis in such Depletable Property in proportion to their allocable shares thereof and (B) second, any remaining amount realized shall be allocated consistent with the allocation of Simulated Gains.

(iii) The allocations described in this Section 9.2(d) are intended to be applied in accordance with the Members' "interests in partnership capital" under Section 613A(c)(7)(D) of the Code. The provisions of this Section 9.2(d)(iii) and the other provisions of this Agreement relating to allocations under Code Section 613A(c)(7)(D) are intended to comply with Treasury Regulation Section 1.704-1(b)(4)(v) and shall be interpreted and applied in a manner consistent with such Treasury Regulations.

(iv) Each Member, with the assistance of the Company, shall separately keep records of its share of the adjusted tax basis in each Depletable Property, adjust such share of the adjusted tax basis for any cost or percentage depletion allowable with respect to such property and use such adjusted tax basis in the computation of its cost depletion or in the computation of its gain or loss on the disposition of such property by the Company. Upon the reasonable request of the Company, each Member shall advise the Company of its adjusted tax basis in each Depletable Property and any depletion computed with respect thereto, both as computed in accordance with the provisions of this Section 9.2(d)(iv) for purposes of allowing the Company to make adjustments to the tax basis of its assets as a result of certain transfers of interests in the Company or distributions by the Company. The Company may rely on such information and, if it is not *provided* by the Member, may make such reasonable assumptions as it shall determine with respect thereto.

(e) Other Allocation Rules.

(i) All items of income, gain, loss, deduction and credit allocable to an interest in the Company that may have been Transferred shall be allocated between the Transferor and the Transferee based on the portion of the Fiscal Year during which each was recognized as the owner of such interest, without regard to the results of Company operations during any particular portion of that year and without regard to whether cash distributions were made to the Transferor or the Transferee during that year; *provided*, *however*, that any allocation must be made in accordance with a method permissible under Code Section 706 and the Treasury Regulations thereunder.

(ii) The Members' proportionate shares of the "excess nonrecourse liabilities" of the Company, within the meaning of Treasury Regulation Section 1.752-3(a)(3), shall be allocated to the Members in any manner determined by the Board and permissible under the Treasury Regulations.

(iii) The definition of Capital Account set forth in Section 3.6 and the allocations set forth in Section 9.2 are intended to comply with the Treasury Regulations. If the Board determines that the determination of a Member's Capital Account or the allocations to a Member are not in compliance with the Treasury Regulations, the Board is authorized to make any appropriate adjustments.

ARTICLE 10
DISSOLUTION; WINDING UP AND TERMINATION

Section 10.1 Causes of Dissolution, Winding Up and Termination. The Company shall be dissolved and its affairs wound up only upon the earlier to occur of the following events:

(a) a Breakup pursuant to Section 4.8(b);

(b) an election to dissolve the Company by the unanimous consent of the Board;

(c) the entry of a decree of judicial dissolution of the Company pursuant to the provisions of the Delaware Act; or

(d) at any time there are no Members, unless the Company is continued without dissolution in accordance with the Delaware Act.

For the avoidance of doubt, the Bankruptcy or dissolution of any Member or Affiliate of any Member or the occurrence of any other event that terminates the continued membership of any Member shall not cause the Company to be dissolved or its affairs to be wound up, and upon the occurrence of any such event, the Company shall be continued without dissolution.

Section 10.2 Notice of Dissolution. Upon the dissolution of the Company, the Board shall promptly notify each Member of such dissolution.

Section 10.3 Liquidation. Upon dissolution of the Company, the Board shall carry out the winding up of the Company and shall immediately commence to wind up such affairs; *provided, however*, that a reasonable time shall be allowed for the orderly liquidation of the Assets and the satisfaction of liabilities to creditors so as to enable the Members to minimize the normal losses attendant upon a liquidation. The proceeds of liquidation shall be applied first to payment of all expenses and debts of the Company and setting up of such reserves as the Board reasonably deems necessary to wind up the Company's affairs and to provide for any contingent liabilities or obligations of the Company. Any remaining proceeds shall be distributed to the Members in accordance with their respective Percentage Interests in the Company.

Section 10.4 Termination. The Company shall terminate when all of the Assets, after payment of or due provision for all debts, liabilities and obligations of the Company, shall have been distributed to the Members in the manner provided for in this Article 10 and the Formation Certificate shall have been canceled, or such other documents required under the Delaware Act to be executed and filed with the Secretary of State of the State of Delaware have been so executed and filed, in the manner required by the Delaware Act.

Section 10.5 No Obligation to Restore Capital Accounts. In the event any Member has a deficit balance in any of its Capital Accounts at the time of the Company's dissolution, it shall not be required to restore such account to a positive balance or otherwise make any payments to the Company or its creditors or other Third Parties in respect of such deficiency.

ARTICLE 11
GOVERNING LAW; DISPUTE RESOLUTION

Section 11.1 Governing Law. THIS AGREEMENT AND THE LEGAL RELATIONS AMONG THE PARTIES SHALL BE GOVERNED AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICTS OF LAW RULE OR PRINCIPLE THAT MIGHT REFER CONSTRUCTION OF SUCH PROVISIONS TO THE LAWS OF ANOTHER JURISDICTION. SUBJECT TO SECTION 11.2, IN RESPECT OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, EACH OF THE PARTIES HERETO CONSENTS TO THE EXCLUSIVE JURISDICTION AND VENUE OF ANY FEDERAL OR STATE COURT LOCATED WITHIN HARRIS COUNTY, TEXAS, AND WAIVES ANY OBJECTION TO JURISDICTION OR VENUE OF, AND WAIVES ANY MOTION TO TRANSFER VENUE FROM, ANY OF THE AFORESAID COURTS. EACH PARTY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY DISPUTE.

Section 11.2 Dispute Resolution. Other than the provisions regarding a Deadlock set forth in Section 4.8, which shall be resolved in accordance with the provisions set forth in Section 4.8, all Claims and controversies, in each case, arising out of or relating to this Agreement, shall be determined and resolved in accordance with the following procedures:

(a) Covered Disputes. Any Claim among the Members or their respective Affiliates arising out of or relating to this Agreement, including the meaning of its provisions, or the proper performance of any of its terms, its breach, termination or invalidity (each, a "***Dispute***") shall be resolved in accordance with the procedures specified in this Section 11.2, which shall be the sole and exclusive procedure for the resolution of any such Dispute, except that any Party, without prejudice to the following procedures, may file a complaint to seek preliminary injunctive or other provisional judicial relief, if in its sole judgment, that action is necessary to avoid irreparable damage or to preserve the status quo. Despite that action the Parties will continue to participate in good faith in the procedures specified in this Section 11.2.

(b) Initial Mediation. In the event of a Dispute, and prior to proceeding to arbitration pursuant to Section 11.2(c), the Parties must submit the Dispute to any mutually agreed mediation service for mediation by providing to the mediation service a joint, written request for mediation, setting forth the subject of the Dispute and the relief requested. The Dispute shall be mediated in Oklahoma City, Oklahoma within 30 days from the date that a written request for mediation is made by any Party, and the mediation shall be conducted before a single mediator to be agreed upon by the Parties. If the Parties cannot agree on the mediator, each Party shall select a mediator and the mediators so selected shall together unanimously select a neutral mediator who will conduct the mediation. The Parties shall cooperate with the mediation service and with one another in scheduling the mediation proceedings. The Parties covenant that they will use commercially reasonable efforts in participating in the mediation. The Parties agree that the mediator's fees and expenses and the costs incidental to the mediation will be shared equally by the Parties. The Parties further agree that all offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the Parties, their agents, employees, experts, and attorneys, and by the mediator and any employees of the mediation service, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any litigation, arbitration or other proceeding involving the Parties, *provided* that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. The decision of the mediator shall be non-binding on the Parties.

(c) Arbitration as a Final Resort. Any Dispute that is not resolved by mediation pursuant to Section 11.2(b) must be resolved through the use of binding arbitration in accordance with the AAA Rules, as supplemented to the extent necessary to determine any procedural appeal question by the Federal Arbitration Act (Title IX of the United States Code). If there is any inconsistency between this Section 11.2(c) and the Commercial Arbitration Rules of the Federal Arbitration Act, the terms of this Section 11.2(c) shall control the rights and obligations of the Parties. Such arbitration shall be conducted as follows:

(i) If there is more than one Dispute that involves the same facts and parties as the facts and parties with respect to which arbitration has been initiated pursuant to this Agreement, such Disputes shall be consolidated into the first arbitration initiated pursuant to this Agreement.

(ii) Arbitration may be initiated by a Party ("***Claimant***") serving written notice on another Party ("***Respondent***") that the Claimant has referred the Dispute to binding arbitration pursuant to this Section 11.2(c). Claimant's notice initiating binding arbitration must describe in reasonable detail the nature of the Dispute and the facts and circumstances relating thereto and identify the arbitrator Claimant has appointed. Respondent shall respond to Claimant within 30 days after receipt of Claimant's notice, identifying the arbitrator Respondent has appointed. All arbitrators must be neutral parties who have never been officers, directors or employees of or performed material work for the Parties or any of their Affiliates within the preceding five-year period and must agree in writing to keep strictly confidential the specifics and existence of the dispute as well as all proprietary records of the Parties reviewed by the arbitrators in the process of resolving such dispute. Arbitrators must have a formal education or training in the area of dispute resolution and must have not less than seven years of experience as a lawyer in the energy industry with experience in upstream or transactional issues. The two arbitrators so chosen by the parties to the Dispute shall select a third arbitrator within 30 days after the second arbitrator has been appointed. If either (A) the Respondent fails to name its party-appointed arbitrator within the time permitted, or (B) the two

arbitrators are unable to agree on a third arbitrator within 30 days from the date the second arbitrator has been appointed, then, in either case, the missing arbitrator(s) shall be selected by the American Arbitration Association (the "***AAA***") with due regard given to the selection criteria above and input from the parties to the Dispute and other arbitrators. The AAA shall select the missing arbitrator(s) not later than 90 days from initiation of arbitration. In the event the AAA should fail to select the third arbitrator within 90 days from initiation of arbitration, then either party to the Dispute may petition the Chief United States District Judge for the Southern District of Texas to select the third arbitrator. Due regard shall be given to the selection criteria above and input from the parties to the arbitrable Dispute and other arbitrators.

(iii) Claimant and Respondent shall each pay one-half of the compensation and expenses of the AAA and the arbitrator(s).

(iv) The hearing shall be conducted in Oklahoma City, Oklahoma and commence within 60 days after the selection of the third arbitrator, unless delayed by order of the arbitrators. The hearing shall be based upon written position papers submitted by Claimant and Respondent within 30 days after the selection of the third arbitrator, stating such Person's proposed resolution of the dispute. The parties to the Dispute and the arbitrators shall proceed diligently and in good faith in order that the award may be made as promptly as possible. The arbitrators shall determine the Disputes and render a final award on or before 30 days following the completion of the hearing. The arbitrators' decision shall be in writing and set forth the reasons for the award. In rendering the award, the arbitrators shall abide by (A) the terms and conditions of this Agreement including, without limitation, any and all restrictions, prohibitions or limitations on damages or remedies set forth in this Agreement and (B) the Law of the State of Delaware. The arbitrators shall not have jurisdiction or authority to add to, detract from or alter in any way the provisions of this Agreement.

(v) Notwithstanding any other provision of this Agreement, any party to the Dispute may, prior to the appointment of the third arbitrator, seek temporary injunctive relief from any court of competent jurisdiction; *provided* that the party seeking such relief shall (if arbitration has not already been commenced) simultaneously commence arbitration. Such court-ordered relief shall not continue more than ten days after the appointment of the arbitrators and in no event for longer than 90 days. In order to prevent irreparable harm, the arbitrators shall have the power to grant temporary or permanent injunctive or other equitable relief. Except as provided in the Federal Arbitration Act, the decision of the arbitrators shall be final, binding on and non-appealable by the parties to the Dispute. Each party to the Dispute agrees that any arbitration award against it may be enforced in any court of competent jurisdiction and that either party to the Dispute may authorize any such court to enter judgment on the arbitrators' decisions. The arbitrators may not grant or award indirect, consequential, punitive or exemplary damages or damages for lost profits.

(vi) In any Dispute under this Agreement, the prevailing party to the Dispute shall be entitled to recover arbitration and court costs and attorneys' fees in addition to any other relief to which such Person is entitled.

(d) Tolling and Performance. All applicable statutes of limitation and defenses based upon the passage of time shall be tolled while the procedures specified in Section 11.2(c) are pending. The Parties shall take any action required to effectuate that tolling. Each party is required to continue to perform its obligations under this Agreement pending completion of the procedures set forth in Section 11.2(c), unless to do so would be impossible or impracticable under the circumstances.

No course of dealing on the part of any Party, or its respective officers, employees, agents, accountants, attorneys, investment bankers, consultants or other authorized representatives, nor any failure by a Party to exercise any of its rights under this Agreement shall operate as a waiver thereof or affect in any way the right of such Party at a later time to enforce the performance of such provision. No waiver by any Party of any condition, or any breach of any term or covenant contained in this Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach or a waiver of any other condition or of any breach of any other term or covenant. The rights of the Parties under this Agreement shall be cumulative, and the exercise or partial exercise of any such right shall not preclude the exercise of any other right.

Section 12.4 Entire Agreement. Section 1.05 Accounting Terms and Determinations; GAAP. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all determinations with respect to accounting matters hereunder shall be made, and all Financial statements and certificates and reports as to financial matters required to be furnished to the Administrative Agent or the Lenders hereunder shall be prepared, in accordance with GAAP, applied on a basis consistent with the Pre-Petition Financial Statements except for changes in which Borrower's independent certified public accountants concur and which are disclosed to the Administrative Agent on the next date on which financial statements are required to be delivered to the Lenders pursuant to Section 8.01(a); provided that, unless the Borrower and the Majority Lenders shall otherwise agree in writing, no such change shall modify or affect the manner in which compliance with the covenants set forth in Section 9.01 or Section 9.02(e) is computed such that all such computations shall be conducted utilizing financial information presented consistently with prior periods. In the event that any Accounting Change shall occur and such change results in a change in the method or result of calculation of financial covenants, standards or terms, then the Lenders and the Obligors shall enter into negotiations in order to amend such provisions of the Loan Documents so as to equitably reflect such Accounting Changes with the desired result that the criteria for evaluating the Obligors' financial condition shall be the same after such Accounting Changes as if such Accounting Changes had not been made. Until such time as such an amendment shall have been executed and delivered by the Obligors, the Administrative Agent and the Majority Lenders, all financial covenants, standards and terms in the Loan Documents shall continue to be calculated or construed as if such Accounting Changes had not occurred.

Section 2.01 Revolving Loan Commitments. Subject to the terms and conditions set forth herein, each Revolving Lender severally agrees to make Revolving Loans in Dollars to the Borrower during the Availability Period in an aggregate principal amount that will not result in (a) such Revolving Lender's Revolving Credit Exposure exceeding such Revolving Lender's Revolving Loan Commitment or (b) the total Revolving Credit Exposures exceeding the total Revolving Loan Commitments. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and re-borrow the Revolving Loans.

Section 2.02 Revolving Loans and Borrowings.

(a) Borrowings; Several Obligations. Each Revolving Loan shall be made as part of a Borrowing consisting of Revolving Loans made by the Revolving Lenders ratably in accordance with their respective Revolving Loan Commitments. The failure of any Revolving Lender to make any Revolving Loan required to be made by it shall not relieve any other Revolving Lender of its obligations hereunder; provided that the Revolving Loan Commitments are several and no Revolving Lender shall be responsible for any other Revolving Lender's failure to make Revolving Loans as required.

(b) Types of Loans. Subject to Section 3.03, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Revolving Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Revolving Lender to make such Revolving Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Revolving Loan in accordance with the terms of this Agreement.

(c) Minimum Amounts; Limitation on Number of Borrowings. At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $250,000 and not less than $1,000,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused balance of the total Revolving Loan Commitments or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.08(e). Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of twelve (12) Eurodollar Borrowings outstanding. Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(d) Notes. Upon the request of a Revolving Lender, the Revolving Loans made by such Revolving Lender shall be evidenced by a single promissory note of the Borrower in substantially the form of Exhibit A-1, dated (i) as of the date of this Agreement in the case of any Revolving Lender party hereto as of the date of this Agreement, and (ii) as of the effective date of the Assignment and Assumption in the case of any Revolving Lender that becomes a party hereto pursuant to an Assignment and Assumption, in each case payable to such Revolving Lender in a principal amount equal to its Maximum Credit Amount as in effect on such date, and otherwise duly completed. In the event that any Revolving Lender's Maximum Credit Amount increases or decreases for any reason (whether pursuant to Section 2.06, Section 12.04(b) or otherwise), the Borrower shall, upon the request of such Revolving Lender, deliver or cause to be delivered on the effective date of such increase or decrease, a new Note payable to such Revolving Lender in a principal amount equal to its Maximum Credit Amount after giving effect to such increase or decrease, and otherwise duly completed, and such Revolving Lender shall promptly return to the Borrower the previously issued Note held by such Revolving Lender. The date, amount, Type, interest rate and, if applicable, Interest Period of each Revolving Loan made by each Revolving Lender, and all payments made on account of the principal thereof, shall be recorded by such Revolving Lender on a Schedule attached to such Note or any continuation thereof or on any separate record maintained by such Revolving Lender. Failure to make any such notation or to attach a Schedule shall not affect any Revolving Lender's or the Borrower's rights or obligations in respect of such Revolving Loans or affect the validity of such transfer by any Revolving Lender of its Note.

(e) Loans and Borrowings under the Prepetition Credit Agreement. It is the intent of the parties hereto that this Agreement, the deemed Borrowings pursuant to Section 2.02(e)(i) and (ii) and Section 2.07(a) and the cash payments made to the Lenders party hereto pursuant to the Plan of Reorganization constitute a discharge of the Prepetition Claims existing under the Prepetition Credit Agreement and evidence payment in full of such obligations and liabilities and that this Agreement and the cash payments under the Plan or Reorganization be a refinancing and repayment of the obligations of the Borrower outstanding thereunder. On the Effective Date:

(i) the Borrower shall be deemed to have made a Revolving Loan with an Interest Period of three (3) months equal to $600,000,000 on the Effective Date;

(ii) the Existing Letters of Credit outstanding under the Prepetition Credit Agreement shall be deemed issued under this Agreement pursuant to Section 2.08;

(iii) the Borrower shall be deemed to have made a Term Loan equal to $300,000,000 on the Effective Date; and

(iv) the Prepetition Credit Agreement and the commitments thereunder shall be terminated and superseded by this Agreement and such commitments shall terminate.

Section 2.03 Requests for Borrowings. Each Borrowing shall be subject to each of the conditions set forth in Section 6.02. To request a Borrowing, including the deemed Borrowing on the Effective Date, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., Houston time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 noon, Houston time, on the date of the proposed Borrowing; provided that no such notice shall be required for any deemed request of an ABR Borrowing to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e). Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(a) the aggregate amount of the requested Borrowing;

(b) the date of such Borrowing, which shall be a Business Day;

(c) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;

(d) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”;

(e) the amount of the then effective Borrowing Base, the current total Revolving Credit Exposures (without regard to the requested Borrowing) and the pro forma total Revolving Credit Exposures (giving effect to the requested Borrowing);

(f) the location and number of the Borrower's account to which funds are to be disbursed, which shall be a Controlled Proceeds Account and comply with the requirements of Section 2.05 and Section 8.19; and

(g) each of the conditions set forth in Section 6.02 has been satisfied.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Loan. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Each Borrowing Request shall constitute a representation that the amount of the requested Borrowing shall not cause the total Revolving Credit Exposures to exceed the total Revolving Loan Commitments (i.e., the lesser of the Aggregate Maximum Credit Amounts and the then effective Borrowing Base).

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Revolving Lender of the details thereof and of the amount of such Revolving Lender's Revolving Loan to be made as part of the requested Borrowing.

Section 2.04 Interest Elections.

(a) Conversion and Continuance. Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.04. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) Interest Election Requests. To make an election pursuant to this Section 2.04, the Borrower shall notify the Administrative Agent of such election by telephone by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or telecopy to the Administrative Agent of a written Interest Election Request signed by the Borrower.

(c) Information in Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to Section 2.04(c)(iii) and (iv) shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Notice to Lenders by the Administrative Agent. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Effect of Failure to Deliver Timely Interest Election Request and Events of Default and Borrowing Base Deficiencies on Interest Election. If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be continued as a Eurodollar Loan having an Interest Period of one month. Notwithstanding any contrary provision hereof, (i) if an Event of Default has occurred and is continuing: (A) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing (and any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective) and (B) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto; and (ii) if a Borrowing Base Deficiency exists: (A) outstanding Borrowings may not be converted or continued as Eurodollar Borrowings unless, after giving effect thereto and to the conversion or continuation of Borrowings to ABR Borrowings, there are ABR Borrowings in an amount no less than the amount of such Borrowing Base Deficiency and (B) unless sooner repaid, any Eurodollar Borrowing in excess of the Borrowing Base shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.05 Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., Houston time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to the

Controlled Proceeds Account of the Borrower designated by the Borrower in the applicable Borrowing Request; provided that ABR Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e) shall be remitted by the Administrative Agent to the Issuing Bank that made such LC Disbursement. Nothing herein shall be deemed to obligate any Lender to obtain the funds for its Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for its Loan in any particular place or manner.

(b) Presumption of Funding by the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.05(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period.

Section 2.06 Termination and Reduction of Aggregate Maximum Credit Amounts.

(a) Scheduled Termination of Commitments. Unless previously terminated, the Revolving Loan Commitments shall terminate on the Maturity Date. If at any time the Aggregate Maximum Credit Amounts or the Borrowing Base is terminated or reduced to zero, then the Revolving Loan Commitments shall terminate on the effective date of such termination or reduction.

(b) Optional Termination and Reduction of Aggregate Maximum Credit Amounts.

(i) The Borrower may at any time terminate, or from time to time reduce, the Aggregate Maximum Credit Amounts; provided that (A) each reduction of the Aggregate Maximum Credit Amounts shall be in an amount that is an integral multiple of $500,000 and not less than $1,000,000 and (B) the Borrower shall not terminate or reduce the Aggregate Maximum Credit Amounts if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 3.04(c), the total Revolving Credit Exposures would exceed the total Revolving Loan Commitments.

(ii) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Maximum Credit Amounts under Section 2.06(b)(i) at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.06(b)(ii) shall be irrevocable; provided that a notice of reduction or termination of the Aggregate Maximum Credit Amounts delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or other securities offerings, in which case such notice may be revoked by the Borrower if such condition is not satisfied. Any termination or reduction of the Aggregate Maximum Credit Amounts shall be permanent and may not be reinstated. Each reduction of the Aggregate Maximum Credit Amounts shall be made ratably among the Revolving Lenders in accordance with each Revolving Lender's Applicable Percentage.

Section 2.07 Borrowing Base.

(a) Initial Borrowing Base. For the period from and including the Effective Date to but excluding the Non-Conforming Period Termination Date, the amount of the Borrowing Base shall be equal to the sum of the Conforming Borrowing Base and the Non-Conforming Borrowing Base. For the period from and including the Effective Date to but excluding the First Scheduled Redetermination Date, the Conforming Borrowing Base shall be $1,400,000,000 (as may be reduced from time to time as set forth in this Section 2.07) and the Non-Conforming Borrowing Base shall be zero dollars ($0.00) (as may be increased from time to time as set forth in this Section 2.07). From and after the Non-Conforming Period Termination Date, the Non-Conforming Borrowing Base shall be terminated and the Borrowing Base shall equal the then existing Conforming Borrowing Base. Notwithstanding the foregoing, the Borrowing Base, and, during the Non-Conforming Period, the Conforming Borrowing Base and the Non-Conforming Borrowing Base, may be subject to further adjustments from time to time pursuant to Section 2.07(e), Section 2.07(f), Section 2.07(g), Section 8.12(c), or Section 9.11(b)(iv). Notwithstanding anything in this Agreement to the contrary, from and after the Non-Conforming Period Termination Date, (i) no Non-Conforming Borrowing Base shall be permitted and no change or reallocation of the Borrowing Base under the terms and conditions of this Section 2.07 or otherwise shall result in a Non-Conforming Borrowing Base, (ii) the Non-Conforming Borrowing Base will be terminated and cease to exist, (iii) the Borrowing Base shall be a conforming borrowing base only, with the result that the Borrowing Base and the Conforming Borrowing Base will be the same, and shall be referred to as the "Borrowing Base."

(b) Scheduled, Interim and Additional Redeterminations.

(i) Scheduled Redeterminations. Subject to Section 2.07(d), the Borrowing Base and, during the Non-Conforming Period, the Conforming Borrowing Base and the Non-Conforming Borrowing Base, shall be redetermined (a "Scheduled Redetermination") on April 1st and October 1st of each year, commencing April 1, 2018 (the "First Scheduled Redetermination Date").

(ii) Interim Redeterminations. From and after the First Scheduled Redetermination Date, either the (x) the Administrative Agent, at the direction of the Required Revolving Lenders or (y) the Borrower, may, once during each calendar year, each elect to cause the Borrowing Base to be redetermined between Scheduled Redeterminations (an "Interim Redetermination") in accordance with this Section 2.07; provided, however, there shall be no Interim Redeterminations at the request of either the Borrower or the Administrative Agent prior to the First Scheduled Redetermination Date.

(iii) Additional Redeterminations. There shall be an additional Borrowing Base redetermination (each, an "Additional Redetermination") or other adjustments to the Borrowing Base upon:

(A) Asset Sales. There shall be an Additional Redetermination upon any sale of Proved Reserve Properties in a single transaction or series of transactions in the circumstances provided in and in accordance with Section 2.07(g);

(B) Acquisitions. There shall be an Additional Redetermination upon any acquisition of Proved Reserve Properties whose purchase price is greater than five percent (5%) of (1) prior to the Non-Conforming Period Termination Date, the Conforming Borrowing Base and (2) after the Non-Conforming Period Termination Date, the Borrowing Base then in effect;

(C) Issuance of Debt. Upon the issuance or incurrence of any Funded Debt that is permitted by Section 9.02(f) after the Effective Date, there shall be a Borrowing Base reduction in accordance with Section 2.07(e); and

(D) Hedge Terminations. There shall be a Borrowing Base reduction in the circumstances provided in and in accordance with Section 2.07(f) upon the termination of, or creation of off-setting positions with respect to, any hedge positions.

(c) Scheduled, Interim and Additional Redetermination Procedure. Each Scheduled Redetermination, each Interim Redetermination and each Additional Redetermination shall be effectuated as follows:

(i) Upon receipt by the Administrative Agent of (A) the applicable Reserve Report and the Reserve Report Certificate (to the extent required) related thereto and (B) such other reports, data and supplemental information, including, without limitation, the information provided pursuant to Section 8.11(c) and the list of Swap Agreements per Section 8.01(d), as may, from time to time, be reasonably requested by the Required Revolving Lenders (the Reserve Report, such certificate and such other reports, data and supplemental information being the "Engineering Reports"), the Administrative Agent shall evaluate the information contained in the Engineering Reports and shall, in good faith, propose a new Borrowing Base, and, during the Non-Conforming Period, a Conforming Borrowing Base and Non-Conforming Borrowing Base (the "Proposed Borrowing Base") based upon such information and such other information (including, without limitation, the status of title information with respect to the Oil and Gas Properties as described in the Engineering Reports and the existence of any other Debt) as the Administrative Agent, in good faith, deems appropriate and consistent with its normal oil and gas lending criteria as it exists at the particular time. For the avoidance of doubt, in the case of an Interim Redetermination or an Additional Redetermination, the Administrative Agent may

utilize the Engineering Reports delivered in connection with the last Scheduled Determination, or in the case of any Additional Redetermination occurring prior to the First Scheduled Redetermination, the Initial Reserve Report, provided, however, the Administrative Agent may in its sole discretion request Borrower generated supplemental Engineering Reports in connection with such Interim Redetermination or Additional Redetermination. In addition, the Administrative Agent will summarize the Swap PV of such Swap Agreements as of the date of the Proposed Borrowing Base Notice.

(ii) The Administrative Agent shall notify the Borrower and the Lenders of the Proposed Borrowing Base (the "Proposed Borrowing Base Notice"):

(A) in the case of a Scheduled Redetermination (1) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on or before the March 15th and September 15th of such year following the date of delivery of such Engineering Report or (2) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then promptly after the Administrative Agent has received complete Engineering Reports from the Borrower and has had a reasonable opportunity to determine the Proposed Borrowing Base in accordance with Section 2.07(c)(i) and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Report; and

(B) in the case of an Interim Redetermination or Additional Redetermination, promptly, and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Reports.

(iii) Any Proposed Borrowing Base must be approved or deemed to have been approved by applicable Borrowing Base Required Lenders as provided in this Section 2.07(c)(iii). Upon receipt of the Proposed Borrowing Base Notice, each Lender shall have fifteen (15) days to agree with the Proposed Borrowing Base or disagree with the Proposed Borrowing Base by proposing an alternate Borrowing Base. If at the end of such fifteen (15) days, any Lender has not communicated its approval or disapproval in writing to the Administrative Agent, such silence shall be deemed to be an approval of the Proposed Borrowing Base. If, at the end of such 15-day period, all of the Lenders, in the case of a Proposed Borrowing Base that would increase the Borrowing Base then in effect, or the Required Lenders, in the case of a Proposed Borrowing Base that would decrease or maintain the Borrowing Base then in effect, have approved or deemed to have approved, as aforesaid, then the Proposed Borrowing Base shall become the new Borrowing Base effective on the date specified in Section 2.07(d). If, however, at the end of such fifteen (15) day period, the Borrowing Base Required Lenders have not approved or been deemed to have approved the Proposed Borrowing Base and during the Non-Conforming Period, the Proposed Conforming Borrowing Base, then the Administrative Agent shall poll the Revolving Lenders to ascertain the highest Borrowing Base and Conforming Borrowing Base then acceptable to a number of Revolving Lenders sufficient to constitute the Borrowing Base Required Lenders applicable to such adjustment and such amount shall become the new Borrowing Base and Conforming Borrowing Base effective on the date specified in Section 2.07(d).

(iv) Upon the effective date of each Borrowing Base Redetermination, during the Non-Conforming Period, all outstanding Revolving Loan Exposure in excess of the Conforming Borrowing Base, shall be reallocated to the Non-Conforming Borrowing Base and such Loans shall be deemed to be Non-Conforming Borrowings as of such date; provided, however, the aggregate Revolving Credit Exposure shall at no time exceed the lesser of the (i) the Aggregate Maximum Credit Amount and (ii) the Borrowing Base.

(d) Effectiveness of a Redetermined Borrowing Base. After a redetermined Borrowing Base, and during the Non-Conforming Period, the Conforming Borrowing Base and the Non-Conforming Borrowing Base, are approved or are deemed to have been approved by the Borrowing Base Required Lenders pursuant to Section 2.07(c)(iii), the Administrative Agent shall notify the Borrower and the Lenders (the "New Borrowing Base Notice") of the amount of the redetermined Borrowing Base, and, during the Non-Conforming Period, the Conforming Borrowing Base and the Non-Conforming Borrowing Base, and such amounts shall become the new Borrowing Base, Conforming Borrowing Base and Non-Conforming Borrowing Base, as applicable, effective and applicable to the Borrower, the Administrative Agent, each Issuing Bank and the Lenders:

(i) in the case of a Scheduled Redetermination, (A) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the April 1st or October 1st, as applicable, following delivery of the New Borrowing Base Notice, or (B) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the Business Day next succeeding delivery of the New Borrowing Base Notice; and

(ii) in the case of an Interim Redetermination or an Additional Redetermination, on the Business Day next succeeding delivery of the New Borrowing Base Notice.

Such amounts shall then become the Borrowing Base, and, during the Non-Conforming Period, the Conforming Borrowing Base and the Non-Conforming Borrowing Base, as applicable, until the next Scheduled Redetermination Date, the next Interim Redetermination date, or the next Additional Redetermination or the next reduction or adjustment to the Borrowing Base, Conforming Borrowing Base and Non-Conforming Borrowing Base, as applicable, under Section 2.07(e), Section 2.07(f), Section 2.07(g), Section 8.12(c) or Section 9.11(b)(iv), whichever occurs first.

(e) Reduction of Borrowing Base Upon Issuance of Funded Debt. Upon the issuance or incurrence of any Funded Debt by any Obligor or their respective Subsidiaries after the Effective Date in accordance with Section 9.02(f) (other than any Permitted Refinancing Debt in respect thereof), the Borrowing Base then in effect, shall be reduced by an amount equal to twenty-five percent (25%) multiplied by the stated principal amount of such Funded Debt (without regard to any original issue discount), and the Borrowing Base, as so reduced or adjusted shall become the new Borrowing Base, immediately upon the date of such issuance, effective and applicable to the Borrower, the Administrative Agent, each Issuing Bank and the Lenders on such date until the next redetermination or modification thereof hereunder.

(f) Reduction of Borrowing Base Upon Termination of Hedge Positions.

(i) At any time during the Non-Conforming Period, or while the Term Loans are outstanding, if the Borrower or any Subsidiary shall terminate or create any off-setting positions in respect of any Swap Agreements upon which the Lenders relied in determining the most recent Borrowing Base, and during the Non-Conforming Period, the Conforming Borrowing Base, and the aggregate Swap PV of all such terminations and/or offsetting positions exceeds, during any period between Scheduled Redeterminations of the Borrowing Base, $10,000,000, or, during the Non-Conforming Period, the Conforming Borrowing Base, then the Borrowing Base, and during the Non-Conforming Period, the Conforming Borrowing Base shall be simultaneously reduced by the value assigned to such hedge positions in the then effective Borrowing Base and Conforming Borrowing Base; provided, however, to the extent such termination or offsetting position occurs in connection with a Sale of Oil and Gas Properties (or any Sale of Equity Interests of a Guarantor directly or indirectly owning Oil and Gas Properties) addressed in clause (g) below, then the Borrowing Base reduction amount under this clause (f) shall not be in duplication of any amounts reduced pursuant to clause (g) below.

(ii) At any time after the Non-Conforming Period and the Term Loans have been repaid in full, if the Borrower or any Subsidiary shall terminate or create any off-setting positions in respect of any Swap Agreements upon which the Lenders relied in determining the most recent Borrowing Base and the aggregate Swap PV of all such terminations and/or offsetting positions plus the aggregate fair market value of asset dispositions exceeds, during any period between Scheduled Redeterminations of the Borrowing Base, five percent (5%) of the then effective Conforming Borrowing Base, the Borrowing Base and the Conforming Borrowing Base shall be simultaneously reduced by the value assigned to such hedge positions in the then effective Borrowing Base and Conforming Borrowing Base; provided, however, to the extent such termination or offsetting position occurs in connection with a Sale of Oil and Gas Properties (or any Sale of Equity Interests of a Guarantor directly or indirectly owning Oil and Gas Properties) addressed in clause (g) below, then the Borrowing Base reduction amount under this clause (f) shall not be in duplication of any amounts reduced pursuant to clause (g) below

(g) Reduction of Borrowing Base Upon Sale of Properties.

(i) At any time during the Non-Conforming Period or the Term Loans are outstanding, upon any Sale of Oil and Gas Properties (or any Sale of Equity Interests of any Obligor directly or indirectly owning Oil and Gas Properties) pursuant to Section 9.11(b)(iv) in a single transaction or series of related transactions, which Oil and Gas Properties (or Equity Interests) have a fair market value of at least $10,000,000, the Borrowing Base and the Conforming Borrowing Base shall be reduced, effective immediately upon the consummation of such Sale, by an amount equal to the lesser of (A) the value assigned to such Oil and Gas Properties in the then effective Borrowing Base (as determined in good faith by the Administrative Agent) and (B) the Net Cash Proceeds received from such Sale.

(ii) At any time after the Non-Conforming Period and the Term Loans have been repaid in full, if upon any Sale of Oil and Gas Properties (or any Sale of Equity Interests of a Obligor directly or indirectly owning Oil and Gas Properties) pursuant to Section

9.11(b)(iv), the sum of (A) the aggregate value, if any, attributable to such Oil and Gas Properties (and/or Oil and Gas Properties directly or indirectly owned by such Obligor, as applicable) in the most recently delivered Reserve Report, plus (B) the aggregate value, if any, attributable to the Oil and Gas Properties in such Reserve Report in respect of all other Sales of Oil and Gas Properties and Equity Interests of Obligors effected since the most recent Scheduled Redetermination Date, plus the aggregate of all Swap PV of all terminations of and/or offsetting positions in respect of any Swap Agreements upon which the Lenders relied in determining the most recent Borrowing Base, exceeds an amount equal to five percent (5%) of the then effective Conforming Borrowing Base, the Borrowing Base and the Conforming Borrowing Base shall be reduced, effective immediately upon the consummation of such Sale, by an amount equal to the lesser of (x) the value, if any, assigned to such Oil and Gas Properties being disposed of pursuant to such Sale in the then effective Borrowing Base value (as determined in good faith by the Administrative Agent) and (y) the Net Cash Proceeds received from such Sale.

Section 2.08 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request any Issuing Bank to, and such Issuing Bank shall, issue Letters of Credit for the account of the Obligors or their respective Subsidiaries, in a form reasonably acceptable to the Administrative Agent and such Issuing Bank, at any time and from time to time during the Availability Period; provided that the Existing Letters of Credit shall be deemed Letters of Credit issued pursuant to this Agreement on the Effective Date; provided further that the Borrower may not request the issuance, amendment, renewal or extension of Letters of Credit hereunder if a Borrowing Base Deficiency exists at such time or would exist as a result thereof. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. Each issuance, amendment, renewal or extension of a Letter of Credit shall be subject to the conditions set forth in Section 6.02. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit, including each Existing Letter of Credit), the Borrower shall deliver as permitted by Section 12.01(a) (or transmit by electronic communication, if arrangements for doing so have been approved by the Issuing Bank) to any Issuing Bank and the Administrative Agent (not less than three (3) Business Days in advance of the requested date of issuance, amendment, renewal or extension) a notice:

(i) requesting the issuance of a Letter of Credit or identifying the Letter of Credit issued by such Issuing Bank to be amended, renewed or extended;

(ii) specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day);

(iii) specifying the date on which such Letter of Credit is to expire (which shall comply with Section 2.08(c));

(iv) specifying the amount of such Letter of Credit;

(v) specifying the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit;

(vi) specifying the amount of the then effective Borrowing Base and whether a Borrowing Base Deficiency exists at such time, the current total Revolving Credit Exposures (without regard to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit) and the pro forma total Revolving Credit Exposures (giving effect to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit); and

(vii) confirming the conditions set for in Section 6.02 have been satisfied.

Each notice shall constitute a representation that after giving effect to the requested issuance, amendment, renewal or extension, as applicable, (i) the LC Exposure shall not exceed the LC Commitment and (ii) the total Revolving Credit Exposures shall not exceed the lesser of the Aggregate Maximum Credit Amounts and the then effective Borrowing Base.

If requested by any Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) unless satisfactorily collateralized in the applicable Issuing Bank's reasonable opinion, the date eighteen months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that issues such Letter of Credit or the Revolving Lenders, each Issuing Bank that issues a Letter of Credit hereunder hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of any Issuing Bank that issues a Letter of Credit hereunder, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in Section 2.08(e), or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.08(d) in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of

Credit or the occurrence and continuance of a Default, the existence of a Borrowing Base Deficiency or reduction or termination of the Revolving Loan Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit issued by such Issuing Bank, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 1:00 p.m., Houston time, on the third day after such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 9:00 a.m., Houston time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 1:00 p.m., Houston time, on (i) the third day after the Borrower receives such notice, if such notice is received prior to 9:00 a.m., Houston time, on the day of receipt, or (ii) the Business Day immediately following the third day after the Borrower receives such notice, if such notice is not received prior to such time on the day of receipt; provided that if such LC Disbursement is not less than $1,000,000, the Borrower shall, subject to the conditions to Borrowing set forth herein, be deemed to have requested, and the Borrower does hereby request under such circumstances, that such payment be financed with a Eurodollar Borrowing with an Interest Period of one month in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting Eurodollar Borrowing. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.05 with respect to Revolving Loans made by such Revolving Lender (and Section 2.05 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank that issued such Letter of Credit the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.08(e), the Administrative Agent shall distribute such payment to the Issuing Bank that issued such Letter of Credit or, to the extent that Revolving Lenders have made payments pursuant to this Section 2.08(e) to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this Section 2.08(e) to reimburse any Issuing Bank for any LC Disbursement (other than the funding of Eurodollar Loans as contemplated above) shall not constitute a Revolving Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. Any LC Disbursement not reimbursed by the Borrower or funded as a Revolving Loan prior to 1:00 p.m., Houston time, shall bear interest for such day at the Alternate Base Rate plus the Applicable Margin.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.08(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any

respect, (iii) payment by any Issuing Bank under a Letter of Credit issued by such Issuing Bank against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or any Letter of Credit Agreement, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.08(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised all requisite care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank that issued such Letter of Credit may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by telecopy) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, until the Borrower shall have reimbursed such Issuing Bank for such LC Disbursement (either with its own funds or a Borrowing under Section 2.08(e)), the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Loans. Interest accrued pursuant to this Section 2.08(h) shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to Section 2.08(e) to reimburse such Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. Any Issuing Bank may be replaced or resign at any time by written agreement among the Borrower, the Administrative Agent, such resigning or replaced Issuing Bank and, in the case of a replacement, the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such resignation or replacement of an Issuing Bank. At the time any such resignation or replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or replaced Issuing Bank pursuant to Section 3.05(b). In the case of the replacement of an Issuing Bank, from and after the effective date of such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the resigning or replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If (i) any Event of Default shall occur and be continuing and the Borrower receives notice from the Administrative Agent or the Majority Revolving Lenders demanding the deposit of cash collateral pursuant to this Section 2.08(j), or (ii) the Borrower is required to pay to the Administrative Agent the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c), then the Borrower shall deposit, in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders, an amount in cash equal to, in the case of an Event of Default, the LC Exposure, and in the case of a payment required by Section 3.04(c), the amount of such excess as provided in Section 3.04(c), as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Obligors or their respective Subsidiaries described in Section 10.01(h) or Section 10.01(i). The Borrower hereby grants to the Administrative Agent, for the benefit of each Issuing Bank and the Lenders, an exclusive first priority and continuing perfected security interest in and Lien on such account and all cash, checks, drafts, certificates and instruments, if any, from time to time deposited or held in such account, all deposits or wire transfers made thereto, any and all investments purchased with funds deposited in such account, all interest, dividends, cash, instruments, financial assets and other Property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing, and all proceeds, products, accessions, rents, profits, income and benefits therefrom, and any substitutions and replacements therefor. The Borrower's obligation to deposit amounts pursuant to this Section 2.08(j) shall be absolute and unconditional, without regard to whether any beneficiary of any such Letter of Credit has attempted to draw down all or a portion of such amount under the terms of a Letter of Credit, and, to the fullest extent permitted by applicable law, shall not be subject to any defense or be affected by a right of set-off, counterclaim or recoupment which the Obligors or their respective Subsidiaries may now or hereafter have against any such beneficiary, any Issuing Bank, the Administrative Agent, the Lenders or any other Person for any reason whatsoever. Such deposit shall be held as collateral securing the payment and performance of the Borrower's and any Guarantor's obligations under this Agreement and the other Loan

Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account; provided that investments of funds in such account in investments of the type described in clause (a) and (b) of the definition of Cash Equivalents as permitted by Section 9.05(c) may be made at the option of the Borrower at its direction, risk and expense. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse, on a pro rata basis, each Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other obligations of the Borrower and the Guarantors, if any, under this Agreement or the other Loan Documents. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, and the Borrower is not otherwise required to pay to the Administrative Agent the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c), then such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been waived.

Section 2.09 Term Loans.

(a) Funding of Term Loans. Each Term Lender agrees that it will be deemed to make a Term Loan to the Borrower in a single advance on the date that the conditions in Section 6.03 are satisfied (or waived in accordance with Section 12.02), in a principal amount not to exceed such Lender's Term Loan Commitment set forth in Annex III. Each Term Loan shall be deemed to be funded at par without any original issue discount. The Term Loan Commitments are not revolving and amounts repaid or prepaid in respect of the Term Loans may not be re-borrowed. The Term Loan Commitments shall terminate on the deemed funding of the Term Loans by the Lenders pursuant to the Plan of Reorganization.

(b) Loans and Borrowings.

(i) Borrowings; Several Obligations. Each Term Loan shall be deemed to be made as part of a Borrowing made by the Term Lenders ratably in accordance with their Term Loan Commitments. The failure of any Term Lender to make the Term Loan required to be made by it shall not relieve any other Term Lender of its obligations hereunder; provided that the Term Loan Commitments are several and no Term Lender shall be responsible for any other Term Lender's failure to make its Term Loan.

(ii) Types of Term Loans. Subject to Section 3.03, the deemed Borrowing of Term Loans shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Term Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Term Lender to make such Term Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Term Loan in accordance with the terms of this Agreement.

(iii) Notes. Upon request of a Term Lender, the Term Loan made or deemed to be made by such Term Lender shall be evidenced by a single promissory note of the Borrower in substantially the form of Exhibit A-2 in a principal amount equal to its Term Loan

Commitment or in the principal amount of the Term Loan it acquired pursuant to an Assignment and Assumption, and otherwise duly completed. The date, amount of its Term Loan, Type, interest rate and, if applicable, Interest Period of its Term Loan and all payments made on account of the principal thereof shall be recorded by such Term Lender on its books for its Term Loan Note, and, prior to any transfer, may be noted by such Term Lender on a Schedule attached to its Term Loan Note or any continuation thereof or on any separate record maintained by such Term Lender. Failure to make any such notation or to attach a Schedule shall not affect any Term Lender's or the Borrower's rights or obligations in respect of such Term Loans or affect the validity of such transfer by any Term Lender of its Term Loan Note.

(c) Request for Borrowing. To request the Borrowing of Term Loans, the Borrower shall notify the Administrative Agent of such request by telephone (i) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., Houston time, three Business Days before the date of the proposed Borrowing of the Term Loans or (ii) in the case of an ABR Borrowing, not later than 12:00 noon, Houston time, on the date of the proposed Borrowing. Such telephonic request shall be irrevocable and shall be confirmed promptly by hand delivery, telecopy or other electronic means to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.09(b):

(A) the aggregate amount of the requested Borrowing;

(B) the date of such Borrowing;

(C) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;

(D) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period".

(d) Interest Elections. Interest elections with respect to the Term Loan shall be made in accordance with Section 2.04.

(e) Repayments. The principal amount of the Term Loans shall be repaid on the last Business Day of each March, June, September and December, commencing with the last Business Day of March 2017, in consecutive quarterly installments according to the following schedule:

Period	Quarterly Installments
March 2017 - December 2017	$6,250,000 each ($25,000,000 in the aggregate)
March 2018 - December 2018	$9,375,000 each ($37,500,000 in the aggregate)
March 2019 - December 2020	$12,500,000 each ($100,000,000 in the aggregate)
Maturity Date	Bullet payment of all remaining outstanding balances

All remaining principal, accrued but unpaid interest and other amounts owing with respect to the Term Loans shall be due and payable in full as a final scheduled installment on the Maturity Date. Each installment shall be paid to Administrative Agent for the pro rata benefit of the Term Lenders. Once repaid, whether such repayment is voluntary or required, Term Loans may not be reborrowed.

ARTICLE III
Payments of Principal and Interest; Prepayments; Fees

Section 3.01 Repayment of Loans. The Borrower hereby unconditionally promises to pay to the Administrative Agent on the Termination Date (a) for the account of each Revolving Lender, the then unpaid principal amount of each Revolving Loan and (b) for the account of each Term Lender, the then unpaid principal amount of each Term Loan.

Section 3.02 Interest.

(a) ABR Loans. Each ABR Loan shall bear interest at the Alternate Base Rate plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(b) Eurodollar Loans. Each Eurodollar Loan shall bear interest at the LIBO Rate for the Interest Period in effect for such Eurodollar Loan plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(c) Post-Default and Borrowing Base Deficiency Rate. Notwithstanding the foregoing, (i) if either (A) an Event of Default pursuant to Section 10.01(a), (b), (h), (i) or (j) or Section 10.01(d) as a result of the failure to deliver a notice pursuant to Section 8.02(a) has occurred and is continuing, or (B) any other Event of Default has occurred and the Administrative Agent has delivered a notice, then all Loans outstanding shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate and (ii) during any Borrowing Base Deficiency, the amount of such Borrowing Base Deficiency shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on: (i) with respect to any ABR Loan, the last day of each calendar month; (ii) with respect to any Eurodollar Loan, the last day of the Interest Period applicable to the Borrowing of which such Loan is a part but in all cases to be paid at least every three months and (iii) in any case, on the Termination Date; provided that (A) interest accrued pursuant to Section 3.02(c)(i) shall be payable on demand, (B) in the event of any repayment or prepayment of any Loan (other than an optional prepayment of an ABR Loan prior to the Termination Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (C) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error, and be binding upon the parties hereto.

Section 3.03 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Majority Lenders (or the Majority Revolving Lenders or Majority Term Lenders, as applicable) that the LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 3.04 Prepayments.

(a) Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with Section 3.04(b) and payment of applicable breakage costs, if any, under Section 5.02.

(b) Notice and Terms of Optional Prepayment. The Borrower shall notify the Administrative Agent by telephone (confirmed by telecopy) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 noon, Houston time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 noon, Houston time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing; provided that any optional prepayment shall be applied as directed by the Borrower. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02.

(c) Mandatory Prepayments.

(i) If, at any time, including without limitation, after giving effect to any termination or reduction of the Aggregate Maximum Credit Amounts pursuant to Section 2.06(b), the total Revolving Credit Exposure exceeds the total Revolving Loan Commitments or the Aggregate Maximum Credit Amounts, then the Borrower shall, on the same Business Day, (A) prepay the Revolving Loans on the date, as applicable, of such determination, termination or reduction in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Revolving Loans as a result of an LC Exposure, pay to the Administrative Agent on behalf of the Lenders an amount equal to such excess to be held as cash collateral as provided in Section 2.08(j).

(ii) Upon any redetermination of or adjustment to the amount of the Borrowing Base in accordance with Section 2.07(a) through (d) or Section 8.12(c), if the total Revolving Credit Exposures exceeds the redetermined or adjusted Borrowing Base, then the Borrower shall exercise any one or combination of the following: (A) deliver to the Administrative Agent reserve engineering and mortgages covering such Oil and Gas Properties of the Obligors or their respective Subsidiaries not previously covered by the Security Instruments with a value and quality satisfactory to the Required Lenders in their sole discretion sufficient to eliminate such Borrowing Base Deficiency or (B) prepay in cash the Revolving Loans in an aggregate principal amount equal to such excess after giving effect to any action taken under (A) hereof, and if any excess remains after prepaying all of the Revolving Loans as a result of an LC Exposure, pay to the Administrative Agent on behalf of the Lenders an amount equal to such excess to be held as cash collateral as provided in Section 2.08(j); provided, that the Borrower may make such prepayment and/or deposit of cash collateral in six successive

equal monthly payments and/or deposits. The Borrower shall be obligated to deliver the reserve engineering and mortgages described in clause (A) immediately above, and/or to commence the payments described in clause (B) immediately above, on the 30th day following the later to occur of its receipt of the applicable New Borrowing Base Notice in accordance with Section 2.07(d) or the date the adjustment occurs; provided that all payments required to be made pursuant to this Section 3.04(c)(ii) must be made on or prior to the Termination Date.

(iii) Upon any adjustments to the Borrowing Base pursuant to Section 2.07(f) if the total Revolving Credit Exposures exceeds the Borrowing Base as adjusted, then the Borrower shall (A) prepay in cash the Revolving Loans in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Revolving Loans as a result of an LC Exposure, pay in cash to the Administrative Agent on behalf of the Lenders an amount equal to such excess to be held as cash collateral as provided in Section 2.08(j); provided, the Borrower shall be obligated to make such prepayment and/or deposit of cash collateral on the Business Day immediately following the date it or any Subsidiary receives cash proceeds as a result of such termination, liquidation or creation of offsetting positions, as applicable; provided that all payments required to be made pursuant to this Section 3.04(c)(iii) must be made on or prior to the Termination Date.

(iv) If, at any time after the Effective Date, any Obligor or their respective Subsidiaries issues or incurs (A) Funded Debt permitted pursuant to Section 9.01(f) and as a result of such issuance or incurrence any Borrowing Base Deficiency results from the adjustments pursuant to Section 2.07(e), then the Borrower shall use the Net Cash Proceeds from the issuance of such Funded Debt to prepay the Revolving Loans in an aggregate principal amount equal to such excess, and if, as a result of an LC Exposure, any Borrowing Base Deficiency remains after prepaying all of the Revolving Loans, deposit with the Administrative Agent on behalf of the Lenders an amount equal to the lesser of such LC Exposure and any remaining Net Cash Proceeds to be held as cash collateral as provided in Section 2.08(j) or (B) Debt not permitted by Section 9.02, then the Borrower shall use the cash proceeds from the issuance of such Funded Debt to prepay the Revolving Loans and Term Loans pro rata in an aggregate principal amount equal to the principal amount of such Debt and the Maximum Credit Amount and Borrowing Base shall be permanently reduced in the amount of such Debt applied to the Revolving Loans. The Borrower shall make such prepayment and/or deposit of cash collateral as soon as practical, and in any event no later than the Business Day after it or any Subsidiary receives such Net Cash Proceeds as a result of such issuance or incurrence of Funded Debt.

(v) At any time during the Non-Conforming Period or the Term Loans are outstanding, upon any Sale of Oil and Gas Properties (or any Sale of Equity Interests of a Obligor directly or indirectly owning Oil and Gas Properties) pursuant to Section 9.11(b)(iv) in a single transaction or series of related transactions with a fair market value equal to or exceeding $10,000,000, in a single transaction or series of transactions, the Borrower shall prepay the Revolving Loans with the Net Cash Proceeds from such Sale; provided an amount equal to the Conforming Borrowing Base deficiency existing as a result of the reduction in the Conforming Borrowing Base due to the sale of such assets shall be applied to Revolving Loans under the Conforming Borrowing Base; provided, further that any Net Cash Proceeds in excess of such Conforming Borrowing Base deficiency shall be applied against the Revolving Loans or Term

Loans, as directed by the Borrower in its sole discretion (it being agreed and understood that there shall be no permanent reduction of the Revolving Loans Commitment on account of any payment under this proviso); provided, further, Borrower shall not be required to prepay the Revolving Loans in excess of such Conforming Borrowing Base deficiency pursuant to this Section 3.04(c)(v) if the Borrower intends to reinvest such Net Cash Proceeds in Oil and Gas Properties (or Equity Interests in an entity owning Oil and Gas Properties), which reinvestment shall be completed within one (1) year of such Sale (which period may be extended by the Administrative Agent in its sole discretion for an additional period of 180 days if a binding commitment has been entered into for the reinvestment of such Net Cash Proceeds); provided, further, all such reinvested amounts shall remain subject to the provisions of Section 3.04(c)(vii).

(vi) At any time after the Non-Conforming Period and the Term Loans have been repaid in full, if upon any Sale of Oil and Gas Properties (or any Sale of Equity Interests of a Obligor directly or indirectly owning Oil and Gas Properties) pursuant to Section 9.11(b)(iv), the sum of (A) the aggregate value, if any, attributable to such Oil and Gas Properties (and/or Oil and Gas Properties directly or indirectly owned by such Obligor, as applicable) in the most recently delivered Reserve Report, plus (B) the aggregate value, if any, attributable to the Oil and Gas Properties in such Reserve Report in respect of all other Sales of Oil and Gas Properties and Equity Interests of Obligors effected since the most recent Scheduled Redetermination Date, exceeds an amount equal to five percent (5%) of the then effective Borrowing Base, then the Borrower shall to the extent of such Borrowing Base deficiency existing as a result of the reduction in the Borrowing Base due to such Sale prepay the Revolving Loans under the Borrowing Base with the Net Cash Proceeds from such Sale.

(vii) If, at any time Revolving Loans or LC Exposure are outstanding, the Consolidated Cash Balance exceeds $70,000,000.00 as of the end of each Consolidated Cash Measurement Day commencing with the first full week after the Effective Date, then notwithstanding any other provision of this Agreement or any other Loan Document to the contrary, the Borrower shall, within one Business Day after such Consolidated Cash Measurement Day, (a) prepay the Revolving Loans in an aggregate principal amount equal to such excess (which prepayment shall be applied as elected by the Borrower in its sole discretion), and (b) if any excess remains after prepayment of all the Revolving Loans, to the extent any LC Exposure is outstanding, deposit with the Administrative Agent on behalf of the Lenders an amount equal to the lesser of such LC Exposure and any remaining excess as provided in Section 2.08(j). No breakage or similar fees (including any amounts under Section 5.02) shall be payable and no prepayment notice shall be required in respect of any prepayments made pursuant to this Section 3.04(c)(vii).

(viii) At any time during the Non-Conforming Period or the Term Loans are outstanding, within one (1) Business Day after the receipt of any Net Cash Proceeds of insurance or condemnation awards paid in respect of any Collateral constituting Oil and Gas Properties in excess of $10,000,000 per Casualty Event of the Obligors, the Borrower shall prepay the Revolving Loans in an amount equal to such Net Cash Proceeds provided, Borrower shall not be required to prepay the Borrowings pursuant to this Section 3.04(c)(viii) if the Borrower has entered into a binding obligation to reinvest in Oil and Gas Properties or acquire substantially similar assets or refurbish and repair the damaged assets using such proceeds, which reinvestment, acquisition, repair or refurbishment shall be completed within one (1) year

of such Sale (which period may be extended by the Administrative Agent in its sole discretion for an additional period of 180 days if a binding commitment has been entered into for such reinvestment, acquisition, repair or refurbishment); provided further all such reinvestment amounts shall remain subject to the provisions of Section 3.04(c)(vii).

(ix) Upon the occurrence of (A) the Maturity Date, or (B) a Change of Control, the Obligations shall be indefeasibly paid in full in cash.

(x) Each prepayment pursuant to Section 3.04(c)(i) through (iv)(A), (vi) through (ix) and, to the extent applicable to the Revolving Loans, Section 3.04(c)(iv)(B) and 3.04(c)(v), shall be applied ratably to the Revolving Loans then outstanding and such prepayments shall be applied, first, ratably to any ABR Borrowings then outstanding within such class, and, second, to any Eurodollar Borrowings then outstanding within such class, and if more than one Eurodollar Borrowing is then outstanding within such class, to each such Eurodollar Borrowing in order of priority beginning with the Eurodollar Borrowing with the least number of days remaining in the Interest Period applicable thereto and ending with the Eurodollar Borrowing with the most number of days remaining in the Interest Period applicable thereto.

(xi) Each prepayment of Borrowings pursuant to Section 3.04(c)(v) shall be applied first to the Conforming Borrowings up to the amount of any Borrowing Base Deficiency resulting from the applicable Sale of Oil and Gas Properties (or Equity Interests) pursuant to Section 2.07(g), and second to the Borrowings elected by the Borrower in its sole discretion; provided that any prepayments of Borrowings of Term Loans pursuant to Section 3.04(c)(v) and (vi) may be applied to scheduled repayment installments in direct order of maturity.

(xii) Except as otherwise provided herein, each prepayment of Borrowings pursuant to this Section 3.04(c) shall be applied ratably to the Loans included in the prepaid Borrowings. Prepayments pursuant to this Section 3.04(c) shall be accompanied by accrued and unpaid interest to the extent required by Section 3.02.

(d) No Premium or Penalty. Prepayments permitted or required under this Section 3.04 shall be without premium or penalty, except as required under Section 5.02.

Section 3.05 Fees.

(a) Commitment Fees. The Borrower agrees to pay to the Administrative Agent for the account of each Lender (subject to Section 4.04(c)(i)) a commitment fee, which shall accrue at the applicable Commitment Fee Rate on the average daily amount of the unused amount of the Revolving Loan Commitment of such Lender during the period from and including the date of this Agreement to but excluding the Termination Date. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the Termination Date, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days, unless such computation would cause interest on the Notes or on other Obligations hereunder to exceed the Highest Lawful Rate, in which case such commitment fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender (subject to Section 4.04(c)(iii)) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Margin used to determine the interest rate applicable to Eurodollar Loans on the average daily amount of such Revolving Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the date of this Agreement to but excluding the later of the date on which such Revolving Lender's Revolving Loan Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure, (ii) to each Issuing Bank a fronting fee equal to 0.50% per annum on the face amount of each Letter of Credit issued by such Issuing Bank hereunder, provided that in no event shall such fee be less than $500 and (iii) to each Issuing Bank, for its own account, its standard fees with respect to the amendment, renewal or extension of any Letter of Credit issued by such Issuing Bank or processing of drawings thereunder. Participation fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the date of this Agreement and fronting fees with respect to any Letter of Credit shall be payable at the time of issuance of such Letter of Credit; provided that all such fees shall be payable on the Termination Date and any such fees accruing after the Termination Date shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this Section 3.05(b) shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case such fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

ARTICLE IV
Payments; Pro Rata Treatment; Sharing of Set-offs.

Section 4.01 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 1:00 p.m., Houston time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim (except for Taxes, if any, pursuant to Section 5.03(a), provided that the Borrower has complied with all of the requirements of such Section to the extent applicable). Fees, once paid, shall be fully earned and shall not be refundable under any circumstances, absent manifest error. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest

thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except payments to be made directly to an Issuing Bank as expressly provided herein and except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall take an assignment of, or purchase participations in the Loans and participations in LC Disbursements of other Lenders, in each case, for cash at face value, to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued but unpaid interest on their respective Loans and Participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this Section 4.01(c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or Participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 4.01(c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrower. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or any Issuing Bank that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or such Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or such Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(b), Section 2.08(d), Section 2.08(e), Section 4.01(c) or Section 4.02 then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 4.04 Payments and Deductions to a Defaulting Lender.

(a) [Reserved].

(b) If a Defaulting Lender (or a Lender who would be a Defaulting Lender but for the expiration of the relevant grace period) as a result of the exercise of a set-off shall have received a payment in respect of its Revolving Credit Exposure which results in its Revolving Credit Exposure being less than its Applicable Percentage of the aggregate Revolving Credit Exposures, then no payments will be made to such Defaulting Lender until such time as all amounts due and owing to the Lenders have been equalized in accordance with each Lender's respective pro rata share of the Obligations. Further, if at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of an LC Disbursement while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, subject to the first sentence of this Section 4.04(b), all principal will be paid ratably as provided in Section 10.02(c).

(c) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Fees shall cease to accrue on the unfunded portion of the Revolving Loan Commitment of such Defaulting Lender pursuant to Section 3.05.

(ii) The Commitments, the Maximum Credit Amount, the outstanding principal balance of the Loans and participation interests in Letters of Credit of such Defaulting Lender shall not be included in determining whether all Lenders, the Majority Lenders, the Majority Revolving Lenders, the Majority Term Lenders, the Required Lenders or the Borrowing Base Required Lenders, as applicable, have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 12.02), provided that any waiver, amendment or modification requiring the consent of each affected Lender and which affects such Defaulting Lender, shall require the consent of such Defaulting Lender; and provided further that no Defaulting Lender shall participate in any redetermination or affirmation of the Borrowing Base, the Conforming Borrowing Base, or during the Non-Conforming Period, the Non-Conforming Borrowing Base, but the Revolving Loan Commitments (i.e., the Applicable Percentage of the Borrowing Base) of a Defaulting Lender may not be increased without the consent of such Defaulting Lender.

(iii) If any LC Exposure exists at the time a Revolving Lender becomes a Defaulting Lender then:

(A) all or any part of such LC Exposure shall automatically be reallocated (effective as of the date such Lender becomes a Defaulting Lender) among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages but only to the extent (1) the sum of all Non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's LC Exposure does not exceed the total of all Non-Defaulting Lenders' Revolving Loan Commitments, (2) the conditions set forth in Section 6.02 are satisfied at such time and (3) subject to Section 12.19, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, then the Borrower shall within three Business Days following notice by the Administrative Agent cash collateralize such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with the procedures set forth in Section 2.08(e) for so long as such LC Exposure is outstanding;

(C) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to this Section 4.04 then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.05(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(D) if the LC Exposure of the Non-Defaulting Lenders is reallocated pursuant to Section 4.04(c), then the fees payable to the Lenders pursuant to Section 3.05(a) and Section 3.05(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Applicable Percentages after giving effect to such reallocation; or

(E) if any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to Section 4.04(c)(iii), then, without prejudice to any rights or remedies of the Issuing Bank or any Lender hereunder, all letter of credit fees payable under Section 3.05(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Bank until such LC Exposure is cash collateralized and/or reallocated.

(d) So long as any Revolving Lender is a Defaulting Lender, the Issuing Bank shall not be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure will be 100% covered by the Revolving Loan Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 4.04(c), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 4.04(c)(iii)(A) (and Defaulting Lenders shall not participate therein).

(e) In the event that the Administrative Agent, the Borrower and the Issuing Bank each agrees that a Defaulting Lender has adequately remedied all matters that caused such Revolving Lender to be a Defaulting Lender, then the LC Exposures of the Revolving Lenders shall be readjusted to reflect the inclusion of such Revolving Lender's Revolving Loan Commitment and on such date such Revolving Lender shall purchase at par such of the Revolving Loans or participations in Letters of Credit of the other Revolving Lenders as the Administrative Agent shall determine may be necessary in order for such Revolving Lender to hold such Revolving Loans in accordance with its Applicable Percentage.

ARTICLE V
Increased Costs; Break Funding Payments; Taxes; Illegality

Section 5.01 Increased Costs.

(a) Eurodollar Changes in Law. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including marginal, special, emergency or supplemental reserves), special deposit, compulsory loan, insurance charge, or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender; or

(ii) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, Loan principal, Letters of Credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurodollar Loans made by such Lender; and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or otherwise), then the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or liquidity or on the capital or liquidity of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender or any Issuing Bank setting forth in reasonable detail the basis of its request and the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in Section 5.01(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or any Issuing Bank pursuant to this Section 5.01 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof. No Lender or Issuing Bank may make any demand pursuant to this Section 5.01 more than 270 days after the Termination Date.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default but excluding any prepayment required pursuant to Section 3.04(c)(vii)), (b) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as the result of the request by the Borrower pursuant to Section 5.04, (c) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (d) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the LIBO Rate that would have been applicable to such Loan, for the

period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 and reasonably detailed calculations therefor, upon request of the Borrower, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 5.03 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction for any Taxes; provided that if the Borrower or any Guarantor shall be required by applicable law to deduct any Taxes from such payments, as determined in good faith by the Borrower or the Administrative Agent, as applicable, then (i) in the case of Indemnified Taxes or Other Taxes, the sum payable shall be increased as necessary so that after making all required deductions of Indemnified Taxes or Other Taxes (including deductions applicable to additional sums payable under this Section 5.03(a)), the Administrative Agent, Lender, Issuing Bank or other recipient (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower or such Guarantor shall make all deductions required by applicable law and (iii) the Borrower or such Guarantor shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of such Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify the Administrative Agent, each Lender and each Issuing Bank, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent, such Lender or such Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrower hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate of the Administrative Agent, a Lender or an Issuing Bank as to the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrower and shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrower or a Guarantor to a Governmental Authority,

the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Foreign Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding tax under the law of the jurisdiction in which the Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement or any other Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Borrower as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN or Form W-8BEN-E, as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or Form W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i)

of the Code) and such additional documentation and information reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) Treatment of Certain Refunds. If any party determines in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 5.03 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register, and (ii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 5.03(g).

Section 5.04 Designation of Different Lending Office; Replacement of Lenders.

(a) Designation of Different Lending Office. If (1) any Lender requests compensation under Section 5.01, or (2) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If (i) any Lender requests compensation under Section 5.01, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, (iii) any Lender asserts an illegality under Section 5.05, (iv) any Lender becomes a Defaulting Lender, (v) any Revolving Lender does not consent to any proposed increase in or reaffirmation of the Borrowing Base, (vi) in connection with any consent to or approval of any proposed amendment, waiver, consent or release with respect to any Loan Document that requires the consent of each Lender or the consent of each Lender affected thereby, the consent of the Majority Lenders shall have been obtained but any Lender has not so consented to or approved such proposed amendment, waiver, consent or release, or (vii) in connection with any consent to or approval of any proposed amendment, waiver, consent or release with respect to Section 2.09 that requires the consent of each Term Lender or the consent of each Term Lender affected thereby, the consent of the Term Lenders having more than sixty-six and two-thirds percent (66- ⅔%) of the then outstanding principal amount of the Term Loans shall have been obtained but any Term Lender has not so consented to or approved such proposed amendment, waiver, consent or release, then in any such case, the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.04), all its interests, rights and obligations under this Agreement to an assignee or assignees that shall assume such obligations (which assignee may be another Lender, if such Lender accepts such assignment); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) in the case of any such assignment resulting from a claim for compensation under Section 5.01, for payments required to be made pursuant to Section 5.03 or an illegality under Section 5.05, such assignment will result in a reduction in such compensation or payments or avoid the illegality. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a

waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender hereby agrees to make such assignment and delegations required under this Section 5.04(b) and (D) if such assignment is pursuant to subpart (b)(v) or (b)(vi) or (b)(vii), such assignee must consent to vote for such amendment to which the non-consenting lender did not vote.

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrower and the Administrative Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the "Affected Loans") until such time as such Lender may again make and maintain such Eurodollar Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrower and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans on the last day of the then current Interest Period for such Affected Loans) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

Representations and Warranties

The Borrower and each of the other Obligors jointly and severally represents and warrants to the Lenders that:

Section 7.01 Organization; Powers. Each of the Obligors and their respective Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary, to own its assets and to carry on its business as now conducted, and is qualified to do business in, and is in good standing in or has applied to qualify to do business in, every jurisdiction where such qualification is required, except where failure to have such power, authority, licenses, authorizations, consents, approvals and qualifications could not reasonably be expected to have a Material Adverse Effect.

Section 7.02 Authority; Enforceability. The Transactions are within the Borrower's and each Guarantor's corporate or limited liability company powers and have been duly authorized by all necessary corporate or limited liability company and, if required, member action (including, without limitation, any action required to be taken by any class of directors of the Borrower or any other Person, whether interested or disinterested, in order to ensure the due authorization of the Transactions). When executed and delivered, each Loan Document to which the Borrower and any Guarantor is a party will have been duly executed and delivered by the Borrower and such Guarantor and will constitute a legal, valid and binding obligation of the

Borrower and such Guarantor, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 7.03 Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other third Person (including the members or any class of directors of the Borrower or any other Person, whether interested or disinterested), nor is any such consent, approval, registration, filing or other action necessary for the validity or enforceability of any Loan Document or the consummation of the Transactions contemplated thereby, except (i) such as have been obtained or made and are in full force and effect, (ii) the filings and recordings necessary to perfect the Liens created hereby and by the Security Instruments, (iii) those third party approvals or consents which, if not made or obtained, would not cause a Default hereunder or could not reasonably be expected to have a Material Adverse Effect and (iv) the filing of any required documents with the SEC, (b) will not violate any applicable law or regulation or the charter, by-laws or other organizational documents of the Obligors or their respective Subsidiaries or any order of any Governmental Authority (except for such violations that would not reasonably be expected to have a Material Adverse Effect), (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing Material Debt binding upon the Borrower or any Guarantor or their Properties, or give rise to a right thereunder to require any payment to be made by the Borrower or such Guarantor and (d) will not result in the creation or imposition of any Lien on any Property of the Obligors or their respective Subsidiaries (other than the Liens created by the Loan Documents).

Section 7.04 Financial Position; No Material Adverse Effect.

(a) The Borrower has delivered to the Administrative Agent and each of the Lenders (i) the pro forma Effective Date balance sheet of the Borrower reasonably reflecting in the Borrower's good faith estimate the fresh start accounting and (ii) each other Financial Statement required to be delivered pursuant to Section 6.01 or Section 8.01. The Financial Statements that have been delivered and which are maintained prior to delivery by the Obligors present fairly, in all material respects, the financial position and results of operations and cash flows of Holdings and its Consolidated Subsidiaries as of such date and for each such period in accordance with GAAP; provided the pro forma Effective Date balance sheet of the Borrower delivered on the Effective Date is the Borrower's good faith estimate.

(b) Since the Effective Date and the date of the last Financial Statements delivered pursuant to Section 8.01, there has been no event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect.

(c) As of the Effective Date, neither the Borrower or any other Obligor nor their respective Subsidiaries has any Material Debt (including Disqualified Capital Stock), or any material contingent liabilities, material off-balance sheet liabilities or partnerships, material liabilities for Taxes, material unusual forward or long-term commitments or material unrealized or anticipated losses from any unfavorable commitments, except (i) the Obligations, (ii) as referred to or reflected or provided for in the Financial Statements delivered under Section 7.04(a) or (iii) as disclosed to the Administrative Agent prior to the date hereof.

Section 7.05 Litigation. Except as set forth on Schedule 7.05, there are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Borrower, threatened in writing against or affecting the Obligors or their respective Subsidiaries (a) not fully covered by insurance (except for normal deductibles) as to which there is a reasonable possibility of an adverse determination that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (b) that involve any Loan Document. Since the date of this Agreement, there has been no change in the status of the matters disclosed in Schedule 7.05 that, individually or in the aggregate, has resulted in, or would reasonably be expected to result in, a Material Adverse Effect.

Section 7.06 Environmental Matters. Except for such matters that, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect on the Borrower or any other Obligor or their respective Subsidiaries:

(a) the Obligors and their respective Subsidiaries and each of their respective Properties and operations thereon are, and within all applicable statute of limitation periods have been, in compliance with all applicable Environmental Laws;

(b) the Obligors and their respective Subsidiaries have obtained all Environmental Permits required for their respective operations and each of their Properties, with all such Environmental Permits being currently in full force and effect, and none of Borrower or its Subsidiaries has received any written notice or otherwise has knowledge that any such existing Environmental Permit will be revoked or that any application for any new Environmental Permit or renewal of any existing Environmental Permit will be protested or denied;

(c) there are no claims, demands, suits, orders, inquiries, or proceedings concerning any violation of, or any liability (including as a potentially responsible party) under, any applicable Environmental Laws that are pending or, to the knowledge of any Obligor, threatened against the Obligors and their respective Subsidiaries or any of their respective Properties or as a result of any operations at the Properties;

(d) none of the Properties contain or have contained any: (i) underground storage tanks; (ii) asbestos containing materials in a friable condition or otherwise requiring abatement under Environmental Laws; (iii) landfills or dumps; (iv) hazardous waste management units as defined pursuant to RCRA or any comparable state law; or (v) sites on or nominated for the National Priority List promulgated pursuant to CERCLA or any similar state remedial priority list promulgated or published pursuant to any comparable state law;

(e) there is no Release or threatened Release, of Hazardous Materials at, on, under or from any of the Borrower's or its Subsidiaries' Properties, there is no investigation, remediation, abatement, removal, or monitoring of Hazardous Materials required under applicable Environmental Laws at such Properties and, to the knowledge of the Obligors, none of such Properties are adversely affected by any Release or threatened Release of a Hazardous Material originating or emanating from any other real property;

(f) neither the Obligors nor their respective Subsidiaries has received any written notice asserting an alleged liability or obligation under any applicable Environmental Laws with respect to the investigation, remediation, abatement, removal, or monitoring of any Hazardous Materials at, under, or Released or threatened to be Released from any real properties offsite the Borrower's or its Subsidiaries' Properties and there are no conditions or circumstances that would reasonably be expected to result in the receipt of such written notice;

(a) On or before the delivery to the Administrative Agent and the Lenders of each Reserve Report required by Section 8.11, to the extent requested by the Administrative Agent, the Borrower will deliver title information in form and substance reasonably acceptable to the Administrative Agent covering enough of the Oil and Gas Properties of the Obligors or their respective Subsidiaries evaluated by such Reserve Report that were not included in the immediately preceding Reserve Report, so that the Administrative Agent shall have received together with title information previously delivered to the Administrative Agent, reasonably satisfactory title information on such portion of Oil and Gas Properties of the Obligors or their respective Subsidiaries evaluated by such Reserve Report, not to exceed eighty-five percent (85%) of the total value thereof, as may be reasonably requested by the Administrative Agent.

(b) If the Borrower has provided title information for additional Properties under Section 8.12(a), the Borrower shall, within 60 days of notice from the Administrative Agent that title defects or exceptions exist with respect to such additional Properties, either (i) cure any such title defects or exceptions (including defects or exceptions as to priority) which are not permitted by Section 9.03, (ii) substitute acceptable Mortgaged Properties with no title defects or exceptions (other than Liens which are permitted by Section 9.03) having an equivalent value or (iii) deliver title information in form and substance reasonably acceptable to the Administrative Agent so that the Administrative Agent shall have received, together with title information previously delivered to the Administrative Agent, reasonably satisfactory title information on such portion of Oil and Gas Properties of the Obligors or their respective Subsidiaries evaluated by such Reserve Report, not to exceed eighty-five percent (85%) of the total value thereof, as may be reasonably requested by the Administrative Agent.

(c) If the Borrower is unable to cure any title defect requested by the Administrative Agent or the Lenders to be cured within the 60-day period or the Borrower does not comply with the requirements to provide acceptable title information as required by Section 8.12(a) and Section 8.12(b), such default shall not be a Default, but instead the Administrative Agent and/or the Majority Lenders shall have the right to exercise the following remedy in their sole discretion from time to time, and any failure to so exercise this remedy at any time shall not be a waiver as to future exercise of the remedy by the Administrative Agent or the Lenders. To the extent that the Administrative Agent or the Majority Lenders are not reasonably satisfied with title to any Mortgaged Property after the 60-day period has elapsed, such unacceptable Mortgaged Property shall not count towards the requirements of Section 8.12(a) and Section 8.12(b), and the Administrative Agent may send a notice to the Borrower and the Lenders that the then outstanding Borrowing Base and Conforming Borrowing Base shall be reduced by an amount as determined by the Majority Lenders to cause the Borrower to be in compliance with the requirement to provide acceptable title information pursuant to Section 8.12(a) and Section 8.12(b) (and, during the Non-Conforming Period, the Non-Conforming Borrowing Base shall be adjusted accordingly). In the event that the Mortgaged Properties represent less than ninety-five percent (95%) of the total value of the Proved Reserves of the Oil and Gas Properties of the Obligors or their respective Subsidiaries evaluated in the most recently completed Reserve Report delivered to the Administrative Agent, then the Borrower shall, and shall cause each other Obligor to, grant, within sixty (60) days of the delivery of the certificate contemplated by Section 8.11(c), to the Administrative Agent or its designee as security for the Obligations a first-priority Lien interest (subject to Liens permitted by Section 9.03 which may attach to Mortgaged Property) on additional Oil and Gas Properties of the Obligors or their respective Subsidiaries not already subject to a Lien of the Security Instruments such that after giving effect thereto, the value of the Mortgaged Properties is equal to or greater than ninety-five percent (95%) of the total value of the Proved Reserves of the Oil and Gas Properties of the Obligors or their respective Subsidiaries evaluated in such Reserve Report. All such Liens will be created and perfected by and in accordance with the provisions of deeds of trust, Security Agreement, Pledge Agreement and financing statements or other Security Instruments, all in form and substance reasonably satisfactory to the Administrative Agent or its designee and in sufficient executed (and acknowledged where necessary or appropriate) counterparts for recording purposes. Section 8.16 Swap Agreements. Not later than one-hundred twenty (120) days after the Effective Date (or such later date as agreed to in writing by the Majority Lenders), the Borrower shall, itself or together with one or more of its Subsidiaries, enter into one or more Swap Agreements in respect of commodities with one or more Approved Counterparties that are Lenders or Affiliates of Lenders, and the notional volumes of which shall be not less than the following, for each of crude oil and natural gas, calculated separately: (a) for each month during calendar year 2017, 220,000,000 cubic feet per day for natural gas and 11,200 barrels per day for oil, (b) for each month during calendar year 2018, 131,000,000 cubic feet per day for natural gas and 6,500 barrels per day for oil and (c) for each month during calendar year 2019, 90,000,000 cubic feet per day for natural gas and 4,400 barrels per day for oil. (b) None of the Obligors or any of their respective Subsidiaries will maintain any securities, Cash Equivalents, cash and all cash proceeds of collateral in any account except in the Controlled Proceeds Accounts, and neither the Borrower nor any other Obligor will transfer funds from such Controlled Proceeds Accounts to any account of the Borrower, any Guarantor, or any Subsidiary or Affiliate of the Borrower or any Guarantor, that is not subject to an Account Control Agreement and a perfected security interest in favor of the Administrative Agent; provided, however, that cash in an amount not exceeding the Excluded Account Cap and otherwise meeting the requirements for Excluded Accounts may be deposited into Excluded Accounts; provided further that each of the cash management system accounts shall be a Controlled Proceeds Account.

Section 9.20 Parent Guarantors. Notwithstanding anything to the contrary contained herein or in any other Loan Document, (a) Parent shall not engage in any operating or business activities or other transaction other than its ownership of the Borrower and shall not directly hold Equity Interests of any Subsidiary except the Borrower; and (b) Holdings shall not engage in any operating or business activities or other transaction other than its ownership of Parent and shall not directly hold Equity Interests of any Subsidiary except Parent; provided that the following shall be permitted activities: (i) the maintenance of its legal existence (including the ability to incur fees, costs and expenses relating to such maintenance), (ii) the performance of its obligations with respect to the Loan Documents, (iii) payment of Taxes, (iv) conduct of financial audits as provided hereunder, (v) providing indemnification to officers, managers and directors, (vi) making Restricted Payments to holders of its Equity Interests to the extent permitted by Section 9.04, (vii) the issuance of Debt to the extent permitted by Section 9.02(f), Section 9.02(h) and Section 9.02(i), and (viii) any other activities incidental or reasonably to the foregoing.

Section 9.21 [Reserved].

Section 9.22 Sale and Leaseback Transactions. The Borrower will not, and will not permit any of its Subsidiaries to, enter into any Sale and Leaseback Transactions.

Section 9.23 Organizational Documents. The Borrower will not, and will not permit any of its Subsidiaries to, amend, modify or supplement in any material respect (or vote to enable, or take any other action to permit, such amendment, modification or supplement of) any Organizational Document of the Borrower or such Subsidiaries in any manner adverse to the interests of the Administrative Agent and the Lenders.

ARTICLE X
Events of Default; Remedies

Section 10.01 Events of Default. One or more of the following events shall constitute an "Event of Default":

(a) the Borrower shall fail to pay any principal of any Loan or any reimbursement obligation in respect of any LC Disbursement when and as the same shall become due and payable, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise.

(b) the Borrower shall fail to pay any interest on any Loan or any fee or any other amount (other than an amount referred to in Section 10.01(a)) payable under any Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of three Business Days.

(c) any representation or warranty made or deemed made by or on behalf of the Borrower or any Guarantor in or in connection with any Loan Document or any amendment or modification of any Loan Document or waiver under such Loan Document, or in any report, certificate, financial statement or other document furnished pursuant to or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, shall prove to have been incorrect in any material respect when made or deemed made.

(d) the Borrower or any Guarantor shall fail to observe or perform any covenant, condition or agreement contained in, Section 8.01(k), Section 8.02 Section 8.03 (with respect to the legal existence of the Borrower or any Guarantor), Section 8.13, Section 8.19 or in Article IX.

(e) the Borrower or any Guarantor shall fail to observe or perform any covenant, condition or agreement contained in this Agreement (other than those specified in Section 10.01(a) to (d) or (f) to (n)) or any other Loan Document, and such failure shall continue unremedied for a period of 30 days after the earlier to occur of (i) notice thereof from the Administrative Agent to the Borrower (which notice will be given at the request of any Lender) or (ii) a Responsible Officer of the Obligors or their respective Subsidiaries otherwise becoming aware of such failure.

(f) the Borrower or any Guarantor shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Debt, when and as the same shall become due and payable (after the expiration of any applicable period of grace and/or notice and cure period).

(g) any event or condition occurs (after the expiration of any applicable period of grace and/or notice and cure period) that (i) results in any Material Debts becoming due prior to its scheduled maturity or (ii) that enables or permits the holder or holders of any Material Debt or any trustee or agent on its or their behalf to cause any Material Debt to become due, or to require the Redemption thereof or any offer to Redeem to be made in respect thereof, prior to its scheduled maturity or require the Obligors or their respective Subsidiaries to make an offer in respect thereof.

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, reorganization or other relief in respect of the Borrower, the Parent Guarantor or any Obligor or its or their respective debts, or of a substantial part of its or their respective assets, under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower, the Parent Guarantor or any Obligor or for a substantial part of its or their respective assets, and, in any such case, such proceeding or petition shall continue undismissed for sixty (60) days or an order or decree approving or ordering any of the foregoing shall be entered.

(i) the Borrower, the Parent Guarantor or any Obligor shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, reorganization or other relief under any federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in Section 10.01(h), (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator, conservator or similar official for the Borrower, the Parent Guarantor or any Obligor or for a substantial part of its or their respective assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors or (vi) take any action for the purpose of effecting any of the foregoing; or any member of the Borrower or the Parent Guarantor shall make any request or take any action for the purpose of calling a meeting of the members of the Borrower or the Parent Guarantor, as applicable, to consider a resolution to dissolve and wind-up the Borrower's or the Parent Guarantor's affairs.

(j) the Borrower, the Parent Guarantor or any Obligor shall become unable, admit in writing its inability or fail generally to pay its debts as they become due.

(k) (i) one or more judgments for the payment of money in an aggregate amount in excess of $25,000,000 (to the extent not covered by independent third-party insurance provided by reputable and financially sound insurers as to which the insurer has not issued a notice denying coverage and is not subject to an insolvency proceeding) or (ii) any one or more non-monetary judgments that have, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, shall be rendered by a court of competent jurisdiction against the Borrower, the Parent Guarantor or any Obligor or any combination thereof and the same shall remain undischarged or unsatisfied for a period of thirty (30) consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to attach or levy upon any material assets of the Borrower, the Parent Guarantor or any Obligor to enforce any such judgment.

(l) the Loan Documents after delivery thereof shall for any reason, except to the extent permitted by the terms thereof, cease to be in full force and effect and valid, binding and enforceable in accordance with their terms against the Borrower, the Parent Guarantor or any Obligor party thereto or shall be repudiated by them, or cease to create a valid and perfected Lien of the priority required thereby on any material portion of the collateral purported to be covered thereby, except to the extent permitted by the terms of this Agreement, or the Borrower, or any other Obligor shall so state in writing.

(m) an ERISA Event shall have occurred that, when taken together with all other ERISA Events that have occurred, could reasonably be expected to have a Material Adverse Effect.

(n) a Change in Control shall occur.

Section 10.02 Remedies.

(a) In the case of an Event of Default other than one described in Section 10.01(h) or Section 10.01(i), at any time thereafter during the continuance of such Event of Default, the Administrative Agent, at the request of the Majority Lenders, shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments shall terminate immediately, and (ii) declare the Notes and the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents (including, without limitation, the payment of cash collateral to secure the LC Exposure as provided in Section 2.08(j)), shall become due and payable immediately, without presentment, demand, protest, notice of intent to accelerate, notice of acceleration or other notice of any kind, all of which are hereby waived by the Borrower and each Guarantor; and in case of an Event of Default described in Section 10.01(h) or Section 10.01(i), the Commitments shall automatically terminate and the Notes and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and the other obligations of the Borrower and the Guarantors accrued hereunder and under the Notes and the other Loan Documents (including, without limitation, the payment of cash collateral to secure the LC Exposure as provided in Section 2.08(j)), shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower and each Guarantor.

(b) In the case of the occurrence of an Event of Default, the Administrative Agent and the Lenders will have all other rights and remedies available at law and equity.

(c) Except as provided in Section 4.04, proceeds realized from the liquidation or other disposition of collateral or otherwise received after maturity of the Notes, whether by acceleration or otherwise, shall be applied: first, to reimbursement of expenses and indemnities provided for in this Agreement and the Security Instruments; second, to accrued and unpaid interest on the Loans; third, to that portion of the Obligations constituting fees payable to the Administrative Agent or the Lenders under the Loan Documents; fourth, pro rata (i) to the payment of unpaid principal of the Loans, (ii) to the payment of Obligations referred to in clause (b) of the definition thereof owing to any Secured Hedge Provider and (iii) to serve as cash collateral to be held by the Administrative Agent to secure the LC Exposure; fifth, to any other Obligations; and any excess shall be paid to the Borrower or as otherwise required by any Governmental Requirement. Notwithstanding the foregoing, amounts received from the Borrower or any Guarantor that is not a Qualified ECP Guarantor shall not be applied to satisfy amounts owing by the Borrower or any Subsidiary on any Excluded Swap Obligation.

(d) Without limiting any other provision of this Article X, after the occurrence of, and during the continuation of, an Event of Default, the Administrative Agent may give instructions directing the disposition of funds or securities credited or deposited into any Controlled Proceeds Account (including without limitation sweeping such proceeds for payment of the Obligations) and/or withhold any withdrawal rights of any Obligor with respect to any or all funds or securities credited to any Controlled Proceeds Account.

Section 10.03 Disposition of Proceeds. The Security Instruments contain an assignment by the Borrower and the Obligors unto and in favor of the Administrative Agent for the benefit of the Lenders of all of the Borrower's and each Obligor's interest in and to production and all proceeds attributable thereto which may be produced from or allocated to the Mortgaged Property. The Security Instruments further provide in general for the application of such proceeds to the satisfaction of the Obligations and other obligations described therein and secured thereby. Notwithstanding the assignment contained in such Security Instruments, except after the occurrence and during the continuance of an Event of Default, (a) the Administrative Agent and the Lenders agree that they will neither notify the purchaser or purchasers of such production nor take any other action to cause such proceeds to be remitted to the Administrative Agent or the Lenders, but the Lenders will instead permit such proceeds to be paid to the Borrower or its Subsidiaries, as applicable and (b) the Lenders hereby authorize the Administrative Agent to take such actions as may be necessary to cause such proceeds to be paid to the Borrower or its Subsidiaries, as applicable.

Section 10.04 Credit Bidding. Each of the Borrower and the other Obligors, and the Lenders hereby irrevocably authorize (and by entering into a Swap Agreement, each Approved Counterparty shall be deemed to authorize) the Administrative Agent, based upon the instruction of the Majority Lenders, to Credit Bid and purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (and the Borrower and each other Obligor and their respective Subsidiaries shall approve the Administrative Agent as a qualified bidder and such Credit Bid as a qualified bid) at any sale thereof conducted by the Administrative Agent, based upon the instruction of the Majority Lenders, under any provisions of the Uniform Commercial Code, as part of any sale or investor solicitation process conducted by the Borrower or any other Obligor or their respective Subsidiaries, any interim receiver, manager, receiver and manager, administrative receiver, trustee, agent or other Person pursuant or under any insolvency laws; provided, however, that (a) the Majority Lenders may not direct the Administrative Agent in any manner that does not treat each of the Lenders equally, without preference or discrimination, in respect of consideration received as a result of the Credit Bid, (b) the acquisition documents shall be commercially reasonable and contain customary protections for minority holders, such as, among other things, anti-dilution and tag-along rights, (c) the exchanged debt or equity securities must be freely transferable, without restriction (subject to applicable securities laws) and (d) reasonable efforts shall be made to structure the acquisition in a manner that causes the governance documents pertaining thereto to not impose any obligations or liabilities upon the Lenders individually (such as indemnification obligations).

ARTICLE XI
The Administrative Agent

Section 11.01 Appointment; Powers. Each of the Lenders and each Issuing Bank hereby irrevocably appoints the Administrative Agent as its agent and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof and the other Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Section 11.02 Duties and Obligations of Administrative Agent. The Administrative Agent shall have no duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing (the use of the term "agent" herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law; rather, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties), (b) the Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except as provided in Section 11.03, and (c) except as expressly set forth herein, the Administrative Agent shall have no duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Obligors or their respective Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or under any other Loan Document or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or in any other Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, (v) the satisfaction of any condition set forth in Article VI or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, (vi) the existence, value, perfection or priority of any collateral security or the financial or other condition of the Obligors or their respective Subsidiaries or any other obligor or guarantor, or (vii) any failure by the Borrower or any other Person (other than itself) to perform any of its obligations hereunder or under any other Loan Document or the performance or observance of any covenants, agreements or other terms or conditions set forth herein or therein. For purposes of determining compliance with the conditions specified in Article VI, each Lender shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the proposed closing date specifying its objection thereto.

Section 11.03 Action by Administrative Agent. The Administrative Agent shall have no duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise in writing as directed by the Majority Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) and in all cases the Administrative Agent shall be fully justified in failing or refusing to act hereunder or under any other Loan Documents unless it shall (a) receive written instructions from the Majority Lenders or the Lenders, as applicable, (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02) specifying the action to be taken and (b) be indemnified to its satisfaction by the Lenders against any and all liability and expenses which may be incurred by it by reason of taking or continuing to take any such action. The instructions as aforesaid and any action taken or failure to act pursuant thereto by the Administrative Agent shall be binding on all of the Lenders. If a Default has occurred and is continuing, then the Administrative Agent shall take such action with respect to such Default as shall be directed by the requisite Lenders in the written instructions (with indemnities) described in this Section 11.03, provided that, unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default as it shall deem advisable in the best interests of the Lenders. In no event, however, shall the Administrative Agent be required to take any action which exposes the Administrative Agent to personal liability or which is contrary to this Agreement, the Loan Documents or applicable law. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Majority Lenders or the Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 12.02), and otherwise the Administrative Agent shall not be liable for any action taken or not taken by it hereunder or under any other Loan Document or under any other document or instrument referred to or provided for herein or therein or in connection herewith or therewith INCLUDING ITS OWN ORDINARY NEGLIGENCE, except for its own gross negligence or willful misconduct.

Section 11.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person, and shall not incur any liability for relying thereon and each of the Borrower, the Lenders and each Issuing Bank hereby waives the right to dispute the Administrative Agent's record of such statement, except in the case of gross negligence or willful misconduct by the Administrative Agent. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof permitted hereunder shall have been filed with the Administrative Agent.

Section 11.05 Subagents. The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and

all its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions of the preceding Sections of this Article XI shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

Section 11.06 Resignation of Administrative Agent. Subject to the appointment and acceptance of a successor Administrative Agent as provided in this Section 11.06, the Administrative Agent may resign at any time by notifying the Lenders, each Issuing Bank and the Borrower and the Administrative Agent may be removed at any time with or without cause by the Majority Lenders. Upon any such resignation or removal, the Majority Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Majority Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and each Issuing Bank, appoint a successor Administrative Agent. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to the successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article XI and Section 12.03 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while it was acting as Administrative Agent.

Section 11.07 Administrative Agent and Lenders. The Administrative Agent shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the Administrative Agent and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not the Administrative Agent hereunder.

Section 11.08 No Reliance.

(a) Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and each other Loan Document to which it is a party. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document, any related agreement or any document furnished hereunder or thereunder. The Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Obligors or their respective Subsidiaries of this Agreement, the Loan Documents or any other document referred to or provided for herein or to inspect the Properties or books of the Borrower or its Subsidiaries. Except for notices, reports

and other documents and information expressly required to be furnished to the Lenders by the Administrative Agent hereunder, neither the Administrative Agent nor the Arranger shall have any duty or responsibility to provide any Lender with any credit or other information concerning the affairs, financial condition or business of the Borrower (or any of its Affiliates) which may come into the possession of the Administrative Agent, the Arranger or any of their respective Affiliates. In this regard, each Lender acknowledges that Baker & McKenzie LLP is acting in this transaction as special counsel to the Administrative Agent only, except to the extent otherwise expressly stated in any legal opinion or any Loan Document. Each other party hereto will consult with its own legal counsel to the extent that it deems necessary in connection with the Loan Documents and the matters contemplated therein.

(b) The Lenders acknowledge that the Administrative Agent and the Arranger are acting solely in administrative capacities with respect to the structuring and syndication of this facility and have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than their administrative duties, responsibilities and liabilities specifically as set forth in the Loan Documents and in their capacity as Lenders hereunder. In structuring, arranging or syndicating this facility, each Lender acknowledges that the Administrative Agent and/or the Arranger may be agents or lenders under these Notes, other loans or other securities and waives any existing or future conflicts of interest associated with their role in such other debt instruments. If in its administration of this facility or any other debt instrument, the Administrative Agent determines (or is given written notice by any Lender) that a conflict exists, then it shall eliminate such conflict within 90 days or resign pursuant to Section 11.06 and shall have no liability for action taken or not taken, other than actions taken or not taken which represent the Administrative Agent's gross negligence or willful misconduct, while such conflict existed.

Section 11.09 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Obligors or their respective Subsidiaries, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 12.03) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 12.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.10 Authority of Administrative Agent to Release Collateral and Liens. Each Lender, each Issuing Bank and each Secured Hedge Provider hereby authorizes the Administrative Agent to release (a) all of the Collateral upon payment in full of all Obligations, (b) any collateral that is permitted to be sold or released pursuant to the terms of the Loan Documents, and (c) any Guarantor from the Guaranty Agreement pursuant to the terms thereof and hereof . Each Lender, each Issuing Bank and each Secured Hedge Provider hereby authorizes the Administrative Agent to execute and deliver to the Borrower, at the Borrower's sole cost and expense, any and all releases of Liens, termination statements, assignments or other documents reasonably requested by the Borrower in connection with any sale or other disposition of Property to the extent such sale or other disposition is permitted by the terms of Section 9.11 or is otherwise authorized by the terms of the Loan Documents.

Section 11.11 The Arranger. The Arranger shall have no duties, responsibilities or liabilities under this Agreement and the other Loan Documents other than its duties, responsibilities and liabilities in its individual capacity as a Lender hereunder to the extent it is a party to this Agreement as a Lender.

Section 12.02 Waivers; Amendments.

(a) No failure on the part of the Administrative Agent, any other agent, any Issuing Bank or any Lender to exercise and no delay in exercising, and no course of dealing with respect to, any right, power or privilege, or any abandonment or discontinuance of steps to enforce such right, power or privilege, under any of the Loan Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under any of the Loan Documents preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies of the Administrative Agent, any other agent, each Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 12.02(b), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, any other agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time.

(b) In each instance subject to Section 4.04(c)(ii), neither this Agreement nor any provision hereof nor any Security Instrument nor any other Loan Document nor any provision thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Majority Lenders or by the Borrower and the Administrative Agent with the written consent of the Majority Lenders; provided that any such waiver, amendment or modification that directly and adversely affects the rights or obligations of only the Revolving Lenders (and not those of the Term Lenders) shall require the consent of the Majority Revolving Lenders, and any such waiver, amendment or modification that directly and adversely affects the rights or obligations of only the Term Lenders (and not those of the Revolving Lenders) shall require the consent of the Majority Term Lenders.

Notwithstanding the foregoing, no such agreement of the Majority Lenders, Majority Revolving Lenders or Majority Term Lenders shall (i) increase the Maximum Credit Amount of any Lender without the written consent of such Lender, (ii) increase, maintain or decrease the Borrowing Base or the Conforming Borrowing Base without the consent or deemed consent of each, applicable, Borrowing Base Required Lender, or modify in any manner Section 2.07 without the consent of each Revolving Lender, (iii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon (other than the waiver of interest at the default rate pursuant to Section 3.02(c), or reduce any fees payable hereunder, or reduce any other Obligations hereunder or under any other Loan Document, without the written consent of each Lender affected thereby, (iv) postpone the scheduled date of payment of the principal amount of any Loan or LC Disbursement, or any interest thereon, or any fees payable hereunder, or any other Obligations hereunder or under any other Loan Document, or reduce the amount of, waive or excuse any such payment, or postpone or extend the Termination Date or the Maturity Date without the written consent of each Lender affected thereby, (v) change Section 2.06(b)(ii), Section 4.01(b), Section 4.01(c) or Section 10.02(c) in a manner that would alter the pro rata reduction of Commitments or the pro rata sharing of payments required thereby, without the written consent of each Lender adversely affected thereby, (vi) waive or amend Section 6.01, or Section 8.13 without the written consent of each Lender, (vii) release any Guarantor (except as set forth in the Guaranty Agreement) or release all or a substantial portion of the collateral (other than as provided in Section 11.10) without written consent of each Lender and each Secured Hedge Provider, or reduce the percentage set forth in Section 8.13(a) to less than ninety percent (90%), without the written consent of each Lender, (viii) modify the terms of clause (b) of the definition of "Obligations", the definition of "Secured Hedge Provider", the definition of "Secured Swap Agreement", Section 10.02(c), Section 12.14, or any of the provisions of Section 12.02(b) without the consent of each Secured Hedge Provider adversely affected thereby, (ix) change any of the provisions of this Section 12.02(b) or the definition of "Majority Lenders", "Majority Revolving Lenders" or "Majority Term Lenders" or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or under any other Loan Documents or make any determination or grant any consent hereunder or any other Loan Documents, without the written consent of each Lender, or (x) amend or otherwise modify any Security Instrument in a manner that results in the obligations of the Borrower or any Subsidiary owing to any Secured Hedge Provider under any Secured Swap Agreement no longer being secured pursuant to such Security Instrument, without the written consent of such Secured Hedge Provider; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or such Issuing Bank, as the case may be. Notwithstanding the foregoing, any supplement to Schedule 7.14 (Subsidiaries) shall be effective simply by delivering to the Administrative Agent a supplemental Schedule clearly marked as such and, upon receipt, the Administrative Agent will promptly deliver a copy thereof to the Lenders.

(c) No provision of Section 2.09 may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Majority Term Lenders; provided that no such agreement shall (i) increase the Term Loan Commitment of any Term Lender without the written consent of such Term Lender, (ii) reduce the principal amount of any Term Loan or reduce the rate of interest thereon, without the written consent of each Term Lender affected thereby, (iii) extend the termination date of the Term Loan

Commitments, postpone the scheduled date of payment of the principal amount of any Term Loan, or any interest thereon (other than any waiver of interest at the rate required by Section 3.02(c)), or reduce the amount of, waive or excuse any such payment without the written consent of each Term Lender affected thereby, (iv) change any of the provisions of this Section 12.02(c) without the written consent of each Term Lender without the consent of each Term Lender. Each Term Lender acknowledges and agrees that it has no consent or voting rights with respect to waivers, amendments or modifications of this Agreement, any provision hereof, any Security Instrument or any other Loan Document or any provision thereof, except as expressly set forth in this Section 12.02(c) or as expressly set forth with respect to any vote of Majority Lenders pursuant to Section 12.02(b).

(d) For the avoidance of doubt, any amendment, restatement, waiver, consent or other modification that has the effect of increasing the principal amount of the Term Loan, shortening the maturity date or accelerating amortization shall constitute a material change affecting all Lenders and shall require the approval of all Lenders.

(e) Notwithstanding any other provision in this Agreement to the contrary, the Administrative Agent is authorized on the Effective Date to waive delivery of any Security Instrument and perfection of any Liens contemplated thereunder, as set forth in Section 6.01(j), Section 6.01(k), or Section 6.01(l) (but only to the extent such opinions relate to any Security Interests, mortgages or perfection), to a date not later than thirty (30) days after the Effective Date, or such later date as determined in the Administrative Agent's sole discretion.

(f) Notwithstanding any other provision of this Agreement or any other Loan Document to the contrary, this Agreement may not be amended, restated, amended and restated, supplemented, changed or otherwise modified or renewed if the effect of such change would be to (i) increase the Commitment or Maximum Credit Amount, or (ii) extend the Maturity Date, until flood insurance diligence and compliance is reasonably satisfactory to all Lenders.

Section 12.03 Expenses, Indemnity; Damage Waiver.

(a) The Borrower and each other Obligor shall jointly and severally pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent, the Arranger and their Affiliates, including, without limitation, the reasonable fees, charges and disbursements of counsel and other outside consultants for the Administrative Agent, the reasonable travel, photocopy, mailing, courier, telephone and other similar expenses and, in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration (both before and after the execution hereof and including advice of counsel to the Administrative Agent as to the rights and duties of the Administrative Agent and the Lenders with respect thereto) of this Agreement and the other Loan Documents and any amendments, modifications or waivers of or consents related to the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all out-of-pocket costs, expenses, Taxes, assessments and other charges incurred by the Administrative Agent or any Lender in connection with any filing, registration, recording or perfection of any security interest contemplated by this Agreement or any Security Instrument or any other document referred to therein, (iii) all reasonable out-of-pocket expenses incurred by each Issuing Bank in connection with the issuance, amendment, renewal or extension of any

Letter of Credit issued by such Issuing Bank or any demand for payment thereunder, (iv) all out-of-pocket expenses incurred by the Administrative Agent (and its Affiliates) and the Lenders (including (A) the fees, charges and disbursements of counsel to the Administrative Agent and (B) the fees, charges and disbursements of one primary counsel to the Lenders as a group (plus no more than one additional counsel in each jurisdiction that is relevant to such enforcement or protection of rights)) in connection with this Agreement or any other Loan Document or in connection with the Loans made or Letters of Credit issued hereunder, including, without limitation, all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) **THE BORROWER AND EACH OTHER OBLIGOR SHALL JOINTLY AND SEVERALLY INDEMNIFY THE ADMINISTRATIVE AGENT, THE ARRANGER, EACH ISSUING BANK AND EACH LENDER, AND EACH RELATED PARTY OF ANY OF THE FOREGOING PERSONS (EACH SUCH PERSON BEING CALLED AN "INDEMNITEE") AGAINST, AND HOLD EACH INDEMNITEE HARMLESS FROM, ANY AND ALL LOSSES, CLAIMS, DAMAGES, LIABILITIES AND RELATED EXPENSES, INCLUDING THE REASONABLE AND CUSTOMARY FEES, CHARGES AND DISBURSEMENTS OF ANY COUNSEL FOR ANY INDEMNITEE, INCURRED BY OR ASSERTED AGAINST ANY INDEMNITEE ARISING OUT OF, IN CONNECTION WITH, OR AS A RESULT OF (i) THE EXECUTION OR DELIVERY OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT (OTHER THAN EXPENSES IN CONNECTION WITH THE EXECUTION AND DELIVERY OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS DATED OF EVEN DATE HEREWITH, WHICH EXPENSES SHALL ONLY BE PAID BY THE BORROWER TO THE EXTENT PROVIDED IN SECTION 12.03(A)) OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE PERFORMANCE BY THE PARTIES HERETO OR THE PARTIES TO ANY OTHER LOAN DOCUMENT OF THEIR RESPECTIVE OBLIGATIONS HEREUNDER OR THEREUNDER OR THE CONSUMMATION OF THE TRANSACTIONS CONTEMPLATED HEREBY OR BY ANY OTHER LOAN DOCUMENT, (ii) THE FAILURE OF THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES TO COMPLY WITH THE TERMS OF ANY LOAN DOCUMENT, INCLUDING THIS AGREEMENT, OR WITH ANY GOVERNMENTAL REQUIREMENT, (iii) ANY INACCURACY OF ANY REPRESENTATION OR ANY BREACH OF ANY WARRANTY OR COVENANT OF THE BORROWER OR ANY GUARANTOR SET FORTH IN ANY OF THE LOAN DOCUMENTS OR ANY INSTRUMENTS, DOCUMENTS OR CERTIFICATIONS DELIVERED IN CONNECTION THEREWITH, (iv) ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREFROM, INCLUDING, WITHOUT LIMITATION, (A) ANY REFUSAL BY ANY ISSUING BANK TO HONOR A DEMAND FOR PAYMENT UNDER A LETTER OF CREDIT ISSUED BY SUCH ISSUING BANK IF THE DOCUMENTS PRESENTED IN CONNECTION WITH SUCH DEMAND DO NOT STRICTLY COMPLY WITH THE TERMS OF SUCH LETTER OF CREDIT, OR (B) THE PAYMENT OF A DRAWING UNDER ANY LETTER OF CREDIT NOTWITHSTANDING THE NON-COMPLIANCE, NON-DELIVERY OR OTHER IMPROPER PRESENTATION OF THE DOCUMENTS PRESENTED IN CONNECTION THEREWITH, (v) ANY OTHER ASPECT OF THE LOAN DOCUMENTS, (vi) THE OPERATIONS OF THE BUSINESS OF THE**

OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (vii) ANY ASSERTION THAT THE LENDERS WERE NOT ENTITLED TO RECEIVE THE PROCEEDS RECEIVED PURSUANT TO THE SECURITY INSTRUMENTS, (viii) ANY ENVIRONMENTAL LAW APPLICABLE TO THE BORROWER OR ITS SUBSIDIARIES OR ANY OF THEIR PROPERTIES, INCLUDING WITHOUT LIMITATION, THE PRESENCE, GENERATION, STORAGE, RELEASE, THREATENED RELEASE, USE, TRANSPORT, DISPOSAL, ARRANGEMENT OF DISPOSAL OR TREATMENT OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS MATERIALS ON ANY OF THEIR PROPERTIES, (ix) THE BREACH OR NON-COMPLIANCE BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES WITH ANY ENVIRONMENTAL LAW APPLICABLE TO THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (x) THE PAST OWNERSHIP BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES OF ANY OF THEIR PROPERTIES OR PAST ACTIVITY ON ANY OF THEIR PROPERTIES WHICH, THOUGH LAWFUL AND FULLY PERMISSIBLE AT THE TIME, COULD RESULT IN PRESENT LIABILITY, (xi) THE PRESENCE, USE, RELEASE, STORAGE, TREATMENT, DISPOSAL, GENERATION, THREATENED RELEASE, TRANSPORT, ARRANGEMENT FOR TRANSPORT OR ARRANGEMENT FOR DISPOSAL OF OIL, OIL AND GAS WASTES, SOLID WASTES OR HAZARDOUS SUBSTANCES ON OR AT ANY OF THE PROPERTIES OWNED OR OPERATED BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES OR ANY ACTUAL OR ALLEGED PRESENCE OR RELEASE OF HAZARDOUS MATERIALS ON OR FROM ANY PROPERTY OWNED OR OPERATED BY THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, (xii) ANY ENVIRONMENTAL LIABILITY RELATED IN ANY WAY TO THE OBLIGORS OR THEIR RESPECTIVE SUBSIDIARIES, OR (xiii) ANY OTHER ENVIRONMENTAL, HEALTH OR SAFETY CONDITION IN CONNECTION WITH THE LOAN DOCUMENTS, (xiv) THE USE BY UNINTENDED RECIPIENTS OF ANY INFORMATION OR OTHER MATERIALS DISTRIBUTED BY IT THROUGH TELECOMMUNICATIONS, ELECTRONIC OR OTHER INFORMATION TRANSMISSION SYSTEM IN CONNECTION WITH THIS AGREEMENT, THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY, OR (xv) ANY ACTUAL OR PROSPECTIVE CLAIM, LITIGATION, INVESTIGATION OR PROCEEDING RELATING TO ANY OF THE FOREGOING, WHETHER BROUGHT BY A THIRD PARTY, THE BORROWER OR ANY GUARANTOR, WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY AND REGARDLESS OF WHETHER ANY INDEMNITEE IS A PARTY THERETO, AND SUCH INDEMNITY SHALL EXTEND TO EACH INDEMNITEE NOTWITHSTANDING THE SOLE OR CONCURRENT NEGLIGENCE OF EVERY KIND OR CHARACTER WHATSOEVER, WHETHER ACTIVE OR PASSIVE, WHETHER AN AFFIRMATIVE ACT OR AN OMISSION, INCLUDING WITHOUT LIMITATION, ALL TYPES OF NEGLIGENT CONDUCT IDENTIFIED IN THE RESTATEMENT (SECOND) OF TORTS OF ONE OR MORE OF THE INDEMNITEES OR BY REASON OF STRICT LIABILITY IMPOSED WITHOUT FAULT ON ANY ONE OR MORE OF THE INDEMNITEES; PROVIDED THAT SUCH INDEMNITY SHALL NOT, AS TO ANY INDEMNITEE, BE AVAILABLE TO THE EXTENT THAT SUCH LOSSES, CLAIMS, DAMAGES,

LIABILITIES OR RELATED EXPENSES ARE DETERMINED BY A COURT OF COMPETENT JURISDICTION BY FINAL AND NONAPPEALABLE JUDGMENT TO HAVE RESULTED FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUCH INDEMNITEE, AND PROVIDED FURTHER THAT THE INDEMNITY SET FORTH HEREIN SHALL NOT APPLY TO DISPUTES SOLELY BETWEEN LENDERS UNLESS SUCH DISPUTE RESULTS FROM ANY CLAIM ARISING OUT OF ANY REQUEST, ACT OR OMISSION ON THE PART OF THE BORROWER OR ANY GUARANTOR OR AGAINST THE ARRANGER, ANY AGENT OR ANY ISSUING BANK IN ITS CAPACITY AS SUCH, IN EACH CASE, IN CONNECTION WITH THE LOAN DOCUMENTS. WITH RESPECT TO THE OBLIGATION TO REIMBURSE AN INDEMNITEE FOR FEES, CHARGES AND DISBURSEMENTS OF COUNSEL, EACH INDEMNITEE AGREES THAT ALL INDEMNITEES WILL AS A GROUP UTILIZE ONE PRIMARY COUNSEL (PLUS NO MORE THAN ONE ADDITIONAL COUNSEL IN EACH JURISDICTION WHERE A PROCEEDING THAT IS THE SUBJECT MATTER OF THE INDEMNITY IS LOCATED) UNLESS (1) THERE IS A CONFLICT OF INTEREST AMONG INDEMNITEES, (2) DEFENSES OR CLAIMS EXIST WITH RESPECT TO ONE OR MORE INDEMNITEES THAT ARE NOT AVAILABLE TO ONE OR MORE OTHER INDEMNITEES OR (3) SPECIAL COUNSEL IS REQUIRED TO BE RETAINED AND THE BORROWER CONSENTS TO SUCH RETENTION.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to such (i) Administrative Agent under Section 12.03(a) or (b), each Lender severally agrees to pay to such Administrative Agent such Lender's pro rata share (determined by dividing (A) the sum of such Lender's Maximum Credit Amount and principal amount of Term Loans outstanding by (B) the sum of the Aggregate Maximum Credit Amounts and the aggregate principal amount of Term Loans outstanding as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Administrative Agent in its capacity as such or (ii) Issuing Bank under Section 12.03(a) or (b), each Revolving Lender severally agrees to pay to such Issuing Bank such Revolving Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Issuing Bank in its capacity as such. For the avoidance of doubt, the parties hereto acknowledge and agree that a claim for indemnity under Section 12.03(a), to the extent covered thereby, is a claim of direct or actual damages and nothing contained in the foregoing sentence shall limit the Obligors' indemnification obligations to the extent special, indirect, consequential or punitive damages are included in any third party claim in connection with which such Indemnitee is otherwise entitled to indemnification hereunder.

(d) **TO THE EXTENT PERMITTED BY APPLICABLE LAW, NEITHER ANY PARTY HERETO NOR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES AND AGENTS SHALL ASSERT, AND EACH HEREBY WAIVES, ANY CLAIM AGAINST ANY OTHER SUCH PERSON, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) ARISING OUT OF,**

IN CONNECTION WITH, OR AS A RESULT OF, THIS AGREEMENT, ANY OTHER LOAN DOCUMENT OR ANY AGREEMENT OR INSTRUMENT CONTEMPLATED HEREBY OR THEREBY, THE TRANSACTIONS, ANY LOAN OR LETTER OF CREDIT OR THE USE OF THE PROCEEDS THEREOF. FOR THE AVOIDANCE OF DOUBT, NOTHING HEREIN SHALL LIMIT OR BE DEEMED TO LIMIT THE OBLIGORS' OBLIGATION TO INDEMNIFY THE INDEMNITEE'S FOR ANY SUCH CLAIMS BROUGHT BY THIRD PARTIES.

(e) All amounts due under this Section 12.03 shall be payable within ten (10) Business Days of written demand therefor attaching the relevant invoices and/or a certificate, in each case setting forth the basis for such demand in reasonable detail.

Section 12.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 12.04 or as required under Section 5.04(b), and (iii) no Lender may assign to the Borrower or any other Obligor or their respective Subsidiaries, or an Affiliate of the Borrower or any other Obligor or their respective Subsidiaries, or a Defaulting Lender or an Affiliate of a Defaulting Lender all or any portion of such Lender's rights and obligations under the Agreement or all or any portion of its Commitments or the Loans owing to it hereunder. During the Non-Conforming Period, no Revolving Lender may separately assign its Revolving Loan Exposure or Revolving Loan Commitments with respect to the Conforming Borrowing Base Loans and the Non-Conforming Borrowing Base Loans. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of any Issuing Bank that issues any Letter of Credit), Participants (to the extent provided in Section 12.04(c)) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, each Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 12.04(b)(ii), any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld, conditioned or delayed) of:

(A) the Borrower, provided that no consent of the Borrower shall be required if such assignment is to a Lender or an Affiliate of a Lender, an Approved Fund or, if an Event of Default has occurred and is continuing, is to any other assignee, provided further that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within 5 Business Days after having received notice thereof; and

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment to an assignee that is a Lender or any Affiliate of a Lender or an Approved Fund, immediately prior to giving effect to such assignment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire; and

(E) no assignment shall be made to a natural Person, or to any holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural person.

(iii) Notwithstanding any other provision of this Agreement to the contrary, the Borrower may purchase the Term Loans from any Term Loan Lender in the open secondary market; provided that such purchased Term Loan shall be immediately cancelled and retired; provided further, no such purchase shall be permitted by the Borrower using proceeds of Revolving Loans and after giving effect to such purchase on a pro forma basis, the amount available for borrowing under the Borrowing Base, or during the Non-Conforming Period, the Conforming Borrowing Base, shall not be less than twenty percent (20%) of the Borrowing Base then in effect, or during the Non-Conforming Period, the Conforming Borrowing Base then in effect.

(iv) Subject to Section 12.04(b)(ii) and the acceptance and recording thereof, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement,

and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 5.01, Section 5.02, Section 5.03 and Section 12.03). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.04(c).

(v) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Maximum Credit Amount of, and principal amount of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive (absent manifest error), and the Borrower, the Administrative Agent, each Issuing Bank and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Issuing Bank and any Lender, at any reasonable time and from time to time upon reasonable prior notice. In connection with any changes to the Register, if necessary, the Administrative Agent will reflect the revisions on Annex II and forward a copy of such revised Annex II to the Borrower, each Issuing Bank and each Lender.

(vi) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Section 12.04(b) and any written consent to such assignment required by this Section 12.04(b), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this Section 12.04(b).

(c) (i) Any Lender may, without the consent of the Borrower the Administrative Agent or any Issuing Bank, sell participations to one or more banks or other entities that are not an Affiliate of the Borrower or any other Obligor (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, each Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that (x) any such Revolving Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 12.02(b) that affects such Participant and (y) any such

Term Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the proviso to Section 12.02(c) that affects such Participant. In addition such agreement must provide that the Participant be bound by the provisions of Section 12.11. Subject to Section 12.04(c)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of Section 5.01, Section 5.02 and Section 5.03 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.04(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.08 as though it were a Lender, provided such Participant agrees to be subject to Section 4.01(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 5.01 or Section 5.03 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 5.03 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 5.03(e) as though it were a Lender.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 12.04(d) shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 12.05 Survival; Revival; Reinstatement.

(a) All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement

and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, any other agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Section 5.01, Section 5.02, Section 5.03, Section 12.03, Section 12.11 and Article XI shall survive and remain in full force and effect regardless of the consummation of the Transactions, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement, any other Loan Document or any provision hereof or thereof.

(b) To the extent that any payments on the Obligations or proceeds of any collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under any bankruptcy law, common law or equitable cause, then to such extent, the Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received and the Administrative Agent's and the Lenders' Liens, security interests, rights, powers and remedies under this Agreement and each Loan Document shall continue in full force and effect. In such event, each Loan Document shall be automatically reinstated and the Borrower shall take such action as may be reasonably requested by the Administrative Agent and the Lenders to effect such reinstatement.

Section 12.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract.

(b) This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and thereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. **THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES HERETO AND THERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.**

(c) Except as provided in Section 6.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, facsimile, as an attachment to an email or other similar electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 12.07 Severability. Any provision of this Agreement or any other Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 12.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (of whatsoever kind, including, without limitation, obligations under Swap Agreements) at any time owing by such Lender or Affiliate to or for the credit or the account of the Obligors or their respective Subsidiaries against any of and all the obligations of the Obligors or their respective Subsidiaries owed to such Lender now or hereafter existing under this Agreement or any other Loan Document, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations may be unmatured. Each Lender or its Affiliate agrees to promptly notify the Borrower and the Administrative Agent after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Lender under this Section 12.08 are in addition to other rights and remedies (including other rights of setoff) which such Lender or its Affiliates may have.

Section 12.09 GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS.

(a) THIS AGREEMENT AND THE NOTES SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF TEXAS EXCEPT TO THE EXTENT THAT UNITED STATES FEDERAL LAW PERMITS ANY LENDER TO CONTRACT FOR, CHARGE, RECEIVE, RESERVE OR TAKE INTEREST AT THE RATE ALLOWED BY THE LAWS OF THE STATE WHERE SUCH LENDER IS LOCATED. CHAPTER 346 OF THE TEXAS FINANCE CODE (WHICH REGULATES CERTAIN REVOLVING CREDIT LOAN ACCOUNTS AND REVOLVING TRI-PARTY ACCOUNTS) SHALL NOT APPLY TO THIS AGREEMENT OR THE NOTES.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THE LOAN DOCUMENTS SHALL BE BROUGHT IN THE COURTS OF THE STATE OF TEXAS OR OF THE UNITED STATES OF AMERICA FOR THE SOUTHERN DISTRICT OF TEXAS, HOUSTON DIVISION, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HEREBY ACCEPTS FOR ITSELF AND (TO THE EXTENT PERMITTED BY LAW) IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS. EACH PARTY HEREBY IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING, WITHOUT LIMITATION, ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE

GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING IN SUCH RESPECTIVE JURISDICTIONS. THIS SUBMISSION TO JURISDICTION IS NON-EXCLUSIVE AND DOES NOT PRECLUDE A PARTY FROM OBTAINING JURISDICTION OVER ANOTHER PARTY IN ANY COURT OTHERWISE HAVING JURISDICTION.

(c) EACH PARTY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO IT AT THE ADDRESS SPECIFIED IN SECTION 12.01 OR SUCH OTHER ADDRESS AS IS SPECIFIED PURSUANT TO SECTION 12.01 (OR ITS ASSIGNMENT AND ASSUMPTION), SUCH SERVICE TO BECOME EFFECTIVE THIRTY (30) DAYS AFTER SUCH MAILING. NOTHING HEREIN SHALL AFFECT THE RIGHT OF A PARTY OR ANY HOLDER OF A NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANOTHER PARTY IN ANY OTHER JURISDICTION.

(d) **EACH PARTY HEREBY (i) IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN; (ii) IRREVOCABLY WAIVES, TO THE MAXIMUM EXTENT NOT PROHIBITED BY LAW, ANY RIGHT IT MAY HAVE TO CLAIM OR RECOVER IN ANY SUCH LITIGATION ANY SPECIAL, EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES, OR DAMAGES OTHER THAN, OR IN ADDITION TO, ACTUAL DAMAGES; (iii) CERTIFIES THAT NO PARTY HERETO NOR ANY REPRESENTATIVE OR AGENT OF COUNSEL FOR ANY PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, OR IMPLIED THAT SUCH PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVERS, AND (iv) ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT, THE LOAN DOCUMENTS AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS CONTAINED IN THIS SECTION 12.09.**

Section 12.10 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 12.11 Confidentiality. Each of the Administrative Agent, each Issuing Bank and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Related Parties' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or self-regulatory body, (c) to the extent required by applicable laws or

regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement or any other Loan Document, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section 12.11, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to the Borrower and their obligations, (g) with the consent of the Borrower, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 12.11 or (ii) becomes available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis from a source other than the Borrower, or (i) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender. For the purposes of this Section 12.11, "Information" means all information received from the Obligors or their respective Subsidiaries relating to the Obligors or their respective Subsidiaries and their businesses, other than any such information that is available to the Administrative Agent, any Issuing Bank or any Lender on a nonconfidential basis prior to disclosure by the Obligors or their respective Subsidiaries; provided that, in the case of information received from the Borrower, or any of its Subsidiaries after the date hereof, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 12.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that information furnished to it pursuant to this Agreement or the other Loan Documents may include material non-public information concerning the Borrower and its Affiliates and their Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and agrees that it will handle such material non-public information in accordance with those procedures and applicable law, including federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering, this Agreement or the other Loan Documents will be syndicate-level information, which may contain material non-public information about the Borrower and its Affiliates and their Related Parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including federal and state securities laws.

Section 12.12 Interest Rate Limitation. It is the intention of the parties hereto that each Lender shall conform strictly to usury laws applicable to it. Accordingly, if the Transactions would be usurious as to any Lender under laws applicable to it (including the laws of the United States of America and the State of Texas or any other jurisdiction whose laws may be mandatorily applicable to such Lender notwithstanding the other provisions of this Agreement), then, in that event, notwithstanding anything to the contrary in any of the Loan Documents or

any agreement entered into in connection with or as security for the Loans, it is agreed as follows: (a) the aggregate of all consideration which constitutes interest under law applicable to any Lender that is contracted for, taken, reserved, charged or received by such Lender under any of the Loan Documents or agreements or otherwise in connection with the Loans shall under no circumstances exceed the maximum amount allowed by such applicable law, and any excess shall be canceled automatically and if theretofore paid shall be credited by such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower); and (b) in the event that the maturity of the Loans is accelerated by reason of an election of the holder thereof resulting from any Event of Default under this Agreement or otherwise, or in the event of any required or permitted prepayment, then such consideration that constitutes interest under law applicable to any Lender may never include more than the maximum amount allowed by such applicable law, and excess interest, if any, provided for in this Agreement or otherwise shall be canceled automatically by such Lender as of the date of such acceleration or prepayment and, if theretofore paid, shall be credited by such Lender on the principal amount of the Obligations (or, to the extent that the principal amount of the Obligations shall have been or would thereby be paid in full, refunded by such Lender to the Borrower). All sums paid or agreed to be paid to any Lender for the use, forbearance or detention of sums due hereunder shall, to the extent permitted by law applicable to such Lender, be amortized, prorated, allocated and spread throughout the stated term of the Loans until payment in full so that the rate or amount of interest on account of any Loans hereunder does not exceed the maximum amount allowed by such applicable law. If at any time and from time to time (i) the amount of interest payable to any Lender on any date shall be computed at the Highest Lawful Rate applicable to such Lender pursuant to this Section 12.12 and (ii) in respect of any subsequent interest computation period the amount of interest otherwise payable to such Lender would be less than the amount of interest payable to such Lender computed at the Highest Lawful Rate applicable to such Lender, then the amount of interest payable to such Lender in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate applicable to such Lender until the total amount of interest payable to such Lender shall equal the total amount of interest which would have been payable to such Lender if the total amount of interest had been computed without giving effect to this Section 12.12. To the extent that Chapter 303 of the Texas Finance Code is relevant for the purpose of determining the Highest Lawful Rate applicable to a Lender, such Lender elects to determine the applicable rate ceiling under such Chapter by the weekly ceiling from time to time in effect. Chapter 346 of the Texas Finance Code does not apply to the Borrower's obligations hereunder. The Loans are not primarily for personal, family or household use.

Section 12.13 EXCULPATION PROVISIONS. EACH OF THE PARTIES HERETO SPECIFICALLY AGREES THAT IT HAS A DUTY TO READ THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS AND AGREES THAT IT IS CHARGED WITH NOTICE AND KNOWLEDGE OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; THAT IT HAS IN FACT READ THIS AGREEMENT AND IS FULLY INFORMED AND HAS FULL NOTICE AND KNOWLEDGE OF THE TERMS, CONDITIONS AND EFFECTS OF THIS AGREEMENT; THAT IT HAS BEEN REPRESENTED BY INDEPENDENT LEGAL COUNSEL OF ITS CHOICE THROUGHOUT THE NEGOTIATIONS PRECEDING ITS EXECUTION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND HAS RECEIVED THE ADVICE OF ITS ATTORNEY

IN ENTERING INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS; AND THAT IT RECOGNIZES THAT CERTAIN OF THE TERMS OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS RESULT IN ONE PARTY ASSUMING THE LIABILITY INHERENT IN SOME ASPECTS OF THE TRANSACTION AND RELIEVING THE OTHER PARTY OF ITS RESPONSIBILITY FOR SUCH LIABILITY. EACH PARTY HERETO AGREES AND COVENANTS THAT IT WILL NOT CONTEST THE VALIDITY OR ENFORCEABILITY OF ANY EXCULPATORY PROVISION OF THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS ON THE BASIS THAT THE PARTY HAD NO NOTICE OR KNOWLEDGE OF SUCH PROVISION OR THAT THE PROVISION IS NOT "CONSPICUOUS."

Section 12.14 Collateral Matters; Swap Agreements. The benefit of the Security Instruments and of the provisions of this Agreement relating to any collateral securing the Obligations shall also extend to and be available to each Secured Hedge Provider on a pro rata basis in respect of any obligations of the Obligors or their respective Subsidiaries owed to such Secured Hedge Provider under any Secured Swap Agreement. Except as set forth in Section 12.02(b)(viii) and (xi), no Secured Hedge Provider shall have any voting rights under any Loan Document as a result of the existence of obligations owed to it under any Secured Swap Agreement.

Section 12.15 No Third Party Beneficiaries. This Agreement, the other Loan Documents, and the agreement of the Lenders to make Loans and the Issuing Bank to issue, amend, renew or extend Letters of Credit hereunder are solely for the benefit of the Borrower, and no other Person (including, without limitation, any Subsidiary of the Borrower, any obligor, contractor, subcontractor, supplier or materialsman) shall have any rights, claims, remedies or privileges hereunder or under any other Loan Document against the Administrative Agent, any other agent, the Issuing Bank or any Lender for any reason whatsoever. There are no third party beneficiaries.

Section 12.16 USA Patriot Act Notice. Each Lender hereby notifies the Borrower and other Obligors that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Patriot Act.

Section 12.17 No Fiduciary Duty. The Administrative Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders"), may have economic interests that conflict with those of the Borrower and the Guarantors, their respective stockholders and/or their affiliates. The Borrower agrees that nothing in the Loan Documents and nothing in connection with the transactions related thereto will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and the Borrower and any Guarantor, its stockholders or its affiliates, on the other. The Borrower acknowledges and agrees that (a) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Borrower on the other, and (b) in connection therewith and with the process leading thereto, (i) no Lender has assumed an advisory or fiduciary responsibility in favor of the Borrower or any Guarantor, its

stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise the Borrower or any Guarantor, its stockholders or its Affiliates on other matters) or any other obligation to the Borrower or any Guarantor except the obligations expressly set forth in the Loan Documents and (ii) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower or any Guarantor, its management, stockholders, creditors or any other Person. The Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower or any Guarantor, in connection with such transaction or the process leading thereto.

Section 12.18 Flood Insurance Provisions.

(a) Notwithstanding any provision in this Agreement or any other Loan Document to the contrary, except as set forth on Annex IV Schedule of Mortgaged Structures (all of which shall be Mortgaged Property and a "Mortgaged Structure", including the structures so listed on Annex IV), as amended from time to time by the Administrative Agent, in no event is any Building (as defined in the applicable Flood Insurance Regulation) or Manufactured (Mobile) Home (as defined in the applicable Flood Insurance Regulation) included in the definition of "Mortgaged Property" and no Building or Manufactured (Mobile) Home is hereby encumbered by this Agreement or any other Loan Document; provided, that notwithstanding any other provision of this Agreement or any other Loan Document, if any Lender delivers to the Administrative Agent a written notice (an "Opt Out Notice"), no Mortgaged Structure included as part of any Security Instrument filed after the date of such Opt Out Notice, shall be, or be deemed to be Collateral of such Lender, and such Lender shall not be a secured party with respect to such Mortgaged Structure, and the Administrative Agent in its capacity as trustee under any Security Instrument shall not be deemed to act for such Lender as a secured party with respect to such Mortgaged Structure until such time, which shall not be a date more than 45 days after the delivery of such Opt Out Notice, as such Lender shall deliver written notice to the Administrative Agent that such Lender has completed due diligence and concluded that compliance with flood insurance and other requirements pursuant to Flood Insurance Regulations with respect to such Mortgaged Structure are satisfactory to such Lender and such Lender has elected to be a secured party with respect to such Mortgaged Structure; provided further, that upon delivery of such notice, such Lender shall automatically be included as a secured party with respect to such Mortgaged Structure. As used herein, "Flood Insurance Regulations" means (i) the National Flood Insurance Act of 1968 as now or hereafter in effect or any successor statute thereto, (ii) the Flood Disaster Protection Act of 1973 as now or hereafter in effect or any successor statute thereto, (iii) the National Flood Insurance Reform Act of 1994 (amending 42 USC 4001, et seq.), as the same may be amended or recodified from time to time and (iv) the Flood Insurance Reform Act of 2004 and any regulations promulgated thereunder and (v) the Biggert-Waters Flood Reform Act of 2012 and any regulations promulgated thereunder.

(b) The Administrative Agent has adopted internal policies and procedures that address requirements placed on federally regulated Lenders under the Flood Insurance Regulations. The Administrative Agent will post on the applicable electronic platform (or otherwise distribute to each Lender in the syndicate) documents that it receives in connection with the Flood Insurance Regulations. However, the Administrative Agent reminds each Lender and participant in the facility that, pursuant to the Flood Insurance Regulations, each federally regulated Lender (whether acting as a Lender or participant in the facility) is responsible for assuring its own compliance with the flood insurance requirements.

Section 12.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by: (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and (b) the effects of any Bail-in Action on any such liability, including, if applicable: (i) a reduction in full or in part or cancellation of any such liability; (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 12.20 Releases.

(a) Full Release. Upon the request of the Borrower, if (i) all Indebtedness secured hereby shall have been indefeasibly paid in full (other than indemnities and other contingent obligations not then due and payable and as to which no claim has been made as of the time of determination), (ii) all Letters of Credit shall have expired, terminated or other arrangements satisfactory to the Administrative Agent and the Issuing Bank shall have been made, (iii) all Secured Swap Agreements shall have been paid in full or other arrangements satisfactory to the Administrative Agent and the Secured Hedge Provider shall have been made, (iv) commitments of the Lenders under the Loan Documents shall have been terminated and (iv) this Agreement and the other Loan Documents shall have been terminated (other than those provisions that by their terms survive termination), the Administrative Agent at the request and sole expense of Grantors shall execute and deliver or cause to be executed and delivered such instruments as may be necessary to evidence the release of the Liens granted pursuant to the Security Instruments.

(b) Partial Release. If any of the Collateral shall be sold, transferred, conveyed or otherwise disposed of by the Borrower or any Subsidiary Guarantor in a transaction with a non-Affiliate third party permitted by the Loan Documents (other than any sale, transfer, conveyance, transfer of other disposition to the Borrower or another Guarantor), then upon written request delivered to the Administrative Agent, the Administrative Agent, at the sole

expense of the Borrower and the applicable Subsidiary Guarantor, shall promptly execute and deliver to the Borrower or such Subsidiary Guarantor all releases, termination statements and/or other documents reasonably necessary or desirable to evidence the release of Liens created under the applicable Loan Documents; provided that the Borrower shall have delivered to the Administrative Agent a written request for release, termination statements and other documents identifying the Borrower or such Subsidiary Guarantor together with a certification by the Borrower stating (x) that such transaction is in compliance with this Agreement and the other Loan Documents, and (y) no Collateral other than the Collateral required to be released is being released. At the written request and sole expense of the Borrower, the Administrative Agent is authorized to release a Guarantor from its obligations under the Loan Documents (including, without limitation, any guarantee under the Guaranty Agreement) in the event that all the capital stock or other Equity Interests of such Guarantor shall be sold, transferred, conveyed, associated or otherwise disposed of in a transaction permitted by the Loan Documents, and such Equity Interests shall be released from the Liens created under the Security Instruments, and the Administrative Agent, at the sole expense of the Borrower and the applicable Guarantor, shall promptly execute and deliver to the Borrower or such Guarantor all releases, termination statements and/or other documents reasonably necessary or desirable to evidence such release; provided that the Borrower shall have delivered to the Administrative Agent a written request for release identifying the relevant Guarantor together with a certification by the Borrower stating (x) that such transaction is in compliance with this Agreement and the other Loan Documents, and (y) no Guarantor or Collateral other than the Guarantor or Collateral required to be released is being released.

"Claims" means all claims, liabilities, obligations, losses, damages, penalties, judgments, proceedings, interest, costs and expenses of any kind (including remedial response costs, reasonable and customary attorneys' fees and Extraordinary Expenses) at any time (including after full payment of the Guaranteed Obligations or replacement of any Guaranteed Party) incurred by any Indemnitee or asserted against any Indemnitee by the Borrower, any Guarantor or any other Person, in any way relating to (a) any Loans, any Loan Documents, or the use thereof or transactions relating thereto, (b) any action taken or omitted in connection with any Loan Documents, (c) the existence or perfection of any Liens, or realization upon any Collateral, (d) exercise of any rights or remedies under any Loan Documents or applicable law, or (e) failure by the Borrower or any Guarantor to perform or observe any terms of any Loan Document, in each case including all costs and expenses relating to any investigation, litigation, arbitration or other proceeding (including an Insolvency Proceeding or appellate proceedings), whether or not the applicable Indemnitee is a party thereto.

"Credit Agreement" means that certain Credit Agreement dated as of the date hereof by and among the Borrower, the other parties from time to time signatory thereto as Obligors (including the Guarantors), the financial institutions from time to time party thereto as lenders (the "Lenders") and Administrative Agent, as the same may from time to time be amended, supplemented, modified or amended and restated.

"Guaranteed Obligations" has the meaning given to that term in Section 2.

"Guaranteed Parties" means the "Secured Parties", as defined in the Credit Agreement.

"Guarantor Claims" means all debts and obligations of the Borrower or any other Guarantor to any Guarantor, including but not limited to any obligation of the Borrower or any other Guarantor to such Guarantor as subrogee of the Guaranteed Parties or resulting from such Guarantor's performance under this Guaranty, whether such debts and obligations now exist or are hereafter incurred or arise, or whether the obligation of the debtor thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or obligations be evidenced by note, contract, open account, or otherwise, and irrespective of the Person or Persons in whose favor such debts or obligations may, at their inception, have been, or may hereafter be created, or the manner in which they have been or may hereafter be acquired by such Guarantor.

"Guaranty Termination Date" means such date on which each of the following events shall have occurred on or prior to such date: (a) all Commitments have terminated or expired; (b) the Credit Agreement has terminated; (c) all Guaranteed Obligations (other than obligations under any Secured Swap Agreement and other than indemnities and other contingent obligations not then due and payable and as to which no claim has been made as of the time of determination) have been indefeasibly paid in full in cash; (d) all Secured Swap Agreements have been terminated and paid in full, novated or the Borrower or applicable Guarantor has provided substitute collateral to the Secured Hedge Provider thereunder to the extent provided under the applicable Secured Swap Agreement (or as to which other arrangements satisfactory to the applicable Secured Hedge Provider shall have been made); and (e) all Letters of Credit have expired or terminated or the LC Exposure has been cash collateralized (or as to which other arrangements satisfactory to the applicable Debtor and the Issuing Bank shall have been made), as provided for in the Credit Agreement.

"Qualified ECP Guarantor" means, in respect of any Swap Obligation, each Guarantor that has total assets exceeding $10,000,000 at the time the relevant guaranty or grant of the relevant security interest becomes effective with respect to such Swap Obligation or such other person as constitutes an "eligible contract participant" under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an "eligible contract participant" at such time by entering into a keepwell under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

"Swap Obligation" means, with respect to any Guarantor, any obligation to pay or perform under any agreement, contract or transaction that constitutes a "swap" within the meaning of Section 1a(47) of the Commodity Exchange Act.

2. Guaranty. Each Guarantor hereby jointly and severally, absolutely and unconditionally guarantees, as a guaranty of payment and performance and not merely as a

guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all existing and future indebtedness and liabilities of every kind, nature and character, direct or indirect, absolute or contingent, liquidated or unliquidated, voluntary or involuntary and whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of: (a) the Borrower or any other Guarantor to the Guaranteed Parties arising under the Loan Documents; and (b) the Borrower or any other Guarantor to any Secured Hedge Provider under any Secured Swap Agreement (other than Excluded Swap Obligations of any Obligor that is not a Qualified ECP Guarantor); in each case including all renewals, extensions, amendments and other modifications thereof and all costs, attorneys' fees and expenses incurred by any Guaranteed Party in connection with the collection or enforcement thereof, and whether recovery upon such indebtedness and liabilities may be or hereafter become unenforceable or shall be an allowed or disallowed claim under any proceeding or case commenced by or against any Guarantor or the Borrower under the Bankruptcy Code (Title 11, United States Code), any successor statute or any other liquidation, conservatorship, bankruptcy, assignment for the benefit of creditors, moratorium, rearrangement, receivership, insolvency, reorganization, or similar debtor relief laws of the United States or other applicable jurisdictions from time to time in effect and affecting the rights of creditors generally (collectively, "Debtor Relief Laws"), and including interest that accrues after the commencement by or against the Borrower of any proceeding under any Debtor Relief Laws (collectively, the "Guaranteed Obligations"). The books and records of the Guaranteed Parties showing the amount of the Guaranteed Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor and conclusive for the purpose of establishing the amount of the Guaranteed Obligations absent manifest error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any instrument or agreement evidencing any Guaranteed Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance (other than payment in full) relating to the Guaranteed Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing other than a defense of payment in full. Anything contained herein to the contrary notwithstanding, the obligations of any Guarantor hereunder at any time shall be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code (Title 11, United States Code) or any comparable provisions of any similar federal or state law.

3. [Reserved].

4. Rights of Guaranteed Parties. Each Guarantor consents and agrees that the Guaranteed Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Guaranteed Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Guaranteed Obligations; (c) apply such security and direct the order or manner of sale thereof as the Guaranteed Parties in their sole discretion may determine; and (d) release or

substitute one or more of any endorsers or other guarantors of any of the Guaranteed Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

5. Certain Waivers. To the fullest extent permitted by applicable law, each Guarantor waives (a) any defense (other than the defense of payment in full of the Guaranteed Obligations) arising by reason of any disability or other defense of the Borrower or any other Guarantor, or the cessation from any cause whatsoever (including any act or omission of any Guaranteed Party) of the liability of the Borrower or any other Guarantor; (b) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of the Borrower or any other Guarantor; (c) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (d) any right to require the Guaranteed Parties to proceed against the Borrower or any other Guarantor, proceed against or exhaust any security for the Guaranteed Obligations, or pursue any other remedy in any Guaranteed Party's power whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by the Guaranteed Parties; and (f) any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Guaranteed Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Guaranteed Obligations.

6. Obligations Independent. The obligations of each Guarantor hereunder are those of primary obligor, and not merely as surety, and are independent of the Guaranteed Obligations and the obligations of any other guarantor, and a separate action may be brought against any Guarantor to enforce this Guaranty whether or not the Borrower or any other Person or entity is joined as a party.

7. Subrogation. No Guarantor shall exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty unless and until the Guaranty Termination Date has occurred. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Guaranteed Parties and shall forthwith be paid to the Administrative Agent to reduce the amount of the Guaranteed Obligations, whether matured or unmatured.

8. Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Guaranteed Obligations now or hereafter existing and shall remain in full force and effect until the Guaranty Termination Date. This Guaranty shall automatically terminate without any further action by any of the parties hereto upon the occurrence of the Guaranty Termination Date. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived or reinstated, as the case may be, if any payment by or on behalf of the Borrower or any Guarantor is made, or any Guaranteed Party exercises its right of setoff, in respect of the Guaranteed Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or

required (including pursuant to any settlement entered into by the Guaranteed Parties in their discretion) to be repaid to a trustee, receiver or any other party, for any reason including in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Guaranteed Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Guarantor under the immediately preceding sentence shall survive termination of this Guaranty.

9. Subordination. Each Guarantor hereby subordinates the payment of all Guarantor Claims owing to such Guarantor to the payment in full in cash of all Guaranteed Obligations (other than contingent indemnification and cost reimbursement obligations for which no claim has been asserted). If the Guaranteed Parties so request after the occurrence and during the continuance of an Event of Default, any such obligation or indebtedness of the Borrower to such Guarantor shall be enforced and performance received by such Guarantor as trustee for the Guaranteed Parties and the proceeds thereof shall be paid over to the Guaranteed Parties on account of the Guaranteed Obligations, but without reducing or affecting in any manner the liability of such Guarantor under this Guaranty. After and during the continuation of an Event of Default, no Guarantor shall receive or collect, directly or indirectly, from the Borrower or any other Guarantor in respect thereof any amount upon the Guarantor Claims. In the event of Insolvency Proceedings involving the Borrower or any Guarantor, the Administrative Agent on behalf of the Administrative Agent and the other Guaranteed Parties shall have the right to prove their claim in any proceeding, so as to establish their rights hereunder and receive directly from the receiver, trustee or other court custodian, dividends or distributions which would otherwise be payable upon Guarantor Claims. In the event of such proceeding, each Guarantor hereby assigns such dividends or distributions to the Administrative Agent for the benefit of the Guaranteed Parties for application against the Obligations as provided under Section 10.02(c) of the Credit Agreement. Should the Administrative Agent or any other Guaranteed Party receive, for application upon the Guaranteed Obligations, any such dividends or distributions which is otherwise payable to any Guarantor, and which, as between such Guarantor and the Borrower or any other Guarantor, shall constitute a credit upon the Guarantor Claims, then upon the occurrence of the Guaranty Termination Date, the intended recipient shall become subrogated to the rights of the Administrative Agent and the other Guaranteed Parties to the extent that such dividends or distributions to the Administrative Agent and the other Guaranteed Parties on the Guarantor Claims have contributed toward the liquidation of the Guaranteed Obligations, and such subrogation shall be with respect to that proportion of the Guaranteed Obligations which would have been unpaid if the Administrative Agent and the other Guaranteed Parties had not received such dividends or distributions upon the Guarantor Claims. In the event that, notwithstanding this Section 9, any Guarantor should receive any funds, distributions, dividends or claims which are prohibited by this Section 9, then it agrees: (a) to hold in trust for the Administrative Agent and the other Guaranteed Parties an amount equal to the amount of all funds, payments, claims, dividends or distributions so received, and (b) that it shall have absolutely no dominion over the amount of such funds, payments, claims, dividends, or distributions except to pay them promptly to the Administrative Agent, for the benefit of the Guaranteed Parties; and each Guarantor covenants promptly to pay the same to the Administrative Agent. Each Guarantor agrees that until the Guaranty Termination Date, any Liens securing payment of the Guarantor Claims shall be and remain inferior and subordinate to any Liens securing payment of the Guaranteed Obligations, regardless of whether such

encumbrances in favor of such Guarantor, the Administrative Agent or any other Guaranteed Party presently exist or are hereafter created or attach. Without the prior written consent of the Administrative Agent, no Guarantor, during the period in which any of the Guaranteed Obligations is outstanding or the Commitments are in effect, shall (x) exercise or enforce any creditor's right it may have against any debtor in respect of the Guarantor Claims, or (y) foreclose, repossess, sequester or otherwise take steps or institute any action or proceeding (judicial or otherwise, including without limitation the commencement of or joinder in any liquidation, bankruptcy, rearrangement, debtor's relief or Insolvency Proceeding) to enforce any Lien securing payment of the Guarantor Claims held by it. All promissory notes and all accounts receivable ledgers or other evidence of the Guarantor Claims accepted by or held by any Guarantor shall contain a specific written notice thereon that the indebtedness evidenced thereby is subordinated under the terms of this Guaranty.

10. Stay of Acceleration. In the event that acceleration of the time for payment of any of the Guaranteed Obligations is stayed, in connection with any case commenced by or against any Guarantor or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by each Guarantor immediately upon demand by the Guaranteed Parties.

11. Expenses. Each Guarantor shall pay promptly on demand all reasonable and documented out-of-pocket legal, accounting, appraisal, consulting, and other reasonable and documented out-of-pocket fees, costs and expenses and all Extraordinary Expenses incurred by the Guaranteed Parties in any way relating to the enforcement or protection of the Guaranteed Parties' rights under this Guaranty or in respect of the Guaranteed Obligations, including any incurred during any "workout" or restructuring in respect of the Guaranteed Obligations and any incurred in the preservation, protection or enforcement of any rights of the Guaranteed Parties in any proceeding under any Debtor Relief Laws in each case, to the extent provided in Section 12.03 of the Credit Agreement. The obligations of each Guarantor under this paragraph shall survive the Guaranty Termination Date.

12. Limitation on Obligations. The provisions of this Guaranty are severable, and in any action or proceeding involving any state corporate law, or any state, federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under this Guaranty would otherwise be held or determined to be avoidable, invalid or unenforceable on account of the amount of such Guarantor's liability under this Guaranty, then, notwithstanding any other provision of this Guaranty to the contrary, the amount of such liability shall, without any further action by the Guarantors or any Guaranteed Party, be automatically limited and reduced to the highest amount that is valid and enforceable as determined in such action or proceeding (such highest amount determined hereunder being the relevant Guarantor's "Maximum Liability"). This Section 12 with respect to the Maximum Liability of the Guarantors is intended solely to preserve the rights of the Guaranteed Parties hereunder to the maximum extent not subject to avoidance under applicable law, and neither the Guarantor nor any other person or entity shall have any right or claim under this Section 12 with respect to the Maximum Liability, except to the extent necessary so that the obligations of the Guarantor hereunder shall not be rendered voidable under applicable law.

Each of the Guarantors agrees that the Guaranteed Obligations may at any time and from time to time exceed the Maximum Liability of each Guarantor, and may exceed the aggregate Maximum

Liability of all other Guarantors, without impairing this Guaranty or affecting the rights and remedies of the Guaranteed Parties hereunder. Nothing in this Section 12 shall be construed to increase any Guarantor's obligations hereunder beyond its Maximum Liability. In the event any Guarantor (a "Paying Guarantor") shall make any payment or payments under this Guaranty, each other Guarantor (each a "Non-Paying Guarantor") shall contribute to such Paying Guarantor an amount equal to such Non-Paying Guarantor's "Pro Rata Share" of such payment or payments made, or losses suffered, by such Paying Guarantor. For the purposes hereof, each Non-Paying Guarantor's "Pro Rata Share" with respect to any such payment or loss by a Paying Guarantor shall be determined as of the date on which such payment or loss was made by reference to the ratio of (i) such Non-Paying Guarantor's Maximum Liability as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder) or, if such Non-Paying Guarantor's Maximum Liability has not been determined, the aggregate amount of all monies received by such Non-Paying Guarantor from the Borrower after the date hereof (whether by loan, capital infusion or by other means) to (ii) the aggregate Maximum Liability of all Guarantors hereunder (including such Paying Guarantor) as of such date (without giving effect to any right to receive, or obligation to make, any contribution hereunder), or to the extent that a Maximum Liability has not been determined for any Guarantors, the aggregate amount of all monies received by all Guarantors from the Borrower after the date hereof (whether by loan, capital infusion or by other means). Nothing in this Section 12 shall affect any Guarantor's several liability for the entire amount of the Guaranteed Obligations (up to such Guarantor's Maximum Liability). Each of the Guarantors covenants and agrees that its right to receive any contribution under this Guaranty from a Non-Paying Guarantor shall be subordinate and junior in right of payment to all the Guaranteed Obligations. The provisions of this Section 12 are for the benefit of both the Guaranteed Parties and the Guarantors and may be enforced by any one, or more, or all of them in accordance with the terms hereof.

13. Miscellaneous. No provision of this Guaranty may be waived, amended, supplemented or modified, except by a written instrument executed by the Persons required by Section 12.02 of the Credit Agreement. No failure by any Guaranteed Party to exercise, and no delay in exercising, any right, remedy or power hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy or power hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and not exclusive of any remedies provided by law or in equity. The unenforceability or invalidity of any provision of this Guaranty shall not affect the enforceability or validity of any other provision herein. Unless otherwise agreed by the Guaranteed Parties and each Guarantor in writing, this Guaranty is not intended to supersede or otherwise affect any other guaranty now or hereafter given by any Guarantor for the benefit of the Guaranteed Parties or any term or provision thereof.

14. Condition of Guarantors. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other Guarantor such information concerning the financial condition, business and operations of the Borrower and any such other Guarantor as such Guarantor requires, and that the Guaranteed Parties have no duty, and such Guarantor is not relying on the Guaranteed Parties at any time, to disclose to such Guarantor any information relating to the business, operations or financial condition of the Borrower or any other Guarantor (each Guarantor waiving any duty on the part of the Guaranteed Parties to disclose such information and any defense relating to the failure to provide the same).

15. Setoff. If an Event of Default shall have occurred and be continuing, each Guaranteed Party and each of such Guaranteed Party's Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to setoff and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (of whatsoever kind, including, without limitation, obligations under Secured Swap Agreements) at any time owing by such Guaranteed Party or such Affiliate to or for the credit or the account of the Borrower or any Guarantor against any of and all the obligations of the Borrower and any Guarantor owed to such Guaranteed Party now or hereafter existing under this Agreement, any other Loan Document, irrespective of whether or not such Guaranteed Party shall have made any demand under this Agreement, any other Loan Document and although such obligations may be unmatured. Each Lender or its Affiliates agrees to promptly notify the Borrower and the Administrative Agent after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Guaranteed Party thereof under this Section 15 are in addition to other rights and remedies (including other rights of setoff) which such Guaranteed Party or such Affiliate may have.

16. Representations and Warranties. Each Guarantor represents and warrants that (a) it is duly organized and in good standing under the laws of the jurisdiction of its organization and has full capacity and right to make and perform this Guaranty, and all necessary authority has been obtained, except where failure to have such capacity, right and authority could not reasonably be expected to have a Material Adverse Effect; (b) this Guaranty constitutes its legal, valid and binding obligation enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law; (c) the making and performance of this Guaranty does not and will not violate the provisions of any applicable law, regulation or order (except for such violations that would not reasonably be expected to have a Material Adverse Effect), and will not violate or result in a default under any indenture, agreement or other instrument evidencing Material Debt binding upon the Borrower or any Guarantor or their Properties, or give rise to a right thereunder to require any payment to be made by the Borrower or such Guarantor; and (d) all consents, approvals, and filings and registrations with, any Governmental Authority required under applicable law and regulations for the making and performance of this Guaranty have been obtained or made and are in full force and effect, except (i) those consents, approvals, filings and registrations, which, if not made or obtained, would not cause a Default under the Credit Agreement or could not reasonably be expected to have a Material Adverse Effect and (ii) the filing of any required documents with the SEC.

17. Indemnification and Survival. Each Guarantor shall jointly and severally indemnify the Guaranteed Parties and their respective officers, directors, employees, Affiliates, agents and attorneys (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, Claims, damages, liabilities and related expenses, including the reasonable and customary fees, charges and disbursements of any counsel for any Indemnitee, incurred by or asserted against any Indemnitee arising out of, in connection with, or

as a result of (i) the execution or delivery of this Guaranty or any other Loan Document (other than expenses in connection with the execution and delivery of this Guaranty and the other Loan Documents dated of even date herewith, which expenses shall only be paid by the Borrower to the extent provided in Section 12.03(a) of the Credit Agreement) or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto or the parties to any other Loan Document of their respective Guarantee Obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or by any other Loan Document, (ii) the failure of any Guarantor or their respective subsidiaries to comply with the terms of any Loan Document, including this Guaranty, or with any governmental requirement, (iii) any inaccuracy of any representation or any breach of any warranty or covenant of any Guarantor set forth in any of the Loan Documents or any instruments, documents or certifications delivered in connection therewith, (iv) any Loan or Letter of Credit or the use of the Proceeds therefrom, including, without limitation, (a) any refusal by any Issuing Bank to honor a demand for payment under a Letter of Credit issued by such Issuing Bank if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit, or (b) the payment of a drawing under any Letter of Credit notwithstanding the non-compliance, non-delivery or other improper presentation of the documents presented in connection therewith, (v) any other aspect of the Loan Documents, (vi) the operations of the business of the Guarantors or their respective Subsidiaries by the Guarantors or their respective Subsidiaries, (vii) any assertion that the Guaranteed Parties were not entitled to receive the Proceeds received pursuant to the Security Instruments, (viii) any Environmental Law applicable to any Guarantor or its Subsidiaries or any of their properties, including without limitation, the presence, generation, storage, release, threatened release, use, transport, disposal, arrangement of disposal or treatment of oil, oil and gas wastes, solid wastes or Hazardous Materials on any of their properties, (ix) the breach or non-compliance by the Guarantors or their respective Subsidiaries with any Environmental Law applicable to the Guarantors or their respective Subsidiaries, (x) the past ownership by the Guarantors or their respective Subsidiaries of any of their properties or past activity on any of their properties which, though lawful and fully permissible at the time, could result in present liability, (xi) the presence, use, release, storage, treatment, disposal, generation, threatened release, transport, arrangement for transport or arrangement for disposal of oil, oil and gas wastes, solid wastes or hazardous substances on or at any of the properties owned or operated by the Guarantors or their respective Subsidiaries or any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by the Guarantors or their respective Subsidiaries, (xii) any environmental liability related in any way to the Guarantors or their respective Subsidiaries, or (xiii) any other environmental, health or safety condition in connection with the Loan Documents, (xiv) the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission system in connection with this Guaranty, the other Loan Documents or the transactions contemplated hereby or thereby, or (xv) any actual or prospective Claim, litigation, investigation or proceeding relating to any of the foregoing, whether brought by a third party or any Guarantor, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto, and such indemnity shall extend to each Indemnitee notwithstanding the sole or concurrent negligence of every kind or character whatsoever, whether active or passive, whether an affirmative act or an omission, including without limitation, all types of negligent conduct identified in the restatement (second) of torts of one or more of the Indemnitees or by reason of strict liability imposed without fault on any one or more

of the Indemnitees; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, Claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee, and provided further that the indemnity set forth herein shall not apply to disputes solely between Lenders unless such dispute results from any Claim arising out of any request, act or omission on the part of the any Guarantor or against the arranger, any agent or any Issuing Bank in its capacity as such, in each case, in connection with the Loan Documents with respect to the obligation to reimburse an Indemnitee for fees, charges and disbursements of counsel, each Indemnitee agrees that all Indemnitees will as a group utilize one primary counsel (plus no more than one additional counsel in each jurisdiction where a proceeding that is the subject matter of the indemnity is located) unless (1) there is a conflict of interest among Indemnitees, (2) defenses or claims exist with respect to one or more Indemnitees that are not available to one or more other Indemnitees or (3) special counsel is required to be retained and the Guarantor consents to such retention.

18. GOVERNING LAW; Assignment; Jurisdiction; Notices. THIS GUARANTY AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES. This Guaranty shall (a) bind each Guarantor and its successors and assigns, provided that no Guarantor may assign its rights or obligations under this Guaranty without the prior written consent of the Administrative Agent on behalf of the Guaranteed Parties (and any attempted assignment without such consent shall be void), and (b) inure to the benefit of the Guaranteed Parties and their successors and assigns and the Guaranteed Parties may, without notice to any Guarantor and without affecting any Guarantor's obligations hereunder, assign, sell or grant participations in the Guaranteed Obligations and this Guaranty, in whole or in part. **EACH GUARANTOR HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER TEXAS, IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO THIS GUARANTY, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH GUARANTOR IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH GUARANTOR IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND EACH GUARANTOR AND THE ADMINISTRATIVE AGENT CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 12.01 OF THE CREDIT AGREEMENT.** A final judgment in any proceeding of any such court shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by applicable law. Nothing herein shall limit the right of the Administrative Agent or any Guaranteed Party to bring proceedings against any Guarantor in any other court, nor limit the right of any party to serve process in any other manner permitted by applicable law. Nothing in this Guaranty shall be deemed to preclude enforcement by the Administrative Agent or any Guaranteed Party of any judgment or order obtained in any forum or jurisdiction. Each Guarantor agrees that the Guaranteed Parties may disclose to any permitted assignee of or

permitted participant in, or any permitted prospective assignee of or participant in, any of their rights or obligations of all or part of the Guaranteed Obligations any and all information in the Guaranteed Parties' possession concerning such Guarantor, this Guaranty and any security for this Guaranty, in each case subject to Section 12.11 of the Credit Agreement. All notices, demands and requests that any party is required or elects to give to any other party shall be given in accordance with the provisions of Section 12.01 of the Credit Agreement, and if to any Guarantor shall be given to it at the address specified in the Credit Agreement for such Guarantor or as otherwise specified by such Guarantor in writing.

19. WAIVER OF JURY TRIAL; FINAL AGREEMENT. TO THE FULLEST EXTENT ALLOWED BY APPLICABLE LAW, EACH GUARANTOR IRREVOCABLY WAIVES TRIAL BY JURY WITH RESPECT TO ANY ACTION, CLAIM, SUIT OR PROCEEDING ON, ARISING OUT OF OR RELATING TO THIS GUARANTY OR THE GUARANTEED OBLIGATIONS. THIS GUARANTY REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES HERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS BETWEEN THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

20. Further Assurances. Each Guarantor agrees, upon the written request of the Administrative Agent or any other Guaranteed Party, to execute and deliver to the Guaranteed Parties, from time to time, any additional instruments or documents reasonably requested by the Administrative Agent or any Guaranteed Party to cause this Guaranty to be, become or remain valid and effective in accordance with its terms.

21. Additional Guarantors. Pursuant to Section 8.13(b) of the Credit Agreement, certain Subsidiaries are from time to time required to enter into this Guaranty as a Guarantor. Upon execution and delivery after the date hereof by the Administrative Agent and a Subsidiary of a supplement in the form of Exhibit A hereto, such Subsidiary shall become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any instrument adding an additional Guarantor as a party to this Guaranty shall not require the consent of any Guarantor hereunder, of the Borrower or of any Guaranteed Party. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party hereto.

2.1 To secure the payment and performance of the Secured Obligations, each Debtor hereby grants to Administrative Agent, for its benefit and the benefit of the other Secured Parties, a lien on and security interest in any and all right, title and interest in and to any and all property and interests in property of such Debtor, whether now owned or existing or hereafter created, acquired or arising, including all of the following properties and interests in properties, whether now owned or hereafter created, acquired or arising (all being collectively referred to herein as the "Collateral"):

(a) Accounts;

(b) Chattel Paper (whether Tangible Chattel Paper or Electronic Chattel Paper);

(c) Commercial Tort Claims, including without limitation those Commercial Tort Claims in which such Debtor has any interest specified on Schedule 3.8;

(d) Deposit Accounts, all cash, and other property deposited therein or otherwise credited thereto from time to time and other monies and property in the possession or under the control of Administrative Agent or any Secured Party or any affiliate, representative, agent or correspondent of Administrative Agent or any Secured Party;

(e) Documents;

(g) Goods, including without limitation any and all Inventory, Equipment and Fixtures;

(h) Instruments;

(p) all Proceeds and products of the foregoing, all insurance pertaining to the foregoing and proceeds thereof and all collateral security and guarantees given with respect to any of the foregoing.

For the avoidance of doubt, the lien and security interest granted pursuant to this Section 2.1 shall not apply to (i) Excluded Property or (ii) any property or asset to the extent the burden of perfection would exceed the benefit to the Secured Parties in the reasonable written determination of Administrative Agent (including, without limitation, (y) the annotation of vehicle and other titles to reflect the Liens granted by the Loan Documents; and (z) obtaining the consent of any Governmental Authority that is a tribal nation to the grant or maintenance of a Lien on such property).

2.2 The security interest created hereby in the Collateral secures the payment and performance of all Secured Obligations. Without limiting the generality of the foregoing, this Agreement secures, as to each Debtor, the payment of all amounts that constitute part of the Secured Obligations and would be owed by any Debtor to any Secured Party under the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving a Debtor.

2.3 This Agreement is executed and granted for the pro rata benefit and security of Administrative Agent and the other Secured Parties as security for the Secured Obligations until Security Termination has occurred; it being understood and agreed that possession of any Note (or any replacements of any said Note) at any time by the Borrower or any other Debtor shall not in any manner extinguish the Secured Obligations, such Notes or this Agreement securing payment thereof, and the Borrower shall have the right to issue and reissue any of the Notes from time to time as its interest or as convenience may require, without in any manner extinguishing or affecting the Secured Obligations, the obligations under any of the Notes, or the security of this Agreement.

2.4 Without limiting any other provision of this Agreement, as additional security hereunder, Debtors have absolutely and unconditionally granted, assigned, transferred and conveyed, and do hereby absolutely and unconditionally grant, assign, transfer and convey unto the Administrative Agent, for its benefit and the benefit of Lenders all of the As-extracted Collateral relating to the Hydrocarbons and all products obtained or processed therefrom, and the revenues and proceeds now and hereafter attributable to the Hydrocarbons and said products and all payments in lieu of the Hydrocarbons such as “take or pay” payments or settlements. If an Event of Default shall occur, then at the election of the Administrative Agent the Hydrocarbons and products are to be delivered into pipe lines connected with any Oil and Gas Property, or to the purchaser thereof, to the credit of the Administrative Agent, for its benefit and the benefit of Lenders; and all such revenues and proceeds shall be paid directly to the Administrative Agent, at its banking headquarters in Houston, Texas, with no duty or obligation of any party paying the same to inquire into the rights of the Administrative Agent to receive the same, what application is made thereof, or as to any other matter. Debtors agree to perform all such acts, and to execute all such further assignments, transfers and division orders and other instruments as may be required or desired by the Administrative Agent or any party in order to have said proceeds and revenues so paid to the Administrative Agent. The Administrative Agent is fully authorized to receive and give receipt for said revenues and proceeds; to endorse and cash any and all checks and drafts payable to the order of Debtors or the Administrative Agent for the account of Debtors received from or in connection with said revenues or proceeds and to hold the proceeds thereof in a bank account as additional Collateral securing the Secured Obligations; and to execute transfer and division orders in the names of Debtors, or otherwise, with warranties binding Debtors. The Administrative Agent shall not be liable for any delay, neglect or failure to effect collection of any proceeds or to take any other action in connection therewith or hereunder; but the Administrative Agent shall have the right, at its election, in the names of Debtors or otherwise, to prosecute and defend any and all actions or legal proceedings deemed advisable by the Administrative Agent in order to collect such funds and to protect the interests of the Administrative Agent and/or Debtors, with all costs, expenses and attorneys’ fees incurred in connection therewith being paid by Debtors. Debtors hereby appoint the Administrative Agent as Debtors’ attorney-in-fact to pursue any and all rights of Debtors to liens on and security interests in the Hydrocarbons securing payment of proceeds of runs attributable to the Hydrocarbons. In addition to the rights granted to the Administrative Agent in Section 2.1, Debtors hereby further transfer and assign to the Administrative Agent any and all such liens, security interests, financing statements or similar interests of Debtors attributable to Debtors’ interest in the Hydrocarbons and proceeds of runs therefrom arising under or created by statutory provision,

judicial decision or otherwise. The power of attorney granted to Beneficiary in this Section 2.4, being coupled with an interest, shall be irrevocable so long as the Secured Obligations or any part thereof remains unpaid. Until such time as an Event of Default has occurred and is continuing, but subject to the provisions of the Credit Agreement, the Administrative Agent hereby grants to Grantors a license to sell, receive and give receipt for proceeds from the sale of Hydrocarbons, which license shall automatically terminate upon such Event of Default and for so long as the same continues. For the avoidance of doubt, if the foregoing license is terminated as a result of an occurrence of an Event of Default, such license shall be automatically reinstated if such Event of Default is waived pursuant to the terms of the Credit Agreement. Nothing herein contained shall modify or otherwise alter the obligation of the Borrower to make prompt payment of all principal and interest owing on the Obligations when and as the same become due regardless of whether the proceeds of the Hydrocarbons are sufficient to pay the same and the rights provided in accordance with the foregoing assignment provision shall be cumulative of all other security of any and every character now or hereafter existing to secure payment of the Obligations.

SECTION 3. Representations and Warranties.

Each Debtor represents and warrants to Administrative Agent and to each other Secured Party as follows:

3.1 Binding Obligation; Perfection. Schedule 3.2 indicates which of the foregoing addresses serves as each Debtor's chief executive office.

3.3 Existing Liens. Except for Permitted Liens, each Debtor owns its respective Collateral, and will own all after-acquired Collateral, free and clear of any Lien. 3.4 Governmental Authorizations; Consents. No authorization, approval or other action by, and no notice to or filing with, any Governmental Authority or consent of any other Person is required for (i) the grant by any Debtor of the Security Interests granted hereby or for the execution, delivery or performance of this Agreement by any Debtor; or (ii) the exercise by Administrative Agent of its rights and remedies hereunder (except as may have been accomplished by or at the direction of a Debtor or Administrative Agent). 3.5 Accounts. All material amounts represented by each Debtor to Administrative Agent as owing by Account Debtors, are the correct amounts actually and unconditionally owing, except (i) for normal cash discounts and allowances where applicable and (ii) for such amounts the failure of which to be correct could not result in or have a Material Adverse Effect. No Account Debtor has any defense, set-off, claim or counterclaim against any Debtor that can be asserted against Administrative Agent, whether in any proceeding to enforce Administrative Agent's rights in the Collateral or otherwise except defenses, setoffs, claims or counterclaims that are not, in the aggregate, material to the value of the Accounts. In the event that a Debtor receives a promissory note or other Instrument with a value in excess of $2,000,000 payable in respect of the Accounts, the Borrower shall (i) notify Administrative Agent within thirty (30) days of such receipt (or such later date as Administrative Agent may agree to in its sole discretion) and (ii) if requested by the Administrative Agent, take all such action(s) as may be necessary to pledge such promissory note or other Instrument as Collateral hereunder and to perfect the Security Interests granted hereby with respect to such Collateral.

3.6 Inventory. No Inventory of any Debtor is subject to any licensing, patent, trademark, trade name or copyright agreement with any Person that restricts any Debtor's or Administrative Agent's ability to manufacture and/or sell the Inventory. 3.8 Certain Collateral Disclosures. Except in each case as set forth on Schedule 3.8, as of the Closing Date, no Debtor has any ownership interest in any Chattel Paper, Letter-of-Credit Rights, Commercial Tort Claims, Documents, or Equipment covered by any certificate of title, in each case, with a face value, fair market value or claimed amount, as applicable, in excess of $2,000,000 individually or, with respect to each type of Collateral, $4,000,000 in the aggregate.

enter upon, occupy and use any premises owned or leased by any Debtor or where the Collateral is located (or is believed to be located) until the Secured Obligations are paid in full without any obligation to pay rent to any Debtor, to render the Collateral useable or saleable and to remove the Collateral or any part thereof to the premises of Administrative Agent for such time as Administrative Agent may desire in order to effectively collect or liquidate the Collateral and use in connection with such removal any and all services, supplies and other facilities of any Debtor; (ii) to take possession of any Debtor's original books and records, to obtain access to any Debtor's data processing equipment, computer hardware and Software relating to the Collateral and to use all of the foregoing and the information contained therein in any manner Administrative Agent deems appropriate; and (iii) to notify postal authorities to change the address for delivery of any Debtor's mail to an address designated by Administrative Agent and to receive, open and dispose of all mail addressed to any Debtor. If any Debtor's books and records are prepared or maintained by an accounting service, contractor or other third party agent, each Debtor hereby irrevocably authorizes such service, contractor or other agent, upon notice by Administrative Agent to such Person that an Event of Default has occurred and is continuing, to deliver to Administrative Agent or its designees such books and records, and to follow Administrative Agent's instructions with respect to further services to be rendered.

5.3 If any Event of Default shall have occurred and be continuing, Administrative Agent may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of Administrative Agent on default under the UCC (whether or not the UCC applies to the affected Collateral) and also may: (i) require any Debtor to, and each Debtor hereby agrees that it will, at its expense and upon request of Administrative Agent forthwith, assemble all or part of the Collateral as directed by Administrative Agent and make it available to Administrative Agent at any place or places designated by Administrative Agent which is reasonably convenient to Administrative Agent in which event each Debtor shall at its own expense (A) forthwith cause the same to be moved to the place or places so designated by Administrative Agent, (B) store and keep any Collateral so delivered to Administrative Agent at such place or places pending further action by Administrative Agent, and (C) while Collateral shall be so stored and kept, provide such guards and maintenance services as shall be necessary to protect the same and to preserve and maintain the Collateral in good condition; (ii) withdraw all cash in any Deposit Account and apply such monies in payment of the Secured Obligations; and (iii) without notice except as specified below, sell, lease, license or otherwise dispose of the Collateral or any part thereof by one or more contracts, in one or more parcels at public or private sale, and without the necessity of gathering at the place of sale of the property to be sold, at any of Administrative Agent's offices or elsewhere, at such time or times, for cash, on credit or for future delivery, and at such price or prices and upon such other terms as Administrative Agent may deem commercially reasonable. Administrative Agent shall have no obligation to marshal any Collateral in favor of any Debtor or any other Obligor.

5.4 Each Debtor agrees that, to the extent notice of sale shall be required by law, a reasonable authenticated notification of disposition shall be a notification given at least ten (10) days prior to any such sale and such notice shall (i) describe Administrative Agent and the applicable Debtors, (ii) describe the Collateral that is the subject of the intended disposition, (iii) state the method of intended disposition, (iv) state that the applicable Debtors are entitled to an accounting of the Secured Obligations and state the charge, if any, for an accounting, and (v)

state the time and place of any public disposition or the time after which any private sale is to be made; provided, that no notification need be given to any Debtor if it has authenticated after default a statement renouncing or modifying any right to notification of sale or other intended disposition. At any sale of the Collateral, if permitted by law, Administrative Agent may bid (which bid may be, in whole or in part, in the form of cancellation of indebtedness) for the purchase, lease, license or other disposition of the Collateral or any portion thereof for the account of Administrative Agent (on behalf of the Secured Parties). Administrative Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Administrative Agent may disclaim any warranties that might arise in connection with the sale, lease, license or other disposition of the Collateral and have no obligation to provide any warranties at such time. Administrative Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. To the extent permitted by law, each Debtor hereby specifically waives all rights of redemption, stay or appraisal, which it has or may have under any law now existing or hereafter enacted.

5.5 If an Event of Default has occurred and is continuing, each Debtor hereby irrevocably authorizes and empowers Administrative Agent, without limiting any other authorizations or empowerments contained in any of the other Loan Documents, to assert, either directly or on behalf of such Debtor, any claims such Debtor may have, from time to time, against any other party to any of the agreements to which such Debtor is a party or to otherwise exercise any right or remedy of such Debtor under any such agreements (including, without limitation, the right to enforce directly against any party to any such agreement all of such Debtor's rights thereunder, to make all demands and give all notices and to make all requests required or permitted to be made by such Debtor thereunder).

5.7 Each Debtor acknowledges and agrees that a breach of any of the covenants contained in Sections 4, 5 and 6 hereof will cause irreparable injury to Administrative Agent and that Administrative Agent has no adequate remedy at law in respect of such breaches and therefore agrees, without limiting the right of Administrative Agent to seek and obtain specific performance of other obligations of each Debtor contained in this Agreement, that the covenants of each Debtor contained in the Sections referred to in this Section shall be specifically enforceable against each Debtor.

5.8 No failure or delay on the part of Administrative Agent in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or any other right, power or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 6. Attorney-in-Fact.

Each Debtor hereby irrevocably appoints Administrative Agent, its nominee, and any other Person whom Administrative Agent may designate, as such Debtor's attorney-in-fact, with full power during the existence of any Event of Default to sign such Debtor's name on verifications of Accounts and other Collateral; to send requests for verification of Collateral to such Debtor's customers, Account Debtors and other obligors; to endorse such Debtor's name on any checks, notes, acceptances, money orders, drafts, and any other forms of payment or security that may come into Administrative Agent's possession or on any assignments, stock powers, or other instruments of transfer relating to the Collateral or any part thereof; to sign such Debtor's name on any invoice or bill of lading relating to any Collateral, on claims to enforce collection of any Collateral, on notices to and drafts against customers and Account Debtors and other obligors, on schedules and assignments of Collateral, on notices of assignment and on public records; to notify the post office authorities to change the address for delivery of such Debtor's mail to an address designated by Administrative Agent; to receive, open and dispose of all mail addressed to such Debtor; and to do all things necessary to carry out the terms and provisions of this Agreement. Each Debtor hereby approves all acts of any such attorney taken in accordance with the terms and provisions of this Agreement after the occurrence and during the continuance of an Event of Default and agrees that neither Administrative Agent nor any such attorney will be liable for any acts or omissions nor for any error of judgment or mistake of fact or law other than, and to the extent of, such Person's gross negligence or willful misconduct. The foregoing powers of attorney, being coupled with an interest, are irrevocable until Security Termination has occurred and the Security Interests granted hereby shall have terminated in accordance with the terms hereof.

SECTION 7. Subordination of Indebtedness.

7.1 Subordination of All Debtor Claims. Each Debtor hereby subordinates the payment of all Debtor Claims owing to such Debtor to the payment in full in cash of all the Secured Obligations (other than contingent indemnification and cost reimbursement obligations for which no claim has been asserted). If Administrative Agent or the other Secured Parties so request after the occurrence and during the continuance of an Event of Default, any such Debtor Claims owing to such Debtor shall be enforced and performance received by such Debtor as trustee for the Secured Parties and the proceeds thereof shall be paid over to Administrative Agent on account of the Secured Obligations. After and during the continuation of an Event of Default, if Administrative Agent shall so request, no Debtor shall receive or collect, directly or indirectly, from any other Debtor in respect thereof any amount upon the Debtor Claims.

7.2 Claims in Bankruptcy. In the event of receivership, bankruptcy, reorganization, arrangement, debtor's relief, or other insolvency proceedings involving any Debtor, Administrative Agent on behalf of the Secured Parties shall have the right to prove their claim in any proceeding, so as to establish their rights hereunder and receive directly from the receiver, trustee or other court custodian, dividends, distributions and payments which would otherwise be payable upon Debtor Claims. In the event of any such proceeding, each Debtor hereby assigns such, dividends, distributions and payments to Administrative Agent for the benefit of the Secured Parties for application against the Secured Obligations as provided under Section 10.02(c) of the Credit Agreement. Should Administrative Agent or any other Secured

Party receive, for application upon the Secured Obligations, any such dividend, distribution or payment which is otherwise payable to any Debtor, and which, as between such Debtor and any other Debtor, shall constitute a credit upon the Debtor Claims, then upon Security Termination, the intended recipient shall become subrogated to the rights of Administrative Agent and the other Secured Parties to the extent that such payments to Administrative Agent and the other Secured Parties on the Debtor Claims have contributed toward the liquidation of the Secured Obligations, and such subrogation shall be with respect to that proportion of the Secured Obligations which would have been unpaid if Administrative Agent and the other Secured Parties had not received dividends, distributions or payments upon the Debtor Claims.

7.3 Payments Held in Trust. In the event that, notwithstanding Section 7.1 and Section 7.2, any Debtor should receive any funds, payments or claims which are prohibited by such Sections, then it agrees: (a) to hold in trust for Administrative Agent and the other Secured Parties an amount equal to the amount of all funds, payments or claims so received, and (b) that it shall have absolutely no dominion over the amount of such funds, payments or claims except to pay them promptly to Administrative Agent, for the benefit of the Secured Parties; and each Debtor covenants promptly to pay the same to Administrative Agent.

7.4 Liens Subordinate. Each Debtor agrees that until Security Termination, any Liens securing payment of the Debtor Claims shall be and remain inferior and subordinate to any Liens securing payment of the Secured Obligations, regardless of whether such encumbrances in favor of such Debtor, Administrative Agent or any other Secured Party presently exist or are hereafter created or attach. Without the prior written consent of Administrative Agent, no Debtor, during the period in which any of the Secured Obligations is outstanding or the Commitments are in effect, shall (x) exercise or enforce any creditor's right it may have against any debtor in respect of the Debtor Claims, or (y) foreclose, repossess, sequester or otherwise take steps or institute any action or proceeding (judicial or otherwise, including without limitation the commencement of or joinder in any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding) to enforce any Lien securing payment of the Debtor Claims held by it.

7.5 Notation of Records. All promissory notes and all accounts receivable ledgers or other evidence of the Debtor Claims accepted by or held by any Debtor shall contain a specific written notice thereon that the indebtedness evidenced thereby is subordinated under the terms of this Agreement.

SECTION 8. Expenses.

Without limiting any Debtor's obligations under the Credit Agreement or the other Loan Documents, but without duplication of any related provisions thereof, each Debtor hereby agrees to promptly pay all reasonable out-of-pocket fees, costs and expenses (including reasonable out-of-pocket attorneys' fees and expenses) incurred in connection with (i) protecting, storing, warehousing, appraising, insuring, handling, maintaining and shipping the Collateral and (ii) creating, perfecting, and maintaining Administrative Agent's Liens, and each Debtor agrees to promptly pay any and all fees, costs and expenses (including reasonable out-of-pocket attorneys' fees and expenses) incurred in connection with collecting, enforcing, retaking, holding, preparing for disposition, processing and disposing of the Collateral and enforcing Administrative Agent's Liens.

If any Debtor fails to promptly pay any portion of the above costs, fees and expenses when due or to perform any other obligation of such Debtor under this Agreement, Administrative Agent may, at its option, but shall not be required to, pay or perform the same and charge such Debtor's account for all fees, costs and expenses incurred therefor, and such Debtor agrees to reimburse Administrative Agent therefor on demand. All sums so paid or incurred by Administrative Agent for any of the foregoing, any and all other sums for which any Debtor may become liable hereunder and all fees, costs and expenses (including attorneys' fees, legal expenses and court costs) incurred by Administrative Agent in enforcing or protecting the Security Interests or any of their rights or remedies under this Agreement shall be payable on demand, shall constitute Secured Obligations, shall bear interest until paid at the highest rate provided in the Credit Agreement and shall be secured by the Collateral.

SECTION 9. Notices.

All notices, approvals, requests, demands and other communications hereunder to be delivered to any Debtor shall be delivered to Borrower, and all notices, approvals, requests, demands and other communications hereunder shall be given in accordance with the notice provisions of the Credit Agreement.

SECTION 10. Successors and Assigns.

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns except that no Debtor may assign its rights or obligations hereunder without the written consent of Administrative Agent. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Secured Obligations or any portion thereof or interest therein shall in any manner impair the Liens granted to Administrative Agent, for the benefit of Administrative Agent and the other Secured Parties, hereunder.

SECTION 11. Changes in Writing.

No amendment, modification, termination or waiver of any provision of this Agreement shall be effective unless the same shall be in writing signed by Administrative Agent and each Debtor.

SECTION 12. Additional Debtors.

Upon the execution and delivery, or authentication, by any Person of a joinder in substantially the form of Exhibit A: (a) such Person shall become a Debtor hereunder, each reference in this Agreement and the other Loan Documents to "Debtor" or "Obligor", as applicable, shall also mean and be a reference to such Person, and each reference in this Agreement and the other Loan Documents to "Collateral" shall also mean and be a reference to the Collateral of such Person, and (b) each schedule attached to such joinder shall be incorporated into and become a part of and supplement the corresponding schedules hereto, and Administrative Agent may attach such supplemental schedules to such corresponding schedule hereto, and each reference to such schedules shall mean and be a reference to such schedules as supplemented pursuant to such joinder.

SECTION 13. Indemnification. Without in any way limiting the requirements of Section 12.03 of the Credit Agreement, each Debtor agrees to indemnify and hold harmless the Secured Parties, each of their respective successors and assigns, officers, directors, employees, agents and attorneys, and any Person in control of any thereof (the "Indemnified Parties"), from and against any loss, liability, claim, damage and expense, including, without limitation, reasonable counsel fees (collectively called the "Indemnified Liabilities"), which may be imposed on, incurred by or asserted against such Indemnified Party as a result of or in connection with this Agreement or the enforcement by the Administrative Agent or any other Secured Party of its rights and remedies hereunder, and any Indemnified Liabilities, under federal and state securities laws or otherwise, insofar as such Indemnified Liabilities;

13.1 arise out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement, prospectus or offering memorandum or in any preliminary prospectus or preliminary offering memorandum or in any amendment or supplement to any of the foregoing or in any other writing in connection with the offer, sale or resale of all or any portion of the Collateral, provided that any such registration statement, prospectus or offering memorandum, preliminary prospectus, preliminary offering memorandum, or other writing was prepared by Debtors, their representatives, agents, or attorneys or such untrue statement was provided by Debtors specifically for inclusion therein and unless such untrue statement of material fact was provided by the Administrative Agent specifically for inclusion therein; or

13.2 arise out of or is based upon any omission or alleged omission to state therein a material fact required to be stated or necessary to make the statements therein not misleading.

Such indemnification to remain operative regardless of any investigation made by or on behalf of the Administrative Agent, any Secured Party or any successor thereof, or any Person in control of any thereof. In no event shall any Debtor have any obligation to indemnify or hold harmless an Indemnified Party with respect to an Indemnified Liability that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or willful misconduct by any Indemnified Party. In connection with a public sale or other distribution, each Debtor will provide customary indemnification to any underwriters, their respective successors and assigns, their respective officers and directors and each Person who controls any such underwriter (within the meaning of the 1933 Act). If and to the extent that the foregoing undertakings in this Section 13 may be unenforceable for any reason, each Debtor agrees to make maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. The obligations of each Debtor under this Section 13 shall survive any termination of this Agreement.

SECTION 14. Joint and Several Liability.

Each Debtor hereby agrees that it is jointly and severally liable for all liabilities, obligations and/or indebtedness of each other Debtor, to the extent such liabilities, obligations and/or indebtedness arise under or in connection with this Agreement.

SECTION 15. GOVERNING LAW; SUBMISSION TO JURISDICTION.

THIS AGREEMENT, AND ALL MATTERS RELATING HERETO OR ARISING THEREFROM (WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF TEXAS WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES. EACH DEBTOR HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH DEBTOR ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT FOR THE ADMINISTRATIVE AGENT AND THE OTHER SECURED PARTIES TO ENTER INTO A BUSINESS RELATIONSHIP AND THAT THE ADMINISTRATIVE AGENT AND EACH OTHER SECURED PARTY HAS RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AND THAT THE ADMINISTRATIVE AGENT AND EACH OTHER SECURED PARTY WILL CONTINUE TO RELY ON THIS WAIVER IN THEIR RELATED FUTURE DEALINGS WITH EACH DEBTOR. EACH DEBTOR WARRANTS AND REPRESENTS THAT IT HAS HAD THE OPPORTUNITY OF REVIEWING THIS JURY WAIVER WITH LEGAL COUNSEL, AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS.

All sums payable by the Debtors hereunder or under the Notes and the other Loan Documents shall be paid without notice, demand, counterclaim, setoff, deduction or defense, and without abatement, suspension, deferment, diminution or reduction, and the obligations and liabilities of the Debtors hereunder and thereunder shall in no way be released, discharged or otherwise affected, except as expressly provided herein, by reason of (a) any damage to or destruction of or any condemnation or similar taking, or transfer in lieu thereof, of the Collateral or any part thereof; (b) any restriction or prevention of or interference with any use of the Collateral or any part thereof; (c) any title defect or encumbrance or any eviction from the location of the Collateral or any part thereof by title paramount or otherwise; (d) any bankruptcy, insolvency, reorganization, composition, adjustment, dissolution, liquidation or other like proceeding relating to any Debtor or any action taken with respect to this Agreement or the other Loan Documents by any trustee or receiver of any Debtor, or by any court in such proceeding; (e) any claim which any Debtor has or might have against Administrative Agent or any other Secured Party; or (f) any other occurrence whatsoever, whether similar or dissimilar to the foregoing, whether or not the Debtors shall have notice or knowledge of any of the foregoing. No portion of the Secured Obligations shall be or be deemed to be offset or compensated by all or any part of any claim, cause of action, counterclaim or cross-claim, whether liquidated or unliquidated, which any Debtor may presently have or claim to have against Administrative Agent or any other Secured Party. Each Debtor hereby waives, to the fullest extent permitted by applicable law, any right of setoff it may have or to which it may be entitled under this Agreement, the other Loan Documents or any applicable law from time to time against Administrative Agent, any other Secured Party or their respective assets. Except as expressly provided herein, each Debtor waives all rights now or hereafter conferred by statute or otherwise to any abatement, suspension, deferment, diminution or reduction of any sum secured hereby and payable by such Debtor.

SECTION 18. Counterparts; Integration.

This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Signature by facsimile shall bind the parties hereto. This Agreement constitutes the entire agreement and understanding among the parties hereto and supersedes any and all prior agreements and understandings, oral or written, relating to the subject matter hereof.

SECTION 19. Headings.

Headings and captions used in this Agreement (including the Exhibits and Schedules hereto) are included for convenience of reference and shall not be given any substantive effect.

SECTION 20. General Terms and Conditions.

In addition to and without limitation of any of the foregoing, this Agreement shall be deemed to be a Loan Document and shall otherwise be subject to all of the general terms and conditions contained in the Credit Agreement, *mutatis mutandi*.

SECTION 21. Termination of Liens; Release of Collateral.

Administrative Agent agrees that upon Security Termination, the Liens provided for hereunder shall automatically terminate and all rights to the Collateral shall revert to the applicable Debtor. Administrative Agent further agrees that upon such termination, Administrative Agent shall, at the expense of the Debtors, execute and promptly deliver to the Debtors such documents and instruments as the Debtors shall reasonably request to evidence such termination. Notwithstanding the foregoing, this Agreement and the Liens created hereby shall continue in full force and effect or be revived and reinstated, as the case may be, if any payment by or on behalf of the Borrower or any other Debtor is made, or any Secured Party exercises its right of setoff, in respect of the Secured Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Secured Parties in their discretion) to be repaid to a trustee, receiver or any other party, for any reason, including in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released the Liens created by this Agreement and regardless of any prior revocation, rescission, termination or reduction. The obligations of each Debtor under the immediately preceding sentence shall survive termination of this Agreement.

Section 2. Pledge.

(a) As collateral security for the prompt payment in full when due (whether at stated maturity, by acceleration or otherwise) and performance of the Secured Obligations, each Pledgor hereby pledges, assigns, hypothecates, transfers, delivers and grants to the Administrative Agent, for the benefit of the Secured Parties, a Lien on and perfected security interest in (i) all of the Equity Interests of the Issuers now owned or hereafter acquired by such Pledgor (the Equity Interests described in the foregoing clause (i) collectively, the "Pledged Shares"; when used with respect to any one Pledgor, "Pledged Shares" means the Pledged Shares in which such Pledgor has an interest or in which Exhibit A indicates such Pledgor has an interest), (ii) all other property hereafter delivered to, or in the possession or in the custody of, the Administrative Agent, in substitution for or in addition to the Pledged Shares, (iii) any other property of any Issuer, as described in Section 4 below, now or hereafter delivered to, or in the possession or custody of such Pledgor, (iv) all rights, privileges, authority or powers of such Pledgor as an owner of such pledged Equity Interest in such Issuers, and (v) all Proceeds of the collateral described in the preceding clauses (i), (ii), (iii) and (iv) (the collateral described in clauses (i) through (v) of this Section 2 being collectively referred to as the "Pledged Collateral"). Notwithstanding the foregoing, the term "Pledged Collateral" shall not include any Excluded Property and no Lien or security interest is hereby granted on any Excluded Property, in each case, solely for so long as such property remains Excluded Property.

(b) All of the Pledged Shares owned by each Pledgor on the date hereof, as applicable, are listed on Exhibit A hereto, and (i) to the extent applicable, all instruments or certificates representing the Pledged Shares and undated equity interest powers substantially in the form attached hereto as Exhibit E or such other equivalent equity interest powers reasonably acceptable to the Administrative Agent ("Equity Interest Power") duly executed in blank by such Pledgor, (ii) irrevocable proxies substantially in the form attached hereto as Exhibit F ("Irrevocable Proxy") and (iii) a duly executed equity registration page, substantially in the form attached hereto as Exhibit G ("Registration Page"), are being delivered to the Administrative Agent, for the benefit of the Secured Parties, simultaneously herewith. Each Pledgor shall execute an Addendum in the form of Exhibit B hereto (an "Addendum") and deliver to the Administrative Agent, stock certificates (if any), together with duly executed Equity Interest Powers, Irrevocable Proxies and Registration Pages upon creation or acquisition by such Pledgor of any Equity Interest in any other newly formed or acquired Subsidiary or any additional Equity Interest in Issuers named on Exhibit A within the time period required under the Credit Agreement. The Administrative Agent, on behalf of the Secured Parties, shall maintain possession and custody of the certificates representing the Pledged Shares and any additional Pledged Collateral.

(c) The Lien and security interest created hereby in the Pledged Collateral secures the payment and performance of all Secured Obligations. Without limiting the generality of the foregoing, this Agreement secures, as to each Pledgor, the payment of all amounts that constitute part of the Secured Obligations and would be owed by any Pledgor to any Secured Party under the Loan Documents but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving a Pledgor.

(d) This Agreement is executed and granted for the pro rata benefit and security of the Administrative Agent and the other Secured Parties as security for the Secured Obligations until Security Termination has occurred; it being understood and agreed that possession of any Note (or any replacements of any said Note) at any time by the Borrower or any other Pledgor shall not in any manner extinguish the Secured Obligations, such Notes or this Agreement securing payment thereof, and the Borrower shall have the right to issue and reissue any of the Notes from time to time as its interest or as convenience may require, without in any manner extinguishing or affecting the Secured Obligations, the obligations under any of the Notes, or the security of this Agreement.

Section 3. Representations, Warranties and Covenants of Pledgors. Each Pledgor represents, warrants and covenants to the Administrative Agent, for the benefit of the Secured Parties as follows:

(a) such Pledgor is the record and beneficial owner of, and has legal title to, the Pledged Shares, including without limitation the Pledged Shares listed on Exhibit A, and such shares are and all other Equity Interests constituting Pledged Collateral are free and clear of all Liens and other encumbrances and restrictions whatsoever, except Permitted Liens;

(b) such Pledgor has full power, authority and legal right to execute this Agreement and to pledge the Pledged Shares and any additional Pledged Collateral to the Administrative Agent, for the benefit of the Secured Parties;

(c) this Agreement has been duly authorized, executed and delivered by such Pledgor and constitutes a legal, valid and binding obligation of such Pledgor enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally;

(d) there are no outstanding options, warrants or other agreements with respect to the Pledged Shares;

(e) the Pledged Shares have been duly and validly authorized and issued, and are fully paid and non-assessable. The Pledged Shares listed on Exhibit A constitute the percentage of the issued and outstanding Equity Interests of such class of the Issuers specified on Exhibit A;

(f) no consent, approval or authorization of or designation or filing with any Governmental Authority on the part of such Pledgor is required in connection with or as a condition to the pledge and security interest granted under this Agreement, or the exercise by the Administrative Agent of the voting and other rights provided for in this Agreement except as may be required in connection with disposition of the Pledged Collateral by laws affecting the offering and sale of securities generally;

(g) the execution, delivery and performance of this Agreement by such Pledgor does not (i) require any consent or approval of any holders of Equity Interests of

such Pledgor, except those already obtained; (ii) violate or cause a default under the Organizational Documents of such Pledgor; (iii) violate or cause a default under any applicable law, material contract or of any securities issued by any Issuer; or (iv) result in or require the imposition of any Lien (other than Permitted Liens) on such Pledgor's Property;

(h) the pledge, assignment and delivery (to the extent applicable) to the Administrative Agent of the Pledged Shares, or other actions establishing control over the Pledged Shares (to the extent applicable) pursuant to this Agreement creates a valid Lien on and a perfected security interest in the Pledged Shares and the Proceeds thereof in favor of the Administrative Agent, for the benefit of the Secured Parties, subject to no prior Lien (other than Permitted Liens). Such Pledgor covenants and agrees that it will defend the Administrative Agent's right, title and security interest in and to the Pledged Shares and the proceeds thereof against the claims and demands of all persons whomsoever, (i) subject to the rights of such Pledgor under the Loan Documents to dispose of the Pledged Shares and (ii) other than any holders of Permitted Liens;

(i) with respect to any certificates delivered to the Administrative Agent representing Pledged Collateral, either such certificates are Securities as defined in Article 8 of the UCC as a result of actions by the Issuer or otherwise, or, if such certificates are not Securities, such Pledgor has so informed the Administrative Agent so that the Administrative Agent may take steps to perfect its security interest therein as a General Intangible;

(j) none of the Pledged Shares have been issued or transferred in violation of the 1933 Act, 1934 Act or other applicable securities registration, securities disclosure or similar laws of any jurisdiction to which such issuance shall or transfer may be subject;

(k) no Pledged Collateral owned by such Pledgor is or shall be held by a securities intermediary, except for a Pledged Collateral held in a Securities Account in compliance with Section 4.11 of the Security Agreement;

(l) (i) if the Organizational Documents of any Pledgor specify that such Pledgor has "opted in" to Article 8 of the UCC or otherwise provides that Article 8 of the UCC shall govern any related Pledged Collateral and/or any such Pledged Collateral will or may be evidenced by certificates, then (A) such certificates are Securities as defined in Article 8 of the UCC and (B) such Pledgor has delivered such certificates to the Administrative Agent; or (ii) if the Organizational Documents of any Pledgor do not specify that such Pledgor has "opted in" to Article 8 of the UCC or otherwise do not provide that Article 8 of the UCC governs any related Pledged Collateral and/or do not provide that such Pledged Collateral will or may be evidenced by certificates, then (A) such Pledged Collateral are not Securities as defined in Article 8 of the UCC and (B) such Pledgor shall not create or deliver any certificates to any Person in relation to such Pledged Collateral; and (iii) in either instance (i) or (ii), no Pledgor may amend or terminate any provision of its Organizational Documents pertaining to such Pledged Collateral.

(m) the Administrative Agent has a perfected security interest in all uncertificated Pledged Shares pledged hereunder that are in existence on the date hereof. Each Pledgor hereby agrees that if any of the Pledged Shares are at any time not evidenced by certificates of ownership, then each applicable Pledgor shall, to the extent permitted by applicable law, (i) cause the Issuer to execute and deliver to the Administrative Agent an acknowledgment of the pledge of such Pledged Shares substantially in the form of Exhibit D hereto or such other form that is reasonably satisfactory to the Administrative Agent and (ii) to the extent reasonably requested by the Administrative Agent, if necessary to perfect a security interest in such Pledged Shares, cause such pledge to be recorded on the equity holder register or the books of the Issuer, and execute any customary pledge forms or other documents necessary or appropriate to complete the pledge and give the Administrative Agent the right to transfer such Pledged Shares under the terms hereof.

Section 4. Stock Dividends, Distributions, etc. If, while this Agreement is in effect, any Pledgor shall become entitled to receive or shall receive any certificate representing Equity Interests constituting Pledged Collateral (including, without limitation, any certificate representing a stock dividend or a stock distribution in connection with any reclassification, increase or reduction of capital, or issued in connection with any reorganization, merger or consolidation), or any options or rights, whether as an addition to, in substitution for, or in exchange for any of the Pledged Shares, or otherwise, such Pledgor agrees to accept, hold and deliver the same forthwith to the Administrative Agent in the exact form received, with the endorsement of such Pledgor when necessary and/or appropriate and undated Equity Interest Powers duly executed in blank, to be held by the Administrative Agent, for the benefit of the Secured Parties, subject to the terms hereof, as additional Pledged Collateral. In case any distribution of capital shall be made on or in respect of the Pledged Shares or any property shall be distributed upon or with respect to the Pledged Shares pursuant to the recapitalization or reclassification of the capital of the Issuer thereof or pursuant to the reorganization thereof, in a transaction not permitted under Section 9.04 of the Credit Agreement, the property so distributed shall be delivered to the Administrative Agent to be held by it as additional Pledged Collateral. Except as provided in Section 5(a)(ii) below, all sums of money and property so paid or distributed in respect of the Pledged Shares which are received by such Pledgor as described in the immediately preceding sentence shall, until paid or delivered to the Administrative Agent, be held by such Pledgor in trust as additional Pledged Collateral.

Section 5. Administration of Security.

(a) Each Pledgor shall be entitled (subject to the other provisions hereof, including, without limitation, Section 9 below):

(i) until receipt of notice to the contrary from the Administrative Agent during the continuance of an Event of Default, to vote or consent with respect to the Pledged Shares; provided, however, that no vote or other right shall be exercised or action taken by any Pledgor which would reasonably be expected to have the effect of impairing the rights of the Administrative Agent in respect of such Pledged Collateral; and

(ii) until receipt of notice to the contrary from the Administrative Agent delivered during the continuance of an Event of Default, to receive cash dividends or other distributions in the ordinary course made in respect of the Pledged Shares, to the extent permitted to be paid pursuant to the Credit Agreement.

(b) EACH PLEDGOR HEREBY IRREVOCABLY CONSTITUTES AND APPOINTS THE ADMINISTRATIVE AGENT AS ITS PROXY AND ATTORNEY-IN-FACT FOR SUCH PLEDGOR WITH RESPECT TO THE PLEDGED COLLATERAL WITH THE RIGHT TO, DURING THE CONTINUANCE OF AN EVENT OF DEFAULT, TAKE ANY OF THE FOLLOWING ACTIONS (I) TRANSFER AND REGISTER IN ITS NAME OR IN THE NAME OF ITS NOMINEE THE WHOLE OR ANY PART OF THE PLEDGED COLLATERAL, (II) VOTE THE PLEDGED SHARES, WITH FULL POWER OF SUBSTITUTION TO DO SO, (III) RECEIVE AND COLLECT ANY DIVIDEND OR OTHER PAYMENT OR DISTRIBUTION IN RESPECT OF, OR IN EXCHANGE FOR, THE PLEDGED COLLATERAL OR ANY PORTION THEREOF, TO GIVE FULL DISCHARGE FOR THE SAME AND TO INDORSE ANY INSTRUMENT MADE PAYABLE TO PLEDGOR FOR SAME, (IV) EXERCISE ALL OTHER RIGHTS, POWERS, PRIVILEGES AND REMEDIES TO WHICH A HOLDER OF THE PLEDGED COLLATERAL WOULD BE ENTITLED (INCLUDING, WITH RESPECT TO THE PLEDGED SHARES, GIVING OR WITHHOLDING WRITTEN CONSENTS OF SHAREHOLDERS, PARTNERS OR MEMBERS, CALLING SPECIAL MEETINGS OF SHAREHOLDERS, PARTNERS OR MEMBERS AND VOTING AT SUCH MEETINGS), AND (V) TAKE ANY ACTION AND EXECUTE ANY INSTRUMENT WHICH THE ADMINISTRATIVE AGENT MAY DEEM NECESSARY OR ADVISABLE TO ACCOMPLISH THE PURPOSES OF THIS AGREEMENT. THE APPOINTMENT OF THE ADMINISTRATIVE AGENT AS PROXY AND ATTORNEY-IN-FACT IS COUPLED WITH AN INTEREST AND SHALL BE VALID AND IRREVOCABLE UNTIL SECURITY TERMINATION; IT BEING UNDERSTOOD THAT SUCH SECURED OBLIGATIONS AND THIS AGREEMENT AND THE LIENS AND SECURITY INTEREST CREATED HEREBY WILL CONTINUE TO BE EFFECTIVE OR AUTOMATICALLY REINSTATED, AS THE CASE MAY BE, IF AT ANY TIME PAYMENT, IN WHOLE OR IN PART, OF ANY OF THE SECURED OBLIGATIONS IS RESCINDED OR MUST OTHERWISE BE RESTORED OR RETURNED BY THE ADMINISTRATIVE AGENT OR ANY OTHER SECURED PARTY FOR ANY REASON, INCLUDING AS A PREFERENCE, FRAUDULENT CONVEYANCE OR OTHERWISE UNDER ANY BANKRUPTCY, INSOLVENCY OR SIMILAR LAW, ALL AS THOUGH SUCH PAYMENT HAD NOT BEEN MADE; IT BEING FURTHER UNDERSTOOD THAT IN THE EVENT PAYMENT OF ALL OR ANY PART OF THE SECURED OBLIGATIONS IS RESCINDED OR MUST BE RESTORED OR RETURNED, ALL REASONABLE OUT-OF-POCKET COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, REASONABLE ATTORNEYS' FEES AND DISBURSEMENTS) INCURRED BY THE ADMINISTRATIVE AGENT OR ANY OTHER SECURED PARTY IN DEFENDING AND ENFORCING SUCH REINSTATEMENT SHALL BE DEEMED TO BE INCLUDED AS A PART OF THE SECURED OBLIGATIONS. SUCH APPOINTMENT OF THE ADMINISTRATIVE AGENT AS PROXY AND

ATTORNEY-IN-FACT SHALL BE VALID AND IRREVOCABLE AS PROVIDED HEREIN NOTWITHSTANDING ANY LIMITATIONS TO THE CONTRARY SET FORTH IN THE ARTICLES OR CERTIFICATE OF INCORPORATION OR ORGANIZATION, CERTIFICATE OF FORMATION, BYLAWS, LIMITED LIABILITY COMPANY AGREEMENTS OR OTHER ORGANIZATIONAL DOCUMENTS OF ANY PLEDGOR, THE BORROWER OR ANY ISSUER. In order to further effect the foregoing transfer of rights in favor of the Administrative Agent, the Administrative Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, to present to Borrower or any Issuer an Irrevocable Proxy and/or Registration Page. After the occurrence and during the continuance of an Event of Default and upon the request of the Administrative Agent, each Pledgor agrees to deliver to the Administrative Agent, on behalf of the Secured Parties, such further evidence of such Irrevocable Proxy or additional Irrevocable Proxies to vote the Pledged Shares as the Administrative Agent may request.

(c) Upon the occurrence and during the continuance of an Event of Default, and following delivery of a notice pursuant to Section 5(a)(ii), in the event that any Pledgor, as record and beneficial owner of its Pledged Shares, shall have received or shall have become entitled to receive, any cash dividends or other distributions in the ordinary course, such Pledgor shall deliver to the Administrative Agent, for the benefit of the Secured Parties, and the Administrative Agent, for the benefit of the Secured Parties, shall be entitled to receive and retain, all such cash or other distributions as additional Pledged Collateral.

(d) All prior proxies given by any Pledgor with respect to any of the Pledged Collateral or any of the Pledged Shares, as applicable (other than to the Administrative Agent) are hereby revoked, and no subsequent proxies (other than to the Administrative Agent) will be given with respect to any of the Pledged Collateral or any of the Pledged Shares, as applicable. The Administrative Agent, as proxy, will be empowered and may exercise the irrevocable proxy to vote the Pledged Collateral and/or the Pledged Shares at any and all times during the continuance of an Event of Default, including, but not limited to, at any meeting of shareholders, partners or members, as the case may be, of an Issuer, however called, and at any adjournment thereof, or in any action by written consent, and may waive any notice otherwise required in connection therewith. To the fullest extent permitted by applicable law, the Administrative Agent shall have no agency, fiduciary or other implied duties to any Pledgor or Issuer or any other party when acting in its capacity as such proxy or attorney-in-fact. Each Pledgor hereby waives and releases any claims that it may otherwise have against the Administrative Agent with respect to any breach or alleged breach of any such agency, fiduciary or other duty.

(e) Any transfer to the Administrative Agent or its nominee, or registration in the name of the Administrative Agent or its nominee, of the whole or any part of the Pledged Collateral, whether by the delivery of a Registration Page to the applicable Issuer or otherwise, shall be made, subject to the following sentence, solely for purposes of effectuating voting or other consensual rights with respect to the Pledged Collateral in accordance with the terms of this Agreement and is not intended to effectuate any transfer of ownership of the Pledged Collateral. Notwithstanding any delivery or modification of

a Registration Page or exercise of an Irrevocable Proxy, the Administrative Agent shall not be deemed the owner of, or assume any obligations of the owner or holder of the Pledged Collateral unless and until the Administrative Agent expressly accepts such obligations in writing or otherwise becomes the owner thereof under applicable law.

(f) At any time, in order to comply with any legal requirement in any jurisdiction, or to effect or continue the creation, attachment or perfection of the Liens and security interest granted herein, the Administrative Agent may appoint any bank or trust company or one or more other Persons, either to act as co-agent or co-agents, jointly with the Administrative Agent, or to act as a separate agent or agents on behalf of the Administrative Agent and/or the other Secured Parties, with such power and authority as may be necessary for the effective operation of the provisions hereof and may be specified in the instrument of appointment.

Section 6. No Disposition, etc. Other than pursuant to a transaction permitted by the Credit Agreement, without the prior written consent of the Administrative Agent or to the extent permitted under the Credit Agreement, each Pledgor agrees that such Pledgor will not sell, assign, transfer, exchange, or otherwise dispose of, or grant any option with respect to, the Pledged Shares or any other Pledged Collateral, nor will such Pledgor create, incur or permit to exist any Lien, other than Permitted Liens, with respect to any of the Pledged Shares, any other Pledged Collateral or any interest therein, or any proceeds thereof. If an Event of Default has occurred and is continuing (or would result therefrom), each Pledgor agrees that it will not vote to enable, and will not otherwise take affirmative action to allow, any Issuer to (a) issue any stock or other securities of any nature in addition to or in exchange or substitution for the Pledged Shares or (b) dissolve, liquidate, retire any of its capital stock, reduce its capital or merge or consolidate with any other Person.

Section 7. Certain Rights of the Administrative Agent. Neither the Administrative Agent nor any of the other Secured Parties shall be liable for failure to collect or realize upon any of the Secured Obligations or any collateral security or guaranty therefor, or any part thereof, or for any delay in so doing, nor shall the Administrative Agent or any of the other Secured Parties be under any obligation to take any action whatsoever with regard thereto. Any or all of the Pledged Shares, if an Event of Default has occurred and is continuing, may be registered in the name of the Administrative Agent or its nominee and the Administrative Agent or its nominee may without notice, exercise all voting and corporate rights at any meeting with respect to any Issuer and exercise any and all rights of conversion, exchange, subscription or any other rights, privileges or options pertaining to any of the Pledged Shares as if it were the absolute owner thereof, including, without limitation, the right to vote in favor of, and to exchange at its discretion any and all of the Pledged Shares upon, the merger, consolidation, reorganization, recapitalization or other readjustment with respect to any Issuer or upon the exercise by any Pledgor or the Administrative Agent of any right, privilege or option pertaining to any of the Pledged Shares, and in connection therewith, to deposit and deliver any and all of the Pledged Shares with any committee, depository, transfer agent, registrar or other designated agency upon such terms and conditions as the Administrative Agent may determine, all without liability except to account for property actually received by the Administrative Agent, but the Administrative Agent shall have no duty to exercise any of the aforesaid rights, privileges or options and shall not be responsible for any failure to do so or delay in so doing.

Section 8. Subordination of All Pledgor Claims.

(a) Each Pledgor hereby subordinates the payment of all Pledgor Claims owing to such Pledgor to the payment in full in cash of all the Secured Obligations (other than contingent indemnification and cost reimbursement obligations for which no claim has been asserted). If the Administrative Agent or the other Secured Parties so request, any such Pledgor Claims owing to such Pledgor shall be enforced and performance received by such Pledgor as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Administrative Agent on account of the Secured Obligations. After and during the continuation of an Event of Default, no Pledgor shall receive or collect, directly or indirectly, from any other Pledgor in respect thereof any amount upon the Pledgor Claims.

(b) In the event of receivership, bankruptcy, reorganization, arrangement, debtor's relief, or other insolvency proceedings involving any Pledgor, the Administrative Agent on behalf of the Secured Parties shall have the right to prove their claim in any proceeding, so as to establish their rights hereunder and receive directly from the receiver, trustee or other court custodian, dividends and payments which would otherwise be payable upon Pledgor Claims. In the event of such proceeding, each Pledgor hereby assigns such dividends and payments to the Administrative Agent for the benefit of the Secured Parties for application against the Secured Obligations as provided under Section 10.02(c) of the Credit Agreement. Should the Administrative Agent or any other Secured Party receive, for application upon the Secured Obligations, any such dividend or payment which is otherwise payable to any Pledgor, and which, as between such Pledgor and any other Pledgor, shall constitute a credit upon the Pledgor Claims, then upon Security Termination, the intended recipient shall become subrogated to the rights of the Administrative Agent and the other Secured Parties to the extent that such payments to the Administrative Agent and the other Secured Parties on the Pledgor Claims have contributed toward the liquidation of the Secured Obligations, and such subrogation shall be with respect to that proportion of the Secured Obligations which would have been unpaid if the Administrative Agent and the other Secured Parties had not received dividends or payments upon the Pledgor Claims.

(c) In the event that, notwithstanding Section 8(a) and (b), any Pledgor should receive any funds, payments, claims or distributions which are prohibited by such Sections, then it agrees: (a) to hold in trust for the Administrative Agent and the other Secured Parties an amount equal to the amount of all funds, payments, claims or distributions so received, and (b) that it shall have absolutely no dominion over the amount of such funds, payments, claims or distributions except to pay them promptly to the Administrative Agent, for the benefit of the Secured Parties; and each Pledgor covenants promptly to pay the same to the Administrative Agent.

(d) Each Pledgor agrees that until Security Termination, any Liens securing payment of the Pledgor Claims shall be and remain inferior and subordinate to any Liens securing payment of the Secured Obligations, regardless of whether such encumbrances in favor of such Pledgor, the Administrative Agent or any other Secured Party presently exist or are hereafter created or attach. Without the prior written consent of the

Administrative Agent, no Pledgor, during the period in which any of the Secured Obligations is outstanding or the Commitments are in effect, shall (x) exercise or enforce any creditor's right it may have against any debtor in respect of the Pledgor Claims, or (y) foreclose, repossess, sequester or otherwise take steps or institute any action or proceeding (judicial or otherwise, including without limitation the commencement of or joinder in any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding) to enforce any Lien securing payment of the Pledgor Claims held by it.

(e) All promissory notes and all accounts receivable ledgers or other evidence of the Pledgor Claims accepted by or held by any Pledgor shall contain a specific written notice thereon that the indebtedness evidenced thereby is subordinated under the terms of this Agreement.

Section 9. Remedies. Upon the occurrence and during the continuance of an Event of Default, the Administrative Agent, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon any Pledgor or any other Person (all and each of which demands, advertisements and/or notices are hereby expressly waived to the fullest extent permitted by law), may forthwith collect, receive and realize upon the Pledged Collateral, or any part thereof, and/or may forthwith sell, assign, give an option or options to purchase, contract to sell or otherwise dispose of (including the disposition by merger) and deliver said Pledged Collateral, or any part thereof, in one or more portions at public or private sale or sales or transactions, at any exchange, broker's board or at any of the Administrative Agent's offices or elsewhere upon such terms and conditions as the Administrative Agent may deem advisable and at such prices as it may deem best, for any combination of cash and/or securities or other property or on credit or for future delivery without assumption by any Secured Party of any credit risk, with the right to the Administrative Agent upon any such sale or sales, public or private, to purchase the whole or any part of said Pledged Collateral so sold, free of any right or equity of redemption in any Pledgor, which right and equity are hereby expressly waived (to the fullest extent permitted by law) or released. Each Pledgor agrees that the Administrative Agent need not give more than ten (10) days' notice of the time and place of any public sale or of the time after which a private sale or other intended disposition is to take place and that such notice is reasonable notification of such matters. No notification need be given to any Pledgor if such Pledgor has signed after the occurrence and during the continuance of an Event of Default a statement renouncing or modifying any right to notification of sale or other intended disposition. In addition to the rights and remedies granted to the Administrative Agent for the benefit of the Secured Parties in this Agreement and in any other instrument or agreement securing, evidencing or relating to any of the Secured Obligations, the Administrative Agent and the other Secured Parties shall have all the rights and remedies of a secured party under the UCC and under any other applicable law.

Section 10. Sale of Pledged Shares. After the occurrence and during the continuance of an Event of Default:

(a) Each Pledgor recognizes that the Administrative Agent, on behalf of the Secured Parties, may be unable to effect a public sale or disposition (including, without limitation, any disposition in connection with a merger of any Issuer) of any or all the

Pledged Collateral by reason of certain prohibitions contained in the 1933 Act, and applicable state securities laws, but may be compelled to resort to one or more private sales or dispositions thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges and agrees that any such private sale or disposition may result in prices and other terms (including the terms of any securities or other property received in connection therewith) less favorable to the seller than if such sale or disposition were a public sale or disposition and, notwithstanding such circumstances, agrees that any such private sale or disposition shall be deemed to be reasonable and effected in a commercially reasonable manner. The Administrative Agent shall be under no obligation to delay a sale or disposition of any of the Pledged Collateral in order to permit any Pledgor or any Issuer to register such securities for public sale under the 1933 Act, or under applicable state securities laws, even if such Pledgor or any Issuer would agree to do so. No Secured Party shall incur any liability as a result of the sale of any such Pledged Collateral, or any part thereof, at any private sale provided for in this Agreement conducted in a commercially reasonable manner, and each Pledgor hereby waives to the fullest extent permitted by law any claims against the Secured Parties arising by reason of the fact that the price at which the Pledged Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Secured Obligations, even if the Administrative Agent accepts the first offer received and does not offer the Pledged Collateral to more than one offeree.

(b) Each Pledgor agrees to do or cause to be done all such other acts and things as the Administrative Agent may reasonably request to make such sale or sales or dispositions of any portion or all of the Pledged Collateral valid and binding and in compliance with any and all applicable laws, regulations, orders, writs, injunctions, decrees or awards of any and all courts, arbitrators or governmental instrumentalities, domestic or foreign, having jurisdiction over any such sale or sales or dispositions, all at such Pledgor's expense.

(c) Without in any way limiting the requirement of Section 12.03 of the Credit Agreement, each Pledgor agrees to indemnify and hold harmless the Secured Parties, each of their respective successors and assigns, officers, directors, employees, agents and attorneys, and any Person in control of any thereof (the "Indemnified Parties"), from and against any loss, liability, claim, damage and expense, including, without limitation, reasonable counsel fees (collectively called the "Indemnified Liabilities"), which may be imposed on, incurred by or asserted against such Indemnified Party as a result of or in connection with this Agreement or the enforcement by the Administrative Agent or any other Secured Party of its rights and remedies hereunder, and any Indemnified Liabilities, under federal and state securities laws or otherwise, insofar as such Indemnified Liabilities;

(i) arise out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in any registration statement, prospectus or offering memorandum or in any preliminary prospectus or preliminary offering memorandum or in any amendment or supplement to any of the foregoing or in any other writing in

connection with the offer, sale or resale of all or any portion of the Pledged Collateral, provided that any such registration statement, prospectus or offering memorandum, preliminary prospectus, preliminary offering memorandum, or other writing was prepared by Pledgors, their representatives, agents, or attorneys or such untrue statement was provided by Pledgors specifically for inclusion therein and unless such untrue statement of material fact was provided by the Administrative Agent specifically for inclusion therein; or

(ii) arise out of or is based upon any omission or alleged omission to state therein a material fact required to be stated or necessary to make the statements therein not misleading.

Such indemnification to remain operative regardless of any investigation made by or on behalf of the Administrative Agent, any Secured Party or any successor thereof, or any Person in control of any thereof. In no event shall any Pledgor have any obligation to indemnify or hold harmless an Indemnified Party with respect to an Indemnified Liability that is determined in a final, non-appealable judgment by a court of competent jurisdiction to result from the gross negligence or willful misconduct by any Indemnified Party. In connection with a public sale or other distribution, each Pledgor will provide customary indemnification to any underwriters, their respective successors and assigns, their respective officers and directors and each Person who controls any such underwriter (within the meaning of the 1933 Act). If and to the extent that the foregoing undertakings in this Section 10(c) may be unenforceable for any reason, each Pledgor agrees to make maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. The obligations of each Pledgor under this Section 10(c) shall survive any termination of this Agreement.

Section 11. Application of Proceeds. The proceeds of any collection, sale or other realization of all or any part of the Pledged Collateral, and any other cash at the time held by the Administrative Agent under this Agreement, shall be applied to the Secured Obligations in accordance with the terms of the Credit Agreement. The Pledgors shall remain liable for any deficiency in the Secured Obligations remaining after such application.

Section 12. Further Assurances. Each Pledgor agrees that at any time and from time to time, upon the written request of the Administrative Agent, such Pledgor will execute and deliver all Equity Interest Powers, Registration Pages, Irrevocable Proxies, financing statements and such further documents and do such further acts and things as the Administrative Agent may reasonably request consistent with the provisions hereof in order to effect the purposes of this Agreement. Without limiting the foregoing, each Pledgor will take any and all necessary actions required or requested by the Administrative Agent, from time to time, to (a) cause the Administrative Agent to obtain exclusive control of any Pledged Collateral owned by such Pledgor in a manner reasonably acceptable to the Administrative Agent and (b) obtain from any Issuer of Pledged Collateral written confirmation of the Administrative Agent's control over such Pledged Collateral. For purposes of this Section 12, the Administrative Agent shall have exclusive control of Pledged Collateral if (i) in the case of Pledged Collateral consisting of certificated securities, such Pledgor delivers such certificated securities to the Administrative Agent (with Equity Interest Powers (in blank or otherwise) if such certificated securities are in registered form) and (ii) in the case of any other Pledged Collateral, the Administrative Agent has control thereof for all applicable purposes of the UCC.

Section 13. Limitation on Duty of the Administrative Agent.

(a) The powers conferred on the Administrative Agent under this Agreement are solely to protect the Administrative Agent's interest in the Pledged Collateral and shall not impose any duty upon it to exercise any such powers. The Administrative Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers and neither the Administrative Agent nor its Representative nor any of their respective officers, directors, employees or agents shall be responsible to the Pledgors for any act or failure to act, except for gross negligence or willful misconduct. Without limiting the foregoing, the Administrative Agent and any Representative shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in their possession if such Pledged Collateral is accorded treatment substantially equivalent to that which the Administrative Agent or any Representative, in its individual capacity, accords its own property consisting of the type of Pledged Collateral involved, it being understood and agreed that neither the Administrative Agent nor any Representative shall have any responsibility for taking any necessary steps (other than steps taken in accordance with the standard of care set forth above) to protect, preserve or exercise rights against any Person with respect to any Pledged Collateral and shall be relieved of all responsibility for the Pledged Collateral upon surrendering it to the applicable Pledgor.

(b) Also without limiting the generality of the foregoing, neither the Administrative Agent nor any Representative shall have any obligation or liability under any contract or license by reason of or arising out of this Agreement or the granting to the Administrative Agent of a security interest therein or assignment thereof or the receipt by the Administrative Agent or any Representative of any payment relating to any contract or license pursuant hereto, nor shall the Administrative Agent or any Representative be required or obligated in any manner to perform or fulfill any of the obligations of any Pledgor under or pursuant to any contract or license, or to make any payment, or to make any inquiry as to the nature or the sufficiency of any payment received by it or the sufficiency of any performance by any party under any contract or license, or to present or file any claim, or to take any action to collect or enforce any performance or the payment of any amounts which may have been assigned to it or to which it may be entitled at any time or times.

Section 14. Severability. If any provision hereof is invalid and unenforceable in any jurisdiction, then, to the fullest extent permitted by law, (a) the other provisions hereof shall remain in full force and effect in such jurisdiction and (b) the invalidity or unenforceability of any provision hereof in any jurisdiction shall not affect the validity or enforceability of such provision in any other jurisdiction.

Section 15. No Waiver; Cumulative Remedies. No failure on the part of the Administrative Agent to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any

single or partial exercise by the Administrative Agent of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. Neither the Administrative Agent nor any of the other Secured Parties shall be liable for any failure to collect or realize upon any of the Secured Obligations or any collateral security or guaranty therefor, or any part thereof, or for any delay in so doing, nor shall the Administrative Agent or any of the other Secured Parties be under any obligation to take any action whatsoever with regard thereto. The rights and remedies herein provided are cumulative and may be exercised singly or concurrently, and are not exclusive of any rights or remedies provided by law.

Section 16. Specific Performance. Each Pledgor agrees that a breach of any of the covenants contained in Sections 2(b), 4, 5(c), 6, 10 or 12 hereof will cause irreparable injury to the Secured Parties, that the Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, agrees, without limiting the right of the Administrative Agent to seek and obtain specific performance of other obligations of such Pledgor contained in this Agreement, that each and every covenant referenced above shall be specifically enforceable against such Pledgor, and such Pledgor hereby waives to the fullest extent permitted by law and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that the Secured Obligations have been paid in full and all commitments which could give rise to Secured Obligations have been terminated.

Section 17. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto, the Secured Parties and the respective successors and assigns of the foregoing, provided, that no Pledgor shall assign or transfer its rights hereunder without the prior written consent of the Administrative Agent.

Section 18. Termination. Subject to Section 2.06 of the Credit Agreement, this Agreement and the Liens granted hereunder shall automatically terminate upon Security Termination, whereupon the Administrative Agent shall forthwith cause to be assigned, transferred and delivered, against receipt but without any recourse, warranty or representation whatsoever, any remaining Collateral (including all certificates evidencing the Pledged Collateral in its possession or control) to or on the order of the Pledgors. The Administrative Agent, at the Pledgors' expense, shall also execute and deliver to the Pledgors upon such termination such UCC termination statements and such other documentation as shall be reasonably requested by the Pledgors to effect the termination and release of the Liens in favor of the Administrative Agent created hereby.

Section 19. Possession of Pledged Collateral. Beyond the exercise of reasonable care to assure the safe custody of the Pledged Collateral in the physical possession of the Administrative Agent pursuant hereto, neither the Administrative Agent nor any nominee of the Administrative Agent shall have any duty or liability to collect any sums due in respect thereof or to protect, preserve or exercise any rights pertaining thereto, and shall be relieved of all responsibility for the Pledged Collateral upon surrendering them to the applicable Pledgor.

Section 20. Survival of Representations. All representations and warranties of each Pledgor contained in this Agreement shall survive the execution and delivery of this Agreement.

Section 21. Expenses. The Pledgors shall reimburse the Administrative Agent and the other Secured Parties upon demand for all reasonable and documented out-of-pocket legal, accounting, appraisal, consulting, and other reasonable and documented out-of-pocket fees, costs and expenses incurred by the Administrative Agent and the other Secured Parties in connection with the preparation, execution, delivery, administration, collection and enforcement of this Agreement and in the audit, analysis, administration, collection, preservation or sale of the Collateral (including the expenses and charges associated with any periodic or special audit of the Collateral in accordance with the terms of the Credit Agreement to the extent provided for in Section 12.03 of the Credit Agreement). Any and all costs and expenses incurred by the Pledgors in the performance of actions required pursuant to the terms hereof shall be borne solely by the Pledgors. Any taxes and stamp duties payable or ruled payable by and domestic or foreign Governmental Authority in respect of this Agreement shall be borne solely by the Pledgors, together with related interest, penalties, fines and expenses, if any.

Section 22. Attorney-In-Fact. Each Pledgor hereby irrevocably appoints the Administrative Agent as such Pledgor's attorney-in-fact until termination of this Agreement in accordance with the terms hereof, effective upon the occurrence and during the continuance of an Event of Default, with full authority in the place and stead of such Pledgor and in the name of such Pledgor or otherwise, from time to time in the Administrative Agent's discretion, to take any action and to execute any instrument that the Administrative Agent deems reasonably necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to receive, endorse and collect all instruments made payable to such Pledgor representing any dividend, payment or other distribution in respect of the Pledged Collateral or any part thereof and to give full discharge for the same, when and to the extent permitted by this Agreement.

Section 23. Notices. All notices, demands and requests that any party is required or elects to give to any other party shall be given in accordance with the provisions of Section 12.01 of the Credit Agreement, and if given (i) to the Administrative Agent, shall be given to it at its address specified in the Credit Agreement or as otherwise specified by the Administrative Agent in writing, and (ii) to any Pledgor shall be given to it the address specified in the Credit Agreement for such Pledgor or as otherwise specified by such Pledgor in writing.

Section 24. Governing Law; Consent to Forum.

(a) **THIS AGREEMENT AND ALL CLAIMS SHALL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS, WITHOUT GIVING EFFECT TO ANY CONFLICT OF LAW PRINCIPLES EXCEPT FEDERAL LAWS RELATING TO NATIONAL BANKS**.

(b) **EACH PLEDGOR HEREBY CONSENTS TO THE EXCLUSIVE JURISDICTION OF ANY FEDERAL OR STATE COURT SITTING IN OR WITH JURISDICTION OVER TEXAS, IN ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING RELATING IN ANY WAY TO THIS AGREEMENT, AND AGREES THAT ANY DISPUTE, ACTION, LITIGATION OR OTHER PROCEEDING SHALL BE BROUGHT BY IT SOLELY IN ANY SUCH COURT. EACH PLEDGOR IRREVOCABLY AND UNCONDITIONALLY WAIVES ALL CLAIMS, OBJECTIONS AND DEFENSES THAT IT MAY HAVE REGARDING ANY SUCH COURT'S PERSONAL OR SUBJECT MATTER JURISDICTION, VENUE OR INCONVENIENT FORUM. EACH PLEDGOR IRREVOCABLY AND**

UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND EACH PLEDGOR AND THE ADMINISTRATIVE AGENT CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 12.01 OF THE CREDIT AGREEMENT. A final judgment in any proceeding of any such court shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or any other manner provided by applicable law.

(c) Nothing herein shall limit the right of the Administrative Agent or any Secured Party to bring proceedings against any Pledgor in any other court, nor limit the right of any party to serve process in any other manner permitted by applicable law. Nothing in this Agreement shall be deemed to preclude enforcement by the Administrative Agent of any judgment or order obtained in any forum or jurisdiction.

Section 25. WAIVERS BY PLEDGORS. **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW BUT WITHOUT LIMITATION OF ANY RIGHTS AFFORDED SUCH PLEDGOR AS A BORROWER OR GUARANTOR UNDER THE CREDIT AGREEMENT, EACH PLEDGOR WAIVES (A) THE RIGHT TO TRIAL BY JURY IN ANY PROCEEDING OR DISPUTE OF ANY KIND RELATING IN ANY WAY TO ANY LOAN DOCUMENTS, SECURED OBLIGATIONS OR COLLATERAL; (B) PRESENTMENT, DEMAND, PROTEST, NOTICE OF PRESENTMENT, DEFAULT, NON-PAYMENT, MATURITY, RELEASE, COMPROMISE, SETTLEMENT, EXTENSION OR RENEWAL OF ANY COMMERCIAL PAPER, ACCOUNTS, DOCUMENTS, INSTRUMENTS, CHATTEL PAPER AND GUARANTIES AT ANY TIME HELD BY THE ADMINISTRATIVE AGENT ON WHICH A PLEDGOR MAY IN ANY WAY BE LIABLE, AND HEREBY RATIFIES ANYTHING THE ADMINISTRATIVE AGENT MAY DO IN THIS REGARD AFTER THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT; (C) NOTICE PRIOR TO TAKING POSSESSION OR CONTROL OF ANY COLLATERAL AFTER THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT; (D) ANY BOND OR SECURITY THAT MIGHT BE REQUIRED BY A COURT PRIOR TO ALLOWING THE ADMINISTRATIVE AGENT TO EXERCISE ANY RIGHTS OR REMEDIES AFTER THE OCCURRENCE AND DURING THE CONTINUANCE OF AN EVENT OF DEFAULT; (E) THE BENEFIT OF ALL VALUATION, APPRAISEMENT AND EXEMPTION LAWS; (F) ANY CLAIM AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER OR ANY OTHER SECURED PARTY, ON ANY THEORY OF LIABILITY, FOR SPECIAL, INDIRECT, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES (AS OPPOSED TO DIRECT OR ACTUAL DAMAGES) IN ANY WAY RELATING TO ANY ENFORCEMENT ACTION, SECURED OBLIGATIONS, LOAN DOCUMENTS OR TRANSACTIONS RELATING THERETO; AND (G) NOTICE OF ACCEPTANCE HEREOF.** Each Pledgor acknowledges that the foregoing waivers are a material inducement to the Administrative Agent, on behalf of the Secured Parties, entering into this Agreement and that it is relying upon the foregoing in its dealings with Pledgors. Each Pledgor has reviewed the

foregoing waivers with its legal counsel and has knowingly and voluntarily waived its jury trial and other rights following consultation with legal counsel. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.

Section 26. Waiver of Right of Setoff. ARTICLE II
The Credits

Section 2.01 Commitments. Subject to the terms and conditions set forth herein, each Lender severally agrees to make Loans to the Borrower during the Availability Period in an aggregate principal amount that will not result in (a) such Lender's Revolving Credit Exposure exceeding such Lender's Commitment or (b) the total Revolving Credit Exposures exceeding the total Commitments. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, repay and reborrow the Loans.

Section 2.02 Loans and Borrowings.

(a) Borrowings; Several Obligations. Each Loan shall be made as part of a Borrowing consisting of Loans made by the Lenders ratably in accordance with their respective Commitments. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Types of Loans. Subject to Section 3.03, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) Minimum Amounts; Limitation on Number of Borrowings. At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $1,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $250,000 and not less than $1,000,000; provided that an ABR Borrowing may be in an aggregate amount that is equal to the entire unused balance of the total Commitments or that is required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.08(e). Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of twelve (12) Eurodollar Borrowings outstanding. Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date.

(d) Notes. Upon the request of a Lender, the Loans made by such Lender shall be evidenced by a single promissory note of the Borrower in substantially the form of Exhibit A, dated (i) as of the date of this Agreement in the case of any Lender party hereto as of the date of this Agreement, and (ii) as of the effective date of the Assignment and Assumption in the case of any Lender that becomes a party hereto pursuant to an Assignment and Assumption, in each case payable to such Lender in a principal amount equal to its Maximum Credit Amount as in effect on such date, and otherwise duly completed. In the event that any Lender's Maximum Credit Amount increases or decreases for any reason (whether pursuant to Section 2.06, Section 12.04(b) or otherwise), the Borrower shall, upon the request of such Lender, deliver or cause to be delivered on the effective date of such increase or decrease, a new Note payable to such Lender in a principal amount equal to its Maximum Credit Amount after giving effect to such increase or decrease, and otherwise duly completed, and such Lender shall promptly return to the Borrower the previously issued Note held by such Lender. The date, amount, Type, interest rate and, if applicable, Interest Period of each Loan made by each Lender, and all payments made on account of the principal thereof, shall be recorded by such Lender on a Schedule attached to such Note or any continuation thereof or on any separate record maintained by such Lender. Failure to make any such notation or to attach a Schedule shall not affect any Lender's or the Borrower's rights or obligations in respect of such Loans or affect the validity of such transfer by any Lender of its Note.

Section 2.03 Requests for Borrowings. Each Borrowing shall be subject to each of the conditions set forth in Section 6.02. To request a Borrowing, the Borrower shall notify the Administrative Agent of such request by telephone (a) in the case of a Eurodollar Borrowing, not later than 11:00 a.m., Houston time, three Business Days before the date of the proposed Borrowing or (b) in the case of an ABR Borrowing, not later than 12:00 noon, Houston time, on the date of the proposed Borrowing; provided that no such notice shall be required for any deemed request of an ABR Borrowing to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e). Each such telephonic Borrowing Request shall be irrevocable and shall be confirmed promptly by hand delivery, fax or electronic communication to the Administrative Agent of a written Borrowing Request signed by the Borrower. Each such telephonic and written Borrowing Request shall specify the following information in compliance with Section 2.02:

(a) the aggregate amount of the requested Borrowing;

(b) the date of such Borrowing, which shall be a Business Day;

(c) whether such Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing;

(d) in the case of a Eurodollar Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(e) the amount of the then effective Borrowing Base, the current total Revolving Credit Exposures (without regard to the requested Borrowing) and the pro forma total Revolving Credit Exposures (giving effect to the requested Borrowing);

(f) the Consolidated Cash Balance (without regard to the requested Borrowing) and the pro forma Consolidated Cash Balance (giving effect to the requested Borrowing and the anticipated use of proceeds thereof within three Business Days);

(g) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.05; and

(h) each of the conditions set forth in Section 6.02 has been satisfied.

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested Eurodollar Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Each Borrowing Request shall constitute a representation that (i) the amount of the requested Borrowing shall not cause the total Revolving Credit Exposures to exceed the total Commitments (i.e., the lesser of the Aggregate Maximum Credit Amounts and the then effective Borrowing Base) and (ii) after giving pro forma effect to the requested Borrowing, the Consolidated Cash Balance shall not exceed $70,000,000.

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 Interest Elections.

(a) Conversion and Continuance. Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.04. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) Interest Election Requests. To make an election pursuant to this Section 2.04, the Borrower shall deliver to the Administrative Agent by hand delivery, fax or electronic communication an Interest Election Request signed by the Borrower by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such Interest Election Request shall be irrevocable.

(c) Information in Interest Election Requests. Each telephonic and written Interest Election Request shall specify the following information:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to Section 2.04(c)(iii) and (iv) shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Notice to Lenders by the Administrative Agent. Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) Effect of Failure to Deliver Timely Interest Election Request and Events of Default and Borrowing Base Deficiencies on Interest Election. If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be continued as a Eurodollar Loan having an Interest Period of one month. Notwithstanding any contrary provision hereof, (i) if an Event of Default has occurred and is continuing: (A) no outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing (and any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective) and (B) unless repaid, each Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto; and (ii) if a Borrowing Base Deficiency exists: (A) outstanding Borrowings in excess of the Borrowing Base then in effect may not be converted or continued as Eurodollar Borrowings and (B) unless sooner repaid, any Eurodollar Borrowing in excess of the Borrowing Base then in effect shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

Section 2.05 Funding of Borrowings.

(a) Funding by Lenders. Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 1:00 p.m., Houston time, to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an Account of the Borrower subject to an Account Control Agreement and designated by the Borrower in the applicable Borrowing Request; provided that ABR Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.08(e) shall be remitted by the Administrative Agent to the Issuing Bank that made such LC Disbursement. Nothing herein shall be deemed to obligate any Lender to obtain the funds for its Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for its Loan in any particular place or manner.

(b) Presumption of Funding by the Lenders. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.05(a) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to ABR Loans. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period.

Section 2.06 Termination and Reduction of Aggregate Maximum Credit Amounts.

(a) Scheduled Termination of Commitments. Unless previously terminated, the Commitments shall terminate on the Maturity Date. If at any time the Aggregate Maximum Credit Amounts are terminated or reduced to zero, then the Commitments shall terminate on the effective date of such termination or reduction.

(b) Optional Termination and Reduction of Aggregate Maximum Credit Amounts.

(i) The Borrower may at any time terminate, or from time to time reduce, the Aggregate Maximum Credit Amounts; provided that (A) each reduction of the Aggregate Maximum Credit Amounts shall be in an amount that is an integral multiple of $500,000 and not less than $1,000,000 and (B) the Borrower shall not terminate or reduce the Aggregate Maximum Credit Amounts if, after giving effect to any concurrent prepayment of the Loans in accordance with Section 3.04(c), the total Revolving Credit Exposures would exceed the total Commitments.

(ii) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Aggregate Maximum Credit Amounts under Section 2.06(b)(i) at least three Business Days prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section 2.06(b)(ii) shall be irrevocable; provided that a notice of reduction or termination of the Aggregate Maximum Credit Amounts delivered by the Borrower may state that such notice is conditioned upon (i) the effectiveness of other credit facilities or other securities offerings or (ii) the consummation of a Change of Control, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Aggregate Maximum Credit Amounts shall be permanent and may not be reinstated. Each reduction of the Aggregate Maximum Credit Amounts shall be made ratably among the Lenders in accordance with each Lender's Applicable Percentage.

Section 2.07 Borrowing Base.

(a) Initial Borrowing Base. For the period from and including the Effective Date to but excluding the first Redetermination Date, the amount of the Borrowing Base shall be $500,000,000. Notwithstanding the foregoing, the Borrowing Base may be subject to further adjustments from time to time pursuant to Section 2.07(e), Section 2.07(f) or Section 8.12(c).

(b) Scheduled and Interim Redeterminations. The Borrowing Base shall be redetermined in accordance with this Section 2.07 and subject to Section 2.07(d), such redetermined Borrowing Base shall become effective and applicable to the Borrower, the Administrative Agent, each Issuing Bank and the Lenders on March 15, 2018 (the "March 2018 Redetermination"), and thereafter semi-annually on April 1st and October 1st of each year, commencing October 1, 2018 (together with the March 2018 Redetermination, each a "Scheduled Redetermination"). In addition, the Borrower may, by notifying the Administrative Agent thereof, and the Administrative Agent may, at the direction of the Required Lenders, by notifying the Borrower thereof, one time each calendar year, each elect to cause the Borrowing Base to be redetermined (each, an "Interim Redetermination") in accordance with this Section 2.07. In addition, the Borrower may, by notice to the Administrative Agent thereof, request an additional Interim Redetermination upon any acquisition of proved Oil and Gas Properties whose purchase price is greater than five percent (5%) of the Borrowing Base then in effect.

(c) Scheduled and Interim Redetermination Procedure. Each Scheduled Redetermination and each Interim Redetermination shall be effectuated as follows:

(i) Upon receipt by the Administrative Agent of (A) the Reserve Report and the certificate required to be delivered by the Borrower to the Administrative Agent, in the case of a Scheduled Redetermination, pursuant to Section 8.11(a) and (c), and, in the case of an Interim Redetermination, pursuant to Section 8.11(b) and (c), and (B) such other reports, data and supplemental information, including, without limitation, the information provided pursuant to Section 8.11(c), as may, from time to time, be reasonably requested by the Required Lenders (the Reserve Report, such certificate and such other reports, data and supplemental information being the "Engineering Reports"), the Administrative Agent shall evaluate the information contained in the Engineering Reports and shall, in good faith, propose a new Borrowing Base (the "Proposed Borrowing Base") based upon such information and such other information (including, without limitation, the status of title information with respect to the Oil and Gas Properties as described in the Engineering Reports and the existence of any other Debt) as the Administrative Agent, in good faith, deems appropriate and consistent with its normal oil and gas lending criteria as it exists at the particular time. In no event shall the Proposed Borrowing Base exceed the Aggregate Maximum Credit Amounts. For the avoidance of doubt, in the case of an Interim Redetermination, the Administrative Agent may utilize the Engineering Reports delivered in connection with the last Scheduled Determination, provided, however, the Administrative Agent may in its sole discretion request Borrower-generated supplemental Engineering Reports in connection with such Interim Redetermination.

(ii) The Administrative Agent shall notify the Borrower and the Lenders of the Proposed Borrowing Base (the "Proposed Borrowing Base Notice"):

(A) in the case of a Scheduled Redetermination (1) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on or before March 15th and September 15th of such year (or, in the case of the March 2018 Redetermination, on or before February 28, 2018) following the date of delivery of such Engineering Reports or (2) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then promptly after the Administrative Agent has received complete Engineering Reports from the Borrower and has had a reasonable opportunity to determine the Proposed Borrowing Base in accordance with Section 2.07(c)(i) and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Reports; and

(B) in the case of an Interim Redetermination, promptly, and in any event, within fifteen (15) days after the Administrative Agent has received the required Engineering Reports.

(iii) Any Proposed Borrowing Base must be approved or deemed to have been approved by the Lenders (in each Lender's sole discretion) as provided in this Section 2.07(c)(iii). Upon receipt of the Proposed Borrowing Base Notice, each Lender shall have fifteen (15) days to agree with the Proposed Borrowing Base or disagree with the Proposed Borrowing Base by proposing an alternate Borrowing Base. If at the end of such fifteen (15) days, any Lender has not communicated its approval or disapproval in writing to the Administrative Agent, such silence shall be deemed to be an approval of the Proposed Borrowing Base. If, at the end of such 15-day period, all of the Lenders, in the case of a

Proposed Borrowing Base that would increase the Borrowing Base then in effect, or the Required Lenders, in the case of a Proposed Borrowing Base that would decrease or maintain the Borrowing Base then in effect, have approved or deemed to have approved, as aforesaid, then the Proposed Borrowing Base shall become the new Borrowing Base effective on the date specified in Section 2.07(d). If, however, at the end of such fifteen (15) day period, all of the Lenders or the Required Lenders, as applicable, have not approved or been deemed to have approved the Proposed Borrowing Base, as aforesaid, then the Administrative Agent shall poll the Lenders to ascertain the highest Borrowing Base then acceptable to (x) in the case of a decrease or reaffirmation, a number of Lenders sufficient to constitute the Required Lenders and (y) in the case of an increase, all of the Lenders, and such amount shall become the new Borrowing Base, effective on the date specified in Section 2.07(d).

(d) Effectiveness of a Redetermined Borrowing Base. After a redetermined Borrowing Base is approved or is deemed to have been approved by all of the Lenders or the Required Lenders, as applicable, pursuant to Section 2.07(c)(iii), the Administrative Agent shall notify the Borrower and the Lenders (the "New Borrowing Base Notice") of the amount of the redetermined Borrowing Base, and such amount shall become the new Borrowing Base, effective and applicable to the Borrower, the Administrative Agent, each Issuing Bank and the Lenders:

(i) in the case of a Scheduled Redetermination, (A) if the Administrative Agent shall have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the April 1st or October 1st, as applicable (or, in the case of the March 2018 Redetermination, on March 1, 2018), following delivery of the New Borrowing Base Notice, or (B) if the Administrative Agent shall not have received the Engineering Reports required to be delivered by the Borrower pursuant to Section 8.11(a) and (c) in a timely and complete manner, then on the Business Day next succeeding delivery of the New Borrowing Base Notice; and

(ii) in the case of an Interim Redetermination, on the Business Day next succeeding delivery of the New Borrowing Base Notice.

Such amount shall then become the Borrowing Base until the next Scheduled Redetermination Date, the next Interim Redetermination Date or the next reduction or adjustment to the Borrowing Base, as applicable, under Section 2.07(e), Section 2.07(f) or Section 8.12(c), whichever occurs first.

(e) Reduction of Borrowing Base Upon Issuance of Permitted Senior Notes. Notwithstanding anything to the contrary contained herein, if any Obligor incurs any Debt constituting Permitted Senior Notes in reliance on Section 9.02(f), then the Borrowing Base then in effect shall be reduced immediately upon the date of such incurrence by an amount equal to the product of 0.25 multiplied by an amount equal to the stated principal amount of such Permitted Senior Notes. The Borrowing Base as so reduced shall become the new Borrowing Base immediately upon the date of such incurrence, effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Lenders on such date until the next redetermination or modification thereof hereunder. For purposes of this Section 2.07(e), if any such Debt is issued at a discount or otherwise sold for less than "par", the reduction shall be calculated based upon the stated principal amount without reference to such discount.

(f) Reduction of Borrowing Base Related to Dispositions of Borrowing Base Properties and/or Liquidation of Swap Agreements. If (i) any Swap Agreement to which the Borrower or any Restricted Subsidiary is a party is Liquidated or (ii) the Borrower or any Restricted Subsidiary Disposes of any Borrowing Base Properties or Equity Interests in any Restricted Subsidiary owning Borrowing Base Properties, and (A) the Swap PV of the Liquidated portion of such Swap Agreement or (B) the value attributable to such Disposed Borrowing Base Properties in the most recently delivered Reserve Report hereunder (or in the case of any Disposition of Equity Interests in any Restricted Subsidiary owning Borrowing Base Properties, the value attributable to such Borrowing Base Properties in the most recently delivered Reserve Report hereunder), as applicable, when combined with the sum of (I) the aggregate Swap PV of the Liquidated portion of all other Swap Agreements Liquidated since the most recent Scheduled Redetermination Date and (II) the aggregate value in the most recently delivered Reserve Report of all other Borrowing Base Properties Disposed of since the most recent Scheduled Redetermination Date (including in the case of any Disposition of Equity Interests in Restricted Subsidiaries owning Borrowing Base Properties, the aggregate value attributable to such Borrowing Base Properties in the most recently delivered Reserve Report hereunder), exceeds five percent (5%) of the Borrowing Base as then in effect (as determined by the Administrative Agent), individually or in the aggregate, then the Borrowing Base then in effect shall be reduced by the Swap PV of the Liquidated portion of such Swap Agreement in the then effective Borrowing Base and/or the value assigned to such Disposed Borrowing Base Properties in the then effective Borrowing Base (as determined in good faith by the Administrative Agent), as the case may be. The Borrowing Base as so reduced shall become the new Borrowing Base immediately upon the date of such Disposition or Liquidation, as the case may be, effective and applicable to the Borrower, the Administrative Agent, the Issuing Banks and the Lenders on such date until the next redetermination or adjustment of the Borrowing Base hereunder. Notwithstanding the foregoing, the Liquidation of any Swap Agreement required pursuant to Section 6.03 and Schedule 6.03 shall not constitute a Liquidation of a Swap Agreement solely for the purposes of this Section 2.07(f).

Section 2.08 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein, the Borrower may request any Issuing Bank to, and such Issuing Bank shall, issue dollar-denominated Letters of Credit for the account of the Borrower or the Restricted Subsidiaries, in a form reasonably acceptable to the Administrative Agent and such Issuing Bank, at any time and from time to time during the Availability Period; provided further that the Borrower may not request the issuance, amendment, renewal or extension of Letters of Credit hereunder if a Borrowing Base Deficiency exists at such time or would exist as a result thereof. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, an Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions. Each issuance, amendment, renewal or extension of a Letter of Credit shall be subject to the conditions set forth in Section 6.02. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall hand deliver or fax (or transmit by electronic communication, if arrangements for doing so have been approved by the relevant Issuing Bank) to any Issuing Bank and the Administrative Agent (not less than three (3) Business Days in advance of the requested date of issuance, amendment, renewal or extension) a notice:

(i) requesting the issuance of a Letter of Credit or identifying the Letter of Credit issued by such Issuing Bank to be amended, renewed or extended;

(ii) specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day);

(iii) specifying the date on which such Letter of Credit is to expire (which shall comply with Section 2.08(c));

(iv) specifying the amount of such Letter of Credit;

(v) specifying the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit;

(vi) specifying the amount of the then effective Borrowing Base and whether a Borrowing Base Deficiency exists at such time, the current total Revolving Credit Exposures (without regard to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit) and the pro forma total Revolving Credit Exposures (giving effect to the requested Letter of Credit or the requested amendment, renewal or extension of an outstanding Letter of Credit); and

(vii) confirming the conditions set for in Section 6.02 have been satisfied.

A Letter of Credit shall be issued, amended, renewed or extended only if (and each notice shall constitute a representation and warranty by the Borrower that) after giving effect to the requested issuance, amendment, renewal or extension, as applicable, (i) the LC Exposure shall not exceed the LC Commitment and (ii) the total Revolving Credit Exposures shall not exceed the total Commitments.

If requested by any Issuing Bank, the Borrower also shall submit a letter of credit application on such Issuing Bank's standard form in connection with any request for a Letter of Credit; provided that, in the event of any conflict between such application and the terms of this Agreement, the terms of this Agreement shall control.

(c) Expiration Date. Each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) unless satisfactorily collateralized or backstopped in the applicable Issuing Bank's sole discretion, the date selected by the Borrower that is no more than eighteen (18) months after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, no more than eighteen (18) months after such renewal or extension) and (ii) the date that is five Business Days prior to the Maturity Date.

(d) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the Issuing Bank that issues such Letter of Credit or the Lenders, each Issuing Bank that issues a Letter of Credit hereunder hereby grants to each Lender, and each Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of any Issuing Bank that issues a Letter of Credit hereunder, such Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in Section 2.08(e), or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this Section 2.08(d) in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default, the existence of a Borrowing Base Deficiency or reduction or termination of the Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(e) Reimbursement. If any Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit issued by such Issuing Bank, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent an amount equal to such LC Disbursement not later than 1:00 p.m., Houston time, on the date such LC Disbursement is made, if the Borrower shall have received notice of such LC Disbursement prior to 10:00 a.m., Houston time, on such date, or, if such notice has not been received by the Borrower prior to such time on such date, then not later than 1:00 p.m., Houston time, on (i) the Business Day the Borrower receives such notice, if such notice is received prior to 10:00 a.m., Houston time, or (ii) the Business Day immediately following the day the Borrower receives such notice, if such notice is not received prior to such time; provided that, unless the Borrower has notified the Administrative Agent that it intends to reimburse all or part of such LC Disbursement without using Loan proceeds or has submitted a Borrowing Request with respect thereto, if such LC Disbursement is not less than $1,000,000, the Borrower shall be deemed to have requested, and the Borrower does hereby request under such circumstances, that such payment be financed with an ABR Borrowing in an equivalent amount and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Borrowing. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.05 with respect to Loans made by such Lender (and Section 2.05 shall apply, *mutatis mutandis*, to the payment obligations of the Lenders), and the Administrative Agent shall promptly pay to the Issuing Bank that issued such Letter of Credit the amounts so received by it from the Lenders. Promptly following receipt

by the Administrative Agent of any payment from the Borrower pursuant to this Section 2.08(e), the Administrative Agent shall distribute such payment to the Issuing Bank that issued such Letter of Credit or, to the extent that Lenders have made payments pursuant to this Section 2.08(e) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear. Any payment made by a Lender pursuant to this Section 2.08(e) to reimburse any Issuing Bank for any LC Disbursement (other than the funding of ABR Borrowings as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement. Any LC Disbursement not reimbursed by the Borrower or funded as a Loan prior to 1:00 p.m., Houston time, shall bear interest for such day at the Alternate Base Rate plus the Applicable Margin.

(f) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in Section 2.08(e) shall be absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Agreement or this Agreement, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by any Issuing Bank under a Letter of Credit issued by such Issuing Bank against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or any Letter of Credit Agreement, or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.08(f), constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. Neither the Administrative Agent, the Lenders nor any Issuing Bank, nor any of their Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of any Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of any Issuing Bank (as finally determined by a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised all requisite care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank that issued such Letter of Credit may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) Disbursement Procedures. Each Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit issued by such Issuing Bank. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by fax or electronic communication) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Lenders with respect to any such LC Disbursement.

(h) Interim Interest. If any Issuing Bank shall make any LC Disbursement, then, until the Borrower shall have reimbursed such Issuing Bank for such LC Disbursement (either with its own funds or a Borrowing under Section 2.08(e)), the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to ABR Loans. Interest accrued pursuant to this Section 2.08(h) shall be for the account of such Issuing Bank, except that interest accrued on and after the date of payment by any Lender pursuant to Section 2.08(e) to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment.

(i) Replacement of an Issuing Bank. Any Issuing Bank may be replaced or resign at any time by written agreement among the Borrower, the Administrative Agent, such resigning or replaced Issuing Bank and, in the case of a replacement, the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such resignation or replacement of an Issuing Bank. At the time any such resignation or replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the resigning or replaced Issuing Bank pursuant to Section 3.05(b). In the case of the replacement of an Issuing Bank, from and after the effective date of such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the resignation or replacement of an Issuing Bank hereunder, the resigning or replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

(j) Cash Collateralization. If (i) any Event of Default shall occur and be continuing and the Borrower receives notice from the Administrative Agent or the Majority Lenders demanding the deposit of cash collateral pursuant to this Section 2.08(j), or (ii) the Borrower is required to cash collateralize the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c) or (iii) the Borrower is required to cash collateralize a Defaulting Lender's LC Exposure pursuant to Section 4.04(c)(iii)(B), then the Borrower shall deposit with or deliver to the Administrative Agent (as a first priority, perfected security interest (subject to Excepted Liens of the type described in clause (e) of the definition thereof)), in the name of the Administrative Agent and for the benefit of the Issuing Banks and the Lenders, at a location and pursuant to documentation in form and substance

satisfactory to the Administrative Agent, an amount in cash equal to, in the case of an Event of Default, the LC Exposure, in the case of a payment required by Section 3.04(c), the amount of such excess as provided in Section 3.04(c) or in the case of a Defaulting Lender's LC Exposure, pursuant to Section 4.04(c)(iii)(B), such Defaulting Lender's LC Exposure, as applicable, as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default described in Section 10.01(h) or Section 10.01(i). The Borrower hereby grants to the Administrative Agent, for the benefit of each Issuing Bank and the Lenders, an exclusive first priority and continuing perfected security interest in and Lien on such account and all cash, checks, drafts, certificates and instruments, if any, from time to time deposited or held in such account, all deposits or wire transfers made thereto, any and all investments purchased with funds deposited in such account, all interest, dividends, cash, instruments, financial assets and other Property from time to time received, receivable or otherwise payable in respect of, or in exchange for, any or all of the foregoing, and all proceeds, products, accessions, rents, profits, income and benefits therefrom, and any substitutions and replacements therefor. The Borrower's obligation to deposit amounts pursuant to this Section 2.08(j) shall be absolute and unconditional, without regard to whether any beneficiary of any such Letter of Credit has attempted to draw down all or a portion of such amount under the terms of a Letter of Credit, and, to the fullest extent permitted by applicable law, shall not be subject to any defense or be affected by a right of set-off, counterclaim or recoupment which the Obligors or their respective Subsidiaries may now or hereafter have against any such beneficiary, any Issuing Bank, the Administrative Agent, the Lenders or any other Person for any reason whatsoever. Such deposit shall be held as collateral securing the payment and performance of the Obligors' obligations under this Agreement and the other Loan Documents. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account; provided that investments of funds in such account in investments of the type described in clause (a) and (b) of the definition of Cash Equivalents as permitted by Section 9.05(c) may be made at the option of the Borrower at its direction, risk and expense; otherwise, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse, on a pro rata basis, each Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, be applied to satisfy other obligations of the Borrower and the Guarantors, if any, under this Agreement or the other Loan Documents. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default or pursuant to Section 4.04(c)(iii)(B) as a result of a Defaulting Lender's LC Exposure, and the Borrower is not otherwise required to cash collateralize the excess attributable to an LC Exposure in connection with any prepayment pursuant to Section 3.04(c), then such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after (i) all Events of Default have been waived or the events giving rise to such cash collateralization pursuant to Section 4.04(c)(iii)(B) have been satisfied or resolved or (ii) or arrangements satisfactory to the relevant Issuing Bank have been made for the substitution of new payment assurances.

ARTICLE III
Payments of Principal and Interest; Prepayments; Fees

Section 3.01 Repayment of Loans. The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan on the Termination Date.

Section 3.02 Interest.

(a) ABR Loans. The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(b) Eurodollar Loans. The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin, but in no event to exceed the Highest Lawful Rate.

(c) Post-Default and Borrowing Base Deficiency Rate. Notwithstanding the foregoing, (i) if either (A) an Event of Default pursuant to Section 10.01(a), (b), (h), (i) or (j) or Section 10.01(d) as a result of the failure to deliver a notice pursuant to Section 8.02(a) has occurred and is continuing, or (B) any other Event of Default has occurred and the Administrative Agent has delivered a notice to the Borrower notifying the Borrower of an election to charge default interest hereunder, then all Loans outstanding shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate and (ii) during any Borrowing Base Deficiency, the amount of such Borrowing Base Deficiency shall bear interest, after as well as before judgment, at a rate per annum equal to two percent (2%) plus the rate applicable to ABR Loans as provided in Section 3.02(a), but in no event to exceed the Highest Lawful Rate.

(d) Interest Payment Dates. Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date, and in any case, on the Termination Date; provided that (i) interest accrued pursuant to Section 3.02(c)(i) shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than an optional prepayment of an ABR Loan prior to the Termination Date), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment, and (C) in the event of any conversion of any Eurodollar Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) Interest Rate Computations. All interest hereunder shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case interest shall be computed on the basis of a year of 365 days (or 366 days in a leap year), except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error, and be binding upon the parties hereto.

Section 3.03 Alternate Rate of Interest. If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(a) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted LIBO Rate or LIBO Rate for such Interest Period; or

(b) the Administrative Agent is advised by the Majority Lenders that the Adjusted LIBO Rate or LIBO Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or fax as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (ii) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

Section 3.04 Prepayments.

(a) Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, subject to prior notice in accordance with Section 3.04(b) and payment of applicable breakage costs, if any, under Section 5.02.

(b) Notice and Terms of Optional Prepayment. The Borrower shall notify the Administrative Agent by telephone (confirmed by fax or electronic communication) of any prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 12:00 noon, Houston time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 12:00 noon, Houston time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that a notice of prepayment delivered by the Borrower may state that such notice is conditioned upon (i) the effectiveness of other credit facilities or other securities offerings or (ii) the consummation of a Change of Control, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 3.02 and payment of applicable breakage costs, if any, under Section 5.02.

(c) Mandatory Prepayments.

(i) If, after giving effect to any termination or reduction of the Aggregate Maximum Credit Amounts pursuant to Section 2.06(b), the total Revolving Credit Exposure exceeds the total Commitments, then the Borrower shall, on the same Business Day, (A) prepay the Borrowings on the date of such termination or reduction in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Borrowings as a result of an LC Exposure, cash collateralize such excess as provided in Section 2.08(j).

(ii) Upon any Scheduled Redetermination or Interim Redetermination or adjustment to the amount of the Borrowing Base in accordance with Section 8.12(c), if the total Revolving Credit Exposures exceeds the redetermined or adjusted Borrowing Base, then, after receiving a New Borrowing Base Notice in accordance with Section 2.07(d) or a notice of adjustment pursuant to Section 8.12(c), as the case may be (the date of receipt of any such notice, the "Deficiency Notification Date"), the Borrower shall at its option take one of the following actions:

(A) prepay the Borrowings in an aggregate principal amount equal to such Borrowing Base Deficiency (and to the extent that any excess remains after prepaying all of the Borrowings as a result of an LC Exposure, cash collateralize such excess as provided in Section 2.08(j)) within thirty (30) days following the Deficiency Notification Date;

(B) prepay the Borrowings in six consecutive equal monthly installments, the first installment being due and payable on the 30th day after the Deficiency Notification Date and each subsequent installment being due and payable on the same day in each of the subsequent calendar months, with each payment being equal to one-sixth (1/6th) of such Borrowing Base Deficiency, so that the Borrowing Base Deficiency is reduced to zero within six months of the Deficiency Notification Date; provided that, if any excess remains after prepaying all of the Borrowings as a result of any LC Exposure, the Borrower shall pay to the Administrative Agent on behalf of the Lenders an amount equal to such excess to be held as Cash Collateral as provided in Section 2.08(j);

(C) grant, within thirty (30) days following the Deficiency Notification Date, to the Administrative Agent as security for the Obligations a first-priority Lien on additional Oil and Gas Properties acceptable to the Required Lenders in their sole discretion not evaluated in the most recently delivered Reserve Report (and not already subject to a Lien of the Security Instruments) pursuant to Security Instruments acceptable to the Administrative Agent with sufficient Borrowing Base value (as determined by the Required Lenders) to cure the Borrowing Base Deficiency; provided that in no event may the Borrower elect the option specified in this clause (C) if fewer than ninety (90) days remain until the Maturity Date; or

(D) (i) deliver, within twenty (20) days after the Deficiency Notification Date, written notice to the Administrative Agent indicating the Borrower's election to combine the options provided in clauses (B), (C) and/or (D) above, and indicating the amount to be prepaid and the amount to be provided as additional Collateral, and (ii) make such payment and deliver such additional Collateral within the time periods required under clauses (B), (C) and/or (D) above;

provided that, notwithstanding the options set forth above, in all cases, the Borrowing Base Deficiency must be eliminated on or prior to the Termination Date.

The Borrower shall provide to the Administrative Agent, within twenty (20) days following its receipt of the applicable New Borrowing Base Notice in accordance with Section 2.07(d) or the date the adjustment occurs pursuant to Section 8.12(c), as applicable, written notice indicating which of the options specified in clauses (A), (B), (C) or (D) the Borrower elects to take in order to eliminate the Borrowing Base Deficiency. In the event the Borrower fails to provide such written notice to the Administrative Agent within the twenty (20) day period referred to above, the Borrower shall be deemed to have irrevocably elected the option set forth in clause (B) above. The failure of the Borrower to comply with any of the options elected (including any deemed election) pursuant to the provisions of this Section 3.04(c)(ii) and specified in such notice (or relating to such deemed election) shall constitute an Event of Default.

(iii) Upon any adjustments to the Borrowing Base pursuant to Section 2.07(e) or Section 2.07(f) if the total Revolving Credit Exposures exceeds the Borrowing Base as adjusted, then the Borrower shall (A) prepay the Borrowings in an aggregate principal amount equal to such excess, and (B) if any excess remains after prepaying all of the Borrowings as a result of an LC Exposure, cash collateralize such excess as provided in Section 2.08(j). The Borrower shall be obligated to make such prepayment and/or cash collateralize such excess on the Business Day immediately following the date that any Obligor or any Restricted Subsidiary receives any cash proceeds as a result of (1) the applicable issuance of Permitted Senior Notes, in the case of any adjustment to the Borrowing Base pursuant to Section 2.07(e), or (2) the consummation of a Disposition of Oil and Gas Properties or Liquidation of Swap Agreement, as applicable, in the case of any adjustment to the Borrowing Base pursuant to Section 2.07(f); provided that all payments required to be made pursuant to this Section 3.04(c)(iii) must be made on or prior to the Termination Date.

(iv) Each prepayment of Borrowings pursuant to this Section 3.04(c) shall be applied, first, ratably to any ABR Borrowings then outstanding, and, second, to any Eurodollar Borrowings then outstanding, and if more than one Eurodollar Borrowing is then outstanding, to each such Eurodollar Borrowing in order of priority beginning with the Eurodollar Borrowing with the least number of days remaining in the Interest Period applicable thereto and ending with the Eurodollar Borrowing with the most number of days remaining in the Interest Period applicable thereto.

(v) Each prepayment of Borrowings pursuant to this Section 3.04(c) shall be applied ratably to the Loans included in the prepaid Borrowings. Prepayments pursuant to this Section 3.04(c) shall be accompanied by accrued and unpaid interest to the extent required by Section 3.02.

(d) No Premium or Penalty. Prepayments permitted or required under this Section 3.04 shall be without premium or penalty, except as required under Section 5.02.

Section 3.05 Fees.

(a) Commitment Fees. The Borrower agrees to pay to the Administrative Agent for the account of each Lender (subject to Section 4.04(c)(i)) a commitment fee, which shall accrue at the applicable Commitment Fee Rate on the average daily amount of the unused amount of the Commitment of such Lender during the period from and including the date of this Agreement to but excluding the Termination Date. Accrued commitment fees shall be payable in arrears on the last day of March, June, September and December of each year and on the Termination Date, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days, unless such computation would cause interest on the Obligations to exceed the Highest Lawful Rate, in which case such commitment fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(b) Letter of Credit Fees. The Borrower agrees to pay (i) to the Administrative Agent for the account of each Lender (subject to Section 4.04(c)(iii)) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the same Applicable Margin used to determine the interest rate applicable to Eurodollar Loans on the average daily amount of such Lender's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the date of this Agreement to but excluding the later of the date on which such Lender's Commitment terminates and the date on which such Lender ceases to have any LC Exposure, (ii) to each Issuing Bank a fronting fee, which shall accrue at the rate of 0.25% per annum on the average daily amount of such Issuing Bank's LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the period from and including the Effective Date to but excluding the later of the date of termination of the Commitments and the date on which there ceases to be any LC Exposure; provided that in no event shall such fee be less than $500 during any quarter and (iii) to each Issuing Bank, for its own account, its standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit issued by such Issuing Bank or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the third Business Day following such last day, commencing on the first such date to occur after the date of this Agreement; provided that all such fees shall be payable on the Termination Date and any such fees accruing after the Termination Date shall be payable on demand. Any other fees payable to an Issuing Bank pursuant to this Section 3.05(b) shall be payable within 10 days after demand. All participation fees and fronting fees shall be computed on the basis of a year of 360 days, unless such computation would exceed the Highest Lawful Rate, in which case such fees shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(c) Administrative Agent Fees. The Borrower agrees to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times set forth in the Fee Letter.

(d) Borrowing Base Increase Fees. The Borrower agrees to pay to the Administrative Agent, for the account of each Lender (other than a Defaulting Lender) then party to this Agreement, ratably in accordance with its Applicable Percentage, a Borrowing Base increase fee in an amount to be agreed by the Lenders and the Borrower on the amount of any increase of the Borrowing Base, payable on the effective date of any such increase to the Borrowing Base.

ARTICLE IV
Payments; Pro Rata Treatment; Sharing of Set-offs.

Section 4.01 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Payments by the Borrower. The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 5.01, Section 5.02, Section 5.03 or otherwise) prior to 1:00 p.m., Houston time, on the date when due, in immediately available funds, without defense, deduction, recoupment, set-off or counterclaim (except for Taxes, if any, pursuant to Section 5.03(a), provided that the Borrower has complied with all of the requirements of such Section to the extent applicable). Fees, once paid, shall be fully earned and shall not be refundable under any circumstances, absent manifest error. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices specified in Section 12.01, except payments to be made directly to an Issuing Bank as expressly provided herein and except that payments pursuant to Section 5.01, Section 5.02, Section 5.03 and Section 12.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments hereunder shall be made in dollars.

(b) Application of Insufficient Payments. If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) Sharing of Payments by Lenders. If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall take an assignment of, or

purchase participations in the Loans and participations in LC Disbursements of other Lenders, in each case, for cash at face value, to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in LC Disbursements or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued but unpaid interest on their respective Loans and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this Section 4.01(c) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this Section 4.01(c) shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

Section 4.02 Presumption of Payment by the Borrower. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or any Issuing Bank that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or such Issuing Bank, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or such Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or such Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 4.03 Certain Deductions by the Administrative Agent. If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(b), Section 2.08(d), Section 2.08(e), Section 4.01(c), Section 4.02, Section 5.03(g) or Section 12.03(c), then the Administrative Agent may, in its sole discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender (for the benefit of the Administrative Agent or the applicable Issuing Bank) to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 4.04 Payments and Deductions to a Defaulting Lender.

(a) [Reserved].

(b) If a Defaulting Lender (or a Lender who would be a Defaulting Lender but for the expiration of the relevant grace period) as a result of the exercise of a set-off shall have received a payment in respect of its Revolving Credit Exposure which results in its Revolving Credit Exposure being less than its Applicable Percentage of the aggregate Revolving Credit Exposures, then no payments will be made to such Defaulting Lender until such time as such Defaulting Lender shall have complied with Section 4.04(c) and all amounts due and owing to the Lenders have been equalized in accordance with each Lender's respective pro rata share of the Obligations. Further, if at any time prior to the acceleration or maturity of the Loans, the Administrative Agent shall receive any payment in respect of principal of a Loan or a reimbursement of an LC Disbursement while one or more Defaulting Lenders shall be party to this Agreement, the Administrative Agent shall apply such payment first to the Borrowing(s) for which such Defaulting Lender(s) shall have failed to fund its pro rata share until such time as such Borrowing(s) are paid in full or each Lender (including each Defaulting Lender) is owed its Applicable Percentage of all Loans then outstanding. After acceleration or maturity of the Loans, subject to the first sentence of this Section 4.04(b), all principal will be paid ratably as provided in Section 10.02(c).

(c) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender pursuant to Section 3.05.

(ii) The Commitments, the Maximum Credit Amount and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether the Lenders, Super Majority Lenders, the Majority Lenders or the Required Lenders, as applicable, have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 12.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender and which affects such Defaulting Lender, shall require the consent of such Defaulting Lender; and provided further that no Defaulting Lender shall participate in any redetermination or affirmation of the Borrowing Base, but the Commitment of a Defaulting Lender may not be increased without the consent of such Defaulting Lender.

(iii) If any LC Exposure exists at the time a Lender becomes a Defaulting Lender then:

(A) all or any part of the LC Exposure of such Defaulting Lender shall be automatically reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Percentages (for the purposes of such reallocation, the Defaulting Lender's Commitment shall be disregarded in determining the Non-Defaulting Lender's Applicable Percentage) but only to the extent (1) the sum of all Non-Defaulting Lenders' Revolving Credit Exposures plus such Defaulting Lender's LC Exposure does not exceed the total of all Non-Defaulting Lenders' Commitments and (2) the sum of each Non-Defaulting Lender's Revolving Credit Exposure plus its reallocated share of such Defaulting Lender's LC Exposure does not exceed such Non-Defaulting Lender's Commitment; provided that, subject to

Section 12.19, no such reallocation will constitute a waiver or release of any claim the Borrower, any other Obligor, the Administrative Agent, any Issuing Bank or any Lender may have against such Defaulting Lender or cause such Defaulting Lender to be a Non-Defaulting Lender;

(B) if the reallocation described in clause (A) above cannot, or can only partially, be effected, then the Borrower shall within one Business Day following notice by the Administrative Agent cash collateralize for the benefit of each Issuing Bank such Defaulting Lender's LC Exposure (after giving effect to any partial reallocation pursuant to clause (A) above) in accordance with the procedures set forth in Section 2.08(e) for so long as such LC Exposure is outstanding;

(C) if the Borrower cash collateralizes any portion of such Defaulting Lender's LC Exposure pursuant to this Section 4.04 then the Borrower shall not be required to pay any fees to such Defaulting Lender pursuant to Section 3.05(b) with respect to such Defaulting Lender's LC Exposure during the period such Defaulting Lender's LC Exposure is cash collateralized;

(D) if the LC Exposure of the Non-Defaulting Lenders is reallocated pursuant to this Section 4.04(c), then the fees payable to the Lenders pursuant to Section 3.05(a) and Section 3.05(b) shall be adjusted in accordance with such Non-Defaulting Lenders' Applicable Percentages after giving effect to such reallocation; and

(E) if any Defaulting Lender's LC Exposure is neither cash collateralized nor reallocated pursuant to this Section 4.04(c)(iii), then, without prejudice to any rights or remedies of any Issuing Bank or any Lender hereunder, all commitment fees that otherwise would have been payable to such Defaulting Lender (solely with respect to the portion of such Defaulting Lender's Commitment that was utilized by such LC Exposure) and all letter of credit fees payable under Section 3.05(b) with respect to such Defaulting Lender's LC Exposure shall be payable to the Issuing Banks (ratably) until such LC Exposure is cash collateralized and/or reallocated.

(d) So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related exposure and the Defaulting Lender's then outstanding LC Exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateral will be provided by the Borrower in accordance with Section 4.04(c), and participating interests in any such newly issued or increased Letter of Credit shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 4.04(c)(iii)(A) (and Defaulting Lenders shall not participate therein).

(e) In the event that the Administrative Agent, the Borrower and the Issuing Banks each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender and such Lender is no longer a Defaulting Lender, then the LC Exposures of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date, if necessary, such Lender shall purchase at par such of the Loans and/or participations in Letters of Credit of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans and/or participations in Letters of Credit in accordance with its Applicable Percentage.

ARTICLE V
Increased Costs; Break Funding Payments; Taxes; Illegality

Section 5.01 Increased Costs.

(a) Eurodollar Changes in Law. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve (including marginal, special, emergency or supplemental reserves), special deposit, compulsory loan, insurance charge, or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(ii) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes, and (C) Connection Income Taxes) on its Loans, Loan principal, Letters of Credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Eurodollar Loan (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by such Lender (whether of principal, interest or otherwise), then, pursuant to Section 5.01(c), upon the written request of such Lender, the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or any Issuing Bank determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital or liquidity or on the capital or liquidity of such Lender's or such Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies and the policies of such Lender's or such Issuing Bank's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender or such Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's holding company for any such reduction suffered.

(c) Certificates. A certificate of a Lender or any Issuing Bank setting forth in reasonable detail the basis of its request and the amount or amounts necessary to compensate such Lender or such Issuing Bank or its holding company, as the case may be, as specified in Section 5.01(a) or (b) shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Bank, as the case may be, the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) Effect of Failure or Delay in Requesting Compensation. Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section 5.01 shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or any Issuing Bank pursuant to this Section 5.01 for any increased costs or reductions incurred more than 270 days prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 270-day period referred to above shall be extended to include the period of retroactive effect thereof. No Lender or Issuing Bank may make any demand pursuant to this Section 5.01 more than 270 days after the Termination Date.

Section 5.02 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as the result of the request by the Borrower pursuant to Section 5.04, (c) the conversion of any Eurodollar Loan into an ABR Loan other than on the last day of the Interest Period applicable thereto, or (d) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event. In the case of a Eurodollar Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 5.02 and reasonably detailed calculations therefor, upon request of the Borrower, shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

Section 5.03 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction for any Taxes; except as required by applicable law. If Withholding Agent shall be required by applicable law to deduct any Taxes from such payments, as determined in good faith by the applicable Withholding Agent, then (i) in the case of Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions of Indemnified Taxes (including deductions applicable to additional sums payable under this Section 5.03(a)), the applicable Recipient receives an amount equal to the sum it would have received had no such deductions for Indemnified Taxes been made, (ii) the applicable Withholding Agent shall make all deductions required by applicable law and (iii) the applicable Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) Payment of Other Taxes by the Borrower. The Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of such Other Taxes.

(c) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes paid by such Recipient on or with respect to any payment by or on account of any obligation of the Borrower hereunder (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 5.03) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate of the Administrative Agent, a Lender or an Issuing Bank as to the amount of such payment or liability under this Section 5.03 shall be delivered to the Borrower and shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Indemnified Taxes by the Borrower or a Guarantor to a Governmental Authority, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments under this Agreement or any other Loan Document shall deliver to the Borrower (with a copy to the Administrative Agent), at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate. In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the

completion, execution and submission of such documentation (other than such documentation set forth in Section 5.03(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed IRS Form W-8BEN (or any successor form) or IRS Form W-8BEN-E (or any successor form), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN (or any successor form) or IRS Form W-8BEN-E (or any successor form), as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed IRS Form W-8ECI (or any successor form);

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit I-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10-percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed originals of IRS Form W-8BEN(or any successor form) or IRS Form W-8BEN-E(or any successor form), as applicable; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed IRS Form W-8IMY (or any successor form), accompanied by IRS Form W-8ECI(or any successor form), IRS Form W-8BEN(or any successor form) or IRS Form W-8BEN-E(or any successor form), as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-2 or Exhibit I-3, IRS Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit I-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation and information reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(iv) On or before the date that Royal Bank of Canada (and any successor or replacement Administrative Agent) becomes the Administrative Agent hereunder, it shall deliver to the Borrower two duly executed originals of either (i) IRS Form W-9 (or any successor form) or (ii) a U.S. branch withholding certificate on IRS Form W-8IMY (or any successor form) evidencing its agreement with the Borrower to be treated as a U.S. Person, with the effect that, in any case, the Borrower will be entitled to make payments hereunder to the Administrative Agent without withholding or deduction on account of U.S. federal withholding Tax.

(f) Treatment of Certain Refunds. If any party determines in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 5.03 (including by the payment of additional amounts pursuant to this Section 5.03), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 5.03 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.04(c) relating to the maintenance of a Participant Register, and (ii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this Section 5.03(g).

(h) Defined Terms. For Purposes of this Section 5.03, the term "Lender" includes any Issuing Bank and the term "applicable law" includes FATCA.

Section 5.04 Designation of Different Lending Office; Replacement of Lenders.

(a) Designation of Different Lending Office. If (i) any Lender requests compensation under Section 5.01, or (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (A) would eliminate or reduce amounts payable pursuant to Section 5.01 or Section 5.03, as the case may be, in the future and (B) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If (i) any Lender requests compensation under Section 5.01, (ii) the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 5.03, (iii) any Lender asserts an illegality under Section 5.05, (iv) any Lender becomes a Defaulting Lender, (v) any Lender is a Non-Consenting Lender, or (vi) any Lender does not approve a Proposed Borrowing Base that would increase or reaffirm the Borrowing Base then in effect pursuant to Section 2.07(c)(iii) when the Super Majority Lenders have approved such Proposed Borrowing Base pursuant to Section 2.07(c)(iii), then in any such case, the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 12.04), all its interests, rights and obligations under this Agreement to an assignee or assignees that shall assume such obligations (which assignee may be another Lender, if such Lender accepts such assignment); provided that (A) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not unreasonably be withheld, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts), (C) in the case of any such assignment resulting from a claim for compensation under Section 5.01, for payments required to be made pursuant to Section 5.03 or an illegality under Section 5.05, such assignment will result in a reduction in such compensation or payments or avoid the illegality, (D) such assignment does not conflict with applicable law, (E) in the case of any assignment resulting from a Lender becoming a Non-Consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent, and (F) in the case of any assignment resulting from a Lender not approving an increase to or reaffirmation of the Borrowing Base as contemplated by clause (vi) above, the applicable assignee shall have consented to the increase or reaffirmation of the Borrowing Base. Notwithstanding the foregoing, a Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment

and delegation cease to apply. Each Lender hereby agrees to make such assignment and delegations required under this Section 5.04(b). Notwithstanding the foregoing, a Lender shall not be required to make any such assignment and delegation if such Lender (or its Affiliate) is a Secured Swap Party or a Secured Cash Management Provider with any outstanding Secured Swap Obligations or Secured Cash Management Obligations, respectively, unless on or prior thereto, all such Secured Swap Agreements or Secured Cash Management Agreements have been terminated or novated to another Person and such Lender (or its Affiliate) shall have received payment of all amounts, if any, payable to it in connection with such termination or novation (or, in each case, other arrangements satisfactory to such Secured Swap Party or Secured Cash Management Provider, as applicable, shall have been made with respect to such outstanding Secured Swap Obligations or Secured Cash Management Obligations).

Section 5.05 Illegality. Notwithstanding any other provision of this Agreement, in the event that it becomes unlawful for any Lender or its applicable lending office to honor its obligation to make or maintain Eurodollar Loans either generally or having a particular Interest Period hereunder, then (a) such Lender shall promptly notify the Borrower and the Administrative Agent thereof and such Lender's obligation to make such Eurodollar Loans shall be suspended (the "Affected Loans") until such time as such Lender may again make and maintain such Eurodollar Loans and (b) all Affected Loans which would otherwise be made by such Lender shall be made instead as ABR Loans (and, if such Lender so requests by notice to the Borrower and the Administrative Agent, all Affected Loans of such Lender then outstanding shall be automatically converted into ABR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans) and, to the extent that Affected Loans are so made as (or converted into) ABR Loans, all payments of principal which would otherwise be applied to such Lender's Affected Loans shall be applied instead to its ABR Loans.

ARTICLE VI

Section 6.01 Effective Date. The obligations of the Lenders to make Loans and of any Issuing Bank to issue Letters of Credit hereunder shall not become effective until the date on which each of the following conditions is satisfied (or waived in accordance with Section 12.02):

(c) The Borrower shall have deposited an amount to be agreed with Paul Hastings LLP, counsel to the Administrative Agent, to be held and applied toward payment of costs and expenses for recordation of the Security Instruments, as provided pursuant to Section 12.03(a). (e) The Administrative Agent shall have received a certificate of the chief executive officer or chief financial officer of the Borrower and each of the other Obligors certifying that on the Effective Date (i) all representations and warranties of the Borrower and each such other Obligor in the Loan Documents are true and correct in all material respects, except those representations and warranties which include a materiality qualifier, which shall be true and correct as so qualified, (ii) no Default or Event of Default has occurred or is continuing or will result from the making of the Loans or the Transactions contemplated by the Loan Documents and (iii) the Obligors and the Restricted Subsidiaries have received all consents and approvals required by Section 7.03.

(j) The Administrative Agent shall have received from each party thereto duly executed counterparts (in such number as may be requested by the Administrative Agent) of the Guarantee and Collateral Agreement and the other Security Instruments (other than those listed on Schedule 6.03, if any) deemed necessary or advisable by the Administrative Agent. In connection with the execution and delivery of the Security Instruments, the Administrative Agent shall:

(i) be reasonably satisfied that the Security Instruments will create first priority, perfected Liens (subject only to Excepted Liens) on at least 85% of the total value of the Borrowing Base Properties evaluated in the Initial Reserve Report;

(ii) have received certificates, together with undated, blank stock powers for any such certificate, representing all of the issued and outstanding Equity Interests of the Obligors and their respective direct Subsidiaries, in each case, owned by the Obligors and to the extent such Equity Interests are certificated; and

(iii) have received from each party thereto duly executed counterparts of an Account Control Agreement for each Deposit Account and Securities Account listed on Schedule 7.25 other than any Excluded Account.

(k) The Administrative Agent shall have received UCC financing statements for the Borrower and each Guarantor to be filed in each such Person's state of incorporation or formation, or principal place of business, as applicable.

(m) The Administrative Agent shall have received an opinion of (x) Baker Botts L.L.P., counsel to the Borrower, in form and substance reasonably satisfactory to the Administrative Agent, as to such customary matters regarding this Agreement, the Security Instruments and the other Loan Documents and the Transactions as the Administrative Agent or its counsel may reasonably request and (y) local counsel reasonably acceptable to the Administrative Agent and its counsel with respect to mortgages and other recorded instruments to perfect interests in real property.

(n) The Administrative Agent shall have received an ACORD evidence of insurance certificate evidencing coverage of the Obligors and their respective Subsidiaries evidencing that the Borrower is carrying insurance in accordance with Section 8.06 and naming the Administrative Agent in such capacity for the Lenders as loss payee on all property insurance policies and naming the Administrative Agent and the Lenders as additional insureds on all liability policies.

(o) The Administrative Agent shall be satisfied that there has been no material change (as reasonably determined by the Administrative Agent) to the notional volumes, tenors, pricing and other terms of the Obligors' and the Restricted Subsidiaries' commodity and interest rate hedging transactions, as specified in the disclosure prepared by the Borrower and posted to the Lenders via IntraLinks on July 26, 2017.

(p) The Administrative Agent shall have received (i) the Financial Statements referred to in Section 7.04(a) and (ii) the Initial Reserve Report accompanied by a certificate covering the matters described in Section 8.11(c).

(q) The Administrative Agent shall have received appropriate UCC and other Lien and judgment search certificates from the jurisdiction of organization reflecting no prior Liens encumbering the Properties of such Obligor other than those being assigned or released on or prior to the Effective Date or Liens permitted by Section 9.03.

(r) The Administrative Agent shall have received evidence satisfactory to it that (i) all loans and other amounts owing under the Existing Credit Agreement have been (or contemporaneously herewith are being) repaid in full and all commitments thereunder have been terminated or cancelled and (ii) all Liens on (A) the personal Property of the Obligors and the Subsidiaries and (B) all Oil and Gas Properties of the Obligors in each county for which a Security Instrument is executed on the Effective Date, associated with the Existing Credit Agreement, except for any Liens associated with the Wells Fargo Escrow Account, have been released or terminated, subject only to the filing of applicable terminations, releases or assignments.

(s) The Administrative Agent and the Lenders shall have received, and be reasonably satisfied in form and substance with, all documentation and other information required by bank regulatory authorities under applicable "know-your-customer" and anti-money laundering rules and regulations, including but not restricted to the Patriot Act.

(t) The Administrative Agent shall have received such other documents as the Administrative Agent or counsel to the Administrative Agent may reasonably request.

The Administrative Agent shall notify the Borrower and the Lenders of the Effective Date, and such notice shall be conclusive and binding. Notwithstanding the foregoing, the obligations of the Lenders to make Loans and of each Issuing Bank to issue Letters of Credit hereunder shall not become effective unless each of the foregoing conditions is satisfied (or waived pursuant to Section 12.02) at or prior to 2:00 p.m., Houston time, on August 7, 2017 (and, in the event such conditions are not so satisfied or waived, the Commitments shall terminate at such time). For purposes of determining compliance with the conditions specified in this Section 6.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received written notice from such Lender prior to the proposed Effective Date specifying its objection thereto.

Section 6.02 Each Credit Event. The obligation of each Lender to make a Loan on the occasion of any Borrowing (including the initial funding), and of each Issuing Bank to issue, amend, renew or extend any Letter of Credit, is subject to the satisfaction of the following conditions:

(a) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Event of Default shall have occurred and be continuing.

(b) At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Material Adverse Effect shall have occurred since Effective Date.

(c) Each of the representations and warranties of the Borrower and the Guarantors, set forth in this Agreement and in the other Loan Documents shall be true and correct in all material respects (except for those which have a materiality qualifier, which shall be true and correct in all respects as so qualified) on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable, except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, on and as of the date of such Borrowing or the date of issuance, amendment, renewal or extension of such Letter of Credit, as applicable, such representations and warranties shall continue to be true and correct in all material respects (except for those which have a materiality qualifier, which shall be true and correct in all respects as so qualified) as of such specified earlier date.

(d) After giving pro forma effect to such Borrowing and the anticipated use of proceeds thereof within three Business Days, the Consolidated Cash Balance as of such time shall not exceed $70,000,000.

(e) The receipt by the Administrative Agent of a Borrowing Request in accordance with Section 2.03 or a request for a Letter of Credit in accordance with Section 2.08(b), as applicable.

Each request for a Borrowing and each request for the issuance, amendment, renewal or extension of any Letter of Credit shall be deemed to constitute a representation and warranty by the Borrower on the date thereof as to the matters specified in Section 6.02(a) through (d).

Section 6.03 Post-Closing Obligations.

(a) Within the time periods specified on Schedule 6.03 (as each may be extended in writing by the Administrative Agent in its sole discretion), each Obligor shall, and shall cause each Restricted Subsidiary to, provide the documentation, and complete the undertakings, as are set forth on Schedule 6.03. All conditions precedent, covenants and representations and warranties contained in this Agreement and the other Loan Documents shall

be deemed modified to the extent necessary to effect the foregoing (and to permit the taking of the actions described above and on Schedule 6.03 within the time periods required by this Section 6.03, rather than as elsewhere provided in the Loan Documents); provided that (x) to the extent any representation and warranty would not be true, or any provision of any covenant breached, because the foregoing actions were not taken on the Effective Date, the respective representation and warranty shall be required to be true and correct in all material respects, and the covenant complied with, at the time the respective action is taken (or was required to be taken) in accordance with the foregoing provisions of this Section 6.03 and (y) all representations and warranties and covenants relating to the Loan Documents shall be required to be true or, in the case of any covenant, complied with, immediately after the actions required to be taken by this Section 6.03 have been taken (or were required to be taken).

(b) Notwithstanding anything to the contrary in this Agreement, to the extent that the Initial Post-Closing Title Requirement is not satisfied on or before the date that is 30 days after the Effective Date (the "Availability Limit Date"), then until the date on which the Initial Post-Closing Title Requirement is satisfied, the Obligors shall maintain unused total Commitments in an amount equal to or greater than $250,000,000. For the avoidance of doubt and notwithstanding anything to the contrary in this Agreement, from and after the Availability Limit Date until the date on which the Initial Post-Closing Title Requirement is satisfied, the Obligors hereby agree that the Administrative Agent, the Issuing Bank and the Lenders shall have no obligation to make Loans or to issue, amend, renew or extend any Letter of Credit if after giving effect thereto, the total Revolving Credit Exposures would exceed $250,000,000 (and the Borrower hereby agrees it shall not request any Loan or the issuance, amendment, renewal or extension of any Letter of Credit if giving effect thereto, the total Revolving Credit Exposures would exceed $250,000,000). The Obligors hereby agree that this Section 6.03(b) shall be disregarded for the purposes of calculating any fees pursuant to Section 3.05.

ARTICLE VII
Representations and Warranties

The Obligors jointly and severally represent and warrant to the Lenders that:

Section 7.01 Organization; Powers. Each of the Obligors and the Restricted Subsidiaries is duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization, has all requisite power and authority, and has all material governmental licenses, authorizations, consents and approvals necessary, to own its assets and to carry on its business as now conducted, and is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, except where failure to have such power, authority, licenses, authorizations, consents, approvals and qualifications could not reasonably be expected to have a Material Adverse Effect.

Section 7.02 Authority; Enforceability. The Transactions are within the Borrower's and each Guarantor's corporate, partnership limited liability company powers and have been duly authorized by all necessary corporate, limited liability company or partnership and, if required, shareholder action (including, without limitation, any action required to be taken by any class of directors of the Borrower or any other Person, whether interested or disinterested, in order to ensure the due authorization of the Transactions). Each Loan Document to which the

Borrower or any Guarantor is a party has been duly executed and delivered by the Borrower or such Guarantor, as applicable, and constitutes a legal, valid and binding obligation of the Borrower or such Guarantor, as applicable, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 7.03 Approvals; No Conflicts. The Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority or any other third Person (including the shareholders or any class of directors of the Borrower or any other Person, whether interested or disinterested), nor is any such consent, approval, registration, filing or other action necessary for the validity or enforceability of any Loan Document or the consummation of the Transactions, except (i) such as have been obtained or made and are in full force and effect, (ii) the filings and recordings necessary to perfect the Liens created hereby and by the Security Instruments, (iii) those third party approvals or consents which, if not made or obtained, would not cause a Default hereunder or could not reasonably be expected to have a Material Adverse Effect and (iv) the filing of any required documents with the SEC, (b) will not violate any applicable law or regulation or the charter, by-laws or other Organizational Documents of the Obligors or any Restricted Subsidiary or any order of any Governmental Authority (except, with respect to applicable law or regulations, for such violations that would not reasonably be expected to have a Material Adverse Effect), (c) will not violate or result in a default under any indenture, agreement or other instrument evidencing or governing Material Debt binding upon the Obligors, the Restricted Subsidiaries or their respective Properties, or give rise to a right thereunder to require any payment to be made by the Obligors or any Restricted Subsidiary and (d) will not result in the creation or imposition of any Lien on any Property of the Obligors or any Restricted Subsidiary (other than the Liens created by the Loan Documents).

Section 7.04 Financial Position; No Material Adverse Effect.

(a) Holdings has heretofore furnished to the Lenders the consolidated balance sheet and statements of income, shareholders' equity and cash flows for Holdings and its Consolidated Subsidiaries (i) as of and for the fiscal year ended December 31, 2016, reported on by KPMG LLP, independent public accounts (it being understood that such financial statements are in respect of LINN Energy, LLC and its consolidated subsidiaries as of such date) and (ii) as of and for the fiscal quarter and the portion of the fiscal year ended March 31, 2017, certified by its chief financial officer. Such financial statements present fairly, in all material respects, the financial position and results of operations and cash flows of Holdings and its Consolidated Subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii) above.

(b) Since the Effective Date and the date of the last financial statements delivered pursuant to Section 8.01, there has been no event, development or circumstance that has had or could reasonably be expected to have a Material Adverse Effect.

(c) As of the Effective Date, no Obligor or any Restricted Subsidiary has any Material Debt (including Disqualified Capital Stock), or any material contingent liabilities, material off-balance sheet liabilities or partnerships, material liabilities for Taxes, material unusual forward or long-term commitments or material unrealized or anticipated losses from any unfavorable commitments, except (i) the Obligations or (ii) as referred to or reflected or provided for in the Financial Statements delivered under Section 7.04(a).

Section 7.05 Litigation. Except as set forth on Schedule 7.05, there are no actions, suits, investigations or proceedings by or before any arbitrator or Governmental Authority pending against or, to the knowledge of the Obligors or the Restricted Subsidiaries, threatened in writing against or affecting the Obligors or the Restricted Subsidiaries (a) not fully covered by insurance (except for normal deductibles) as to which there is a reasonable possibility of an adverse determination that, if adversely determined, could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect or (b) that involve any Loan Document or the Transactions, except for any such action, suit, investigation or proceeding related to the Existing Credit Agreement, any liabilities in respect of which will be fully covered (except with respect to interest, fees, expenses and indemnification obligations, if any) by amounts on deposit in the Wells Fargo Escrow Account. Since the date of this Agreement, there has been no change in the status of the matters disclosed in Schedule 7.05 that, individually or in the aggregate, has resulted in, or would reasonably be expected to result in, a Material Adverse Effect.

Section 7.06 Environmental Matters. Except for such matters that, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect:

(a) the Obligors and their respective Subsidiaries and each of their respective Properties and operations thereon are, and within all applicable statute of limitation periods have been, in compliance with all applicable Environmental Laws;

(b) the Obligors and their respective Subsidiaries have obtained all Environmental Permits required for their respective operations and each of their Properties, with all such Environmental Permits being currently in full force and effect, and none of the Obligors and their respective Subsidiaries has received any written notice or otherwise has knowledge that any such existing Environmental Permit will be revoked or that any application for any new Environmental Permit or renewal of any existing Environmental Permit will be protested or denied;

(c) there are no claims, demands, suits, orders, inquiries, or proceedings concerning any violation of, or any liability (including as a potentially responsible party) under, any applicable Environmental Laws that are pending or, to the knowledge of any Obligor, threatened against the Obligors and their respective Subsidiaries or any of their respective Properties or as a result of any operations at the Properties;

(d) none of the Properties contain or have contained any: (i) underground storage tanks; (ii) asbestos containing materials in a friable condition or otherwise requiring abatement under Environmental Laws; (iii) landfills or dumps; (iv) hazardous waste management units as defined pursuant to RCRA or any comparable state law; or (v) sites on or nominated for the National Priority List promulgated pursuant to CERCLA or any similar state remedial priority list promulgated or published pursuant to any comparable state law;

(e) there has been no unauthorized Release or threatened unauthorized Release of Hazardous Materials at, on, under or from any of the Obligors' or their respective Subsidiaries' Properties; there is no investigation, remediation, abatement, removal, or monitoring of Hazardous Materials required under applicable Environmental Laws at such Properties; and, to the knowledge of the Obligors, none of such Properties are adversely affected by any Release or threatened Release of a Hazardous Material originating or emanating from any other real property;

(f) neither the Obligors nor their respective Subsidiaries has received any written notice asserting an alleged liability or obligation under any applicable Environmental Laws with respect to the investigation, remediation, abatement, removal, or monitoring of any Hazardous Materials at, under, or Released or threatened to be Released from any real properties offsite the Obligors or their respective Subsidiaries' Properties.

Section 7.07 Compliance with the Laws and Agreements; No Defaults.

(a) Each of the Obligors and the Restricted Subsidiaries is in compliance with all Governmental Requirements applicable to it or its Property and all agreements and other instruments binding upon it or its Property except where the failure to do so, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

(b) No Default has occurred and is continuing.

Section 7.08 Investment Company Act. None of the Obligors or any of the Restricted Subsidiaries is an "investment company" or a company "controlled" by an "investment company," within the meaning of, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 7.09 Taxes. Each of the Obligors and their respective Subsidiaries has timely filed or caused to be filed all Tax returns (including extensions) and reports required to have been filed and has paid or caused to be paid all Taxes required to have been paid by it, except (a) Taxes that are being contested in good faith by appropriate proceedings and for which the Obligors and their respective Subsidiaries, as applicable, have set aside on their books adequate reserves in accordance with GAAP or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect. The charges, accruals and reserves on the books of the Obligors and their respective Subsidiaries in respect of Taxes and other governmental charges are, in the reasonable opinion of the Obligors, adequate. No Tax Lien (other than an Excepted Lien with respect to Taxes) has been filed and, to the knowledge of the Obligors, no claim is being asserted in writing with respect to any material unpaid Tax. The Borrower is treated as a disregarded entity, Parent is treated as a partnership or a disregarded subsidiary of Holdings and Holdings is treated as a corporation for U.S. federal income tax purposes.

Section 7.10 ERISA. Except as would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect or result in any Lien arising under ERISA or Section 430 of the Code:

(a) The Obligors and their respective Subsidiaries and each ERISA Affiliate have complied in all material respects with ERISA and, where applicable, the Code regarding each Plan, if any.

(b) Each Plan, if any, is, and has been, maintained in substantial compliance with ERISA and, where applicable, the Code.

(c) No ERISA Event with respect to any Plan has occurred or is expected by the Obligors or any of their respective Subsidiaries or any ERISA Affiliate to be incurred with respect to any Plan.

(d) No failure to meet the minimum funding standard of Section 412 of the Code or Section 302 of ERISA, whether or not waived, exists with respect to any Plan.

(e) None of the Obligors and their respective Subsidiaries or any ERISA Affiliate sponsors, maintains or contributes to, or has at any time in the six-year period preceding the date hereof sponsored, maintained or contributed to, any Multiemployer Plan.

(f) None of the Obligors and their respective Subsidiaries or any ERISA Affiliate is required to provide security under Section 401(a)(29) of the Code due to a Plan amendment that results in an increase in current liability for the Plan.

(g) None of the Obligors and their respective Subsidiaries nor any ERISA Affiliate sponsors, maintains or contributes to an employee welfare benefit plan, as defined in Section 3(1) of ERISA, including any such plan maintained to provide benefits to former employees of such entities, that may not be terminated by the Obligors and their respective Subsidiaries or any ERISA Affiliate in its sole discretion without any material liability.

Section 7.11 Disclosure; No Material Misstatements. None of the reports, financial statements, certificates or other written information (other than Reserve Reports and information delivered in connection therewith) furnished by or on behalf of the Obligors and their respective Subsidiaries to the Administrative Agent or any Lender pursuant to this Agreement or any other Loan Document or delivered by the Borrower, any other Obligor or any of their respective Subsidiaries to the Administrative Agent or any Lender hereunder or under any other Loan Document (as modified or supplemented by other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading on the date when furnished; provided that with respect to financial estimates, projected or forecasted financial information and other forward-looking information, the Obligors each represents and warrants only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time of preparation; it being understood that (a) such projections and forecasts, as to future events, are not to be viewed as facts, that actual results during the period(s) covered by any such projections or forecasts may differ

significantly from the projected or forecasted results and that such differences may be material and that such projections and forecasts are not a guarantee of financial performance, and (b) no representation is made with respect to information of a general economic or general industry nature. There are no statements or conclusions in any Reserve Report or in any information delivered in connection therewith which are based upon or include materially misleading information of a material fact or fail to take into account material information regarding the material matters reported therein, it being understood that projections concerning volumes attributable to the Oil and Gas Properties of the Borrower and the Restricted Subsidiaries and production and cost estimates contained in each Reserve Report and in other information delivered in connection therewith are necessarily based upon professional opinions, estimates and projections and that no warranty is made with respect to such opinions, estimates and projections.
